

THE UNIVERSITY ARGUMENT

VOLUME IX.

MOSCOW, IDAHO, NOVEMBER 6, 1906

NUMBER 8

IDAHO VS. W. S. C.

FRIDAY, NOV. 9, at PULLMAN

Review of Football Relations with W. S. C. and the Relative Strength of the Two Teams

IT WILL BE A CLOSE CONTEST

Since Idaho is to meet W. S. C. in football on Friday of this week, it would be of interest to all University students to know the record of Idaho in all the contests that have been held with that institution.

School opened at the University of Idaho in the fall of 1892 but nothing was done towards getting out a football team until the fall of 1893. That fall a team was organized but as W. S. C. had no team Idaho had to seek a game with Spokane.

In 1894 W. S. C. won at Moscow by 10 to 0.

In 1895 W. S. C. 10, Idaho 6.

In 1896 and 1897 no agreements could be reached.

In 1898 a game was arranged but a dispute on the field before work began through a misunderstanding prevented the game from being played.

W. S. C. won in 1899 by 10 to 0.

In 1900 definite arrangements could not be made so there was no game.

The results since 1900 are as follows:

	U. of I.	W. S. C.
1901	5	0
1902	0	17
1903	32	0
1904	5	0
1905	5	0

The record now stands—W. S. C., games 4, points 47; Idaho, games 5, points 53.

Comparative Strength of Teams

The W. S. C. line-up for Friday's game will be as follows:

Center, Stewart, 190.
Right guard, Hartzuch, 183.
Left " Halm, 184.
Right tackle, Thayer, 186.
Left " Miller, 182.
Right end, Miner, 168.
Left " Goldsworthy (Capt.) 165.

Quarter, Brown, 165.

Right half, Buck, 164.

Left " Nissen, 174.

Full, Montgomery, 159.

Of this line-up, Goldsworthy, Stewart, Thayer, Nissen, Halm and Miner are experienced players of last year's team; Hardy, Collins, Spaulding and Jones are last year's stars who are not back this year. Fancher, who tried for quarter at Whitman, will be a sub. Buck and Brown are other new men, while the remaining places are filled by last year's subs.

The star players, according to the Montana game, are Thayer, Nissen, Goldsworthy, Halm and Montgomery. Halm and Nissen are especially heavy line-plungers, while Goldsworthy and Montgomery are quick and expert end runners.

Halm is the punter and his kicking average is from thirty to forty yards.

These men are coached by Bender, the famous half-back from Nebraska, and W. S. C. will not suffer from lack of coaching.

W. S. C. and S. A. A. C. played last Saturday. The result was 4-0 for W. S. C., a place kick winning

the game. It will be remembered that Idaho made two touchdowns against the Spokane Club.

Idaho's team will line up something like the following:

Center, Stein, 155.
Left guard, Smith, 182.
Right guard { Perkins, 162.
Stokesberry, 185.
Pauls, 172.
Left tackle, Larson (Capt.) 180.
Right " Oakes, 170.
Left end, G. Armstrong, 140.
Right " Keyes, 170.
Quarter, Robertson, 140.
Left half, E. Armstrong, 145.
Right " Savidge, 155.
Full, Small, 162.

Of these Smith, Larson, Oakes, Keyes, E. Armstrong and Small are men of last year's team. The others are from the previous year's sub and second team list.

The old players are all stars. Larson, Keyes, Small, the Armstrongs and Savidge deserve special mention. They are all heavy line plungers and are quick in formation and end plays. Our defense for such a light team is phenomenal. Every man can be depended upon to go into the game with his whole soul and stay there until he is packed off. Small and Keyes will take care of the punting and will hold their own with Halm.

This aggregation of men has been coached during the last few years by the recognized star coach of the Northwest—"Pink" Griffith of Iowa. He has taught the team that fair, square playing is the way to win and the way to lose. He has coached them to be gentlemen as well as football men. Special attention has been given to running interference and defense this year, but not for a moment has line-plunging and formation plays been neglected.

Summing it all up, the W. S. C. team outweighs our team by twenty pounds to the man. Weight, however, can be counted as much of an advantage this year only on a slippery field where straight line bucks near a goal would be successful for the heavy team. To offset this our team is much faster than that of W. S. C., and upon this primarily will depend our chances for touchdowns. Our punting will be better this year than that of W. S. C. and this will be depended on to net us good results. The main strength of the W. S. C. team lies in the support of hundreds and even thousands of rooters who can and will root. They surely have their rooting down to a fine point, and good rooting wins the close contest. Idaho must have the same support and we think will. Many old students will be back to support the Silver and Gold. We must go to Pullman en masse. Moscow must be deserted next Friday if we expect to win the game. Support the Silver and Gold and show your colors.

Special Correspondence

The following article, written by a member of the Evergreen staff for the Argonaut, will be very interesting to Idaho readers.

"When the University team lines up on Rogers' Field against the State College next Friday afternoon, Idaho will have a hard bunch to score against. With the University of Montana defeated by a score of 5-0 and the S. A. A. C. trimmed by

(Continued on last page)

SCHOLARSHIPS ESTABLISHED.

Idaho State Federation of Women's Clubs Establishes Scholarships of One Hundred Dollars Each.

Undoubtedly the most beneficial scholarships ever established at the University have just been established by the State Federation of Women's Clubs. The scholarships amount to one hundred dollars each and are open to any student in the University. They are founded on the loan policy. The student who receives such a loan is expected to refund the amount at some future date after graduation. Below we print in full the recommendations by the committee of the State Federation of Women's Clubs and also the resolutions:

Resolutions

Be it resolved by the State Federation of Women's Clubs, assembled, that a scholarship of one hundred dollars per year, founded on the loan policy, be established by this organization for the State University of Idaho. This scholarship to go into effect and to be available by June, or before, 1906.

Recommendations by the Committee

The conditions required for this scholarship to be indicated by rules and regulations prepared by a committee created by the club and added to the regular standing committees of the club. That such committee be required to secure all information available from the scholarship committee of the Colorado Federation and elsewhere and that said committee report and present its plans to the Executive Committee of the Idaho State Federation for ratification and action.

Signed: Mary E. Ridenbaugh, chairman special committee on resolutions.

JUNIOR PROMENADE

Class of 1908 Begins to Plan for Its Big Dance—December 7 Fixed as the Date

At a meeting of the Juniors, last week, the class fixed December 7 as the date for their Prom, and the president announced the committees that are to have charge of the dance. The date chosen is a week after the close of the football season, a fact which points to a large attendance and a successful dance.

The committees having control of the Prom are as given below:

Invitations—A. M. McPherson, Miss Abbie Mix.

Refreshments—Miss Sadie Stockton, Donald S. Whitehead, Miss Jessie Rawton.

Decorations—M. F. Morrow, K. L. Keyes, Miss Hazel Morrow, R. W. Claye, Miss Mary Hall.

Music—W. R. Young, Harvey Smith.

Patronesses—Jewett D. Mathews, J. F. Carson.

RUSSIANS SUCCESSFUL

Japanese Fail to Take Port Arthur

On last Friday the battalion of cadets had a sham battle. It was more like a real battle since several of the officers, including Lieutenant Steunenberg and Captain White, have seen active service in the regular army. Lieut. Steunenberg had charge of the attacking party of Japanese while, Major Matthews had charge of the Rus-

sians, or the defense of Port Arthur.

About 1:10 p. m. the Japanese began their great attack upon Port Arthur. The battle began when the Russian artillery under Captain White discovered the advancing enemy at a distance of about 1500 yards. Immediately the artillery of Port Arthur opened fire upon the enemy. The report of the large guns could easily be heard for miles.

The shrewd Japanese, concealing their line of march behind the high prominence of the Port, changed their line of attack and advanced from the south instead of from the west. By rushes, the enemy got within one-hundred yards of the stronghold of the defense. At this point the signal was given for a general rush by the enemy. The plucky Japanese charged toward the fort but were unable to withstand the heavy fire of the five large guns of the Russians. After all his men had either been killed or wounded the commander of the Japanese ran up a white flag and the battle was over.

A Japanese leader by the name of Vance was court marshalled and shot for disclosing the plans of his fellow warriors.

Several hundred people witnessed the battle.

Annual Staff Elected

The Sophomores, intending that the Annual for next year shall not be below the standard on account of late commencement of the work, met last Tuesday for the election of their staff. The '09'ers have one of the strongest classes the University has seen, and, when the time came for selecting members to get out their Annual, there was by no means a dearth of material. There were from two to five competent candidates out for each office of the staff, with the single exception of the Literary Editorship, which was unanimously voted to Miss Marguerite Bush.

The following were the officers elected:

Editor-in-Chief, Robert O. Jones.

Associate Editor, Ray Peebler.

Business Manager, J. E. Jellick.

Assistant Business Managers, Clyde Chaffins, Robert St Clair.

Literary Editor, Marguerite Bush.

Joke Editor, Sam Vance.

Art Editor, Joe Martin.

Athletic Editor, Leigh Savidge.

Editor Student Organizations, W. H. Mason.

Social Editor, Orah Howard.

Each of the department editors will appoint his own assistant.

No new offices were created except that of Student Organizations.

Most all of the Annual staffs of other Institutions have this department, and the Sophomores decided that the '09 Annual shall not be lacking in any particular which might prevent it from being the best volume of the Gem of the Gem of the Mountains that has ever been published. The Editor of Student Organizations will take over some of the work formerly done by the Literary Editor, and the work of this latter official will be materially changed.

This is undoubtedly the strongest staff the Sophomores could have elected. Supported by such a competent corps of workers, the '09 Annual will surely be a decided success.

PREPS 4, STATE NORMAL 0

Curtis Makes a Drop Kick Which Wins the Game for the Preps.

Last Saturday the Preparatory football team defeated the Lewiston State Normal school to the tune of 4-0. The game was played at Lewiston and would undoubtedly have resulted in a 0-0 score had it not been for Curtis making a drop kick from the 25 yard line.

The Normal had the heavier team but was much slower than the Preps. The teams played very slow ball during the first half. Lewiston had a much stronger line than the Preps. Lewiston's backs fumbled continually while the Prep backs played an excellent game. Williams was very successful in running back punts for the Preps. Kittenbaugh made one long punt but on the whole was clearly out classed by Curtis. Kjosness played a good game at left half. Crum and Stevens were two more Prep stars. Leuschel was quick on his feet and was exceptionally successful in carrying the pigskin.

There was an attendance of about 300. Twenty minute halves were played. Final score 4-0.

The Prep line-up was as follows:

Cooper, c.
Crum, r. g.
Nail, l. g.
Stevens, r. t.
Tate, l. t.
McKinley, r. e.
Leuschel, l. e.
Curtis, q.
Williams, f. b.
Sheppard, r. h.
Kjosness, l. h.

The Kappa Phi Alpha's Entertain

Last Wednesday evening the Kappa Phi Alpha fraternity entertained numerous friends with a truly picturesque Halloween party. Stairways, halls and rooms of the chapter house were very tastefully decorated with pumpkin jack-o-lanterns, corn stalks, and vari-colored autumn leaves. Ghosts of all the saints were present (although some were encouraged to remain only through offers of heavy remuneration.) Numerous games suitable to the occasion were indulged in, after which refreshments were served. Cider was served in pumpkins hollowed out for punch-bowls, and pumpkin pie, doughnuts and walnuts were distributed in profusion. Ghost stories were told—Constance Henderson getting first prize, while Walt Balderson won the booby prize. After singing a few popular college songs the merry party broke up near the hour of twelve. Thirty-two couples were present.

The efficient chaperones were "Pink" Griffith, Miss Maynard, Prof. Guerney and Miss Belle Sweet.

For Congress

Charles A. Montandon, B. A. '06, has been honored by the Prohibition party of the state in that he has been selected for its candidate for United States Congress. Running against him on the Republican ticket is Hon. Burton L. French, B. A. '01, present incumbent, and on the Democratic ticket Mr. Reese Hattabaugh, ex-'01.

It matters not how the election turns, the University of Idaho shall lose nothing by the selection of Congressman.

Nov. 29 " Washington, Seattle

The Pacific Wave in its last issue contained the statement that Oregon had sent requests to Washington and Idaho that "reading" charts be abolished in the future triangular debates. No letter from Oregon on the subject has been received by the local debate council, and nothing is officially known about Oregon's request. Judging from the article in the "Wave," Idaho will be asked, also, in due course of time, to promise to abstain from the use of reading charts. When the request puts in its appearance it will in all probability be acceded to, inasmuch as it has also met Washington's approval. In the future then none but charts setting forth statistics are likely to be used. The "reading" chart has never been an indispensable feature of Idaho's debate tactics, and its abolition will be a change of no great importance.

The Pacific wave, of the University of Washington, has had a revelation, via the Simplified Spelling Board, and is now using the revised spelling. President Jordan of Stanford recently broke out in passionate protest against the adoption of such barbarisms as "thru" and "thoroly," but the Wave persists in dotting its columns with the offensive forms. Verily, 'the world do move.' What will be the next innovation?

DEBATE NEWS

Delays in Debate Here and Elsewhere.

Over in the state of Washington a debate league has been formed that includes thirty-one high schools. Mr. Bryan, the state superintendent of education, is the ostensible prime mover of the new association, but Professor A. R. Priest, of the University of Washington, and Mr. Charles Timblin, Principal of the Elementary School at W. S. C., have been very active in the work of organization. Two prizes, one of \$100.00 and one of \$50.00, are to be given to the schools that win first and second place. The first question to be debated will be that of ship subsidies.

The new league will probably result in the abandonment of the old Inland Empire League of which our Preparatory Department is a member. The Inland Empire League was organized two years ago. Idaho won the first championship. Last year the Colfax High School and Pearson's Academy quarreled and did not hold the final debate. The

disbanding of the old league will probably make it easier to organize a North Idaho debate league.

The University of Washington has announced that the ship subsidy question is its choice for the next Triangular League debates. Idaho has chosen the federal control of marriage and divorce laws. No news has come as yet of Oregon's choice, but all three subjects are due here on November 10. Last year Oregon caused a delay in the choice of a question. We hope there will be no such delay this year.

There seems to be a great awakening of interest in debate at Oregon. They have a new instructor in economics and debate coach, Mr. J. E. Brindley. Active work is going on in the debate societies and an inter-society debate will be held in the spring. President Campbell addressed the societies at the opening of the college year upon the importance of debate work and he urged the societies to do effective work. The contrast between this interest and activity with the indifference and apathy toward debate here is painful. Idaho hopes that Oregon will cut loose from the state oratorical association. There is little to be gained by competition in that field and the sooner it is abandoned the better. Take our advice, Oregon, and "cut it out."

Whitman College made prolonged efforts to increase its debate relations. She tried to arrange for an annual debate with the University of Washington but failed. Then she endeavored to secure a contract for a series of annual debates with the University of Oregon. This, too, was denied. Finally she had to fall back upon Willamette University, a Methodist college in Salem, Oregon. Last year Mr. Agner Carlson, who two years ago was one of our Preparatory Department debaters, was the leading debater at Willamette. He was the captain of their team that defeated the Oregon Agricultural College. Whitman now has three debates; one with Pacific University, one with W. S. C., and one with Willamette University. She no longer has debate or oratorical relations with a state university. This year she has a new instructor in her English Department, Professor Norman Coleman, who ought to prove an excellent debate coach. Professor Coleman studied argumentation under Professor George P. Baker at Harvard University last year. He is an able man, thoroughly interested in his work, and in character he is one of the finest men engaged in educational work in this part of the country or any other part.

Holman, Smith, and Mason are working industriously on the question of the government ownership and operation of railways. They have a great store of material. At present they are engaged in winnowing the chaff from the wheat. We all hope to see them repeat the performance of last year and secure a unanimous victory for Idaho.

WIN A PRIZE

Gem of the Mountain, 1908, Offers Prizes for Short Stories and Poem.

Prizes will be given in the literary department of the 1908 annual under the following conditions:

Two annuals will be given for the two best short stories accepted and one annual for the best poem accepted. This contest is open to all students of both the collegiate and

preparatory departments. The stories shall not consist of less than 750 or more than 2000 words. All contributions become the property of the Annual Staff. The Annual Staff reserves the right to reject any or all contributions. All contributions shall be in the hands of the literary editor by December 1. For further information see M. F. Morrow, literary editor, or W. B. Hopper, assistant. Many contributions are hoped for, so that the successful ones may be of great merit.

The Beta Sigma Party

Without doubt the prettiest social affair of the season was enjoyed last Saturday evening at the home of Miss Louise Barton. The hostesses were the members of the Beta Sigma Sorority of this place. The following menu was served from 6:30 to 10 o'clock:

- Tomato Bouillon with Whipped Cream
- Salted Wafers
- Salted Almonds Stuffed Dates
- Lobster Cutlet with Hollandaise Sauce
- Bread and Butter Sandwiches
- Stuffed Potatoes
- Fricasseed Chicken
- Sweet Potato Croquettes Pickle.
- Hot Buttered Rolls
- Cranberry Mould
- Waldorf Salad in Apple Cups with Cream Dressing
- Brown Bread Sandwiches
- Banana Sherbert with Cake
- Coffee

After dinner the merry party adjourned to the parlor, which was tastefully decorated in purple and white, the Sorority colors. Here numerous games were played and everyone's fortune was told. All of the latest college songs were sung and everybody enjoyed a jolly good time until, near the hour of twelve, when the chaperones announced their intention of wending their way home. The party broke up, each going his separate way, thanking the charming girls for the enjoyment of a very, very pleasant evening

It came when all the birds were green,
And all the young birds flying;
It came and met me on the green,
When winter was a-dying.

It came when all the flowers gay
Bloomed fresh and scented sweetly;

It came and met me on that day,
All dressed and robed so neatly.

It smiled into my ready heart,
Reciprocating neatly,
Till I from Julia could not part,
She had won me so completely.

Esther Larson went home Saturday for an "over-Sunday" visit.

A fresh supply of Lilligretti, Peters and Taffee at McPhee's Drug Store.

Catherine Smith is back in school again after a severe illness of two weeks.

Fresh and fragrant odors from real flowers at McPhee's Drug Store.

Miss Edna Herron, a former Varsity student, has registered as a Freshman.

The Kappa Phi Alpha's were entertained at dinner Wednesday evening at the Dormitory.

Pure and fresh drugs are hard to find. They are the only kind sold at McPhee's Drug Store.

Allen Osborne, ex-'07, is now registered in the medical department of the University of Nebraska.

Louis Peters, a brother of Dr. Peters, has come to spend the winter in Moscow with the latter.

The Sophomores have challenged the Freshmen to a game of football to be played on the campus, Tuesday.

The latest and newest novelties in box papers at McPhee's Drug Store.

The freshies have appointed a refreshment committee consisting of Miss Sprague, Miss McCowen and Miss Davis.

The Y. W. C. A. associations of L. N. S., W. S. C. and Idaho will hold a council at the University Dec. 7, 8, 9.

Robert O. Jones, '09, went to Wardner for election day, to cast his vote and perform the duties of a judge of election.

Umbrellas recovered. New handles and all kinds of repairing. Rubber stamps made to order at the Moscow Bicycle Works.

George Armstrong has been obliged to remain out of school for the last week on account of a bad eye received in the Oregon game.

A new batch of 1910 caps appeared in town last week and a corresponding number of freshmen are sporting the gold and black headgear.

Four new men won their "I" in the Oregon game—George Armstrong, '10, Leigh Savidge, '09, Charles Perkins, '09, and Howard Stein, '08.

P. S. Darlington, '07, Deputy State Horticulture Inspector, visited several points between Moscow and Lewiston last Saturday in the interests of Horticulture.

Prof. J. M. Aldrich, of the department of Biology, has an article in the October number of the "Entomology Review." The article deals with the life and work of the late Osten Sacken, one of the leading Entomologists of the country.

The State Board of Horticulture, of which Professors Aldrich and Henderson are members, met at the Hotel Moscow, Saturday afternoon and evening.

Lloyd Fenn, '08 Lewiston High School, who defeated our sprinters last spring in the 100 yard dash, has entered Ann Arbor where he will study law.

The Y. W. C. A. met at the greenhouse Sunday afternoon at 8 o'clock. Miss Bees Gibson led the meeting, which was on the subject, "Friendship in College Life."

Frank and Ernest Noble were called home Thursday by a telegram announcing the serious illness of their brother. It is not known when they will return to school.

No assembly was held on Wednesday, because of the non-arrival of the chairs. Until seating accommodations can be provided, the Wednesday meetings will not occur.

Herbert W. White, '09, for three years in the regular army and one year Quartermaster at Fort Wright, has been commissioned as captain of artillery and field officer. White is the ranking captain this year.

The U. of W. and O. A. C. played a tie game of football last week. The Pacific Wave seems to think that Washington has "an easy season and clear sailing" for the Northwest championship this year in football.

Misses Sweet, Hayes and Newland entertained their girl friends very delightfully Tuesday evening at the cottage. All sorts of Hallowe'en stunts were played, and each girl saw the picture of her future husband. Salad, sandwiches, olives, coffee and doughnuts were served, after which flash lights were taken. All unanimously declared the evening a great success.

The following exchanges are found regularly on our exchange table:

- "Index,"
- "Daily Maroon,"
- "Kaimin,"
- "Courier,"
- "Maroon."

Y. M. C. A.

Among the men who knew and loved Reno Hutchinson a movement has been started to have erected to his memory, a bronze memorial tablet. Subscriptions for this purpose have been open for about a week and all classes of men from all quarters are contributing. It is felt that the movement cannot truly represent the feelings of the young men of the Northwest unless the students in the colleges who knew him have also a chance to subscribe.

The committee desires that individual subscriptions are to be limited to one dollar and that any subscription, no matter how small, will be gladly received.

It is planned to erect this tablet in the present Portland Y. M. C. A. building temporarily, but its permanent location is to be in the

large new building we are to have and it will be built into the masonry of the great centre fireplace in the lobby, thus dedicating the very heart of the building to the memory of the man "whom to know was to love." Hundreds of men, passing through the building while in the city, will see this memorial and will be reminded of their friend; while thousands, in the years to come, whose loss it will be that they did not know him, will have constantly brought before them the record of his noble life.

All donations should be turned over to L. Arthur Hunting.

If I do not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads," and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"?

I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the last year but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a farm, house or business, in any part of the country tell me your requirements. I will guarantee to fill them promptly and satisfactorily.

David P. Taff, The Land Man, 415 Kan. Ave., Topeka, Kan.

IDAHO VS. W. S. C.
(Continued from first page)

4-0, the Pullman rooters have some grounds for the confidence they show in their team. Several of the members are known to the University enthusiasts, notably Captain Goldsworthy, "Sherty" Stewart, Thayer, Nissen, and Halm. These players are the standbys of the State College supporters and their individual marks in gridiron battles of the past prove them worthy opponents.

"There are, however, new men on the W. S. C. squad who will be heard from before the season closes. Among them are Hartzbeck, Miller, Buck, Cave, McCroskey, Bryan and Fancher. They are in the struggle for football honors for the first time as 'Varsity men; all are speedy, brainy players and understand the game of football.

"The line-up of the game will not be definitely known until Friday but it is safe to assume that Goldsworthy and Miner will defend end positions; "Bill" Miller and "Babe" Thayer tackle; Hartzbeck and Halm guard, and Stewart center. The back field will consist of Nissen and Buck or Cave and McCroskey at half; Montgomery or Crane at full, and Bryan or Fancher at quarter."

SUBSIDY QUESTION CHOSEN

U. of W. WM Recommend It for the Triangular Subject

The Pacific Wave of last week contained the following account of the choice of a question for the Triangular League:

"The first choice was given the shipping subsidy question, with the income tax second, and the relative democracy of the English and American constitutions third."

It further states that "Oregon had sent a request to the two other colleges asking that they agree not to use 'reading' charts, and confine themselves to 'statistical' charts. This Washington agrees to do."

Sophomores

Saturday afternoon, October 27, about five o'clock, the Sophomores started from the University Book Store on their hay-ride and picnic. Two stout drays carried the pleasure-seekers out to Idlers Rest, at the foot of Moscow mountain, where they made merry around a huge bonfire.

After enjoying the bounteous feed prepared by the Sophomore girls, they gathered around Lieutenant Steunenberg to hear him tell war tales, and at a late hour started home, tired but happy, after one of the most enjoyable evenings of their lives.

Work Commences on the New Administration Building.

Last week contractors began work on our new administration building. The beginning of work was announced by a salute of eight shots which was given by the military department. One round was fired for each class in the University.

The front of the new building will be on a line with the old mining building and the new stamp mill. The Gym will be somewhat in the rear of the new "Ad" building. The contractors, Colson & Sons of Spokane, are to finish the excavation, concrete and stone work, up to the water table, by January 15th, 1907. It is thought that the entire building can be finished by next September.

All students were made happy by the fact that work was to begin on the new building so soon after the destruction of the old "Ad" building.

As in mythology the old Phoenix lays down its life upon a funeral pyre that a new bird might spring forth, so by the help of the regents and the people of this "Gem State," the many loyal students already here and the future generations of students to come are soon to have a newer and grander administration building.

Music Recital.

The musical recital given by Prof. Cogswell, organist, assisted by Prof. Hulme, baritone, was a distinct success. A large audience was present and greatly enjoyed the different numbers. The "Offertory" was perhaps the most enjoyable organ number, while "Face to Face," by Prof. Hulme, was heartily encored.

Amphictyons

Although there were several other important events Friday evening, the Amphictyons met nevertheless and had a good, live debate on the question of municipal ownership of street railways. Goble, Mason and Peebler for the affirmative succeeded in winning two votes of the judges while Adkison, Wm. Mason and Galloway won the other vote for the negative. After the debate, the members participated in a spelling match which ended the evening's program.

Freshmen Celebrate

Three bus loads of Freshmen took a pleasant drive out to Idlers Rest last Friday evening. A huge bonfire was built and hot coffee and other refreshments were served. Dancing was indulged in to a slight extent. The merry party returned to town through a slight sprinkle of rain, arriving at about 12 o'clock.

About twenty-five couples were present. Prof. and Mrs. E. M. Hulme were the chaperons.

Exchanges.

The registration at the University of Michigan has reached the 5,000 mark.

It is pleasing to note the enthusiasm with which the Whitman College students celebrated the victory of their football team over the Willamette University eleven.

The Oregon Weekly mentions the trip of the U. of O. football team to Idaho as "one of the pleasantest football trips ever taken by a 'Varsity squad.'"

The business men of Pullman are offering prizes to the W. S. C. football players who make touch downs and 30 yard runs in the U. of I. game.

Of the 317 students registered at the U. of O. 46 are taking economics as their majors, 43 English literature, and 37 civil engineering.

The Universities of Michigan and Nevada are considering the advisability of lengthening their engineering courses to five or six years.

"I'll bet you don't she coyly said, 'I'll bet I do,' said I, 'And I shall cover all you'll bet, It matters not how high.'"

"You might," she said, "If I should bet, My nobby winter hat; But here's a smile, and its my pile— Think you can cover that."
