

# The University Argonaut

VOLUME XXI

UNIVERSITY OF IDAHO, MOSCOW, TUESDAY, MAY 4, 1920

NUMBER 28

## COACH KELLEY TO BE ON CAMPUS SATURDAY

### NEW LEADER TO BE GREETED BY ROUSING DEMONSTRATION

IDAHO'S NEW GRIDIRON COMMANDER WILL ARRIVE TO START SPRING TRAINING FOR SQUAD DURING WEEK, AND WILL BE WELCOMED BY ENTIRE COLLEGE AND LATER GIVEN RECEPTION BY ALUMNI

Thomas Kelley, Idaho's new football coach, will arrive on the campus Saturday morning and will be greeted by the student body and faculty, if present plans are carried out. Definite announcements as to the plans for the reception will be made at the A. S. U. I. meeting to be held tomorrow.

#### Popular in South.

For some time past Mr. Kelley has been touring the southern part of the state, where he has been talking to the various high schools with a view to bringing more football material to the University next fall. The constant reports that have been coming up from the south give most glowing accounts of the enthusiasm with which he has been received where ever he has stopped.

#### Kelley's Arrival an Epoch.

"I consider the arrival of Coach Kelley on the campus to be an epoch in the history of the school," said a prominent member of the University who wishes his name withheld. Numerous other testimonials of lesser worth have been heard expressing the same sentiment.

#### Plan Big Reception.

Plans are now under way to give the new commander of Idaho gridiron destinies one of the biggest innovations that the school has ever seen. Coach Kelley will be taken from the train by the athletic advisory board. Wearing the emblem of their struggles in behalf of the silver and gold, the "I" men of the University will act as a guard of honor. The plans call for an animated background for the whole scene to be furnished by the entire student body.

#### Start Spring Football.

As soon as the new coach is settled, he plans to start on a season of spring training and practice for all members of the 1920 football squad who are not engaged in other sports. He will give special attention to the freshmen and second teams, it is announced.

#### Will Meet Alumni.

Soon after the arrival of Kelley, a meeting, which will probably be a banquet, is planned, at which he will meet all the alumni who are resident in Moscow. Here plans for the future betterment of the University athletics will be discussed.

#### Talk up the Meet.

### UNIVERSITY CLASSES HEAR NOTED SALESMAN

Mr. E. H. Foote, One of the Record Sellers of the Nation, Addresses Class in Salesmanship

An inspirational address was delivered at the University last Friday afternoon by Mr. E. H. Foote of Cleveland, Ohio, to the Knox salesmanship class. Mr. Foote has made a record as one of the best salesmen in the United States and at present holds an interest in the R. C. Barnum Co., one of the largest book publishing companies of the country.

He was well pleased with the class at the University, there being at present over thirty enrolled in the study of salesmanship and business efficiency.

#### APPOINTMENTS MADE FOR CAMPUS DAY COMMITTEE

The following have been appointed to serve on a committee to arrange for Campus Day, according to an announcement issued from the President's office this morning:

Dean F. G. Miller, chairman; Professor Vincent, Professor Livingston, Professor Webb, Miss French, Miss Watson, Miss Hyde, Mr. Parsons, Mr. Bleamaster, Mr. Clements, Miss Margaret Byrns, Mr. Staples, Mr. McDevitt, Mr. Lindley.

#### Meet Kelley Saturday.

### "GEM OF THE MOUNTAINS" NOW ALL IN HANDS OF PUBLISHERS

A small, hurriedly wrapped package on the morning train of April 29 put the last of the copy for the "Gem of the Mountains" in the hands of the McKee Publishing company.

According to the contract with the publishers, the entire book was to be in their hands by the first of May. The fulfilling of this contract will mean that the book will be out the latter part of May or early in June, according to a statement by Editor in Chief Kinney.

Business Manager Langroise reports that the ads are coming in encouragingly, and that the book will be a success from the financial point; if the present indications hold true.

### NAME GAIL TAGGART QUEEN OF THE MAY

Jean Kendal and Leta Firkins Elected Maid of Honor and Page, Respectively in Light Election

Gail Taggart was elected Queen of the May at the scheduled election Thursday in the Ad building, receiving a plurality of 107 votes. The Maid of Honor to the Queen, selected from the Junior class was Jean Kendal, with a total of 112 ballots in her favor. Leta Firkins was elected Page from amongst the Sophomore class by a majority of 131.

But a small vote was cast at the election, and the men of the University were decidedly not in evidence at the polls to any very great extent.

### FROSH GLEE NOT TO BE STORY BOOK BALL

After thirty minutes of heated discussion, in a meeting held yesterday, the Frosh voted to make their Glee an ordinary catch as catch can affair. Arrangements were also made to make the catch as catch can affair one of the best of the season.

Attendants are requested to refrain from inquiring whether or not there will be a stick in the punch. Close scrutiny will reveal a log, borrowed from the forestry department.

The admission will be one dollar, athletic tax, 25 cents, making a total of \$1.25.

#### Moore Addresses Lawyers.

Frank L. Moore, who was formerly an instructor in the Law School here, gave an informal talk to the members of Phi Alpha Delta at a meeting of that fraternity held at the Sigma Nu house last Thursday evening. Those present report Mr. Moore to be a very interesting talker, especially when telling his first experiences as a lawyer. The men present were both instructed and entertained by this talk.

### IDAHO PILL TOSSERS MEET WHITMAN FRIDAY

Local Agrigation Will Leave on Early Train For Washington City—Play Two Games.

The Idaho squad of pill chasers will leave Friday morning at 8 o'clock for Walla Walla, where they will play a series of two games with the Whitman College aggregation. The student body will turn out in a body to see the bunch off.

No official announcement has as yet been made as to who will make the trip. An unofficial dopestor offers the following list: Foran, Breshers, Carlson, Fox, Grover Evans, Chick Evans, Moe, Gray, O'Brien, Steve Fox Hunter, and Thompson.

### GLEE CLUB PRESENT "PINAFORE" FRIDAY

POLISHING REHEARSALS WILL BE CONDUCTED THIS WEEK

### CLEVER PLOT-CATCHY MUSIC

Girls Make Own Costumes—Erb and Tecklenberg Will Sing Leading Roles

"Pinafore," the opera to be presented by the combined men's and women's glee clubs on May 7, will receive its finishing touches in the nightly rehearsals which will be conducted from now until the night of its presentation.

For several weeks past the chorus and orchestra have been rehearsing their parts separately. Tonight they will be brought together for the first time both have their respective scores well in hand, and the work from now on will be concerned largely with working the two together, according to director Bangs.

#### Girls Make Costumes.

Mr. Rex Kimmell, who has had charge of the stage settings and properties, announces that costumes and properties have been arranged for, and will be on the stage by the middle of the week. The women in the chorus have made their own costumes. Those for the men have been ordered from Seattle. The stage setting will be completed for tonight's rehearsal.

#### Opera is Satirical.

It will be remembered that "Pinafore" was written by Gilbert and Sullivan to satirize some of the customs of the Victorian period in England. The scene is laid throughout on the deck of the British man o' war, Pinafore.

#### Plot is Clever.

The plot deals with the strict lines of caste that were drawn in England at that time. Ralph Rackstraw, a seaman before the mast, is in love with Josephine, his captain's daughter. She is also sought in marriage by Sir Joseph Porter, admiral of the navy. Josephine secretly loves Ralph but on account of the difference in rank, dares not admit her affection, and scorns his advances. Her love for him is strong enough, however, to cause her also to refuse the offers of Sir Joseph. Her father, in the mean time, falls in love with a woman of the water front known to the seamen as Buttercup. The same inequality of rank causes him to refrain from making his desires known to her.

The way in which the tangle is straightened out, and the various couples united to suit their satisfaction and rank makes a clever and interesting plot.

#### Music is Catchy.

"The music throughout is catchy," said director Bangs in a recent statement. "While some of the solos have a dramatic power and beauty made purposely incompatible with the general light character of the opera by the composers."

#### The Cast.

Miss Nathalie Tecklenberg and Mr. Ted Erb are singing the leading roles. The other solo parts are taken by Esther Motie, Henrietta Peasley, Russel Scott, Roscoe Jones, Michael Compton and Gipson Stalker.

Plans are under way to take the opera to Lewiston, if the local presentation proves successful.

### FORMER CHICAGO PRESIDENT TO GIVE ADDRESS

John Merle Coulter, head of the Department of Botany at the University of Chicago, and former president of the Indiana University and an author of international note in his particular field of endeavor, has been secured to give the principal address at the commencement of Idaho's 1920 graduating class.

Dr. Coulter has been president of the Chicago Academy of Science and in 1918 was president of the American Association of University Professors. He is the author of numerous texts and treatises on botanical subjects and is said to be a brilliant and entertaining speaker.

### OREGON POLLS TWO OVER IDAHO NINE

BOYS FROM RAINY STATE DROP FIRST BY 10-9 SCORE—IDAHO RALLIES IN SEVENTH

### ERRORS FORFEIT SECOND GAME

King Fumble Rules Idaho Squad During Second Meeting and the Eugene Lads Garner 15

University of Oregon's essentially well balanced, well trained nine, with three months of fairly decent baseball weather under their belts; skinned a point lead in the first game of the Oregon-Idaho two game series, and in what might aptly be termed a "comedy of errors" took the second game on a silver platter to the squelching sound of 15 to 0. Had Idaho's team even a month's, or even two weeks real practice, the song might have been different, for individually her players at times showed big league ball—but with no alibis, she was beaten in the first game and woefully outclassed in the second by her propensity to throw away the game by the error rule. Nevertheless, little sister Springtime tells us that the team that faces its next conference game will be in a direct proportion to last week's team that the Oregon team was to Idaho in the second game.

The pitching staff can alone be praised for its consistency, with all the pitchers doing equally well, and none of them letting out more than an average percentage of hits.

#### Line-up and Summary.

First game:  
Oregon: Knudson ..... R.F. .... Carlson Steers ..... C.F. .... J. Fox Reinhart ..... L.F. .... G. Evans Fox ..... 3B. .... L. Moe V. Jacobberger ..... 2B. .... Gray Manerude ..... S.S. .... P. Evans Lind ..... 1B. .... O'Brien Leslie ..... C. .... R. Fox Jacobsen ..... P. .... Breshers Substitutions—Jay for Fox, (Oregon), Berg for Jacobson, Carlson for Breshers, Foran for Carlson.

Earned runs.—Oregon, 6; Idaho, 5. Home runs, Manerude, Lind. Three base hits, Steers. Struck out, Jacobson 6, Berg 4, Breshers 2, Carlson 1, Foran 4. Bases on balls, Jacobson 1. Left on bases, Idaho 11; Oregon 8. Double plays, Oregon 1; Idaho 1.

#### Second Game.

Lineup same, with Foran pitching for Idaho and F. Jacobberger for Oregon.

Earned runs, Oregon 8. Three base hits, Knutson 2. Bases on balls, Foran 2; Jacobberger 2. Struck out, Berg 5; Foran 2. Left on bases, Oregon 11, Idaho 9. Double plays, Idaho 1, Oregon 1. Umpire—N. Moss of W. S. C.

#### Talk up the Meet.

### MARLIN, WATERMAN AND M'CALLIE TO SPEAK

Horton McCallie, Merlin Waterman, and Carl Norlin are slated as speakers at a meeting of the Christian Education Club, which will be held in the "Y" hut next Sunday evening at 7:00 p. m. The discussion will be concerned with the application of christian education to the industries.

### TWO Y.M.C.A. WORKERS ARE HERE TO AID COLLEGE YOUNG MEN

Hal Donnelly, Student Traveling Secretary of the Y. M. C. A. for the Pacific Northwest, arrived in Moscow this morning. Mr. Donnelly will be in the Y hut this afternoon at 5 o'clock and talk to all the young men of the University who are interested in a Students Y on the campus at the Y hut. With him will be Jesse Wilson of New York City, also here in the interest of Y. M. C. A. work. Both men will be here for a day or two, and will be pleased to meet many of the men personally for interviews. Mr. Wilson is traveling primarily to interest men in the possibilities of foreign mission work.

#### Meet Kelley Saturday.

### W. S. C.—IDAHO MEET SATURDAY BE ONE OF YEARS BIG EVENTS

Week-End Contest Will Test Idaho Cinder Pounders and Field Experts For First Time This Year—New Material Expected to Show Up Well—Will Be All Branches of Track and Field Work.

### SCHMITZ COMPLETES TABLES ON IDAHO FUEL WOODS

Larch and Douglas Fir are the best Idaho woods for heating purposes, as is shown in a list of comparative statistics on the heating qualities of Idaho woods compiled by Dr. Schmitz of the school of forestry.

According to an announcement accompanying the table, the list compiled with a view of enabling people to buy stove wood with more intelligence.

According to the figures of Dr. Schmitz, a cord of air dried larch has a heating value equal to 74 per cent of a ton of coal. The table shows Englemann spruce to be the least efficient wood for heating, with a value of 46 per cent of a ton of coal.

#### Talk up the Meet.

### MAY SOON SEE CO-ED BASKET BALL WINNERS

Game, Probably Last of the Season, Will Be Thrown Open to the General Public

The girls' basket ball tournament may or may not be terminated this week. Interest is now focused on the game scheduled for 5 o'clock Wednesday in the University gymnasium when Kappa Kappa Gamma will meet Chi Delta Phi to play off the tie score which resulted in last week's game. Should the final score give Chi Delta Phi the lead, Bleamaster's trophy will go to the local sorority group. A score favoring their opponents however would result in a triangular situation necessitating games between Kappa Kappa Gamma, Chi Delta Phi and Delta Gamma, each team under such condition having netted but one loss in the tournament. The line up for the game Wednesday will be:

#### Kappa Kappa Gamma.

Forwards, Pauline Rieck and Mary Finegan; Guards, Gladys Hastie (captain) and Mable Sweeney; center, Dorothy Cage; side center, Fleeta Brennan; substitutes, Evadna Roberts and Marjorie Alberts.

#### Chi Delta Phi.

Forwards, Ernestine Rose (captain) and Mable Paterka; guards, Gladys Beach and Lela Patch; center, Bethel Collins; side center, Ada Povey; substitutes, Eva Neill and Anna Swanson.

#### Talk up the Meet.

### LARGENT IS APPOINTED ASSISTANT COUNTY AGENT

An appointment as assistant county agent of Bingham county while yet an undergraduate is the record set by Ira A. Largent, a member of the 1920 graduating class of the college of agriculture. This announcement was issued from the office of the dean of the college of agriculture on the last day of April. Mr. Largent is majoring in dairying. He will take up his duties early in June.

### FACULTY APPROVES OF GIRLS COUNCIL RULES

Each Faculty Member Given Set of New Regulations, And Will Cooperate With the Council.

At a recent Faculty meeting a vote of approval was unanimously passed on the Rules and Regulations laid down by the Girls' Self Government Council. Each Faculty member has been given a complete set of these rules and will cooperate as far as possible with the council.

Washington State College's choicest collection of cinder pounders and field experts will descend upon Moscow next Saturday to engage a similar agrigation from Idaho in the first big dual track meet to be held on the Idaho field this year.

Attention has been called to the fact that since the bad weather made the meet with Montana impossible, this contest will be the first this year in which the Idaho athletes are tested in actual competition. The meet will be held in the University field. A. S. U. I. tickets will admit all students.

All branches of field and track work will be represented. Coach Matthews announces that some of the new material will be looked to for some clever work in the middle and long distances. Among these debutante hopes are Gerald Gill, Macey, and Hughes.

A probable summary of who will be who in the coming event follows: Mile and two-mile—Gill, Macey, and Hughes.

Van Housen, Hughes, and Gerlough will probably run the half.

Captain McCallie and Purdy Eaton are expected to give the visitors a hard chase in the quarter.

Packenham, Thompson, and Perrine will seek to beat the cow curriers over the low hurdles.

Howard and Perrine will probably be slated for the high hurdles.

Irving and Perrine will handle the weights, and some record breaking heaves are expected in this section. The contestants for the pole vault and jumps have not been announced.

The Idaho track and field artists are as yet untried, except those who attended the relay carnival at Seattle. The results of the coast meet showed the Idaho runners to be of the best. W. S. C. has a liberal supply of fast men. Dope experts look for one of the big meets in the track history of the two schools next Saturday.

#### Meet Kelley Saturday.

### IMPORTANT A. S. U. I. MEETING WEDNESDAY AT 11 A. M.

At a meeting of the A. S. U. I., to be held in the auditorium at 11:00 tomorrow, plans for Campus Day will be discussed and the amendment concerning the Students Co-op Store, printed elsewhere, will be introduced. The fact that the two weeks time limit on songs for the annual contest is now up, and no songs have as yet appeared, will also be brought up for discussion.

### IDAHO TO ENTER IN ORATORICAL CONTEST

Many Aspirants For \$100 Prize Will Try Out Thursday—Idaho, U. of O and U. of W.

What is considered one of the best oratorical opportunities in many years will be staged at Eugene May 28th, when Oregon, Washington and Idaho orators will contest for a \$100 prize offered by Mr. Blaine of Seattle.

A dozen or more Idaho orators will probably try out at the preliminary contest to be held in the "Y" hut Thursday evening of this week at 7 o'clock. They will include Charles Darling, Earl Hunt, A. J. Priest, Ralph Breshers, Elmer Wyland and other prominent orators of the university.

#### Iller May Measure Streams.

James B. Iller of the college engineering, has received an offer to spend the summer at stream measurement. The offer comes from Mackey, Idaho.

#### Meet Kelley Saturday.

THE UNIVERSITY ARGONAUT  
Published every week by the Associated Students of the University of Idaho.

**IDAHO-W. S. C. TRACK.**

Next Saturday Idaho will find herself in the midst of the annual cinder burning contest with the neighboring institution just over the hill. Old man Weather foxed us out of our meet with Montana last week, but reports and predictions seem to indicate that the weather will only be favorable for the coming event.

With what pep was stored up for the waylaid event, and what would naturally be generated for next Saturday's classic, some pep should be in evidence.

That is all very well. Lots of spirit will have to be in evidence if Idaho is to make the showing that it is her desire and duty to make in the coming event. As in a football game or on the basket ball floor, student spirit is a big item in the winning of the contest. Every student will have to be out with the silver and gold both on his head and in it, if the meet is to end with the big points on the Idaho side.

Your presence at the meet won't make anyone sore. Turn out, JAZZ.  
*Talk up the Meet.*

**UNTHINKING CRITICISM.**

Intended for publication in this issue, some unthinking contributor turned in a rather cutting criticism of the work done by the ball team in the two games played with the University of Oregon. There is no just adverse criticism that can be made of the results of those games. The teams did the best they could, and that is all that can be asked of them.

To train the Idaho gridiron warriors for the coming season a new coach is coming. It is our duty to take all the difficulties out of his path that we can. Such unthinking criticism as the reducing the morale of his men. The campus will look with grave disfavor on further attempts along the same line.

*Talk up the Meet.*

**ELECT Y LEADERS FOR COMING YEAR**

Burford Kuhns Chosen President of Body Inactive For Past Year—  
Van Hoesen is Vice President.

The Y. M. C. A. after practically a year's inactivity, is at last assured of being permanently organized on the campus as one of the active All-College groups. Monday afternoon an election of new officers was held in the Y hut to serve out the remainder of this year's term and to serve for the entire year beginning next fall.

Burford Kuhns was elected President of the organization, and Van Hoesen was named as Vice President. Both of these men are capable fellows, and should put the Y on its feet again. The newly elected Vice President has had quite a lot of experience in Student Work at Williams College. Michael Compton was elected as Treasurer, and Louis Dons as Secretary at Monday's election.

Secretary Macpherson feels that not all the young men of the University are acquainted with the Student Y. M. C. A. organization as it is carried out in universities and colleges. Any man of the University is eligible as a member, and no financial obligations are incurred by joining the local student organization. Merely the signing of a card stating that he is in favor of the ideals for which the Y. M. C. A. stands for is all that is required to become an active member of the University of Idaho student organization.

The newly elected officers will immediately get to solid work on a definite program of expansion, and a cabinet will be formed within the next day or two, together with a Fellowship Council patterned somewhat after the plan used so successfully by the University of Wisconsin.

*Meet Kelley Saturday.*

**THOMAS KELLEY PLEASES SOUTH**

New Idaho Mentor Makes Fine Impression in Boise and Elsewhere.

That Thomas Kelley, Idaho's 1920 gridiron leader, is making a splendid impression on all the southern Idahoans with whom he is coming in contact is the burden of several reports just received on the campus. It is not yet definitely known when the new coach will make his appearance in Moscow, but he is expected before the end of the present week.

This telegram from Bennett Williams, president of the Boise University of Idaho club, is typical of the messages received:

**Makes Good Speech.**

"Kelley is the real article; took fine here and at Blackfoot and Idaho Falls. He makes a good speech and has a wonderfully winning personality."

The following is a paragraph from a letter written President Lindley by C. R. Frazier, president of the Idaho Technical Institute:

"Your Mr. Kelley made a good talk in our assembly this morning and we all like him very much. I think you have an excellent man."

**Idaho Falls Enthusies.**

From Alvin Denman, '19, who is now practicing law at Idaho Falls, comes this further laudatory paragraph:

"Coach Tom Kelley spent the day at the high school in Idaho Falls in the interest of the University of Idaho. He was received by the six hundred students of the high school with tremendous enthusiasm. They are all talking about Coach Kelley. He is a powerful engine which will surely drive the Idaho team of 1920 across the W. S. C. goal line. The whole state is already falling in line to support Coach Kelley in his efforts to make the Idaho football team a winner."

**ALUMNI PERSONALS**  
Mina W. Willis has moved from Billings, Mont., to Newbern, Alabama.  
James B. Hays, 512 Franklin St.

**The Vacuum Cleaner**

She stood there in a sorry plight, A frown upon her face. Quoth she: "If I take out that light To put this cord in place, Shure, I can't see at all to clean. Faith, now, what shall I do?"

*"In Yours For Double Duty"*

**\$1.25**

**BENJAMIN 92**

Screws into present socket. No extra wiring required.

**Provides Two Electric Connections from One Socket**

**WASHINGTON WATER POWER CO.**

Boise, writes: "Inasmuch as the alumni notes are interesting to me, you might advise others that I am doing business at the old stand (Hays, Sloan & Lewis—Engineering service). Our principal work is in irrigation and drainage. Alumni are always welcome. We are glad to see them."

Mr. and Mrs. John W. McCall of Shoshone, write: "We were greatly interested in the alumni issue of the Argonaut and wish to assure you of our loyalty and devotion to any cause that will tend to improve our Alma Mater."

Jean P. Gerlough, '16, who is now with the Hercules Mining company at Wallace, praises the baseball team for its recent shattering of the long-standing Pullman jinx and wishes Hutchinson's pastimers luck in the remaining W. S. C. games.

Arthur O. Sutton, '14, probate judge of Gem county, who has been unusually active in the organization of alumni and former students living in Emmet and vicinity, was a campus visitor last week.

**SCHEDULED TRACK MEET POSTPONED**

The track meet scheduled for last Saturday afternoon with the University of Montana was postponed indefinitely because of the continual rain which fell all day and the poor condition of the track. Next Saturday, however, will see the W. S. C. meet pulled off as scheduled providing the weather permits, and the boys are working hard to make the affair a speedy tangle. The track will probably be in pretty good shape for Saturday's dual meet, and a lively contest is expected.

*Talk up the Meet.*

**URGED THAT PICTURE BE PLACED IN BOISE**

W. M. Snow Suggests Advisability of Displaying Campus Views in Capitol Building.

William M. Snow, '06, a member of the lower house from Lemhi county, in the recent session of the state legislature, urges that a large picture of the university campus be placed on displayed in the state capitol building in order that citizens who never have visited in Moscow may obtain an accurate idea of the university plant.

Mr. Snow's suggestion, made in a recent letter addressed to the president of the alumni association, is expected to be acted upon at some time in the very near future. A part of his letter follows:

**Picture Would Help.**

"I cannot help thinking what a help it would be to have a large picture of the university and campus on display at our capitol—something to point to with pride as a picture of that for which we are fighting; something to convey a correct mental picture to those who have not been fortunate

SILK LISLE, 75c, \$1 and \$1.10

**THE PARISIAN**

enough to see the buildings and surroundings and bring them to a realization of the fact that the university in which they own an interest actually exists in form as well as word, and that it is really something that every citizen of the state should be proud of. "I mention the above as an illustration of how seemingly small things can help to make the university better known. The alumni are now sufficiently strong that if they are properly organized throughout the state much can be accomplished. Let the good work go on."

**PRACTICE HOUSE ENTERTAINS**

The University Practice House was the scene of an informal party Monday evening. Eight young men gathered at the house, and music was made the feature of the evening, with Frank Blackinger at the piano. A three course luncheon was served. Those present besides the inmates

were: Messrs Ostrander, Blackinger, Wyman, Scheneberger, Walters, Holderman, Hershey and Neal. The Misses Hyde and Matthews acted as chaperones.

**Notice**  
Home Ec. girls to meet at Practice House Wednesday at 7:30 p. m. for the purpose of electing officers. The presence of all is requested.

Gladys McRae and Virginia McRae of Kappa Kappa Gamma spent the week end in Troy as the guests of Ernestine Drennen Duthie.

- ♦ Saturday, May 8, Freshman ♦
- ♦ Glee. ♦
- ♦ Friday, May 14, Stunt Fest. ♦
- ♦ Saturday, May 15, Chi delta ♦
- ♦ Phi Installation. ♦
- ♦ Friday, May 21, Iota Alpha ♦
- ♦ dance. ♦
- ♦ Saturday, May 22, Sigma Nu ♦
- ♦ Formal. ♦

With five terpsichorian jubilees to attend to, campus society has been kept busily tripping the proverbial light fantastic the past week end. Beta Theta Pi, Kappa Sigma, Ridenbaugh Hall, and Phi Alpha Delta entertained at informal dancing parties, while the Pre-Medic club was host at a formal given in Guild Hall. All week ends on the social calendar are filled to the middle of the year, and campus society will be busily engaged. One of the red letter events will be the installation of Kappa Alpha Theta.

The women of Ridenbaugh Hall entertained sixty guests at an informal dance Saturday night from 8:15 to 11:30. The reception room was very artistically decorated with crepe paper in silver and gold. The second floor was attractively arranged with big chairs and divans for those who wished to rest.

Mr. and Mrs. Conwell and Mrs. Richardson were patron and patronesses. Those present were Misses Barrow, Wellman, Simpson and Wilburn from out of town. Other guests were the Messrs. Standish, Hughes, Pechene, G. Gill, Green, Johnson, Thompson, Gustavson, R. Johnson, Keane, Yaggy, Treves, Payne, Jackson, Daniels, Brashears, Lowe, Briscoe, Speedy, Schmidt, Roberts, Ebert, Gardner, Bramhall, Fahrnwals, Gregory, Goff, Thompson, J. Gill, Maughmer, Prichard, Sawyer, Agee, Weaver, Largent, King, Schroeder, Core, R. Johnson, Ralph, Patrie, Powell, Philippi, Blackledge, Welo, Boaz, Hinchcliff and Tucker.

### Meet Kelley Saturday.

The members of Phi Alpha Delta Law fraternity were hosts at a dancing party in the gymnasium Saturday evening. Flags were used in the decoration and the gymnasium as camouflaged by the lawyers offered one of the most beautiful settings for any of this season's hops. The invited guests included: The Misses Gladys Beach, Ruth Blomquist, Gladys Hastie, Manilla Reed, Florence Allebaugh, Inez Sanger, Mary McKenna, Jean Kendall, Gladys Channel, Norma Langroise, Myrtle Sampson, Florence Bauers, Mary Ball, Elaine Wheeler, Octavia Gowen, Betty Collins, Faith Newton, Margaret Friedman, Zella Ellis, Virginia Dermott, Julia Adleman, Elizabeth Woods, Nadine Sims and Francis Howarth; the Messrs. Gipson Stalker, Fred Holland, Ted Holderman, Bunny Taylor, Roy Starr, Dimps Dwight, Robert Hibbard and Charles Darling. The patrons and patronesses were Dean and Mrs. Cockerill, Prof. and Mrs. Evans, and Prof. Gill.

The Pre-Medics were hosts at a formal dance at Guild Hall Saturday, May 1. The spring idea was carried out in the pink and blue decorations, and in the corsage bouquets presented to the guests. Programs were skul and crossbones. After the dance a lunch was served at the Bon Ton.

Beta Theta Pi entertained informally Friday evening with a house dance. Miss Helen Wegmann and John Dickinson were chaperones. Music was furnished by a three piece orchestra and refreshments were served later in the evening. The guests were Kathryn Stanford, Agnes Sweeney, Adeline Robbins, Albertine Benoit, Elizabeth Woods, Phoebe Jane Hunt, Perol Richardson, Helen Oakley, Marjorie Alberts, Gladys Clarke, Octavia Gowen, Leah Faris, Irma Spielberg.

Kappa Sigma entertained at an informal dancing party at the chapter house Friday evening for the Misses Salter, Pringle, Simms, Collins, F. Jones, Putnam, Selby, Sanger, Crisman, Friedman, Allebaugh, Wovarth, of Wallace, Idaho, M. Sampson, Langroise, Rowlands, Kendall, Williams, P. Thomas, Fields, Johnston, Channel and Mr. and Mrs. Hulbert.

Caroline Logan visited in Nezperce for the week end.

Dean and Mrs. E. J. Iddings, Mr. and Mrs. Herbert H. Beier, and Dr. C. N. Little were the dinner guests of Beta Theta Pi Sunday afternoon.

### Talk up the Meet.

Dean and Mrs. O. P. Cockerill were Wednesday dinner guests of Gamma Phi Beta.

Merial Atkins and Margaret Kutnewsky attended the Junior Prom at Lewiston Friday.

Norma Dow of Kappa Kappa Gamma spent the week end in Spokane.

Word comes of the marriage of George J. Beck, a graduate of the class of '17, at Pasco, Wash. Mr. Beck is engaged in highway work out of Pasco.

Emery Knudson spent Sunday in Pullman.

Gamma Phi Beta entertained at dinner Sunday for Messrs. Erb, J. Keane, Jennings, E. Kinney, McNary, Creelman, H. Brashears and Phillips of Phi Delta, Theta.

Fred Crandall and Greek Wells were dinner guests of Kappa Sigma Wednesday.

Hodson, Carver and McGowen of the University of Montana were dinner guests of Phi Delta Theta Friday.

### Talk up the Meet.

"San" Moe of Pullman visited with Kappa Sigma Wednesday.

Francis Howerth of Wallace is a guest of Chi Delta Phi. "Skeeters" Minreod and J. Fox of the U. of Oregon were Kappa Sigma dinner guests Thursday.

Miss Simpson and Miss Wellman of Lewiston were guests of Julia Brown for the dance at Ridenbaugh Hall.

Kappa Sigma entertained at dinner Sunday for Professor and John Gill, Dean and Mrs. Cockerill, Professor and Mrs. Evans.

Miss Palmer of the Art Department was a Wednesday dinner guest of Ridenbaugh Hall.

Mr. Tucker, of Notice, Idaho, father of George Tucker, was a guest of the Elwetos over the week-end.

A. O. Sutton of Emmett and Professor J. J. Gill were dinner guests of Kappa Sigma Friday.

Mrs. W. J. McKenna and sons, Martin and Earl, Mr. Fetch of Spokane and Miss Grant of Kalispell, Montana, visited at the Gamma Phi Beta house Sunday.

Dr. Chislett was a Wednesday dinner guest of Phi Delta, Theta.

Sunday dinner guests of Chi Delta Phi were Paul Rowell, Harry Hartwell, William Briscoe, Robert Beckwith, Stanley Philippi, and James Fox of Alpha Kappa Epsilon.

Meet Kelley Saturday. Mr. L. E. Hechtner, of Ft. Lapwai, was a visitor at the Sigma Nu house Sunday.

Gustav Bjork was a week end visitor at the Sigma Nu house.

Geo. Wedgewood spent the week end in Spokane.

Lyle Colburn, Harry Amundson, J. O. Thompson, Harry Baine and Geo. Wedgewood attended the Junior Prom in Lewiston Saturday night.

Chi Delta Phi announces the initiation of Zella Ellis of Twin Falls.

Alpha Kappa Epsilon announces the pledging of Harold Geyer of Burley, Idaho.

Dorothy Addy Biers, ex-'18, has returned to Moscow to make her home.

Dimps Dwight and Ted Holderman were guests of Alpha Kappa Epsilon Wednesday at dinner.

Steers, Black, Huntington and Knutson of the University of Oregon were dinner guests of Phi Delta Theta Wednesday night.

Paul Hull visited in Colfax, Wash., during the week end.

### PINAFORE FRIDAY NIGHT—ADMISSION FIFTY CENTS

Date up now for Pinafore. The exalted English yell fest will be staged in the auditorium on Friday night, May seventh. If you have an inward hankering for the sentimental, you will be satisfied. If you like to laugh, upon seeing the operetta you will be able to realize your heart's desire.

The admission is 50 cents, one half of a simoleon, for college folk and 75 cents, six bits, or three quarters of a simoleon, for college folk, and may be reserved at Sherfey's.

## FAMOUS CHARACTER ANALYST ON CAMPUS

Mrs. Ellis Here to Give Personal Interviews to Vocational Men—Can be Seen at Y Hut

Mrs. Jean Morris Ellis of Portland, Oregon, is here on the Idaho Campus to meet the vocational men of the college and will stay here until Thursday noon. Mrs. Ellis arrived Saturday, and Sunday afternoon spoke to the former service men at the Liberty Theatre, and in the evening delivered an address at the Presbyterian church. Yesterday afternoon she spoke before the Moscow high school students.

Mrs. Jean Morris Ellis, character analyst here to interview vocational men at the Y hut this week.

Mrs. Ellis comes here under the auspices of the Y. M. C. A. and is being sent out by the national war work council of that organization for the purpose of aiding the vocational men in the various colleges and universities in obtaining the most adaptable training as suits their natural inclinations. Mrs. Ellis is an expert character analyst and will not only tell the men what line of work they are best suited to prepare themselves for, but will offer many useful suggestions upon ways in which they might strengthen their personality and character.

### Is Entirely Free.

There is absolutely no charge for an interview with Mrs. Ellis, and dozens of the men taking advantage of the opportunity of personally meeting this noted lady. Every moment of her time was filled Monday, and at this writing every hour is filled up with private conferences until Thursday morning and there are still many former service men who are anxious to have an interview with her whom it will be impossible to arrange for. Each person is given an interview lasting from twenty minutes to half an hour.

### Consulted by Business Men.

Before becoming affiliated with the National War Work Council of the Y. M. C. A. Mrs. Ellis was consulted by the most prominent business men of the Pacific Coast relative to hiring men for responsible positions in their businesses. She comes here with an enviable record and is glad to do what she can for any of the vocational men. Secretary MacPherson of the local Y. M. C. A. is aiding in arranging for interviews with her, and any desiring to have such an interview should immediately get in touch with Mac as soon as possible because only a limited number can be slated up.

## PICK CAST OF SENIOR PLAY "TWELFTH NIGHT"

Work on Final Contribution From Class of 1920 Begins—Will be Given "Under the Willow"

"Twelfth Night" has been chosen as the play to be presented by the out-going senior class this year. It will be presented during commencement week on the University "Under the Willow" stage.

"The cast, which is beginning with considerable enthusiasm and is turning out for regular rehearsals, is well balanced," says Prof. George M. Miller, "and it can be safely said that the production this year will live up to the high standards set by the senior class year before last in 'A Mid-Summer Night's Dream' and last year in 'As You Like It.'"

Although conflicts may necessitate some changes, the cast as chosen includes:

- Orsino, A. W. Johnson; Sebastian, H. W. Staples; Antonio, A. R. Thompson; A sea captain, Carl Carlson; Valentine, W. K. Newland; Curio, W. A. Denecke; Sir Toby Belch, E. W. Poe; Sir Andrew Aguecheek, L. J. Yost; Malvolio, E. K. Lindley; Fabian, Ray Agee; Feste, J. R. Jones; Olivia, Marion Byrnes;

### STATE MINING AND GEOLOGY BUREAU HOLD ANNUAL MEETING

At the recent annual meeting of the board of control of the State Bureau of Mining and Geology in Boise the metallurgical and topographic projects of the State Bureau of Mining were reviewed by Secretary Thompson.

More than half the total expenditures for the year of the Idaho state bureau of mines was provided by the cooperation of the United States bureau of mines and geological survey as shown by the report of Dean Francis A. Thompson, secretary, in his report at the meeting.

The state bureau of mines expended \$17,252 while the federal bureau and geological survey contributed \$19,537.

The future work projected and agreed upon was as follows: Metallurgical investigations in connection with the Continental mine at Port Hall, Idaho; of the ores of the Pend d'Oreille and of the ores of the Sawtooth district; and completion of the clay investigations already under

### PLAY BALL FRATS

The "Greek" baseball bug is here, for the championship "merry-go-round" races of the beautiful Idaho diamond are to start next Thursday when the A. K. E. nine and the Beta team clash in the first game of the inter-campus series.

Prof. "Blea" wishes to state that no loving cup has as yet been ordered for the winners but he assures the teams that a suitable, if not an expensive, trophy will be given.

Therefore ye yielders of the willow and you shaggers of the grass cutters, oil up the old catching mitt you had when a child, or the tip you borrowed from Charley Grey, and start a bottle of angle-worm oil boiling for your arm because you must remember that it is your duty to uphold the record of your elders in the house or (in case they have no record) it is your duty to make one for them.

### UNIVERSITY OF WASHINGTON 77, W. S. C. 54

Slow time in most events resulted in making a quiet dual meet at Seattle last Saturday when the Coast team defeated the invading Cougar squad.

### DIAMOND SCHEDULE

Thursday, May 6—A. K. E. vs. Betas  
Friday, May 7—S. A. E. vs. Phi Deltas  
Monday, May 10—Sigma Nus vs. Kappa Sigs  
Tuesday, May 11—Elwetes vs. Barbs

The winners of these four games will play, by the process of elimination, for the championship and the horse-shoe prize.

Yes, a real horse-shoe. That is, a horse-shoe of a "plug" but not a "plug" of "horse-shoe".

### "TAILS" WIN FOR IDAHO

The Montana and Idaho coaches, while comparing data on their respective men for the canceled meet got into an argument as to the final winners of the hot air meet.

The "Bear" supporter suggested they flip a coin for it. They did. We won.

### DISTRICT MEET AT LEWISTON

A jazzy little track meet was thrown at Lewiston last Friday when the following scores were total for the various schools:

|          |     |          |    |
|----------|-----|----------|----|
| Lewiston | 78½ | Lapwai   | 5½ |
| Genesee  | 24½ | Caldesac | 4  |
| Orofino  | 21½ | Nezperce | 1  |

### "TOMMIES" SLICKERS IN RELAY

The combined Oxford-Cambridge team set a new world's record of 7 minutes, 50 2-5 seconds in the two-mile event at the Pennsylvania Relay carnival last Saturday. Cornell men were the pace setters and finished a close second.

### WHAT'S THAT I HEAR?

The above question was asked twenty-nine times last Friday afternoon. Many are still wondering from whence the noises came but one lad, who was either extremely brave or curious took a chance and approached the athletic field. Here the truth became known that there was no murder being committed (intentionally) but that a hockey game was being indulged in by our fair co-eds.

### "HEEEEE!!!"

Ever hear a noise like that? Then you haven't seen the team in action. There are three players who utter that scream whenever the ball comes their way.

It may be a part of the game but only certain ones (with frat pins) can't resist calling HIM when they need help.

Therefore the "Heeee!"

### ENTER YOUR CUBS

No, this is not a lion or even a "bear" of a show but simply a chance for you to enter your baseball team's challenge very officially with "Blea"

for acceptance or bluff.

This is for department or club teams only and has no connection whatever on the intra-campus schedule.

### WE'RE FOR KELLEY

"Has anyone here seen Kelley? Kelley of the U. of I.?" Thus ran the "Mirror" in quoting some of the Irishman's qualifications. "Kelley is the real article; took fine here and at Blackfoot. He makes a good speech and has a wonderfully winning personality."—Bennett Williams, President U. of I. Club, Boise.

"Your Mr. Kelley made a good talk in our assembly this morning and we all like him very much. I think you have an excellent man."—C. R. Frazier, President, Idaho Tech.

The entries for the all-state meet are coming in and a large representation is assured. Genesee High was the first team to enter.

### "WATER, WATER EVERYWHERE"

The Montana-Idaho meet was called off last Saturday, due to an excess of clam "surroundings" being precipitated on the one cinder of the varsity field.

### SPECIAL NOTICE

A. S. U. I. tickets are good for face value and face of bearer to admit the latter to any or all inter-gang baseball games.—(Paid Adv.)

### IDAHO VS. WHITMAN

Supposing we get together and give our baseball men a good send off next Friday when they leave for Walla Walla. Let's show them that we have forgotten the last Oregon game and are behind them for a new start.

## HUMISTON DELIVERS INSTRUCTIVE ADDRESS

Potlatch Lumber Man Points Out the Great Opportunities in Lumber Field to Foresters Monday.

W. D. Humiston of Potlatch addressed the associated foresters, Monday. Mr. Humiston is the assistant general manager of the Potlatch Lumber company, and one of the best known lumbermen of the west.

His talk was somewhat general in character. He brot out the different classes of men, "the thinker and the doer" being the chief distinctions. The work of these two classes of men are needed in their respective positions. A thinker should confine his efforts to the office and laboratory and let the doer take care of the field work. Every man should find his class or field and then develop himself along that line.

He pointed out the great opportunities that the lumber business has to offer at present and in the future. His whole talk was full of sound advice and filled with up-to-the-minute interesting material.

### REPORT U. OF IDAHO STRONG UP NORTH

Professor Ph. Soulen returned recently from a northern trip including Harrison, Wallace, Burke, and Coeur d'Alene.

At Harrison Professor Soulen found Mary Vesser as teacher of Home Economics and General Science in the High School. The board expressed itself anxious to retain her for the coming year.

At Burke Professor Soulen enjoyed a pleasant visit with Supt. Anselm, an Idaho graduate. Both Burke and Harrison are lining up students for Idaho next year.

### Modern School at Wallace.

At Wallace he spent one-half day looking over the school plant, which is one of the most up to date of the state. It consists of a fine athletic field, a large swimming tank, and a gymnasium with specialists to direct corrective exercises for both boys and girls. The school also employs a trained nurse who is doing good work for the Wallace children. Professor Soulen states that Superintendent Brock, who has been seven years at Wallace, has good reason to feel proud of a thoroughly up-to-date school organization.

### Takes in Coeur d'Alene.

At the request of the school board and Superintendent J. V. Buck, Prof. Soulen went to Coeur d'Alene with a view of securing data for a later report regarding the school plant. There is contemplation of a change in the policy of locating and constructing school buildings. While there he met several Idaho graduates. Frances Bailey, '18, is now at Coeur d'Alene and may be persuaded to return to teaching, if her health permits. Anne Glinderman, '19, is making good at her first-year teaching and the school board expect to transfer her to high school work next year. Others whom Professor Soulen met were Arthur Sutton of Emmett and Proctor Perkins of Hailey.

### CO-OP BOOK STORE SURE FOR NEXT YEAR

The Students' Co-operative Book Store will be in operation with a full line of books, stationery, candies and other campus necessities by the first of next year, if the plans of its organizers hold good, according to a statement issued by Harmon Hosier today.

If the proposed amendment, print-

ed below, passes the A. S. U. I., the building will be started next fall, and will be ready for operation by the beginning of the second semester.

Present plans for the building, stock and equipment provide for one of the best fitted stores in Moscow. Those students holding the life memberships, as provided in the amendment, will receive substantial returns, amounting to approximately 15 per cent on their purchases.

The amendment, as it will be submitted to the A. S. U. I. follows:

Sec. 1. That all students who have not purchased a membership in the Students Co-op Store, purchase the same at the time of the next registration by the payment of five dollars (\$5), to the bursar at the time of purchasing the A. S. U. I. ticket, the membership in said store then continuing for life and being subject to the by laws of the corporation known as the Students Co-op Store.

Sec. 2. That the executive board of the A. S. U. I. shall elect directors of the Corporation known as the Students Co-op Store at a meeting held the second Tuesday in April each year and every year hereafter at five o'clock in the afternoon.

## FORUM ELECTS NEW OFFICERS THURSDAY

The Forum, one of the newer progressive organizations on the campus held its last meeting for this year Thursday night in the Y hut, and officers for the ensuing year were elected. Miss La Vern Borell was elected president for the ensuing year, and Regner W. Kullberg was chosen for the vice presidency. For secretary, Robert L. Halbrook was selected unanimously by the organization, while Dwight Stalker as treasurer will go the charge of keeping track of any wealth which the Forum hopes to acquire.

A political discussion of the more prominent presidential candidates took up the entertainment part of the meeting, and each candidate received his share of praise and criticism alike. The Forum plans to start up again the second Thursday after registration next fall, and to do things which will be of interest to the entire University.
