President E.H. Lindley,  
University of Idaho  
Moscow, Idaho.

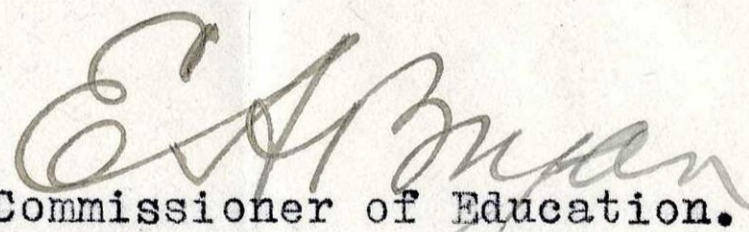

Dear President Lindley:

I have been notified by the Secretary of the State Board of Health that all of the state institutions will be under quarantine.

The secretary prefers to deal directly with the state institutions rather than thru the county health officers. It has been my understanding that the University is under quarantine, and I doubt not that this meets the requirements of the case.

Please keep me fully advised in the premises.

Yours truly,

  
Commissioner of Education.
