## IDAHO AND W. S. C. PLAY TIE GAME

### Neither Institution Able to Cross Opponents Goal. Hardest Game of Season. Score 4-4

At twenty minutes to three last Friday in Pullman, Washington in the presence of three thousand people from all over the Northwest, Capt. Wexler of W. S. C. kicked off to Idaho, starting what proved to be the most remarkable, and desperately fought football game ever seen in this country.

The weather conditions were ideal, the field was all that could be asked for in a place or two loose gravel on top made rather risky footing.

It was getting dark when time was called on the second half and the score was tied, 4 to 4.

Practically nothing but straight football was used. W. S. C. tried three forward passes, failed altogether on two of these, and made but 20 yards on the successful one: Idaho did not try a single pass. It was useless as W. S. C. knew our signals. Idaho's having had three games at which W. S. C. had from two to six men on the side lines taking down plays and as Small gives his signals unusually loud, it was easy for them to get our signals, and in this way saved themselves from defeat. Under these conditions, Coach Middleton's instructions to Small were to kick on the first down if necessary.

The game was the first year in which the team has shown their true form and possibilities. Small played the best game of his life, doing remarkable work in backing up the line. His tackling was deadly and he never failed to nail his man. Johnson was the best man carrying the ball and for a deep field man he has no equal. His weight is his only handicap. Lundstrom at right half played a good game. He was always with the ball and recovered four fumbles for Idaho. Jewell at center is steadily improving and while he was seldom able to get thru Cherry yet he was repeatedly able to prevent the last year's all northwest center from spoiling the plays. Stokesberry at Guard had the hardest man on the team to play against, Halm, but held the veteran in his tracks. Elton is without an equal in the Northwest. He was in every play and made a stone wall out of the left side of the line with the assistance of Pauls. Capt. Savidge at left end, lived up to his reputation. He broke W. S. C.'s interference almost before it was formed, and left the man with the ball loose for Thornton who never failed to get him. Thornton played a good game at full, backing up the line remarkably. Geo. Armstrong was on the other end of the line. End is George's position. He is not especially fast but gets down on the ball on a punt in good style and is good at breaking interference.

#### THE GAME IN DETAIL

W. S. C. kicked off to Idaho, who returned 20 yards. Idaho made 7 yds. on two downs and Small punted to W. S. C., Cave returning the ball 10 yards. W. S. C. made first down once, and was then forced to punt. This continued for about 10 minutes when Idaho carried the ball to W. S. C.'s 35 yard line and Small fell back for a try for a place kick. It went square between the goal posts and the score was 4 to 0 in favor of Idaho.

Shortly afterwards W. S. C. by a series of bucks thru the right side of Idaho's line had the ball on Idaho's 20 yard-line and Halm kicked a goal from placement tying the score. Neither team was able to make consistent gains and continually punted. W. S. C. tried three times to make place kicks from the 50 yard line but each time the ball fell short.

The half ended with the score 4 to 4, and Idaho having all the best of it having made first down twice.

The second half started with both teams playing even harder than in the first half. Shortly after the half started Halm who was running interference put his shoulder into A. A. Rogers, headlinesman, and was ruled out of the game.

The balance of the game was a kicking duel between W. S. C.'s and Idaho's quarterback, Small having the best of it. W. S. C. once had a good chance to score 4 points, but their quarter, who was doing the kicking was unable to kick a goal from the 25 yard line and their chance was lost. The half and game ended with the ball in Idaho's possession near the center of the field.

W. S. C.'s right end was forced to retire about the second half on account of injuries, Small suffered a badly bruised knee, and Johnson and Elton were badly bruised up. Outside of a few minor bruises the other members of the team are in fine condition.

## ENGLISH CLUB NEXT SATURDAY NIGHT

Will Give Complimentary Program to College Students and Townspeople

The University English Club will open its year's work with a complimentary evening in the gymnasium next Saturday night, Nov. 21, at eight o'clock.

Invitations have been sent to all college students, and townspeople who are interested in University affairs.

This is one of the live clubs of the University and to much credit for its success cannot be given to Dr. Moore and Miss Soma, the founders of four years ago.

During the first year of its existence two plays were given out.—The Smoking Car, and As You Like It. So successful were these that the next year the club staged three Shakespearean plays, Twelfth Night, The Merchant of Venice, and Mid Summer Night's Dream.

Last year under the direction of Dr. Moore and Mr. Tull three more public exhibitions were given. A modern three act comedy entitled "Dick" followed by a farce called "Barbara," were given the first evening. The Education of Giunivere, another modern production was given later, and the last production of the year consisted of "A Cup of Tea" and "The Riglet Idea" a local comedy written by Miss Henderson '09.

The interest taken in these productions was clearly shown by the size of the audience that greeted the club on each evening. The opera house was always packed and at times standing room was at a premium.

The club has been very liberal in the distribution of the proceeds of the plays and in the amount of work that it has done gratis. The Library has received valuable donations, the base ball team has received suits, the '09 Annual was placed on a paying basis and the Senior class play of 1907 was placed in the hands of the Club.

So then we know that a large and appreciative audience will meet the organization on next Saturday. The play to be given is a three act comedy called The Importance of being Earnest, written by Oscar Wilde.
