

19 April, 1980

Arboretum Newsletter, Spring, 1980

You are cordially invited to attend the annual meeting of the Arboretum Associates, Thursday, April 24, 1980, 7:30 pm, at the University of Idaho Student Union Building. The room will be posted at the Information Desk. In addition to routine business, there will be a presentation-status report on the addition to the Shattuck Arboretum. Copies of the completed Master Plan will be available for review. Will you join us for this annual meeting?

The University of Idaho Foundation, Inc. has received a Comprehensive Education Training Act (CETA) grant for \$18,500 to be used for the arboretum during 1980. Shelter belt planting, pest control, and the planting and maintenance of a display garden will be undertaken soon, as the new Shattuck Arboretum and Botanic Garden work commences.

Earth moving for stabilization of the east slope of the ASUI-UI Golf Course, adjacent to the arboretum site, has been completed, according to Ernest W. Hartung, Executive Director, University of Idaho Foundation, Inc.

The Alpha Phi Sorority at the UI was the first Life Associate Member of the Arboretum Associates. Donations from alumnae, members, and friends of Alpha Phi enabled this membership in association with Alpha Phi's 50th anniversary. THANK YOU, Alpha Phi!

During Fall Semester, 1979, the UI Faculty Women's Club held a silent auction to benefit the Arboretum Associates. Under the direction of Marlene Johnston, the auction netted \$220 for the Arboretum Associates. Special thanks are due to all of those who contributed items for this sale, and to those who purchased items.

Daryl Ann Brown, junior student majoring in Art-Design, won the \$100 prize offered by Arboretum Associates for the design of a logo, letter-head, and related materials. Her winning design, used here for the first time, will serve as our "trademark" for years to come. Daryl, who came to the UI from Worley, Idaho, was one of the many competing students enrolled in Jim Engelhardt's Advanced Graphic Design class, Fall Semester, 1979.

The Shattuck Arboretum and Botanic Garden Master Plan has been completed by Richard Carothers Associates of Boise, Seattle, and Portland, under the Direction of Don Belts, Boise. Copies of the Master Plan may be viewed at the University of Idaho Foundation, Inc. office, Room 104, UI Administration Building. One copy, available for one day checkout, may be obtained from the Closed Reserve Room in the basement of the UI Library.

Membership in the Arboretum Associates is open to all interested persons and organizations. Several categories of membership are available for the calendar year. A dues form is printed at the end of this newsletter. We welcome your continuing and loyal support.

P.O. Box 3391 University Station Moscow, Idaho 83843

Tax deductible gifts to benefit the arboretum project can be made at any time and in any amount of dollars through the University of Idaho Foundation, Inc. For information about tax savings and benefits of setting up trusts for the arboretum project, contact Carl Killsgaard, Associate Director of Development, Administration Building, Room 104 on the UI Campus. Carl's telephone is 885-6395.

The Shattuck Arboretum project is formally associated with three groups, each with specific missions and limits of activities. Here is a brief outline of the activities of the three groups.

University of Idaho Foundation, Inc., Ernest W. Hartung, Executive Director. Solicitation of funds and grants from trusts, granting agencies, and private individuals who can make trust agreements with the University of Idaho; making contracts for the University of Idaho; presentation of copies of the Master Plan of the arboretum to agencies and trustees of various funds; making contracts with engineering and architectural firms, landscape architects, etc.

University of Idaho Campus Arboretum Committee. The committee, originally named by former President Ernest W. Hartung, is to oversee the specific implementation of the Master Plan and the daily operations of the arboretum as the project commences. Specific changes in the Master Plan are the responsibility and province of the UI Campus Arboretum Committee. The committee consists of members of specific academic departments which have direct interests in the arboretum, and of specific other University officials. At present, the committee consists of:

- Univ. of Idaho Foundation, Inc.----- E. W. Hartung
- UI Physical Plant----- Ed Stohs
- Dept. of Plant & Soil Sci.----- Arthur Boe (Chr.)
- Landscape Architecture----- William Snyder
- Forest Resources Dept.----- Frederic Johnson
- Botany----- Richard J. Naskali

Arboretum Associates. The Arboretum Associates is organized to further the development of, and interest in, the University of Idaho's Shattuck Arboretum extension project, and to disseminate information about and from the Arboretum. Specific memberships are accepted upon the payment of annual dues and in compliance with its constitution and bylaws. Any individual or organization may become a member upon payment of dues. The Arboretum Associates will disseminate newsletters about the progress of the arboretum project, and popularize and inform the public about the project; it will provide assistance to the project, to the University of Idaho Foundation, Inc., and to the UI Campus Arboretum Committee. It may encourage fund drives, contribute funds to the UI Foundation, Inc. for the benefit of the arboretum project. During 1979-1980, the Executive Committee of the Arboretum Associates, previously elected by the membership, consists of:

- *Pres. Lillian Pethel, R.2, Box 10, Kamiah, ID83536 (935-2313).
- *V.P. Richard Naskali, 625 E 6th St., Moscow, ID 83843 (882-2633).
- *Sec. Lois Kirkland, R.3, Box 114, Moscow, ID 83843 (882-3686).
- *Treas. Darlene Pelofske, 410 S Blaine, Apt. 201, Moscow, ID (882-5299).
- *Marlene Johnston, 1113 Highland Dr., Moscow, ID 83843 (882-0573).
- John Knudsen, 1358 Walenta Dr., Moscow, ID 83843 (882-5352).
- H. Eugene Slade, 815 Nez Perce St., Moscow, ID 83843 (882-4179)

*Terms expire at the annual meeting, April 24, 1980 when elections are held.

The Arboretum Associates had a checking account balance of \$492.00 on April 1, 1979. Membership dues and gifts were \$1062.50 between April 1, 1979 and March 13, 1980. Expenses paid during the same period were \$45.65. The checking account balance was \$1508.85 as of March 13, 1980, according to Treasurer Darlene Pelofske.

Would you like to benefit the arboretum project? Why not have a benefit sale or some other activity to help the arboretum by generating proceeds for this Moscow and University of Idaho facility? The Shattuck Arboretum is the only arboretum in the State of Idaho; its original founding precedes the founding of most other arboreta of western United States. Help it grow!

Richard J. Naskali
