MOSCOW, IDAHO, OCTOBER 30, 1906

NUMBER 7

OREGON DEFEATS IDAHO 12 TO 0.

VISITORS MAKE THREE GOALS FROM THE FIELD

THE FIERCEST AND PRETTIEST GAME EVER WITNESSED IN THE NORTHWEST

Friday the Oregon University football team defeated the team from the University of Idaho. It was one of the hardest fought games ever witnessed in the Inter-mountain region. Oregon's team averaged about twelve pounds to the man heavier than the Idaho team. Oregon's team was composed of stars. It had nine of last year's players while over half of Idaho's players

considerable punting. Likewise they were penalized several times. Neither team could make consistent gains through the others line. After a series of plays, and a exchange of punts, Moullen made his first successful place kick, from the 37 yard line. During the first half Oregon made its yardage twice, while Idaho made its yardage only once. This half ended with the ball in Oregon's

successful place kick from the 30 yard line. Idaho kicked off to Oregon and by a series of plays and a punt Oregon forced the ball to Idaho's 10 yard line. Here again Oregon tried to get its coveted touch-down but failed when Latourette called for a wide end run and Savage, making a pretty tackle, shoved the Oregon player back for a loss of one yard. Idaho received the ball on downs and punted to the center of the field. Oregon advanced the ball to Idaho's 35 yard line from which Moullen now made his third successful place kick. Only five minutes remained in which to play. The whistle blew with the ball on Idaho's 40 yard line.

Moullen's Punting.

Moullen, Oregon's right tackle and one of the best punters and place kickers ever seen upon the

PREPS. DEFEAT LEWISTON H. S.

GRITTY PREPS. WIN IN A CLOSE CONTEST BY A SCORE OF 2 TO 0

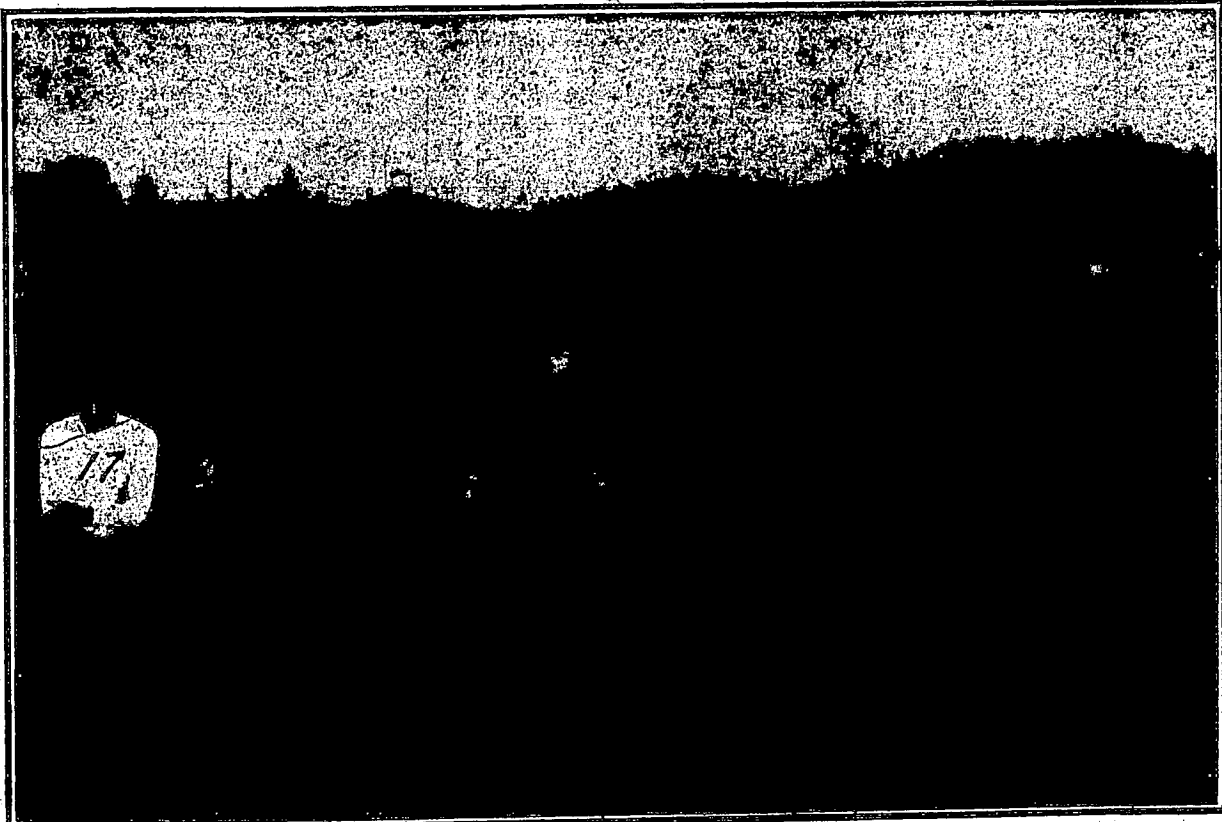

Saturday afternoon the Preparatory football team defeated the Lewiston High School team by a score of 2-0. It was one of the prettiest and most fiercely fought games ever seen on the Moscow gridiron. The Preps had the better of the game, but the visitors fought every inch of gain made by the gritty Preps. Armstrong, Williams, Curtis, and McKinley were the Prep stars. Lewiston's captain was probably the best player for the visitors.

The game ended with the ball in Lewiston's possession on the Preps'

10 yard line. Score 2-0.

The Preparatory line-up was as follows:

Cooper, c.
Crum, r. g.
Nail, l. g.
Stevens, r. t.
Tate, l. t.
McKinley, r. e.
Leuschel, l. e.
Curtis, q.
Williams, f. b.
G. Armstrong, r. h.
Kjosness, Shephard, l. h.
J. R. Middleton, referee.
J. G. Griffith, umpire.

OREGON'S TEAM

were new men. With the exception of Oregon's ends, Idaho had a much swifter team than the visitors. Idaho as well as Oregon has a team that it can well be proud of. It is no easy task to develop almost a new team in a single season. The Friday's game has shown the weak as well as the strong points in Idaho's team and by our next game we will be much stronger and with a bunch of hard working players, such as we now have, Idaho can be looked upon to win a majority of the remaining games.

Oregon's Team.

Oregon certainly has a remarkable bunch of stars. The line is about equally balanced with two of the swiftest ends in the Northwest. Latourette is heady and uses good generalship. The backs are fairly fast but make up for this lack of speed in weight. Moullen is pretty sure to plant the ball over the goal if he gets in kicking distance of the posts.

First Half

The big game started when Keyes kicked off to Oregon. Oregon tried to advance the ball but failed and was forced to punt. Both teams, after the first five minutes, did con-

possession, on Idaho's 35 yard line.

A Stubbornly Fought Game.

Neither team was able to gain consistently against the other's defense. Keyes and Moullen shared equal honors in the punting. Oregon's great advantage was in Latourette's ability to run back punts, while Moores and Chandler, Oregon's speedy ends, prevented an Idaho player from advancing the ball on punts.

The heavy Oregon team got within 8 yards of Idaho's goal line, but failed to push the ball over after several stubborn and fierce attempts. It was here that the light and speedy Idaho team strained every muscle in preventing the visitors from crossing its line.

Second Half.

In the second half Stokesbery replaced Perkins at guard. Idaho started off with a rush and for a time it looked as if it would march across the field to the opponents goal. Idaho punted and the ball striking one of her own players rolled back on her 20 yard line. Oregon was unable to advance the ball and seeing that it could not cross Idaho's goal line, Moullen was called back and made a second

Idaho gridiron, was successful three times out of five attempts at landing the ball over the goal posts.

The two teams carried the ball about the same distance from scrim-

mage. From kicks Idaho carried the ball 70 yards to Oregon's 120. Keyes averaged 33 yards in six kicks, while Moullen averaged 35 yards in nine. Oregon was penalized eight times for 70 yards, and Idaho seven times for 65 yards.

The lineup of the two teams was as follows:

Idaho:—Perkins, 162, Stokesbery, 185, r g; Stein, 155, c; Smith, 182, l g; Larson (captain), 180, l t; Savage, 155, l e; Oakes, 170, r t; G. Armstrong, 140, r e; Robertson, 140, q; Keyes, 170, f b; Small, 162, l h; E. Armstrong, 145, r h.

Oregon:—Scott, 189, l g; Hug, 176, c; Hammond, 177, r g; Moullen, 174, r t; Chandler, 151, r e; Arnspiger, 164, l t; Moores, 171, l e; Latourette, 145, q; McKinney, 184, f b; Zacharias, 186, r h; Clark, 173, l h.

Weight on line, Idaho, 1144; Oregon, 1202. Weight on back field, Idaho, 617; Oregon, 688. Team weight, Idaho, 1761; Oregon, 1890. Average weight, Idaho, 160; Oregon, 172.

J. J. Finnegan, Georgetown, referee. R. N. Hockenberry, Dick-

inson and W. G. Kennedy, umpires. Virgil D. Earl, Oregon, and Wm. E. Lee, linemen.

Hugo Bezdek, coach, Wm. Hayward, trainer, and Guy Mount, '07, manager of the U. of O. football team, accompanied their team.

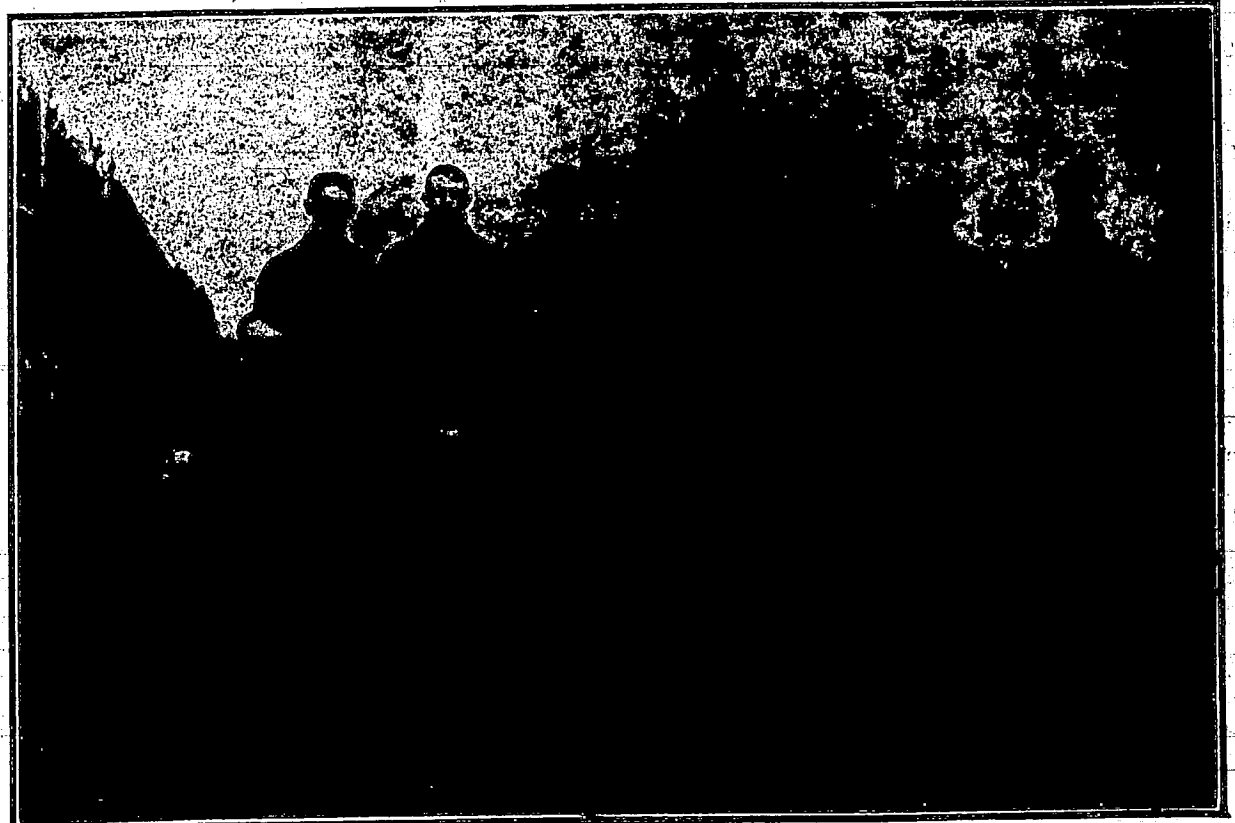

The Oregon players left Moscow on a special train, at 6:30 p. m., in order to catch the Spokane-Portland train, so that they could reach Oregon in time to witness a game of football between Willamette University and the Multnomah Athletic Club on Saturday.

At least twelve hundred people witnessed the game. Five extra coaches containing football enthusiasts from Spokane, the Coeur d'Alenes, and Pullman, came in over the Northern Pacific.

The Lewiston high school coach, with his bunch of high school football players and a number of rooters from that town, took in the game.

Shipment Arrives.

Dr. Aldrich has just received a consignment of specimens for the biological department. It consists principally of marine specimens from the Smithsonian Institute.

Our relations with neighboring institutions should always be friendly and our deportment toward them always courteous. Idaho has always attempted to carry out these obligations and with only one institution in the Northwest has there ever been held an athletic contest in which this courteous spirit was not predominant.

Our relations with W. S. C. have surely been strained by the persistent refusal of a certain element from that institution to treat Idaho's representatives in the manner due them. Every athletic contest between Idaho and W. S. C., held in Pullman, has been marked by rowdyism and discourteousies which have made it dangerous for a lady to attend the contest without an escort. Hat grabbing and color snatching are deeds of rowdies and should not be sanctioned by any institution.

Idaho considers that W. S. C. overstepped all bounds of courtesy in the Oregon-Idaho game last Friday. It matters not whether W. S. C. or any other school roots for or against Idaho so long as such demonstrations are given in a friendly and courteous manner.

We do consider it a matter of some moment when a neighboring university, organizes a rooting squad, comes to the game on a special train, brings their mascot and proceeds not to root for Oregon but to express their hatred for Idaho. It is over all bounds of common courtesy for W. S. C. students to come to Moscow to a football game as non-partisans, and to devote the full force of their lung capacity to rooting for "rotten Idaho." Rooting should not consist in yelling abuse at either team, but should consist in shouting encouragement to the particular team you favor.

Just at present Idaho believes she is in a position to be independent and the necessity of athletic contests with W. S. C. is not half as pressing as it was a few years ago.

Student sentiment is strongly in favor of exacting fair treatment from the W. S. C. students in the coming game between the two institutions and manifestations of such rowdyism as existed two years ago will be accepted by Idaho as a direct request to break off athletic relations.

Our Universities have reached a period where the gentlemanly element must rule, if we expect to retain the respect of other institutions.

We are indebted to T. E. Hunter, football manager, for the two football outs which appear in this issue.

MONTANA TRYOUT HELD

Holman, Smith, and Mason Chosen to Meet that University

Last Saturday afternoon was held the trial debate to select three men who will represent Idaho in the coming contest with the University of Montana. Only five entered the tryout, while there should have been many more, for there are at the University this year more good material than ever before. Some, however, are carrying very heavy courses, and others are waiting for the triangular debate.

The contest was an interesting one. Every speaker showed that he had spent considerable time in working up the subject, for the arguments presented were comprehensive and convincing, and some excellent refutation was done. Another feature of the tryout which added great interest was the fact that the Ridenbaugh Debate prize, of twenty-five dollars was awarded to the one winning first place. Mr. Guy Holman, '08, was the recipient. Mrs. W. H. Ridenbaugh, of Boise, for several years one of the regents, and at all times a staunch friend of the University, established this prize as an incentive to Idaho debaters. It was originally given to the one winning first place on the team to debate W. S. C., but, when our debate relations with that institution were severed, Mrs. Ridenbaugh transferred it to the Montana tryout.

The team which will represent Idaho against Montana will be led by Mr. Guy Holman. Mr. Holman has an analytical mind far above the average, is very effective in rebuttal work, has had considerable experience in debating, and is counted the bulwark of the team. In his Freshman year Mr. Holman was a member of the team which defeated W. S. C., and since that time has done excellent work in inter-society debates.

Mr. T. Edwin Smith, '09, was chosen, by the judges, as the second member of the team. He, too, has had much experience in debate work. During his Prep days Mr. Smith was counted one of the strongest debaters of the department. While he has not had the experience of an Intercollegiate debate, it is expected that, with some coaching, he will overcome the fault of indistinct pronunciation, and will present a more composed appearance in the coming contest, much to the advantage of the team.

The third member of the team is Mr. W. H. Mason, '09. He presents a good appearance, has a strong vocabulary, and his constructive work was very logical. However, his manner of delivery would indicate more self confidence were he to concentrate his attention more to individuals in the audience. Mr. Mason was a member of the Freshman team which scored a victory over the Lewiston Normal team, last year, and will doubtless do telling work on the present team.

The two other contestants who entered the tryout were J. D. Matthews and Bennett Williams. Mr. Matthews was a member of the team which defeated Oregon in the Triangular debate last year, and shows a gratifying improvement in appearance and presentation of argument as a result of the coaching he received. His speech in the tryout, however, was characterized by gen-

eral statements not backed by material. Had he studied the question more, he doubtless would have made a better showing.

This was the first appearance of Mr. Williams. He is slightly nervous and became somewhat confused in his speech several times, showing that he had not thoroughly grasped his material. These defects can easily be remedied by extended work in debate, and more specific knowledge of the question.

Donald Whitehead, who is manager of the Montana-Idaho debate, was chairman of the meeting. The judges were Dr. Peters, Dr. Eldridge and Prof. Hulme.

Y. M. C. A. Meeting.

The association meeting, of Sunday afternoon, was on the subject of "College Ideals," and was led by Bennett L. Williams. It was well attended and proved interesting to those present. It was held at 3 o'clock, in accord with a decision recently made to hold the Sunday meetings at that hour instead of at 2:45.

Prep Tryout.

Saturday at 10 a. m. a preparatory debating team was chosen. Oakey Hall, Nail and Rowe Holman were the successful contestants. Prof. Hulme, McKeen Morrow and Wm. Mason were the judges. The team will meet the Colfax high school in December.

The English Club, under the direction of Dr. Moore and Miss Sonna, is busy making arrangements to present Twelfth Night, about Thanksgiving. Mr. Orlando Darwin, who has given up debate in preference to the English Club work for this semester, will be chairman of the committee for this play, and will probably play the part of Malvolio. The entire cast has not been definitely arranged as yet.

Frank Magee, '09, went to Coeur d'Alene City Sunday.

T. Jenkins, '08, is now located at Pluma, South Dakota.

Bill Turley, '09, will not return to the University until next fall.

Fresh and fragrant odors from flowers at McPhee's Drug Store.

Marion Benedict has been obliged to leave school on account of trouble with his eyes.

The latest and newest novelties in box papers at McPhee's Drug Store.

The Kappa Phi's are planning a Halloween party on Wednesday evening.

John Auld, a former member of the '04 class, was one of Idaho's voters from Spokane.

Pure and fresh drugs are hard to find. They are the only kind sold at McPhee's Drug Store.

Charles Smith, a well known athlete of the past years at the U., is spending a short time here.

Ben Madison, a former student at the 'Varsity, came up from Walla Walla to see Idaho play on Friday.

Losr.—The day of the Oregon game, a Beta Theta Pi fraternity pin. Finder please return to Kappa Sigma House.

Mr. and Mrs. Small of Lewiston, and Mr. and Mrs. Colver, of Spokane, were guests of the Kappa Phi's Friday evening.

Umbrellas recovered. New handles and all kinds of repairing. Rubber stamps made to order at the Moscow Bicycle Works.

Among the many enthusiastic supporters of the Silver and Gold at the Idaho-Oregon game were the following members of the Alumni:

The Sophomores, at last "came out of it," and gave vent of their social proclivities in a moon light picnic to Moscow Mountain, Saturday evening. A fuller account of this merry excursion will appear in the next number.

Word has been received from Ross E. Rowell, '07, who is now Second Lieut. in the Marine Corps, that his detachment is safely in camp at Havana, Cuba. Ross adds that "the heat is something fierce." As yet, however, they have seen no active service.

Mr. and Mrs. Small of Lewiston, were visitors-at the big game on Friday. They were well pleased with the good showing Idaho made in the face of such "huskies," and were proud, as everyone else was, of course, of the effective work their son, Rodney, did at half back.

Mr. and Mrs. Newton Colver came down on the special, from Spokane, to witness the game with Oregon, Friday. Mr. Colver, who is sporting editor for the Spokesman-Review, is a cousin of Chas. Colver, '09. This was his first visit to the University, and he expressed much surprise at the excellent fight Idaho gave Oregon's all-star eleven.

Dr. and Mrs. I. L. Magee, of Coeur d'Alene City, were present at the Oregon-Idaho game Friday. The doctor is always on hand when anything of concern to Idaho takes place. "Idaho's defense," he said, "was something wonderful, considering how they were handicapped in weight. Pink and Midd have worked up a whirl-wind of a team compared to what I expected to see."

A fresh supply of Lilligott, Peters and Taffee at McPhee's Drug Store.

For information concerning the new Perfume Industry Ltd., inquire of Misses Wilkenson and Case, at the Dormitory.

Miss Carsow, one of the preparatory students, moved into the annex last week, making the third occupant of the cottage.

Saturday was held the first meeting of the Flunkers Club. A constitution was adopted, and thorough organization perfected.

Mr. O'Brien entertained the young ladies of Ridenbaugh Hall, Wednesday evening, for an hour with a fine display of engravings and water colors.

Hon. Reese Hattabaugh, Democratic nominee for Congress, and a former well known student at the U of I., was an enthusiastic supporter of Idaho, Friday.

Saturday morning for about two hours there was great commotion in Ridenbaugh Hall, when several of the girls were interested in the housewifely duties by the sudden failure of the water system. They realized too well the saying that, "you never miss the water 'till the well runs dry."

The young ladies' chorus did not have a meeting last Monday evening, owing to the inability of many of the members to be present, there will be a regular meeting this Monday evening, however, so as far as possible Tor Van Pyk desires the girls to attend. The meeting begins at half past seven.

EXCITING ASSEMBLY.

Mass Meeting for Oregon Game—Preps Get Busy.

The assembly hour this week was again used by the Associated Students. It had been intended to make the meeting one for the purpose of creating some football enthusiasm for the coming game with Oregon, but just before the meeting began a committee of preparatory students handed to President Myers a set of resolutions. These resolutions were first taken up and considered. In them the preparatory students asked that ten per cent. of the funds raised by the registration fee be given for the benefit of debate and athletics in the preparatory school. They further state that unless this request is granted they, as a body, will refuse to support the amendment now pending to the A. S. U. I. constitution, which provides that the registration fee be raised from \$1.00 to \$2.00 per semester.

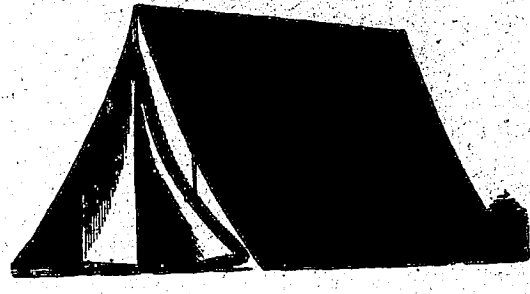

The matter was discussed by both the friends and the opponents of the resolutions. The preparatory students briefly stated their claims—that debate and athletics as carried

on by them was of considerable importance in developing material for the college; that every year they went far behind financially on these contests and that in view of these facts they, who constitute one-third of the entire student body and therefore paid one-third of the money, should have a share in its disposition. There seemed to be a considerable sentiment among the college students in favor of the claim made by the Preps, although many thought that 10 per cent. was too much. The thing that most all objected to was the drastic means used to gain their point. In view of these resolutions, a motion was passed to postpone indefinitely the election on the amendment. It will be necessary for the Preps to draw up another amendment to the constitution and as this would take some time, the matter was held over until the next meeting of the A. S. U. I.

After this business was disposed of the football question was broached. Yells were given, songs were sung, and speeches were had from Captain Larson and from Coaches Middleton and Griffith.

IF YOU WANT CASH

For Your REAL ESTATE or BUSINESS
I CAN GET IT

No Matter What Your Property Is Worth, or in What Town, City, State or Territory it is located

If I do not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads," and make a good profit besides. That is why I have so large a real estate "business" today.

Why not put your property among the number that will be sold as a result of these "ads?"

I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a farm, house or business, in any part of the country to fit me your requirements. I will guarantee to fill them promptly and satisfactorily.

David P. Taff, The Land Man, 415 Kan. Ave., Topeka, Kan.

TRIANGULAR DEBATE QUESTION
The Machinery of the Three-Cornered League Starts Moving in Preparation for Next Debate.

The University Debate Council met Thursday for the purpose of discussing the choice of a subject which Idaho should submit as her preference for the big debate in the spring. The constitution of the Triangular League stipulate that each university shall submit a subject on or before November 1. The Council discussed several subjects, but decided finally to propose the subject of Federal Control of Marriage and Divorce Laws.

In view of the great prominence this subject has been given of late, especially by President Roosevelt, it will undoubtedly made an ideal question for the three universities to debate. It is not a question which will require months to work up, and then leave the student buried in infinite material, but it is one upon which plenty of material can be gathered, and in regard to which definite, comprehensive arguments can be presented from either side.

Each member of the Triangular League submits a general subject for the debate, when one is chosen by vote. We trust that Oregon and Washington will show preference for a more definite question than the League decided upon last year.

Some students, not members of the council, but interested in debate matters, were present.

Prep Resolutions.

Resolutions framed by the committee appointed by the president of the students of the preparatory department of the University of Idaho and addressed to the Associated Student Body of the University of Idaho.

Whereas: The Associated Student body of the University of Idaho is composed in part of a large number of preparatory students who, through their registration fee, support college activities along the lines of athletics and debate; and

Whereas: No part of the Associated Student body funds, raised by the registration fee, is given toward the support of debate and athletics in the preparatory department.

Therefore: Be it resolved by the students of the preparatory department of the University of Idaho that the preparatory student body of the University of Idaho be given ten (10) per cent, yearly, of the funds of the Associated Student body of the University of Idaho raised by the registration fee; and

Be it further resolved: That unless the Associated Student body of the University of Idaho amends the amendment, now pending, to the

effect that ten per cent of the Associated Student body funds be paid yearly to the preparatory student body for the support of athletics and debate as carried on in that department, the preparatory students will not support the amendment to the A. S. U. I. Constitution as the amendment now stands.
Signed Oct. 24, 1906.

Oakey Hall,
R. J. Shepperd,
J. M. Bennett
Committee.

Approved, by a unanimous vote of the preparatory students.

Chemistry Notes.

The new chemistry laboratories are nearing completion, and will be ready for occupancy in a few days. All chemicals and apparatus have not arrived, so far, but will be in during the next month. This delay is caused by the necessity of ordering most of the supplies abroad.

The Sophomore class in Inalitative Analysis will be the first in the laboratory.

A new branch has been added to the Department of Chemistry, i. e. Industrial Chemistry. This is a new departure in the west. The University of New York being the first to add this department in the east.

The theory of chemistry is important, and too much stress can not be laid to this part of the instruction, but let us not neglect the practical application of our theory.

This new branch will deal with both organic and inorganic chemistry and their application to the industries of the day.

The industries of sugar, salt, dyes, leather, sodas, steel, etc., will be studied. At present the laboratory facilities are not sufficient to take these methods in the laboratory, but we hope that in a few years the regents will see the importance of a practical industrial course and give us the laboratory room and apparatus for specializing in this branch.

Bleacher Falls.

Just before the game, Friday, one of the bleachers collapsed. About one hundred people were on the portion of the bleacher which fell. Only one person was seriously injured. Walter Doolittle, of Colfax, whose arm was broken, was the unfortunate victim.

State Items.

Secretary W. H. Taft will speak at Pocatello, on November 2 and at Boise on the following day. A great deal of his speeches will be devoted to law and order. While in Boise he will inspect the Boise Barracks to acquaint himself with

the situation there with a view of finding out about the enlargement of the post.

The Canyon canal, near Emmett, is nearly completed. It was started about a year ago, and will water 23,000 acres of good land.

There are 56 inmates at the Idaho Industrial School this year, and one of the trustees says that the next legislature will be asked to appropriate \$60,000 to build additions to the institution.

Thomas Severely Burned.

Arthur R. Thomas, '09, was severely burned last Saturday morning as a result of a powder explosion. The accident occurred in the magazine at the annex. He was attempting to set off a small quantity of powder with a lighted paper when a gust of wind carried some sparks to a larger quantity of powder near by. The explosion was so sudden that Thomas had not time to get away. He was badly burned on the right arm, his eyebrows and lashes were burned off, and it is much feared his eyes may be injured. He was taken to the Gymnasium near by where his wounds were temporarily dressed. At last accounts he was resting easy.

Argonaut Receives Attention.

The Executive Committee of the A. S. U. I. met Monday and planned for the Oregon rally of Thursday night. A sheet containing the principal songs and yells was ordered printed for use at the mass-meeting of Wednesday. The matter of the business administration of the Argonaut was brought up, and a committee consisting of Guy Holman, G. H. Wyman and Ruth Fogle, was appointed to investigate and report on a method which should be an improvement on the present way of managing the Argonaut. The committee will lay before the Executive Committee the various ways open, and the Executive Committee will then bring the matter before the student body.

**Dining Car Night and Day
and Observation Car**

It is the train of little luxuries... hot baths, barber's services, library, private smoking compartments, clothes pressing service, all the little things that add to the comfort of a journey. Its beautiful observation car is a revelation. The dining car service is superior, the menu varied and satisfying. From end to end it is pleasing, comfortable and beautiful—a train which makes friends and keeps them.
