VOLUME 14

UNIVERSITY OF IDAHO, MOSCOW, IDAHO, OCTOBER 17, 1911

NUMBER 5

## IN SCHOOL OF PRACTICAL AGR.

**A Very Large Registration—Are Well Distributed Over The State.**

Up to Monday noon there were forty-one registrations in the School of Practical Agriculture, as against twenty-one at the same time last year. One of the most pleasing features is the wideness of the territory represented. From Latah county there are but two; the registration is not in the least local. Classes will begin Tuesday. The registration will probably continue for the rest of the week and with its present record is surely the highest recommendation for the efficacy and name of this department. One of the students came direct from New York to obtain the benefit of this course. Washington sends one, Oregon one and Montana one. The registration by counties is as follows: Latah 2, Twin Falls 3, Ada 6, Idaho 7, Kootenai 1, Adams 1, Bonner 2, Lewis 3, Canyon 2, Blaine 1, Shoshone 2, Nez Perce 1, Lincoln 2, and Boise 2.

### That Debate Question.

From the list of questions sent by Pacific University for debate the one relating to the compulsory arbitration of labor disputes, has been chosen.

Some sixteen candidates have expressed their intention of taking part in the trial debate which is to be held on Wednesday afternoon, November 1. It is to be hoped that more business-like preparation will become evident. Despite the double defeat that Idaho suffered last year at the hands of the judges, or perhaps because of it, the candidates seem to be taking things pretty easy. Only lots of hard work can put us in shape to make a good showing. So, a little more application, gentlemen, if you please.

### Football Captain Elected.

At a meeting of all the men who played in last year's conference football games, held Saturday afternoon in the Gym, William P. Hillman was elected football captain for the present season. This is the third year of Mr. Hillman's attendance at the University—every fall he has served the season on the first line-up of the Varsity eleven. He will fill the position made vacant by the failure of Harry Changnon to return to school this year.

A party of agricultural and engineering students left by automobile Friday afternoon for Lewiston, where they took in the Fair and the irrigation tracts about the city. They report an enjoyable time. The party consisted of Ward Gano, Charles Fields, George Downing and Bert Smith.

## IDAHO, 22-GONZAGA, 0.

### VERY SPIRITED GAME.

#### Gonzaga Has Well-Coached Team and Shows Great Skill. New Men On Varsity Line-Up Show Up Well.

In the spirited football game last Saturday between Idaho and Gonzaga the latter was held scoreless. Idaho managed to make one touchdown each quarter and Bill Hillman kicked two goals out of four attempts. He had a bad wire against him, but he missed one very easy one. Gonzaga came very close to scoring in the third quarter when they managed to get the ball to Idaho's five yard line by several cleverly executed forward passes and one good end run. Gonzaga made three line bucks with five yards to go and made but a yard and a half; the ball went over to Idaho and Kinnison pulled off one of his best punts of the day and put the Idaho team out of danger.

Gonzaga has a well coached team and shows great skill with the short forward pass. Their passes probably did not average over ten yards, but they pulled off about fifteen of them, only having three of them blocked. Egan, right end for Gonzaga, put up the best game for the visitors, blocking play after play for Idaho. Groger, Moriarity and McKeVitt also played good ball for Gonzaga.

For Idaho Enoch Perkins played the best game, although he had a little hard luck in dropping one or two punts. Perkins is Idaho's best open field runner, and is showing up nearly as well as Thornton did last year. Hillman, Buffington, Knutson and Burns also put up a good quality of football. Harris got off well at end but was only in the game five minutes before he turned his ankle. He will, however, be in the game in two or three days.

It was evident that Coach Griffith was smothering many of his plays, not wishing to expose his hand before the big game with W. S. C. this week.

The crowd was absolutely dark. Not more than a handful were in the bleachers. The day was not

the best for a football game but there should have been four times as many people present as there were. There were quite a number of W. S. C. men on the side lines.

Following is the way the teams lined up:

Gonzaga	Position	Idaho.
Maguire	l. e.	Harris, Case
Shoulder	l. t.	Phillips
O'Shea	l. g.	Favre
McFarland	o.	Kinnison
Higgins	r. g.	P. Perkins
Groger	r. t.	Buffington
Egan	r. e.	Gildea
McKeVitt	q. b.	Perkins
Mulligan	l. h.	Hillman
Moriarity	f. b.	Knutson
Mulholland	r. h.	Burns

Score by quarters:				
	1	2	3	4
Gonzaga	0	0	0	0—0
Idaho	6	5	6	5—22

### Y. M. C. A. Handbook is Out.

Last Friday the annual handbook of the Y. M. C. A. was received from its publishers in Columbus, Ohio. The book is about 2 1/2 x 5 inches in size, is bound in red leather. The front cover is adorned with a simple block "Y" across which "1912" is written. It contains eighty pages of material, all of which is calculated to fill some need experienced at some time during the year by every student. Among its features are: The Constitution of the A. S. U. I., Idaho songs and yells, football schedule for this season, track records for the world, all-northwest, amateur, and Idaho track teams, the university regulations and many other features adapted to the wants of students. Four hundred copies have been ordered and it is the intention of the Association to place one in the hands of all the students of the university. See that you get one.

## SOME REGISTRATION FACTS

**Many Students From Other Colleges and Universities Register at Idaho.**

The following interesting features of the registration for this semester have been found in the Dean's office. To date the following students have entered the university from other universities and colleges:

C. Rollyn Buffington, Iowa State college; Walter A. Buchheim, Kansas Agricultural college; Maggie K. Costley, Utah Agricultural college; Harriett M. Fairbanks, University of Iowa; Maude I. Gregory, University of Montana; Earl K. Humphries, Oahu college, Honolulu; John C. Kinzer, Kansas Agricultural college; Clifford L. McGildea, Oklahoma Agricultural and Mechanical college; Fred H. Rehberg, University of Wisconsin; Mrs. Fred H. Rehberg, University of Wisconsin; Emma B. Rowley, Montana Wesleyan college; Todd E. Rudd, Spokane college; Leon H. Seymour, Michigan Agricultural college; Charles L. Shaw, University of Iowa.

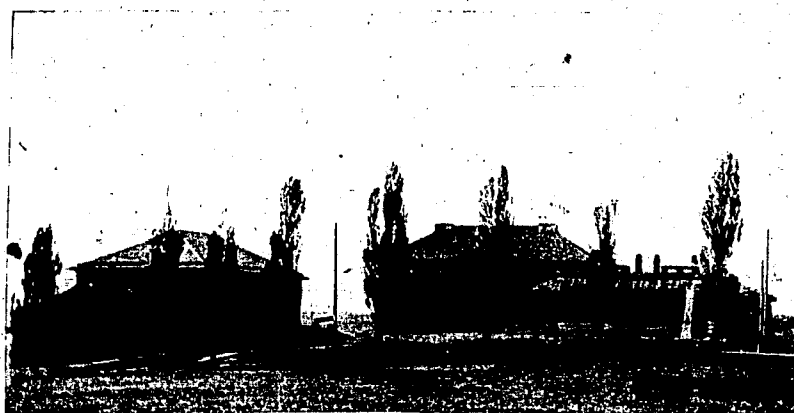

The following students, who were formerly registered in the university, but absent last year, have reentered the University so far this fall:

Ray D. Armstrong, Frank H. Atwood, Ioy Curtis, Mary Cozier, Clinton Ellis, Jeannette Fox, Howard Gildea, Arthur Heer, Mattie Heer, John Hayden, Clyde Heard, Jessie Holman, Louis T. Jessup, Murdoch McNicoll, Howard Mason, Marvin Mulkey, Bessie Perkins, Wendell Phillips, Claire Sharkey, Edward Smith, Charley Stillinger, Madeline Shields, Charlotte Tuttle, Roy Tuttle, Clifford Weston, and Laura Whitewell.

### Sophomores Have Party.

The Sophomore class gave its first class entertainment this year in Ridenbaugh Hall last Saturday evening. Games, dancing and refreshments made the evening enjoyable, while the class spirit that makes such an affair one of the brightest social events of the year was always in evidence. Mrs. Stevenson and Mrs. Taylor acted as chaperons for the gathering. Music was furnished by Miss Nankervis on the piano and Mr. Thos. Doyle on the violin. The party broke up near midnight.

Lieutenant Cathro called a meeting of the Rifle Club Monday to make arrangements for the construction of a target range in the drill hall.

View of North Campus.

## AT ASSEMBLY.

**Put These Rules in Your Hat They'll Save Time And Trouble.**

The first student assembly of the year and the first since the election of the A. S. U. I. officers last spring was held last Wednesday. The evening of work and baseball "I" by President MacLean was the first new business taken up. In thank letters were awarded to the following men: Montgomery, Ream, Strickler, Denning and Spillington. Of these five, only two are in college this year, Montgomery, Strickler and Ream having graduated in the '11 class. The men who were awarded letters in baseball were: Lundstrom, Williams, Kettbach, Crow, Wheeler, Barrett, Hillman, E. Perkins, P. Perkins, C. Robinson, F. Robinson and Dippel. Of this number only five are back, Lundstrom, Williams, Kettbach and Crow were members of the '11 graduating class. Thus of the seventeen "I" men in track and baseball only seven are likely to be in college this year. In addition to the "I" stars were awarded to the following men: Montgomery, two, one for captaincy and one for participation in two branches of athletics; Lundstrom, two, one for captaincy and one for participation in two branches of athletics; Hillman, E. Perkins, P. Perkins and Wheeler, one each for participation in two branches of athletics.

The next feature of the assembly was the presentation of twelve resolutions for the ratification of the student body. The resolutions were presented by George O'Donnell, representing the Senior class, and were accepted without exception by the A. S. U. I.

They are as follows:

Be it resolved by the Associated Students of the University of Idaho, That every male student of the University shall salute the president of the university by lifting his hat; or if in uniform he shall render the prescribed military salute.

That all students shall stand with uncovered heads during the singing of Alma Mater.

That all freshmen when on the campus shall wear an olive-green cap with a pearl button upon it, after the twenty-fifth of October. Amendment: For the school year 1911-1912, Rule Three shall read: All freshmen when on the campus shall wear an olive-green cap with a pearl button upon it, after the 15th of November.

That the painting of class numerals is limited to the freshman year of each class.

That derbies are strictly forbidden to under-classes on the campus.

That no Idaho student shall be allowed to smoke on the campus.

That freshmen shall not wear dress suits at any college function.

That high school gym sweaters or caps shall not be worn on the campus.

That among the men students the privilege of going about the campus unshowered is limited to upper-classesmen.

That no one shall enter the assembly five minutes after the assembly has begun.

That the regular seating order prescribed and to be observed by all students of the university at assembly shall be as follows: No student shall use the two first rows of seats at assembly. These are reserved for the use of the faculty. The front seats on the left next those of the faculty shall be reserved for the use of the seniors; similarly those on the right shall be occupied only by the juniors. Those seats directly in the rear of the seniors shall be occupied by the sophomores; while those in rear of the juniors shall be occupied by the freshmen. Any seats whose occupancy is necessary, are open to any needing them, but if the occupancy of any barred seat is sought needlessly, and the spirit of this ruling broken, the guilty party will be open to the penalty of its violation.

That no college student shall cut across the campus when a walk is being nearly parallel to the course he travels.

The next business which the assembly considered was the nomination of yell leaders for the ensuing year. Those placed in nomination were the following: Hockett, Wheeler, Jas. Watts, Harris and Denning. A novel feature in the choice of yell leaders this year is a try-out to determine their final election. It was decided to postpone the final vote until after the Gonzaga game, where each should be given a trial in voice, gestures, etc.

A motion was passed to the effect that a committee be appointed to confer with the Regents on the matter of fitting up the gymnasium for all college dances. It was thought by spreading a large canvas over the floor during all athletic events, the gym could be converted into a first class dancing hall.

The President Receives.

The annual president's reception to the faculty occurred last Tuesday evening in Ridenbaugh hall. The live portion of our faculty was well represented. After the more formal part of the entertainment came to an end, refreshments were served and a short dance indulged in. Music for the evening was furnished by the members of the university orchestra under the instruction of Professor Collins. The affair concluded at about 11:30.

### A Few Promotions and Assignments to Keep in Mind.

Office of the Commandant, Battalion of Cadets, University of Idaho, Moscow, October 16, 1911.

General order No. 20.

Paragraph 1. The following appointments and promotions in the battalion of cadets are announced to take effect today, Oct. 16, 1911.

Staff of the Commandant:

W. H. Carithers, captain and surgeon; George O'Donnell, captain and assistant to commandant; C. Y. Garber, captain and ordinance officer, quartermaster and commissary.

Paragraph 2. Captain H. C. Gray is appointed cadet major, vice Major J. M. Adams, retired. First Lieutenant Jessup is appointed cadet captain vice Gray, promoted to cadet major. Sergeant Joe Braham, Co. A, battalion of cadets is appointed cadet captain vice O'Donnell, detailed to staff of commandant. Color Sergeant B. E. Davis, battalion of cadets is appointed cadet captain to fill original vacancy. Sergeant E. E. Smith, cadet band, is appointed cadet 1st lieutenant, vice Denning, retired. Sergeant M. E. Mulkey is appointed cadet 1st lieutenant, vice Boyeson, retired. Sergeant J. S. Kroh, Co. B, battalion of cadets is appointed 1st lieutenant to fill original vacancy.

Paragraph 3. Appointments to fill vacancies in list of 2nd Lieutenants will be announced later.

Paragraph 4. The following assignment of officers promoted is announced: Cadet Captain L. T. Jessup to Co. A, Cadet Captain Joe Braham to Co. B, Cadet Captain B. E. Davis to Co. C, Cadet 1st Lieutenant E. E. Smith to Co. A, Cadet 1st Lieutenant M. E. Mulkey to Co. B, Cadet 1st Lieutenant J. S. Kroh to Co. C.

Paragraph 5. Sergeant S. L. Denning, Co. B, is appointed cadet 1st sergeant and assigned to Co. A. Sergeant C. L. Johnson, Co. B, is appointed cadet 1st sergeant and assigned to Co. B. Color Sergeant H. J. Adams, Idaho National Guard, appointed cadet 1st sergeant and assigned to Co. C.

Paragraph 6. The following promotions and assignments of non commissioned officers is announced: To Co. A, Corporal S. J. Jensen, Co. B, promoted sergeant Co. A. Corporal B. F. Smith promoted sergeant Co. A. Private W. Scott promoted sergeant Co. A. Sergeant Chas. Fields assigned to Co. A.

To Company B. Sergeant S. Regan transferred from Co. A to B. Private A. R. Anderson promoted sergeant Co. B. Private M. G. Kenedy promoted sergeant Co. B. Private H. S. Young promoted sergeant Co. B.

To Company C. Sergeant R. F. Tuttle to Co. C. Private C. E. Horning, Co. B, promoted sergeant Co. C. Private O. T. Carlson, Co. B, promoted sergeant Co. C.

Paragraph 7. Corporal R. H. Parsons, Co. B, is reduced to the grade of private to take effect this date. Pri-

vate Parsons is assigned to Co. A.

By order of the commandant.

THOS. E. CATHRO,

1st Lieut. 2nd Cavalry. Commandant.

MANAGER ROY O. JOHNSON '12  
Mr. Johnson is the student manager of football this season.

### EXCHANGES

Gonzaga this year for the first time celebrates her silver jubilee. She has an enrollment of over five hundred.

A course in dancing as part of the liberal arts instruction is now offered to the women of Washington University—"not the classic folk dances of Greece or of Norse mythology" but the "real, dreamy waltz and the swinging two-step."

Idaho and Washington commemorated the life and deeds of Christopher Columbus this year for the first time by making the twelfth of October a legal holiday.

The University of Iowa is to have a "Student Union" building. The funds have been received from the State Board of Education. The main features are a large dining room, reading and writing rooms and places where the men can spend their time. The purpose is to make a higher quality in student citizenship and to preserve the traditions of personal culture inherited from the English Universities.

A National Guard company has recently been organized at the University of Washington.

The Cornell football squad has the distinction of being the first to pose and perform for moving pictures. The Lyman H. Howe Company made a series of films recently showing football practice and other phases of college life.

Co-eds at Willamette have been forbidden to root at games or take part in enthusiasm meetings before the games. The students of the college declare that a blow has been dealt at college spirit.

The University of Washington will celebrate its fiftieth birthday early in November.

What will Mr. Crane of Chicago have to say about this? Of the Seniors at Yale, two-fifths do not smoke and a larger proportion do not drink intoxicants.

Anyone who intends adding to, or subtracting from, his course should get busy, as this is the last week that "change in study blanks" will be issued.

## A Few Remarks About Men on the Team, and What Some Look Like.

Gildea has done good work at end in our two practice games in spite of the fact that he played the halfback position while in Lewiston high school. With a little more experience he will make them all sit up and take notice.

Banks Kinnison, altho only a sub last year, is a big husky fellow, and under the direction of Coach Griffith is developing into a consistent punter. He also shows up strong on defense in the line.

Famms subbed at end last year and showed up well in several intercollegiate games. He has been sick this fall and received several injuries in scrimmage work which have kept him out of the practice games. If he is able to get into condition he should do good work on the eleven this year, as he can be depended upon to receive forward passes which are thrown anywhere near him.

This is the week when football practice will count. This is the week when football spirit will count. This is the week in which every man and woman must do much to help the university win. We can win; but it's up to you. What is winning worth to you? What is winning worth to Alma Mater Idaho?

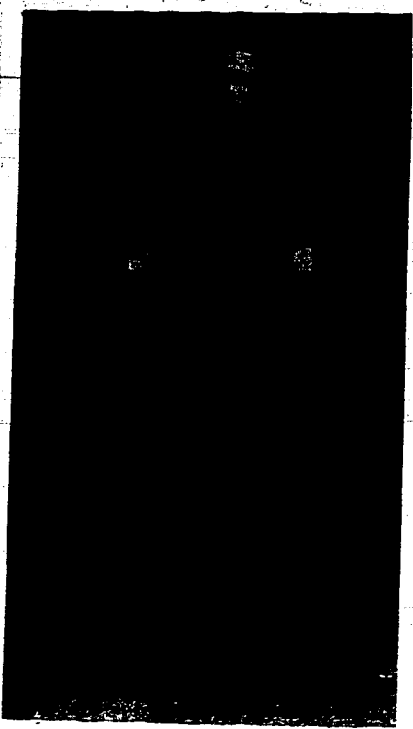

Size up the proposition and then decide what you are going to do. Will it be well to stand on your dignity and never even gurgle a little for Idaho when some are yelling their heads off? Will it pay rather to stay from assembly, from the rally Thursday night? Will it pay to stay at home and grind on Friday afternoon.

This week, when you take your evening walk, take it in the Idaho Field. Go down and cheer the boys who are working in the dirt, sweating, twisting and experiencing the hardest sort of toil for your sake as well as for their school. Your presence there as a mark of your interest is in itself a very large encouragement. Be there.

If Idaho wins next Friday afternoon she will win on the spirit and support of the men and women on the bleachers cheering them on. She will win by exercise of the same marvellous will power and force sent through her men by their supporters on the bleachers a year ago, on the athletic field at Pullman. Every "Stude" staying from the game Friday should experience the joys of Paradise—and maybe he will for it's a very close place when Idaho students start out to find it.

A reception and social for the Short Course Aggies will be held in the gym next Saturday evening under the direction of the Y. M. C. A. To make this a success—in short to receive these men in the proper style is to make an impression upon them that will work for the advancement of this department and so the advancement of our school—every man should turn out at least for a few minutes to give them the glad welcoming hand. That shows your spirit and how much you care for the advancement of Idaho's interests. Some of the men in the college departments will probably not have much in common with some of these men but that does not serve as an excuse to stay away. If you can't help the university out in a particular of this nature you don't care a rap of helping your school out at all it if carries you the least bit out of your road. Come out. We understand the Y. M. C. A. handbook is to be distributed to those present. This is something of an inducement as the Handbook this year is quite a handy affair.

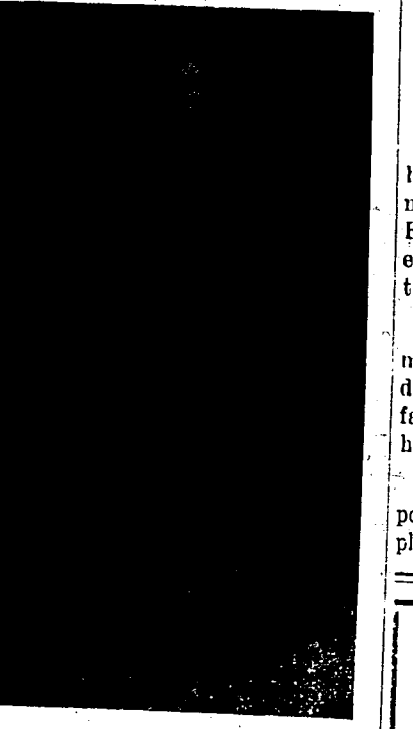

Remember about cutting across the campus when there is a walk nearby.

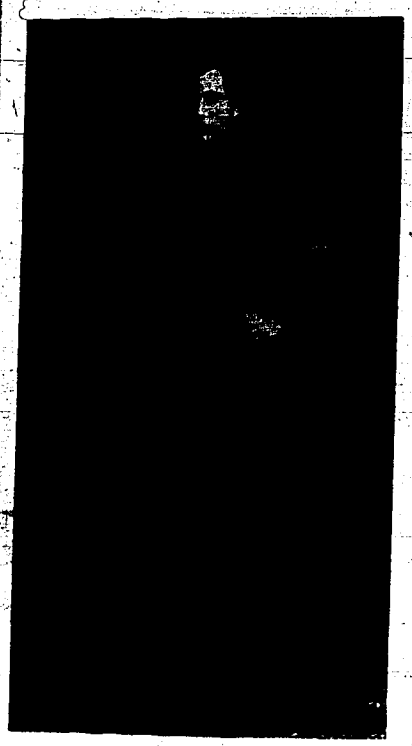

This is Captain Hillman's third year on the team. He is better than ever at plunging through the line, and is also doing well in practice with his place kicks.

Buffington is playing his first year on the Varsity eleven, although he has made his "I" in tback for the past two years. At tackle he opens up big holes for the backfield men, and also carries the ball well in the "tackle round" plays.

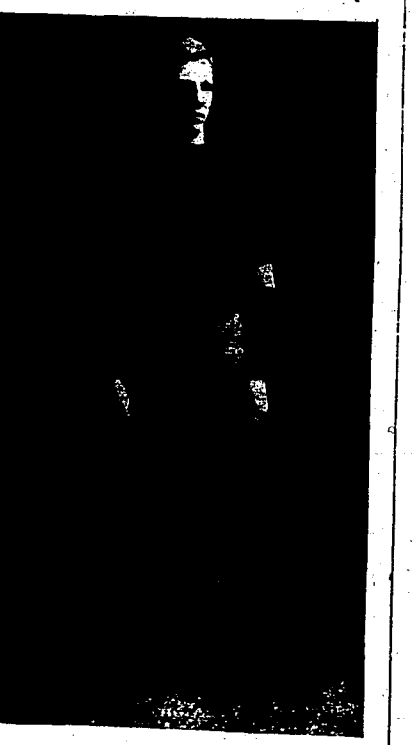

Buck Phillips, the Lewiston high school boy, is one of the heaviest and strongest men on the team. At tackle he is showing up well on both defense and offense. This is his first year on the Varsity and he should make all-northwest material before he finishes playing his four years on the eleven.

Enoch Perkins, at quarter, shows a great improvement over his past two year's on the team. He is gaining in speed all the time, and seems to have acquired the Latourette and Coyle style of dodging through a broken field. He also uses good headwork in directing the plays.

This is Proctor Perkin's third year on the team. Last year he held down an end position, but has this year been shifted to right guard where he shows up remarkably well in opening up holes and getting down on punts. He is considered the fastest man on the team when it comes to getting down the field on punts.

Knutson, who subbed at halfback last year, is showing up remarkably well this year at half. He is considered the hardest worker on the team. We expect great things of "Knuere" this year.

Burns at half is another freshman who is showing up well in all departments of the game. He is fast and shifty on his feet and has considerable kicking ability.

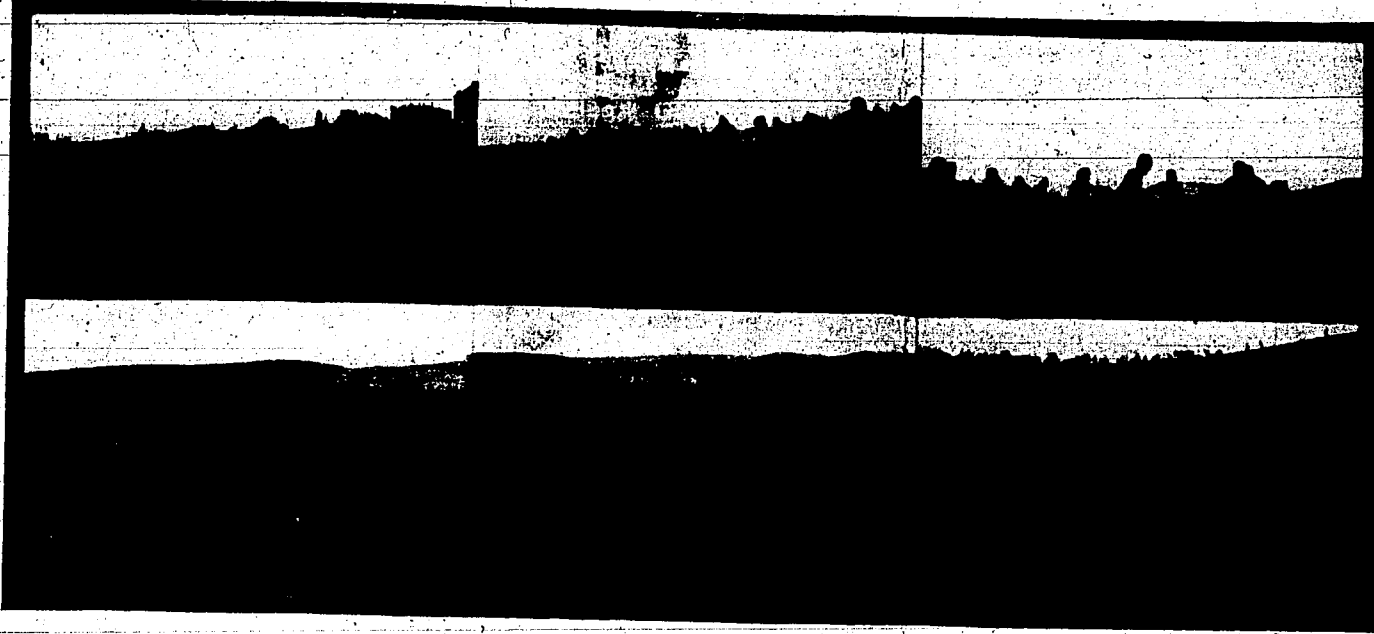

Case who has been working at end position is developing into a fast heady player.

**"One, Two, Three, Four;  
 Sometimes I wish there were more."**

The memories of these four college years will be of untold value to you when you are through with college life.

If you care to have something to remind you of them, see

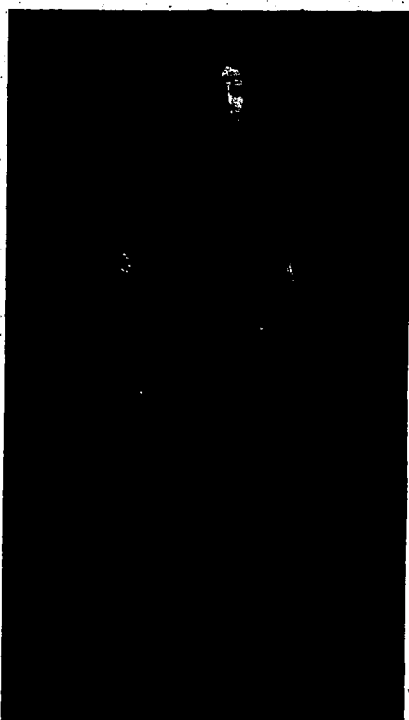

JNO. R. WHEELER,  
 Phone, 176

### FOOTBALL SCENES OF LAST YEAR.

Loomis the freshman from Hill's Military Academy and who shoved up well at the halfback position at the beginning of the season has been kept out of practice for the past two weeks by a dislocated shoulder. He will be a valuable man on the squad if he can get into condition.

Harris has been showing up very well at end position. He is a hard tackler and is considered a strong man on defense.

Favre is playing his second year on the Varsity and this fall he "hits 'em" harder than ever. For a man of his weight, the amount of real grit he displays is remarkable.

Mrs. Hutton gave an entertainment in Hodgins' hall to a large number of her friends last Saturday evening.

John R. Maughan '13, has returned to school.

Delta Gamma entertained Zeta Delta Sunday afternoon.

An old parrot used to live in a public house bar, where there was always a great trade on Saturday night.

One evening the parrot was missed. Search was made, and at length it was discovered in the middle of a field surrounded by crows, who were steadily plucking out its feathers.

As the rescuers approached the now half-naked bird was heard to call out: "One at a time, gentlemen, if you please; if you'll only wait you'll all be served"

#### Boola Song—Adapted for Idaho.

At the request of the Argonaut, the Boola Song as it has been floating about traditionally in the minds of Idaho students was set down in words by Mr. Harry Bond, '12. As the air is very familiar to all Idaho students, the complete song, instead of merely the chorus, should be learned.

Well here we are, well here we are,  
Just watch us rolling up the score,  
We'll leave those fellows behind  
so far,  
That they won't want to play us  
any more;  
We've put our faith in Idaho,  
So now you watch us go;  
Boola boo la boo, boola boo la boo,  
Boola boo, boola boola boola boo

#### Chorus.

Boola boo la, boola boo la  
Boola boo la, boola boo la,  
And we'll rough-house old Pull-  
man,  
Till she hollers boola boo!

Woski-wow wow, wiski wee wee,  
Holi muckeyi, university,  
And we'll rough-house old Pull-  
man,  
Till she hollers, boola boo.

Now is'nt it a shame, now is'nt it  
a shame,  
To do those fellows up so bad;  
We've done it before, we can do it  
once more,

Although they will feel very sad;  
We'll roll up the score so very high,  
That you will hear them sign,  
Boola boo la boo, boola boo la boo,  
Boola boo, boola boola boo la boo.

Departures from the old way in things educational come in for hard raps, first and last, but not often are they assailed as in this letter which a glowing boy handed to his teacher the other day,—

"Madim you kepe teling my son to breeth with his dierfram I sepose rich boys and girls all hass dierframs but how about when their father only makes 2 dollars a day and theres 4 younger I tell you its enough to make everybody socialists first its one thing and then its another and now its dierframs its to much.

#### Idaho Gets New Song.

The following is based on an old Amherst song, the words and air of which were furnished Professor Tull by Dr. Patterson. A few changes were made in the Idaho adaption for Idaho purposes. The air is full of life and spirit. Sing it.

Come and sing all ye loyal Moscow  
men,  
Come and sing a rousing cheer;  
Join our line as we march along so  
fine,  
With hearts that have no fear;  
Straight and bold 'neath the silver  
and gold  
We will march in brave array;  
So everybody shout and sing  
For this is old Moosow's day.

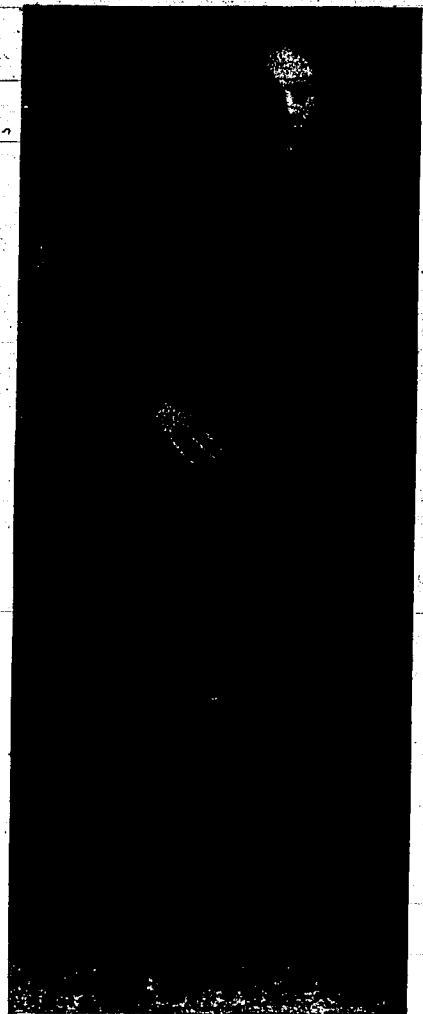

#### Chorus.

Cheer for old Moscow! Moscow  
will win!  
Fight to the finish, never give in!  
Oh! play your best boys; we'll do  
the rest, boys,  
Fight for Victory! Rah!Rah!Rah!

Soon our foe shall our strength in  
conflict know,  
Soon our power they shall feel;  
Vanquished then they'll give way  
to Moscow men  
Whose cords are strong as steel;  
Then let's hear ringing out an-  
other cheer  
That will drive defeat away;  
So ev'rybody shout and sing,  
For this is old Moosow's day.

#### Chorus and repeat.

Get a sample petticoat. The  
regular \$2.00 kind only \$1.29.  
Regular \$1.25 kind only 79¢ at  
the Hub.

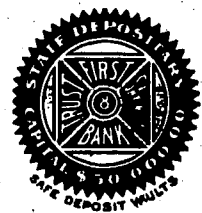

Coach W. G. Griffith.

#### Never Tried Them.

"Did you ever try any of my biscuits, Judge?" asked the proud young housewife.

"No," replied his honor absent-ly, "I never did. But I dare say that they deserve it."

To the new students who are not familiar with our tonsorial parlors, we will say that we have one of the best equipped shops in the Northwest. Our barbers are excelled by none. Drop in and see us. We are always glad to get acquainted. Hotel Moscow Barber Shop.

We appreciate Students' Accounts and invite you to make our institution your Banking Home.

## WITH U. OF W.

Capt. Wm. "Wee" Coyle.

By FRED A. WOELFLEN.  
(Special correspondent for the Argonaut at the U. of W.)

University of Washington, Oct. 9.—Coach Dobie will commence this week to whip his huskies into shape for the season which opens October 28 with the University of Idaho at Spokane.

The prospects for the Puget Sound college are far from gloomy, but at the same time there is nothing to be especially buoyant about this year. Dobie's line has been greatly impaired by the loss of three sterling lineemen: Max Eakins, Polly Grimm and George Swarva. The places incurred by the ineligibility of Grimm and Eakins will remain unfilled for some time as nothing has loomed up to show anything like these men.

The feature of Washington's team this year will be her backfield. With William "Wee" Coyle at the helm, the team is working unusually smoothly. Wand, Mucklestone and Sparger are the mainstays of the team. They are fast, heady and aggressive. Mucklestone, who was the '09 captain of the varsity, has displayed his ability to come back and is a faster and better man than two years ago.

Warren Grimm and Peter Husby at end are in their best year's form, and with the forward pass they should set things at a lively pace this year, as they did last. There is a great dearth of kickers at Washington this year. Jack Patton looks like the only man for the place at this time. He is not showing anything like the class which Eakins has displayed for the last three years.

Washington is particularly favored this year by a favorable schedule. She plays in the largest

cities in the northwest in all games. With the University of Idaho at Spokane, with Oregon at Portland and with Washington State college and Oregon Agricultural college at Seattle. She is not crowded into a narrow space of time in which to run off her season.

## WITH O. A. C.

By GLOVER CARROLL.  
(Special correspondent for the Argonaut at the O. A. C.)

With the largest registration in the history of this institution the work is now in full progress. The work of finishing the new buildings is being pushed rapidly as possible in order that ample room may be given for various lines of instruction.

The new cadets are buckling down to work and all are assigned to the various companies where the instruction in the schools of the soldier and company is being given.

The Varsity is working with vigor and has profited to a great extent by the close defeat at the hands of the alumni. The new men are showing fine form and with the return of "Ooty" Edenburg the hearts of enthusiasts are greatly gladdened. Everyone looks forward with pleasure to the first game with an outside team and a fine snowing is fully expected.

Ass't Coach, F. I. Lundstrum. "Fritz" Lundstrum graduated last year. This year his former prowess won his present position for him. He has charge of the second team.

Splendid interest is being shown in the educational classes soon to be formed. This is especially true of the work in Spanish and English for foreigners. Claude W. Ashby has been secured to handle the classes in Spanish during the winter term. Mr. Ashby specialized in this work at the U. of I.—Wardner (Idaho) News.

The south bleachers of the athletic field are to be moved to the east side before Friday's game to accommodate the W. S. C. rooters.

**ATHENA UNDERWEAR**  
*For Women, Misses and Children*

SELECT your fall and winter knit underwear carefully. Make sure that it possesses comfort—warmth—wear. Be doubly certain that it will fit your body smoothly—perfectly—without bulk.

is made in firmly knitted elastic fabrics that do away with wrinkles under the corset—a great cause of discomfort in the ordinary underwear.

Athena underwear fits the figure with the smoothness of a silk stocking. It insures comfort without bulk—daintiness with wearability.

Here are some of its special merits:

- A patented seat that gives extra room where room is most needed. A special stay that prevents the garment from stretching over the shoulder. An elastic cuff that holds the sleeve in place and keeps it from slipping up on the arm. Trimming put on in an improved way, giving exquisite daintiness that is not lessened by washing.

In all shapes and fabrics at the price you usually pay. Try Athena for the children. A perfect fit for all ages—from two to sixteen years.

The shaves and haircuts Russell the barber keeps are unsurpassable.

Boys see those fine all wool suits for \$9.85. They are well worth \$15.00. New fall styles in fancy patterns at the Hub.

Men's hats can be had here for less. The regular \$3.50 hat for only \$2.25. Why pay more? Come to the Hub and get one.

A rousing sale is going on at the Hub right now.

## MUSIC NOTES.

The vocal department under Professor Storer is planning the staging of a comic opera before December first in aid of the University Glee Club. The proceeds of the production will be used by the glee club in advertising the university. Professor Storer has made successful appearances in oratorio and opera. When at the New England Conservatory, he took parts in operatic scenes and acts from the operas of La Traviata, Santuzza, Martha, Rigoletto, Carmen, etc., besides appearing in comic operas and dramas. His several local appearances here have already demonstrated his appreciation of the dramatic in music and it is assured that any dramatic production that he undertakes will be up to a high standard. Professor Tull has agreed to help stage the performance, and his work is well known and appreciated in his staging of plays in the English department.

Monday the Ladies' Glee Club met in Professor Storer's studio and the goodly attendance and intent shown warrants us in making the assertion that there will be a quickened interest in choral matters at the university this year. After the routine matters of organization were dispensed with, Professor Storer conducted the "Spinning Chorus" from the "Meistersinger" by Richard Wagner, the "Hour of Parting" by Marzò and the "Land of Dreams" by the same composer.

The rehearsal of the Men's Glee Club is called for this evening. Judging by the number of men who have been seen making for Professor Storer's studio to have their voices ried, we feel sure the university will at last have an up-to-date glee club—one in fact that we will be glad to send out into the surrounding country to represent the university.

The number of pieces in the university orchestra now numbers twenty. High as the name was it made for itself last year, it will possess one even higher this year. It is contemplating several trips and is even already looking out for a schedule trip through some of Idaho's best towns.

### Order Your Annual Now.

J. G. Watts, manager of the annual, announces that next week he will take orders for this year's annual. A new plan is to be followed in the ordering of annuals. A deposit of one dollar will be required as a guarantee of business faith and will go on the purchase price of \$2.50 upon the delivery of the annual. The annuals will be on sale on or before May 15. This scheme will prevent to a large extent the tendency to delay in taking the ordered copies until they are left on the hands of the management, for in this way they result in a large loss. It will also allow a more accurate estimate of the number of copies required.

Have you discarded your high school pin yet? Don't forget that resolution.

Lieutenant Cathro has ordered one hundred copies of the new Infantry Drill Regulation, which are expected to arrive within a few days.

## An Alumnus Talks to Miners.

On Friday afternoon in the lecture room of the Metallurgical building, George A. Snow, an alumnus of the University of Idaho, class of '01, and an old football hero, delivered a very interesting talk before the junior and senior miners. Mr. Snow's talk pertained to a great number of experiments which had been carried on under his supervision at the mining mill at Mullan, and which covered a period of two years up to the present time. The object of these experiments is to determine the best methods for treating a lead-zinc refractory ore.

In the course of his talk Mr. Snow pointed out the large field that is still open to the technical man, especially the mining engineer, in the matter of concentration and the most efficient and economical methods of handling refractory ores, referring to some of the Coeur d'Alene ores as a type.

It is the intention of the Associated Miners to secure as large a number of mining men to address them at intervals throughout the year as is possible.

On account of the thoughtlessness of some Sophomores and Seniors, the class scrap at Grinnell College was a sad disappointment to everybody. The Freshmen were in a barn about three miles south of Grinnell, with all of the doors and approaches barricaded. The Sophomores had attacked them with no success, so they changed their tactics. Some Senior men were sent to the chemistry laboratory to obtain a supply of bromine. The Sophs then climbed to the peak of the barn and threw the bromine in on the Freshmen. It took effect immediately and some of the Freshmen were overcome. Unacquainted with the effects of bromine, the Freshmen waited for the gas to pass away. Instead, the air became worse and, gasping for breath, the sufferers kicked off boards and jumped to the ground. Several of the men were badly burned. The Sophs attempted to tie the Freshmen but the Freshmen were so weak that they could not resist. The Sophs, realizing the state of affairs, took steps to the relieve their sufferings. Only one judge was present and, as soon as he discovered the state of affairs he declared the scrap off.—Scarlet and Black.

To date there are 132 members in the university battalion. After next Monday Lieut. Cathro expects fifty more, owing to the registry beginning in the Practical School of Agriculture.

Get a sample blanket to keep you warm. They are full width and fit the purse much better than regular stock, at the Hub.

Old style and out of date haircuts remodeled in the most stylish manner at the Hotel Moscow shop.

We have a fine line of Men's dress gloves. They are well worth your inspection, get a pair at the Hub.

## ABOUT THE CAMPUS.

A new A. S. U. I. constitution is being drawn up by the executive board, and will be presented to the student body for ratification in a short time.

At a freshman class meeting last week arrangements were made for securing the regulation green caps. The freshmen have the right spirit.

Harry H. Daus, '11, who is in the employ of the Pottlatch Lumber company, was in town the first of the week looking after the interests of the company.

Classes were held on Columbus Day to make up for the special holiday granted during the Spokane fair.

W. L. Carlyle dean of the College of Agriculture, left Saturday for Colorado Springs to attend the Dry Farming convention. He will be absent for a week.

George H. Curtis, Idaho's fourth Rhodes scholar, arrived in Moscow Saturday evening to visit for a while. Mr. Curtis graduated from the university with the class of 1909. He completed his three years at Oxford this spring and returned to his home near Boise six weeks ago. He may possibly register again at the university for some post graduate work. While in Moscow he is visiting at the Theta Mu Epsilon house, having been one of the charter members of the fraternity.

Fred Lukens, principal of the Pottlatch schools and an '08 graduate of the University, spent Sunday in Moscow visiting friends.

Lester Hoobler, of the College of Law, spent the latter part of last week at the home of his parents in Clarkston, Washington.

The first case to be tried by the senior students of the college of law in their district court, came up for hearing Monday afternoon, with Professor Wilber acting as judge. The case was heard upon a demurrer, and will probably be carried to the supreme court, which will hold sessions during the second semester. This work is in charge of Hon. Frank L. Moore.

### Attention! Ye Studes!

A change in the requirement for continuance in the University has been made by the Faculty since last year. Heretofore any student, making eight or more credits in one semester, was allowed to register. This requirement has been changed to an average of 3,000 in all registered studies of the semester, i. e. an average passing grade of 'D.'

A massage given by an expert workman will remove all that summer dust from your face. Visit Russell's shop and be convinced.

No larger and more up-to-date shoe stock in the city than you find at the Hub. Only the price is much less.

## Kansas Poetry.

The drouth in Kansas is responsible for the following poetical effusions clipped from the Moline (Kansas) Review and handed to us by Dr. W. A. Adair:

Twinkle, twinkle, little spud,  
As among the clouds you seud;  
You are doubtless feeling gay,  
Chasing round the milky way;  
You have reached to such a height  
You are surely out of sight,  
Like a diamond you seem  
In your price—and that's no dream.

Twinkle on another twink,  
But you'll drive us all to drink  
As we chase for needful chink  
You are sailing rather high  
As you wink your shriveled eye.  
Up there somewhere in the sky.  
Little tuber, on my word,  
As a flyer you're a bird.

Spud so mighty, though so small,  
You made diggers of us all—  
Farmers dig you with a hoe,  
While we have to dig for dough.  
If you keep on I'll be bound  
You'll bring bullion pound for pound.

You'll fulfill the adage old  
That you're worth your weight in gold.

Tuber, since the coop you flew,  
We have only longed for you;  
That our freside you forsook,  
Broke our heart and pocketbook,  
Never felt how we could love  
Till you left and went above:  
Never felt how dear you were  
Till we paid four dollars per.

Small potato, please come back;  
In our lives there's such a lack,  
For your presence we so pine  
That our stomach hits our spine.  
We are tired of eating greens,  
Stewed prunes, sauerkraut and beans;

'Tis for you alone we yearn,  
Darling 'tater, please return.

### A Bad Blunder.

The editor of a little Western paper was in the habit of cheering up his subscribers daily with a column of short pertinent comments on their town, their habits, and themselves. The department on account of its intimate personal flavor was the most popular thing in the paper.

The editor, as he saw it growing in favor, gradually allowed himself a wider and wider latitude in his remarks, until the town passed much of its time conjecturing "what he'd das't to say next."

On a hot day, when a simoon whistled gaily up the streets of the town, depositing everywhere its burden of sand, the editor brought forth this gem of thought:

"All the windows along Main street need washing badly."

The next morning he was wailed on by a platoon of indignant citizens who confronted him with the paragraph in question fresh from the hands of the compositor and informed him fiercely that he had gone too far. After a hasty and horrified glance he admitted that he had.

It now read:

"All the widows along Main Street need washing badly."

Misses Gretchen Zumhof and Margaret Stolle were up from Kendrick for the week end.
