### Montana Agricultural College Goes Down to Defeat before Idaho's Sturdy Eleven.

### Farmers' Strong Individually but Poor in Team Work—Play a Brilliant Defensive Game—Scott, a Star.

In the first game of the season played on the home grounds Monday between Montana Agricultural College and the University of Idaho, Idaho got the big end of a fifty to nothing score. This is the largest score that Idaho has ever made. Montana's team was composed of good individual players but they lacked team work. The plucky little quarter deserves special praise. He is a little fellow weighing about 130 pounds but made up for lack in weight by grit. Idaho was slow in getting lined up after the plays.

Montana had the ball but seven times throughout the game and she made her yardage only once. Idaho on the other hand was not held for downs and lost the ball only once, which was a fumble. Idaho had nine touch-downs and Middleton converted five of them. At the end of the first half the score stood 16 to 0.

Montana won the toss and Yergey kicked to Rogers on the 25 yard line. Then the work began. Keyes carried 1, Rogers 6, Small 4, Keyes fumbled, Rogers 4, Keyes 2, Rogers 10, Smith 0 and 2, Armstrong 3, Larson fumbled and Montana got the ball on her 35 yard line.

Montana tried twice without gain then punted to Mid who ran it in 5 yards. Smith made an end run for 25 yards, Rogers 6, and 3, Keyes 1 and 2, Rogers 5, Larson 4, then he fumbled and Montana gets the ball on the 15 yard line.

Moxley took Driscoll's place at full and punted. Snow blocked and Smith took the ball over for the first touch-down after seven minutes play. Goal.

Montana kicked to Small who carried the ball back 15 yards to the 25 yard line. Small run in 2, Keyes 3, Rogers 15, Larson 4, Small 7, Armstrong 4, Smith 2, Rogers 10, Smith 4 and 4, Rogers 7, Armstrong 2, Rogers 3, Smith 2, Small over for the second touch-down in 16 minutes.

Idaho kicked to Wylie who ran it in 10 yards to the 25. She made her yardage for the only time in the game. Yergey 1, Braden 4, Yergey 1. Snow breaks through and gets the quarter for no gain. Idaho's ball on the 40 yard line. Keyes ran in 10 yards, Oakes 8, Rogers 4, Smith 3, Keyes 1, Rogers 14, Oakes 1, Larson 5, Rogers over. Twenty-one minutes. No goal.

Moxley kicked to Smith who ran back 10 to the 35 yard line. Smith 10, Small 5, Rogers 11, Mid made a bad pass and Smith fell

on the ball. Small punted 35 yards. Scott returned 10 yards. Montana's ball. Wylie 1 and 4. Idaho threw Montana back for a loss of 10 yards. First half ends with the ball in Montana territory and the score 16 to 0.

Middleton kicks forty-five to Moxley who runs it back 10 yards. Montana fumbles and Idaho's ball. Larson no gain, Rogers 5, Small 5, Smith 4 and 6, Keyes goes over. 2 minutes. Goal.

Mid kicks to 10 yard line. Moxley returns 10 yards, Snow breaks through and Moxley punts 10 yards to Mid. Rogers runs 8, Armstrong 0, Rogers 10, Oakes 2, Armstrong 10, Rogers 1, Smith 2. Myers takes Smith's place at right half. Oakes goes 10, Myers goes over. 6 minutes. No goal.

Moxley kicks forty yards. Mid returns 20, Small 10, Rogers 18, Small 11, Larson 0 and 6. Brittan relieves Yergey. Myers goes 3, Keyes 3, Small 2, Larson 4. A. Brittan relieves Spain at right tackle. Myers runs 3, Small 3, Keyes 5, Rogers over. No goal. 12 minutes.

Mid kicks to 2 yard line and Wylie returns 15 yards. Wylie goes 2. A. Brittan 1. Moxley kicks 25 yards. Idaho's ball. Small runs 6, Keyes 4, Small 4, Small fumbles and Larson regains and takes it over for a touch-down. Mid converts. 14 minutes.

H. Smith takes Sheridan's place at left guard. Dunton goes to right guard, Thomas to right end and Oakes out. Moxley kicks 40 yards to Mid who returns 17, Myers 5, Small 5, Myers 5, Rogers 6, Larson 5, Small 10, Armstrong 2, Keyes 3, Rogers 7, Larson 6, Small 6, Rogers 0, and 4, Myers 3 and 4, Larson 3, Armstrong over. 21 minutes. Goal.

Moxley kicks 45 yards to Thomas who returns 23 yards. Small goes 3, Keyes 8 and 2, Rogers 12, Small 3, Keyes 4, Armstrong 3, Thomas 3, Rogers 36 for touch-down. 24 minutes. Goal.

Moxley kicks to Small who returns 35 yards to Montana's 50 yard line and time is called. Score 50 to 0.

Idaho's total yardage amounted to about 715 yards. Rogers was the best ground gainer. Every man was in the game and there was good team work, considering the short time they have been practising.

## REV. FRY'S ADDRESS

### Makes Inspiring and Spirited Talk at the Regular Weekly Assembly.

### Advantages and Opportunities of the Present Generation Clearly and Tersely Emphasized.

Last Wednesday the students in assembly at the University were addressed by the Rev. William H. Fry, the new minister at the Methodist Episcopal church at Moscow. The speaker made no connected lecture but had several things which he wished to say, and said them in a sincere and impressive manner.

The speaker said in part that he had been influenced to leave his comfortable location in Spokane to come to Moscow through his deep interest in the University and student activities. While here he expects to enter personally into the work of the students and hopes the interests will be reciprocal. He said that he has always felt a deep interest in those students who are getting an education through their own efforts. This because he was a backwoodsman who did not have the present opportunities for education, and did not enter college until he was twenty-one years of age. Then his education was gained by hard struggles and sacrifices.

The speaker said that he was interested in athletics and would be ever found in the ranks of the "new" preachers. His church will be one that stands for liberties in every respect. Church he said was not solely for the sickly, inactive person, but rather for the energetic, robust person.

The next subject touched was the Christian organizations—the Y. M. and Y. W. O. A. The speaker said it was not a financial, economical or political issue which is paramount but a moral and spiritual question which is primary in the education of a student. One may have intellectual development without enlargement of moral and spiritual character, but an awakening of the spiritual and moral side of one, quickens the mind and imagination of one and strengthens one's physique.

Mr. Fry then recalled the oft repeated phrase that the amount taken away as a senior is measured by what one brings to college. No method of training can make a fool wise; a coward brave.

The student of the present day is the thinking young man of the country. The college attendants are the coming ruling generation. Much then is required of those with the large opportunities for education. Every person is at college to develop what he brings to the institution. He must be made a

student. This is done as an athlete, or a soldier, is made. Not by putting on the suit or the uniform but by actual experience in the thick of the fray. It is the contact with others as much or more than contact with books that makes the student.

The speaker closed with the remark that from the inadequate schools of the backwoods had come men who were indispensable to the welfare of the nation. He made an appeal for the future safeguards of the nation, from the present comendous educational institutions of the land.

Miss Forney rendered a piano solo at the opening of the exercises.

Price was elected without opposition for president. Myers and Holman were nominated for vice president. Myers was elected. Holman was elected secretary. ## ASSOCIATION MEET

### First Regular Meeting Called to Stimulate Football Enthusiasm Among Students.

### Motion to Lease College Paper Brings Forth Heated Discussion—Motion is Finally Carried.

Friday afternoon the A. S. U. I. met in the college auditorium to discuss the football outlook for the ensuing year and arouse enthusiasm for the coming games which will be played on the home grounds. Other matters of importance came up for the consideration of the students.

Captain Middleton, of the football team, told of the strong squad which he has out for the daily practice and the bright prospects for the championship this year. In a few well directed words he urged every student to lend his or her support, both financially and through encouragement by presence at the games. Three yell leaders were elected for the season. They are W. W. Goble, J. F. Carson and N. B. Adkison.

Rogers, business manager of the Argonaut, then asked the students for the privilege of assuming the financial responsibility of the Argonaut. In view of the fact that there is not at the present time sufficient room in the paper for the use of the editor in giving due regard to the interests of the students there was a heated discussion upon this point but in the end the request of the manager was granted.

The students voted prizes of \$3 and \$1.50 respectively for the two best college yells composed this season. The decision to be left to a popular vote at the close of the season.

### DIED.

J. Edgar Humphrey, a member of the Junior class, passed away at the family residence on West 6th street this (Tues.) morning at 3 o'clock. The deceased was 19 years of age and had been at the university two years, entering as freshman from the Hailey high school. About two weeks ago he was taken ill with typhoid but he was thought to be improving. Yesterday evening a relapse was suffered and the end came suddenly.

Mr. Humphrey was an excellent student and a reserved young man. He was a member of the Junior class and a strong worker in the Y. M. O. A. He was a member of the Baptist church, a conscientious, Christian boy. Every student was his friend and gloom and sadness has been cast over the students. The sympathy of the entire student body is extended to comfort and encourage the bereaved family. Funeral services will be held Wednesday.

RATES—One Dollar per Year.

Entered in the postoffice, Moscow, Idaho, as second class mail matter.

The President, at the first assembly, voiced the sentiment of every fair minded person. The decision of the faculty is that there shall be no hazing. With the issuance of the Sophomore manifesto, there is now need for extreme care by all. Class scraps, where all is taken in good part by the participants are not opposed. It is to the interest of all concerned to participate without the rise of an angry temper. Remember that the name of the University of Idaho is connected with all student frays, and it rises or lowers as the bout is manly or beastly.

The Argonaut gives invitation to every member of the student body to try for a position upon the editorial staff. There is room for several staff editors who show a determination to work. The Argonaut is strictly a student publication, for the benefit of the students. Every student therefore should help to make it such that everyone can feel proud of the paper. One man cannot possibly voice the sentiment of all the students all the time. Therefore many students should speak through the medium of the columns of the paper. The Editor should not be left with the entire burden of writing the paper; he should have only to direct the efforts of the staff; he should edit and not have to do the entire writing. Let us again ask the hearty co-operation of every student in the institution. Let every one who can in any way, try for positions on the staff.

The University of Idaho has never had a college song. This need has many times been keenly felt by the students and endeavors have been made, but ineffectually, to have some produced by University talent. This year again efforts are being made to induce some one to produce a song for the institution. The endeavors are more vigorous and the inducements are much larger consequently better success is expected. While formerly there was only honor for the author or composer, there is now a financial prize offered for the successful composer. The Athletic Board have declared their intention of giving ten dollars and to this sum the faculty have added ten dollars. A total of twenty-five dollars is thus offered. This will be awarded in two prizes; first prize fifteen dollars; second prize ten dollars. Surely the honor and money prizes are inducements enough to cause many to put forth their best efforts to aid the institution to the extent of endowing it with a song which will be thoroughly distinctive and characteristic of the Gem State. If as many try as should there is no reason for the lack of song. There is plenty of talent if it be

awakened. The inducement is great enough to awaken the talent. Consequently we should soon have a song.

### Married Men's Club

Nearly all the student organizations have admitted their new members and elected officers.

Last but not least among them comes the Married Men's Club. The first regular meeting was held on the campus and in the corridors commencing Monday, September 18. The meetings are still in session but officers for the ensuing semester have been elected. The names of these are not yet available nor is the roll of members yet completed. There is still ample opportunity to become members. A list of the members will be published in the next issue.

### ATHLETIC BOARD'S PRIZE.

They Are after a Football Song and Are Willing to Make It Worth the Winner's While.

The Athletic Board met last Tuesday afternoon and elected officers for the year as follows: N. O. Sheridan, president; Gus Larson, vice president; Geo. Horton, secretary; Tom Matthews, treasurer.

It was decided to offer a prize of \$10 for a song to be used at football games. The competition is to close October 15th. Not only will the winner of the prize be adding a neat sum to his bank account, but he will also be supplying a very desirable feature to Idaho's rooting method. A catchy song would be a very effective thing in our games this fall and it will be gratifying if the liberal prize offered by the Board brings out something that will fill the bill.

### Juniors Elect.

The juniors met last Monday and elected the following officers: President, G. H. Wyman; vice president, Bessie Gibson; secretary, Della Shaff; treasurer, N. B. Adkison; sergeant-at-arms, W. Schultz; representative to athletic board, T. D. Matthews.

### STUDENT DANCE.

**First of the Year Given Friday Evening in the Club House.**

The first student dance of the season was given Friday evening in the old Club House. Many couples were present and all had an enjoyable time.

Music was furnished by the University orchestra. Those present tripped to the airy strains until the passing of the old day.

The only retarding feature of the event was the unfavorable financial balance of three dollars.

### Some Registration Figures.

Several desirable conditions are revealed by a study of the registration statistics for the first two weeks of school. Of course figures thus far are incomplete, owing to the fact that many of the old students are not yet back, and new ones are still to be expected. A careful estimate of new students reveals the fact that there is already an increase of over eighty in the college. Prof. Reed, principal of the preparatory school, says that the senior preparatory class will be the largest in the history of the school. It has already fifty members.

The registration cards show a total of twenty-one students in college from Boise. The usual large delegation is registered from Weiser, and the rest of south Idaho is well represented. It is pleasing to note that there are six college students registered from Idaho Falls. This is the first time in the history of the University that Idaho Falls has been represented. This excellent representation from South Idaho is proof conclusive that, as time goes by, this institution is assuming more and more its rightful position as the University of the whole state. The Coeur d'Alene live up to their time honored reputation of being among the University's staunchest supporters.

There are several among the students who come to Idaho from other colleges. Fred P. Roullard, '08, was, before coming here, a student at Colorado Agricultural College, Ft. Collins, Colo. Montana Agricultural College, at Bozeman, sends R. O. Jones, a brother of T. R. Jones of the class of 1905. Mr. Jones registered as a Freshman. Miss Georgiana W. Gilbert, formerly an undergraduate of Chicago University, is also among the

### Societies Commence Work.

Both literary societies inaugurated their semester's work last Saturday night, with programs at their halls in the Ad. building. The Websterians debated the question "Resolved, That the platform of the Democrat party in Maryland deserves the support of every loyal American citizen."

Solibakke and Morrow argued the affirmative against Holman and Hopper on the negative. The decision was three votes for the affirmative. The following officers were elected: Frazier, Pres.; Holman, Vice Pres.; Solibakke, Sec.; M. F. Morrow, Tres.; B. D. Mudgett, Chairman, Program Committee.

The Amphycions met and held an extemporaneous program. Several of the old stand-bys were present and things were started off in a manner indicative of a successful year before the society.

### Track Notes—Our Outlook.

A meeting of the track men was called Friday, Oct. 3. Capt. Matthews urged all men to get out and train. He explained the necessity of securing men for the vault, jumps, hurdles and quarter mile. He encouraged the new men to try for track honors. He then told of the value of fall training and especially of dieting. As a result of the meeting several men have donned track suits and may be seen on the grounds each evening.

There is no department of athletics that offers as much inducement for new men as track. Murphy will not be with us this year and we will need somebody to take the place of last year's point-winner.

Of the old men Larson, Nesbit, H. Smith and C. Smith will be back for work on the weights. Capt. Matthews and Edmundson for the distances. For the jumps Keyes and Frazier, Myers for the hundred, Frazier and Wadsworth will train for the vault and Goble and Wadsworth for the hurdles. These men will form the nucleus for the next year team. Every man who is not out for football should get out and try for track honors. We need track men—and you need the training.
