## IDAHO DEFEATS WASHINGTON STATE COLLEGE BY A SCORE OF THIRTEEN TO NOTHING

The Bear Stories Emanating From Coach Bender's Camp Were Based on Facts. Score Should have Been Larger.

### MANY ATTEND ATHLETIC BALL

First Big Social Event of the Year is a Notable Success.

There were more than a hundred couples present at the Athletic ball last Saturday night which was held in Eggan's Hall. In fact there were so many there that programs were lacking for those who did not get there on time, only two hundred having been ordered.

The ball was tastily decorated. Gold and white bunting was strung across the ceiling with a canopy effect. At each end of the hall was a goal post, on the one being he figures 13 and the other zero. The one with the zero was decorated with W. S. C.'s crimson and gray. During the "I" special these figures were lighted by means of small light globes placed on them. Many pennants were strung around on the bottom of the balcony.

The dance was supposed to begin at eight o'clock sharp, but owing to the inclemency of the weather, it was found impossible to start the grand march before 9:45. However by shortening the dances a little in the latter part of the evening it was found possible to get to the bottom of the program. The programs were in the form of a little football with the pencil tied to the lacing. It was nearly an exact duplicate program of the one for the athletic ball in 1908.

President Clarence Favre of the athletic board stood at the head of the receiving line. The patronesses of the event were Mrs. J. G. Griffith, Miss Permeal French, Mrs. E. Hellier-Collens, and Mrs. W. B. Carithers. The dance was in charge of a committee composed of Louie Jessup, chairman, Banks Kinnison and John Hayden.

All men who played in the football game were admitted to the ball free of charge, and also all members of the athletic board.

It was Idaho's turn to win and she did. About six hundred students and town people went over to Pullman Friday afternoon on the O.-W. R. & N. and N.P. special trains. Most of the places of business closed down in Moscow to give every one a chance to see the game.

The afternoon was dark, rather cold and a stiff wind blew the first part of the afternoon.

The game was called for 2:30, but it was just five minutes after that when the referee blew his whistle for the kickoff. Following is the game in details:

#### FIRST QUARTER.

Burns kicked off to W. S. C.'s twenty yard line, but the ball was returned about eight yards. W. S. C. then tried three line bucks which netted five yards. They then punted thirty yards to E. Perkins who returned the ball about ten yards. Phillips then punted for twenty five yards. They then punted thirty yards to Lockhart who was downed in his tracks on the five yard line. Lockhart made five yards through the line, and Phillips then punted twenty-five yards. W. S. C. fumbled on their third down and the ball was recovered by E. Perkins. Burns failed to make any thing on a smash through center. Idaho was penalized five yards for offside. She then made five yards through the line. Phillips punted thirty yards, and Rock, the W. S. C. quarter back, was downed in his tracks. W. S. C. punted thirty yards. Lockhart returning it eight yards. Burns went through the line for six yards. W. S. C. was penalized five yards for being offside. Knutsen went through for three yards. On the next play E. Perkins picked a fumble and went five yards before being stopped. Idaho was penalized fifteen yards for holding. Lockhart failed to make anything on a forward pass. Phillips then punted thirty yards. W. S. C. failed to make anything on two line bucks. They then punted thirty-five yards which Lockhart returned fifteen

yards. On the next play Idaho was penalized fifteen yards on account of E. Perkins hurdling. Phillips punted thirty yards and the ball was caught by a fair catch. W. S. C. kicked to Idaho's five yard line, which was returned fifteen yards by Burns who was laid out for a few minutes by the fierce tackling Idaho tried two end runs which did not net yardage, and Phillips punted for thirty-five yards, and again a fair catch was made. Kienholz W. S. C. half back went through the line for five yards when scrimmage was resumed. Time was called for the first quarter with the ball at the exact center of the field in W. S. C.'s possession. The quarter was all played in Idaho's territory.

#### SECOND QUARTER.

The teams changed goals. W. S. C. made an end run and a line buck which netted them yardage for the first time during the game. They then made three line bucks for three yards, and were forced to punt. The ball went twenty-five yards to Lockhart. Phillips then punted thirty-five yards which was returned five yards. Kienholz went through the Idaho line for six yards. W. S. C. made twenty-five yards on a forward pass. In the next play Phillips was laid out with a sprained ankle and Kinnison was shifted to tackle and McCormick went in at guard. W. S. C. made five yards around the end and on the next play tried a place kick which fell short. The teams lined up and Burns kicked forty yards which was returned ten. Foster, W. S. C. fullback was caught behind the line for a ten yard loss. On the next two plays they made their yardage. They then tried a forward pass which resulted in an incomplete. On the next play they succeeded in making a forward pass for fifteen yards. They again tried a place kick but missed it to the left about two feet. The teams lined up and Burns kicked forty yards which was returned seven yards.

### REGENTS HOLD REGULAR MEETING

All Members Present With Exception of D. Worth Clark.

The regents of the university had their regular October meeting last week. The sessions were occupied in reviewing the reports of the various committees and departments of the faculty. The financial reports and reports on admissions and attendance, and the material for the biennial report of the board of regents were the chief items of interest at the meeting.

The library will be open a month during the evening for a month preceding the semester examinations. This action was taken by the board of regents in response to a petition signed by a large number of the university students. The Board was of the opinion that this concession was all they were financially able to grant.

In regard to the occupations of the Idaho athletic field by the Latah County Fair association, the views of the A. S. U. I. committee were heard. The interests of the student body will be fully protected. No lease was entered into with the fair association, but when this is done the interest of the student body will be carefully regarded.

#### Are You Going to Drop Any Subject?

Dean Eldridge announces that the final limit for dropping a course without the penalty of receiving an "F" in it for the term has been extended to five o'clock Wednesday October 23rd.

This means that if you are contemplating dropping any of your work, you will have to hurry into the dean's office before five o'clock Wednesday. If you neglect this little detail, your semester report is apt to have more than one color on it.

## IDAHO DEFEATS W. S. C.

[Continued from page two]

They got away with a forward pass for about thirty yards, but could make nothing through the line in two attempts so tried another place kick which was blocked and carried sixty yards by E. Perkins. Perkins made twelve yards around left end, and two line bucks were made which placed the ball on W. S. C.'s four foot line when time was called. Until the last three minutes of play W. S. C. had every advantage and had they had any luck whatever, would have scored on a place kick.

### SECOND HALF

The second half began at three forty-five. W. S. C. kicking off. Lockhart fumbled the ball but returned it about eight yards. Kinnison punted thirty-five yards. W. S. C. lost five yards on an end run, and then punted fifteen yards, the ball going out of bounds. Knutsen went through the line for eight yards, and on the next play Lockhart went through for three, which resulted in yardage. Burns then went through for two yards, Perkins for three and Knutsen for eight, yardage being made. Knutsen went through for seven yards and Perkins four, and for the third time yardage was made. At this point Cosch Griffith astonished the howling mob on the hillside by substituting Brown for Perkins. Brown made two bucks for a substantial gain and Brown carried the ball over on the next play. Lockhart failed to kick goal. Score—Idaho, 6; W. S. C. nctuing.

Pullman kicked off. Lockhart returning the ball fifteen yards. Brown went through the line for eight yards. W. S. C. penalized five yards for being off side. Idaho penalized for the same offense. Kinnison punted for thirty yards. Pullman came through the line for eight yards. Favre was knocked out for about five minutes. Pullman punted for twenty five yards. Brown went through for eight yards and Knutsen went over for three yards, which resulted in yardage for Idaho. Burns went through the line for twelve yards. On the next play Knutsen went through for four yards but the next time Harter caught Brown behind the line. A forward pass was made by Burns to Leuschel for thirty yards. Brown and Burns carried the ball to within two feet of the W. S. C. line when time was called for the quarter. During this quarter Idaho was in possession of the ball during almost the entire time.

### FOURTH QUARTER

The teams changed goals. Knutsen easily went over the line for a touchdown. Lockhart kicked goal. Score—Idaho 13; W. S. C. 0. Burns kicked off. Pullman lost fifteen yards by failing to get

a forward pass away. They then punted forty-five yards which was returned twelve yards by Lockhart. Pullman intercepted a forward pass thrown by Johnson. They tried three forward passes all of which were incomplete. They then punted thirty-five yards which was returned twenty-five yards by Lockhart. Burns went through the line for seven yards, but on the next play Idaho was penalized fifteen yards for holding. A forward pass for twenty yards was made from Burns to Johnson. Knutsen went through the line for three yards which gave Idaho yardage. Two line bucks resulted in a small gain and then W. S. C. intercepted a forward pass. Pullman tried a forward pass but failed. They then succeeded in making one for a gain of fifteen yards and tried another which Johnson intercepted. A line buck netted a small gain and a forward pass from Johnson to Burns gave Idaho an additional five yards. Kinnison punted eighteen yards, Pullman made one yard on a forward pass. Tried another one which P. Perkins intercepted and returned five yards. Brown went through the line for four yards. The game ended with the ball in W. S. C.'s territory.

Eddie Kienholz and "Shorty" Harter played an excellent game for Pullman. Harter was all-northwest center last year, and if Kienholz keeps up his present rate, he will have no trouble in being chosen for the all-northwest team this year. W. S. C. was troubled with a green team, only having four old heads in the line up. Captain Joe Harter was out of the game with a bad leg.

For Idaho, it would be hard to pick out the stars. Idaho had it on W. S. C. in almost every position. Harter did succeed in breaking up a few plays, however. The line did excellent work. After E. Perkins made his long run after blocking the place kick, there never was a question as to the outcome of the game. That was the turning point. Brown did good work, considering it being his first college game. The ends and back field were exceptionally good. Lockhart fumbled but one punt all afternoon and lost nothing on that as he recovered it and advanced the ball.

Mrs. Doyle, registrar of the southwest precinct of Moscow will be at the Administration building nearly all day Wednesday to register all students who have a desire to vote at the election this fall. In order to vote it will be necessary to register. There is no charge.

Orchestra rehearsal will take place Wednesday evening at 7:30. From now on the regular rehearsal will take place at this time.

Dobie says, "The game with Pullman does not weaken Pullman a bit. It merely shows that Idaho has the strongest team in the Northwest conference this year. I am expecting the fight of the University of Washington's football career with the Moscow bunch next Saturday."

## LOCALS

There will be a reception to the musical students Friday, October 25th, 8:30 to 10:30 at Ridenbaugh hall.

Nat Carr, ex-'13, was married to Miss Virgie Wilson of Moscow by the Rev. D. H. Hare at 10:30 a. m. yesterday morning. The marriage was a complete surprise to the hundreds of friends of the happy young couple and not until they had left for Spokane on the Inland train did the news leak out. Mr. Carr is a valued employe of the harvester works of this city.

Mr. Carr was first lieutenant of Company "A" during his sophomore year and was registered in the mechanical engineering department.

The girls at Ridenbaugh hall will give their annual Halloween party this year, Friday night, November 1st.

Roy O. Johnson returned from Lewiston last Wednesday where he went to take the bar examination before the supreme court of the state. He was entirely successful as was also LeRoy McCann who also graduated from the law school last year. Five out of six candidates passed the examination.

The football team will leave next Thursday afternoon for Seattle where they play the University of Washington Saturday. Doble, according to all reports, is intensely worried about the outcome of the game.

Miss Marie Kettenbach, ex '12, who later attended the University of Washington, visited at the Gamma Phi house the latter part of the week.

William P. Hillman, ex '13, captain of last year's football team, attended the game last Friday.

Rodney Small, who was one of Idaho's greatest quarterbacks, and who was for two years holder in the All-northwest team of that position, was on the side lines at the game.

Miss Ruth Motie, '16, left for her home in Spokane Sunday morning to visit for a few days.

Mr. and Mrs. A. K. Stoddard, of Nampa, spent Saturday and Sunday with their daughter Veda at the Omega Pi House.

Attorney J. E. Gyde, of Wallace, visited his daughter Constance at the Gamma Phi Beta house Sunday.

Miss Harriet Bolger, who is teaching in Winchester this year, spent the week end at the Gamma Phi Beta house.

Omega Pi entertained at dinner Sunday, Herbert Sieler, Jim Lockhart, Victor Sieler, Clyde Cornwall, Ray Brookhart and J. Penn Fix of Lewiston.

Mrs. S. H. Hays, vice-president of the board of regents, spent last week with her daughter Elizabeth at the Gamma Phi Beta house.

Misses Marie Kettenbach and Margaret Butler came up from Lewiston to attend the game and the athletic ball, and are spending this week at the Gamma Phi Beta house.

Mrs. Hazel Hammermeister was unexpectedly called to her home in Blackfoot last week by the serious illness of her father. It is not likely that she will back this year.

Miss Helen Noyes, of Spokane, spent last week at the Gamma Phi Beta house, having come down for the game and the athletic ball.

Sunday afternoon Miss French entertained at dinner, Mrs. Burns, of Payette, Robert Burns, Margaret Butler, Irene Tosney and Clough Perkins.

Misses Linda Rae, of Garfield, Washington, Marie Kettenbach and Helen Noyes were dinner guests of Gamma Phi Beta, Sunday.

Misses Irene Tosney, Flo McConnel and Grace Bolger spent Friday at the Pi Delta Phi house in Pullman, and attended the Sophomore dance there that evening.

### Law School!

Why does the small boy delight in smoking whipstook cigars or coffee cigarettes? It is hard to say, unless he thinks it smart to assume a vice though he has it not. It is probably this same peculiar trait of the human mind which leads some people to think that peccadillos and even grave breaches of morals are marks of maturity and manhood. On the contrary their deliberate acquisition or ostentation are sure signs of green immaturity and childishness of mind. The law students who gave a profane yell during one of the rallies down town last week doubtlessly wanted to show that they were sophisticated men of the world. What they did show was that they have not yet outgrown old childish habits of thought.

But their conduct is not to be excused on the ground of its senseless kiddishness. No college in the country can condone wanton profanity in a college yell. Furthermore aside from the fact that it is a flagrant violation of common decency students ought to have too much respect for their university to bring discredit to it in anyway.

Swear by your college, but don't in the peculiar perversity of your legal mind interpret swear to mean blasphemy.

Football men who played in the W. S. C. - Idaho game were admitted free of charge to the Athletic Ball. Just why preference should be shown to football men and not to other "I" men is hard to understand. While the ball is customarily held during the football season, nevertheless it is known as the Athletic Ball and is supposed to be given as a tribute to all men who take part in college sports.

A man who earns his "I" in track and basketball surely puts forth every effort to win just as much as does the football man. Looks as though there is a line of distinction between a man who earns his letter in football and one who earns it in other college sports.

The game between W. S. C. and Idaho resulted in a victory for Idaho. To the team itself belongs the whole victory. The old old story of Idaho spirit winning football games did not hold in this case. The big rally Thursday night was a frost. It seemed that about one-half of the men students took part in the parade. As the procession passed along the crowds on Main street one could see many students standing in the crowds. And lots of these students were freshmen. It may be that the freshman has not yet been inspired with the "spirit," but if he is not, the sooner he is inspired the better off he will be. There does not seem to be a great deal of excuse for upperclassmen not taking part in a rally. It looks a little out of place for a student to take a co-ed to a football rally. Yet there were innumerable cases of this very thing last Thursday night. The place for every able-bodied Idaho student at a football rally is in his pajamas or night shirt and in the serpentine procession.

There seemed to be more or less confusion caused at the Athletic Ball last Saturday night, by having to give the check boy a fee before the coats and hats could be checked. It seemed to be setting a precedent, as this has been the case at no other college dance during the last two or three years.

It looks as though after paying \$1.50 for the dance one is entitled to a little privilege like having his cloaks checked, free of charge.

The athletic relations between Idaho and W. S. C. improve every year. We hear stories of the antagonistic spirit which used to prevail between the two schools. According to the stories, in those days a fight was perfectly justifiable upon a student from one school meeting a student from the other. Those days are gone. Of course there is still a spirited athletic rivalry between the two schools, as there should be.

The first meeting of the year of the Idaho-Washington section of the American Chemical Society, which was held at Pullman last Saturday afternoon, was attended by seven members of the faculty of the University of Idaho, and by three members of the junior class in chemical engineering. The meeting was presided over by Prof. J. Shirley Jones, head of the department of agricultural chemistry at the University of Idaho. Dr. C. L. von Ende gave an address on Freshman Chemistry that was quite illuminating to the W. S. C. contingent. A paper on the Determination of Iron and Alumina in Organic Ash was read by Mr. Colver, of the Idaho Experiment Station. An inspection of the laboratories by visitors preceded the program. The members of the society remained to a dinner served in the evening.

## STUDENT AFFAIRS

### AT ASSEMBLY.

There seemed to be a great check on the spirit of the students at assembly last Wednesday, because there was so little time and so much to do and say. The reports of committees were dispensed with until another meeting. The amendment to the by-laws of the constitution of the A. S. U. I., providing for the election of captains of athletic teams by "I" men only was adopted. The question of the freshmen green caps was brought up, and much enthusiasm was shown upon the subject.

After the freshman cap question was disposed of Ted Watts, the yell leader, was given charge of the meeting and yells were given and college songs sung. Speeches were given by different members of the team and others.

The fear that the next hour might be encroached upon seemed to hang like a cloud, deadening the real spirit of the students, yet they were nothing like dead. Instead of a rally in front of the administration building the students went to their classes or directly home.

### "Rallies."

If there was any spirit lacking at assembly it was all gained back by the co-eds in their rally Tuesday evening. About every girl at college was out, and with spirit, too. The rally of the girls was followed on Wednesday evening by a rally of the boys. The rally started from the Kappa Sigma house and wound around up town. A great deal of spirit was displayed in the serpentine and other fancy dances. The rally broke up early and the freshmen proceeded to build their annual bonfire. The usual complaints were filed with the bursar and president for property lost or taken. Among the number of complainants was a barber who lost his pole. The freshmen must have had a hard time finding material for their fire, as a barber pole doesn't possess much burning material.

The real rally on Thursday night was filled with little "pep." There was a great deal of mud in the street, which kept many people out of the serpentine procession. There was a large crowd at the fire, and after the usual speeches and yells the line started up town. Generous calls were made upon the picture shows, and a good old ragtime dance held in the streets among the boys. The rally broke up early in order to save a good deal of lung power for the real contest on Friday.

### Debate News.

Despite the fact that many of the old debaters were conspicuous by their absence from the meeting held Tuesday afternoon for the purpose of talking over the question that is to be debated with Pacific University, the prospects for a creditable showing in the two contests that are to be held in January are not particularly discouraging. Twenty men have signified their intention of entering the trial debate. Their youth and inexperience are compensated for, in part at least, by their

earnestness, and earnestness coupled with lots of hard work will do wonders.

The question deals with the incorporation of labor unions. It is an interesting subject, admirably adapted in this year of a presidential election, when partisan feeling is universally high, for an intercollegiate debate, for it is removed from the field of party politics.

It is to be hoped that the twenty candidates will buckle down to hard work. So many of them are new men, members of our large freshman class, that it is well to impress upon them that a great deal of hard work will be necessary in order to make a place on one of the two teams, but that the result is well worth the effort. The debate itself, aside from all the incidental advantages, is worth all the effort it costs to win a place on the team. Participation in an intercollegiate debate is surely "one crowded hour." And is it not true that

"One crowded hour of glorious strife  
Is worth an age without a name?"

At least we think so. Buckle down, freshmen, do your best. The splendid fame of Idaho rests with you, and we believe it rests in good hands.

For her triangular debate with Whitman and Washington State College, the University of Washington has proposed the subject of a minimum wage. It is an excellent subject, timely, vital and interesting.

An attempt was made to secure a debate with the Washington State College, but owing to the delay on the part of that College, it will be impossible for Idaho to hold that debate this year.

Utah has a new debate coach, one of her old debaters who has been to Oxford as a Rhodes scholar.

There are forty-four students in the class in public speaking. This a striking demonstration of the need in our institution of an instructor for that class.

### The New Wing.

The rooms of the new wing which will be completed about the middle of November have been assigned to the various departments. The room on the lower floor will be turned over to the civil engineering department, for use as a departmental drafting room, the room on the second floor will be assigned to the biology department and the room on the third floor to home science department.

The contract does not call for the completion of the floor above the auditorium, but it is understood that this space will be divided into eight class rooms which will be assigned to the different departments at a later time.

Business Manager Walter Scott of the 1914 Gem of the Mountains says that it is imperative for all photographs of the members of the three lower classes to be taken before the holidays.

## 1911-1912 HONOR LIST ANNOUNCED

### Two Graduates With Highest Honors—Five With High Honors.

The dean has issued the honor lists and pass lists in pamphlet form, copies of which may be obtained from the bursar's office.

Only two graduates made highest honors, Miss Mattie Heer, B. M., of Silver City, and Miss Lydia Lahtinen of Mountainhome. Five grads made the high honor list and eight, honors. Following is the complete honor list for last year:

#### Whitman Defeats Oregon.

The students at Idaho were surprised last Saturday evening when they learned that Whitman had administered a crushing defeat to Oregon univeristy. The sentiment around here was that Whitman would probably again be possessor of one of the weaker teams in the conference. But any team that can defeat Oregon twenty to nothing will have to be taken into account.

During th past six or eight years Oregon has had pretty easy sailing. Idaho has never defeated Oregon, the closest to a victory being a tie game. It begins to look as though our time for a victory has come.

It looks as though Washington State and Oregon have already been eliminated from a chance at the championship of the conference.

## NOTES OF THE GAME

George Varnell, sporting editor of the Spokane Chronicle, refereed the game.

Graduate Manager Larson had planned to take the team over in autos but the weather was a little too cold to making riding comfortable.

Idaho was penalized for a total of fifty-five yards while W. S. C. suffered a penalty of only ten yards.

W. S. C. was unlucky in that she did not succeed in getting a place kick out of three easy trials.

Phillips was taken out of the game with a sprained ankle but he was on the sideline ready to go in if he was needed. He should be in perfectly good shape next Saturday when Idaho meets Washington at Seattle.

It looked as though the coach took E. Perkins out of the game to save him up for later on in the game if he was needed.

The cheering was about equal. In Eddie Pape, Pullman has a good yell leader. Part of the time he lead them from a high platform, and between halves he climbed up in the cross bar out in the field while they formed a circle beneath him.

Many Idaho students went over in automobiles and carriages. There seemed to be a whole procession as the train passed them.

During the intermission between halves, the W. S. C. and Idaho rooters followed their respective bands in a serpentine over the field. It looked as though they were going to mix on several occasions.

W. S. C. students were determined that Idaho was not going to ring their bell this year as they did two years ago. It looked as though there were about two hundred aggies on and around the bell. Not did it ring.

Idaho marched around the main streets of Pullman immediately after the game. Some W.S.C. men thought they would stop the procession by blocking the sidewalk with a buggy. It looked as though there was going to be some real excitement for a minute.

There was more or less good-natured jostling caused by color snatching. Most of it was good natured, however. The W. S. C. freshmen seemed to be the chief offenders in this respect.

Burns seems to be the best kicker on the Idaho team. He gets his punts away quickly, they stay close to the ground and seem to have remarkable carrying power.

Knutsen played an excellent game for Idaho. Whenever it was absolutely necessary to advance the ball a few yards, Knut-

sen could be depended on. With a little more weight he would be a wizard.

One business house at Pullman had a placard which showed Coach Bender jumping on the prostrate body of Coach Griffith. Coach Bender was shown as saying "I say W. S. C. will win" and Coach Griffith saying "I assert that she won't. After the game the card was turned upside down.

Another placard showed Captain Joe Harter blowing whole Idaho team off its feet, with the inscription "Just like a chinook"

The train service coming home was miserable. The train had been advertised to leave right after the game, which ended about 4:30 but the train did not leave until 6:10, and then it took about forty minutes to come nine miles.

It looked as though Coach Bender was trying to coach his team from the side line on several different occasions. There is not much doubt but that he told them to try a place kick in the first half.

It appears that Pullman had a small casket over there with a placard in it which said "Here lies Idaho's hopes," which they intended springing on the Idaho students after the game (if they were successful). Some of the Idaho girls managed to steal the placard and two Idaho students grabbed the casket and carried it nearly to town and had put it in a cab when they were overtaken and the casket recovered by the W. S. C. bunch.

## In The Gymnasium.

The short course aggies began their gymnasium work Monday. They have five month's work ahead of them are taking great interest in it.

Mr. Van der Veer is planning to stage at least five indoor track meets this winter in addition to the meets between the different classes of the short course ags. The first one will probably occur just before the Thanksgiving vacation.

There were twenty-eight students present at the first dancing class held last Saturday morning by Miss Stephens of the physical education department. Eight of those present were girls. This course will undoubtedly prove very popular.

There will probably be another cross country run held next Friday, if everything proves favorable.

There are a number of Argonauts lying on the table beside the mail box in the Administration building. If you are not receiving your paper please notify Roy E. Tuttle, or Thos. Doyle.

## Incomes of College Men.

The Yale Alumni Weekly presents in its first number of the year figures showing the average incomes of 184 graduates of the Yale class of '06, 188 of the Sheffield class of '06 and 155 of the Princeton class of '01, for the five years after graduation, with the figures for the Princeton class continued for the ten years after graduation. They are reprinted below, in the order just mentioned:

First year,	\$ 740.14,	\$ 683.85,
	\$ 706.44.	
Second year,	968.80,	898.39,
	902.39.	
Third year,	1,286.91,	1,257.24,
	1,198.94.	
Fourth year,	1,522.98,	1,686.14,
	1,651.15.	
Fifth year,	1,885.31,	2,040.04,
	2,039.42.	

The Princeton figures for the years from the six to the tenth after graduation, inclusive, continue as follow:

Sixth year,	\$ 2,408.30.
Seventh year,	2,382.33.
Eighth year,	2,709.37.
Ninth year,	3,221.89.
Tenth year,	3,803.58.

A two hundred and fifty thousand dollar stadium will be built by the city of Seattle on the University of Washington campus, if plans now being made by the committee in charge of the enterprise carry through. The stadium will make ample provision for football, baseball and a quarter-mile running track, with places for jumping and weight events. It will be built below the level of Lake Washington, so that it can be flooded when occasion demands and be used for aquatics. It will be built on the ground now occupied by the old A. Y. P. stadium, and will probably be ready for use next fall.—Exchange.

## Co-Eds Barred From Library.

Radcliffe College girls are no longer allowed the complete freedom of the Harvard library. They may enter not more than six in a group and they must be "segregated" in a special room.

Here are the leading reasons as the Harvard library head has found them.

"More than six girls make a crowd. "They chatter so much they disturb the other workers.

"They litter the tables and desks with hats, handbags and papers.

"They crowd out learned professors

"Worst of all they distract the pages or attendants so that it is almost impossible for others to get books on time."

The spectacle of a University of Wisconsin sophomore sprinting through a pasture in B. V. D.'s was presented there following a hazing bee in which a number of juniors "had fun" with a second-year man.

The sophomore was dragged from his room in a fraternity house and locked up in a boxcar on a sidetrack near Madison.

The sophomores at the University of Montana recently established a new tradition. They have built a large block (M) on a nearby hill and have delegated the class of 1916 to keep it polished up. Hereafter each freshman class will be expected to do this.

The Cornell Freshmen have a heavy football schedule this year, with seven games planned. The last game of the season will be the annual struggle with the Pennsylvania Freshmen. The game with the Harvard first-year men has been dropped from the list this fall.

The editors of the Daily Delphic at Drake University will get university credit for the work done on the college publication this year. This decision was made after a lengthy consultation between the heads of the English and Journalism departments.

The law students of the University of California are planning to issue a law review. If the plan is carried out the Review will be the first judicial paper published by a law school west of the Mississippi.

Kansas University for the second time in its history boasts a girl in the engineering school.

The literary societies of Cornell have adopted rushing rules which are very strict and cover many points.

The Alumnus, official publication of the University of Washington graduates, which died a natural death last year, will resume publication next month with W. A. Simonds, '12, as editor, and Wylie Hemphill, '11, as business manager. No advertisements will be run, and the paper will be financed entirely by the alumni.

Ralph Luts, professor of history, and Wylie Hemphill, W. T. Laube and Hanson, Seattle business men, will constitute the advisory board appointed by N. R. Durham, president of the organization.—Exchange.
