## WHITMAN WINS

**Borleske a Bright and Shining Star in Saturday's Game—Jewell Played a Great Game—Montgomery Scored for Idaho—Idaho Not Discouraged.**

"It's an ill wind that blows no good," and Idaho's defeat by Whitman on Saturday while coming as a great disappointment to Idaho fans, may have been a blessing as far as showing wherein the team was weak. On the other hand all credit must be given to the Whitman team for playing a great game—their perfect interference, accurate, short forward passes, clean tackling and kicking being prominent throughout the game.

Borleske was the individual star, making quite a number of long runs, beside three long place kicks.

Idaho kicked to Borleske at 2:45 o'clock, who promptly ran the ball back 60 yards before being brought to earth. A series of forward passes

ARMSTRONG

ried the ball to the 20-yard line, where Borleske tried for a place kick, which was blocked, Fritz Lundstrum getting the ball. Idaho was forced to kick, and after running the ball back to the

THORNTON

12 yard line Belt of Whitman made a place kick. Score, Whitman 3, Idaho 0. Whitman was penalized frequently after this for holding and Idaho several times for offside play. Idaho made steady gains by straight football but their forward passing failed almost entirely, and Whitman secured the ball most of the time.

Curtis and Thornton did some excellent tackling and forced Whitman back again and again only to lose the ball themselves on forward passes.

JEWELL

Borleske signaled for a free catch on the next punt and kicked a goal from the 40 yard line. Score, Whitman 6, Idaho 0.

Two more goals from placement by Borleske soon followed, one from a very difficult angle and making the score 12—0 in favor of Whitman. Wilson of Whitman was taken out for slugging notwithstanding his protestations. Half closed with score 12—0.

When the second half started it looked as if Idaho would tear things up by their line plunges, going 40 yards at a clip without a hitch only to lose the ball on a 30 yard line. Soon after Lewis recovered the ball on a fumble and with a clean field made a touchdown. Score, W. 18, I. 0. Mont-

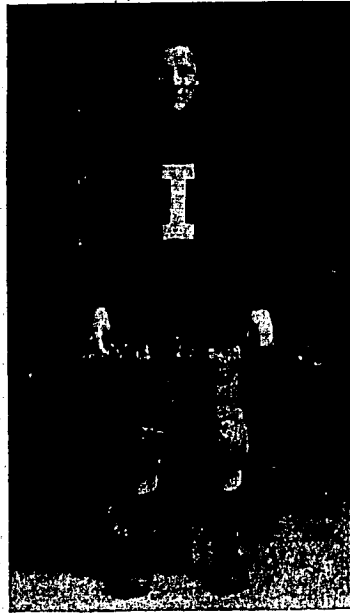

gomery went in to replace Smith and punted to a 55 yard line where Jewell fell on the ball, after an exchange of kicks Borleske secured the ball on an outside kick and skirted the crowd for another 70 yard run and touchdowns. Score, 24—0.

Perkins here replaced Curtis, Barber went in for Hillman, and Bennett for Graves. Idaho blocked a Whitman punt and Monty siezed the ball and ran for a touchdown scoring Idaho 6 points by subsequently kicking goal.

It was a hard fight from hereon against odds. Borleske made another touchdown just before the game closed after running 70 yards and time was called with the score 30—6 in Whitman's favor.

This game should by no means dishearten Idaho fans and we want to hear nothing but boosting for the team and for Coach Grogan. The condition of the men has not been the best and there have been many things to contend with.

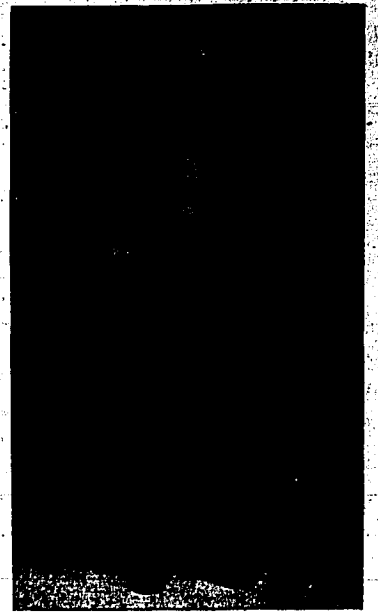

W. S. C. now feels confident of beating Idaho but they have felt that way before and gone home dissappointed. Notwithstanding the outcome of Saturday's game, Idaho will win from Pullman or it wont be because our hard working little coach and our loyal team didn't "give 'em all they've got." Everybody boost!

### Dean and Mrs. Elliott Entertain.

Dean and Mrs. E. E. Elliott gave an informal party on Friday evening complimentary to the faculty and students of the Agricultural college. Mr. and Mrs. M. E. Lewis and Mrs. James A. MacLean were also present. Guessing games proved to be the chief amusement of the evening and afforded much pleasure to the participants.

Late in the evening dainty refreshments were served, after which the guests departed hoping to be so fortunate as to be able to attend many such affairs.

Preaching service at the Grace Baptist church both morning and evening on Sunday. Rev. Powell, a man of power and filled with the spirit, will preside. Students will receive a cordial welcome.

### Debate News.

Preparations for the Triangular Debate try-out will begin in earnest very soon. The subject for debate has been chosen. It is "Federal Incorporation of State Corporations." Three wordings of the question have been received and will be voted upon by the debate council some time this week.

All students who wish to enter the try-outs are urged to enter Professor Hulme's class if possible.

Again we want to urge upon every student, man or woman, who ever had any aspiration to be a debater, to enter the try-outs this year. Two of the six places are to be filled with entirely new men. And none of our old debaters have had so much experience but that a man who has done any debating in high school has a fair show against them. Therefore new men must not hold back for fear their chances are too slim. At any rate show your spirit by trying.

Washington State College will have only three debaters this year. She will meet Whitman, Montana, and O. A. C. In the Montana debate there will be only two men on each side. But contrary to the statement of The Evergreen this will not be an innovation in northwest forensic affairs. Utah and Idaho used to meet on the platform with teams of two men each.

Oregon has a new debate coach, Mr. Gustave Buchen, a graduate of the University of Wisconsin, upon whom she builds high hopes. Great preparations are being made at Eugene. Oregon is fortunate in having a man whose entire time and energy are devoted to debate. This is only one of the several ways in which Idaho is handicapped in debate work in comparison with Oregon and Washington.

Whitman applied for admission to the big tri-state debate league. Idaho gave her consent, provisionally, upon the consent of Oregon and Washington. Our sister state universities, so we understand, declined to accede to the request. Last year Whitman backed out of her annual debate with W. S. C. There are many of us at Idaho who would like to see the Whitman-Idaho debates renewed. Unless we are mistaken, Whitman and Idaho were the first colleges to engage in intercollegiate debate in the Pacific Northwest.

### For Sale.

Complete line of household furniture for sale at 116 N. Polk Street.

Every reason to feel gratified with the university exhibit at the Inter-Mountain Fair at Boise was shown by the officers in charge who attended. Interest and even enthusiasm was expressed on all sides and surprise was manifested by very many people who seemingly had been too busy to keep abreast with the progress and high rank of the work done at the State University. Without question a large majority of the Idaho people who visited the fair were not conscious of the wide range of subjects covered by the practical courses offered under the management of the university faculty.

It was for the purpose of enlightening the general mass of the people along this line, as well as to advertise the state educational institution that the earnest effort was made to install this exhibit. Hundreds expressed their satisfaction over the fact that the University of Idaho is keeping well alongside with her sister institutions in educational matters.

The exhibit consisted of a full and well arranged display illustrating the subject of dairying as taught in an educational manner. This in charge of Professor J. H. Frandson who personally interviewed hundreds of people eager to learn the better ways for practical application.

The chemical analysis of grains and flours was shown and explained by C. W. Colver, assistant agricultural chemist. This part of the exhibit also contained samples showing the typical soils of the state and their values and possibilities were explained to many people.

The Domestic Economy department in charge of Mrs. J. L. K. Haner, made a large display of its work. The arrangement showed the subjects embodied in its graded four years course offered to women students. The garments and articles displaying various technical skill were much more appreciated when it was explained that their educational value, in eye and hand and mind training, as their first importance and that the primary aim was to develop the powers of the young woman for the duties of the home and to fit her for the high calling in that position and give her ability to better fill the place allotted to woman. Notice was also given that attention was shown to those wishing to prepare themselves for teaching the subject. Many points were carefully explained and hundreds of questions answered. In honor of its excellent worth as a subject for higher education the department of Domestic Economy was awarded a trophy as first premium by way of a beautiful engraved silver cup.

Interest general and particular, which was aroused in each department was very gratifying, proving that the exhibit on the whole, was well worth while and an acknowledged success.

Carrie Horton, '13, who was taken to the hospital Friday, is much improved.

Beryl Johnson, '11, will depart for her home at Coeur d'Alene Tuesday. She expects to be absent from college about a week.

On Sunday evening, October 31, will occur the monthly sacred concert at the Presbyterian church, to which all are welcome.

## NEWS FROM WASHINGTON.

### W. J. Bryan Addresses Students—University Day at the Exposition—Athletic Prospects Not Promising.

(By Jack Hensley, Special Correspondent.)  
Seattle, Oct. 16.—Today, the last day of the Alaska-Yukon-Pacific exposition, marks an epoch in the history of the University of Washington, for when the lights are switched off at twelve tonight, Washington will formally inherit all the landscape gardening, all the walks, and most of the buildings left by the big fair. In other words, the local institution will receive the largest single heritage of buildings ever conferred on a university.

The past week has been an eventful one. On Tuesday, at the special request of the student body, William Jennings Bryan spoke to the assembled students from the steps of the Administration Building. He exhorted students to a life of good citizenship, and to greater faith in themselves and in the government. He discussed no political questions. Wednesday was University of Washington Day at the exposition. At ten o'clock the men lockstepped from the main building to the gates of the fair grounds, forming a line extending from 41st street to 45th. An assembly was then held in the big Auditorium at which President J. E. Chilberg formally presented the institution with any and all of the exposition buildings that the board of regents might wish to retain. In the afternoon, a Calithumpian parade was held on the grounds. Later a local talent vaudeville program was rendered in the Auditorium. As a part of the show, the sophomores sent a couple of Igorotte tots across the stage clad in freshmen caps, and little else. The freshmen retaliated by exhibiting a donkey wearing a sophomore hat and a blanket labeled "12." The infant class then defeated the second year men in a huge tug-of-war.

At night a shirt-tail parade went down Pay Streak. Practically every concession on the amusement street was thrown open to the Washingtonians. The Spanish Theatre gave a special performance for the collegians. Only at the Streets of Cairo were the students treated discourteously. After half of the band had passed through the entrance the gates were forced shut and a stream of water turned on the penned-up revellers. The Orientalists in turn were then pelted with lemons, potatoes, and antique apples. Later the drenched students routed the spielers and showmen that were attempting to draw a crowd, by turning a huge fire hose on the village from the vantage point of the Igorotte exhibit. This was the only act of rowdiness of the day. While this celebration was going on, the "parlor athletes" were enjoying a formal ball in the Washington State building.

The week ends with a football game this afternoon, between the varsity and the Cruiser Milwaukee.

Registration figures to date show an increase of thirty per cent over the total matriculation of last year. There are fewer old students missing this

year than for several college generations. The freshmen class is the largest in the history of the institution, being forty per cent larger than that of last year, heretofore the record holder.

Athletic prospects at Washington are not practically promising. Of last year's football team that won the Northwest championship, three giant linemen were lost by graduation. No candidates have yet turned out that can satisfactorily fill the places. Taken all through, the candidates are of only average ability, and if the team is to make a creditable showing it will have to depend upon trick plays and the performance of a couple of stars.

### FOOTBALL TEAM FORMED.

#### Enthusiastic Meeting Held by Former Pigskin Heroes.

At a most enthusiastic meeting held at the Y. M. C. A. Monday night it was decided to organize a football team to meet the University of Idaho. Howard Stein was chosen manager, Ray Boggs captain and H. E. Waterbury, who coached on the Yale freshmen team last year and who is a famous fullback, was selected to coach the team.

An advisory committee was selected consisting of Lieutenant Rudolph Smyser, John A. Regan and C. F. Easter. The first practice of the team will be held next Sunday morning at 10:30 o'clock and Monday, Wednesday and Friday evenings at 5 o'clock.—Boise Statesman, October 12, '09.

If Graham doesn't cut your hair we both lose.

#### Faculty Entertained.

Mesdames Lewis and MacLean entertained the faculty members at Ridenbaugh Hall Monday evening.

The decorations consisted of the chrysanthemum and the gaily colored foliage of the barbary bush.

In the receiving line were Dr. and Mrs. MacLean, Mr. and Mrs. Lewis, and Dean French.

The early part of the evening was spent in greeting the new members of the faculty. An interesting program was given by Prof. Cogswell, Miss Broman, Miss Caldwell, Miss French and Mr. Hulme.

A dainty lunch was served during the course of the evening.

If Graham doesn't cut your hair we both lose.

**Athletic Notes.**  
At the meeting of the athletic board the following officers were elected: Clarence Edmundson, president; Keifer Denning, secretary; Louis Jessup, treasurer; Lloyd Fenn, executive committee.

By request of the football manager a petition was addressed to the faculty, to have the date of the W.S.C.—Idaho game changed from Saturday Nov. 6 to Friday Nov. 5.

Messrs. Savage, Brown and Gwinn were appointed ticket collectors for the year and Herbert Wadsworth was appointed field manager. The position of field manager was created in order to lighten the work of managers. This officer has the responsibility of arranging the grounds for athletic contests and keeping the grounds, fence and grandstands in repair.

Last Friday the faculty granted an afternoon labor day and as a result we have 192 feet of new sectional bleachers. The sections can be moved to any part of the field as occasion demands, at present they are placed within the track. The sections are 14 feet long and will seat 80 people.

A meeting of those interested in tennis has been called for by Prof. Ax tell and it is hoped that an organization will be perfected. The most enthusiastic players are looking forward to meeting Whitman and W.S.C. next spring. The athletic board will be asked to appoint a manager and assume part of the responsibility of this form of sport.

Nearly \$200 has been expended this fall on improvement on the new athletic field.

Who has charge of naming Idaho's new athletic field? If it is to be called "Idaho field" let us have that name sanctioned by the student body or if some other name is to be adopted let us get busy and do so.

To Spokane and return \$3.35. Everyone should be on deck.

A shake-up has occurred in the football team. The most important is the shifting of Lundstrom to quarter.

The cross country club is now trying to arrange a local meet to be held the latter part of November. It is the intention of the club to offer a cup to the winner and suitable medals to others who win places.

The Lewiston high school football team under Coach Small has been making a very creditable showing this season and "Red" is to be congratulated on his success.

One defeat doesn't worry Coach Grogan and his men, they still have a big chance for a successful season, and the way they are working now shows that they have the spirit. So we must not let our enthusiasm lag but keep on boosting and show the true Idaho spirit.

The students of the U. of O. have petitioned the board of regents of that institution to name their new gym Hayward Hall. If this petition is granted it will be a lasting tribute to

Trainer "Bill" Hayward and his success while at Oregon. Mr. Hayward has been largely responsible for Oregon's athletic victories and if the petition is granted it will be an honor justly conferred.

Let the halls of the Ad. building ring with the Idaho yell every hour this week. It is a good way to get your lungs in shape for the Washington game.

Don't forget it. "We'er right behind you Captain Stokesbury."

All credit to Jewell for blocking that punt and keeping those Whitman men away from Montgomery and the ball.

It won't spoil the decorations on your wall if you take down that Idaho pennant and bring it to the games.

Idaho appreciated the impartial rooting of the Pullman student at the Whitman—Idaho game.

The girls have started basketball work. They should be encouraged and a schedule of games arranged. Idaho has been slow in arranging athletic contests for its co-eds.

Bear stories from Washington are amusing. "Coyle given a leave of absence. Grimm told to retire, Muckle-

stone and Eakins in the hospital and the second team to play the collegiate schedule." Dobie should be given the blue ribbon for press agent activities.

Did you ever hear anything like this before. "We will beat Idaho 60 to 0." Sounds like a noise from Pullman.

To the victor belong the spoils. Borleske has them coming.

Coach Grogan says that Miss French understands the needs of a training table and that the best is always on the top.

Our watch word is "We are right behind you Stokes" and not "Watch Grogan's Giants muss Blanchard's Babies." Remember that manager.

Get the habit. Shave at Graham's barber Shop.

Don't forget about the Merry Milkmaids. A definite announcement will appear soon.

Don't forget to have a health certificate from Dr. Kanaga.

## Adopts Classified Honor System

In order to promote scholarship, the Faculty of the University of Idaho on Nov., 12, 1908 adopted a classified honor system.

Honor lists are published annually for each class. The award of these honors, is based on the work of the preceding year, except for final honors, in which is included the work of the entire course. In addition to the required grade of work, the award of Highest Honors is conferred only upon candidates who have performed the work of the Junior and Senior years in residence at the University of Idaho and have shown a capacity for intensive work.

### Student Farmer Offers Prizes.

The Idaho Student Farmer is conducting a campaign for increasing its circulation in the vicinity of Moscow. A set of valuable prizes, which are displayed in Hodgins window, are being offered to the three persons securing the largest number of subscribers before the close of the Thanksgiving holidays. The first prize consists of a \$7.50 buckskin Idaho sofa pillow. It is a beauty and has already caught the covetous eye of many of the U. of I. girls. The second prize is a \$5.50 gold and pearl-handled umbrella. And the third is a selection of pennants consisting of one Harvard, one Yale, one Cornell, one Princeton and one Idaho, valued at \$4. In addition to the prizes the Student Farmer is offering 25 per cent commission on all subscriptions taken. This is a good chance to earn a little spending money, even if a prize isn't won, and the editor of The Argonaut is instructed to refer anyone wishing to take the matter up to February, 1911, or Lyman.

### Lawrence Gipson Married.

News has just been received of the marriage of Lawrence Gipson '03 to Miss Janet Reed of Boise on October 6th. Mr. and Mrs. Gipson will make their home in Caldwell after November 1st.

Mr. Gipson was a prominent student while in the university and the Argonaut wishes him much happiness.
