President E. K. Lindley:
University of Idaho
Dear Sir:

This protest was first arranged in the form of a petition. But on account of the quarantine it was impossible to present it to the men's fraternity houses, who had not been notified of the election.

However, it was signed by all Freshmen, living in Ridenbaugh Hall and girls' fraternity houses with the addition of two town girls.

Respectfully Yours
Dadie M. Wellman

To President Lindley
University of Idaho

We, the undersigned, protest the
Freshmen election, held in the
stadiums Saturday afternoon
October 19, for the following
reasons:

1. This meeting was held in
direct violation of President Lindley's
ruling against assemblies during
quarantine.

2. Gamma Phi Beta, Kappa
Kappa Gamma, Chi Delta Phi,
Ridenbaugh Hall and the girls
living in town were not notified
of this meeting.

3. The majority of the class were
absent.

Ernestine Rose.
