

The University Argonaut

VOLUME XIII.

UNIVERSITY OF IDAHO, MOSCOW, MAY 10, 1911

NO. 31

AN "EXTRA" WAS PUBLISHED

Four-Page Issue of Argonaut Was Furnished to the High School Students.

An extra issue of the University Argonaut was published last Friday evening. This was the second extra in the history of the paper. It was printed in two colors and contained as the special feature a complete account of the Interscholastic track and field meet. It was sold at the theatre during the evening of the senior class play. A comparatively large number were taken by the visiting high school students who were delighted to receive an extra on account of the track meet. Copies of the paper were carried to almost every part of the state. The circulation would have been much greater if the weather had not been so disagreeable during the evening. It was practically impossible to sell it on the streets because of the rain. To make matters worse, it was delayed on account of several mistakes and was not off the press as early as desirable.

However it was a success. It was carried to high schools over the state and will be a valuable advertisement to the University and it paid expenses financially. So it was well worth the trouble.

WHITMAN LOSES TO IDAHO

Varsity Team Takes Close and Exciting Game From Missionaries—Score 2-0.

Idaho's baseball team left Moscow for Walla Walla last Monday morning and in the afternoon took the first game of the trip from Whitman college. The game was close and exciting thruout. The teams were pretty evenly matched and no scores were made by either side till in the beginning of the fourth inning, Kettenbach got a clean single for Idaho. Conover, at second, in receiving a peg from the catcher missed the ball and allowed Kettenbach to get third. And on a muffed grounder by Conover he came on home. In the eighth Crom got a single and was brought home by a three bagger by Williams, making Idaho's two scores.

Whitman pulled out of some pretty bad holes, one especially with three men on bases and no outs. Idaho pulled out of a similar hole at the end of the ninth, when there were three men on bases with only one down.

Lundstrom and Williams were the battery for Idaho, Bennington

(Continued on page 2)

ANNUAL SENIOR CLASS PLAY WAS A GREAT SUCCESS

All Former Records Broken---Both Performances Well Attended---Audiences Were Delighted.

A shadow was cast over all former class plays given in Moscow by the remarkable success of "Why Smith Left Home" presented by the senior class last Friday and Saturday nights. The crowd which attended the play Friday night was the largest that ever gathered in the Crystal theatre. It was larger than any University play has ever drawn before. The building was filled. Every seat was occupied and many were compelled to stand. The great number who were present can only be realized

when it is understood that more than one hundred and sixty extra chairs were put in the theatre and every available space was occupied.

The crowds enjoyed the performances very much. Friday night's rendition of the play especially kept the entire audience in an uproar of laughter. There was not a dull moment in the whole evening. Each member of the cast got into the spirit of the play and made it extremely lively.

There were nearly a hundred visiting high school students present and the entertainment seemed to exactly suit them. They laughed most heartily at the comic situations and watched the progress of the plot very eagerly. The play was one which would please a crowd composed of fun-loving high school boys and girls. Nothing more appropriate for the occasion could have been found. The visitors sat in the front seats, which had been reserved for them, and certainly enjoyed the evening and appreciated the comedy completely.

The play itself had no particular dramatic value. It was rather a series of humorous situations and cases of attempted deception and mistaken identity than a dramatic production. But it was certainly well suited for the occasion and was thoroly enjoyed by the audiences.

After the last act, the point-winners of the Interscholastic meet were asked to take their places on the stage and amid the enthusiastic applause of the big audience, the cups and medals which had been won during the afternoon,

were presented to the various successful athletes. Coeur d'Alene received the big silver cup as the winning team of the day. The individual point winner of the meet was Phillips of Lewiston and he received the individual medal. The presentation speech was made by Prof. Ph. Soulen, principal of the Preparatory Department of the University. Mrs. M. E. Lewis, wife of the president of the Board of Regents pinned the medals on the various winners.

Towaspeople, faculty and students alike pronounced it the best thing of its kind that has ever been presented by the University students in Moscow. Many of those who saw it Friday evening came again the following night. The extra chairs were removed Saturday and the house with its usual number of seats was well filled for the second performance.

Every member of the cast is to be commended for the hard work put in on his or her part and for the excellent manner in which the part was rendered. All the actors were so nearly "stars" that any discrimination is practically impossible. Each one did his part as well as could be asked.

Financially, the undertaking was a complete success. The seniors are worried with a large debt caused by the annual, which was delivered by the printers too late for distribution and which was not up to standard in printing or binding. But the profits from this play exceeded by far anything any University class has ever undertaken before. The money made by it will reduce the deficit of the class very materially.

The college orchestra and the Kappa Sigma quartette added to the enjoyment of the two evenings very much. No organization in the city can furnish better music for such an occasion than the orchestra. The time between acts was about as pleasant to the audience as the play itself. The Kappa Sigma quartette sang a number of beautiful songs. On both evenings Prof. Tull's new college song,

(Continued on page 5)

THE NEW IDAHO SONG

Professor is Author of New College Song—Music Arranged By an Undergraduate.

The new Idaho song entitled "Alma Mater Idaho" was placed on sale last Friday evening and was sung in public for the first time by the Kappa Sigma quartette between acts of the Senior play on both Friday and Saturday evenings. The song was written by Prof. C. C. Tull, of the department of English. He had been working on it for some time, but only recently got it into such shape that he was at all satisfied with it. Prof. Tull also composed the air, but the music was arranged by Miss Edna Campbell, '13. The piece is very pretty and was extremely well received when sung by the quartette.

The music is also to be arranged for the band. Mr. Ed. J. Carey, leader of the cadet band, is at work on it now. Prof. E. Hellier-Collens will arrange it for the orchestra.

A very attractive cover design is being prepared for the song. It will have a fine picture of the new Ad building on the front and is to be printed in two colors. The song will no doubt become quite popular at Idaho.

ANNUAL BATTALION INSPECTION

Cadets Drill All Forenoon—Demonstration By The Old Guard.

The annual inspection of the cadet battalion began this morning at 8 o'clock. Captain Laubach, of the general staff of the United States Army was the inspection officer. The companies were reviewed and inspected and after some close order drill were sent out on advance guard and patrol work.

At about 10:30 "The Old Guard" made its appearance on the campus. A large crowd had collected to watch this annual display of military genius. The company was larger than it has been for several years, and tho dressed and armed most grotesquely, were very orderly. There were forty-eight men in the company. They paraded across the campus and then marched thru town, where a review took place. Practically the whole crowd of spectators followed them from the campus.

The "Old Guard" has become traditional at Idaho. It was started by the boys who returned to Idaho from the Spanish-American war. Each year since then the upperclassmen have celebrated in honor of the occasion in a similar manner on the day when the annual inspection of the Cadet Battalion takes place. It is in honor of the

June 14, Commencement.

A CONSISTENT WORKER.

Let us honor the man to whom honor is due. The Interscholastic meet is over and it was a big success. To whom is the credit due? There are several who worked hard and steadily to make the meet possible and to make it successful, but the one who did most is Evan T. Sage. He worked night and day on it for weeks. His efforts were untiring and the satisfactory results are due very largely to him.

Prot. Sage corresponded with the various schools and succeeded in making arrangements whereby over a hundred and sixty entries were made. About a hundred and twenty of these actually came to Moscow and took part in the meet. This work was tedious and required perseverance and persistence. It was well done and the entire University owes Mr. Sage a hearty vote of thanks for his constant efforts and consistent work.

WE APPRECIATE IT.

The Moscow and Rural Telephone company showed itself to be the right kind last Friday when it provided us with a special telephone on the athletic field. Mr. T.A. Meeker, the progressive manager of the company has been making some marked improvements in the system recently and we were furnished with the best of instruments and the best of service. This was freely given and was an invaluable aid to us in putting out the extra issue of the Argonaut right after the meet.

We appreciate this generosity and wish to publicly thank the company for its kind help. The service was rendered to the Argonaut, which is the student paper, and thus was rendered to the entire student body. The University as a whole owes the company a vote of thanks and we hereby express our appreciation on the part of the whole student body.

C. C. TULL

Author of the new college song, "Alma Mater Idaho."

Cadets Contribute Liberally.

The cadets donated all the money due them as a refund on the deposit made for encampment to the fund which Coach Van der Veer and others are attempting to raise to pay off a debt of about three hundred dollars on Lewis hall. The amount donated is something over one hundred dollars and will be an important addition to the fund.

Sophs Will Stage Play.

The Sophomore class is planning to put on a play during commencement week to take the place of the Senior play which was held last Friday and Saturday nights. A committee appointed by President Cornwall has selected "The Royal Chef" as being the most suitable production. The play will be managed by James Watts and Hallard Foester who are also on the business end of the 1913 Annual for next year.

The high school track team from Kellogg which entered the Interscholastic meet was badly handicapped by the fact that the mumps got into their midst and kept most of the men at home. Oliver Price, ex-'11, is coaching them and expected to come to Moscow with them, but unfortunately the troublesome disease attacked him also. Only about half the team came.

The proof of the "Gem of the Mountains" has all been read, and the book is now in the press. Business Manager Wicher is making an effort to put the annual in the hands of the students by May 15th as was originally scheduled.

Missionaries Lose to Oregon.

By the uneven score of 103 to 37 the U. of O. track team swamped the Whitman team at Eugene. Time in the races was very slow. Neil's performance with the javelin was remarkable. He won first place in the javelin throw in the Pacific Coast meet at Berkeley two weeks ago.

Oregon meets Washington in track next Saturday.

Kept Her Guessing.

"Pop, tell me some conundrums."
"Conundrums? Why I, dont know any conundrums, my son."
"Oh yes, you do! I heard mother tell Aunt Mary the other day that you keep her guessing most of the time." — Paok.

(Continued from page 1)

and Johnson for Whitman. Lundstrom allowed three hits, three walks and struck out nine. Bennington gave five hits, one walk and struck out five. Six errors are chalked up against Whitman to two for Idaho.

As we go to press no report of the second game, played yesterday afternoon has come.

The boys play O. A. C. at Corvallis this afternoon.

Biology Club Picnic Saturday.

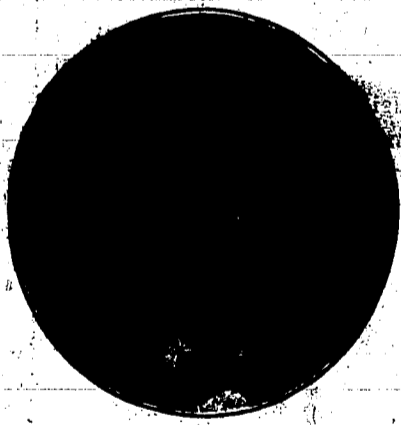

The Biology club is preparing to take a trip to the summit of Moscow Mountain next Saturday. This is an annual affair. The members of the Biology club go on a picnicing trip about this time every year. The club is one of the largest and most active organizations in college.

The day will be spent in collecting and examining biological specimens and in having a good time together. Prof. Aldrich always manages to make these trips very pleasant events in the memories of his pupils.

The date of the Whitman-Idaho debate has not been definitely arranged. It was to have been next Friday, but it has been changed. It may be held a week from Friday.

REPORT ON LEWIS COURT

Shows Small Deficit—Building Erected Almost Entirely by Private Subscription.

Mr. Van der Veer has completed his report of the financial condition of Lewis court. Mr. Van der Veer has attended to the solicitation of funds for the new building, as well as overseeing the whole matter, and has given the University one of the most needed additions to its equipment. In making his report Mr. Van der Veer speaks very highly of the assistance received from President MacLean, who has been behind the movement from the first, and has used his energy and influence constantly in bringing about the successful completion of the project. He also speaks of the liberal contributions received from such men as M. E. Lewis, Jerry Day, ex-Governor Brady, Mark P. Miller and Judge Steele. These men have given willingly, though they are making no profit from the University. Mr. Lewis gives the largest gift, having donated \$800. Jerry Day gladly added \$200 to the fund, proving himself a friend to the University with his means as well as with his fists.

Lewis court has been in constant use since before it was finished. The unfortunate wrecking of the uncompleted structure last fall, prevented its use in the early part of the winter, but it has since given good service. The battalion was the first to use the building. The cadets have been saved many a wet drill by the use of the big house. The baseball and track men have made good use of the large floor. "Vandy" has got his men into shape with only a few trips down to the field. The large room was prepared for Roosevelt's reception in case of bad weather, and is used for many occasions, such as the Prep. play, etc.

Mr. Van der Veer's report shows a small deficit. The battalion last week voted to turn over the remainder of the encampment fund, amounting to \$100, to the building. In soliciting the fund for the building each member of the faculty was asked to contribute \$10.

With very few exceptions this request was complied with readily. Some of the faculty are yet uncertain, but all will probably be included in the list before the end of the year. The sororities will also be asked to contribute. The fraternities have given toward the fund, with the exception of the lately organized Zeta Delta frat, which was not in existence when the requests were made, but which, it is understood, will give its share.

The building is not entirely completed. Work remains to be done on the floor and the exterior of the building will also be stained. The building is to be colored dark green and brown, with the beam work in relief.

The report is as follows:

COEUR D'ALENE WINS INTERSCHOLASTIC MEET

"Hec" Edmundson's Team Defeats Lewiston by One Point---Boise Wins Third Place---Phillips Star.

Coeur d'Alene.....	33
Lewiston.....	32
Boise.....	28
Collax.....	10
Moscow.....	9

Wallace.....	1

The track team of the Coeur d'Alene High School won the interscholastic track and field meet here last Friday. This speaks well for their coach, "Hec" Edmundson, Idaho's great runner and a graduate from the U. with last year's class. He has coached the team all through the year, for all branches of athletics from football to track and the results of the contest today show how well he has succeeded.

The winner of the individual medal is Phillips of Lewiston. Phillips is an unusually well proportioned and well developed athlete. He took 21 points in the meet.

The preliminaries to the Idaho interscholastic track and field meet were begun at 1:30 Thursday afternoon with about 120 athletes trying to place. The events were run through in good order, some of the less interesting features being doubled up. The weather turned off fine for the preliminaries. The rain of the day before settled the ground and left the track in the best condition it has been this year.

As expected, Shaw of Lewiston, Cook of Coeur d'Alene, and Gano of Moscow qualified for their events without difficulty. None of these worked very hard in the preliminaries. Carley or Boise was a surprise to some of the northern schools on the first day. He took first in several of the preliminary dashes. Carley was entered in the Whitman meet last year, but as he had to contend with Shaw of Lewiston and Cook of Ellensburg, both individual cup winners, in every event, he did not make any great showing there.

In the two finals held Thursday, Lewiston made ten points, Phillips taking first in both the hammer throw and discus. Cook won four points for Coeur d'Alene, getting second in the hammer and third in the discus. Goff won second in the discus and third in the hammer, counting four points for Collax.

The meet Friday began promptly at 1:30 and the first three events were pulled off in about a half an hour. The first race was the 440 yard dash. It was won by Dewald of Coeur d'Alene. Marhofer of Mountain Home came in second and third place went

to Barnes of Coeur d'Alene. The time was 55 2-5.

This was followed by the mile run in which first was taken by Henry of Palouse, time 4, 59 3-5. Gerlough of Boise won second and Bonneville of Coeur d'Alene took third.

The 50 yard dash was taken by Carley of Boise, time 6:2. Carley has surprised all the "dopsters." His time is remarkably good. Shaw of Lewiston holds second place in this race, and Smith from the Lewiston Normal holds third.

In the shot put Phillips of Lewiston took first, Cook of Coeur d'Alene second and Hazelton of Boise third, distance 43:3.

The 100 yard dash did not lessen the time set yesterday. Carley of Boise was first, Shaw of Lewiston second and Gano of Moscow third, time 10:3.

The big Lewiston man, Phillips, threw the javelin a distance of 143.6 feet, taking first in that event. Cook of Coeur d'Alene and Ingersoll of Wardner took second and third places respectively. This record is only 17 inches less than the distance which took first place at the big Pacific Coast Collegiate meet at Berkeley two weeks ago.

The running broad jump was won by Gano of Moscow. Purdy of Coeur d'Alene took second and Thompson of Lewiston third. The distance was 19 feet, 5 1 2 inches.

Carley of Boise again came out first in the following event. This was the 120 yard hurdles. Chapman of Collax and Jones of Wardner won second and third respectively. The time was 17:4.

In the half mile run, which came next, Dewald of Coeur d'Alene crossed the finish in 2:13 3-10 seconds, taking first in this event. Second and third went to Pack and Gerlough respectively. Both these men are from Boise.

Carley continued the surprising record he had started, when he took first place in the 220 yard dash, adding another five points to Boise's score. Cook of Coeur d'Alene took second and was closely followed by Smith of the Lewiston Normal. The time in this race was 24 seconds.

The pole vault was won by Bradbury of Rathdrum. Brown of Moscow took second. Foresman of Wallace won third place, height 9:2. At first there was a tie between Brown and Bradbury, but that was worked off just before the relay race.

The 220 yard hurdle race was taken by Smith of the Lewiston Normal. Chapman of Collax took second place, and Shaw of Lewiston took third. The time was 28:4.

The last event of the regular meet was the high jump. It was the last because the relay race which was the only following attraction did not count in the scores. Barges of Coeur

d'Alene won first. Welker and Phillips, both of Lewiston, took second and third places respectively. The height was 5 feet and 2 inches.

The day's program closed with the relay race, which was won by the victors of the meet, the lads from Coeur d'Alene. The team was composed of Thompson, Dewald, Colquhoun, and Cook. Thirteen teams entered the race. Time, 1:42 2-5.

The Seniors have decided to give their ball on the evening of Friday, June 9th.

It has not been decided yet, but in all probability Campus day this year will be on Decoration day.

There will be a girls' tennis tournament at Idaho this year. It is to take place on the afternoon and morning of Friday the 26th and Saturday the 27th of this month.

There will be a student assembly a week from today for the purpose of nominating candidates for office in the A. S. U. I. The election will be held the following Friday.

The date for the Prep play has been chosen. It is Saturday, the 27th. Rehearsals have begun and the class is hard at work preparing it. It will be an English translation of Terence's Phormio. Two performances will be given, one in the afternoon and one in the evening. The Phormio is a comedy and will be interesting and entertaining.

Captain H. L. Laubach of the United States general staff arrived yesterday and the annual inspection was held this morning. Blue uniforms were worn at this inspection but the khaki uniforms were brought to the gymnasium to be used in case of a field problem. The inspecting officer will leave over the N. P. at 2:55 and go to Pullman to inspect the W. S. C. regiment.

MOSCOW BOY GOES TO LOS ANGELES

Joseph M. Adams Will Represent Inland Empire in Big Oratorical Contest.

Joseph M. Adams of Moscow will represent the Inland Empire in the Interstate Prohibition contest to be held at Los Angeles, May 19.

The Pacific coast states of Washington, Oregon, California and Idaho are divided into six sections as follows: Southern California, Northern California, Eastern Oregon, Western Oregon, Western Washington and the Inland Empire. Each of these districts has a local contest at which five or six colleges are represented by orators selected by competition. The contest in the Inland Empire was held at Pullman, March 10, and was won by Mr. Adams, a senior in the University of Idaho, against representatives of the College of Idaho (Caldwell), Whitman College, Spokane College and Washington State College.

The winner of the Los Angeles event will be sent East in 1912 to represent the Pacific Coast states in a national oratorical contest.

The object of the Intercollegiate Prohibition Oratorical contests, according to the promoters of it, is three fold: 1. It gives college men a chance to develop oratory as no other oratorical contest in the northwest does, on account of the wider field it covers; 2. It encourages a study of the temperance question among college men, which has a valuable educational effect; 3. A careful study of the prohibition cause on the part of keen young college men, the promoters believe, will vitally affect the communities wherein these men will become leaders after they leave college.

Mr. Adams, who will represent the Inland Empire in the coming Interstate contest has been interested in the prohibition movement for years; he has developed a very effective oration from a literary point of view; he has a pleasing delivery and his chances are good for winning. He will leave for Los Angeles, Saturday, May 13.

"Did the man whose auto was in the collision last night give it a cursory examination?"

"It sounded that way, sir."—Ex.

At a teachers' conference one of the school principals rose to propose the toast, "Long live the teachers."

And a meager, pallid assistant instructor in a hollow voice asked, "On what?"—Ex.

Mrs. Money Bags—"I hear you have spent a great deal of your time in Italy."

Mrs. Pavenu—"Oh, yes, my dear, we're quite Italianised." Princeton Tiger.

"Alma Mater Idaho was rendered most charmingly.

The management wishes to express its appreciation of the aid received from various sources. To the cast belongs the greatest share of honor. They worked hard day and night and their rendition of the play would have been a credit to professionals.

Excepting the cast, the two coaches deserve the greatest amount of praise and congratulation for the efficient manner in which the play itself was directed.

Dr. Moore, Professor of English, and Mrs. Hutton were untiring in their efforts and were to a great extent rewarded by the success of their work.

The management also wishes to express its thanks to the new manager of the Crystal theatre, Mr. C. R. Potter. He was at all times ready to do anything to help the class and was especially lenient and considerate in all business dealings.

To Miss Wold and the six young ladies who took part in the Irish reel which was given between the second and third acts on Saturday night, much praise is due. The audience clamored for an encore.

Thanks and congratulations are also due the Kappa Sigma quartette and the college orchestra for the part they took in making the evenings pleasant. Their work was excellent.

The student body rallied to the support of the class and had it not been for the spirit which they showed, the play would have been a failure from a financial standpoint as well as in its mission as an advertisement to the University thru the high school visitors, who were much pleased with the college spirit shown by the students.

The co-operation of the faculty committee which managed the Interscholastic meet was also greatly appreciated.

And finally the management thanks the business men of the city for their aid in furnishing properties for the stage and in other ways. The Idaho Post and the Star-Mirror, who furnished their columns so liberally to advertise and boost for the play, are not to be overlooked.

It is up to you!—Just a few more of those stylish haircuts at the Hotel Moscow Barber Shop.

RUSSIAN SYMPHONY ORCHESTRA AT PULLMAN

Fifty Musicians - Four Noted Singers as Soloists—W. S. C. Auditorium, May 19th.

The Russian Symphony Orchestra of New York is probably the most unique musical organization in this country. It makes a specialty of presenting novelties in Russian music, as well as the best musical literature of all countries.

Its New York concerts draw immense audiences and many of the great artists visiting this country make their initial appearance with this organization. The concert in Pullman will be the big feature of the Musical Festival held under the auspices of the State College on May 18 and 19. The program will commence at 2:00 p. m.

The vocal quartette which accompanies the orchestra is composed of singers of national and international fame. The soprano, Mme. Dimitreiff, will sing the Jewel Song from "Faust," and the quartette will be heard in Tschakowsky number.

As the orchestra does not leave Pullman until after 5 o'clock the program will not be rushed as was the case with the New York Symphony Orchestra last year. The organization travels in its own special train.

Seats will be on sale at Watt's Pharmacy, Pullman commencing Tuesday, May 16. Out of town orders will be filled in the order of their receipt, and the tickets will be mailed to purchasers on the morning of May 16. The price for the concert of the Russian Symphony Orchestra will be \$1.50. Season tickets admitting to all concerts of the Festival \$2.00 each. All seats reserved.

Princeton defeated Yale last Saturday in the annual track meet by four points. The score was 60-56.

A "Fat" Wedding Fee.

On a large farm in the middle west a group of jolly city people were having a house party. As part of the entertainment they joined with enthusiasm in the plans of their hostess to give a pretty wedding to a favorite young girl was to be married to a young farmer of the neighborhood. The most dapper and punctilious of the city youths volunteered to be "best man."

"Now" he explained to the stalwart groom "you just give me the fee you have arranged for the minister and I'll have it in my vest pocket ready to hand to him."

The rustic giant shook with laughter. "You won't be getting it into your vest pocket!" he chuckled. "It's a little pig I've been fattening for the parson."
—Youth's Companion.

(Continued from page 1)

boys who went to the Philippines and the custom will undoubtedly be kept up as long as there are cadets at Idaho. The inspector was very well pleased with the work and the appearance of the battalion. He left for Pullman this afternoon.

Orchestra Will Give Concert.

The college orchestra will go to Orofino next Saturday where they will give a concert in the evening. Not all the members will go. The number will be limited to lessen the expense. Prof. Collens has selected certain members from each part and thus reduced the number.

They will leave Saturday morning and return Sunday.

A little girl wrote this composition on men: "Men are what women marry. They drink and smoke and swear, but don't go to church. Perhaps if they wore bonnets they would. They are more logical than women and also more zoological. Both men and women sprung from monkeys, but the women sprung further than the men."

A school teacher instructed a pupil to purchase a grammar, and received, next day, this note from the child's mother:

"I do not desire for Lulu shall engage in grammar, as I prefer her to engage in useful studies and can learn her how to spoke and write properly myself. I have went through two grammars myself and I can't say that they did me no good. I prefer her engage in german and drawing and vocal music on the piano."—Everybody's Magazine.

When Her Student Days Are Over

YOU will want to give her some little token which she can retain for a long time and cherish with fond memories. It is not always easy to decide upon the gift, and everyone knows it is not always the most expensive gift that is the most appreciated.

TO GIVE MOST SATISFACTORILY

you must know the person, YOU have this knowledge and WE have the gifts in large variety. If you will come to our store we will put our heads together in a common sense way and try to find a suitable gift.

This service of giving gift suggestions is sometimes most valuable and we a specialty of such service,
