NUMBER 21

## GRAINGER IN CONCERT HERE

AUSTRALIAN AMERICAN PIANIST HAS INTERNATIONAL REPUTATION

### IN MOSCOW APRIL 10TH

U. of I. Gets One Out of Sixty Concerts This Season—Grainger Interested in Ragtime

Percy Grainger, the virile young Australian-American pianist will favor the University with a concert on the evening of April 10.

A leading musical publication assigns to Grainger the place among pianists that Braslau holds among contraltos, namely, the leadership among the younger class of American pianists.

Reputation is International.

Although yet young, Grainger's reputation as a concert artist is international. Before he chose that United States as his adopted country, his concerts were looked forward to as bright spots in the musical seasons of London, Copenhagen, Stockholm, and Christiania. He was, as a youth, an intimate friend of Edvard Grieg, the Norwegian composer.

Moscow Again Fortunate.

Prof. E. O. Bangs, under whose management the local concert is being presented stated, "As with Braslau, so with Grainger, are we fortunate. When he started on this season's concert tour, he was scheduled for only sixty concerts. It was only by promising support from communities outside of Moscow that we were able to book him here. The Grainger concert is one of such magnitude that we expect it to draw from the entire Palouse region."

Grainger an Athlete.

"Unlike many musicians, Percy Grainger is a 'man's man,'" reads a recent eastern criticism. He lives a large part of his life out of doors. Boxing and rowing are favorite pastimes with him. He has also attained some fame as an amateur swimmer.

The Musical Soldier.

At the first intimation of war Grainger enlisted himself in the military olive drab and devoted himself to modestly blowing into the saxophone as a member of an army band. Here he remained for several months, until the Red Cross plucked him from his self-assumed subordinate position, and placed him once again on the concert stage for the benefit of the Red Cross.

Plays Grieg Suite.

Edward Grieg gave Grainger credit for understanding Norwegian music better than most Norwegians. Grainger never fails to give his old friend's music a prominent place on his program. This season Grainger is presenting in America for the first time many of Grieg's compositions considered in Norway to be among his best. Among these is the Holberg Suite. This composition excited much comment when Grainger introduced it to musical New York. Critics rumor that it may in a measure usurp the place of the famous Peer Gynt suite in the hearts of music lovers.

Is Ragtime Enthusiast.

Grainger is one of the few younger and more radical musicians who are interested in the American ragtime. "Although it is neither heavy nor enduring, it is typically American, and therefore worthy of more than condemnation," he says.

## PRESIDENT LINDLEY SPEAKS AT ASSEMBLY

Talks Upon The American Standards of Living as Compared to the European Standards

President Lindley spoke to the student body at the regular assembly held Wednesday morning. Dr. Lindley's address was upon The American Standard. This was the first time President Lindley has had the opportunity to address the college for some time, and his talk was especially enjoyed.

Dr. Lindley pointed out the fact

that previous to the Great War, Americans were under the impression that for refinement, culture, science and education, it was necessary to go to Europe. The war, however, changed all this; it demonstrated the un-wonderful superiority of American standards of living.

These American standards of living which had never fully been appreciated, are the voluntary acceptance of law, whereby we feel it just to abide by laws or persuade a majority of the people to change them through the ballot. Another standard which has had a great part in our national life is the treatment of persons as persons; in other words, a total disregard of cast privileges.

## AG COLLEGE HOLDS JUDGING DAY CONTEST

MUCKERS OF SOIL DECLARE HOLIDAY FRIDAY TO TEST JUDGING ABILITY

### DECLARED A GRAND SUCCESS

Cups Donated by Moscow Business Men Given Out as Prizes to Lucky Winners.

The diggers of the soil declared unto themselves one whole holiday Friday last, and spent the time idly passing on the merits of various brands of seeds, farm crops, cattle and the like, and passing around the flowery language. Any one of those who happened to be so lucky as to be present at said ceremonies, though, would have told you that under the heavy veil of frivolity a great deal of good was accomplished. A few loving cups were won, and a few blue ribbons carried off and a great many more embryo agricultural experts learned how valuable their decisions were.

Those Who Won.

High men in each department of judging are as follows: In the Farm Crops division, G. A. Weibs corralled the most number of tallies, 566, against 561 for Ralph Bristol. F. D. Stewart managed to run up a total of 271 in the dairy products judging, with W. W. Pierson a close second man with 270. In the Animal Husbandry part of the days festivities C. W. Warren took the honors with 470 marks after his name, and E. W. Hughes came second with 452. V. O. Wainwright, with 510, landed in first place by his picking out of the dairy cattle, R. Rowell coming second with 460. In his judging of hogs W. Hamilton ran up 144.5 and L. W. Thompson 143 points. C. Warren again showed up strong in the passing of judgment in the field of beef cattle with — points and V. Patch came next with — tallies.

The final tallying up of the scores showed the following results:

Farm Crops—Out of Possible 600.	
G. A. Weibs	566
Ralph Bristol	561
F. D. Stewart	557
Tverett Wallace	526
R. S. Rierson	515
Dairy Products—Possible 300.	
F. D. Stewart	271
W. W. Pierson	270
C. Lamb	265
J. F. Cline	264
M. B. Jackson	100
A. W. Johnson	98
Animal Husbandry—Possible 550.	
C. Warren	470
E. W. Hughes	452
Reuben Johnson	439
C. E. Roberts	437.5
Walter Smith	431
T. E. Speedy	428
J. F. Cline	425
W. L. Owings	424
Dairy Cattle—Possible 600.	
V. O. Wainwright	510
R. Rowell	460
B. S. Walschlag	460
L. E. Breneman	460
C. L. Patch	455
Sheep—Possible 150.	
Speedy	145.5
Oberhausly	146
Chad	143
Hughes	143
Hogs—Possible 150.	
W. Hamilton	144.5
L. W. Thompson	143
W. Smith	140
Miss Naomi Chapman	139
Horses—Possible 100.	
C. E. Roberts	92
E. W. Hughes	90
O. Schroeder	89
W. Smith	87.5

## CONSIDER PLANS FOR SOLDIERS' MEMORIAL

Moscow Alumni Examine Architects' Sketches—Organize Permanently And Elect Officers.

Tentative plans for a campaign to raise sufficient funds for a dignified memorial to graduates and former students of the University who served in the great war were discussed at a well attended meeting of university alumni living near Moscow which was held yesterday evening. Several water color sketches submitted by architects were examined and considered.

Last night's meeting of local alumni was called for the purpose of effecting the permanent organization of a University of Idaho club in Moscow. A. W. B. Kjosness, '13, was elected president of the club; Homer David, '01, vice president, and Belle Willis, '18, secretary-treasurer. Model constitution and by-laws prepared by officers of the state alumni association were unanimously adopted.

Mrs. Victor E. Price, Mrs. Mary Beinfuhr, Homer David, George Horton, Mrs. C. W. Hickman and Belle Willis were named to constitute a membership committee which will be active in bringing into the club all alumni and former students living in this vicinity.

## FACULTY APPRECIATES AID DURING FLU BAN

Adopts Resolution of Thanks To All Students Assisting During Recent Epidemic.

A resolution thanking the students who assisted during the influenza epidemic was passed Friday by the faculty.

The resolution reads as follows: Resolved that the Faculty of the University of Idaho hereby expresses its sincere appreciation of the hearty cooperation on the part of the student body during the trying days of the influenza epidemic, as manifested by the willingness to comply with the spirit as well as the letter of the quarantine regulations.

It also wishes to express its special appreciation to all of those, whether actually called upon or not, who, in the spirit of self-sacrifice, volunteered to serve as nurses or in other capacities. The Faculty wishes to take this opportunity to thank particularly the following persons for the active assistance that they rendered during the epidemic: Dean French, Irene McKay, Julia Adelman, Nadine Sims, Helen Cochran, Zella Ellis, Fletta Berenhan, Fred Murphy, Kenneth Hunter, Agnes Sweeney, Maurice Jackson, Schmid, Schurtz, Marjorie Smith.

That this motion be spread on the minutes of the Faculty, published in the Argonaut, and that a copy be sent to each person named therein. Thanks to Mr. and Mrs. Hutton for house.

## Y.M.C.A. IS OFFERING WAR SCHOLARSHIPS

Ex-Service Men Offered Inducement To Continue in Their College Course

Ex-service men of the northern part of the state are receiving information concerning scholarships being offered by the War Work Council of the Y. M. C. A. Secretary MacPherson has charge of this work for five northern counties, Clearwater, Idaho, Lewis, Latah and Nez Perce.

The folders being sent by Secretary MacPherson are primarily to interest young men in the advantages of such scholarships, and to learn if possible in what college and course they would be most interested in. The letters are being sent out with the aid of the American Legion, which has furnished the names and address of its members to the Y. The scholarships allow about ten dollars per thousand people, which, altho not a great deal, would be of great help to several ex-service men from each county.

## EXTENSION WORKERS CONFERENCE SUCCESS

Director L. W. Fluharty Declares That Gathering Was All That Could be Expected

Completely successful from the three standpoints of mutual shoulder-rubbing, wider acquaintance with the university plant and its faculty and work for the coming year was the conference of all the workers of the department held recently in Moscow according to L. W. Fluharty, director of extension.

"I am sure that the conference has been thoroughly worthwhile," said Mr. Fluharty yesterday. "Our workers left Moscow with a deeper appreciation of the university's mission, a more intimate acquaintance with one another and a satisfactory understanding of the department's 1920 program."

"All of us are sincerely grateful for the cordiality with which we were received. Particular mention must be made of the reception and dance rendered all extension workers by Moscow's Elks. It was an event which most of us will long remember."

The total attendance at the extension conference was 83, which included several experiment station workers.

## NEIL IRVING, TRACK MAY GO TO EUROPE

Entirely Possible That Idaho Will be Represented in Olympic Games This Year

Neil Irving of Rupert, winner of individual honors at the northwestern intercollegiate conference track meet in 1919, may represent the University of Idaho in the 1920 Olympic games for which Antwerp will play host. University sport followers believe that both in the shot-put and in the javelin throw Irving has few peers in any section of the country.

This former Rupert high school star throws the javelin consistently more than 170 feet and last season he several times chucked the 16-pound shot more than 42 feet. This spring he expects to better substantially all his previous records.

To Pacific Coast.

The university athletic department plans to send Irving to Pacific coast trials to be held in April. Tuck of Oregon and Pope of the University of Washington will be among his prospective rivals. Tuck and Irving have met twice in javelin-throwing contests, the Idahoan winning the first event and the Oregon luminaut the second.

Favorable replies have been received by the University of Washington, where the meet will be held, from all western schools except Stanford and Berkeley. These cannot send competing teams on account of conflicting dates.

## ECONOMICS CLUB HAS AN ENJOYABLE SOCIAL

Large Crowd Turns Out For Meeting at Kappa Sigma House Thursday

Sixty members of the Economics club were present at a meeting held Thursday evening in the Kappa Sigma house. Mr. Bridge spoke briefly on conditions in England in the summer of 1919 while he was visiting there. Other numbers on the program was a violin solo by Freda Soulen, and a selection by the male quartet.

Officers elected for the year were president, Garde Wood; vice-president, Carl Carlson; secretary, Grace Taggart; treasurer, Irene McKay. Refreshments and a social hour followed the business meeting.

The club hops to have Mrs. Kelly address their next meeting which will be held either the 16th or 17th of March.

## TRY OUTS FOR DEBATE SCHEDULED WEDNESDAY

"Resolved that the Federal Government should enact legislation providing for the compulsory arbitration of labor disputes affecting public utilities, constitutionally conceded," will be the subject for the debate try-outs to be held Wednesday evening, March 8th, at 7 o'clock in Room 108 of the Ad. Building.

The next debate to be held April 16th and will be triangular between Utah, Idaho and Montana, one Idaho team will go to Utah while another will debate Montana at Idaho in the University Auditorium.

Announcement of the team's personnel will be made later.

## IDA M. TARBELL TO LECTURE HERE THUR.

AMERICA'S FOREMOST WOMAN PUBLICIST AND JOURNALIST TO SPEAK

### ATTENDS PEACE CONFERENCE

Prominent As Correspondent at Paris Conclave for American Papers—Popular as Writer.

Ida M. Tarbell, one of America's foremost woman publicists and journalists, will be at the college this Thursday evening, and will deliver one of her lectures in the auditorium in the evening.

Miss Tarbell is making a tour of the west, after having served as special correspondent of a syndicate of American newspapers at the Paris Peace conference in the spring. Miss Tarbell, besides being a lecturer and newspaper correspondent of note, is the author of several books, among which are, History of Lincoln, Father Abraham, and several books upon the tariff and many other histories. Miss Tarbell graduated at Allegheny college, Meadville, Pa., in 1880, received her M. A. degree in 1883; L.H.D. degree from Allegheny and Knox colleges in 1910. She was for a time associate editor of "The Chautauquan." From 1891 to 1894 she was staff writer and associate editor of McClure's Magazine, and in 1906 was made associate editor of the American magazine.

It is to be hoped that the lateness of the announcement of Miss Tarbell's appearance will not keep the crowd away, as she comes here with a very pertinent question to every person on the campus. Tickets for the lecture are now on sale at both Hodgins' and Sherfey's, and are fifty cents each. Tickets will probably be sold upon the hill also during the next few days.

## PROFESSOR LEWIS TO HAVE CHARGE OF SESSION

Many faculty members are on the program at the Inland Empire Teachers' Association to be held at Spokane beginning the March 27th. Professor H. T. Lewis has one session in charge and Miss Sweet is also on the program for one of the sessions.

## MRS. LINDLEY TO GIVE SCHOLARSHIP REWARD

Silver Loving Cup Will Be Presented To Group Making Highest Average

Mrs. Elisabeth Kidder Lindley announces her intention of presenting a silver loving cup to the club, fraternity or other organization on the campus making the highest scholarship record for each term. The conditions under which the cup will be presented will be announced later.

The cup will be awarded each term to the organization making the highest record in scholarship. On the cup will be engraved the name of the organization, and the grade made. If the same group wins the cup a certain number of times the cup will remain with that organization. The first presentation will be made at the end of the present term.

## STATE TOURNEY PLANS FORMING

PREPARATIONS NEARLY COMPLETED FOR ENTERTAINING HIGH SCHOOL VISITORS

### FAST SOUTHERN TEAMS

Hard Fight Expected From Boise Five—Wallace Going Good in Pan-Handle.

On the 18th and 19th of March followers of the "pill hooping" game will likely see the best interscholastic tournament ever staged here. Reports from every section speak of extraordinary good teams, playing fast, clean and snappy basket ball. Good stuff, Eh?

The teams to represent the Twin Falls district and the Pocatello districts have not yet been weeded out. The six other teams that will participate in the big jamboree will be Boise, Driggs, Culedeas, Wallace, Coeur d'Alene and Moscow.

Boise High has a wonderful basketball machine this year. Roy Bohler, ex-W. S. C., and all-northwest man, is coaching Boise this year. The team has won all its games, and is expected to put up a strong fight for first place.

Driggs High is the winner in the Tentin district. They are sending a team of well coached fighters, who many critics have picked to be the "dark horses" of the tournament.

Culedeas High will represent the Nezperce-Lewiston district. They have a great defensive team, capable of fighting from whistle to whistle. They have lost only one game to an Idaho high school during the season. Wallace sends an undefeated team. They have beaten all their opponents by decisive scores and are expected to make 'em go some to beat them. Watch their smoke.

Coeur d'Alene sends its usual sturdy team capable of playing every game with lots of "zip". Their record rates them high.

The Moscow High will be strong again this year, having three of last year's team back. They have lost only one game to a interscholastic team. Walla Walla having beaten them when out of condition by a two-point margin.

Eight high schools will be represented. Three trophies will be awarded: One for the championship, one for the runners up, and one for general appearance and sportsmanship. Members of the winning team will also be awarded medals.

The Schedule of Events.

Thursday, 18th, 10:30 a. m.—Meeting of the Idaho State Interscholastic Association to discuss rules, elect officers and draw for team positions.

Thursday, 18th, 1:30 p. m.—Elimination contests will begin. Four games in all.

Thursday, 18th, 7:30 p. m.—Semi-Finals will be played. Two games in all.

Friday, 19th, 10:30 a. m.—Tour of campus and farm by the "I" Club.

Friday, 19th, 2:30 p. m.—Gymnastic Exhibit and Dances (Women's Dept.); Tumbling, Wrestling, Boxing and Apparatus work by (Men's Dept.)

Friday, 19th, 3:45 p. m.—Basket ball game, Varsity vs. Freshmen. To demonstrate the Idaho system which has been so successful the past two seasons.

Friday, 19th, 7:30 p. m.—Final game, 8:30—"General Get-together" under charge of "I" Club.

## BENCH AND BAR DANCE NEXT SATURDAY EVE

The annual Bench and Bar informal, next in line of the all-college social activities, will, for the sum of one dollar (\$1), give the University jazz hounds another chance to work off surplus energy on the polished Gym floor next Saturday evening. The struggle will be conducted strictly under the new Marchioness of Ridenbaugh rules. The Gong for the first round will ring exactly at 8:00.

THE OPEN FORUM

A new organization, the Open Forum, has been started on the Campus during the past week for the purpose of holding frequent meetings for the discussion of live, up to date questions of national interest. The movement is being backed by many of the prominent men and faculty members of the college. Idaho has been lacking in just the thing which the Forum hopes to give to the College; a place where students can get together for an hour or so every two weeks and discuss topics of interest to every wide awake American citizen, and topics of special interest to all thinking college men and women.

Situated as we are in a small town without adequate newspaper service, it is surprising how little of the really important things are known by the majority of the students in the University. Practically every other college in the northwest has had such an organization for years, and Idaho should fall in line and take an interest in this sort of thing, make the Forum amount to something besides merely a phrase to be mentioned at odd times around the Hill and a subject to be spoken of occasionally in the Argonaut.

A small crowd attended the initial meeting of the new organization last Thursday, a crowd far too small for the size of our University. We should not get the idea that these bi-weekly meetings are going to be uninteresting, dry discussions of questions many times thrashed over, they are not—the movement is being backed by the leading debaters of the College—these meetings will be open for any person to express his or her views upon national and international questions of immediate importance.

Another meeting of the Forum will be held in the near future. Let us see a few more live wires in attendance, and hear it talked up a little bit on the Hill. It deserves YOUR support.

SEND YOUR ARGONAUT.

Say! What do you do with your Argonaut when you get done reading it? Do you mail it on to some friend in high school or to the folks, or do you drop it in the waste basket after a single swift reading?

There is more use for the Argonaut than what the original subscriber gets out of it. Pick out some high school friend who is planning to go to college, or even if he has no idea of going to college, send him each week your copy of the University paper, after you have fingered it over carefully to show him that you really read it yourself.

Put a pencil mark here and there on articles you think should particularly interest him.

That dope about our new football coach will arouse interest in every red-blooded wide-awake athlete.

Our debate trips and open forum will listen good to the oratorically inclined.

The girls should go wild when they hear about our athletic co-eds.

The alumni are working; we have the press service instituted this year; the glee club was a whooping success; lets do some individual advertising.

Show Idaho high school people what a live wire, full-of-pep institution the University of Idaho is.

Hey! Low-Brow, Use Your Head.

What shall we say of those people who thru a lack of judgment have in the past and still do destroy things of beauty and value about the University? They must surely not have a sense of respect for what other people admire. It is the spirit we might say that prompts the ignorant to destroy that which they themselves do not know how to appreciate.

Idaho is very fortunate in having several people who in a sense are artists. They give us some of their work as posters to announce forthcoming college events. These, when

placed on the walls are attractive and serve a definite purpose. We have all been struck by the beauty and cleverness of expression portrayed in some of this work. Are they not worthy of more consideration than wanton destruction and mutilation? It should be our spirit to encourage rather than discourage this work, as some people undoubtedly have by their unthinkink actions.

STUDENT APECIATION

A deep and sincere concern on the part of the entire student body has been in evidence over the recent sickness of Mrs. E. H. Lindley. Universal relief has been manifested upon hearing of her progress toward recovery.

The student body wishes to take this opportunity of expressing its appreciation of the interest she has shown in its welfare by her announcement that she will present a trophy to the campus organization showing evidence of the most superior scholarship.

ON YOUR TOES

YOU, Beta; YOU, Phi Delt; You, Kappa Sig; YOU, Sigma Nu; YOU, S. A. E.; YOU, A. K. E.; YOU, Non-Fraternity Man; YOU, Idaho student, whoever, and wherever you are, do you want to see a "Bigger and Better" Idaho?

You do? Then read with an open mind.

The University will next week play the host to a large group of high school students, coming as delegates from high schools all over the state to take part in the annual state basketball tournament.

We know that Idaho is the best school in the west, else we would not be here ourselves.

Our job is to impress that same idea upon the minds of our visitors.

Not only do we want them, personally, to come to join us next year, but we also want them to tell their chums and sweethearts what a real school Idaho is. That is the reason they are brought here each year.

Fraternity Man, the welfare of your brotherhood is important. But even more important is the well being of your Alma Mater and your Commonwealth.

There is probably at least one man in that team which you are entertaining whom your society wishes to "nail." By all means get him, if you can, but in the getting, why not include his team mates in the same spirit of good fellowship which you seek to throw around him,—his team mates, and the members of any other team you are in contact with.

Your higher training should make you big enough to grasp the spirit of the occasion and rush for Idaho first, fraternity second.

Unless YOU make it YOUR duty to do YOUR best to send every visitor home glowing with the assurance that Idaho is the school for him and all his classmates, the fundamental reason for having the tournament will be thwarted.

Camera Hounds Note!

Hand your snap shots to the snapshot editors and they will receive immediate attention. Only 600 more needed. Let's Go! Proctor & Cline.

CAMPUS ROOMER

Book Reveiws.

This Week's Best Seller. A new "Manual of Arms," written and edited by our Dean of Women, gives specific instructions as to the use of the same when dancing.

A few of the following are included in this week's best seller.

One (masculine) may present arm, "but under no conditions is one (feminine) permitted to "fall in."

The girls are to "shoulder arms" but a string tie arrangement of the arm around the Arrow choker is taboo.

Couples, between dances, in gloomy corners, on the side lines during moon light specials, are specifically instructed to "stack arms."

The author uses "right dress" and "full dress" as synonymous terms in regard to the co-ed corp, and careful "attention" is given to the "inspection."

A book, by such a recognized authority on the use of small arms, is sure to be greeted with instantaneous favor by the reading if not the shimmying public.

Little Lessons in Verse.

What is the meaning of "Ultimate Thule"? According to the Dean: 10 yards of tulle.

You may be the guy that put the "me" in shimmy, but you know blame well who took the "shake" out of it.

O! Tempores!

The above reminds us that we went to the prom, but it was not as of yore. Some way or other we didn't get the idea. Now the girls, for instance, were all wound up in misquitta netting—at first; but we were—at last. "Shoulder holds" and "waist line" grabs were too sudden for instant adjustment. We were always having to shift from high into low. It would have simplified matters a

great deal if, when ever a dance began, Prof. Lewis had stood on the piano and yelled, "swift to the waist line!"

The champion advocates of this institution have advocated everything from woman suffrage to new gymnasiums, but the editor of this column, not to be outdone, once more comes forth with the prize winning suggestion. What this college lacks most and needs worst is a real live wire college widow at whose feet the freshmen may learn their a, b, c's; and the seniors their p's and q's. To attract a first rate college widow to this campus, the editor of this column proposes to hold a contest. Rules governing the same follow:

All applicants must be blonds—at least temporarily—and hair nets preferred.

The age limit is thirty. Teeth must be permanent residents and not tenants at will.

Complexion may be adjustable. All contestants must chew gum and cuss in a lady-like manner.

Applicants owning cars will be given most careful consideration.

Address applications in care of Professors Chislet and Bridge.

He Yampas; No Two.

There was a young man named Ted Erb

Who went over seas to fight with the Serb,

But the women he vamped

Until — he lamped

And now he stands on the Gamma Phi curb.

The college days

Have their delights

They can't compare

With college nights.

Some Tall Complaint.

Slim Swanstrom says, "Ain't these reforms Hell!" It appears that he had made special arrangements with a firm of wholesale tailors in New York to supply him with a properly fitting dress suit for the Junior Prom

and then these blame runs came out compelling the girls to place their hands on their partners' shoulders while dancing.

Slim was forced to remain at home as a result for there are only three girls in the University who can place a hand on his shoulder (and he isn't gooseie either). Looking at it the other way, how the Sam Hill could any rational person expect him to retain any semblance of grace while dancing with his hand under the girl's arm—especially if she happened to be some one like Miss— (censored).

Anyhow, Si says it's open season from now on for all reformers.

IDAHO-MONTANA GO FIFTY-FIFTY

UNABLE TO KEEP PACE WITH MISSOULA FIVE IN THEIR SECOND MEETING

The Idaho basket ball squad has returned from their jaunt into Montana, bringing back with them a record of two games lost and one game won. With Montana they were able to break even, winning one of the contests by a 23-20 tally, and dropping the other, 25 to 26.

It was Saturday night's game with the Montana School of Mines at Butte which skidded Idaho's hopes into the brine, when the muckers hooped 29 rings to the 24 tossed by the Idaho five. As a result of this disastrous trip, and the dropping of two games with Whitman earlier in the season, Idaho has lost the Northwest championship. Had Idaho showed up at her best during the Montana trip, she would still have a fighting chance for

the pennant. As it is, all honors go to Whitman as the year's holder of the cup.

According to reports, Perrine and "Brom" Campbell were the Idaho stellasites for the trip, but no accurate account of rings or plays by the squad.

VARSIITY SINGERS TO APPEAR FRIDAY SURE

Long Postponement of Concert Gives Opportunity For Added Polish.

With the assurance that there would be no further postponement of the affair, Prof. Bangs today made the announcement that the final date for the annual concert of the Men's Glee Club was set for Friday, March 12, at 8 p. m., in the university auditorium.

Prof. Bangs went on to state that altho the delay had been provoking, the extended time for practice thus given had given opportunity for putting additional polish on the program.

In general the program will be the same as that presented on the southern tour. However, a few changes have been made, it is announced, in the solo numbers.

"We hope to make our home concert the best of the season," continued Mr. Bangs. "Rehearsals are being held nightly with that in view."

the theme of Forest Management. Under the subject of "What Forestry is Not," he explained the obstacles that a forester meets and has to contend with.

"I am mighty well pleased with the men I found in the Idaho School of Forestry," said Mr. Wolf. "They appear to be bright, progressive students with lots of initiative and ambition. If the young men of the other departments, and I am sure that it is true, are of the same type as those I came to know to some extent in my daily talks, I want to say that Idaho is indeed fortunate. As to the young women I deeply regret that I saw so little of them, but I feel sure they measure up to the boys in their work and character."

Students' Summer Work.

"If any of the university students want some real hard, muscle-developing work for the summer I can accommodate them. They will receive good wages and will gain a great deal from the experience. There is a chance to study nature, and also human nature, for they will be working along side of all types of workers. In the fall they come out with a good bunch of money, an experience that will be valuable to them in any line of business or profession they plan to take up in the future and in perfect physical condition, full of pep to start off the new school year."

This is to be Mr. Wolf's last summer in Idaho. He has been called to take a higher position in Montana in the government forest service.

# ALUMNI SECTION

## MODEL ALUMNI CLUB BY-LAWS

SUGGESTED FORM OF CONSTITUTION AND BY-LAWS FOR NEW ALUMNI CLUBS

## PREPARED FOR MOSCOW

Committee Will Welcome Any Further Ideas From Individuals or Associations.

Alumni who are contemplating the organization in their own community of an active University of Idaho club will be interested in the following model constitution and by-laws prepared by a committee composed of Mrs. E. M. Hulme, '03; Mrs. Mable E. Price, '08; and A. W. B. Kjosness, '13. This constitution was adopted unanimously by the recently organized, Moscow club and is expected to receive similar approbation from other clubs throughout the state.

The committee offers its work largely by way of suggestion. Criticisms in the way of alteration will be welcomed.

**Article 1.—Name.**  
The name of this organization shall be the University of Idaho club of \_\_\_\_\_, Idaho.

**Article 2.—Object.**  
The object of this organization shall be to maintain an active interest in the University of Idaho with its graduates and former students living in the vicinity of this Club; to attract prospective University students to the University of Idaho;

to support a more extensive building program for the University of Idaho; and in general to formulate and conclude a "Greater Idaho" program along well outlined projects.

**Article 3.—Program of Work.**  
The appeal for membership to this Club shall be based on a definite "Greater Idaho" program of work made up of projects to be carried on by the Club under leaders selected from the Club who shall work in harmony with the project leaders of the Alumni Association. The activities of the Club shall be non-sectarian, non-secret and free from partisan politics.

**Article 4.—Membership.**  
Section 1.—Any alumnus or former student of the University of Idaho may become an active member of this Club upon payment of the regular membership dues.

Section 2.—Honorary memberships may be voted to graduates and former students of other colleges and universities who will subscribe to and support the "Greater Idaho" program, the constitution and by-laws, and pay the regular membership dues.

Section 3.—Memberships from other University of Idaho clubs shall be transferable to this Club upon written request of the applicant and presentation of release from the other club.

**Article 5.—Officers.**  
Officers of this club shall consist of a president, vice-president and secretary-treasurer, all of whom shall be alumni and shall be elected by the members in April each year and shall hold office until their successors shall be elected and shall qualify. Project leaders such as are necessary to complete the program of work formulated by the club shall be appointed by the executive committee.

**Article 6.—Executive Committee.**  
The officers and project leaders of this Club shall constitute the Executive Committee of this Club.

**Article 7.—Other Committees.**  
The Executive Committee may appoint such other committees necessary for the successful completion of the program of work.

**Article 8.—Meetings.**  
Section 1.—Meetings of the Club shall be held whenever the Club deems it necessary and shall be subject to call by the President, the Executive Committee, or by \_\_\_\_\_ members, written and printed notice having been given thereof.

Section 2.—Meetings of the Executive Committee shall be held once a month, if possible. The Executive Committee may meet in special session at any time the success of the "Greater Idaho" program demands it.

**Article 9.—Quorum.**  
Section 1.—\_\_\_\_\_ members of the Club together with \_\_\_\_\_ presiding officers shall constitute a quorum of the Club.

Section 2.—Three members of the Executive Committee shall constitute a quorum of the Executive Committee.

**Article 10.—Amendments.**  
The Constitution of this Club may be altered or amended by a two-thirds vote of the members at any meeting of the Club, notice in writing of the proposed changes having been sent to all members at least one week previous to the vote on same.

**By-Laws.**  
**Article 1.—Fees and Dues.**  
Section 1.—The membership dues of this Club shall be \_\_\_\_\_ dollars, \$2.00 of which shall be payable to the Alumni Association for subscription to the University Argonaut.

Section 2.—The Club may levy a special session assessment for special purposes by a two thirds vote of the member present at any meeting, provided that due notice of the meeting has been given all members of the Club.

**Article 2.—Duties of Officers.**  
Section 1.—The duties of the officers of this club shall be those regularly outlined by Roberts Rules of Order.

Section 2.—Project leaders of this club shall actively promote the lines of work to which they are assigned, shall keep accurate records of accomplishments in every important enterprise in which they represent the Club, and shall report from time

to time the progress of the work undertaken. Project leaders may attend meeting called by the State Project Leader.

Section 3.—The Club may remunerate any officer of the Club and may meet any travel expenses necessary for the completion of the program.

Section 4.—No officer of the Club shall remain an officer at the same time he is campaigning for any political office.

**Article 3.—Order of Business.**  
The order of business of the Club shall be in harmony with the purpose of the meeting but in general shall be that prescribed by Roberts Rules of Order.

**Article 4.—Amendments.**  
Alterations or amendments to the By-Laws may be made at any meeting of the Club by a two-third vote of the members present.

"We only need an organization," is the keynote of an optimistic message just received from Gus L. Larson, '07, former graduate manager and one of the ablest football players who ever wore Idaho moleskins.

Mr. Larson, who is now professor of steam and gas engineering at the University of Wisconsin, refuses to believe that the university's alumni are either "dead" or spiritless. But here is his letter, addressed to President Kjosness of the alumni association:

I wish to congratulate you and the other members of Alumni Executive Committee on the splendid campaign you are waging to revive the "Old Idaho Spirit" which was so instrumental in bringing home more than one precious pigskin for the Trophy Room. To quote one of Miss French's favorite expressions, "More power to ye."

I do not for a moment believe that the "Old Grads" are "dead" or are even showing signs of illness. But they are very busy combating the H. C. of L. and incidentally trying to bring up a coming generation in the ways of the "Old Idaho Spirit," that "was" and "is to be." You surely struck the keynote of the situation in your editorial to former students in the statement, "Former students merely need a field organization through which to express their loyalty interest and activity for Idaho."

Upon those who are in contact with the university rests the responsibility of such an organization. And I'm sure you will find the Alumni not only glad, but eager to help keep it alive.

G. L. LARSON, '07.

**ALUMNI PERSONALS**  
Vera M. Gray, '11, sends in her alumni dues from St. Maries.

Dr. D. E. Cornwall, '03, who is now associated with the Western Hospital association, also calls St. Maries his home.

Valborg M. Kjosness, a member of the 1916 class, is now teaching in Lewiston.

Yakima, Wash., is the address of Mrs. Lucile Fisher Sinclair, who received her university degree with the class of '01.

From Minneapolis, Minn., comes

CARL F. ANDERSON

the alumni dues of Mrs. O. M. Holen (formerly Lillian Clarke), a member of the 1910 class.

Julius E. Nordby, '15, is now carrying on extensive experimental work with livestock at the university experiment station farm near Caldwell.

Ben W. Oppenheim, '04, is one of Boise's most successful legal practitioners.

Alfred D. Kettenbach, a member of the 1911 class, sends in his alumni dues from Brynon, Alberta, Canada.

John M. Booth, '16, has recently purchased a farm between Nezperce and Orofino.

George H. Curtis, '08, is a member of the Albion Normal school faculty.

"Copies of the Argonaut certainly stir the spirit of former days," writes William B. Hall, '05. Mr. Hall is a member of the Hall Lumber Co. of Butte, Mont.

Mr. and Mrs. B. H. Lehman are now living at Cambridge, Mass. Mr. Lehman will be remembered as an instructor in the university English department. Mrs. Lehman (Gladys Collins) was a member of the class of 1915.

Kathryn Smith, '13, is attending the Prince school in Boston.

Mr. and Mrs. L. W. Jordan are now living on a ranch near Los Angeles. Mr. Jordan was a member of the 1912 class and Mrs. Jordan (Jess Coram) received her degree in 1913.

"Send the Argonaut to all alumni at the beginning of each college year," is a pious suggestion from Dr. Carroll Smith, '01, which is likely to be followed. Dr. Smith's address is

Paulsen building, Spokane.

"It was a treat to see that the alumni association has taken on new life," declares Joseph M. Braham, '14, who writes from Washington, D. C.

"The notion of an alumni section in the Argonaut seems to me a very workable one. I am more than enthusiastic about it," is encouragement offered by R. P. Eichelberger, '07, who is now superintendent of schools at Ritzville, Wash.

"Indians boast that they gave Idaho both President Lindley and Dean Iddings, so that I often run across friends of theirs," writes R. D. Canan, who received his M.S. degree in agriculture with the class of 1917. Mr. Canan is now with the Indiana cooperative extension service.

Major Herbert A. Wadsworth, '10, recently has left Washington for France, where he is to do graves registration work directed by the war department. Mrs. Wadsworth and her two daughters will follow the Major later in the month.

Major Herbert C. Fooks, former commandant of cadets at the university and a number of the class of 1916, received the degree of Master of Laws from George Washington University, February 23. Major Fooks has completely recovered from the severe wounds he received while fighting in the Argonne.

Charles H. Owens Jr., son of Lieutenant and Mrs. C. H. Owens, is a recently arrived prospective Idaho student. Mrs. Owens (Constance Gyde, '15) is now with her parents at Wallace. Lieutenant Owens, who was a member of the class of 1917, is serving in the American army of occupation in Germany.

*A Word About*  
**SPRING STYLES**  
*and Suit Styles in Particular*

The following authoritative information is gained from leading style journals—from personal interviews with the buyers for New York's exclusive shops and personal attendance at the New York Style Show, and concerns only assured styles for Spring and Summer, 1920.

**SUITS**—Strictly tailored styles have first call and especially the new finger tip length jacket and wider skirts. The severe lines are broken by narrow belts, pin tucks, plaits and large pockets. Eton's and Boleros are good, but are confined to the strictly dressy suits and small sizes.

Ripple and flare effects were shown in a few of the early lines, but were considered only as carrying through the past Fall season and were short lived.

Coats are of three distinct types. The short sports model usually developed in light colors, checks and tweeds. The strictly tailored or knee length styles are made of fine Serges, Tricotines and Peach Bloom—Navy is the leading shade. The newest of the three—are the Smart Cape Wraps, with the long tuxedo front, and full graceful back. These are developed in the finest materials only—and are made plain and full accordian plaited.

The new dress styles are wonderful. So many real handsome models have been brought out this season that it is impossible to describe all—Materials play the most important part. Taffetas and Foulards have first call for street wear and some very unusual styles are shown.

Georgettes, printed and plain; Georgette and Taffeta Combinations, Embossed Tricollettes, mostly in Pastel Shades, Printed Pussy Willow Silks and wonderful Lace Dresses are the proper thing for afternoon and dinner wear.

Among these, Lace Dresses have first call and may be made entirely of lace or of lace over Taffeta, Georgette and Faille Silks. Margot, Chantilly and Filet are the laces used and Ecu is the leading shade.

# SOCIAL & PERSONAL

To the class of '21 is given credit for the best Prom that Idaho has danced during the memory of those who have been here longest. The majority of campus opinion adjudges it a success in every way.

Campus society will see this week the Bench and Bar informal.

Gertrude Stephenson and Glatha Hatfield returned Sunday from a visit in Spokane as the guests of Norma Dow, '19.

Kappa Kappa Gamma entertained at dinner Sunday for Messrs. Bill Nickle, Bunny Taylor, Harry Hartwell, Marshall Macey, Gerald Friedman and Bernard Friedman of Alpha Kappa Epsilon.

Mr. and Mrs. P. T. Sweeney and son, Joe Sweeney, of St. Maries, Idaho, were dinner guests of their daughters, Mabel and Agnes, at the Kappa Kappa Gamma house Friday evening.

W. H. Wolff, forest supervisor of the Coeur d'Alene national forest, was a dinner guest of Kappa Sigma Tuesday.

Kappa Sigma entertained W. L. Penick Thursday. Mr. Penick was in attendance at the mining convention as a lecturer.

Miss Annette McCallie and Mr. W. S. Storms were dinner guests of Kappa Sigma Sunday.

Dean Permeal French was a dinner guest of Kappa Sigma Monday.

Ronald Getty of Lewiston stayed with the Kappa Sigs while here to attend the Junior Prom.

Annette McCallie spent the weekend at the Kappa Kappa Gamma house.

Neva Martin of Kappa Kappa Epsilon and Neva Martin of Gamma Gamma chapter of Kappa Kappa Gamma at Whitman, was a weekend guest at the Kappa house.

Estelle Hendershot, of Lewiston, was a guest at the Kappa Kappa Gamma house over the weekend.

Mildred Bothwell of Kappa Alpha Theta sorority at Pullman was a guest of Gladys Putman over the weekend.

Maybelle Vogleson of Lewiston was a guest at the Kappa Kappa Gamma house over the weekend.

M. H. Wolf and Dr. Chislett were dinner guests of Alpha Kappa Epsilon Wednesday evening.

Alpha Kappa Epsilon announces the initiation of Thomas Sickles.

Bruce Johnson and Ralph Bristol spent the weekend in Spokane on business.

Bill McClure and Ike Largent were dinner guests of Alpha Kappa Epsilon Sunday.

Paul Powell is in Lewiston suffering from a case of mumps.

Sunday Sigma Nu entertained at dinner for Misses Helen Stephens, Claire Hobson, Phoebe Jane Hunt, Genevieve Pringle and Thelma Hare, of Ridenbaugh Hall.

Gamma Phi Beta entertained at dinner Sunday for Rev. and Mrs. W. H. Bridge and Mr. and Mrs. T. O. Bangs.

Mrs. Jack Ford and the Misses Margaret Seidel and Meeka Hershberger of Lewiston and Ruth Doane, Mary Donnellan and Maude John of Pullman were weekend guests at the Gamma Phi Beta house.

Bernadine Moser spent the weekend in Kendrick.

Lyla Harsh has returned to college again.

Mr. Joe Sweeney was a weekend guest of Sigma Nu.

Fred Chamberlain spent the weekend at his home in Coeur d'Alene.

Kenneth Hunter and Boyd Cornellison were in Lewiston Friday and Saturday to referee a basketball tournament there.

Titus Le Clair spent the weekend at his home in Lewiston.

The Messrs. Gohson, Schroeder, and Dobbins of the Pullman chapter of S. A. E. were over Saturday and Sunday to attend the Junior Prom.

Jack Graham, of Pullman, spent Sunday with the Sig Alps.

Messrs Payne and Ransom were dinner guests of the Elwetats Wednesday evening.

Mr. R. S. Handy, mill superintendent of the Bunker Hill and Sullivan mine was a guest of the Elwetats during the past week. Mr. Handy was in attendance at the miners convention held at the university and took a prominent part in the proceedings.

Mrs. Loren Kitch was a dinner guest of the Sigma Nu on Sunday, February 29.

Clifford Burgher was a luncheon guest at the Beta house Tuesday noon.

Ed Foran and Titus LeClair of Sigma Nu were dinner guests at the Beta house Tuesday evening.

Dean and Mrs. F. G. Miller were dinner guests at the Beta Theta Pi house Wednesday evening.

Mr. Wolfe of the United States forestry service, R. S. Handy of the Bunker Hill and Sullivan mines and H. S. Parker of the Interstate mine, both of Wallace, and Ralph Bristol of Alpha Kappa Epsilon were Thursday dinner guests at the Beta Theta Pi house.

Beta Theta Pi entertained at dinner Sunday for Mr. and Mrs. Harry Whittier and Miss Virginia Whittier, Miss Alice Martin of the Whitman Kappa Kappa Gamma chapter, Miss Agnes Sweeney and Miss Inez Sanger of Kappa Kappa Gamma.

Ennis L. Massey, '16, was a weekend visitor of Beta Theta Pi. William W. Gowen, '14, of the state auditing department is auditing the Latah county books this week. He is also visiting the Beta Theta Pi house.

Byron E. Hyatt of Boise, of the state auditing department and William W. Gowen, '14, were dinner guests at the Beta house Monday evening.

Beta Theta Pi held an informal house dance Friday evening. Music was furnished by Frank Blackinger and Clark Rush and refreshments were served late in the evening. The guests present were Misses Mercedes Jones, Helen Roberts, Henrietta Peasley, Gladys Clarke, Ruth Blomquist, Leah Faris, Fleeta Brennan, Faith Newton, Glatha Hatfield, Marjorie Alberts, Evadna Roberts, Octavia Gowen, Elizabeth Woods, Agnes Sweeney, Murial Atkins, Genevieve Pringle, Margaret Kutnewsky, Bernice Harding, Helen Stevens, Ruth Easley, Lottie Smith, Alice Hankinson, Jean Rowlands, Helen Wegmann, and Messrs. John W. Dickinson and E. G. Van Hoesen.

Phi Delta Theta announces the initiation of the following men: Port Arthur, Blackfoot; Adrian Nelson, Moscow; Emmet Kinney, Charles Jennings, James McNary, Nampa; Arnold Breshears, Theodore Turner, Howard Breshears, Sherman Bre shears, Caldwell; Richard Howard, Pocatello; Ralph Glasgow, Twin Falls; Charles Pitcairn, Twin Falls; George Pierson, Spokane; Harry Phillips, Lewiston; Randolph Jenness, Weiser; Brian Bedwell, Boise.

The Messrs. Harry Hartwell, Carl Burke, and L. Taylor were Sig Alp dinner guests, Wednesday evening.

Sunday, Sigma Alpha Epsilon entertained at dinner in honor of Mrs. Penwell and the Misses Mary Penwell, D. Eggen, J. Baken, Sasenbery, Graybill, and Schaeffer.

Charles Gray was in Coeur d'Alene last week refereeing a basketball tournament.

F. H. Skeels, Wallace mining man, was a Sig Alp guest, Tuesday.

Raymond M. Matheison was a Sig Alp dinner guest last Friday evening.

"Duddy" Gowan had dinner with the Sig Alps last Monday evening.

W. E. Bangs of Spokane and of the O. A. C. chapter of S. A. E., was a guest of Sigma Alpha Epsilon, Wednesday.

Sigma Alpha Epsilon announces the initiation of Hubert M. McNamara of Bonners Ferry.

## FROSH BREAK WINNING STREAK OF PULLMAN

The Frosh, however, in a way evened up for Idaho's rubbing at Butte by bringing home the bacon from Pullman where the W. S. C. Frosh hoppers were let down for a 31-29 victory.

The game started with both teams playing fast and clean basket ball. It did not take long for the Idaho Frosh to show their superiority in this department. The criss-cross worked like a charm and "Al" Fox oozed in basket upon basket. The score board soon spelled the score of 14 to in our favor. At this juncture the Cougarettes called for time and after a prolonged discussion of cause and effect, decided to get the "hay hooks" and try holding their opponents.

The playing during the remainder of the game was slow and rough, marked at times by spurts of the two teams. "Al" Fox and "Bill" Gartin were the Idaho stars while Freils starred for W. S. C.

**Professor Snow Resigns.**  
Dr. Chester Snow, professor of mathematics at the University of Idaho, recently has resigned in order to accept a position with the United States bureau of standards at Washington, D. C. Dr. Snow's classes will be carried by other members of the university's department of mathematics.

OPEN YOUR LOCAL ACCOUNT WITH  
**THE FIRST NATIONAL BANK**  
OF MOSCOW

passing combined with flawless teamwork during the first half. The half ended with a score of 30 to 11 with the Frosh at the heavy end of the tally.

**Play Fast Game.**  
This half was featured by the fast offensive work of Fox, Bohon and Nelson which was reinforced by McCuaig, who played a brilliant game as floor guard. Nelson and Bohon rolled up the score from all angles of the floor.  
**Second Half Slower.**

The second half was much slower than the first. The high school presented a much stronger defense and annexed several long shots at the basket. Neal, Ostrander and Fallquist replaced Bohon, Nelson and Gartin in this half.

Keane, Cornelson and Nelson starred for the high school.

The line-up:  
M. H. S. Frosh.  
Nelson ..... F. .... Fox (Capt.)  
Stivers ..... F. .... Nelson, A.  
Keane (Capt.) ..... C. .... Bohon  
Cornelson ..... G. .... Gartin  
Styner ..... G. .... McCuaig

## THE AMAZONS SET FOR WEDNESDAY, MARCH 17

"The Amazons," the play to be given by the Y. M. and Y. W. C. A. has finally been slated for a week from this Wednesday evening, March 17, in the Auditorium. Work on the play has been progressing nicely for the past month, and those in charge are promising a real production. The cast has been selected from the entire college, and everyone is taking the keenest of interest in making the play the best of the season. Professor Cushman is directing the play, and says that by next Wednesday the cast will have it worked down to a finished product.  
"The Amazons" was originally slated for Friday, March 12, but this

day had previously been set for the Glee club concert which necessitated the change of date to Wednesday, the 17th. Tickets for the play are on sale at Sherfey's and will be on sale in the Administration building the first of the week. Admission will be fifty and sixty-five cents, the latter to be reserved seats.

## UNIVERSITY PHOTO ON U. S. S. IDAHO

A large framed photograph of the University will shortly be presented to the battleship "Idaho," one of the largest fighting ships afloat. Such was the action taken by the Moscow Chamber of Commerce at their meeting held last Wednesday.

It is the plan to send various pictures, typical of Idaho, to the dreadnaught bearing its name and a large picture of the college it was thought should not be omitted from such a collection. The letter requesting such a picture, from R. O. Jones, secretary of state, follows:  
Chamber of Commerce, Moscow, Idaho.

Gentlemen:—I have a request from Ensign W. A. P. Thompson, U. S. S. Idaho, San Pedro, Cal., for pictures of the state of Idaho, to be placed in the battleship Idaho, which is the finest ship of its kind on the ocean. Ensign Thompson requests particularly true western pictures of the state. I think as a matter of state pride, at least, that leading commercial clubs over the state should present a good framed picture depicting an Idaho scene, to meet this important request. May I suggest that the Moscow Commercial Club present a framed picture of the University of Idaho?  
Respectfully yours,  
ROBERT O. JONES,  
Secretary of State.

By HAMOND EGGS.

### "BLEA" STARTED SOMETHING

Oh! Blea Boy! you surely put your foot in your mouth when you stated that a loving cup would be awarded to the best appearing high-school team. Have you forgotten that our Varsity has athletics for the fair sex also?

Yes, "Blea" you started something that no man can safely finish without a heavy loss of olive oiled vegetation from the upper side of his think box. Take fair warning, Prof. Bleamaster, and order your hospital suite now for next Spring the ladies' teams of the campus are going to stage a baseball frolic and at that time, it will fall upon you, as physical instructor, to ward the "hand-painted" cup to the best appearing team.

A lady once said, "I'm no bear-cat for looks but just let some man tell me I am not!"

### "GUS" NELL TO OLYMPIC TRY OUTS

Considerable honor was thrust upon Idaho "super weight man" recently when he was asked to represent the "Old Idaho Fight" in the try-outs to determine the best men for the positions on the U. S. team to represent our Nation in the Antwerp games next summer.

"Gus" is working constantly and will be in first class shape by the time of the elimination meet.

### NORTHWEST CONFERENCE RATINGS

Montana	1	5	16.6

### LARGE TRACK SQUAD OUT

Over forty men were present at an informal track meeting held in the gym yesterday afternoon. A general outline of the season's plans were discussed and new candidates were assigned to their various squads for work outs.

Coach "Tommy" Matthews stated, "We are going to hit the ball from now on and hit it hard. We have a heavy schedule coming on and we must get in first class condition. I haven't said anything about "eats" as yet, but a track man's stomach is more important than his legs. The men might as well start getting used to a diet now for very shortly the malted milks will be tabooed."

From now on, all candidates for both track and field events are expected to be out for practice each and every night. There will be work outs in all events each afternoon, outside if the weather permits or in Lewis Court if it is impossible to be on the athletic field.

All weight men will arrange to be on duty at the same time that "Gus" Nell is on deck with the leaden implements. This system will apply to the entire squad in as much as the newer men at the game will be expected to work out with the vets.

The sprinters will become acquainted with "Tommy" Thompson and Carlson, the hurdlers with Perrine and Howard, the hi-hoppers with Burke, the pole vaulters with Chrisman and Cline, Harsh and Van Hoesen, two very promising Sophs, will lead the distance men and the quarter milers will work out with Gerlough and McCallie.

### RESULTS OF THE LAST FEW STRUGGLES

Several games have been played since the last issue of the Sputts and owing to their number it will be impossible to give a complete summary of all of them. Perhaps the most interesting one was the Sigma Nu-Phi Delt game which was played during the extension workers' week as an exhibition game for their amusement. There was a large audience present and the game showed keen competition.

Results:  
Co-ops 9, S. A. E. 28.  
S. P. A. 16, Co-ops 15.  
A. K. E. 14, Barbs 19.  
A. K. E. 13, S. A. E. 4.

### TENTATIVE TRACK SCHEDULE

April 24—Relay Carnival at Seattle.  
May 8—Idaho vs. W. S. C. at Pullman.  
May 29—N. W. Conference Meet at Pullman.  
April 17—Varsity Inter Class.  
May 14 and 15—State High School Meet.  
A dual meet with Montana or Whitman is under discussion for the first part of May.

The above mentioned Relay Carnival is a new thing in the West and the U. of W. heads hope to make it a big annual affair of the future.

Every college in both the N. W. and Coast Conferences will send a representative team. There will be five relay events namely: the 400-yard, each man running 100 yards; 880-yard, mile, two-mile, and four-mile.

The Inter Class meet is a new campus feature as distinguished from the Inter-Frat events of by-gone years. Instead of running off the events on

different days, as in the past, this year will see a real meet with lots of excitement and a thrill or a ice-cream cone for all.

### PACIFIC COAST CONFERENCE STANDING

	Won.	Lost.	Per Cent.
Stanford	8	1	88.9
California	5	4	55.6
W. S. C.	5	6	45.5
O. A. C.	5	7	41.7
Washington	4	6	40.0
Oregon	5	8	38.5

### GO GET 'EM WHITMAN

Yep Men, that will raise our batting average. We can not afford to be so far down the line and the final percentage list can't be settled until after the W. S. C.-Whitman games.

Both these teams play the same style of ball, rough and fast, and the results are apt to be on a 50-50 basis as far as a comparison of the two teams will give any hope on the future.

W. S. C. now leads us by a scant 1 per cent, but we have played all our games while the border lads have several more encounters on their list.

### INTRA MURAL FINALS

Today at 5 o'clock the Phi Deltis play the Sigma Nus in the semi-final game of the 36 Intra Campus games.

The final game will then be played next Thursday between the Betas and the winners in today's game. The victors in Thursday's contest will be declared the campus "Champs" and will take the silver shield to their home stamping ground as a trophy of conquest to show the High School boys when they invade our mist on the 18th.

### YEARLINGS REVENGE

Did you notice that smile of satisfaction that beamed from the faces of our Frosh last Saturday?

That is an Idaho trait and we are glad to see them getting the idea so soon.

All you have to do is fight, lick 'em and then give them a grin of satisfaction.

### COACH TOMMY "UP-IN-THE-AIR"

Track men must be getting faster because the Idaho coach has resolved to follow them in an aero-plane. Woe be unto the poor guy who signs up for cross-country. It will sure be tough to be compelled to lope over the Palouse country hills with your coach and his machine making shade for you to run in.

Nate Barnard, Bill Barnard, Dave Matthews and Coach "Tommy" Matthews recently invested in two army planes and intend to fly in this vicinity in the future. Dave is now making passenger trips in Spokane and intends bringing a plane to Moscow in May.

The Varsity track squad are looking forward with no little anticipation for Tommy to make his first appearance on the campus with his new "Eagle."

### INTRA CAMPUS RATINGS

	Won.	Lost.	Per Cent.
Sigma Nu	5	2	71.4
Betas	5	2	71.4
Phi Deltis	5	2	71.4
Barbs	5	3	62.0
A. K. E.	3	2	60.0
S. A. E.	4	3	57.1
Kappa Sig	5	4	55.5
S. P. A.	1	7	12.5
Co-ops	0	6	0.00

### HOW ABOUT THE EAGLES?

Are we going to let every choice animal in the zoological world attach himself to some team in the West and then have Idaho adopt the name of some little ant-eater type of beast?

We are Dead on our feet, you students, or we would get some sort of a live wire name for our athletes. Oregon is up against the same thing, but they are DOING something. They are having the students turn in their favorite names and they will then pick the most suitable.

Some of the teams in the West have adopted names, as the following: Washington, "Sun Dodgers"; California, "Bears"; Stanford, "Cardinals"; O. A. C., "Beavers"; California Southern, "Trojans", and the W. S. C., "Cougars".

If every one will turn in a name on a slip of paper to the Argonaut, the editor will collect them and a list will be published for the benefit of the A. S. U. I.

Bring on your ideas.

### CELLAR CHAMPS UNEARTHED

For ages, hot rivalry had existed between the Co-ops and Short Ags for on the percentage list their ratings were exactly equal and had been until at last they met for that great encounter.

The great question on the minds of the players before the game was: "Which team's percentage will still be 000 after this game?"

The whistle blew twice, once at the start and once at the end (Ken Hunter was referee) and at the second blast the score board read 16 to 15 and the S. P. A. rating had jumped to 125.

### ARGONAUT REPORT

Receipts.	
First semester registration	\$ 381.12
Amount contributed by the University for space	200.00
Short course registration fund	53.49
Subscriptions	30.75
Amount of balance from last year	74.32
Amount collected from advertising space	672.43
<b>Total</b>	<b>\$1412.11</b>

Paid Out.	
Publishing first and second editions	\$ 91.00
Business Manager's salary for the first nine issues	18.00
Editor's salary for the first nine issues	27.00

Exchange rate charged by bank for foreign money	.20
Gem of the Mountains for last year's bill	12.95
Editors salary for 1919-1920	69.00
<b>Total</b>	<b>\$ 966.82</b>

Balance on hand on February 1st, 1920.....\$ 445.29  
B. A. McDEVITT, Business Manager.

Lawyers Drag Due Next. Demurrers, rejoinders, replications and code procedure will be in order Saturday night when the lawyers try their big case in the Gym. The attorneys are expecting the trial to be attended by a great number of witnesses and parties. Due to the importance of this case great interest is being shown. While all sorts of pleadings may be expected, the case will be unipue in that no "complaints" are expected. The court will sit promptly at eight o'clock and from then on, no one will sit.

## OPEN FORUM ORGANIZED ON CAMPUS

New Organization Sees Light For Lively Discussion of Our National Problems.

The first meeting of the Open Forum, a new organization on the campus and open to all students interested, was held last Thursday evening in the Y hut. A fair sized crowd was out considering that the idea of having an open meeting for the discussion of national events is a new one to the college and the fact that little publicity was given to this first meeting. William Briscoe of Troy was elected president of the organization and Kulberg was made vice president.

Professor Chenoweth occupied the floor at Thursday's meeting, explaining what the forum is attempting to

do here in college. The Forum will be a place where national questions of immediate interest can be brought up for discussion by any member and freely discussed by members. Dr. Axtel, Dean Eldridge, and Professors Chenoweth and Brown are behind the movement to permanently establish the Forum as a part of the activities of the college.

The next meeting of this newly formed organization is slated for this Thursday evening at eight p. m. in the Y hut, when Prof. Brown will conduct a little parliamentary drill. It is probable that the constitutional committee will report and a constitution voted upon at this meeting.

Y. W. to Entertain.

The advisory board of the Y. W. C. A. will entertain for the Y. W. of the University at a silver tea on Wednesday, March 10 at the home of Mrs. B. T. Byrns, 622 B street. All women of the University are cordially invited.
