

The University Argonaut

VOLUME XIII

UNIVERSITY OF IDAHO, MOSCOW, NOVEMBER 30, 1910

NO. 11

UNIVERSITY IS REPRESENTED

Nine Members of the Faculty Attend Meeting of State Teachers' Association at Boise.

Nine members of the University faculty attended the meeting of the Idaho State Teachers' Association at Boise last week. The faculty of the Department of Music, and Miss Wold, the lady physical director, went in advance of the others. Miss French and Profs. Tull, Hulme, and Soulen, left Moscow Tuesday morning.

The music faculty gave a concert that was greatly enjoyed and appreciated. It was given rather late in the afternoon and the weather was not the best, but nevertheless it was quite well attended.

Prof. Soulen was honored by being elected to the Executive Council of the Association.

The work of Miss Jean Wold, instructor in physical culture, was much appreciated. She trained, in four practice periods, forty Boise high school girls in a number of folk dances which delighted the large crowd that came to see the exhibition in the gymnasium Friday afternoon. Wonder was expressed by the spectators that such a creditable showing could be made in the short time Miss Wold had to work with the girls.

Promising Athlete Leaves.

Harold Hughart, a member of the freshman class, was suddenly called to his home in Pocatello last week by the death of his father. Hughart was prominent in athletics during his high school days in Pocatello. He also took part in the interclass football games and was responsible for some of the largest gains made by the underclassmen.

He will probably not return to school tho it is possible that he will be back after New Years. The Argonaut wishes to extend to him sympathy on the part of the students. We hope to see him back again as soon as possible.

HARRY CHANGNON
Elected Football Captain for 1911

UNIVERSITY CLUB ACTIVE

U. of I. Club of Boise Elects Prominent University Man to Presidency.

Carl A. Davis is a University of Idaho man who has rapidly gained prominence in the state. At the recent election he received a great majority of votes for the position of judge of the third judicial district, composed of Ada and Boise counties. Shortly before the election he was made president of the Boise University of Idaho Club which has always supported the University, with great loyalty. So the institution has two reasons for being interested in him.

Mr. Davis came to Boise from Missouri in 1884 and grew up on a farm near Meridian. He was educated in the public schools of Boise and Meridian, the University of Idaho, the Columbian Law school and the National University at Washington, D. C., receiving the degree of Master of Law from the latter institution. He practiced law two years in Nezperce and performed legal work in the Bureau of Corporations in Washington about two years resigning in 1905 to practice law in Boise. He has been a member of the state Senate, and introduced the Direct Primary Bill in the legislature, providing for non-partisan judiciary and school officers.

Mr. Davis although he has not visited the University in recent years, still maintains a deep interest in the institution and has expressed himself as being anxious to further its interests through the Boise club.

Seattle has passed an ordinance prohibiting smoking at polling places on election day. The object is to keep the polling places attractive to the newly enfranchised voters.

President MacLean is home from the hospital. He was up at College for a short time Monday.

Who Managed Football This Season

FACULTY CONCERT AT BOISE

Audience Is Enthusiastic—Bad Weather Keeps Many Away.

The following is taken from the Idaho Daily Statesman, of Boise:

"The concert given by the musical faculty of the University of Idaho at the high school auditorium Tuesday evening when they appeared under the auspices of the Columbian club, deserved a much larger audience than was assembled. The inclement weather kept many at home who otherwise would have been there.

The excellent program illustrated the fact that the musical department of the university is a well balanced one, equipped with a splendidly trained corps of instructors. The numbers were all well received and nearly every one was encored, the musicians responding graciously with charming selections, most of them short and snappy.

The opening number was a selection from Beethoven's Sonata in D, for the violin, by E. Hellier Collens, who was accompanied by Miss Fay Hostetter on the piano. Mr. Collens played with much feeling and his three selections were all heartily encored.

Miss Margaretha von Osten's first number, one of the arias from Hayden's "Creation," was sung so easily and with so much force that it charmed the audience. Her second numbers were not so pleasing, although she shows musicianly qualities and her voice disclosed splendid training. Her encore,

THORNTON ALL-NORTHWEST

Portland Oregonian Honors Idaho Man at Right End

The Portland Oregonian last Sunday announced its all-northwest team for this year, giving Thornton a place at right end. The Oregonian is the most influential paper in the Northwest, so its all-northwest team is the one that counts. Thornton played end only in one game this year, that with Whitman, but his showing there was enough to prove him entitled to that position on the all-northwest.

Other Idaho heroes are being mentioned in connection with the all-northwest. Coach McCaa of Whitman names Lundstrum as half on his choice of a team. A number of Idaho men have been given places on the second team. That Williams would have made all-northwest tackle had he been in the last two games of the season seems certain. In the games in which he played he never met a man that he could not handle, and he met some of the best that play the game in this section.

The final result of the season in the Northwest conference shows Idaho a tie with O. A. C. for third place in the number of games won and fourth place by comparative scores. This looks pretty good from where we sit. The other schools in this section have made places below Idaho in the list.

President MacLean is home from the hospital. He was up at College for a short time Monday.

REPORTERS:

Winifred Brown, '13 Mildred Whitman, '14
A. D. Wicher, '12 Jno. W. Borden, '14
Lucile Robards, '14 Geo. O'Donnell, '12

There seems to be a decided change in the standards and ideals in the field of athletics this fall. It is shown by the unworthy spirit which has been manifested at several of the intercollegiate games played this season. The true ideal and the real purpose of any intercollegiate contest is to attain development and proficiency in the sport. It is not primarily to win. Sport for sport's sake is the proper thing, but it seems that some of us are losing sight of this fact. We are inclined to want to play to win, whether by manly sportsmanship or by foul means. And added to this desire we can see the inability of some to take defeat manfully. We certainly hope to see this cease in the near future.

The breach between the University of Oregon and the Oregon Agricultural College seems clearly to be the result of nothing other than jealousy. The defeated students were jealous and the victors were unable to restrain their feelings against their rivals. This shows anything but worthy sportsmanship. The howl raised by the Whitman students after their defeat by Idaho is another example of the same degeneration of standards in ideals and purposes. There are a few signs of the same feelings in the eastern schools also.

Perhaps it would be well to limit the number of intercollegiate contests. Have they not been carried to excess? One thing is certain—we ought by all means to get back to the old high ideals and play for the sport rather than for the victory.

Smokers' Prospects.

Very few people are aware how much harm is done to young men by the almost universal habit of cigarette smoking. The man who smokes cigarettes has one always in his mouth and is continually inhaling nicotine until the system is saturated with the poison.

The result of this practice is a catarrhal condition of the nose, throat and bronchi, a disordered and very irritable state of nerves, a weak and rapid action of the heart and digestion.

Thin, anemic, weak, with clammy hands stained with nicotine poison, unstrung nerves and degenerated muscles the youth of the land go on ignorantly suffering the consequences of a pernicious habit until attacks of heart trouble, nervousness, prostration, mel-

ancholia, etc., bringing their condition to the attention of the physician.—Medical Brief.

A trade journal, "Tobacco Leaf," says that last year the American people smoked 300,000 tons of tobacco. We smoked 7,889,337,000 cigars or 185,000,000 more than the year before. We smoked 3,368,212,000 cigarettes, or an increase of 141,000,000 over the preceding year. The figures for smoking and chewing tobacco are not given separately, but the tobacco we used in these forms weighed 334,489,000 lbs. We also produced, and no doubt consumed, 21,131,000 pounds of snuff.

If the figures given by this trade journal are correct, the amount of money that goes up in smoke in this country is truly appalling.—Ex.

Announcement.

Mr. E. C. Mercer will visit the University of Idaho early in January, 1911. His visit here will be for the purpose of addressing the men of the University upon the importance of Christianity in the college man's life. Last year Mr. Mercer traveled 10,000 miles to visit colleges and spoke to 19,000 college men. He will be accompanied by Mr. C. E. Carter and Mr. Gale Seaman, Pacific Coast Student Secretaries of the Y. M. C. A.

This is the first time that the colleges of the Northwest have been given an opportunity to secure the services of a man of such reputation and ability, though they have for some time past known of Mercer and frequently expressed a desire to have him speak on their campuses.

On Sunday, December 11, the local Y. M. C. A. will have with them Mr. G. A. Forbes, the General Secretary of the Spokane Y. M. C. A.

At 2:30 P. M., in the Association Hall, the men of the University will have an opportunity of hearing a talk from Mr. Forbes upon some phase of the necessity of Christianity in student life. He is a very pleasing speaker, being gifted with a delightful personality and having an air of genuineness in his talk which everyone appreciates.

Faculty Concert at Boise

[Continued From Page 1]

"In the Time of Roses," was a little gem.

Professor Cogswell's appearance was the signal for prolonged applause, his faithful work for 17 years in the university being greatly appreciated. His three numbers were Rubenstein's Etude in C, Leschetizki's arrangement of "Lucia" for the left hand, and Liszt's "Sixth Rhapsodie." The latter was one of the charming numbers of the entire program and held the audience entranced.

Miss Hostetter's interpretation of Chopin's Nocturne, Op. 15, No. 2, was delightful and was played with rare feeling, while Brahms' Rhapsodie in B minor showed not only her excellent technique but her strength as well.

THE BATTALION

Commissions Have Arrived — To be Presented Soon—Card Catalogue Being Prepared.

On account of a misunderstanding of the manufacturers the commissions for the commissioned officers last year failed to arrive till recently. As the failure of the manufacturers made the documents too late for presentation last year the order was held over till this fall and the commissions for the officers this year were included.

The first time the weather permits a parade will be held and the commissions will then be presented. Those officers who are not here this year and to whom commissions are due from last fall will receive them thru the mail. If the weather should not permit a parade the presentation will take place in the new gymnasium as soon as the building is completed.

The commissions are signed this year by President MacLean and Lieut. Smith.

The commandant has detailed Geo. Donart on special duty in the office. This duty consists of making a card catalogue which will give a record in the military department of every student who has ever been a member of the battalion since its organization. This is a tremendous task to undertake but owing to the faithfulness of Mr. Donart the record is expected to be completed by the end of the year.

Indoor Meet

Physical director Van der Veer has announced the first indoor tract meet and tournament to take place in the gymnasium, a week from next Friday evening. The program for the evening will be as follows:

25-yard dash, handicap.
Tug-of-war, 600 lb. teams between classes.
Basketball.
10-lap relay race, 5 men on teams.
Half-mile run, handicap.
The first and last events will be for individual competition. The others will be between teams representing classes. Probably the Preps will be in the basketball game.

Bertha Leighton and Jewell Bothwell entertained at a chafing dish party in honor of Grace Crowell of the Lewiston Normal Saturday evening. The boys proved themselves very able assistants in making fruit salad and rarebit. The majority present were students from Weiser and a very enjoyable time was spent in talking over old times and singing songs. The guests were: Grace Crowell, Ethel Bohrer, "Jack" Wheeler, James Harris, Carl Paulson and "Teddy" Watts.

Boys get your hat at the Hub. The price is only half.

Alfred Kettenbach, '11, was in Lewiston last week.

Miss Imogene Mitchum went to Spokane for vacation.

Rose Sieler spent last week at her home in Spokane.

Lorena Dartt spent the holidays at her home in Palouse.

Elsie Larson visited in Boise during Thanksgiving vacation.

Oral Howard spent Thanksgiving at her home in Lewiston.

The Junior Prom is next Friday night, Dec. 2. Everyone come.

Dorthoy Boville spent Thanksgiving at her home in Bovill.

The "Dorm" girls had a very enjoyable Thanksgiving dinner.

Miss Crowell, of Weiser, visited Miss Jewell Bothwell over Thanksgiving.

Harry Bond, '12, (Law), went to his home in Sandpoint for the holidays.

Ursel Strohecker '13 visited with her parents in Garfield last week.

Miss Margaret Keane and Miss Mabel Kennedy spent Thanksgiving in Genesee.

Miss Harriet Bolger spent her Thanksgiving vacation at her home in Spokane.

Miss Sweet took Miss French's place at the "Dorm" during her absence.

Bessie Perkins '12 spent the Thanksgiving holidays at her home in Lewiston.

Miss Minnie Kiefer, '11 spent Thanksgiving in Spokane with Miss Mary Prather.

Miss Maude Bonham returned from her home in Wardner, where she spent her Thanksgiving vacation.

The Misses Ivy and Ioy Curtis were guests at the Beta Sigma house for dinner Sunday.

Miss French left last Tuesday for Boise where she attended the State Teachers' Association.

Adele Chamberlain '13 and Mahello Rudesill '14 went to their home in Sandpoint for Thanksgiving.

Mr. Bennet and Mr. Jordan visited at the homes of James Gwinn and Wallace Sthroecker in Garfield over Thanksgiving.

The Phi Delta Thetas entertained Miss Gretchen Zumhoff, Miss Ida Walker and Miss Margaret Stolle at dinner, Sunday.

The Beta Sigmas entertained at dinner Thanksgiving day. There were about thirty present and an elaborate dinner was served.

It is reported on good authority that Miss Bertha Leighton and "Teddy" Watts were out one afternoon last week inspecting houses for rent.

Miss Grace Crowell of the Lewiston State Normal visited Jewell Bothwell '12 at the Beta Sigma house during vacation.

Ernest Jewell, ex-'12 (Law), and wife are in the city for a few days. Jewell played center on the Varsity football team for two years.

Miss Salina Sapp, from Cheney, Washington, was a guest of Eva McFarland, '12 at the Beta Sigma house during vacation.

Miss Elizabeth Dunn and Miss Veronica Folley returned from their Thanksgiving vacation at their homes in Coeur d'Alene and Wallace.

Mae Castello left for Arizona a week ago today. She will stay during the winter. The Preps gave her a little surprise party before her departure.

Miss Sweet entertained at a dinner party Saturday evening. After dinner, the remainder of the evening was spent at cards.

The Theta Mu Epsilon fraternity entertained Miss Constance Henderson, Miss Marguerite Allen and Miss Gladys Lessinger at dinner, Sunday.

Captain Stokesberry, '10, was in Moscow during the holidays. Stokes is enjoying his work of teaching and coaching athletics at Lapwai this year.

Mrs. William Henry of Walla Walla and Miss Arline Kees from W. S. U. were guests Saturday of Alice Cooper '14 at the Beta Sigma house.

Miss Ella Woods entertained at a dinner party Friday evening. Her guests were Linda Rae, Inez Clithero, Ira Tweedy, Wm. Pierce, and George Rember.

The Dormitory girls gave their annual Thanksgiving party Friday evening. The evening was spent in dancing and a very enjoyable time is reported by all.

Every one was seated at one long table and entered heartily into the spirit of the day. After the last course was served, toasts were given by a number of those present. Miss Ella Woods presided as toast-mistress.

The dance given the Juniors by their patron and patroness, Lieutenant and Mrs. Smith, was one of the most enjoyable events of the season. The only thing to be regretted is that there were not more of the Juniors present.

Most delicious refreshments were served, consisting of ice cream and cake. Everyone had an exceedingly good time.

The Gamma Phi Betas entertained at dinner Thanksgiving. The color scheme of red and white was carried out throughout the dinner, from the red candles which furnished the light to the hand drawn place cards which were tied with red ribbons.

In the center of the table was an immense big pumpkin upon which sat an old witch driving two big turkeys by means of red ribbon lines. The dinner was elaborate and enjoyed by all.

You will find the best shaves and haircuts that are manufactured at the Hotel Moscow Barber Shop.

Coat, trousers and combination hangers at Schwarz, the tailor.

O. A. C. SEVERES ALL ATHLETIC RELATIONS WITH U. OF O.

Snatching of Pennants and Colors and General Rivalry Leads to Breach.

As a result of the charges made by the University of Oregon against the students of the Oregon Agricultural College after the football game played in Corvallis on November 12th, the student body of the Agricultural College has officially decided to sever all athletic relations with the state university. The entire trouble seems to have begun with a little friendly display of rivalry after the game, which was won by the team from Eugene. For over a week, reports appeared in the daily papers of Oregon, and the Oregon Emerald also took an active part in the fray, casting discredit on the standing of O. A. C., and openly accusing the Corvallis students of disgraceful rioting and of mobbing the Eugene crowd.

The reports in the daily papers aroused some ill-feeling on the campus of the Agricultural College and indignation rose to the boiling point when the Emerald appeared with an editorial strongly denouncing O. A. C. and expressing great dissatisfaction with the treatment received in Corvallis. From all appearances, these reports were greatly exaggerated and were the result of prejudice rather than actual occurrences.

There seems to be a sort of an epidemic of ill-feeling aroused by football games this season. Our rivals at Walla Walla were unable to stand defeat and permitted weak accusations to appear in their college publication. We are waiting expectantly to read their report of the Thanksgiving game with W. S. C.

The University of Iowa raised a protest over the hilarious manner of the Missouri students after a big football victory over the former institution. And the two rival state colleges in Oregon have gone further yet and even broken all athletic relations. This must be a new era in football.

Dean Carlyle Gone to Chicago

Dean W. L. Carlyle has gone to Chicago where he has been appointed a judge at the International Live Stock Exposition held at the Union Stock Yards, November 26th to December 3rd. The Exposition was organized in 1898 and Prof. Carlyle has judged horses there every year since its foundation. This is a record held by no other man. This year he judges Belgians, Clydesdales, Champion Swine, best general exhibit in Clay-Robinson specials, also wines in Clay-Robinson specials.

Dean Carlyle has judged in all the leading expositions of the country—the Pan-American, Char-

leston, St. Louis and New York Horse Show. He was superintendent of the live stock department at the Alaska-Yukon-Pacific Exposition at Seattle in 1909.

How Lovely!

When the lights are low and you're whirling in a hazy dream to the dulcet strains of the Mayor's waltz, young fellow, do you know that the scented zephyr which intoxicate your soul is sold at two bits an ounce at all drug stores? As the music ebbs and flows the 150 pound bunch of sweetness divinely clinging to your arms is about 96 pounds water, 35 pounds fat, not over a pound of common glue, while there isn't enough sugar to make a pound of Lowney's chocolates. Add to this 3 pounds of white of egg, 8 pounds of phosphate of lime, 8 oz. chloride of calcium, 6 oz. phosphate of magnesium and a pinch of ordinary table salt; dress it up in stays, gogaws and a small amount of fluffiness, and you have her, freckles and all.

Kappa Sigma at Home.

During the Thanksgiving vacation one of the jolliest "stunts" that took place was a week end party to the Gamma Phi Betas by the Kappa Sigma men at their house. The affair began at two o'clock on Saturday when the girls and their matron arrived for the day. The cooks were dismissed and dancing was combined with preparation of a dinner for thirty to which ample justice was done. The holiday spirit reigned to such an extent that the crowd couldn't hear the idea of its coming to a close that evening so they decided to prolong the party till the next afternoon. Every one was so occupied with cards and music that the evening fairly flew by and was concluded with a series of ghost stories.

The men surrendered the entire third floor to the girls and Mrs. Owens and until some hour in the morning college songs and Kappa Sigma specialties entertained them from the second floor.

The next day, after a waffle breakfast no one could tell where the time went and in the afternoon when the chaperon at last gathered together her unwilling flock, every one agreed that if all house parties were as successful and congenial as this one they would soon become as popular a form of entertainment at Idaho as they are in all other college communities.

Preps Lose Close Games.

Last Wednesday the Prep basket ball team started on its Thanksgiving trip. They played two games, one with Asotin High and one with Lewiston High.

At Asotin the High school won by a score of 19 to 15. The Preps played a hard game and had the

best of it till the last part of the second half. Lewiston High won its game by a score of 13 to 12.

Both games were played under A. A. U. rules which put the Preps at a considerable disadvantage as they had practiced under inter-collegiate rules.

"Con" Robinson was easily the Prep star. He made 21 of the 27

points the Preps got during the entire trip. The Prep forwards did not show up as well as expected as they made only 4 points in the Lewiston game and none at Asotin.

The lineup:—
Therhault and Niles - - - Forwards
"Con" Robinson - - - Center
Pickens and Davis - - - Guards
Arthur Sutton and
S. L. Denning - - - Subs.

DEBATE NEWS

Pacific University has chosen her debaters to meet Idaho. Here is the report of the trial debate as given by the Weekly Index:

"Last Friday evening before an appreciative audience ten loyal sons of Pacific discussed with earnest effort the expediency of the Old Age Pension Law of England. The question, which is to be used in the debates with the University of Idaho, is stated negatively and reads: Resolved, That the enactment of the Old Age Pension Law in England was inexpedient. The results of the tryout indicate that the question is fair and well balanced, for of the four men chosen two spoke on the affirmative and two on the negative. Likewise the two alternates were on opposite sides.

The speakers throughout showed up remarkably well and we may rest assured that Pacific will not lack for winning debate material for many years to come.

Even those who were not chosen for the teams brought due credit upon themselves, and have good prospects for future contests. The contestants represented every class in college.

Those selected for the teams were: Charles Ward '12, Leslie Hope '12, Ralph Abraham '11 and Herbert Schilling '14. The alternates are Howard Taylor '14, and Clifford Rogers '15. The first three are veteran debaters, Hope and Abraham having served twice and Ward once on intercollegiate teams.

It is not known yet how the men will be divided. In the trial debate Hope and Schilling spoke for the affirmative side of the question and Ward and Abraham spoke on the negative.

University Students Leave for Africa—Enter Missionary Field

At 8:30 this morning, Mr. Geo. E. McCreary, '09, and Miss Frances Schick, ex'13, were united in marriage at the home of the bride's parents. The ceremony was pretty but simple and was performed by Rev. D. H. Hare of the Presbyterian Church. It was followed by a sumptuous wedding breakfast.

The couple left on the 10:40 train for Iowa, where they will visit for three or four weeks. Early in January they will sail for England. After a short visit there, they will go to British East Africa to enter the foreign missionary field.

Their many friends are sorry to see them leave Moscow, but wish them a happy journey and pleasant work in Africa.

Students, if you want just a little the best of it try the Moscow Hotel Barber Shop.

See those \$4.00 Men's shoes sold for \$2.85 at the Hub.

Farm Engineering Course Starts Next Week

Professor L. C. Aicher, who will teach the courses in Farm Engineering, has arrived in Moscow and will be able to meet classes next week. Prof. Aicher has had charge of the sub station at Caldwell.

Two carloads of farm machinery has already been unloaded and the building leased for the purpose has been prepared for the accommodation of classes. The courses in farm machinery are to be divided into three parts. The first will be elementary machinery; the second will be a course in harvesting implements and will be a more advanced study. The third division will be given only on condition that a sufficient number of advanced and special students register for it. It will be the study of farm motors and the use and adjustment of the various forms of machinery used on the farm for power.

All this work is to be entirely practical, and practice will be given in handling, repairing and caring for all the machines.

All student officers elected at the Kansas University were non-frat men.

Prof. Gerlough, '09, of the faculty of the Moscow High School, went to Cottonwood for Thanksgiving. He stopped on his way back to visit his sister, who is attending the Lewiston State Normal.

A special tourist sleeper has been applied for to go to Southern Idaho just before the Christmas holidays. It will leave Moscow in the afternoon Thursday, December 22nd. Up to the present date 35 students have applied for berths. The berths are selling at \$2.00 each. Thus by doubling and two persons occupying a berth the cost for the special car is reduced to only one dollar extra. The car will be taken thru to Boise.

The "Weekly Exponent" of the Montana State School of Agriculture states among its inter-collegiate notes that "The Utah Aggies played football with the champion college team of Idaho and won, the score being 44 to 0." We wish to correct this statement. The Exponent is mistaken. They mean the champion High School team of Idaho.

The regents of W. S. C. visited the experiment station at Payallup and after an investigation decided to ask the legislature for an appropriation of \$34,000 to continue the work.

Twenty-one per cent of the women of the University are members of the Y. W. C. A. and twenty-nine per cent of the men are definitely allied with the Y. M. C. A. Twenty-eight per cent of the men of the institution are enrolled in Bible Study classes under the direction of the Y. M. C. A.

Wanted—500 girls to buy shoes at the Hub. Come early and avoid the rush.

If not, why not be a patron of the Hotel Moscow Barber Shop? 3-11

MOVABLE SCHOOL STARTED

Will Be Held in Four Towns Simultaneously, From December 12th to 24th, inclusive—
Speakers to Shift Domestic Science Courses

The Movable School of Agriculture of the University will be held at Weiser, Wendell, Meridian, and Idaho Falls during the period from December 12th to 24th. Different programs will be given in the different towns on the same day, and the speakers who conduct one department will go from one place to the next and repeat their part of the work. In this way the entire program will be given in each town during the same period, but each town will have a different part on the same day.

The Domestic Science course will be given at only two places. These will be Weiser and Wendell. A charge of 50 cents will be made to each lady who takes the course. Admission to the complete course of the movable school is to be \$2.00. The ladies who take the Domestic Science course will be allowed to take the rest of the work of the school by paying only \$1.00 in addition.

At Weiser the secretary of the commercial club has secured the names of over 150 men who have agreed to attend the entire course. Social events and musical programs have also been arranged and the affair promises to be a most interesting one for the people of that city.

The work is in charge of men who are experts in their lines, as are all the members of our agricultural faculty. They will give instruction of the most practical and beneficial kind, and the movable school is destined to become a great influence among the farmers of the state.

Thursday the Beta Sigmas entertained at a dinner party. The guests were: Misses Salina Sapp, Grace Crowell, Messrs. Earl David, Lee, Hays, Lundstrum, P. Perkins, E. Perkins, Wheeler, Harris, Cornwall, Hillman, C. Perkins, Foster, Dipple, Chamberlain, Whitten.

Friday afternoon and evening the Kappa Sigmas entertained in honor of the Beta Sigmas. About three o'clock the upper classmen started to cook dinner. While they were thus engaged the underclassmen enjoyed themselves dancing and singing. Ye freshies and sophs "make hay while the sun shines" for there is work for you later. When dinner was ready some of the freshmen and sophmores waited on table and after dinner the other underclassmen washed the dishes. Part of the evening was spent in taking pictures, the rest of the time in dancing. All the girls report a most enjoyable time.

All kinds of fine dress skirts can be had for much less than regular price at the Hub.
