

The University Argonaut

VOLUME VIII

MOSCOW, IDAHO, MONDAY, MAY 7, 1906.

NUMBER 26

ADDRESSES BY STUDENTS.

Assembly Also Nominates Student Body Officers.

An address by Guy Holman on Idaho's debate relations, past and present, started the assembly last Wednesday. Next followed a discussion by Orlando P. Darwin of opportunities throughout the state for Idaho graduates. Scientific farming calls for Idaho graduates with agricultural training, immense irrigation projects are demanding engineers faster by far than they can be supplied. Idaho's mineral resources, now only touched, in the places having good transportation facilities, will call increasingly for university trained assayers, mining engineers, etc. These are a few of the great opportunities open to him of the technical education. Mr. Darwin contended that, with Idaho's admirable system of schools there is also a great need for persons having an A. B. degree. The opportunities of Idaho girls, ventured the speaker are too obvious and numerous to require description.

After these addresses the assembly settled down to student association business. The amendment seeking to place the Argonaut election in May was discussed briefly and on being put to a vote failed to pass. The next amendment provoked heated discussion. V. E. Price explained at some length his reasons for presenting the amendment and sought to change the wording of the last clause, which was objectionable to many. His proposed change might probably have secured the passage of the amendment, but it was suggested that the change made the amendment a new one and it could not therefore, be voted on until it had lain on the table for the regular time. The chairman upheld the suggestion and the amendment was lost.

Nominations were then opened for the A. S. U. I. offices. Walter M. Myers, '07 was the only nominee for president. George H. Wyman, '07 and Albert M. McPherson, '08 were nominated for Vice President. There was but one nominee for secretary, Miss Ruth Fogle, '07. Two nominees appeared for the position of treasurer, Phil Darlington, '07, and Ray Eichelberger, '07.

As usual, the nominating for debate council officers was fast and furious. Those from whom nine are to be chosen are as follows: G. Holman, J. D. Matthews, M. F. Morrow, R. O. Jones, M. A. Yothers, Chas. Kincaid, W. Solibakke, T. E. Hunter, O. P. Darwin, W. M. Myers, J. H. Frazer, N. B. Adkison, Clarence Edmundson, R. Barto, W. W. Goble.

Troy Comment on Play,

"As You Like It," played here Friday night by University of Idaho students was well received and has brought forth many complimentary remarks both as to the ability of the students and the institution. The entertainment netted the University \$18,

which will go into the library fund and help purchase new books. The students are real thankful for their kind treatment and general patronage by Troy and return to their studies with the assurance that Troy citizens are ready to render the University all possible aid.—Troy Weekly News.

New Cannon Arrive.

The new guns from the Rock Island, Ill., Arsenal arrived last week. They are regulation, new United States breach-lock field pieces, 3.2 inches bore; long, sloping barrel, painted drab, and altogether more deadly instruments of destruction than the old Civil War guns now on the campus. The artillery squad will, from now on be of more importance than it has been in the past.

CALL FOR ALUMNI.

Grand Re-Union to Be Held Here This June.

B. W. Oppenheim '04, secretary of the Alumni Association, has sent out an earnest appeal to all of the Alumni of the University to attend the meeting this year, renew their allegiance to their Alma Mater, and to take such counsel as may be necessary to repair her losses and extend her influence.

Continuing, he says: "Owing to the recent loss of the Administration Building by fire, the Executive Committee of the Association that now is the time for the Alumni to show their love for their Alma Mater by attending the Commencement Exercises of 1906 and proving that the spirit of the University is a living force. The membership is now large enough (123) to raise expectations that the Association will make some substantial return for benefits received at a time when assistance is most needed. The crisis that now confronts the Varsity demands some sacrifice on the part of every alumnus, and every one who can possibly get here should be present at Commencement time and assist in making this the largest and most enthusiastic gathering of the Grads in the history of the school."

Quiet Election Expected.

On May 18 the annual election of student body officers and members of the debate council will take place. The race was started last Wednesday when the nominations for the various offices were made. From the fact that there is but one nominee for president, one for secretary, and two each for the other two officers, a very quiet election is to be expected so far as the A. S. U. I. officers are concerned. The number of candidates for places on the debate council is very large and the race will undoubtedly be close.

The 1906 Artemisia, the annual of the University of Nevada, was being printed at the Sunset Press, San Francisco, at the time of the disaster, and was destroyed.

SOME FACULTY PEOPLE REJOICE.

Take a Moonlight Outing in the Mountains.

A large hay rack drawn by four strong steeds conveyed a jubilant party of faculty people and some of their friends to the mountains for a picnic, on last Thursday evening. The wagon started from town about 6 o'clock. Through the courtesy of one who made the trip, the Argonaut is able to furnish its readers the following full account of the picnic:

Arriving in the heart of the hills, the wagon emptied its load into a cosy clearing, where supper was served. The solids that disappeared, and the black coffee that the merrymakers disposed of would have made a veritable gormand open his eyes. Logs, grass and dirt were the company's only seating accommodations.

Mr. Homer David gathered wood, a roaring campfire was built, the company indulged in a preliminary war dance, and there the fun began. Strings of classic songs, snatches of old favorites, and startling conceits originated on the spot, followed each other in rapid succession till the hills rang with music and the mountain lions trembled. "Pink" Griffith and Miss Sonna ably led the singing. The following are some of the hymns they sang: "King William was King James' Son," (solo by "Pink"); "Way Down Yonder in the Corn Field," "Teasins," "In the Good Old Summer Time," Lindy, Heidelberg.

The camp fire died down and Homer David set about gathering more wood. The next song was "Everybody Works but Father."

Then the air was rent with the strains of "I never got nothin' from nobody," which was followed by "a picnic for two." This part of the jubilee was closed with "On the Wabash far away." Everybody got up and danced around the fire. More wood was brought.

All at once, without any warning, the company started out to render (or rend) a grand opera. It was discovered that Prof. Fountain acted the villain, although not without protest from Earl Hunter, who wished the position. Miss Jenkins and Miss Ryan gracefully declined the part of the gypsy queen in favor of Miss Sonna. Prof. Allen directed the orchestra and helped bring wood for the fire. He was tossed in a blanket as his reward.

On the way home the party found the road obstructed by landslides, and there was much difficulty in clearing it.

(Really, though, the picnic was a success. The Argonaut is unable to furnish a list of those who attended, but all who did had an extremely enjoyable time.)

Exchanges.

Chicago, Michigan and Northwestern Universities have formed

a Triangular League similar to ours. A league on the same plan is being formed by the Universities of Wisconsin, Minnesota, Illinois, Nebraska and Iowa.

The University of Nevada battalion was called out recently when the circus passed through Reno, to prevent any of the circus hobos from stopping there. Several tried it, but none got through the line. This demonstrates that the battalion is good for something besides mere drilling.—U. of N. Record.

Dr. Ross, professor-elect of Sociology in the University of Wisconsin, who delivered a lecture here last commencement on the "Future of American Society," will give a course in "The Psychology of Society" in the forenoon and nine of his famous lectures in the afternoon at the University of Washington summer school, this summer.

In the Columbia University indoor-track meet at Portland, April 21, the U. of O. team took first place, with 54 points. O. A. C. got second with 34 points. Kelly of Oregon, broad jumped 42 ft., 5 1/2 inches and made 5 feet 7 1/2 inches in the high. Moores (Oregon) ran the 50 yards in 5 2/5 seconds, and tied Smithson in the 50 yard hurdle at 6 seconds. McKinney of Oregon put the shot 42 feet 2 inches.

ABOUT THE CAMPUS.

Over two hundred shade trees, among which are many choice flowering kinds, have been set on the campus this spring. The list includes the following varieties:

Gray Out-leaved Alder
Shad Blow
Silver-margined-leaved Ash
Broad-leaved Beech
Out-leaved Beech
Paper Birch
Ohio Buckeye
Japan Catalpa
Siebold's Double Red-flowered Cherry
Wild Black Cherry
Chinese Double White Crab
Garland Crab
Floribunda Crab
Parkman's Crab
Kaido Crab
Deciduous Cypress
Belgian Elm
Tree of Heaven
European Ash
European Alder
European White Beech
Purple-leaved Beech
European White Birch
Western Catalpa
Double-flowered Cherry
Bechtel's Double-flowered Crab
American White Dogwood
English Elm
Red-flowered Horsechestnut
White-flowered Horsechestnut
American Red Bud
European Larch
Scarlet Maple
Schwedler's Maple
Sugar Maple
Wier's Out-leaved Maple
Pin Oak
Red Oak
White Oak
Oriental Plane
Double Scarlet Thorn
Double White Hawthorn.

A GREAT GAME.

W. S. C. Walks Away With a Victory in the Ninth Inning.

The baseball team journeyed to Pullman last Wednesday and were again defeated in one of those exciting contests which are always played with W. S. C. As usual W. S. C. got away with the game.

It was a game full of sensations. The pitching of "Teddy" and the batting of Middleton were the features. The big boy allowed six hits and did not walk a man. Middle pounded out two singles and a two bagger out of four times at bat. For the ex-farmers Captain Brown at third played the best game.

There was no scoring until the last half of the second when the balloon went up. When it reached the earth, 4 farmers had crossed the pan. Idaho came back good and strong in her half of the third, and when the inning ended, they had chased five across the pan.

Idaho added one more in the fifth and W. S. C. tallied one in the sixth.

The game ran along with Idaho leading until the last half of the ninth. But, alas, Idaho cannot skin Pullman in baseball. After "Teddy" struck McCully out, Worley and Halm secured hits, which, coupled with an error won the game.

The improvement in the Idaho team over the week before was pleasing to note. They hit the ball like leaguers. Robertson and Small played fine games in the field. Magee made a fine catch of a fly in left field. Jelick was slow in fielding bunts but secured two hits.

WINS HANDICAP MEET.

Idaho Track Team Comes off Victorious Against Lewiston.

The handicap track meet between the Lewiston High School and the University was won by Idaho,—76 1-3 to 40 2-3. Lewiston has a good high school team, and some of its members are in the collegiate rank. Fenn, their sprinter, took first in both the 100 and 220, making good time for the track. He is one of the coming sprinters of the Northwest.

Idaho much feels the loss of Murphy in the pole vault, broad jump and high jump. In the high jump and vault the varsity is not strong. In all other events the team is in good shape. However, it is impossible to forecast from the results of the Lewiston meet the two coming track meets with W. S. C. and the triangular meet.

Lewiston won 5 firsts, 3 second and 4 thirds, and tied in a third and a second. Idaho took 8 firsts, 9 seconds and 7 thirds, with ties in a second and a third.

In its northern trip the Whitman baseball team met one victory and two defeats. Blair defeated them 4 to 1, W. S. C. took the better end of an 8 to 5 score; and Gonzaga was beaten 9 to 7.

SNEAK PARTY.

Seniors Enjoy a Day's Outing at Monterey.

The seniors were again up to pranks last week. In the fertile brains of some one or two originated an idea which suited every member of the class, a sneak day. Monday afternoon two of the fair members of the class divulged their plans to each of the other members of the class. Everything was joy and happiness at the prospects. Execution of the scheme immediately commenced.

The senior girls could be seen about town that afternoon securing provisions for a "big feed." It was evident that the feed was not to be an urban affair, but rather rustic, for the tin and granite dishes, iron pots and knives and forks and spoons, and goblets of the same material pointed to a trip to the woods.

Tuesday morning at 4:30, seniors slept no more. Freshmen and other classmen aroused from their sleep stood in amazement, not knowing the intent of the activity of the venerable class. Five o'clock and the slumberous streets of Moscow resounded with the clang of horses hoofs and the rumbling of wheels,—it was the Senior sneak party, in two, four horse rigs accompanied by a supply wagon, rural bound.

Two hours were spent when Monterey park, the destination was reached.

There everything necessary for a day's enjoyment was provided. A clear, cool stream of water, to slake the thirst, stoves for cooking, tables and benches for dining, groves for retreats from wind and sun, and cleared spots for open recreation. The day was ideal,—sunshine, no rain, no dust, little or no wind.

As soon as the party reached Monterey everything was set in motion for the preparation of the mornings repast. Three girls assisted by twice as many boys had breakfast nearly ready at 8 o'clock. Oranges, eggs, bacon, fried potatoes, bread and butter, coffee, hot cakes with maple syrup, formed the principle viands of the first meal.

Four hours were spent in various amusements. The feature of the forenoon was a baseball game. Some hunters went out but returned without game. This of course because none was to be seen.

At twelve-thirty another meal

was ready for the feasting picnics. T bone steaks, roast potatoes, gravy, radishes, pickles, coffee, strawberry ice cream and assorted cakes soon disappeared. Mountain air and a mornings exercise creates a voracious appetite destructive to such delicacies.

In the afternoon the B. A.'s, beat the B. M. E's. at a game of baseball.

Throughout the day the major portion of the University band sent forth sweet strains of music reverberating in the woods and to the hill tops.

Sliced ham, potatoe salad, stuffed eggs, lemonade, bananas, furnished the last part of the days feast.

A 6:15 all was in readiness for the homeward trip. All day everything had been delightful. The evening journey was not in contrast. The dusky road resounded with the noise of the merry makers. College songs and popular airs helped to swell the breeze.

8:30 brought Moscow and the end of the first sneak party of the seniors at the University.

Ada Gosselin, ex-'08, was a visitor here last Wednesday.

Work is progressing nicely on the new mining and assay buildings.

Senior commencement invitations arrived from the engraving firm last Friday.

James Calkins, '04 is now railway clerk running between Lewiston and Spokane.

Myra Moody, '03 is now at home after a successful year of teaching school in Kingston.

The signal corps, as a part of the military organization of the University, has been summarily dissolved.

The Sophomore picnic was postponed on account of the L. H. S. track meet and is set for next Saturday.

Prof. Cogswell and Mr. Thor Van Pyk attended the Music Festival at Pullman, held April 30, May 1 and 2.

Miss Cora Forney, a graduate of the University, is seriously ill at her home in Moscow. She has been teaching in the Coeur d'Alene High School.

J. H. Frazier, business manager of the '07 Annual, made another trip to Spokane Monday on business connected with the '07 book.

The Sophomores have accepted the Freshman challenge for an interclass baseball game. Increase your lung capacity and get ready to "holler."

Miss Sidroe Reeves ex-'07 is in Moscow visiting friends and relatives. She was a member of the Spokane part of the grand chorus that sang at the Pullman Music Festival.

Walla Walla, May 4.—Whitman won a most exciting track meet over thier old rivals from Pullman here today by a score of 61 to 59.—Spokesman Review.

The Seniors were not at all tired when they returned at 8 o'clock at night from their picnic. This was shown by the way in which they went to work to find their clothes and other belongings. But it really was mean in the under-classmen to treat the Seniors so.

"Pink" Griffith took the members of his 2nd year prep botany class on a trip to the mountains after posies on Saturday, last.

An Eiler Piano certificate worth \$60 has been donated to the department of Music by Mr. Atwood of Moscow. This makes the third such ticket now available.

The battalion is now practicing for the competitive shoot to decide who shall get the gold medal for the best shot, left by Capt. Chrisman. Incidentally the hill opposite the armory is being filled with lead.

Roy Zeigler, '04, came to Moscow from near Bonner's Ferry on Saturday. While in college Mr. Zeigler was prominent in student activities, having been editor of the '04 Gem of the Mountains, and president of the Y. M. C. A.

Prof. W. S. Morley returned Saturday from his trip of inspection to the high schools in the northern part of the state. He said that the burning of the "Ad" was having no ill effect where he visited, and that he expected several new students as a result of his trip.

Exchanges.

The University of Nebraska and Doane College played football on April 28 to test the new rules.

The municipal league of Eugene, Oregon, proposes to prosecute University of Oregon students who have been voting in the recent elections, claiming that attendance at the University does not establish a residence at Eugene.

This year's Whitman College catalogue has just been issued. It shows an enrollment of 107 in the college, 175 in the conservatory and 187 in the academy. The Whitman faculty, in all departments, and including nine student assistants, numbers 37.

The last issue of the University of Utah Chronicle contains a well illustrated write-up of Arbor Day at the U., which was spent in cleaning up, improving and beautifying the grounds. By 8 a. m. the students were on the campus. They went to meet the wagon loads of tools and by 9 o'clock all shovels were busy. At noon they marched in and were fed double rations by the girls. They went out after dinner and finished the work. After this they spent the rest of the afternoon in dancing.

Debts outstanding \$24.20

The first part of the report may contain one or two minor errors owing to the burning of the accounts of the Council in the recent fire, but I think they do not effect the final correctness of the report.

Respectfully,
Guy Holman,
Secretary, Treas.

O. R. & N.

Pullman First Class and Pullman Tourist Sleeping Cars

Dining Cars Night and Day and Observation Car

It is the train of little luxuries—hot baths, barber's services, library, private smoking compartments, clothes pressing service, all the little things that add to the comfort of a journey. The beautiful observation car is a revelation. The dining car service is superior, the menu varied and satisfying. From end to end it is pleasing, comfortable and beautiful—a train which makes friends and keeps them.

Wonderland 1905 can be had for six cents postage on application to A. M. CLELAND, G. P. A., St. Paul, Minn., or A. D. CHARLTON, A. G. P. A., 255 Morrison St. Portland, Ore.
