UNIVERSITY OF IDAHO, MOSCOW, IDAHO, MAY 6, 1913

NUMBER 34

## IDAHO BREAKS EVEN WITH WHITMAN

Visitors Take First Game, 8-0—Idaho Comes Back With a 13 to 4 Score.

The Idaho batters were unable to do anything with the pitching of Captain Cleman of the Whitman baseball team last Thursday, making but three hits, two of them scratches. On the other hand, Whitman made but three scores until the ninth inning, when the balloon went up and the visitors romped home with five runs.

Gerlough was not hit at all hard, but his support failed him miserably at the critical moments. Gerlough, himself, was the chief offender with three errors. Dock Numbers and Artie Jardine each contributed two, and Hayden muffed a fly that resulted in one run. Whitman made four errors, none of which were costly.

Whitman scored in the second inning when Hayden muffed Niles's fly, permitting him to go to second; Niles took third on an out and came home when Robinson let a low one go through him. In the next inning, they added another one, when Fitts hit for two bases and came home on errors made by Numbers and Gerlough. In the eighth inning Niles hit for two bases, took third on an infield out and came home when Numbers booted the ball. It would never do to speak of the catastrophe in the ninth inning. Hayden made the only clean hit for Idaho, a drive to left field.

Following is the score:

Innings	1	2	3	4	5	6	7	8	9
Whitman	0	1	0	1	0	0	0	1	5-8
Idaho	0	0	0	0	0	0	0	0	0-0

In the second game, Idaho started off with a rush, making two runs in the first inning, five in the second and (Continued on page 5.)

## BEST EVER HELD AT IDAHO

Record Breaking Time in Several Events—Boise Wins by Overwhelming Margin.

A large and enthusiastic audience, a bright clear day, and the shattering of several interscholastic records combined to make the finals of the last interscholastic track meet the best ever pulled off in the Northwest. Early in the day it was plain that Boise was going to win the meet, but that did not detract from the interest of the affair in the least. In several of the contests the fight for first was as pretty a one as you will ever see. Probably the best race of the day, and the one that attracted the most interest, was the mile run, in which Gerlough of Boise and DeHaven of Grangeville were both highly touted. Gerlough won in the year before and DeHaven came up with blood in his eye. DeHaven won in the fast time of 4.49. (Some speed for a high schooler). Calhoun and Carley also put up great sorans in the dashes, Calhoun winning the 5, and Carley the 100 and 220; the finishes were all close.

With such a successful meet this year, let us hope that it will be continued in the future. An interscholastic is one of the best advertisements that the school can have and gets the high schools and the college closer together.

Nourse of Boise won the individual cup with 20 points, Carley of Boise was second with, 18 and

Harbke of Nez Perce was third with 16. Nourse won first in the hammer, javelin, discus, and shot. He made a new record in the hammer with a heave of 153 feet. Carley won first in the 100, 220 and 120 hurdles, and second in the fifty. He broke his old record in the 220 by 2.5 of a second. Harbke took second in the high jump, 120 hurdles, shot out, and discus and took third in the hammer.

Boise won the meet with a total of 69 points, Colfax was second with 20 points, Nez Perce third with 19 points, and Coeur d'Alene fourth with 13 points.

The medals were presented by Pres. Carlyle at the Senior play held in the auditorium on that night. A large crowd was present to catch a glimpse of our future students.

### A SUMMARY OF EVENTS

50 Yard Dash—Calhoun (B), Mosely (B). Time 5 3.

(Continued on page 6)

## IDAHO MAY HAVE STUDENT TICKETS

Board of Regents Approve the Idea. Will be Voted on at Assembly Wednesday.

On Wednesday May 14th will come up in assembly the matter of the students deciding whether or not they will adopt the student ticket plan.

The plan evolves from the fertile brain of Graduate Manager Larson who has been working on it for two or three years, and has finally brought it into such shape that it was presented to the board of regents at their last session and approved by them, and left to the student body. The plan as presented to the regents by Mr. Larson is as follows:

"There is a movement on among the student body to raise the registration fee to five dollars per semester and to hereafter run all student events on the season ticket plan. Under this plan a student will receive a ticket at the time of registration that will admit him to all student events without any further charge.

"At the present time each student pays a four dollar registration fee and pays out from ten to fifteen dollars more per year if he attends all athletic and other events. The above proposed plan not only saves the students considerable money, but insures a paying basis for all events. The plan will enable all students to attend all events by paying only one dollar more than they do now, and will distribute the financial burden more evenly.

"This student ticket plan of five dollars per semester is used with great success at the University of Oregon, University of Washington and Washington State college.

"As graduate manager I recommend and ask that the regents sanction and approve this student ticket plan on the provision that it be passed by the student body at one of their regular meetings this spring"

Othel Martin was a Pullman visitor Saturday, having gone over to attend the Whitman—W. S. C. track meet.

Miss Hester Baker of Walla Walla was the guest of Gamma Phi Beta during the interscholastic track meet.

Ursel Strobeck and Ellen McCrossin spent the week-end in Lewiston visiting Bessie Perkins.

## SENIORS PRESENT VAUDEVILLE

Medals Presented to Interscholastic Winners During the Evening.

The seniors were indeed fortunate in that they were able to present a play last Friday night after the finals of the interscholastic track meet, in the new auditorium.

The presentation was of the same nature as that presented by the same class down town last winter, a vaudeville, followed by a playlet.

Outside of a few mechanical faults, such as the curtain not touching the floor and furnishing a view of the feet of the participants, the curtains refusing to work, and the slowness with which the different numbers were presented, everything was good.

The first number of a Spanish dance in costume by Lorraine Rank, Helen Pitcairn, Mary Petoira, Elizabeth Holaday, Florence Stevenson, Clara Hockett and Gladys McFarland. The dance was gotten up under the direction of Miss Isabel Stephens, director of physical education for women, and took well with the audience. They were forced to respond to an encore.

E. Perkins and E. K. Humphries "got their act across" in great style. Their singing was excellent as was their dancing. This team was forced to respond to several encores, each one getting better. Vestal Hockett did not appear to such good advantage as he did last winter. His costume and make up were lacking. Horace Chamberlain, as the whistling news boy, brought forth much applause. Attired in a dirty ragged suit with a baseball and glove, he did some really clever work and was forced to respond to an encore.

The headliner of the evening was the comedy sketch presented by the senior girls and E. Perkins, and was a presentation of what might take place at any college. All of the girls did some unusually good work. Kathryn Smith, Iva Emmett and Winnifred Brown, probably starring. The playlet was good the whole way through.

Following is the cast and synopsis of the playlet:

Grave and reverent seniors:  
Nancy Norris or Nan -  
- - - Kathryn Smith  
Elizabeth Earle or Betty -  
- - - Jessie Coram

Gay and festive juniors:

The office of The Argonaut is in the publicity office, next door to the bursar's office. A member of the staff may be found in the office any afternoon except Tuesday. All contributions gladly received up until Monday noon of each week. Paper goes to press Tuesday.

The matter of passing the student ticket plan at the next assembly is an important one. Idaho is not a large enough school as yet, nor is the town such that it can support the athletics at the university as well as it should. While it may mean one dollar more at the beginning of each semester, this money is but a trifle to that required to attend all athletic events during the year and with the student ticket plan, every one will attend most of the events thus helping out the old Idaho spirit for which the school was once noted.

There should not be one dissenting vote, for with the new field and new facilities, next year promises to be the very best in the history of the university. Every one be present at assembly and vote for the season ticket plan!

At student assembly next Wednesday May 14th will occur the nominations of student body officers, and on the Friday following, the election of the same.

While the matter of holding a student body office is an honorable one, it is not a question of so much weight that unfair tactics should be resorted to in order to obtain the office. Every year there is more or less electioneering on the few days preceding election and some of the students who look to be doubtful voters are pestered to death by office seekers or their political allies. These sorts of tactics are manifestly unfair. We are in favor of doing away with all this sort of thing and letting the election pass off quietly, and let the students vote for whoever they think are best fitted to hold office.

Every student owes it to himself to vote in order to prove that he is alive.

Clara Campbell, who was called home two weeks ago by the serious illness of her brother, returned to college Thursday.

Misses Anna Webb and Pauline Mohr of Coeur d'Alene were the guests of Omega Pi at dinner Friday evening.

### What is an Amateur?

What is an amateur athlete? Listen and you shall hear. He is one who has never used his athletic skill for gain. He is one who has never played baseball for money. He is one who has never played against professionals in a game where admission was charged nor where any part of the proceeds was distributed among the members of the teams. The amateur athlete has never received compensation for teaching another athlete how to win points. Nor has he ever participated in a Sunday school picnic race where more than a box of candy was offered as a prize. He has never won a prize pig at a corn blowing contest nor has he ever been proclaimed champion at a pie-eating match. He has never tossed nickels at a crack. The amateur athlete has never either matched pennies or played marbles for keeps. What is an amateur athlete? He is a nonentity.—Minnesota Daily.

Gale Seaman, student secretary of the Y. M. C. A. for the Pacific coast was a visitor at the university Saturday and Sunday. He gave a very interesting lecture to a number of men Saturday evening at Morrill hall which was illustrated by stereoscopic views of Northwest conference scenes.

Mr. Seaman has been visiting the different institutions of the Northwest and reports that they all expect to send large delegations to Columbia Beach. "With over two hundred men in college," said Mr. Seaman, "you should have no difficulty in obtaining a representation of at least ten men from Idaho. Institutions no more distant than yours, and where the expense of attending is as great often send from twenty-five to thirty men to these gatherings."

Since Mr. Seaman was obliged to leave on the 3 o'clock train, it was decided to postpone the "trackmeet" with Pullman until a later date, when the weather would be more auspicious for the event.

## AT ASSEMBLY

The main feature of the student assembly which was held last week was the consideration of the amendments to the constitution of the A. S. U. I. proposed the week before by C. E. Watts.

The meeting was called to order by the president, and the minutes of the last two meetings read and approved. As there was no old business to come up the consideration of the amendments was proposed was taken up, and voted on by sections. The first which provided for the changing of the time of the election of the editor of the Argonaut from the regular election, to a separate election to be held on the first Monday of April, was voted down by a veto of 110 for and 76 against. Being an amendment to the constitution it required a two thirds vote to carry, hence the amendment was lost. The second amendment which provided for the nomination of candidates for the office of editor to be in the hands of a committee of faculty members and some of the officers of the student body, was voted down by a very large majority, after considerable debate. The third section of the amendment was carried. It provided for the supervision of the editing of the paper by the executive board, and gave responsibility of every other issue of the paper to the associate editor. Also the last section was adopted. It provided for the raise of the compensation of the editor from \$2.00 to \$3.00.

It was announced by the president that if the students did not attend the assembly of their own accord that measures would be taken by the faculty to enforce attendance. It was also stated that the seniors had chosen their seats for the assembly period, and that the juniors, sophomores and freshmen would be expected to do so, in the respective order, and that the faculty would take what was left.

Professor Soulen announced that there would be a summer session of the university held again this summer, and urged that all the students do their part in boosting for the same. It was announced by the president that at the next student assembly which would be two weeks from that date, the nominations for the officers of the student body for next year would be made and the election held on the following Friday.

After the announcements were all made there was a short rally, for the interscholastic meet. Watts the yell leader took charge and a few yells were given. Speeches were made by Professors Stewart and Larson, Coach Griffith and Track Coach Edmundson. The meeting was closed by an inspiring talk by Dean Carlyle, now acting president of the university.

Rose Nieler is confined to her room this week with the mumps.

## Y. M. C. A. Cabinet Appointed.

Most of the cabinet positions of the Y. M. C. A. for next year have been appointed, and the committees are being organized and policies being drawn up for effective work during next year, according to Chester Smith, the new president of the association.

Representatives from each of the classes of the college and from all departments are included in the list, and are well known members of the student body. Many of the men will attend the Northwest conference in June, and the association is looking forward to a very successful year in 1913-14. The committee chairmen that have been appointed are Ralph Perkins, membership; Paul Wenger, social; George Isamen, Bible study; Glen Morton, mission; Sam Jensen, church relationship; Marvin Monroe, temperance.

During the remainder of the year, the devotional meetings on Sunday afternoons will be given over to a discussion of the work of the various committees. The cabinet and any members of the faculty or students interested in the work of the association are expected to participate. The work of the social committee will be discussed next Sunday.

## Prep Squall.

1913 is the last year of the Preps. When the year is ended the prep department once one of the strongest departments in the university will have passed away. Realizing that this will be their last opportunity, the Preps are going to end the year of college dances by the "Prep Squall," the event of the prep year.

That this dance will exceed all the former affairs of his department there is no doubt. This year there is a sum of about \$200 remaining in the treasury. Some way must be found to decrease this amount before the prep department is ended. This sum will be expended in adding to the sumptuousness of the "Squall."

The "Squall" is a regular college event, open to all students. The price of tickets will be fifty cents. Such an extremely low price will not detract from the dance, however, because the treasury money will cover an deficit.

## Notice - National Science for B. A. Students.

The following resolution was adopted:

Resolved, That the requirement of a year of Natural Science for B. A. students be interpreted to mean not less than six credits in some one of the following departments: Bacteriology, botany, chemistry, geology, physics.  
J. G. ELDRIDGE, Dean.

Miss Beryl Johnson of Coeur d'Alene visited Delta Gamma during the track meet.

# WAKE UP! WE'RE AWAKE

RESOLVED THAT WE HAVE PREPARED FOR THIS SEASONS REQUIREMENTS. OUR NEW THINGS ARE UP WITH THE SEASON AND THE TIMES WE WANT TO BE THE FIRST TO SPRING ALL THE NEW THINGS

© 1913 R.F. O'Leary

Before anything has a chance to get out of date we reduce the price and get it off our shelves. We want to be up to date in everything. If there is anything new in the market we try to have it for our patrons. A great New York Merchant was recently quoted as saying "Honesty has never gone out of fashion and never will." Honesty is one thing that is always up to date and we do not want to be out of date. Our stock of shoes and prices will prove that.

**Tennis News.**

The tennis tournament has started and is now well under way. There are several matches in the men's events that will be worth watching. It is requested that all matches be played off by next Saturday.

Manager Doyle is now busy arranging matches with outside teams. At present he is in communication with W. S. C., Whitman and Lewiston Tennis club.

It is very likely the Lewiston club will play here about May 1. This event will give the students some insight into real tennis. All of the men that will represent Lewiston are old tournament players and known the game thoroughly.

The most promising players among the men so far are Bently, David, Humphries, Hockett and Soulen. Among the young ladies, Misses Kettenbach, Annett, Brown and Rank are all making a good showing. Miss Kettenbach and Annett should make a very strong team as both are experienced players.

**Track Team to Montana.**

Idaho track team, accompanied by Coach Edmundson, left Tuesday for Montana to compete with the University of that state in track.

While our team is green, Heo has high hopes of winning the meet. His freshman material is showing off in great style and he predicts they will take more than their share of the points. Morrison and Captain Whitten will handle the sprints; Dingle and Ankoorn, the half and will be on the relay team; Dowling and Warren, the mile and two mile; Ankoorn and Lockhart the hurdles; Whitten the quarter mile run; George Scott, Lockhart and Harris the high jump; Harris in the broad jump; Barton and Scott in the pole vault and Phillips and Brown in the weights and javelin.

Gus Larson, Heo Edmundson and the following men made the trip: Captain Whitten, Morrison, Brown, Phillips, Ankoorn, Dingle, Lockhart, Warren, Harris, Barton, Downing and Scott. They should return Thursday.

**Dean Eldridge to Lead Class.**

Dean J. G. Eldridge has accepted an invitation to lead a class at the Y. W. C. A. student conference at Gearhardt next June. Dean Eldridge was a member of the faculty of the Columbia Beach conference last spring, where he was the leader of two very popular classes. The dean says, "I expect my work at Gearhardt to be very pleasant but I shall miss the good fellowship of the boys, and I fear that my hob-nailed boots must be left at home. However, I hope to be able to drop in on the boys' camp for a day or two."

**Idaho Breaks Even With Whitman.**

scoring continuously until the 7th. Bennington received the same kind of support that was accorded to Gerlough by Idaho in the first game, except worse, Whitman apparently making no effort during the first part of the game. Bennington with any kind of support would have held Idaho to a low score.

In the first inning Hayden walked, took second on Prock Perkins infield hit and scored on Verne's two bagger. In the second inning, a regular stream of runners seemed to cross the plate, on but two hits, one a two bagger by Jones and the other a single by Humphries. In this session, Whitman made three errors.

Whitman gathered herself together during the latter part of the game and played air tight ball for the last three innings.

Following is the score:

Innings	1	2	3	4	5	6	7	8	9
Idaho	2	5	2	1	1	2	0	0	x-13
Whitman	0	0	1	0	0	2	0	1	0-1

Perkins; passed balls, Rolstad; hit by Pitcher, Perringer; wild pitch, Perkins 1, Bennington 1; umpire, Curtis.

**NOTES.**

Both days were cold and raw. Good-baseball was nearly impossible.

The game Saturday was played in the morning to enable the Whitman team to witness the track meet between W. S. C. and Whitman at Pullman in the afternoon.

The conference guarantee for a baseball game is \$100.00. This does not hold for the game between Idaho and W. S. C. Each team pays its own expenses on the trip and at home takes all of the gate receipts.

Proctor Perkins had eleven assists, an unusual record for a pitcher. He seemed to have the Whitman batters at his mercy. He only had four strikeouts to his record.

Captain Robinson broke into the hit column in the second game by beating out an infield ball. Numbers and Gerlough are still hitless. Numbers got several hard drives, but none landed safe.

Coach Griffith has an outfield that is better than either Whitman's or W. S. C's. Where the Idaho team falls down is in the infield. The fielding average is not over .800 for this part of the team.

Robinson has caught an unusually large number of fouls. There has been scarcely a game out of the four but what he handled four to six. He has dropped two so far.

**Debaters Honor Hulme at Annual Banquet.**

The second annual debate banquet for the intercollegiate debaters of the University was held Monday evening at Guild hall. It was attended by about twenty college debaters, faculty members and alumni of the institution, and was a most pleasant affair throughout. The banquet was presided over by Professor E. M. Hulme, debate coach, who acted as toastmaster.

Several of the college debaters gave short talks, and the history of debating at Idaho was pretty thoroughly covered during the course of the evening. Several letters from alumni who had been debaters while in college were read. The need of a department in economics and sociology at the university was emphasized. Among the debaters who made talks were Parker V. Lucas, Harry McAdams, B. E. Davis, and Chester Minden. Professor L. P. Wilson of the law faculty, responded to a toast in his entertaining manner. Professor Lehman of the English department, responded to a toast on the trials and tribulations of a debate judge by reading an original poem entitled "A Battle of Words." The last talk of the evening was given by President Carlyle.

Just before the banquet adjourned, Parker V. Lucas, on behalf of the college debaters, presented Professor Hulme with a fine electric library table light in a very appropriate little speech. Idaho has just closed her thirteenth year in intercollegiate debating, and during that time she has participated in no less than 45 college debates. Of that number she has won 26 and lost 19. No other institution in the west has a record that equals Idaho upon the forensic platform. The splendid record established is due greatly to the untiring efforts of Professor Hulme, who has turned out winning teams under discouraging conditions and in competition with institutions many times larger than Idaho. It was to show their appreciation for this work that the debaters last night presented Professor Hulme with the present they had selected.

**Juniors to Give Play.**

On May 17, the juniors will present their class play, "Facing the Music." "Facing the Music" is a popular stock company farce of the day. The situations are very amusing, the characters cleverly contrasted, and the dialogue is keen.

As Miss Fortthingav, an actress who appears in the play says, it is "Box and Cox" with wives. And the additional complications which the wives bring about add to well-known fun-of that old favorite portrayal of the lodging house life.

The juniors have promised the play at the expense of a large royalty for the Mss. is still unpublished. The cast has been for some time at work on the parts and rehearsals are now going vigorously forward under the direction of Miss French and Mr. Lehman. In "Facing the Music," the juniors bid fair to repeat the success of their last year's production.

**Best Ever Held at Idaho.**

100 Yard Dash—Carley (B), Calhoun (C), Mosely (B). Time 10-2.

Misses Pauline Mohr, Anna Webb and Jeanette Mann were the guests of Delta Gamma last weekend.

Mrs. Paul Savage, formerly Elsie Larsen, visited last week at the Delta Gamma house.

**Seniors Present Veauville.**

Marie Muraton or Polly E. Campbell  
 Katherine Kerr or Kitty Iva Emmett  
 Light hearted and loquacious sophomores:  
 Beatrice Beverly or Trixie Urael Strobecker  
 Virginia Randolph or Trixie Winnifred Brown  
 Meek and submissive freshman:  
 Florence Vernon or Floradora Ruth Annett  
 Jane, the maid Edna Larsen  
 Jack Morton, half back on the variety team, E. Perkins  
 Time—The present.  
 Place—College Town.

Synopsis:  
 Act I. Nan's Room—After the Dance.  
 Act II. Scene 1. Same as Act I—After the Game  
 Scene 2, "Den," in the club house—After the Man  
 The play was under the management of Clyde F. Cornwall, who reports that the class was able to clear nearly one hundred and fifty dollars to be applied on the debt incurred from last year's annual.

As the result of a petition signed by a majority of the students, a department of public speaking has been established at Stanford university. The object of the new department is to create more interest in debating and forensics, in which subjects of special instruction will be given. Credit will also be given members of the debating and forensics teams.

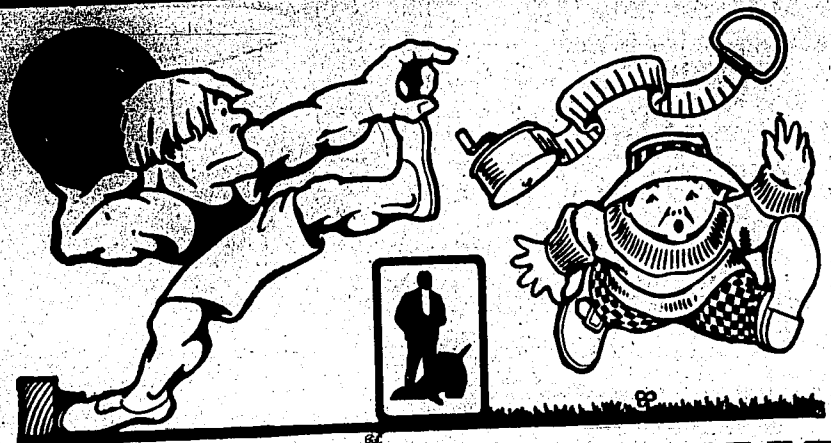

The sophomore team won the interclass track meet at Whitman last Saturday with a score of 41 points. Bowers for the seniors was the high point winner, annexing 19 points.

Miss Rina Herring was the guest of Gamma Phi Beta at dinner Thursday.
