UNIVERSITY OF IDAHO, MOSCOW, OCTOBER 14, 1908

No. 3

IDAHO STUDENTS WINNERS

Petrie and Maughn Take Prizes at The Interstate Fair.

D. C. Petrie, '10, of Boise captured the first prize of \$30.00 and G. H. Maughn, '09, of Preston won the second prize of \$25.00 in the Students' Livestock Judging Contest held at the Spokane Fair October 6. The third and fourth prizes were won by a W. S. C. student and an O. A. C. student respectively. This is the first contest in which Idaho students have taken part while W. S. C. has sent teams to several local contests and one national stock fair.

The classes or rings of stock judged consisted of beef cattle, dairy cattle, draft horses, sheep and swine. The rules of the contest required that in each class of stock it was necessary to place the animals and to hand in written reasons for this placing within twenty minutes.

In deciding the rating of the young men who entered the contest 80 points were given for placing and 20 points for reasons. It was found that under these conditions only a few points of difference existed between the first three men but it is a significant fact that two Idaho men entering won the highest score.

Many of the young men have become much interested in stock-judging and it is likely that in all future contests of this and similar nature Idaho will be represented. Much of the credit for the success of the Idaho students is due to the coaching given by Professor French who is recognized as one of the best stock judges in the Northwest. In this coaching he was ably assisted by Professor Shinn.

On their arrival from Spokane the Idaho students were enthusiastically welcomed at the Inland station by a crowd of Agricultural students.

Tribute to Former Student

The report of the Transvaal Department of Agriculture for 1906-07 has recently been published. The Director in reviewing the events of the year, refers as follows to a University of Idaho graduate:—"To our great grief, Mr. C. B. Simpson, the Entomologist, succumbed to an attack of enteric in January. Mr. Simpson came to us from the United States Department of Agriculture at Washington. In addition to possessing a thorough knowledge of his subject, Mr. Simpson was an excellent organizer and administrator, and the success which has been attained by the Division of Entomology is entirely due to his ability and force of character. Mr. Simpson was also mainly responsible for the establishment of the Inter-Colonial Locust Bureau, and at the last Inter-Colonial Conference on Locust destruction, His Excellency Lord Selborne paid a noteworthy tribute to his work and memory."

Athletic Board Organizes

The class members of the Athletic Board met last week and elected William Hansen and C. S. Edmunson as members from the student body at large. After this the following officers were chosen: President, Leigh Savidge; Secretary, Lloyd Fenn; Treasurer, Henry Smith.

Hegge, Hegge, Hegge, Hegge.

IDAHO TAKES THE FIRST GAME

Large Crowd Witnesses 31 to 0 Contest With Spokane Y. M. C. A. on New Athletic Field

Last Saturday the University football team beat the Spokane Y. M. C. A. team by a score of 31 to 0. This was the first game of the season as well as the first game on the new athletic field. A large crowd for a preliminary game attended and helped the boys administer the decisive defeat. The field was in fine shape which fact enabled the men to do some spectacular playing. Both teams did some good work and the best of feeling prevailed throughout the game.

THE GAME IN DETAIL

The Y. M. C. A. kicked off to the Idaho team and Thornton advanced the ball thirty yards. "Chic" circled the end for seven yards but on the next play lost the ball on a fumble, and the Y. M. C. A. got it on their thirty yard line. They were unable to make yardage and kicked to Small. On the next play there was another fumble and the Y. M. C. A. again got the ball, was again unable to make any gain, and kicked.

Idaho now tried the first forward pass of the game, but Thornton was unable to touch the ball before it hit the ground so Idaho was penalized fifteen yards. The next play was a successful forward pass Savidge receiving the ball for twenty yards gain. Idaho punted and it was the Y. M. C. A.'s ball on its own forty yard line.

The Y. M. C. A. tried a forward pass and made it good for twenty yards but on the next down lost the ball on a fumble. "Herc" was sent through the line twice for seven and five yards, Armstrong for eight yards and Montgomery over the line for the first touch down, in eight minutes from the start of play. Small kicked goal.

The Y. M. C. A. then kicked off to Idaho and a forward pass to Savidge for twenty yards and line plunges by Johnson and Pauls carried the ball to the twenty yard line from which place Small kicked a goal from the field.

Idaho then kicked off to the Y. M. C. A. to its five yard line and it advanced the ball ten yards, failed to make its yardage and was forced to kick. Small, Montgomery and Johnson carried the ball by a series of line plunges and end runs to the Y. M. C. A.'s ten yard line, where Johnson was put through the line and only miss a touch down by six inches. Montgomery carried the ball over and Small failed to kick goal.

The Y. M. C. A. then kicked off to Small who kicked back. Savidge caught the ball and ran fifty yards for a touchdown; but as the ball had not touched one of the Y. M. C. A. men before being caught by the Idaho man, the touchdown was not allowed and the ball was given to the Y. M. C. A. on its thirty yard line.

Idaho was penalized five yards for off side play and the Y. M. C. A. found a hole in the line for fifteen yards. They tried another forward pass, failed, and had twenty-five yards to gain. They tried to kick but were blocked and recovered the ball on their own thirty yard line. Here they made no gain and were again forced to kick to Small who advanced the ball fifty yards and Montgomery was sent over for his third touchdown. Small failed to kick goal.

The Y. M. C. A. kicked off to Savidge on the fifteen yard line who advanced the ball twenty yards. Thornton went around the end for twenty yards and Savidge was sent around end for forty-five yards and another touch down. Small kicked goal.

Idaho kicked to the Y. M. C. A. to their fifteen yard line from which place they advanced the ball five yards and on the next down lost five yards. They tried a forward pass, failed and were penalized fifteen yards, the ball being on their own goal line. They kicked thirty yards; Idaho was penalized for foul; Idaho fumbles and recovers the ball on Y. M. C. A.'s twenty-five yard line. Montgomery was penalized fifteen yards for hurdling, and Idaho kicked to the Y. M. C. A. The ball was downed on their twenty yard line Idaho was penalized five yards for off side play, and the ball was in possession of the Y. M. C. A. on its own thirty yard line when time was called.

In the second half Barrett went in at left end, Williams at left tackle, Lundstrom at left half, Talman at left guard, Cooper at center and Hays at right guard. Savidge took quarter and Appleman right half.

But one touchdown was made in the second half, and Barrett failed to kick goal.

The best work in the second half was done by Lundstrom who showed great ability for finding holes and advancing the ball.

The team on a whole showed great class and while they played real hard football but a few minutes Saturday they showed plainly that the material was there for a championship team.

Armstrong showed up good at half as did Appleman. Montgomery played a good game at full and could always be depended upon to make more than his yardage. Pauls, Smith, and Stokesberry played their old heady, consistent game, making great holes in the line whenever called upon. Small showed his same ability as a field general, and time and time again could be heard giving signals from the bottom of a pile.

Captain Savidge and Coach Middleton are both well pleased with the showing made Saturday tho they both agree that there is great room for improvement.

SENIOR FEED SATURDAY

'09 Girls Entertain Men of Class at Chaffing Dish Party

On Saturday evening the girls of the '09 class entertained the senior men in the form of a chaffing dish party at the gymnasium. When everybody arrived it was found that the piano had been moved to the Dormatory to facilitate a faculty dance, so a resourceful '09'er ordered a phonograph and to this music the dignified seniors returned to the days of their infancy and enjoyed themselves in spite of the fact that dancing was forbidden. Shrimp "nizzle", coffee and sandwiches were served in the front offices where everyone got together and became better acquainted. Dr. and Mrs. McLean, the official chaperones, were unable to come, but Lieutenant and Mrs. Smith ably filled their places. Later in the evening the crowd met over to the Dormatory and serenaded the faculty. The seniors are to be congratulated on the good voices in the class which ought to be utilized well at commencement.

This is the first "stunt" the graduating class has had this year and it has started well, what is hoped to be a very successful one. It is a good idea for the class to pull together and to plan ahead in a way that may improve the general spirit and enthusiasm of the college and engender a feeling of interest in commencement which has been tragically lacking of late. The party came to an end by hearty cheers for the '09 girls.

Assembly

The two principal numbers on the program of the second assembly of this year were an address by the Honorable M. E. Lewis, president of the board of regents, and a cornet solo by Edward Carey, instructor of the cadet band.

Mr. Lewis particularly emphasized the point, that to be successful a man must follow the natural bent of his inclinations in choosing his life work. He said in part:

"The choosing of one's course of studies in college is a very serious and all-important step. The student should first choose his work in life and then decide on his work in college in order that he may better undertake that work. Our education is never complete. We lay its foundation in college.

Success in life, which depends on our choosing a life work that will be a pleasure to us, means happiness, it means self-reliance, it means contentment, it means something that will benefit our fellow-men, ourselves, and the world."

The concluding member on the program was a cornet solo by Mr. Carey, accompanied by Professor I. J. Cogswell, which received a well-deserved encore.

Exchanges

The University of Oregon has also turned down the proposition of reducing the triangular debate teams from three to two members as proposed by the U. of Washington. Washington now turns around and says she is glad that both Idaho and Oregon refused the proposition.

STAFF APPOINTMENTS

THE FOLLOWING appointments to the Argonaut staff have been made during the past week: Social Editor, Constance Henderson; Athletic Editor, Paul S. Seville; Exchange Editor, James Gwinn.

THE BUSINESS Manager announces that this is the last sample copy that will be sent out. All unrenewed subscriptions will be struck from the mailing list next week.

Idaho Has Excellent Idea

The faculty of the University of Idaho is considering a plan for an honor roll of scholarship to be published annually throughout the state, giving prominence to those who excel in intellectual lines equal to that given athletes.

The plan, if properly developed, is excellent. Far too little is ordinarily said in the papers about the scholarship of individuals in any university. Many persons naturally enough come to believe that not much is done at universities except play football and participate in other athletics. The faculty of this university might well evolve some similar plan to the profit of the institution.—Editorial from Daily Pacific Wave.

Exchanges.

The Oregon Agricultural College has registered over one thousand students—an increase of three hundred over last year's enrollment.

An Idaho Club has been formed at Whitman College of which May Herman, formerly a Sophomore at the University, is secretary. We wonder if there are enough members to fill all the offices.

This year for the first time in the history of any university, Harvard will give a degree for proficiency in business education. The degree will be entitled M. B. A., which means Master in Business Administration. A number of courses have been established which cover the intricacies of banking, trusts, corporations, railroad methods and rate establishment and other related subjects. As the Registrar of the University announces, "The school aims to give thorough and scientific instruction in the fundamental principles of business, organization and administration."

Among the new members of the Outfit Indian football eleven are Harry Cries-for-Ribs, David She-Bear, Napoleon Barrel, David Wounded-Eye, Joseph Two-Hearts, Wm. Yankee Joe, Bruce Goss-Buck, Moses Friday and Frederick Tall Crane. It was at first thought that Reginald Loose-Lung and Oscar Open-Face were down there, too, but they are going to be on the side line for Harvard and Yale.

Health Department Begins Work

The physical examinations under Dr. Kuega began last Saturday. They will be given according to class—senior first and so on. Next week

the regular lecture course work will begin at the hour posted. These lectures will be free from technicalities and will cover general physiology and histology with some demonstrations and laboratory work. It is hoped that many may take advantage of this chance to get professional training and advice free of charge. The courses will be made very practical and will cover a lot of ground for which students ordinarily have to pay very dearly.

Cross Country Club

There is being organized at the University a Cross Country Club under the leadership of C. S. Edmunson and under the general supervision of Dr. Kanoga. This is intended not only for track men but for all students who love athletics and who possibly cannot spare as much time as foot-ball requires. There will be separate groups for those who require different paces even the worst fastidious may be satisfied.

The whole movement is looking forward to a great Cross Country meet in the late fall, either within or without the University.

Faculty Picnics.

That the Faculty enjoys moonlight, horse-back riding, camp fires, and outdoor suppers, was clearly proved last Friday evening when a party of twenty rode to the hills for an outing.

The new members of the faculty, in whose honor the picnic was given, entered heartily into the spirit of the occasion and contributed no mean share of the entertainment by their songs, their athletic feats, and their skill in the Virginia reel.

Y. W. C. A. Convention.

The Young Women's Christian Association of the Inland Empire will hold a convention at Pullman Oct. 16-18. Miss Bertha Conde, an International Secretary from New York City, will lead the conference. The railroads have granted a one and a third fare for the round trip and the Pullman organization will provide for entertainment. All interested should see the local Association for particulars and program.

Y. M. C. A.

A large crowd of men listened to Ivan B. Rhodes, State Secretary for Idaho and Oregon, in the gymnasium last Sunday afternoon. His topic, Some Choices, was handled in an interesting manner and all present gave him the closest attention during the entire hour.

The M. E. Lecture Course.

The M. E. church is again going to handle a lecture course. For the last four or five years this church has been the only organization that has brought to Moscow a set of standard lecture numbers and this year's course promises better than any preceding series. There will be six numbers in the season as follows: Frank Dixon, lecturer; Montville Flowers, dramatic reader; a musical number consisting of four great artists; the Drake-McGill-Boeing company, a musical number; Germain, the Wizard, and Silvester A. Long, lecturer. All of these are high class entertainments ranging in price from seventy-five cents to a dollar and a half per individual ticket. The whole number if seen singly would cost at least five dollars. But by grouping the numbers, the managers have been able to put on the market a season ticket enabling the holder to see all six numbers, and entitling him to a reserve seat for the entire season for the remarkably small price of two dollars and fifty cents. A still further reduction has been made to University stu-

dents so that they may secure a season ticket for only two dollars. Mr. Harry Dans is handling the student tickets and will gladly fix you out with a reserve seat for the entire course on receipt of the money.

The first number will be given next Monday night, Oct. 19, in the M. E. church, when Frank Dixon will deliver one of his world famed lectures. Mr. Dixon appeared in Moscow last season and all who heard him then will gladly attend again. Some press comments:

A masterful presentation, not of a wild enthusiast, but of a scholar. Clear, definite, logical, vigorous and brilliant throughout. Mr. Dixon has the rare genius of presenting a weighty theme in a popular fashion, thus at once entertaining and instructing his audience. His oratory, his logic, his analysis, his satire, are splendid; superb.—W. H. Lippold, Secretary, Y. M. C. A., Fort Dodge, Ia.

The theme of Mr. Dixon's lecture was of a serious nature, and yet his speech sparkled with a spontaneity and original wit that captivated his audience. It contained logic, humor, satire of the keenest sort, ridicule and pathos, and all were delivered with the mastery touch of a finished orator.—The Savannah (Ga.) News.

New furnished, rooms, with bath near restaurant. Three suites and single rooms on second floor of General Block. Ransom F. Warren, box 801, Moscow, Idaho.

SOCIALIST LECTURE

Ered M. Moore, Atty. of Spokane, graduate of Ann Arbor, Mich., will lecture on the fundamental principles of Socialism, at the Ophelum Theatre, Oct. 16, 1908, at 8 o'clock p. m. Students especially invited.

500 student shaves at Hegge's.

Ira Gwin ex '11 has returned to college.

Ed. Strohhahn was at Spokane last week taking in the fair.

Miss Ella Woods is again attending classes after an illness of a few weeks.

Visit Hegge the barber near the Crystal Theatre.

We want your business in Tailoring. Schwarz.

Miss Elsie Larson who was in Spokane last week on pleasure has returned.

Chas. E. Kinkaid ex '10 is down from the mines for a few days visit at the University.

Prof. Frandson was judge of the butter and cheese exhibit at the Spokane Fair.

Wilfred Herrington '08 is down from his school in Hope for a few days visit at the University.

Largest stock in Woolens ever shown. Schwarz, Tailor.

Miss Lotta Manspeaker who was out of college on account of illness for a couple of days is again attending classes.

Miss Althea Ott who has been at her home in Boise for a couple of weeks arrived in Moscow Saturday night.

Frank B. French, a brother of Congressman Burton L. French, after an absence of several years has again entered college.

Get wise and shave at Graham's barber shop.

About ten University people went to Pullman last Friday night to hear the Metropolitan Opera Co. All report an excellent performance.

Norman Adkinson '07 has been elected as teacher in the Grangeville High school. He and Fred Lukens promise to send a bunch of freshmen to Idaho next fall.

Herbert White recently received first place in a competitive examination with forty other regular army men for appointment to 1st Lieutenant in the regular army.

The best shave in town at Hegge's, opposite the Boston.

Lieut. Smith is organizing a polo club which expects to give an exhibition game in the near future. All interested in this line of sports should see him at once.

Miss Sweet, librarian, was at Spokane last week attending the annual meeting of the Washington Librarians' Association and incidentally taking in the Spokane fair.

Prof. Shinn was at Kooskia, Idaho, last week on Institute work. He will also attend the Lewiston fair this week and help conduct a Farmers' Institute during Fair week.

Get your hair cut at the U. of I. barber shop. W. J. Graham, Prop.

Washington State College has adopted the regulation uniforms for its cadets in place of the gray formerly used. The regiment will conduct its own clothing store at which either new or second hand uniforms may be secured.

Prof. French has recently been on an extended trip through southern Idaho during which he delivered an address before the Pure Food Commissioners at Boise.

Miss Elizabeth Dunn left Monday for a week's visit at her home in Coeur d'Alene to see her brother, Ensign Chas. Dunn of the Charleston, who sails shortly for Honolulu for a cruise of two years.

For reasons unknown—presumably matrimonial aspirations—Walter William Stokesbury hereby officially announces that his cognomen is hereafter Stokesbury instead of Stokesberry as formerly known.

Mr. George Wyman '07 is in Moscow on business and pleasure. Mr. Wyman is superintendent of the Charles Dickens mine and recently escaped very fortunately from a severe accident. He is at the Kappa Sigma house.

Students!!! If you want quality go to the Moscow Barber Shop for your hair cuts, shaves and shampoos. They will treat you right.

Preps. Increase.

The Preparatory Department shows a most gratifying increase in attendance this year. Over 180 students have already enrolled in Idaho's great secondary school as compared with last year's total registration of 171 and there is good prospects that more than 200 will enter before the close of this year. This means a direct flow of material into the University, as a much larger percentage of the Preparatory students enter college than of any other school of similar standing.

Unlike most secondary schools the boys are in the majority, there being 109 boys and 71 girls. Much new material has been taken in this year, the registration books showing 98 new students and 82 old ones. The fact that the first year class numbers only 33 shows that this increase has been felt in all four classes. This fact further shows that the Preparatory school is not robbing the high schools of the state by taking students from the grades but that it fills in the incomplete course of study in some schools and gives every boy and girl in the state a chance for a secondary training complete enough for entering college. Among both old and new students, there is some excellent debate and football material. We shall expect many victories in these lines from the Preparatory Department.

The Pastime

Colyer (translating German): Dearest, give me a kiss—
Miss Regan (interrupting) Now Mr. Colyer are you making that up?

You never hear of a bluff succeeding; when it does succeed the bluffer is too sharp to admit it was a bluff.

The Athletic Board announces its intention of trying to arrange for a foot race between Shinn and Shanks; Moore to follow.

In a certain small English village there were two butchers living in the same street. One placarded his sausages at 1s. a pound, and the rival promptly placed 8d. on his card.

No. 1 then placed a notice in his window, saying that sausage under 1s. could not be guaranteed.

No. 2's response to this was the announcement: "I have supplied sausages to the King."

In the opposite window the following morning appeared an extra large card bearing the words: "God Save the King."—Tit Bits.

Closing Out Sale!

Faculty Reception

Few social events of the college year are more thoroughly enjoyable than was the reception at Redenbaugh Hall, on Saturday evening, in honor of the many new members of the Faculty.

The rooms were effectively decorated in mountain-ash berries, autumn foliage, and red roses. Cary's orchestra played throughout the evening.

With the exception of two delightful piano solos by Professor Cogswell and a charming song by Miss Caldwell, there was no program. The evening was devoted to getting acquainted, a result much facilitated by the energetic and cordial efforts of the introducing committee.

At eleven o'clock delicious refreshments were served in Domestic Science Hall.

The following firms keep standing "ads" in the Argonaut. They are the ones who are interested enough in the students and the University to pay for a notice in the college paper. We therefore think it no more than fair to ask the students to spend their money with these firms.

News of the Battalion

Considerable interest is being shown in the rifle practice and scores for last week are a little better, although far below what we shall expect after more practice. They are as follows, at two hundred yards; Kettenbach, 31; Mc-Nieoll, 16; Beier, 13; Grover, 10; Strohecker, 26; Foster, 22; Jessup, 36; Wood, 22; Ream, 36; McDonald, 36. At three hundred yards; Mc-Nieoll, 31; Carr, 27.

Pistol practice is being considered and will probably begin this week. Those interested in pistol shooting should see Kettenbach.

Marsh, Stillinger and Dunson have worked the surgeon for a temporary sick-leave. Coffin has been excused indefinitely.

The band under Mr. Carey is making fine progress and will probably be better than ever before.

The competitive examination for sergeants takes place this week.

Football Schedule

Oct. 24, Bremerton Navy yard at Moscow. Oct 31, University of Oregon at Moscow. Nov. 7, Whitman, at Walla Wall. Nov. 14, W. S. C. at Pullman. Nov. 26, Utah, at Salt Lake.

Guy Dippel Married

Idaho's ex-pitcher was married Nov. 1, to Juanita James, a Pocatello belle. Both are very popular, both at Blackfoot and Pocatello.

Dippel is now chief clerk in the Blackfoot P. O.

The Junior Ride

The Juniors followed their annual custom and went to Joel for a dance, Friday night. Nearly all the crowd went down on the train or drove in individual rigs but this did not destroy the feeling of unity after they arrived there. Punch and wafers were served and everybody danced to the music of the Joel orchestra, which is rapidly becoming famous. There is this to be said in it's favor that it is decidedly a western institution and not lacking in local color. The party was a great success as all junior functions are, and especially all drives to Joel.
