## MILITARY BALL

### Sixth Annual Military Ball a Great Success.

Friday evening, February 11, in the College Armory was held one of the prettiest dances ever given by the University Battalion of Cadets. The decorations were especially artistic. A large flag was suspended from the center of the Armory from which streamers of red, white and blue paper were tastefully draped to the balcony. The corners of the hall were screened off with evergreens behind which were the most inviting cosy corners. The shading of the lights and the Japanese lanterns added to the beauty of the effect. This was indeed the best attended party ever given in the Armory. The cadets are to be congratulated on making the evening highly enjoyable and one long to be remembered by those fortunate enough to be present.

The patronesses of the ball were, Mrs. A. W. Smith, Miss Permeal French, Mrs. E. D. Kanaga, Mrs. J. H. Campbell, Mrs. J. H. Forney, and Mrs. Warren Truitt.

The Cadet Battalion wish to express their gratitude to the Boston Store which furnished the couches for the ball and refused to take any pay for the use of them.

## THE DOLL'S HOUSE

### Cast Dhosen.

The cast for the Doll's House, which will be produced in about two weeks, has been chosen and is as follows:

Torvald Helmer, Wendell Phillips, '13.

Nora Helmer, Elsie Larson, '10.

Dr. Rand, Floyd Quinby, '12.

Nils Krogstad, Frank Stewart '10.

Anna (servant), Florence Sprague, '10.

The Helmer' Children. Ivar Bayard Hodgins

Emyln, Susan Smith

Bob, Tom Owens.

Mrs. Axtell Addresses Y. W. C. A.

The Y. W. C. A. were greatly favored last Thursday by a most inspiring talk by Mrs. Axtell on "What the Young Women's Christian Association Can Mean." A large number of girls listened with interest to her anecdotes of personal experiences in the association at the University of Chicago and of what it stood for in that larger institution. Girls! You who did not come missed a treat.

## EXECUTIVE COMMITTEE MEETS

### A. S. U. I. to Have New Constitution

Last Wednesday a meeting of the A. S. U. I. Executive Board was held. The usual number of bills were allowed to the different departments. Then the Committee adopted a plan suggested by Professor Soulen of allowing bills only on the presentation of a voucher stating from what department the bill or bills are presented and how much the amount and signed by the chairman of the department committee certifying that the bill has been approved by the department. Heretofore the only safe way the committee has had of granting money was by requiring the department to show bills or receipts for the amount asked for. This worked a hardship on some of the managers, who sometimes had to borrow money to pay the bills. Moreover, under this method the committee had no effective way of recording the expenditures. Under the new method the vouchers will be kept on record by the Treasurer of the Executive Board. But the most important action taken by the Board was the appointment of committees for the revision of the constitution. At a recent A. S. U. I. meeting the students delegated to the Executive Board the duty of framing a new constitution. The Board had already begun work along this line. But now they have begun in earnest and expect to have a new constitution to submit to the student body in a short time. The Board was divided by the President into committees of one, each one to look up the way in which some special department is governed at different Universities. These committees will be expected to have reports ready by the first of next month, when a long session of the committee will be held to draw up the document.

### Track Coach Secured.

Ernest Griner, track manager, announces that Mr. Vandaveer, who coached our track men four years ago, has been engaged for track coach next spring. Mr. Vandaveer was very much liked when at the University and was an able coach, turning out a winning team. Many old students will be glad to hear that he is again connected with the University.

## NEW BASEBALL RULES OUT

### Several Important Changes in Baseball Code.

'Silk' O'Loughlin, one of Ran Johnson's umpires in the American Baseball League, gives a clear outline of the new rules which will be in effect next season.

He summarizes as follows:

"The coacher's box has been limited so that the coacher can not approach nearer to first base than fifteen feet. The deadline is drawn at an imaginary line directly through first and second base.

"Formerly, when a player, out of position, batted a ball, this was called a foul; henceforth it will be known as an illegally batted ball.

"A batter can not change his position at the plate if the pitcher is already in position.

"The batter is entitled to a base if a batted ball hits the umpire on fair ground.

"If a ball passes the catcher or infielder and touches the umpire on foul ground, runner is entitled to all he can get. There will no longer be any 'dead balls.'

"Runner is allowed three bases if a player on the defense throws a glove or a mask at a batted ball, and succeed in hitting it or impeding its progress.

"Umpire may call game on account of rain when in his own judgment further play is impossible. He needn't wait for spectators to leave the open stands.

"If the umpire be hit by fair ball before ball gets to fielder a man on third cannot score unless forced.

"Substitute players on the bench cannot yell or coach from their position. They will first be warned by the umpire, and if this does not stop them the umpire has power to order all such players to the clubhouse, and if captain should need any of them he shall ring them out as desired.

Every player gets an assist who assists in play, even though he is credited with a putout. Thus a player can get a putout and assist on the same play.

"In overrunning first base batter may turn toward second if he makes no effort to reach that bag"—Student's Herald, Kansas Agr. College.

Ross Rowel ex '08 is a guest at the Phi Delta Theta house this week. Mr. Rowel is an Idaho student who has graduated from the Marine Academy at Annapolis and is now on the U. S. S. Charleston.

## IDAHO WINS

### Varsity Five Victorious Over U. of W.

In a brilliant game of basket ball the varsity five last night defeated the team from the University of Washington by a score of 26—15. Idaho jumped into the lead right at the start and were never headed, the first half ending 20—11.

Lundstrum at guard played a beautiful game securing four baskets from this position. Tate also played his usual scrappy game. McWilliams was the most consistently brilliant man on the floor, his guarding being clean and perfect although effective at all times. He also worked the floor beautifully and got several baskets from the field. Montgomery got away for some pretty dribbles but the slippery condition of the floor gave him some trouble.

Idaho meets O. A. C. in two games here on next Saturday and Monday nights. Come out and help the team win the northwest championship.

The lineup of last night's game follows:

Idaho	U. of W.
Montgomery	St. John
	center
Lundstrum—Edmundson	Rabel
	Guard
McWilliams	Hinshaw
	Guard
Tate	Clemenscn
	Forward
Pierce—Changnon	Sugg
	Forward
Referee, Hec Edmundson.	
Timekeeper, Fields.	
Score, Idaho, 26—Wash, 15	

## BORAH FUND RECEIVED

### Letter from Senator Borah.

My dear Professor Hulme:—  
I wish you would convey to each one of the debaters my regards and assure them that I have not only a keen personal interest in their work but in their future success. I trust this matter is working out to the satisfaction of the University and is being of some substantial benefit to the institution. I enclose you a check covering the prize for this year.

With very best wishes for you and for the University, I am,  
Very respectfully,  
Wm. E. BORAH.

### Victor Price Debating Society Gives First Program

Last Friday the Victor Price Debating Society gave its initial program consisting of a debate on a subject closely connected with the Triangular. Adams, Stillinger and O'Donnell upheld the affirmative of the proposition that "federal chartering of interstate corporations would work injustice to other states." Clemens Hopper and Boyeson upheld the negative. On the whole the debate was very good. The chief fault to be found with it is that the debate was for the most part on the Triangular question rather than the question assigned. This was due to the fact that all of the men took part in the Triangular try-outs. The judges of the debate were Redeker, Durrie, Buffington, Harris and Price. The decision was 4 to 1 for the negative.

After the debate First critic Tweedy announced the program for the next meeting which will occur February 25. The question will be "Resolved, That the State of Idaho should enact laws providing for employers' liability for all industrial accidents to their employers."

The speakers will be: affirmative, W. A. Brown, H. Bond and O. Price; negative, D. D. Hart, J. Sudweeks and A. P. Becknor.

Phi Delta Theta entertained at a dinner party Saturday evening complimentary to the Lewiston visitors. Among the guests were: Bonnie West, Marguerite Means, Louise Schaff, Zella Morris, Edith McClaren, Katherine Dunievy, Josephine Campbell, Georgia Carter, ex '12, Hattie Palmer, ex '12, Virginia Shearre, Catherine Fix, Gay Shattner, John Phillips, Guy Shattner, Cecil Kite, Henry Cozies, all of Lewiston; Cora Holt of Pullman, and Corinne Robertson of Coeur d'Alene.

Dean Eldridge has the Pass Lists for last semester just about filled out and ready for publication. They will probably be published this year in pamphlet form.

J. L. Rains, '01, announces the arrival of a son, Lewis Jesse, on January 27.

Miss Adele Sharkey, who has been attending the University of Southern California in Los Angeles, has registered in the Freshman class of the University of Idaho.

From "The Doll's House."

Nora—I have had great enjoyment since the Torvald first by my father and then by you.

Helmer—What by your father and me? By us who have loved you more than all the world?

Nora, shaking her head—You have never loved me. You only thought it amusing to be in love with me.

Helmer—Why, Nora, what a thing to say!

Nora—Yes, it is so, Torvald. While I was at home with father he used to tell me all his opinions and I held the same opinions. If I had orders I concealed them, because he would not have liked it. He used to call me his doll child and play with me as I played with my dolls. Then I came to live in your house—

Helmer—What an expression to the world!

Nora, undisturbed—I mean I played from father's hands into yours. You spoiled everything according to your taste and I got the same tastes as yours. I pretended to—I had a room which had dolls' things. When I took dolls with me, I seem to have been living here like a beggar from hand to mouth. I lived by pretending to like the doll Torvald. But you would have it so. You and father were gone and a great house. It's your fault that my life has been wasted.

Helmer—Why, Nora, how unreasonable and ungrateful you are! Haven't you been happy?

Nora—No, never. I thought I was but I never was.

Helmer—No, not happy?

Nora—No, not happy. And you have always been so kind to me. But our home has been nothing but a play-thing. Here I have been your doll-child, just as at home I used to be Papa's doll-child. And the children in turn have been my dolls. I thought it fun when you played with me, just as the children did when I played with them. That has been my marriage, Torvald.

Frazier Gives Address

The Coeur d' Alene Evening Press for February 3 gives a long extract from a speech made by James H. Frazier before the Kootenai County Teachers' Association. Executive Council Meet

Last Monday the Senate Council

held a meeting and discussed  
at some length the possibility of  
postponing work in the Executive  
Council until the beginning of the  
second semester. This would en-  
able it to have another session in  
the fall. As it is now the work  
in the Executive Council extends over  
the whole college year and any  
other session is almost impossible.  
Only six men had taken part in the  
intermediate debate in the year  
of the world conference for a debate  
in 1911 in the fall there would be  
room for at least three more men.

When the 11 men the debate  
Council determined to submit the  
following amendments to the  
Executive Council in the University  
of Oregon and Washington.

That the proposing of a resolu-  
tion be postponed to January.  
That the debate shall be postponed  
at something in May. That in  
discussing the question each mem-  
ber should submit two questions in  
stead of one as at present.

The Senate Council also decided  
to postpone in the matter of  
post-graduate degrees. It would in-  
tervene the term "honorable men-  
tion" as meaning a student  
who has not earned the number of  
credits required for the Bachelor's  
degree. It will refuse to meet  
any degree not fulfilling this re-  
quirement.
