

## REPORT BEST IN MANY YEARS

Official War Department Document Gives  
Idaho Cadets Highest  
Ranking

### MAKES SPECIAL MENTION

Examining Board Praises Military  
Department for Excellent Train-  
ing During Past Year

Perhaps the most favorable report ever received by the University of Idaho military department is now on file in the Commandant's office, a copy of the report of Lieutenant Cyrus E. Dugger, who inspected the battalion two weeks ago, having just been received. The military department has not only met all the requirements of the R. O. T. C. satisfactorily but is given special mention before all other schools by the Examining Board of the Western Division for the excellency of its work during the past year.

"The board desires to make special mention of the excellent work during the last school year in the following institutions:

- "University of Idaho.
- "Throop College of Technology.
- "University of Santa Clara.
- "Washington State College.
- "Mt. Tamalpais Military Academy.

The inspector says that the military work of the college "is essentially of a prominent feature and occupies a high place in the school. The discipline and military appearance is excellent and the condition of all things military is very satisfactory. The military spirit is greatly developed and the requirements as to the practical and theoretical work are rigidly maintained. The training and the number of students does not warrant devoting time to artillery training, but a machine gun could be used to advantage. The relation between the military instructor and the university faculty is very satisfactory."

Under the heading of "general remarks", special suggestions were made concerning improvements in the department.

"1. The improvement noted in this university for the college year of 1917-18, has been maintained throughout the present year. The military department is well organized and some co-operation obtained.

"2. The president of the university is an earnest, patriotic and loyal citizen and expresses himself as anxious to assist and to co-operate with the military department in every way and to any extent possible, both as to the co-operation of other departments and the allotment of extra hours.

"3. The college received \$97,599.58 from the government last year and expended \$1550.87 on the military department. More money should be expended on the department in the way of military scholarships for all cadet officers and non-commissioned officers.

"4. Climatic conditions are such that a thoroughly up-to-date military department cannot be maintained without a modern armory, with a dirt floor, steam heated offices, store rooms, and adequate drill halls be constructed.

"5. A competent clerk should be employed by the university, for duty in the military department, thereby relieving the professor of military science and tactic from the necessity of keeping the records and enabling him to devote more time to military training.

"6. A sufficient number of boxing gloves, to enable a company at a time to exercise, should be supplied by the college."

### UNIVERSITY SUBSCRIBES \$5,800

The official report of the results of the Third Liberty Loan drive at the university, sent from the Bursar's office to A. C. Price of Boise, who is in charge of the drive, shows that forty-eight of the faculty and students subscribed a total sum of \$5,800. Subscriptions varied in amount from \$50 to \$500. The second loan netted nearly twice that amount. This total represents just what was subscribed thru the Bursar's office. Several of the organizations and faculty members bought bonds thru the local banks.

### SOLDIERS TO COMMENCE TRAINING JUNE FIFTEENTH

Date Delayed Two Weeks—Health  
Inspector Here Friday

The date of the arrival of the 100 men for the training camp at the university this summer has been changed from June 1 to June 15, according to a statement issuing from the president's office.

The inspector will be here May 10 to inspect the sleeping and eating quarters and everything pertaining to the health of the men. Frank W. Sheppard, district supervisor, will accompany him.

### FLAG POLE DEDICATED

To the accompaniment of a salute fired from one of the university cannon the flag was raised on the new university flag pole last Friday morning. The ceremony commemorating the event consisted of the reading of "The Makers of the Flag" by Dean French, and a short speech by Dean E. M. Hulme.

### RETURN TO CAMP LEWIS

Clinton Besse, Fred Graf, Turk Gerlough, and "Jake" Kroh, left Saturday for Camp Lewis where they will take a little more training in preparation for Wilhelm. These four men successfully finished the officers training camp conducted within Camp Lewis and they will go back to their original work in their respective organizations with a white strip on the left sleeve to designate them as having had special training. Whenever a vacancy occurs, these men will step up to fill the gap and will eventually receive their commissions.

### DR. E. A. BRYAN THIS MORNING

Dr. E. A. Bryan, Commissioner of Education of the State of Idaho, will speak at assembly this morning. The address on the "Mining Question in Idaho," by Dean Thomson, originally announced for today, has been postponed until next week.

## DIAMOND MEN LOSE TWO MORE

Bow to W. S. C. Nine in Third and  
Fourth Games of Series—  
12-5, 6-5

### BASE RUNNING LOSES FIRST

Idaho Men on Sacks in Every  
Inning, But Fail to Score  
Sufficiently

Idaho lost two more baseball contests to the W. S. C. nine during the past week, 6-5 and 12-5 telling the story. Ragged fielding was outstanding in both engagements, a total of 33 errors being amassed by the two teams. In hitting ability the two nines were on a par, each clouting the balls for 17 clean bingles in the games of the past week, but more fortunate bunting made the W. S. C. swats mount up into runs.

### First Game

In a close and exciting game, featured by bobbles and bone-head base running, W. S. C. defeated Idaho Wednesday afternoon on the varsity field, 6-4.

The game started out like a pitcher's battle, neither team scoring until the third when W. S. C. slipped two across on two errors and a pass by Wivell. In the fifth Moe tripled and with the W. S. C. team fielding like grade school youngsters, Idaho tallied three times. Both teams scored two in the eighth and the game went into extra innings with the count of five all.

Idaho's chance to win came in the ninth, when with two gone, Rettig took first on fielder's choice, stole second, and went to third on Muller's error. In the mix-up at third, the ball was booted into the diamond and Rettig tried to score but the throw caught him ten feet off the plate. This ended Idaho's chances to score and W. S. C. counted the winning run in the twelfth on a single, a base on balls and a fielder's choice.

### Moe Hitting Star

Moe was the hitting star, with two doubles and a triple in five trips to the plate. McDonald pitched a pretty game and with clean support (Continued on page four)

## PULLMAN COMES MEN SELECTED FOR FIRST MEET FOR THE CAMP

State College Cinder Athletes Clash with  
Idaho Saturday for First Time  
in Years

### IDAHO LINE-UP SMASHED

Captain Richmond, Irving, and Eaton  
All Out of Game—Chances  
for Victory Small

The first intercollegiate track meet in which the University of Idaho has participated in two years, will be held Saturday when the Washington State College cinder athletes come over for a dual encounter. Prospects for an Idaho victory, which seemed fairly good last week, have been wrecked, scholarship difficulties and injuries combining to very seriously deplete the Silver and Gold ranks.

Captain "Jack" Richmond, sprinter par excellence, a sure first in the one hundred and two-hundred yard dashes, is still suffering with the jerked tendon which he got last Wednesday afternoon. As it is a re-injury of the same leg which put him out of the running last year, his chances to get into the game this week are almost nil, and his appearance during the remainder of the season a dangerous uncertainty.

Purdy Eaton, quarter-miler and important cog in the relay team, has fallen under the faculty ban. His loss is particularly serious because of the shortage of middle-distance men to perform in the relay.

Neil Irving, counted upon for a sure first in the javelin, and a second or third in the shot put and discus, gave his elbow a near-dislocation while throwing the spear Friday afternoon. The extent of the injury has not yet been fully ascertained, but it will probably prevent his entry in the meet Saturday.

The loss of these three men robs Idaho of at least fifteen sure points, and smashes the relay line-up, leaving Thompson, Perrine, Luttrupp, and McCallie as the only reliable point-winners out of the entire line-up.

"Tommy", the stocky football man, is sprinting the hundred in 10:1 and 10:2, and may be counted upon for scores Saturday. In the quarter, McCallie is a promising bet, tho he will be matched with the veteran W. S. C. captain. The loss of Eaton leaves only Penwell to run with McCallie in this event.

The three distance runs find only three men who have performed consistently ably to justify their choice as point-gainers. Luttrupp, Rosinbum, and Campbell, are the Idaho men who will have to undergo the gruelling workout in the meet Saturday.

In both hurdle events, Idaho is woefully slow, Perrine in the high and Moe in the lows being the most likely candidates for markers. The pole-vault, handled by Romig and Cline, and the high-jump by Burke, will probably net Idaho only second places at the best.

Perrine, the hefty shot-putter, and Pierson and Barber, discus-whirlers, may be counted upon to place, tho with the exception of an occasional put by Perrine, none of their records are sensational.

The broad jump will find Perrine (Continued on page four)

Twenty-Six Idahoans on the List of  
Chosen Ones Released by  
Lieutenant Felker

### MANY PROMINENT IN COLLEGE

Priest, Plastino, Robinson, Warren  
and Horning Among Eligibles.  
Training Starts May 15th

The Idaho men who will attend the next officers' training camp, beginning May 15th, have been selected by Lieutenant Felker. Five men who have been in school this year and twenty-one graduates and former students are included in the list.

Felix Plastino and "Oley" Robinson, stars on last fall's football eleven have offered their services to Uncle Sam. "Plasty" was a second lieutenant in the cadet battalion and had charge of the signal work. Robinson took up the military work again this semester, after a six month lapse, with the rank of corporal.

A. J. Priest, former editor of the Argonaut and president of the senior class last semester, is also among the number who will try for a commission. He held a second lieutenant's ranking in the R. O. T. C. and was battalion supply officer.

Charles S. Warren, and Arthur C. Horning complete the list of present undergraduates who will enter the camp. Warren was a first sergeant and Horning a sergeant in the battalion.

Among the former Idaho students on the list appear the names of Russel Cunningham, of baseball fame, and Carl Melugin, who conducted Dean Hulme's classes in the university for three months this winter.

The total list of men accepted and qualified by Lieutenant Felker, is as follows:

- W. R. Adelman, McBell, Nevada;
- H. A. Burke, Blackfoot;
- F. A. Babcock, Coeur d'Alene;
- Russel Cunningham, Grangeville;
- S. L. Denning, Davis, Col.;
- H. W. Foester, Lenora, Mexico;
- W. Funston, Washington, D. C.;
- J. P. Gerlough, Moscow;
- A. C. Horning, Kamiah;
- E. A. Kelley, Spokane;
- R. R. Miller, Kansas City;
- C. E. Melugin, Coeur d'Alene;
- P. T. Peterson, Idaho Falls;
- T. A. Pauls, Washington, D. C.;
- W. E. Robertson, Boise;
- A. O. Sutton, Emmett;
- C. L. Vincent, Blackfoot;
- C. A. Wood, Boise;
- C. S. Warren, Moscow;
- Jens Fuller, Spokane;
- C. E. Favre, Elko, Nev.;
- E. Ficke, Lapwai;
- Felix Plastino, Pocatello;
- A. J. Priest, Boise;
- and Robert Robinson, Moscow.

### GEM PROOFS ARRIVE

First proofs of the 1919 Gen of The Mountains have been received from the printers, and according to Business Manager Ott, the book will be "there." The printers and binders will have ample time to do their work, which will insure a high class product.

The management expects to have the book on sale two weeks before school closes. Only four hundred twenty-five books will be printed, of which all but twenty nine have been already ordered. Students who have not ordered books will have to "get into the line" early or get left.

## STAY IN SCHOOL!

When the bugle sounded, the students in the colleges and universities were the first to respond. The higher institutions of learning in Indiana and throughout the nation have sent into military service from twenty-five to forty per cent of their men. This noble response, however, must not lead us to think that these who continue their education until called by the government are less brave or patriotic than the ones who enlisted. The need of the country is not so much for men as for trained men. The schools and colleges are the training stations in which the future officers of the army and navy are being trained. This is pre-eminently an educated man's war. Science and technical skill are at the front. The high patriotic duty, therefore, of every man is to continue in the high schools and colleges until the government calls him, in order that he may give his best to his country's cause.

Some young men and women are being tempted by unusual financial inducements to leave school for employment. To do this is shortsighted; for the discipline of the school is the surest guarantee of permanent business and professional success. We must do two things; first, we must win the war. To do this we must give our best in physical resources, in intellectual training, and in personal power. Second, we must get ready to rebuild the world after the war. For that stupendous task all our acquired skill and wisdom will be demanded. Young men and women of America, stay in school till the government calls you.

(By George R. Grose, President Depauw University)

### SIX LEFT IN GIRLS' TENNIS TOURNAMENT

Final Rounds Scheduled for Early  
Part of Next Week

The semi-finals of the womens tennis tournament were played Tuesday afternoon. The latest games resulted in victory for the following: Sarah Nettleton, Dorothy Forch, Gertrude Sabin, Valerie Elder, Elsa Voss and Sylvena Pehanac. The winners, according to dope, will stage one of the most exciting finishes for the Hays' cup that has been seen for some years.

The finals will be played early next week. The scores of Tuesday's games are as follows:

- Sarah Nettleton defeated Frances Forch 6-4, 6-0, 6-3.
- Agnes Sweeney forfeited to Dorothy Forch.
- Gertrude Sabin defeated Gladys Jones 6-2, 6-2.
- Valerie Elder defeated Eula Badger 3-6, 6-1, 6-2.
- Ruth Blomquist forfeited to Elsa Voss.
- Sylvena Pehanac defeated Ethel Babcock 6-3, 6-1.

### Home Ec. Seniors Get National

The Seniors of the Home Economics Department, petitioning the professional fraternity, Phi Upsilon Omicron, received a telegram Monday stating a charter had been granted. Installation will be held before this college term is ended.

Miss McGinnis, who is a member of this fraternity, was responsible for securing the local charter. The charter members of Phi Upsilon Omicron are as follows:

- Irene Gould, Verna Johannesen, Velma Spaulding, Helga Anderson, and Cora Mae Jones. Several girls of the senior and junior classes will be elected to membership as soon as the installation is completed. The installing officer will be Miss Bess Rowe, Professor of Home Economics, at the University of Montana.

## MONTANA NINE HERE THURSDAY

Jerry Nissen's Bruins Come Tomorrow  
For Diamond Encounter With  
Idaho Men

### JIMMY ALMQUIST MAY PLAY

Idaho Captain Almost Recovered  
From Injury Received In  
Initial Game of Season

Coach Bleamaster's most likely chance to break into the baseball column will come Thursday when the Montana Bruins invade the local campus for a "rassle." Four defeats at the hands of the Washington men across the way have not dampened the determination of the Idaho ball-clouters. Hopes for a victory are furthermore inspired by the possible return of Captain Jimmy Almquist to his position at first sack. His wrist is still weak from the severe sprain received in the first W. S. C. contest, but he may be able to resume his mitt and take his old place in the clean-up position on the Idaho batting list.

Homer McDonald, who delivered the ball in the last two State College games, will probably appear on the mound for Idaho in the Montana contest. Wade is still suffering from a lame ankle, while Rettig's arm remains in such a condition as to give small hope of his ever again twirling the pill in an intercollegiate game.

Short practice hours have handicapped the Montana diamond men, but they come confident of a chance for victory in spite of this and the fact that it is their first conference game this spring. Vitt, a veteran, will probably oppose Coach Bleamaster's men as hurler, with McKain and Caulkin composing the remainder of the Bruin pitching staff. The rest of the Montana line-up is still a conjecture.

The game will be called at the usual time, 4:00, on the athletic field.

### SENIORS INVEST AGAIN

The Senior class has shown their patriotism by buying another Liberty bond. There is a possibility that they will donate it to the Associated Women's Clubs of Idaho to be used as a part of a loan scholarship fund.

## ATHLETIC FRAT GRANTS CHARTER

Sigma Delta Psi National Honorary Fraternity  
Authorizes Organization of  
Idaho Chapter

### ENCOURAGES DEVELOPMENT

Candidate Must Qualify in Fifteen  
Different Events—Tryouts  
To Start Soon

Sigma Delta Psi, the national honorary athletic fraternity, has granted a charter the University of Idaho. A communication just received from Dr. W. G. Anderson of Yale, Keeper of Rolls, officially authorizes Coach Bleamaster to proceed immediately with the organization of the local group.

Membership in Sigma Delta Psi is earned by all-round athletic proficiency. A candidate must meet the requirements in fifteen different events from the hundred yard dash to the two mile run, and from the pole vault to the football punt and the front hand spring. The purpose of the fraternity is to counteract the present tendency in athletics toward specialization, in favor of a more general development. None of the requirements are beyond the reach of the average student who will practice consistently for a year.

The fraternity was founded in 1912 at the University of Indiana. The charter chapters are: Indiana U., Minnesota U., Hanover College, Washburn College, Butler College, Main U., Whitman College, Utah U., Depauw U., Lombard College, Colorado U., Texas U., North Dakota Ag. College, Kentucky U., Yale, Pennsylvania U. There are at present about 40 charters in the United States.

The constitution provides that a committee consisting of the president of the institution and five professors, shall control the proceedings of the chapter. The faculty men who have been appointed to this committee are Angell, Bleamaster, Edmundson, Lewis and Neidig.

Competition for entrance is divided into two classes, senior and junior, according to their ability. The requirements for admission into the senior class are as follows:

- 100 yard dash, 11 3-5 seconds.
- 220 low hurdles, 31 seconds.
- High jump, 5 feet.
- Broad jump, 17 feet.
- Shot put, 30 feet.
- Pole vault, 8 feet 9 inches.
- Swim 100 yards.
- Punt football 200 feet, on the fly.
- Throw baseball 125 feet.
- Two mile run in 12:15.
- Ten mile walk in 2 1-2 hours.
- Front handspring.
- Stand on hands 10 seconds.
- Front dive 4 feet.
- Walk with erect carriage.

The candidates are kept under constant observation.

In the junior class the requirements are:

- 100 yard dash in 12 seconds.
- 220 low hurdles in 33 seconds.
- High jump, 4 feet 6 inches.
- Broad jump 16 feet.
- Shot put 25 feet.
- Pole vault 8 feet.
- Throw a baseball 200 feet on fly.
- Punt football 90 feet on fly.
- Swim 50 yards without floating.
- 2 mile run in 14 minutes.
- 10 mile walk in 3 hours.
- Erect posture, etc.

When a man earns a varsity letter he may substitute this for any one event in the try out, except swimming.

As everyone is eligible, "Blea" urges every one who would be a Sig Delt to see him and make application. There is no limited time for tryouts, and one failure does not mean complete failure.

The badge are the letters Sigma Delta Psi in the form of a key.

### THREE LEAVE FOR AVIATION

Another call has been issued by the aviation department for enlisted men to report at the aviation barracks at Berkeley next Saturday. In this list are three well known students of Idaho, Howard Staples, William Richie, and Sam Bloom.

These men left last night for San Francisco to report Saturday morning. The call has been expected all winter, and all three have been in readiness for immediate departure since the first part of February.

It is getting more and more difficult to maintain that Idaho has a baseball team but such is the fact. Thursday will be conclusive proof that, although they have been beaten four straight by Pullman, they are still in the winner class. Montana comes here Thursday afternoon, and with a little rooting by a few of that scarce variety of "loyal" Idaho students, there remains but little doubt whether Idaho will win. Who cares whether we win or not so long as students carefully avoid the athletic field during a baseball game. If the student body doesn't want a winning baseball team it certainly would be unkind for the baseball team to win. If you want Idaho to win get out and say so. Come over behind the Ad building Thursday and let's talk it over. What would a football game look like with a few subs along the side lines and an empty bleachers? The fellows surely would work hard, realizing that the students would a lot rather sit at home and knit, than watch them endeavor to uphold the name of their school. Yet this is Idaho's spirit. That famous fighting slogan, "Idaho Fights," is a thing of the past. Idaho's fighting spirit is dead. Whether or not this is true remains with you.

So let's all get out Thursday and watch Idaho disappoint a pessimistic student body by winning from Montana.

**A. BASEBALL FAN.**

**WE, US & CO.**

The stunt fest is one of the most instructive occasions of the year. Every one finds out at this time the virtues that the faculty members possess.

Yes, we received our ten cents worth. Our friend wanted to pay the ticket seller an extra dollar. He said that Zeigfield's Frolic had nothing on the Sophomore stunt.

The Daily Star Looking Glass says that the Freshmen would have won the contest if they hadn't had any competition. Logic!

The flag raising went off without even a hitch—in the rope.

The manager of We, Us and Co. asks that anyone who is willing to donate a flag for use on the Gymnasium, see him at once.

Many forms of dramatic and tragic productions were exhibited last Friday. Yes and some others, too.

Yes, the Frosh song was a howling success even tho they were not rewarded with the rewards of the deserving.

The profs expect to be made the goat. Some looked like sheep.

- COMMON CAMOUFLAGE**  
 Toy cannon reports.  
 Some class songs.  
 A Puritan heritage.  
 The Senior introductory speech.  
 Paper hats.  
 The garb that draped Cleo's lady-like form.

**JUNIORS WIN BOTH CONTESTS**

McDonald's Song and Plummer's Cafeteria Secure Top Prizes in Annual Stunt Event

The annual Stunt and Song Fest ended in a victory for the Juniors in both the song and the stunt contests. The Seniors were second in the song affray and the Sophomores second in the stunts. The winning song and music was written by Homer McDonald, and deserves special mention for its timely and clever construction.

The Freshman stunt was a general take-off on the cadet battalion and was true to the life as portrayed in the military department of the university. The more widely known characters of the cadet battalion were impersonated by the boys of the Freshman class. One had to be a member of this organization to completely understand the humor brot forth by their efforts.

The Sophomores presented a program that was at once artistic and comical. The plot hinged around "Miss French's mandate" that no young ladies be allowed to attend a performance of "Cleopatra," a movie presented at a local theatre. Swannstrom and Newland as Cleo and Tony respectively, presented a most amorous love scene. The scene was really Egyptian and the members of the cast smoked real oriental cigarettes, and played with a real snake. A well worded prologue, spoken by Rosinbum, introduced the "Attraction which was reputed to be naughty."

The setting of the Junior prize-winning stunt was Plummer's at Midnight. The play centered around the fact that Miss French had departed for France to take up war work on the firing line. The evening was given over to wild, wild women and faculty roasts and then more wild, wild women. The following scored the faculty members: Romig, McCrea, Sandelius, McDaniels, Glindeman, and McLaughlin. Other parts were handled by Morley, Ott, Knudson, Hasser, Anderson, Clements, and Hatfield. The finale was a waltz arranged from the winning song. The Junior Jazz orchestra aided thru out the performance.

The Senior stunt was the daintiest production of the evening. It showed ingenuity of certain and clever thot. The plot was a hunt by the students for a friend on the faculty. After a process of elimination one true

friend was found in the person of Miss Brashears. The part was taken by Belle Willis. The finale resulted in a flash light search for the friend of the students. The lead was taken admirably by Burge Buzzell. He was also responsible for the clever rhymes and verses which featured the comedy. Miss Nona Ferris was the designer of the costumes that sparkled so brilliantly.

After the decision on stunts and songs the trophies were presented to the winners in the interscholastic track meet. The cup won in the intramural basketball and track tournaments were presented to Sigma Nu and Zeta Chi Alpha respectively. The official program was as follows:

**THE JUNIORS OFFER: THAT INDISSOLUBLE TRINITY WINE, TERPSICHOIRE AND THE DEAN OF WOMEN!**

An Illuminating Morality Play Based on 40 Nights in a Cabaret.

One feature will be a thesis on the delerious effect of unmellowed Bourbon on the Lyric Tenor, to be read by a faculty member disguised as Belshazzar.

**Why Go to "Idaho"**

The choice of a university or college to be attended should be based upon four principal requirements: 1st, a high purpose and broad field of work; 2nd, a competent faculty; 3rd, a sufficient equipment; 4th, a student body of high ideals. The University of Idaho fully satisfies these requirements.

- 1. Purpose and Field—**  
 Its purpose is to serve the people of Idaho in developing and training students; in advancing the entire State educational system of which it is a part; in assisting toward the solution of economic and social problems; in furnishing expert knowledge in Agriculture, Engineering, Forestry, Mining, Home Economics, Law, and Educational matters not only to students in residence but also to all who desire it throughout the State.
- 2. Faculty—**  
 The faculty is made up of eighty-three teachers of thorough training and efficiency attained by years of study and experience. They are deeply interested in the progress of each and all under their instruction. They know the State and its conditions and give their best efforts to its development. In addition there are fifteen workers in the agricultural extension division and 15 agricultural county agents.
- 3. Equipment—**  
 Its equipment is ample. It has a library of over 40,000 volumes, excellent facilities for teaching literature, philosophy, and the social sciences, and well provided laboratories for the natural and applied sciences and for the technologies.
- 4. Students—**  
 Its students numbered one thousand and nine in the school year of 1916-1917 and were earnest, wide-awake, and democratic. A large number of them earned their own way. Its alumni now occupy high positions and will be the future leaders of Idaho in professions, the industrial vocations, and in the building and maintenance of homes.  
 The six colleges and the central agricultural experiment station are periment station and the cooperative work with the U. S. Bureau of Mines are located at Moscow; the main agricultural extension office is Boise, and the agricultural sub-stations and demonstration farms at Caldwell, Sandpoint, Moscow, and Aberdeen.

Society Gossip

**Phi Deltas Are Hosts**  
Phi Delta Theta entertained with an informal dance on April 26. The guests of honor were Messrs. Dingle, Poe, Cannon, Bistline, Knutson, Richmond, Homer Lipps, Westover, Smith and Mr. and Mrs. Gale. Those present were the Misses Wardwell, Glinde-man, Hossler, Brown, McCallie, Grace and Gail Taggart, Chubbuck, Wylie, Kendall, Elder, Grondahl, Bloomquist, Chapman and Helen Frantz.

**Neidig at Seattle**  
Professor Neidig is attending the Northwest Red Cross conference at Seattle this week.

Coach W. C. Bleamaster has been notified of his appointment to represent the Inland Empire on the council of the Western District of the American Physical Educational Association. He will be a delegate to a convention held in July, at Berkeley, California. The members of the council are: Bleamaster, Bezdek, Brown, DeGrief, Grilley, Hetherington, Kelly, Kitchen, Kleeberger, Raitt, Schneider, Stevens.

Kappa Kappa Gamma announces the installation of Gamma Gamma chapter at Whitman College. The following members from Beta Kappa chapter attended the installation: Gertrude Stephenson, Helen Patton, Gladys Duthie, Helga Anderson, Myrtle Gano, Virginia McRae, Lar-Vern Borell, Ernestine Drennan, Mayme Crumpacker and Mrs. Grover Turnbow.

Kappa Kappa Gamma gave an informal reception Saturday afternoon in honor of Mrs. Parke R. Kolbe. The house was decorated in daffodils and lilies of the valley. Mrs. Hutton and Mrs. vonEnde presided at the tea table.

Word has been received from Ralph Largent, ex-'18. He is now somewhere in Texas, doing K. P. until the flying school shall have graduated enough men to admit a new class.

Mesdames Reed and Carey, and the Misses Keller, Povey, Herrington, Hall, Schott and Johanson, were dinner guests Sunday at the Kappa Sigma House.

Mrs. Parke R. Kolbe, grand president of Kappa Kappa Gamma, of Akron, Ohio, was a week-end guest at the Kappa house.

Mrs. Gunn, Verna Johannesson, Helen Frantz, Marion Snyder, Angelina Burns, and Freda Soulen were Beta dinner guests last Sunday.

Ella Hall, Thel Richmond, Mary Nodde and Grace Darling returned for the annual banquet of Chi Delta Phi.

A new shipment of history and economic books has just been received at the library.

Prof. H. T. Lewis spoke at a community meeting held at Nez Perce last Friday.

Lloyd Stenger is here on a few days furlough from Camp Lewis visiting home folks and friends on the campus.

Kappa Sigma announces the pledging of Grove Brockway of Spokane.

Mrs. Lynch of Boise visited her daughter at Ridenbaugh hall during the past week.

Mrs. Hutton entertained at dinner Sunday in honor of Mrs. Kolbe.

Virginia McRae, ex-'20, of Spokane, was a week-end guest at the Kappa house.

Phi Delta Theta announces the pledging of Jack Ford, Raymond Kar-in, Homer Lipps, and Joe Whitcombe, all of Lewiston, Idaho.

**Ridenbaugh Hall Entertains.**  
Ridenbaugh hall entertained on Saturday evening, April 27th, the Misses Reed, Sullivan, Katherine McIntosh, Alice Bessee, Lillian White, Hester Scott, Miriam Chittenden, Vera Mason, Sarah Nettleton, Cora Mae Jones, Katherine Edie, Mamie Stapleton, Carey, Olivia, Marie Cramer, Alice Edgecomb, Marie Freehafer, Dessa Hall, Mary Clark, Florence Bauer, Francis Cunningham, Helen Davidson, Neta Frazier, Marie Anderson and Ruth Scott. Dancing stunts and college songs formed the evening's entertainment.

"Buck" Phillips, ex-'15, first lieutenant in the 52nd infantry stationed at Fort Oglethorpe, Georgia, spent the week-end with Phi Delta Theta.

Wendel Phillips, of Lewiston, was a week-end guest of Phi Delta Theta.

Dean Thomson goes to Coeur d'Alene this week.

Alfred Nelson, who has been spending the last two weeks at his home in Kendrick, returned to school Sunday.

Rock Fowler, ex-Idaho, now in school at Pullman, visited at the Co-op house Saturday and Sunday.

Lew Morris, Sophomore class president, has left for his home in Wyoming where he will spend the summer in raising wheat and livestock on his father's ranch.

The Twelve Pound Feeling

**Scene 1**  
English Club Rooms, donated by philanthropists, about 8:30. All officers present, grouped artistically around the president, like pictures of the White House group.  
President—Large, Teddy Roosevelt type of gentleman.  
Vice-president—Same as above.  
Secretary—Same.  
Treasurer—Ditto.  
Chairman of committee on credentials—President.  
Chairman of committee on original composition—Same as above.  
President—"The meeting will now adjourn—I mean, come to order. Air there any movements to be put forward at this ti-um?" Taps with pencil—I mean gavel.  
President—"The secretary is about to commence to read the minutes, (to

secretary) Will you kindly endeavor to resuscitate this meetin' by your obluminous articulations? (To audience and spectators.) These are immensely sig-ni-fi-cant!"

Secretary, rising and adjusting her—I mean his spectacles. "At the last time," fellow co-workers, in the abrigitious efforts of our despicable president and his colleagues, we drew up the following plan for condemnation. The main business is to have refreshments—they have an immense signficiation on the disconcerted at-titood of the multitood. By them, we are able to tame the wild beast, and why not have them for such civilized aggravations as ourselves. For one, I'm for them." Pause—"They were unanimously voted for."

Secretary sits down.  
President—"If anyone has conspicuous business to bring up at this time, let him do so immediately, before we adjust ourselves. Arise and dress the chair. No business? This is tremendously significant—It shows how smoothly we shall glide on our several ways. Before we adjourn for the evening, we will now hear our oblatenous schedule. I shall have chairman on credentials arise. Chairman, you may arise."

Chairman arises and adjusts her—I mean his spectacles.  
"The credences necessary are for the aspirator to have the entrance fee and the disabilities necessary—Therefore all may come and do likewise, otherwise."

Chairman sits down.  
President—"Very good, very significant—shows great reaction. Will chairman of original comp. please arise and speak when spoken to." (To president of committee.) "Arise!"

Chairman of Orig. Comp. arises, adjusts spectacles.

"The following is all I can report on as yet. We hope for something better in the past.

"A little bird sat in the tree  
And shivered in the snow  
He was as sold as he could be—  
O ho! O ho! O ho!"

He moaned unto his gibby mate,  
His frisky joy was o'er  
And when the morning came, too late—  
Friend birdie was no more."

Sits down.  
President—"Excellent, very significant of the times. I think that last touching line of first verse is very significant, it shows the whole movement in the word O ho—Most important word in the whole poem. Turning point, in fact. We can now relinquish in the very meritorable efforts of the program."

All relinquish and enjoy themselves in the refine.

Odor of burnt cocoa fills the air. Sound of distant voices and footsteps running, steam hissing, pans clattering, tears flowing—one would think a twelve course dinner, with turkey and ice cream, and losongers about to issue through portals to famished pilgrims of this mecca of culture.

President, after speech has been ended—"This has been tre-e-mendously successful—its promulgation was very abstemerous and we did enjoy ourselves so promiscuously. I guess we really can adjourn now—Is the movement in order?"

Movement is in order.  
Crys of "question, question!" fill the air—They adjourn.  
Sandwiches and cocoa.  
Oblivion.  
Curtain

\$50,000 GOES TO UNIVERSITY

Supreme Court Decision Releases Morrill Fund for Immediate Use

The First Trust & Savings Bank of Moscow has received a check for \$50,000 to be placed to the credit of the university. This is the amount of the Morrill fund allotted to this institution by the government from the sale of government lands and to be used for the maintenance of experimental and extension work of the university.

These funds were withheld this year by State Auditor Van Deusen, and suit was brought. A recent decision of the Supreme Court ordered the money turned over directly to the university treasurer.

By a law passed at the last session of the Legislature all funds and endowments coming to the educational institutions in the state are to be placed in the general fund of the treasury and are to be used before the money appropriated by the state for the same purposes can be touched. In accordance with this law the money allotted to Idaho from the Morrill fund must be placed with the rest of the state funds. To keep this separate and under the control of the institution, an action was brought in the court by the Board of Education to restrain the treasurer and auditor from placing this in the state's general fund.

The Supreme court of the state decided that this fund is a trust fund and cannot be used for any other pur-

pose than that for which they were intended.  
By the provisions of hous bill No. 316, all appropriations made for an educational institution by the last session of the legislature shall be automatically reduced by the receipt of any endowment fund from other sources, properly belonging to the institution. So the money at the disposal of the institution is increased \$50,000 by this decision.  
The Morrill fund is derived from the interest accruing on money accumulated from the sale of government land belonging to the school. Of this kind of land, the university owns 96,080 acres, the College of Agriculture, 90,000 acres, and the

School of Science 100,000 acres. A grand total of 386,080 acres, all for the one institution in this state.

# LEWISTON WINS STATE TITLE

Totals 59 Points in Interscholastic Track Meet—Moscow Second with 38

**NORTON HIGH POINT WINNER**  
 Captain of Winning Team Scores 16 Markers—No South Idaho Entries

The annual interscholastic track meet held on the university track Friday, resulted in a victory for the Lewiston team by a margin of 21 points over Moscow, its nearest competitor. This well balanced aggregation amassed a total of 59 markers, taking 8 firsts. The total points gained by each team entering the contest were as follows:

|               |    |
|---------------|----|
| Lewiston      | 59 |
| Moscow        | 38 |
| Coeur d'Alene | 13 |
| Nez Perce     | 12 |
| Kamiah        | 11 |
| Genesee       | 1  |

These six teams were the only entries, the southern Idaho delegation failing to arrive as expected.

The meet was close and exciting to the end, and each event was hotly contested. The results were at first in doubt with Moscow and Lewiston running neck and neck, and the other three teams all fighting to keep out of the cellar position.

Norton of Lewiston was the high point man of the meet, totaling 16 points for his home team. Brier of Lewiston, by his classy springing, gained second place with a total of 14 points. Of the Moscow representation Cady was the particular star, pulling down a first in the mile and half mile.

The pole vault was the most contested of any of the events and came the nearest of being in the college class of track work. Johnson of Kamiah, by his greater endurance, overtopped the Moscow competitors by clearing the bar at 10 feet 9 inches. He then tried for a record but failed to get more than his feet over the eleven foot ten mark.

Fox of Moscow, Bevis and Bjork of Lewiston and Harmon of Coeur d'Alene, also deserve special mention for their work.

Because of the scarcity of entries the finals and the few preliminaries were all run Friday. The varsity track team gave exhibition contests between the events scheduled. No records were broken by the aspiring high school stars and the only record tried for was the pole vault, by Johnson of Kamiah.

The detailed results were as follows:

### The Winners in Events

The first event was the 50-yard dash. Breier of Lewiston took first, Harmon of Coeur d'Alene, second; Farrer of Nezperce, third. Time, 5 4-5 seconds.

The second event was the 100-yard dash. Breier of Lewiston also took first in this, with Farrer of Nezperce, second, and Parsons of Moscow, third. Time, 11 1-5 seconds.

Third was the 220-yard dash. Norton of Lewiston winning first; Breier of Lewiston, second; Mills of Kamiah, third. Time, 24 seconds.

The fourth event was the 440-yard dash, first being won by Frost of Lewiston; Gardner of Moscow, second, and Thompson of Moscow, third. Time, 59 1-5 seconds.

Cady of Moscow won the 880-yard race, with Bjork of Lewiston, second, and Wright of Nez Perce, third. Time 2 minutes, 14 1-5 seconds.

Cady also won the mile run, with Her of Coeur d'Alene, second, and Fike of Nezperce, third. Time, 5 minutes, 11 2-5 seconds.

Miller of Nezperce won the high hurdles (120 yards) with Anderson of Moscow, second, and Bevis of Lewiston, third. Time, 19 4-5 seconds.

Bevis of Lewiston won first, Mill of Kamiah, second, and Friedman of Moscow, third, in the 220-yard hurdles. Time, 29 2-5 seconds.

Fox of Moscow won first in the broad jump, with Wright of Lewiston, second, and Bolland of Genesee, third. Distance, 19 feet, 11 3-4 inches. This was the only point Genesee got in the meet.

Norton of Lewiston won the high jump, Mullarky of Lewiston, second, and Millerman of Kamiah, third. Height, 5 feet, 3 inches.

Johnson of Kamiah won the pole vault, Anderson of Moscow and Himan of Lewiston tied for second place. No third was allowed in this. Height, 10 feet, 9 inches.

Miller of Nezperce won the the shot put, with Fox of Moscow, second, and Rodner of Moscow, third. Distance, 41 feet 2 1-2 inches.

Norton of Lewiston was the first in the discus throw, with Lennox of Moscow, second, and Bjork of Lewiston, third.

ton, third. Distance, 96 feet, 9 inches. Mills of Kamiah was first in the javelin throw, with Rugg of Lewiston, second, and Harmon of Coeur d'Alene, third. Distance, 143 feet, 11 inches.

Lewiston and Moscow had the only teams entered in the relay race and Lewiston won in 1 minute, 45 1-2 seconds. The distance was half a mile.

There were 40 contestants in the meet of which Moscow had 12, Lewiston 10, Genesee 6, Nezperce 4, Kamiah 3 and Coeur d'Alene 2. The names of the men in the various teams follow:

Moscow—Fox, Friedman, Cady, Thompson, Lennox, Gardner, Parsons, Anderson, Fallquist, Cornelison, Rodner, Westover.

Lewiston—Norton, Forest, Breier, Goldstone, Bjork, Himan, Mullarky, Leland, Rugg, Bevis.

fourth consecutive time in the spring series of six games. The Cowmen got away to a lead of three runs in the first and were never headed.

Idaho scored twice in the third on four clean singles, but in the fifth W. S. C. came back strong and showed five across and repeated for four tallies in the sixth. Idaho's big inning was the fifth when singles by Wade and Bistline, followed by McDonald's homer, accounted for three. After that the varsity never had a chance and the game ended twelve to five with Pullman on the long end.

Except for the three bad innings, Idaho played a better brand of ball than exhibited in the two preceding games, but seemed to be unable to hold together at the critical moments.

"Mac" Repeats  
 McDonald got his second homer in the same spot as his first, the ball rolling down the track almost to the grandstand. Moe, who hit three times in the third game, was batting clean-up but was unable to connect safely in any of his trips. Hyde, on the receiving end for the first time, caught a steady game and got two singles.

Summary: Earned runs—Idaho 0, W. S. C. 1; Two base hits—Moe 2, Moran, Lisle; three base hits—Moe; stolen bases—Fox, McDonald, Rockey, Wivell 2, Knapton, Lewis, Jenne, Moran 2, Lisle; passed balls—Wivell; wild pitches—Moran; bases on balls—off McDonald 2, off Moran 3; hit by pitched balls—Fox by Moran; Wivell, Knapton, Muller 2 by McDonald; struck out—by McDonald 10, by Moran 7; left on bases—Idaho 10, W. S. C. 13; double plays—Knight to Rockey; time of game—3 hrs. Umpire—Almquist.

Second Game  
 Scoring twelve runs on eight hits, W. S. C. defeated Idaho for the

**PRESIDENT ON ROAD**  
 President Lindley gave seven addresses in four days last week. The first of this series was given on Wednesday, at the laying of the corner stone of the new U. of Oregon Medical building, in Portland, at which Governor Whitcomb officiated. On Thursday, Dr. Lindley spoke at the Intermountain Institute, Weiser, Idaho, and on Friday morning he addressed the Weiser High School. On Friday, in the afternoon, he spoke before the Caldwell High School, and in the evening at the same place in an open air meeting to boost the Liberty loan drive. On Saturday he addressed the Nampa High School.

His plans for addresses the following week include speeches at Payette and New Plymouth, but he will probably visit several other schools on his trip.

**PULLMAN COMES FOR FIRST TRACK MEET**  
 (Continued from page one)

and Moe performing with the results a matter of conjecture.

The meet will start at 2:00 p. m. promptly. A special war admission price of 50 cents has been made.

T. D. Matthews, ex-'09, will officiate with the revolver, with Angell and Neidig in the timing positions, and Conwell and Miles as judges.

Wm. S. HART in "Wolves of the Rail" An ARTCRAFT Picture

"There is so much good in the worst of us, and so much bad in the best of us"—you know the old familiar quotation, so why tell it over again. This recalls the fact that Two-Gun Bill Hart portrays the role of a good man, but with all the snap of his two-gun career in
