IDAHO DROPS TWO LAST GAMES

Washington State College Champions of Eastern Conference.

The last two games of the Idaho baseball season were played last Friday and Saturday between Idaho and W. S. C., Idaho dropping both games.

In the first game Moss held the Idaho team to two hits, both of which came in the third inning. These hits, coupled with Moss's wildness, netted Idaho three runs which was the sum total.

W. S. C. scored two runs in the first inning, two more in the fourth, one in the sixth and one in the seventh. W. S. C. made but one error while Idaho made three. Kienholz, McElroy and Pape each made three hits for W. S. C., while Hayden and Perkins made the two hits for Idaho, both two baggers.

A few faithful fans followed the team over to Pullman.

Following is the detailed score:

Summary: Eases on balls; off Moss 1, off Gerlough 1; left on bases, W. S. C. 4, Idaho 2; two base hits, Kienholz, Hayden Perkins; struck out, by Moss 12, by Gerlough, 6; Umpire, Applequist.

In the second game at Moscow Saturday afternoon, W. S. C. started in to gather their eggs in the second inning and managed to gather several during the course of the game. Phil Mitchell essayed to pitch for Idaho, but after the visitors had made seven runs in less than three innings, Pink Griffith applied the derrick and sent Proc Perkins in to twirl out the rest of the matinee. The latter did considerably better, but was unable to stem the tide. W. S. C. had on their hitting clothes and nothing could have stopped them. Lester, Kienholz, Kuehl and Anderson each got three hits, most of them going for two or three bases.

On the other hand, Hartman had the Idaho men eating out of his hand.

A Fight!

The contest for the Watkin's Oratorical Medal is to be staged Thursday evening at ——. Did you say contest? Yes, and it will be a fight to the finish. When Lucas, with his hard-hitting thought and fact, mixes with McEvers' effervescent feeling, there will be things "stirring." No, that is not all, for Pond is going to hand some "future citizens" a gold brick; and Warren is going to talk on the "Sin of Wages." "The Menace of Socialism" and the "Dreams of Peace" will prove vastly instructive and more entertaining.

Now, try not to be conspicuous by your absence. Cicero says, "An orator can no more be eloquent without a crowded house than a flute player can play without a flute." Come out Thursday evening and supply the eloquence, and the "budding" orator will provide the entertainment.

"You'd scarce expect one of my age To speak in public on the stage; And if I chance to fall below Demosthenes or Cicero, Don't view me with critical eye, But pass my imperfections by; Large streams from little fountains flow, Tall oaks from little acorns grow."

He held the home guard to four hits, no two in the same inning. The four hits in each case came at the beginning of the inning, but there was nothing doing. Had Humphries had a mite more speed, he would have made a home run out of his three bagger in the fifth inning. As it was, he camped there while Robinson was thrown out on first by the pitcher, Jardine struck out and Numbers going out by the third to first route.

1914 Annuals Here.

The shipment of 1914 "Gem of the Mountains" has at last arrived and are on sale at the Business office.

In speaking of the annuals, business manager Walter P. Scott says: "There are only about 120 of the annuals left at the present time. All the others have been disposed of. There are a great many of those signed up for an annual who have not paid the extra \$1.50 and taken their copy.

"The demand for these annuals is larger than can be met by the shipment. So it is certain there will be no great amount left over like has been seen in former years.

"Indeed so great is the demand that if those who signed up do not purchase their copy of the annual very shortly the supply will be exhausted in filling other orders. We can not wait a very long time for these people. 'Either they must buy their copy very soon or we will be compelled to close out the supply leaving them without an annual'.

A piece of good advice is—"If you have ordered an annual, buy it now."

Batting and Fielding Averages Compiled for the Season of 1912.

The donester has figured up the batting and fielding average of each member of the Idaho baseball team.

Coach Griffith's team batted for the eight games but .162. Hayden leads the regulars with ten hits out of thirty-two times at bat. Nominally Mitchell's average is the highest but he was only at bat three times. Jim Keane and Vic Jones both started out well, but both slumped miserably in the last four games. Gerlough was the only man on the team who failed to get a hit.

Captain Robinson leads in fielding with but two bobbles out of sixty chances; Humphries, the long first baseman is next in line with four errors in eighty five chances. Doc Numbers at shortstop, accepted fourteen chances out of a total of twenty-three in the four games.

Following are the figures in detail:

Wins Third Place in Contest.

J. D. Davis, who represented Idaho in the Pacific coast Oratorical contest, returned home Tuesday from Forest Grove Ore. Mr. Davis won third place in the contest.

The man from the University of California won first, the Pacific University representative second. Mr. Davis represented the Inland Empire colleges and universities, winning this place on account of the default of the other institutions.

The office of The Argonaut is in the publicity office, next door to the bursar's office. A member of the staff may be found in the office any afternoon except Tuesday. All contributions gladly received up until Monday noon of each week. Paper goes to press Tuesday.

Next week is the last week of school at the university for this year. After the exams you'll perhaps go to your home town to spend the summer.

It might be well to remind the students that it is within everyone's power to increase the incoming class next year by the attitude displayed by them towards this institution.

If in any of the high schools there are any graduates who are thinking of attending a university next year, it is the moral duty of every Idaho student to talk Idaho to that person.

Its not bulletins nor annuals that will influence a prospective students decision. Its enthusiastic support of an institutions scholars that counts.

If there's a strong, valuable man or woman in your town who thinks of attending college, talk Idaho to him, boost Idaho's university, bring him or her back with you in the fall and show your loyalty to the university.

Only by the boosting of its students can this university hope to attain the size of the other institutions of the country.

W. S. C. Here Saturday.

On Saturday May 31 the tennis players from W. S. C. will come to Idaho to play a set of match games. It is reported that they have some exceptionally strong players, and knowing the strenght of our home players the matches will be well worth watching.

The first matches will be called for 11 o'clock and will be resumed again in the afternoon. The representatives of the U. of I. will be chosen from the players; Wright, David, Soulen, Sakuma and Hockett.

Plenty of Time.

Mr. Styles—I have two tickets for the opera.

Mrs. Styles—Oh, good! I'll go and put my hat of right away.

"All right, dear. I guess you'll be ready in time. The tickets are for tomorrow night."

IDAHO LOSES TO WHITMAN

The last dual meet of the year was lost by Idaho to Whitman college Saturday by the score of 92 to 39.

The university athletes were able to take but 3 firsts two of which were won by Phillips.

The day was perfect and the track fast but no track records were broken. The day however seemed to suit the university star Phillips and he hurled the javalin 4 feet further than he was able to in the W. S. C. meet here May 17.

His record of 186 feet is far beyond any American heave of record and bids fair to stand for a time until Phillips himself surpasses it.

Not content with breaking the javelin record, in trial for a record with the shot he heaved it 40 feet 11 inches, but fouled by stepping from the circle. This heave equals the northwest inter-collegiate record made by "Gus" Larson some years ago.

Kinder, the star sprinter of the missionaries was barred from the meet by scholastic work. His team mate Bloomquist however was able to take three dashes from the Idaho men.

The most closely contested race of the day was the mile run. Barrett and McKay for Whitman and Downing of Idaho finished so close that it was almost impossible to decide the winner. The judges gave the race to Barrett and gave the others a tie for second.

However some of those at the wire were of the opinion that Downing had beaten Barrett and that the least he should have got was a tie for first. However the race was very close and hard to decide.

The summary of firsts is as follows:

100 yd dash—Bloomquist (W) time 10:1

Mile run—Barrett (W) time 4:41:3.

Javelin—Phillips (I) 186 ft.
Discus—Neil (W) 116 ft 10 inches.

220 yard dash—Bloomquist (W) time 22:2.

High jump—Estes (W) 5:10 inches.

Broad jump G. Bowers (W) 21 ft. ½ in.

120 yd. hurdles—H. Bowers (W) time 16:4

Two mile run—Barrett (W) time 10 min. 36 seconds.

Shot put—Phillips (I) distance 40ft. 1 inch.

Pole vault—H. and G. Bowers (W) tie for first height 10 ft.

Half mile—Dingle (I) time 2:06:3.

Quarter mile dash—Bloomquist (W) time 51:1

Relay given to Whitman by default.

NOTED CHAUTAUQUA ORATOR.

Senator Elmer J. Burkett, who is to be one of the lecturers in our coming Chautauqua, is not only a young man, but is younger in appearance than he is in age. At the time of his first election to Congress he was little more than a boy. One of the attaches seeing him about to enter the Senate Chamber took him to be a visitor who was not acquainted with the rules in force and asked him to go to the visitors gallery or procure credentials. "But my name is Burkett," the youthful senator exclaimed. "I don't care if your name is Dennis, you can't go in there," said the doorkeeper.

Just then a man who knew the senator rushed up and said "Don't you know this man,—this is Senator Burkett sir!" The doorkeeper began backing off with humble apologies but seeing a humorous gleam in the senator's eye, he remarked, "I was not aware they had lowered the age limit to admit high school boys to the U. S. Senate—so this is Senator Burkett sir!"

MUSICAL ELEPHANTS.

Yankee Robinson' Musical elephants, which have been playing the big vaudeville houses during the past winter, are making a tremendous hit. The elephants are of more than ordinary size, in fact, the largest performing elephants in the country, and they go through their daily routine amazingly.

In addition to the herd which the circus carries, it has on exhibition the greatest beast that ever walked the face of the earth—Kongo, a mighty elephant from India—imported to this country for a tour of the circus this season.

No Substitute For Onion.

"Kill the onion and you leave a gap in the universe," says a medical authority, and he continues, "kill anything else and there is a substitute for it. The potato is akin to the cereal; cabbage, turnips and cauliflower are of the same family; beans are elongated peas; the lemon is a pessimistic orange; watermelon, the survivor of the cucumber, and so on.

"But the onion is alone sui generis, alone, unique, triumphant. It is a special creation to tempt the palate of a weary world. Man in his wisdom might have guessed everything else under the sun, but he never would have guessed an onion. Science may deduce a new star before it becomes visible, or radium before its discovery, but the onion would have gone on un-invented forever, had not its own insinuating yet not bashful quality forced itself into tear filled eyes and liquefied anticipatory lips.

"With what mixture of gratitude and awe should we view the spectacle of nature turning her energy to the transmuting of mere clay into a vegetable with an artistic temperament."

E. Kaufman was a passenger to Spokane Monday.

Play for David Cup Now on.

The tennis tournament for the David cup has been started and most of the qualifying round has been played off.

This year a mixed doubles has been added to the usual contest, a thing which will make the tournament more interesting and will make competition a good deal keener. A number of the matches were played off Monday and were enjoyed by a very large crowd that had assembled to participate in campus day festivities.

Last Saturday on the varsity courts the Idaho tennis players disposed of the Lewiston high school with very little trouble. Some of the games were very will contested especially the match between Sakuma and Beach.

The other players were not as strong as they might have been.

Beach and Bartlett put up a very strong contest against David and Soulen and it looked as though they might win. But the strong playing of David saved the game.

The other doubles was an easy victory for Wright and Sakuma as Hersey was not in his usual form.

On Wednesday June 4 the Lewiston tennis club will send a team to meet the university players. The men who will represent Lewiston are all strong players. The representatives are Ketentbaoh, brother of the woman tennis champion of the university; Wright father of one of the strongest players now at the university; Grey, Woods., Jones, and Hait.

Those who will represent Idaho are to be chosen from the following men; Axtell, David H., David D., Griffith, Wright and Sakuma.

Presence of Mind.

Pat and Mike were working on a new building. Pat was laying brick and Mike was carrying the hod. Mike had just come up to the fourth floor when the dinner whistle blew. His dinner was on the ground. "I hate to walk down after it," he said.

"Take hold of this rope," said Pat, "and I'll let you down." Pat let him down half way and then let go of the rope. Mike landed in a mortar bed, not much hurt, but terribly mortified.

"And why did you let go of the rope?" he demanded.

"I thought it was going to break," said Pat, "and I had presence of mind enough to let go."

Everybody is admonished to swat the fly. It won't hurt. Swat 'im. He is a no-good citizen, a breeder of disease, a source of worry to the bald-headed man, a torment to the housewife, a menace to the baby, a contagion-peddler and disseminator of filth, an agent for typhoid, tuberculosis and other diseases, a pest to the dog, and not worth a fiddler's cuss to himself. Aim ahead when you go to swat him, and you will materially increase the list of fly fatalities.

It is surprising how much time, trouble and annoyance this simple little Crescent-Filler will save in a year's time. It is to be found only on

AT ASSEMBLY.

The attendance at assembly last week was the lowest that it has been since the new auditorium has been in use. The fine weather, and the love of "campus" was probably the cause of the absence of many of the students. A selection was given by the orchestra, and a vocal solo was given by Dean Eldridge. Mr. Barton, Captain at the Soldiers' home, gave the address. Mr. Barton stated that he was to speak as Patriotic Instructor of the Grand Army, and that his duty was to call to the minds of those present the sacredness of Decoration Day and the tribute which the nation has been accustomed to offer to its old soldiers'. The speaker stated that he had been a resident of Moscow for 36 years, and that he had often heard the howling of the covotes on the hill where the university now stands. He went on and told of the incidents and the work of those who accomplished the establishment of the university at this place.

Mr. Barton took up the history of Decoration Day and told how it was established by General Logan and the patriotism which had been expressed by the nation in holding the day set by General Logan as a day of tribute to the living and the dead, who fought for this nation in the great Civil War. He stated that Memorial Day was not a holiday for revelry, but was one which should be held as sacred as any of the year.

Mr. Barton is an orator of no mean ability and those who did not attend assembly missed that which is a rare opportunity now days, that is the hearing a speech delivered by a veteran of the Civil War.

Campus Day a Beautiful Success.

The fourth annual Campus Day of the university was held Monday of this week. The day is observed as a holiday and has become one of the big events of the college year. The weather was fine and offered everything that was conducive to a good get-together time for closer bonds of fellowship.

The Cornet call sounded from the tower of the Administration building at 10:30 o'clock and at that time the festival procession started from Lewis hall and marched around the campus in front of the Administration building. The procession was headed by the military band and next in respective order were: the senior girls in their caps and gowns; the flower girls; fairies and elves, little grade school children; the pages who were followed by the crown bearers. Then came the May Queen, Miss Jessie Coram, followed by the sophomore girls in attendance, and the freshmen girls followed, dressed in beautiful col-

ors of violets, wild roses and daisies.

After the crowning of the May Queen the brownies and elves favored the spectators with a Pantomime which was put on in fine shape. The dances given by the sophomore and freshmen girls was well put on, especially did the butterflies receive great applaud.

The Queen was then conducted to a throne formally arranged in the shade of the evergreens and the orations of the day were then delivered. Miss Gertrude Denicke delivered the oration for the freshmen; Harry McAdams for the sophomores; Chester Smith for the juniors and Parker Lucas for the seniors. Fred Lukens was the Orator of the Day. The speakers were introduced by Professor Hulme, who acted in the place of Dean Carlisle, who was absent. Professor Hulme made a few remarks before the delivery of the orations and made a few pertinent remarks concerning the different speakers as he introduced them in their order. After the orations the Varsity I's were awarded by Mr. Jenkins to the athletes and debaters who have won their respective letters in the various branches.

Luncheon was served at Ridenbaugh hall to the university students and their friends. Many of the town and other outside visitors took their lunch with them and ate upon the campus.

At 2:00 o'clock a tennis tournament was started and continued most of the afternoon. Miss Kettenbach of Lewiston succeeded in winning the individual cup, awarded to the champion on the girls series, when she defeated Miss Mason. Honors of the individual championship seemed to point to Mr. Wright of Lewiston. Owing to the absence of many of its members the band was unable to fill their part of the program, and the Glee Club went by default as well. The college orchestra, under the direction of Professor Collens, gave a concert from the balcony of Ridenbaugh hall. The crowd remained upon the campus until late towards evening, and the last had probably not reached home when a thunder shower came to cool the air from the burning day.

Interfraternity Games.

So far but one game has been played in the Interfraternity League and that between the non-frats and the Kappa Sigma's which was won by the former.

It has been learned that the Phi Delt's forfeited to the Kappa Sig's last Friday. The rest of the schedule will be played off before exams. Watch the bulletin board for the date of the games.

Misses Pritchord and Post of Pullman were the guests of Omega Pi Tuesday and Wednesday.

R. A. Snow one of the short course students of the university left Wednesday for Bovill where he will work with the forestry service in timber studies.

Professor H. P. Fishburn, assistant in the department of chemistry, will leave for Gooding, Idaho, where he will remain this summer doing soil work, making the substation at that place his headquarters.

Professor J. E. Nicholson left Wednesday for St. Maries Idaho where he accepted the invitation to deliver the commencement address. His subject will be "The outlook for the American Boy" and the class to be addressed will be the first to graduate from the St. Maries high school.

NOTES.

Saturday was the best day for an athletic contest this year. The crowd was average.

There has not been one solitary college yell at a game this year.

It is a consolation that Idaho did not finish in the cellar. Whitman has that distinction.

W. S. C. made but one error in the two games. Not bad for a college team.

The school across the state should not do so bad when it meets the winner of the western division. Hartman and Moss should be able to hold their own.

Since Foran left school, Bender has been using Lester at short and Kienholz on second, which adds considerable strength to the W. S. C. infield.

Anderson and Lester each got three hits in their first three times up Saturday. Kienholz and Kuehl each made three hits but not in succession.

Prock Perkins caught two W. S. C. men sleeping off their base. Perkins watches the bases closer than any pitcher seen on Idaho field this year. Hartman who is a left hander, keeps a close watch on first base at that.

Satterwathe hit the ball on the nose three times, one of them going for a three bagger, the other two Jones caught in deep center. Eight out of the twelve W. S. C. hits were for extra bases.

Up to the last two games Casad was leading the W. S. C. hitters with eight hits out of fourteen times at bat. In the last two games he got but one hit in eight times at bat, making his average still over four hundred.

Miss Elliot of Washington, D. C. spent Wednesday at the Omega Pi house.

C. H. Shattuck, professor of forestry, returned Thursday from a visit to North Carolina.

Miss Margaret Stolle of Culdesac is spending the week at the Gamma Phi Beta house on her way to Boise.

Misses Northrop, Rands, Bechtell, and Brown of Palouse spent the week-end at the Omega Pi house.

Tuesday morning Grace Holaday left for Denver, Colo. She does not intend to enter college here again.

Saturday afternoon Omega Pi Sorority gave a most delightful luncheon and shower in honor of Gladys Nankervis.

Some of the Delta Gamma and their friends drove out to the Saford ranch Monday night and had a jolly supper party.

Friday afternoon Miss Linda Rae entertained most delightfully at a tea in honor of Gamma Phi Beta and the alumnae.

Miss Iva Emmett, Miss Edna Campbell and Miss Ruth Motie left Tuesday for Fort Lapwai where they expect to teach the coming year.

Miss Florence Westcott and Miss Lillian McLeod, students at W. S. C. were in Moscow for campus day and to visit Miss Edna Clarke.

Miss Fay Thomas, a former student of the university was a visitor in Moscow Monday to attend campus day and to visit Miss Edna Clarke.

Homer Youngs, Mark Anderson and Clarence Favre, all students in the forestry department have left for Montpelier, Idaho where they will work in the forestry service this summer.

Delta Gamma entertained at dinner Saturday evening Merton Kennedy, Charles Horning, Ed Coram, Herbert Beier, Jean Gerlough, Louie Jessup, Howard Holaday, Lawrence Stone, Carl Melugin and Lloyd Ellington.

Delta Gamma entertained at dinner Tuesday evening Mr. and Mrs. Homer David, Mrs. Paul Savidge, Mr. William Lee, Mr. and Mrs. Clarence Edmundson, Mr. and Mrs. J. G. Griffith, Mr. and Mrs. Fishburn, Mr. and Mrs. Leech and Miss Brown.

A group of W. S. C. senior girls came over to Moscow Monday to attend "Campus Day" exercises. They were Miss Grace Ecoles, Miss Senora Simms, Miss Grace Waikle, Miss Blanche Willey, Miss Mary Chandler, Miss Mary Williams, Miss Grace Coulter, Miss Alice Wagnon, Miss Ethel Morgan, Miss Minnie Kruehek, and Miss Margaret Williams.
