UNIVERSITY OF IDAHO, MOSCOW, WEDNESDAY, OCTOBER 15, 1919.

NUMBER 4

COME ON OREGON--IDAHO FIGHTS--STEP UP

CAMPUS RALLY FRIDAY NIGHT TO HELP BREAK OREGON JINX

WILL SERPENTINE, YELL, SING DANCE AND PLAY TO HELP TEAM SLIP VICTORY OVER OREGON. START FROM CAMPUS STEPS AND PARADE DOWN TOWN.

All Kinds of Instruments From Mouth Organs to Bass Horns Wanted.

An all campus rally will rip up the lids from the jazz kettles for the first big game yell and song fest, next Friday night at seven o'clock sharp, campus steps. The Oregon jinx has got to be broken—and a big share of that breaking will depend on what happens Friday night, and on those stands Saturday afternoon. And we can bust 'er.

Noise Makers Wanted.
Brass instruments and every thing that will make a noise are expected to be there. Men, women and faculty will be there, with all the best iron lungs available. Our unorthodox yowlings will be sent skyward, from the main streets of Moscow and if the Oregon jinx can be scared away by real organized yelling and singing, the Old Idaho Spirit, or the New Idaho Spirit, will sure mock him cold for this year's game. Be there—seven o'clock—campus steps, with all available instruments, and leather lungs and throats. The Oregon jinx must be busted.

PASS ON YELL RULES AT A. S. U. I. MEETING

Garde Wood Elected Third Yell Duke—Stunt Fests To Start.

A. S. U. I. meeting today spruced up the Noismakers for the football games by passing the Harvard yelling contest rules, and appointing Garde Wood as third yell duke. A committee was appointed to investigate the official rooster cap question, and their report will be made immediately.

The Harvard Yelling Contest is one for which much preparation must be made, both in the organized singing and yelling, and stunt fests. Special stunt heads will be appointed by the yell king.

Y. President Speaks.
E. K. Lindley spoke on the application of the Bible to everyday work. He is president of the Y. M. C. A. He has obstacles to overcome by anti "Y" sentiment in the school, and the "Y" board has hopes of this being accomplished.

STUDENT COUNT EQUAL

Northerners and Southerners Will Vie For One Man Advantage

The final count of the student body reveals a very interesting fact. Northern Idaho and Southern Idaho only lack one of each having an equal number of students at the university. Now whether the one man advantage goes to the South or to the North is unknown. Speculation is rife upon the campus. Northerners confidently claim the extra man; Southerners are fully as confident.

Four years ago Southern Idaho had reached the forty-four per cent mark and thought she was doing wonders. Now she either has one more than the North or else only lacks one of having as many. This shows a rather rapid increase.

The question will be settled by Dean Eldridge's office force. They are making a second count. There is chance for further dispute after that. The boundaries of the two districts will have to be definitely settled. Until the final positive results appear, Southern and Northern Idaho will each continue to claim that odd man.

ENGLISH CLUB WILL READ
"Fennell," a one-act play translated from the original by Jerome K. Jerome, is the title of the reading to be given by Mrs. H. H. Conwell at a meeting of the English Club to be held at the "Y" hut Wednesday evening at eight o'clock.

CALENDAR
* Wednesday, 6 p. m.—Muckers' meeting—Assay Building.
* Thursday, 10 a. m.—Rally.
* Friday, 7 p. m.—Pajama Parade.
* Saturday, Oregon-Idaho Game
* W. S. C. Frosh vs. U. of I. Frosh
* Saturday, 8 p. m.—Senior Ruff
*—Gymnasium.

VARSIITY-FROSH GAME REVEALS MANY STARS

Contest at Campus Hour Takes Toll From First String, From First String Lineup

In a rather expensive game with the Frosh team last Wednesday several weaknesses and several gains were shown in the varsity lineup; the gains probably were greater than the losses. In both teams are seen aggregations that are the best Idaho has turned out for several years; especially is this true of the varsity.

Five first team men were drawn out because of injuries. The first was "Chick" Evans, who developed a charley-horse after making consistent gains through the Frosh. His brother, Grover, sprained his ankle a few minutes later and was withdrawn. He has not been in the game since. Thompson was the next victim, retiring with a badly bruised knee. Captain "Bunt" Breshears unfortunately sprained his arm in a fall and until Monday night was unable to report for practice.

The game itself was meritable and showed the students Idaho has a team that should make a name for itself this year.

The game opened with the Frosh kicking. Thompson ran the ball back 25 or 30 yards and on the first down Gerlough carried the ball 65 yards for a touchdown. The Frosh then received, were held for downs and

(Continued on page 6)

AG SCHOOL DRESSES FOR LADY MEMBERS

Women Enrolled in Ag College as Instructor and Frosh—Farm Crops Men Dress Up.

Instead of straw hats and overalls, laces and georgette have appeared among Dean Idding's Aggies. Young men among the college farmers have now adopted neck ties and white collars. This radical change is due to the enrollment of two Lady-Ags, the first and only to appear upon the campus in the entire history of the University.

Miss Claire Hobson of Boise and Miss Naomi Chapman of Asotin bear this distinction. Miss Hobson comes to the University from the state extension department in Boise, where she has been employed as assistant in the Agronomy department. She is now working toward a B. S. degree in Farm Crops. She states that in the Federal department a great deal of the pure seeds work is being done by women, and that she feels it to be an occupation much better suited for woman's work than for man's.

A seed laboratory has been established in the College of Agriculture which will work in connection with the state laboratory at Boise. During the summer months the state laboratory cooperates with the county agents in carrying on a campaign for pure seeds. In every way possible aid is extended to the farmer in order to eradicate the weed pests.

Miss Chapman is a freshman in college and has registered for the full four years course in Agriculture.

HI! KING SCHLITZ! WHAT SAY?
And his majesty orders and decrees that:
"EVERY ROOTIN SHOOTIN SON OF A GUN BE THERE!"
What do you think of a student body that will not support their team. I ask if that is what "Idaho Spirit" means?
Can eleven fighting men win when every one stays home looking into a warr: fire and cussing the weather.
Each and every one of you should hide your faces with shame if you miss another "Campus Hour" or yell rally.
I say, "Be with OUR TEAM and give them our utmost as they are giving theirs."
Remember that Idaho never slacks.
Are we going to be there? And the answer is, "We are Idaho students. We will be there."
(Signed) King Schlitz and Dukes.

UTAH TEAM WRONG IN U. OF I. VICTORY CLAIM

Advertise Idaho Technical Institute Game and Victory for University of Idaho.

Utah Agricultural College has advertised a game, and claimed credit for an easy victory over the University of Idaho football team, when that team was one representing the Idaho Technical Institute. They used the names of several University players as stars. This mistake should be at once rectified by the Utah athletic authorities, and steps will be taken by the Argonaut in that direction, if it is not done.

Idaho Resents Action.
"I must confess that I rather resent certain publicity used by the Logan authorities in advertising their game," says Coach Bleamaster. Idaho whipped the Utah team 26 to 15, in 1916, when they last played them, making the incorrect information even more distasteful. It is certainly expected that the Logan authorities will take immediate steps. We expect them to.

BUCK PHILIPS HELPS HARDEN TACKLE MEN

All-Star Tackle and Captain of '16 Assists Bleamaster in Rounding Out Line.

The tackle possibilities are Philips' victims this week. He has Perrine, Plastino, Goff and Brown to work, all of whom are husky candidates. Many new tricks are coming into prominence through the tackle specialist. These have the required kick in them, because Philips has tested them personally as well as having witnessed his men experiment with them in his coaching experience.

The new instructor says his four man school is raring to go and Oregon will sure get a run for their money when they bring the ball in the vicinity of these men.

Holds Javeline Record.
As a track man Buck was the spirit of '16 in the weight section. For several years he held on to the All-American unofficial record in the javeline throw. Even the official record of 177 feet by which he captured the record was not his best, as compared with his throw in the North Western meet in 1916 of 106 feet. The Idaho shot record was also held by him until that husky Frosh Neil Irving, raised it by a few inches in 1918 by a forty-two foot heave.

Philips led the Idaho eleven in the 1916 season, holding down the old position of tackle. He was recognized in those days for his fighting qualities and heady play.

JUDGING CLASSES VISIT

Go To Pullman and Colfax for Training on New Stock

The Livestock Judging class in charge of Prof. C. W. Hickman spent Saturday in Colfax. Several classes of horses belonging to M. A. Metz were judged.

Prof. H. P. Davis accompanied the Dairy Cattle Judging class to Pullman last Saturday. The day was spent judging classes of dairy cattle owned by W. S. C.

Martie Carlson of Idaho Falls, a third year student in the School of Practical Agriculture, returned Tuesday to resume his work.

Y. PRESIDENT STARTS COMMITTEES MOVING

Committees Appointed For Year—Secretary Outlines Plans.

The second meeting of the Y. M. C. A. Students Cabinet occurred on Tuesday evening. President "Prex" Lindley called the meeting to order and announced the appointment of the following committees heads:
Membership, Cornelison; Finance, Buck; Employment, Johnson; Meetings, Goff; Publicity, Jackson; Hut Maintenance, Thompson; Handbook, Staples; Social, Wood; Deputations, McDevitt.

Plans Discussed.
Tentative plans for this year's work were discussed. Secretary Macpherson took "the last five minutes" in outlining the work of the University Y. M. C. A. "Its main duty," said Mr. Macpherson, "is to give our college men, who are our nation's future leaders, unselfish ideals to carry away from college with them." He called attention to a rumor that was circulating in South Idaho concerning the difficulty of housing students here at the University. The stopping of this rumor will be one of the immediate tasks of the "Y." He touched on many plans for work in and for the University. In short, the Y. M. C. A. this year is working for a greater Idaho.

NEW BUDGET SYSTEM GOES INTO EFFECT

A. S. U. I. Amendment Revises Whole Plan of Student Body Fund.

With the passage of the amendment to the constitution of the A. S. U. I. last spring and the creation of a faculty supervisor, the former method of handling student funds was practically invalidated in its entirety. This necessitated the arrangement of a new system for control of funds. Since that time the Board of Supervisors has put forth approximately the following regulations governing the expenditure of student funds:

Budget Needed.
A budget must be drawn up at the beginning of each year stating the anticipated expenditures and the anticipated receipts in detail. The exceptions allowed to this are in the miscellaneous fund, the Glee Club fund, and the Debate fund. The first of these will not be budgeted except in very general terms. The Debate and Glee Club expenditures must be budgeted before any monies are drawn from them. These budgets must receive the signed endorsement of the Board of Supervisors. Thereafter no monies may be expended from those funds save those that are in accordance with the budget allowance, and then, only after having secured the sanction of the Board of Supervisors.

Money may be drawn from the various funds only in accordance with the following regulations:

Requisition Necessary.
A requisition must be secured in advance of making any expenditure in every case. This requisition must contain (a) the date, (b) the fund on which it is drawn, (c) the number of the requisition in order, (d) the purpose for which the money is wanted, (e) the estimated cost, (f) the budget balance before the desired expenditure.

(Continued on page five.)

"BLEA'S" GRIDIRON MEN TO MIRE THE WEBFOOTERS

COACH "SHY" HUNTINGTON'S ELEVEN HERE SATURDAY FOR FIRST CONFERENCE GAME—FAMOUS EUGENE HOODOO TO BE SMASHED.

Notice.
Pictures from the Gem of the Mountains must be taken by December first. The Freshmen pictures will be taken at Eggan's. All other classes will go to Starners. Make appointments at once.

LIEUTENANT EVERLY LEAVES FOR OGDEN

Popular Assistant in Military Science To Assume Command of Utah City's R. O. T. C.

First Lieut. Ronald E. Everly of Nampa, formerly of the 361st infantry, who has been serving as assistant professor of military science and tactics at the University of Idaho since last spring, left Moscow last night for Ogden, Utah, to assume command of that city's high school reserve officer's training corps unit. Lieutenant Everly, who is a former university student, was cited for gallantry displayed in the Argonne drive, having been severely wounded in that action. His popularity on the university campus has been unusual. Universal regret has been expressed over the order sending him to another station.

HARD BOILED FROSH PRIMED FOR BATTLE

"Huck" Breshears Made Captain—He Commands a Hard Boiled Crew Out to Win

Bert Dingle's freshmen, who meet the Washington State college first year men in a contest which will serve as a prelude to Saturday's varsity struggle, have been displaying unusual early season form. Willing, chesty and full of fight, the Idaho yearlings will be found a substantial mouthful for any eleven of their aviridopis and experience in the northwest.

Coach Dingle has yet to announce his lineup, but he probably will start Leo Provost of Lewiston at center; Earl Parks of Caldwell and Fred Chamberlain of Coeur d'Alene at the guards; Vernon Patch of Payette and Jim Neal of Boise at the tackles; Ward Wyman of Boise and Sherman Breshears of Caldwell at the ends; Howard Breshears of Caldwell at quarterback; Allen Brown of Boise and Ted Turner of Caldwell at the halves, and Arnold Breshears of Caldwell at fullback.

Arnold "Huck" Breshears of Caldwell, brother of Ralph "Bunt" Breshears, varsity captain, yesterday was elected leader of the first year eleven. All four of the Breshears boys, who are sons of F. M. Breshears, superintendent of the Idaho state constabulary, will perform gridiron duties Saturday afternoon.

Army Films Shown.

Several reels of moving pictures were shown to all R. O. T. C. men Tuesday evening in the Y. M. C. A. hut. The films were issued by the general staff of the army, and were made at Fort Sill, Oklahoma. One of the films illustrated the correct way to arrange a pack, and the way to carry it when rightly packed. Another film showed the way to stretch and arrange a campaign tent. A Vickers machine gun was dismantled and re-assembled, after which the gun was shown in action. The various ways of remedying faults of the gun were explained. Light field artillery was also shown in another film.

Willing, Full of Fight, 1919 Team Raring for Conflict—Great Battle on Deck.

Idaho's Lineup and the Oregon Array.

Idaho	Oregon
Gowen	R.E.L. Howard
Plastino	R.T.L. S. Leslie
Nagel	R.G.L. ... Harding
A. Graf	C. B. Leslie
Barbour	L.G.R. Berg
Perrine	L.T.R. Bartlett
Fox	L.E.R. Bartlett
Cipf Breshears	Q. Steers
Whitcomb	R.H.L. Jacobberger
Irving	L.H.R. Strowbridge
Gerlough	F. Huntington
Coach W. C. Bleamaster	declined to give out a lineup and the above hazard is absolutely tentative. From observation and general student opinion the above lineup is published. The above men may start the game.

Willing, confident, cocky, and full of fight Coach W. C. Bleamaster's gridiron warriors are ready for the University of Oregon on the varsity field Saturday afternoon at three o'clock. Backed by the loyal support of every Idaho well wisher Idaho football players are going to "MIRE THE WEBFOOTERS."

With all his crippled veterans in uniform "Blea" has expressed the belief that he will be able to start a representative aggregation against Oregon when Coach "Shy" Huntington's men appear on the field Saturday afternoon.

"Deadly Jinx."

The "Jinx" has had the luminous backfield prospects of the first of the year in rather a deadly grip. Calamity has fallen heavily upon football futures for the last three weeks. Injuries to Irving, Thompson, Gerlough, Captain Breshears, "Chick" Evans, Grover Evans, have totalled up into an alarming hospital list.

Constant attention has been given the injured men so that with the near approach of the first game of the year Idaho players will be in shape for Oregon. Only the constant endeavors of the coaches and the men themselves has enabled them to overcome discouraging handicaps.

Gloom Over With.
But now that we are all through with the gloom stuff Idaho is going to win the Oregon game. Idaho students feel it in their "bones." Everybody is going to be out to back the team to the last atom of real Idaho devotion.

"Blea's" Statement.
"We will be just as nearly ready as circumstances permit. I do not care to make any predictions, because I have no accurate information as to Oregon's capabilities. I KNOW THE IDAHO TEAM WILL FIGHT."

Such is the inspiring statement of Coach Bleamaster, a statement of confidence in his men.

Oregon's Team.
Oregon has a great football team, heavy, fast, fighters every man, and Saturday's game will be a great exhibition of football. The Oregon game will be one of Idaho's hardest battles.

Reports of the Oregon-Multnomah club game show that the "Webfooters" completely outclassed the Portland eleven. The final score was 23 to 0. Oregon put over three touchdowns, made a drop kick, and kicked goal twice.

Bleamaster said in regard to the first showing of Oregon: "The fact that Oregon beat Multnomah shows that they have a good team. Saturday's game will be one of the hardest of the season."

Individual Oregonians.
Men in the Oregon lineup have reputations that stand high in northwestern football circles. "Bill" Steers, full back, is an old timer at Oregon

READ THIS, YOU BIRDS. Pep, jazz, life, snap, vim, vigor, where the hell are they? No one has noticed any of the above mentioned attributes being overly manifested in any of the campus activities so far.

Remember that "Idaho Fights" is not a made-to-order slogan from an imaginative brain but the spirit of Idaho as phrased by those who have opposed her on the athletic field.

WHERE GOES THE NINE PER CENT?

Nine per cent of the moneys of the A. S. U. I. are now going into a fund to foster an organization which does not in the least deserve it—the University Glee Club.

Allowing that the Glee Club will make their trip, and we expect them to do it, why can not they at least make expenses, instead of having the nine per cent as something to ride on?

Another thing should be considered. The A. S. U. I. wants a Glee Club that represents University students and not the faculty.

LIEUTENANT EVERLY

The record made by Idaho men in the Great War has been the subject of much favorable comment both at home and Over There.

ARE WE GOING TO BEAT OREGON?

What promises to be the biggest athletic year in the history of Idaho opens Saturday with the Oregon game here. The unusual importance

Our yell leader is such a Nice, Refined Boy that we hate to see him get so fussed during Campus Hour.

CAMPUS ROOMER

Now that winter is upon us with its drab colors; since the leaves are leaving and the grass is turning brown, we like to have a glimpse of green erstwhile, but it seems that the Vigilance Committee disagrees with us, for by their conspicuous inactivity they have proclaimed abroad that they prefer the untamed Frosh in anything except the prescribed head-gear.

OWLETS ENDEAVOR TO AWAKEN THE DEAD

Last Friday night at an hour when all good fraternities should be safely ensconced between their sheets, our village listened to activities on the part of certain of the aforementioned groups that no doubt caused many of the good citizens to curse naughtily and reach for the alarm clock until they remembered it was college students instead of cats.

Chickens never wash, as many other birds do, but cleanse themselves of insects by wallowing in soil. For this reason every poultry house should be provided with a dust box.

Advances to cover trips of athletic teams, debate teams, and the like will be made by the Board of Supervisors within its discretion.

Expenditures from the Health Fund will be governed by a separate set of regulations. Each manager must make to the Treasurer of the A. S. U. I. a receipt in the form described by the Board of Supervisors of all receipts and expenditures made and authorized at the end of the season, and the end of each semester.

Get out and yell

If you have a voice use it. If you don't have a voice this is no place for you. You belong in a school for the dumb, because if you expect the Silver-Gold team to defeat Oregon you must give them vocal support.

Forestry Club Organizes

The Forestry club reorganized for the year and elected the following new officers: A. S. Daniels, president; Edward Nero, vice president; and Carlton R. Patrie, secretary and treasurer.

Methodist Episcopal Church

THE UNIVERSITY of IDAHO

Established in Eighteen Hundred and Eighty-nine. THE COLLEGE OF LETTERS AND SCIENCE THE COLLEGE OF AGRICULTURE THE COLLEGE OF ENGINEERING THE COLLEGE OF LAW THE SCHOOL OF MINES THE SCHOOL OF FORESTRY THE SUB-STATION OF THE BUREAU OF MINES THE EXTENSION DIVISION, BOISE THE AGRICULTURAL EXPERIMENT STATION MOSCOW Sandpoint, Caldwell, Aberdeen, Felt

Why Go to "IDAHO"

The choice of a university or college to be attended should be based upon four principal requirements: 1st, a high purpose and broad field of work; 2d, a competent faculty; 3d, a sufficient equipment; 4th, a student body of high ideals. The University of Idaho fully satisfies these requirements.

- 1. Purpose and Field— Its purpose is to serve the people of Idaho in developing and training students; in advancing the entire State educational system of which it is a part; in assisting toward the solution of economic and social problems; in furnishing expert knowledge in Agriculture, Engineering, Forestry, Mining, Home Economics, Law, and Educational matters not only to students in residence but also to all who desire it throughout the State. 2. Faculty— The faculty is made up of eighty-three teachers of thorough training and efficiency attained by years of study and experience. They are deeply interested in the progress of each and all under their instruction. They know the State and its conditions and give their best efforts to its development. In addition there are more than seventy workers in the agricultural extension division and fifteen agricultural county agents. 3. Equipment— Its equipment is ample. It has a library of over 40,000 volumes, excellent facilities for teaching literature, philosophy, and the social sciences, and well provided laboratories for the natural and applied sciences and for the technologies. 4. Students— Its students are earnest, wide-awake, and democratic. A large number of them earn their own way. Its alumni now occupy high positions and will be the future tenants of homes.

The six colleges, the central agricultural experiment station and the sub-station of the U. S. Bureau of Mines are located at Moscow; the main agricultural extension office is Boise, and the agricultural sub-stations and demonstration farms at Caldwell, Sandpoint, Moscow, Aberdeen and Felt. THE "KICKS" OF A FOOTBALL GAME

Things that make your hair stand on end, your spine feel "creepy," a lump gather in your throat, and that glorious old "Idaho Fight" spirit come "razzing" thru you.

You'll like Hades when these things happen:

When the Idaho Varsity comes on the field.

The Kickoff.

Idaho's first touch-down.

The Idaho line HOLDS.

Sensational end run for Idaho.

Idaho's second touch-down.

Idaho's third touch-down.

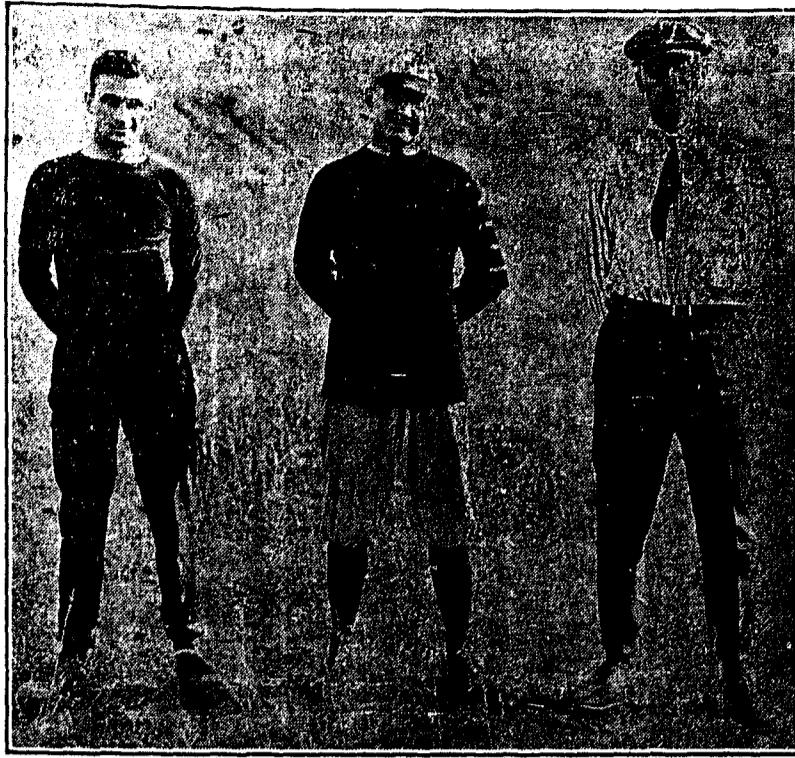

Idaho's fourth touch-down.

More Idaho touch-downs "ad infinitum."

The final call of time and Idaho has

"MIRED THE WEB-FOOTERS"

UNIVERSITY COACHES

Reading from left to right: Bert "Pip" Dingle, Freshman coach; R. F. Hutchinson, assistant varsity coach; W. C. Clemaster, head coach.

portant subjects, as five months is insufficient time in which to deal fully and completely with every subject of value to farmers.

The regular Ag. course covers four years, but in many cases the farmer has neither time nor money for such a long course.

Nearly every part of the state is well represented and some are here from Washington. The southern part of Idaho probably has the heaviest representation. Twin Falls section and the Boise valley have an exceptionally large number of Short Ags.

Housing Problem.

The sudden arrival of 80 new students at the University has not made the problem of housing any easier to solve. But this can and will be overcome in time, just as the problem of providing board and room for the large number of new regular students was overcome at the beginning of the term.

BOHEMIAN IN MINE SCHOOL

Expert Linguist Studies to Be Mining Engineer—To Take Up Foreign Work.

Born under two flags, raised under four, and master of eight languages,

is the record of John Rolinc, a student recently enrolled in the college of mines. Mr. Rolinc was born in Bohemia, at that time under Austrian dominance, and has lived successively in Austria, Serbia, Poland, Russia, Mexico and the United States. He entertains his student acquaintances by speaking fluently in Bohemian, Polish, Russian, Serbian, Italian, Spanish, French and fairly intelligible English.

Varied Experiences.

Mr. Rolinc's experiences in European countries is wide and varied. Born in Bohemia, he was raised in Serbia where his parents moved when he was a child. Here he grew to manhood in what he says is "the garden spot of the world," where his father owned a forty acre farm. But Mr. Rolinc soon learned that a forty acre farm, even in the garden spot of the world, will not yield sufficient returns to adequately support a family of 13. As a young man he lived in several European countries. He stayed for some time in Russia in the large industrial centers of Warsaw, Odessa and Petrograd. But he found that the same condition prevailed all over Europe; for a poor man there was no opportunity. Having come to this conclusion, he came to America about 10 years ago, the major portion of

which has been spent in Mexico and the west.

Will Travel.

Mr. Rolinc is enrolled in the University as a mining engineer. This field in America, he says is overcrowded, and with the termination of his studies here he will go either to South America or Russia. Russia he looks upon as a country of great opportunity to the miner due to the vast unworked ore deposits in Siberia. Since the revolution, Rolinc regards education as the only hope for the country, and with the overthrow of the aristocracy he sees the poor man coming into his own. In regard to his own family, he has heard nothing of or from them since the outbreak of the war in 1914.

ENGLISH CLUB ELECTS

Officers and Committees to Start Ball Rolling For Year.

The English club elected the following officers at a meeting held last Wednesday: Mary McKenna, president; Gail Taggart, vice-president; Marian Byrnes, secretary-treasurer.

Before the election Dr. George Morey Miller discussed briefly the aims of the club and the qualifications necessary for membership.

The following committees were appointed: Program committee, Mercedes Jones, chairman; Inez Calloway, Inez Oliver, Ralph Davis; membership committee, Verl Oliver, chairman; Marie Anderson, Phyllis Orford, Paul Rowell; dramatic, Kenneth Newland, chairman; Helen Johnston, Michael Thometz, Gladys Clarke; original composition, E. K. Lindley, chairman; Marian Chubbuck, Philip Buck and Mrs. Kjosness.

Notice.

All students who have changed their Moscow address since registering should turn in the new address to Dean Eldridge's office before Saturday morning, October 18th, if they wish to have it given correctly in the new Student Directory.

Military.

Even to the casual observer the improvement in the R. O. T. C. corps in one week is surprisingly apparent. At the Saturday review they made a very favorable showing. The increase in the number of men wearing uniforms improves the appearance of the whole unit and the officers are anxious that all men not appearing in uniform will do so at the earliest date possible.

Early Fall Needs

Each season has its special requirements in drugs and various sundries.

We anticipate such needs and are always prepared to supply just what is needed for any special purpose.

You will find here precisely what you want in remedies, toilet preparations, or other things needed at this season for the promotion of health and comfort.

Face Creams and Powders, Chap Lotions, Cold and Cough Remedies, Housecleaning Helps, Rubber Goods, Tonics, Blood Remedies, Toilet Articles, Etc.

These are some of the things which you'll need during the changeable weather of the coming months.

Quality is guaranteed and prices as low as may be had on similar goods anywhere.

fervent support in their contest with a traditional rival. No matter what the score and what the situation, remember that you must continue to be inspired, zealous until the referee's whistle brings final surcease of all hostility.

Late Saturday afternoon we undergraduates will have experienced a sensation which no alumnus has ever known. We will have seen an Idaho team crush Oregon. We will have witnessed the death of the Oregon Jinx.

Make this your philosophy of the hours that separate the present from the first moment of the game. Breathe and live this spirit. We're going to win! We're going to win!

S. P. A. ENROLLMENT TO BREAK RECORDS

Short Ags Coming Strong For Big Year—New Courses Planned.

The short ags. are coming strong according to reports from Dean Id-Ding's office. Eighty new students will enroll October 16. This will be the largest enrollment in that course since 1915, when 76 students were registered.

The Extension Department comes in for a large share of the credit for this enrollment. Members of the department have done splendid advertising for the Agricultural school here, and this has resulted in a larger number of students taking the course.

The Short Ag. course will begin October 16 and will run till March. It is given to the young men of the state who intend to become farmers. It is made up of only the most im-

BELIEVE IN VICTORY!

Believe in victory! Convince first yourself and then your room-mate that Idaho must win!

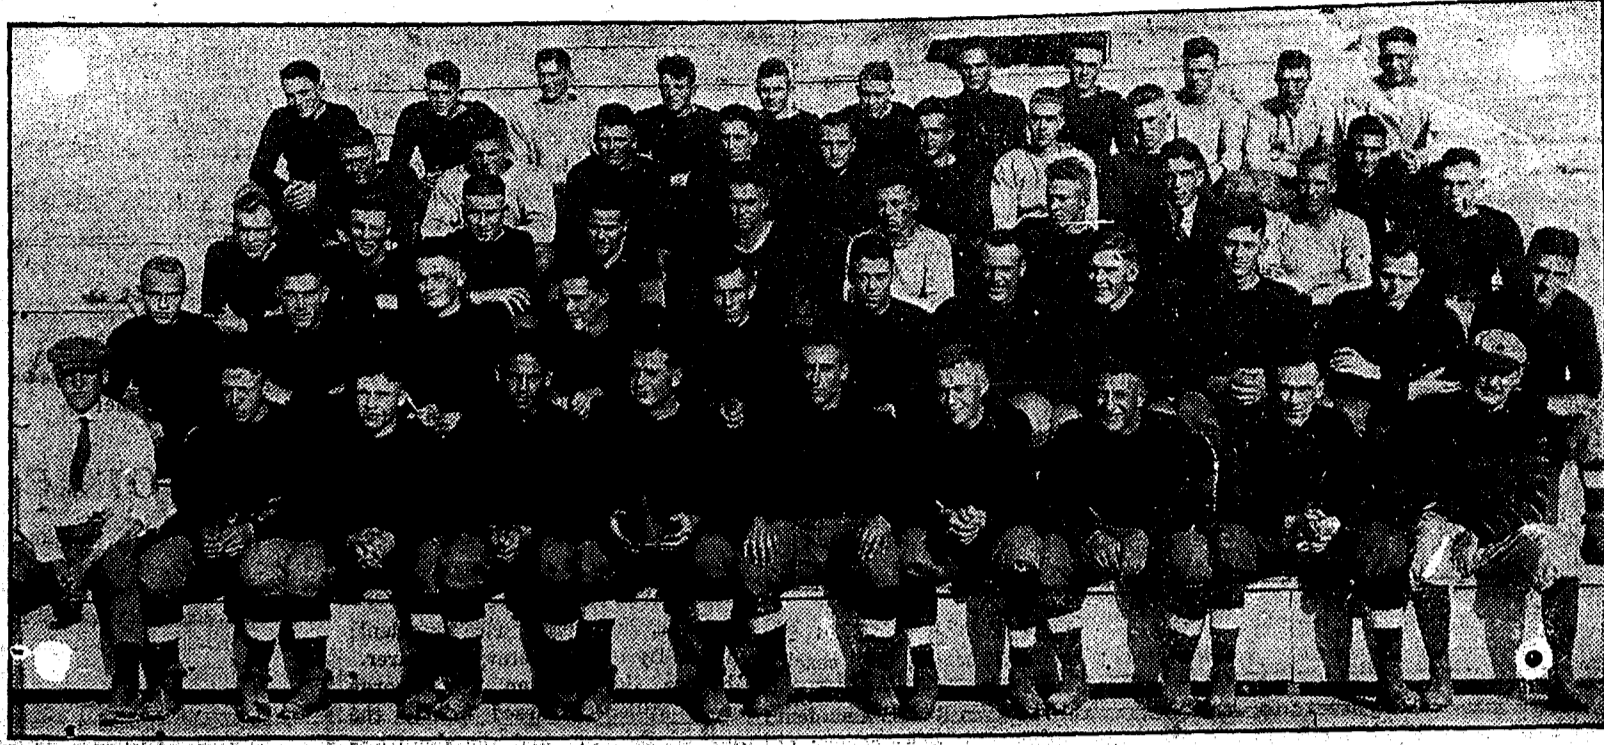

Do not forget the vast importance of a victorious psychology. Seize upon that abiding faith in probable success which has taken such firm hold in the minds of Idaho's knights of the ribbed field. Remember that second only to team confidence is the coincidence of an intensely loyal, undivided student body.

Be prepared to follow the direction of Yell King Bartlett to the point of vocal and physical exhaustion. Make your vociferation just as zealous, just as earnest as the embattled endeavor of those eleven men who will strive with taut nerve and tensed muscle for the fair reputation of this university. Watch every play. Sense every situation. Exult in every Idaho line smash, in every completed forward pass, in every exchange of punts which means ground gained. Appear at the field on time and be prepared to lend the freshmen

MATERIAL FOR VARSITY AND FRESHMAN TEAMS

IDAHO MUST FIGHT OREGON JINX TO WIN

UNIVERSITY OF IDAHO FOOTBALL SQUAD

University Hoodooed Since 1901 By Bad Luck—Team Weakened This Year by Injuries

In figuring the possibilities of Idaho winning from Oregon, that terrible "Oregon Jinx", that has resulted in Oregon keeping Idaho from winning in every scholastic football game played between the two schools since the game was introduced in the northwest must be given consideration and brought up for its share of cursing.

Since the prehistoric football days of 1901, when players were searched for concealed weapons before each game and the undertaker paid off first mortgages at the close of each season, the jinx has been camping on Idaho's trail. In 1901, Idaho succeeded in tying Oregon on the latter's field.

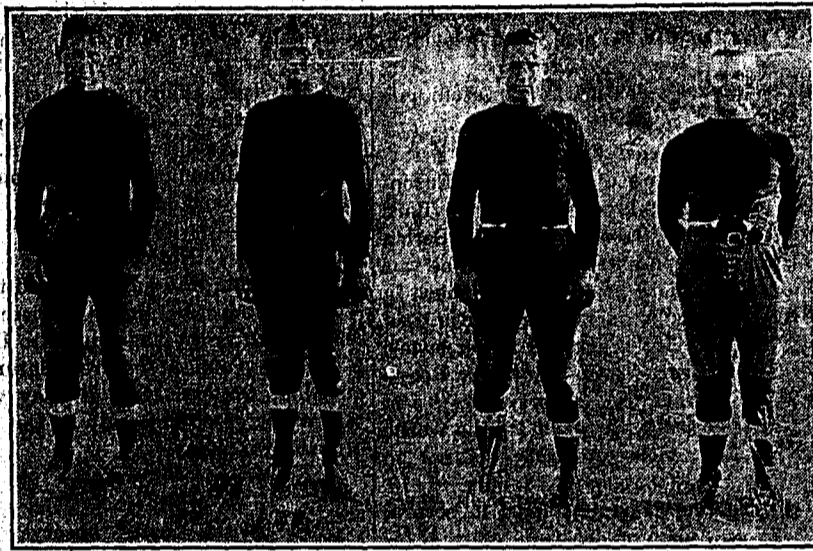

(Continued to page five.)

WHAT ABOUT THE OREGON GAME?

(Statements of Idaho Football Men)

"I know that Idaho players will fight."—Coach W. C. Bleamaster.
 "I do not care to make a statement. My policy has always been to keep quiet before a game and we'll know the whole story after the game."—R. F. Hutchinson, assistant coach.
 "There is enough on my hands in our intention to beat the W. S. C. 'Frosh.' We all know what we want the outcome to be."—Freshman Coach Bert (Pip) Dingle.
 "The slogan adopted by the team this week is, 'Beat Oregon' and we are out to win. It will be a team representative of Idaho and the traditional 'Idaho Fights' spirit that enters the contest Saturday. Are you as a student body with us? You play the game as the team plays it—fighting until the last whistle. What do you say? The teams wants to feel that spirit behind them. We can and will win this game. Now is the time for the first step toward beating W. S. C. Let's go!"—Captain "Bunt" Breshears.
 "I have never made a statement before a game. I never will. Wait until the game is over."—"Turk" Gerlough.
 "Idaho is as good as the best of them. The team will be there with the fight. What we want is the support of the students."—"Tommy" Thompson.
 "It will be a hard fought battle, but the team will fight from start to finish, therefore Idaho will win."—"Gus" Irving.
 "I haven't anything to say except that I will do my best."—Joe Whitcomb.
 "We are going out to break the Oregon 'Jinx'."—"Duddy Gowen"
 "Oregon is to know that they are meeting an Idaho team."—"Rich" Fox.
 "Idaho's football team is going to start the season with a victory."—Grover Evans.
 "Idaho is going to battle from gong to gong."—"Ole Johnson."
 "We are all going to do our best."—Albert Graf.
 "I say Oregon is due for a cleaning and we are going to try hard."—Heintz Glindeman.
 "We are out to win."—Harry Hartwell.
 "Our showing is going to be true to Idaho standards."—Warren Barbour.
 "We want to win and we are going to."—Al Kinney.
 "I want to get a crack at Oregon."—Sidney Robinson.
 "I don't like to make a statement. Idaho students realize we are out to win and we will."—Felix Plastino.
 "My main object in life right at present is to help hook Oregon."—Pat Perrine.
 "Idaho will ramble right along with Oregon."—"Butch" Nagle.
 "Oregon beat Multnomah, eh? Well, Oregon is playing Idaho Saturday."—"Chick" Evans.
 "To the finish will Idaho fight Oregon."—Fred Graf.
 "If intentions can be carried out Oregon is in line for a fall."—Boyd Brigham.
 "We don't know what they've got, but they are going to find out what we've got."—Frank Brown.
 "I am after blood if I get in the game."—Abe Goff.
 "To the best interests of the University. That's what we're after. We are out to win."—Percy O'Brien.
 "Our intentions are good. The outcome we hope will be better."—Lloyd Hibner.
 "Beat Oregon? Our intentions are good."—Brenneman.
 "I wouldn't turn down a chance to help in Idaho's victory."—Herbert Thompson.

IDAHO'S GREAT BACKFIELD

Reading from left to right: "Turk" Gerlough, fullback; Captain Breshears, quarterback; "Tommy" Thompson, half back; Neil Irving, half-back

Idaho's great backfield! Bleamaster's quarter of long siege guns! Gerlough, Thompson, Irving, Captain Breshears! No other collection of such individual luminants were ever gathered together before on the University campus.

"Turk" Gerlough is without question one of the greatest football players in the northwest. If the critics and football authorities of the east could watch "Turk" Gerlough in action he would be "All American." This is not a bold or a rash statement, just a plain matter of fact. He is unquestionably a great football player.

The Terrible "Turk."

Gerlough's experience on the gridiron has been a long career of constant brilliancy. He was picked by Walter Camp, the greatest football authority, as one of the hundred best football players in the United States.

In Captain Breshears, Idaho has the best passer in the 1917 Northwestern Conference, a keen quarterback, and a good carrier of the ball. As a quarterback "Bunt" diagnoses a play the instant it is started and he has the ability to know what will be the most effective method of attack.

The Idaho Captain.

Breshears is the typical Idaho captain. He has the confidence of his team, the ability to lead men, the total absence of everything but the team's and his alma mater's welfare.

"Gus" Irving is the powerful "all man." He picks his holes nicely, runs with a terrific force, and is equally good on offensive or defensive. Irving is powerfully built, and more than powerfully inclined when playing football. He may well be called, "The Human Plov."

All Northwest Men.

In both Thompson and Irving Idaho boasts two all northwest backs. Thompson has been selected for two years on the team and Irving once.

"Tommy" Thompson is a whirlwind on an open run, probably the most dreaded man in an open field in the conference. He is close to 10:1 man in track and runs just as well on a field. His terrific line smashes will count heavily for Idaho yardage.

Punting will probably be done by Gerlough and Thompson.

In the other backs, "Chick" Evans, Joe Whitcomb, Percy O'Brien, and Fred Graf, Idaho mentors have a source of supply that will do honor to old Idaho.

Percy O'Brien has distinguished himself as a foxy, long legged runner, and a kicker of unusual ability.

Fred Graf is a good offensive and defensive man, who has had experience on the 1917 Idaho team and the Camp Lewis eleven last year.

Joe Whitcomb has a powerful drive. Chunkily built with natural football instinct, Whitcomb is good for gains at all times.

"Chick" Evans, probably the fastest man on the team and one of the gamest, is expected to show Oregon how yardage can be made.

of last year, and assume office now. They are: President, Roy (Tommy) Thompson; vice-president, Titus Le Clair, and secretary, Henry King.

Dean Little spoke briefly to the members, and urged that they all attend the meetings of the club. He said that this year the School of Engineering had an unusually large enrollment, over ninety being registered to date. Of these over fifty are Freshmen. The purpose of the organization is to bring the engineer students together every so often and to learn their ideas and to bring outside speakers to address the fellows on the new engineering problems of today. For this purpose a little money is at the disposal of the club, said Dean Little.

Professor Webb also talked to the men briefly, expressing his pleasure at the showing at the first meeting. A program committee with the vice president as chairman was appointed, and it was voted to have the next meeting in two weeks, Wednesday, October twenty-second.

PHI DELTA-KAPPA SIG SMOKER

Kappa Sigma was entertained by Phi Delta Theta at a smoker Friday night at Guild hall. Entrance to the hall was gained through an upstairs window, from which plane of elevation the gentlemen wishing entrance would be precipitated forcibly skyward several times by means of a blanket. The entertainment was featured by the Freshmen, who performed some of the usual smoker stunts, and members from each fraternity, who gave selections also very suitable to the occasion. All football men left early in the evening, after which the Frosh breathed easier.

Early Saturday morning a serpentine yell rally and band concert was given on the downtown streets.

President Talks to Frosh. In the second of his series of talks

BETWEEN THE GOAL POSTS
"The Oregon Game" is the sum and substance of the season with the University of Oregon Saturday on the varsity field loyal Idaho men and women will be behind one of the greatest football teams in the history of the institution.

The true Idaho spirit, that intangible thing termed "Idaho Fights," will burst forth unrestrained to be felt by every player, varsity and freshmen, in this conflict Saturday with Oregon and the Washington State college "frosh."

There is no need to tell Idaho students to "Be there." Everybody will be there with just as much interest in winning as the players and coaches themselves.

IDAHO MIRES THE WEBFOOTERS.

Idaho's capable, cocky, hard-boiled freshman team is going to give the first year men of W. S. C. a lesson in football. Coach Bert Dingle has had the best high school material in the state to build up an eleven and he most assuredly has developed the desired article—a scrappy football machine.

An advantage of the freshman ruling barring first year men on varsity teams is that the Idaho varsity can beat W. S. C. and the freshmen can do the same thing.

FRESHMEN UPHOLD IDAHO STANDARDS.

How about that yell rally Friday night and a real Idaho get together meeting?

Sure, there'll be one and a good one.

A yell rally the night before a game is the proper enthusiasm. Everybody has the proper "hang-over" from the "night before" and when that old ball goes sailing from the kickoff then things break; we're off, and

IDAHO MIRES THE WEBFOOTERS.

W. S. C. Frosh beat North Central high school by the magnificent score of 6 to 3, with four of North Centrals former big stars on the college lineup. And the high schoolers even outplayed the Frosh, which makes the money a little more prominent for the Frosh game Saturday.

The Utah Aggies are sure making a name on the football map? They about killed the Idaho Tech—an institution nearly one fourth as big as they are.

What say? Let's have no hissing or complaints when Idaho is penalized this season from the stands. The officials are square and know what they are doing, and if there are any grounds for a "kick" Captain Breshears is in a position to handle it.

When Oregon or an opposing team is penalized there should be no demonstration whatever. No ground was actually gained by Idaho in the event of a five, ten, or even fifteen yard penalty.

If an Oregon man is knocked out it is up to Idaho rooters to give him a yell. Let's do 'er.

Numerous little things on the face of it but mighty big things when they are thought out. They react against the University.

Not so with W. S. C. but the Oregon game is the big thing now and we'll keep quiet but still glowing the animosities for our our friends across the line.

Nevertheless the general showing of good sportsmanship by the stands is the thing that creates the most favorable impression. Let's watch ourselves.

IDAHO FIGHT MEANS SPORTSMANSHIP.

There was a college and they had a football team and they played another college and got beat quite badly. There was no quitting. The defeated eleven gave everything they had in the game. They were simply outclassed.

There was a big crowd out and the rooters for each team were in different sections.

Well, the slaughter was finally over.

The supporters of the losing team, packed tight in their section, with the final call of time, instead of tearing out over the field overly anxious to "get home"—what did they do? Every man stayed and cheered their varsity just as loyally, just as devotedly, just as exuberantly and feverently, as they did at the beginning.

It must have brought a thrill to every battered and broken hearted warrior. They lifted their heads in prideful joy and well they might for spirit was shown of the finest kind.

Oh no, Oregon isn't going to beat us or anybody else. And you want the moral.

Well, that institution's team probably came back and reversed things next time. What do you think?

to Freshmen, given Wednesday afternoon in the Y. M. C. A. hut, President Lindley spoke of keeping ones mental house in order. "Everybody has time to do anything he really wants to do," said President Lindley. "It is the man of varied interests who has the biggest understanding of life and who does the biggest things."

Turtle in Zoo Lab.

The Zoology department claims the distinction of having a live turtle in its collection of beast and bugs. A turtle is quite a curiosity out in this country, and this one receives a great deal of attention. It was found near Colfax and was turned over to Doctor Wodsdalek in the hope that it would be useful in his department.

Harry Marsh in Mine School.

Harry W. Marsh is a visitor at the School of Mines, having come here to do some metallurgical testing work for the mining properties with which he is connected in the Coeur d'Alenes. The School of Mines laboratories are always open for the use of the mining engineers of the state and such use is on the increase, according to Dean Francis A. Thomson.

Some time Friday night there was a delegation of W. S. C. people visited the campus with the intention of impressing Idaho with their bravery. They painted a few letters on the side-walks around the University and then took a silent retreat. This is one of the time honored customs and can be expected at any time.

Yell Rally (?) Any one in the vicinity of the Campus surely had their slumbers wrecked for the space of two or three hours on Saturday morning.

Idaho Captain

Ralph R. "Bunt" Breshears.

Some one conceived the idea of a yell rally at twelve o'clock. They started out with a brass band and sirens and soon had the whole neighborhood wondering what the excitement was about. Short talks were given at the various Sorority houses and the band gave a serenade.

Beta Smoker.

Professor Lewis entertained the Beta Fraternity at a smoker on last Friday night. This is his annual practice and one to which the Betas look forward to. He furnished all manner of entertainment and had a real feed for them. This is but one of the many times that groups of students have an opportunity of becoming acquainted with different members of the faculty, and as usual they are always found to be "real people."

ENGINEERS PLAN YEAR

Large Enrollment Swells Ranks of Club—Hope for Big Stunts

The Associate Engineers Club of the University held its first meeting of the year Wednesday evening in the Administration building. No important business was transacted, but the future of the organization was discussed by those present, which numbered about fifty. The officers of the club were elected at the close

HEARD IN THE HALLS

Gail Musser spent the week-end in Lewiston.

Fred Babcock, ex-'16, was a week-end visitor at the Sigma Nu house.

Gamma Phi Beta entertained Miss Peterson of Lewiston, Fred Babcock and Grover Evans at dinner Saturday evening.

Henry Fulton, ex-'20 has returned to school.

Charles Gray, ex-'10, has returned to school.

Margery Heaton and Frances Huntington of Kappa Alpha Theta at W. S. C. visited Chi Delta Phi Sunday.

Bessie Newman and Ruth Blomquist attended a fraternity dance in Pullman Saturday evening.

Delta Gamma announces the pledging of Eleanor Fletcher of Boise.

Thelma McGee spent the week-end at her home in Lewiston.

Chi Delta Phi entertained Miss French at dinner Friday.

Henrietta Safford was a guest of Delta Gamma Friday.

"Pete" Barts was a dinner guest of Kappa Sigma Tuesday evening.

Miss Ethel Richmond, who has been teaching at Fraser, spent the week-end at the Chi Delta Phi.

Dean Cockrill, of the Law college, was a dinner guest of Kappa Sigma Sunday.

Nadine Sims spent the week-end in Spokane.

On Friday evening, October 3, Sigma Nu entertained at an informal house party. The invited guests were Misses Helen Wegmann, Blackinger, Putman, Motie, Collins, Alberts, Friedman, Stanford, Salter, Tecklenberg, Hastie, Benoit, Carscadden, Wiley, F. Jones, L. Smith, Dingle, Atkins, M. Kutnewsky, Sanger, Moseley, Wheeler, Morris, L. Collins, Malloy, Soulen, Ball, Frantz and Bessee.

Marion Featherstone visited her parents in Viola over the week end.

Elizabeth Woods visited friends in Pullman Saturday.

Frank Blackinger, '21, returned to college Sunday.

Lindy Collins visited at her home in Lewiston over the week-end.

Mr. Kears of the U. of Colorado, Annette McCallie, ex-'19, and Virginia McRae, were dinner guests at the Kappa Sigma house Sunday.

Gladys McRae and Mable Sweeney spent the week-end in Pullman visiting Zeta Phi chapter.

Estelle Hendershelt, Velma Peterson and Mrs. Elizabeth Ward motored from Lewiston Saturday evening to attend the Kappa Sigma dance.

Professor and Mrs. Henry Schmitz and Mr. and Mrs. Chase Raney were Sunday dinner guests at A. K. E. house.

Mr. William Heaton of Spokane was a Friday evening dinner guest of Alpha Kappa Epsilon.

Bruce Johnson was a dinner guest at AKE house last Wednesday night.

"Bunny" Taylor and Chase Raney sent Saturday in Colfax at the fair.

Hughes and Kuhns were in Pullman Saturday to do some stock judging.

WHAT THEY ARE DOING

Hall Funk, who left Idaho in June, 1917, continued his course in Stanford for a few months and then entered the regular army. He won a commission, saw some fighting in France, and was returned to the United States where he was advanced to the rank of first lieutenant. In this capacity he acted as instructor at a California camp. He was recently discharged and has now gone into business in San Francisco.

Bernadine Adair and Jennie Peterson are continuing courses in music at the Boston Conservatory. These two popular Idaho girls, according to reports, are the only girls being rushed by the musical sorority in the school. Miss Adair is one of only twenty students to be chosen from the entire student body, to receive special instruction from Prof. White, a famous vocal professor in Boston.

Annette McCallie, who graduated from Idaho last year, is now teaching in the high school at Lewiston. She will be remembered on the campus where she was very active. She was president of the Women's League and was yell leader of the Idaho girls during her last year in college.

J. Arthur Almquist, who graduated from Idaho in the class of 1919 as a chemical engineer is now acting as a laboratory instructor at Berkeley on a teaching fellowship. While attend-

Mrs. Dawson of Bellingham visited her daughter Pauline Rieck, at the Kappa Kappa Gamma house last week.

Willis Fasel of Boise is visiting at the Kappa Sigma house for a few days.

Annette McCallie, who is teaching in the high school at Lewiston, visited at the Kappa house last week-end.

Percy O'Brien, who has been visiting with his mother in Coeur d'Alene the past few days has returned to school.

Kappa Kappa Gamma entertained Helen Stevens and Helen Oakley at dinner Tuesday.

Beta Theta Pi called on Gamma Beta Sunday.

Russell Scott, Vernon Miller and Paul Hull were visitors at the Gamma Delta house in Pullman Saturday.

Mr. Wilbur, from Kansas University visited the Beta house Sunday and Monday.

Mrs. Carl Duthie, known on the campus as Ernestine Drennen, visited at the Kappa Kappa Gamma house Monday evening.

Beta Kappa chapter of Kappa Kappa Gamma gave a dancing party at the Knights of Columbus Hall, Saturday, October eleventh, in honor of their pledges. The hall was effectively decorated in the fraternity colors, blue and hue. Punch was served throughout the evening by little Miss Eunice Von Ende and Master Carl Von Ende. During the pledge special number, a corsage bouquet of larkspur was presented to each of the pledges. The party was chaperoned by Prof. and Mrs. Von Ende and Mrs. Conwell. The guests of honor were: Gladys Hastie, Irma Spellberg, Glatha Hatfield, Adaline Robbins, Gladys Channel, Sarah Duggan, Margaret Blackinger, Grace Voyleson and Ruth Easley.

C. Edward Behre, professor of forestry is out with a party of students for laboratory work in the woods this week.

Dean F. G. Miller, of the School of Forestry, attended the Pacific Logging Congress at Portland, Oregon, last week. This congress is comprised of all the lumber and forest-men of the Pacific coast. The meeting was well attended and was noted for the interest taken in practical forestry work.

Dean Permeal French was a dinner guest of Phi Delta Theta Sunday.

Lieutenant and Mrs. Ronald E. Everly and "Eddie" were dinner guests of Phi Delta Theta Sunday.

Alpha Kappa Epsilon entertained informally at a house dance last Friday evening. Professor and Mrs. Schmitz chaperoned the party. The guests were: the Messrs. Van Hooser, Owings, Griffith, Heaton, and D. Miller; and the Misses Ball, Campbell, Logan, Gleason, Gilman, Hare, Wilkinson, A. Sweeney, McGee, Calloway, Smith, Vogleson, Jones, Putnam, Kendall, M. Tipton, Thomas, Orford, Paterka, McCrea, Gano, Lyon, Stevens, Moseley, Selby, Ellis, Spielberg, Easley, Friedman, Kutnewsky, and Beach; and also the Mesdames D. Miller and Raney.

ing the University, Mr. Almquist was an unusual student and won highest honors.

C. H. Sandberg, a chemical engineer in the class of 1918, after more than a year in the service, is now engaged in the same work as Almquist. After leaving college Mr. Sandberg enlisted and won a commission as engineer at Camp Humphreys. He did splendid work handling a body of drafted men from New York who were considered very hard to discipline.

E. G. Nettleton, grandson of a noted engineer in Colorado during the early days of irrigation, graduated from Idaho in June 1919, and was immediately sent into the field as an engineer for the highway department in Latah county, and at the present time is holding that position.

"BLEA'S" GRIDIRON MEN TO MIRE WEBFOOTERS

(Continued from page one) and played on the Marine team last fall. Coach "Shy" Huntington has an ability to bring forth good teams. Greatest Idaho Team.

Coach Bleamaster and Coach Hutchinson are bringing forth for display one of the greatest of celebrated Idaho teams. The backfield is the greatest individual collection of players ever on the Idaho field. Men like "Turk" Gerlough, "Tommy" Thompson, "Bunt" Breshears, Neil Irving, Joe Whitcomb, "Chick" Evans would be a credit to any college eleven.

Strong Line. In the line with Perrine and Plastino

at tackles, with Goff and Brown additional, Nagle, Barbour, Hartwell, Kinney, Robinson, guards, and Albert Graf, Hibner and Glindeman for center possibilities, the Idaho line from tackle to tackle will be made up of men that fight.

Four Ends to Play. For the ends "Duddy" Gowen, Rich Fox, and "Ole" Johnson are at present practically sure of getting in the lineup. Grover Evans, while in a suit this week, is incapacitated with a bad knee. These four men make up combinations of ends that are hard to equal in the northwest.

The Outcome. While it is difficult to give an actual forecast of what the score will be, the prospectus based on student opinion is: "IDAHO MIRE THE WEBFOOTERS."

NEW BUDGET SYSTEM GOES INTO EFFECT

(Continued from page one) penditure has been deducted. (h) signature of the manager of that fund. (i) the signature of at least one of the two appointed faculty members of the Board of Supervisors.

The original signed requisition is then to be presented to the person to whom the purchase is to be made as a purchasing order. The seller then attaches his bill to this order and returns it to the Treasurer of the A. S. U. I. who will proceed to draw a check in payment thereof. In the event the entire order on one requisition is for more than \$100.00, one person, each seller must attach his bill, and the last holder will deliver the document in its entirety to the Treasurer of the A. S. U. I. who will then draw separate checks in payment of the separate accounts. However, the manager must first acknowledge the receipt of the goods before the bill is paid.

The duplicate of the requisition is to be kept by either the Treasurer of the A. S. U. I. or the manager for purposes of record. The voucher claims hitherto used will be discontinued. Receipts will be insisted upon by the Board of Supervisors wherever advances have been made before payment will be allowed.

IDAHO MUST FIGHT OREGON JINX TO WIN

(Continued from page two) Clever kicking got the best of Idaho's defense in 1907 and Oregon won 12 to 0, registering four field goals. She repeated in 1907 and in 1909 overwhelmed Idaho 22 to 6.

Again in 1911, when Idaho according to dope was due to pile up a strong score against her rival, Oregon slipped over a field goal and won 3 to 0.

In 1913, with bright prospects for winning, Idaho was forced to play with several of her men on the injured list. This year Oregon won 18 to 0, and the next, 19 to 6. In '16 no game was played.

The next game, in 1917, fumbles dotted Idaho's score sheet, preventing them from scoring, while Oregon piled up two touchdowns and kicked goal after each.

Throughout the history of the game between the two institutions, Idaho has had set back after set back just before the Oregon game. Several times they have risen to a point where they were about to win, where dope indicated they would win; but each time something unforeseen has happened that has kept Idaho from winning the cherished victory. The jinx made its appearance this year when five of the strongest men on the varsity were injured in a short hour's scrimmage with the freshmen. Most if not all of these men will, however, be sufficiently recovered to enter the game Saturday.

Forseeing the need of every ounce of energy that could be stirred up, students are holding frequent yell meetings in order to be back of the team as strong as possible Saturday. U-B-There!

BAND ARTISTS ACT

All Band Instruments Will Be On Deck for Yelling Contests

A Jazz band to assist in the infusion of pep into the University yell rallies and rooting was the subject discussed by a committee which met in the Kappa Sigma House Tuesday afternoon.

The committee was composed of one musician from each fraternity house, who brought in reports from their respective houses as to what musicians would be available to play in the proposed organization. About twenty names were turned in and accepted by the committee.

The band plans to rehearse diligently in order to be in shape for the Oregon game. Heretofore it has been the custom to turn out the military band for all athletics. The new organization will obviate the necessity of anything of that nature being necessary. A director will be elected, and a permanent organization effected, in the near future.

MINERS EXPERIMENT

Ore Treatment in State Problems Taken Up by Graduates.

Experiments in connection with ore treatments of the state is one of the problems being worked out in the School of Mines this year by Arthur M. Piper, A. W. Fahrenwald and Robert B. Elder.

Mr. Piper, a graduate of Tufts College, Massachusetts, is working at present on the ore of the Demming mine in Owyhee county, while Mr. Fahrenwald, who graduated from the South Dakota School of Mines, is working on the ore of the Boise-Rochester mine at Atlanta, Elmore county. The investigation of the ore of the Lincoln mine in Gem county forms the basis of the experiments which Robert B. Elder, a graduate of the Colorado School of Mines, is making.

VARSITY-FROSH GAME

REVEALS MANY STARS

(Continued from page One.)

forced to punt. The game seersawed back and forth, the varsity registering two more touchdowns. The first part of the game the varsity line worked well, the men ripping big holes in the Frosh line and solving their defense with little trouble. After several substitutions were made the going was slower and the freshmen started breaking through and musing up plays that were well started.

Favorable end candidates who have set a pace for others to follow are Gowen, "Wild Cat" Evans and Fox. These men have had experience, are consistent at smashing interference, and go down well under punts.

In selecting tackles "Blea" has a hard job on his hands. In Nagle he has an old head who has fought for Idaho before and, while new at the tackle position, he seems to fit in well and feel at home. At the other tackle "Pat" Perrine looms high. "Pat" helped smash W. S. C. last year. He is

fast on his feet, which is a great help to an end. Goff and Brown are also good men at the position, although they are lacking in experience. Brown is also being tried at guard.

C. Barbour is one of the leading lights at guard and seems to be a valuable man at that position. The other candidates for these positions, Hartwell and Brown, are going well.

Backfield a Winner.

In the backfield "Blea" has a quartet of fast, quick thinking men who will merit considerable consideration when the all-northwest is chosen this year. Captain "Bunt" Breshears at quarter is a heady player, fast and aggressive who will be a factor in Idaho's success this year. His thorough knowledge makes him invaluable in leading the team on the field.

Thompson, at full, is a speedy back who has been chosen for the mythical all-northwest, and should repeat this year. To him will, in all probability, fall the brunt of the kicking.

"Turk" Gerlough does not need a

word. The mere mention of his name makes one think of the greatest players the northwest has ever produced. Gerlough made a name for himself both at Idaho and at Camp Lewis, in addition to being selected as one of the hundred best players in the country by Walter Camp.

Neil Irving, a man of good action, the ideal heavy build for a backfield man. He is expected to be back in the game within a few days. "Chick" Evans showed up well Wednesday, making good gains time after time. Joe Whitcomb is another of "Blea's" diminutive backfield men. He is small but covers the ground well and both drop-kicks and punts like an old-timer. Graff and Brigham complete the backfield material. Graff has not rounded into good form yet because of sickness early in the season.

polished speckled floor of the Gym will be the scene of the second all-college glide for those who can rough up the necessary one dollar. The committee in charge looks good, and they say the dance will be good, at least as good as the Home Ec. drag. The conventional hour of eight is announced as the time when the jazz begins.

Kelly, the stunt you pulled last evening at the dance certainly gave me the pips. You were a perfect wall flower!

Volney, I suppose you understand why a man becomes a wall flower at a dance.

No, Kelly, it's a little deep for me. Well, it's simply a case of a man refusing to dance with a lady when she approaches him, or a lady refusing to dance with a man when he approaches her, and in this case it was the ladies refusing to dance with the man. But Kelly, you didn't dance one single time the whole evening.

I didn't go there to dance single, Volney. You don't mean to say that all the girls turned you down? No, not much. Every one I'd ask for a dance would just hand me a mouth full of "No" in plain English and at the same time pointing down at my feet they would say, "Those were not Shined at the Moscow Barber Shop." It would have been all right if the ladies had said shoes but they said "those" and would walk away with a sneer.
