

# JENNINGS, GOFF, PREUSS NAMED FOR A. S. U. I. PRESIDENCY

## Vandal Ball Players Begin Coast Invasion

Thirteen Men Carried by MacMillan for Two-Game Series With University of Washington, University of Oregon and Oregon Agricultural college on Home Fields.

### HUSKIES STRONGEST NINE

Seattle Games Friday and Saturday—Idaho Team Unusually Capable.

(By ED FUNK.)

The Vandal baseball squad entrained Thursday afternoon for Seattle, where the Vandals will play the first two games of the season Friday afternoon and Saturday against the strong University of Washington nine. Thirteen men are being carried on the trip, under the tutelage of Coach MacMillan. Graduate Manager Knudson also accompanied the team.

Knudson, regular varsity backstop, who was injured in the practice game last Saturday, was not able to make the trip. His absence from the regular lineup cripples the Vandal machine materially. Two relief catchers, Vesser and Kline, are included in the squad, and will probably alternate in the coast games. Both players show promise, but both are lacking in experience, having infield positions exclusively heretofore.

All-Star Infield.

The Idaho nine is the best in the history of the university. Cobby at first, Kleffner at second, Stivers at short, and Lawson at third, form a fast working, brilliant infield, which will be hard to beat. Snow, Marinneau, Golden and Fitzke will alternate in the box, during the early games. They are all in the pink of condition, and are delivering in a most satisfactory manner. All indications point to the fact that the Idaho pitching staff is second to none in the conference. Edwards, Ostrander and Fox will hold down the outfield.

The Idaho squad, carrying but thirteen men, is traveling light. Little allowance is made for substitutions. In case of injury to any of the men in infield positions it will be necessary either to substitute Vesser or Kline, whom MacMillan plans to alternate behind the bat, or to place an added burden on the pitching staff. The entire squad is in the pink of condition, however, each man playing a stellar brand of

(Continued on page three.)

### Women's Honorary Installs Here Recently

Installation of the University of Idaho chapter of the Mortar Board, national senior women's honorary society, took place recently under the direction of Mrs. James M. O'Gorman, a member of the University of Illinois chapter.

Membership in the national society was granted last February, according to word received at that time by Miss Dorothy Cagle, president of the local association.

The local Mortar Board was organized at Idaho in the fall of 1920 with a charter membership of 13. Membership in it was granted on the basis of scholarship, activities, and personality, and the membership was limited to women of the senior class. The pledges are taken from the junior class during the second semester.

Active members in the group are: Dorothy Cagle of Idaho Falls; Helen Frantz of Moscow; Clara Jones of Boise; Mabel Patarka of Republic, Wash., while alumni member initiated were: Mrs. W. M. Gibbs, Miss Marie Anderson, Miss Freda N. Soulen, and Miss Grace L. Taggart, all of Moscow.

### Al Marineau Elected Leader Of Pep Band

Al Marineau of Coeur d'Alene was elected leader of the Pep band for the coming year at a meeting of the organization Wednesday night. Nominations were also made for the business manager of the band. The three men selected as candidates are Ullia Powell, of Boise, Doy McKinley, of Kellogg, and Francis Sheneberger, of Twin Falls.

Under the provisions of the constitution, the leader of the band is selected by the organization, and nominations are made by it for manager, but the manager is elected from among the nominees by the student body. The retiring leader of the band is Lynn F. Hersey, of Lenore, who organized the group three years ago, and has been its leader since that time, and the retiring manager is Eugene Ostrander of Twin Falls, who was selected for that position last year.

### FIRST OPEN MEETING OF SIGMA XI MONDAY

The first open meeting of the college year held by Sigma Xi comes Monday evening, April 23, in the University Hut at 8 o'clock. The program is in charge of members of the school of forestry who are members of Sigma Xi.

"The trend of Forestry" has been announced as the subject for the evening. Dean F. G. Miller, Dr. Henry Schmitz, and Prof. C. E. Behre are in charge of the program. The public has been invited.

### DON M'CREA ELECTED ASSISTANT MANAGER

FIRST FRESHMAN ASSISTANT NAMED BY ATHLETIC BOARD

Constitution Provides For the Election of a First Year Man Each Second Semester.

Donald McCrea of Kendrick was elected assistant graduate manager of athletics from the freshman class, at a meeting of the athletic board Thursday night. He is the first assistant manager to be chosen under the provisions of the recently reconstituted constitution.

Under the new ruling freshmen will be selected each year as assistant manager, and will serve for a period of three years. The second semester of his senior year, he will be awarded a gold "I" on which is engraved "assistant athletic manager."

#### Two Other Managers.

Lynn Rogers of Boise is assistant manager from the junior class, and Floyd Marchesi of Kellogg from the sophomore class. These men were appointed earlier in the year by president Hersey, but neither will receive a gold "I" as they will not have fulfilled the requirements of three years work.

The student managers are appointed to aid the graduate manager with ticket sales, handling of crowds, and other duties arising from management of athletic contests.

Arthur M. Piper, '21, is an instructor in the school of mines at the University of Idaho.

### Nominees For A. S. U. I. Offices

FOR PRESIDENT  
Talbot Jennings, Abe Goff, Charles Preuss.

FOR VICE PRESIDENT  
Lawrence A. Wallace, Glenn E. Wilkinson.

FOR TREASURER  
Walter Casebolt, George Gahan.

FOR SECRETARY  
Pauline Pence, Lillian Hardman, Agnes Cox.

FOR SECRETARY BOARD OF SUPERVISORS  
Mary Huston, Vaughn Prater.

FOR MISS IDAHO  
Jean Rowlands.

FOR MAID OF HONOR TO MISS IDAHO  
Dorothy Parsons, Charlotte Broadwater.

FOR PAGE TO MISS IDAHO  
Mildred Specht, Catherine Hahn.

FOR ASSOCIATE EDITOR OF THE ARGONAUT  
Wallace Brown.

FOR YELL KING  
Ted Turner.

FOR EDITOR OF THE GEM OF THE MOUNTAINS  
Peter Drus, Floyd Marchesi.

FOR ATHLETIC BOARD  
Sylvester Kleffner, Fred Marlneau, Harold Telford, Frank Klunson, Vernon Stivers, Lewis Williams, Maurice Kline, Guy Penwell. (Seven to be elected.)

FOR BUSINESS MANAGER OF THE ARGONAUT  
Winton Arnold, Fred Taylor, Udril S. Hale.

FOR MANAGER OF DEBATE  
Frank Wyman, Errol Hillman, Robert Reed.

FOR GLEE CLUB MANAGER  
Van Peterson, Warren Vickrey, Ray Allumbaugh.

FOR PEP BAND MANAGER  
Doy McKinley, Ulla Powell, Francis Sheneberger.

FOR MANAGER OF THE GEM OF THE MOUNTAINS  
Merle Drake, Leo Fleming, Warren Noggle.

FOR MANAGER OF WOMEN'S ATHLETICS  
Carol Bristol, Maude Carland, Mary Vassar.

FOR MANAGER OF GIRLS' GLEE CLUB  
Louisa Martin, Marie Johnson, Luella Kirkendoff.

## Candidates Nominated For General Election

Special Assembly for Naming Nominees Featured by Lack of Excitement—Bare Placing of Names in Nomination General procedure at Wednesday's Meeting.

### President's Meeting Moved Up To June 1

The conference of student body presidents of the Pacific coast, which was to meet jointly at Pullman and Moscow on May 19, will probably meet instead on June 1, to allow members to witness the Pacific coast conference track meet, to be held at Washington State College on June 2.

Telegrams have been sent to the California universities, to determine if the change can be made by their student body presidents. California universities are with one exception out by the middle of May, and it may be impossible for the presidents to make the trip in June because of this. If all can attend, however, the change of dates will be made.

#### LIFE'S LITTLE JOKES.

Although a student at the University of Kansas was made a candidate for mayor of Kansas City as a college joke, he is the most popular candidate in the field.

### GOVERNOR NAMES TAYLOR ON BOARD OF EDUCATION

Huntington Taylor of Coeur d'Alene, northern Idaho lumberman, has been reappointed a member of the state board of education by Governor Charles C. Moore. The appointment is for the term of five years and dates back to April 7, the date when Mr. Taylor's first term as board member expired.

Mr. Taylor's appointment has met with the marked approval of university people in that Mr. Taylor is a staunch friend of the best interests of education in Idaho and a University of Idaho booster.

### FRATERNITY REMODELS ATTRACTIVE PROPERTY

KAPPA DELTA INSTALLED IN HOME OPPOSITE CAMPUS.

Well Built House Has Accommodations for 20 Men—Further Improvements This Summer.

The Kappa Delta fraternity is now completely installed in its new home at 521 University avenue. The house is located directly across from the campus steps, giving an easy access to all buildings of the university.

While not of the most modern construction the house is well built and is quite roomy, having accommodations for twenty men. At the present time there are sixteen members and pledges living in the house.

On the first floor there is a medium sized living-room, a long dining hall, two commodious study rooms, a bathroom, and a large kitchen with built-in cupboards. Study rooms occupy the greater part of the second floor, in addition to a second large bathroom. All sleeping quarters are on the third floor. Four more windows have been added on the east and west sides of the house which insures a well ventilated sleeping room. The electric wiring has been changed, giving more lights with better equipment.

During the coming summer it is planned to completely remodel the house, making it modern in every respect including furnace heat. This will enable the Kappa Delta fraternity to further the general purposes for which it was organized.

### THREE OFFICERS ELECTED

No Opposition for Brown, Rowlands and Turner—Petitions Not Expected

Talbot Jennings of Boise, Abe Goff of Walla Walla, Wash., and Charles Preuss of Tacoma, were nominated for the 1923-1924 presidency of the Associated Students' organization of the University of Idaho at the special A.S.U.I. nominating assembly in the university auditorium Wednesday afternoon. The assembly was featured by the lack of excitement that usually characterizes an A.S.U.I. nominating assembly and the meeting was perhaps the most quiet of its kind in recent years.

Three officers were virtually elected at the assembly in that lone candidates were named for the offices of associate editor of The Argonaut, Miss Idaho and Yell King. These nominees were elected by the lack of competition.

Wallace Brown of Lewiston, associate editor of The University Argonaut.

Miss Jean Rowlands of Sandpoint, Miss Idaho for the Commencement Historical Pageant. Ted Turner of Caldwell, Yell King.

#### Three Positions Filled.

Nominees may be named for these three positions by petitions but is believed that no petitions will be circulated to put the names of other candidates on the ballot in that the students by leaving the field open to the three candidates named are believed to have expressed themselves as favoring the candidacy of Brown as associate editor of The Argonaut; Miss Rowlands as Miss Idaho, and Turner as Yell King.

Competition for the other offices of the student body will be keen as indicated by the number of nominations made. There will be close contests for all of the offices with the exception of the associate editorship of The Argonaut, the position of Miss Idaho, and the position of Yell King.

#### Presidential Race.

The most interesting race will be for the presidency of the A.S.U.I. One of the men will be eliminated by

(Continued on page three.)

### Three Outside Schools In Y.W.C.A. Conference

Whitman college, Washington State college, and the Cheney State Normal school will be represented in the Y.W.C.A. conference to be held here Friday, Saturday, and Sunday. Representatives from Whitman and Cheney will arrive by train on Friday, and will be entertained at the various houses on the campus during their stay.

A large delegation will come from W.S.C. in cars, some of them to remain during the entire conference, and others for certain meetings only. The first meeting of the conference will be informal, and will be held at Ridenbaugh hall at 8:00 o'clock on Friday evening.

Three meetings will be held on Saturday, the first from 9 to 11 o'clock in the morning, the second from 2:30 until 4:30 in the afternoon and the evening meeting from 8:00 until 9:30. About twenty delegates will be guests of the university "Y.W." during the entire conference.

### WOMEN'S ASSOCIATION PROPOSES TO AMEND

ADDITION TO CONSTITUTION PROVIDES ATHLETIC AWARDS.

Total of 600 Points Necessary to Win Sweaters—Three Years Time Required.

"If the proposed Women's Athletic association amendment to the A.S.U.I. constitution is passed it will provide a system of athletic awards for University of Idaho women," was the statement made Thursday afternoon by Miss Margaret Mimms, present manager of the women's athletic department and president of the Women's Athletic association. Miss Mimms introduced an amendment and gave the first reading of the proposed A.S.U.I. provision, which calls for athletic awards for university women on a point system.

"Previous to this time the girls' athletic activities did not constitute a separate department of the A.S.U.I. and consequently no A.S.U.I. funds were made available," said Miss Mimms in explaining the intent of the amendment. "However, under the reconstituted constitution, recently adopted, the women's athletic department is a regular department of the A.S.U.I. and receives a definite quota of A.S.U.I. funds.

600 Points Required. "Under the point system adopted by the W.A.A. and according to the proposed amendment, a girl may receive an athletic award by participating in various athletic activities. These activities are divided into major and minor sports, 100 points being allowed for major sports, and 50 points for minor sports.

"No girl is allowed to participate in more than two major and one minor sports a year. A total of 600 points is required in order to receive an athletic award. Under this provision it is impossible for a girl to win a sweater without two and half to three years participation in athletics."

The complete W.A.A. amendment to the constitution, in reality an addition to the constitution, as introduced by Miss Mimms at the A.S.U.I. meeting Wednesday afternoon, follows:

(Continued from page two)

### UTAH DEBATERS WIN CONTEST FROM IDAHO

DECISION BY TWO TO ONE VOTE OF JUDGES.

Forensic Wrangle on Question of Cabinet, Parliamentary Form of Government.

(By HAROLD C. WYMAN.)

The University of Utah debate team, upholding the negative of the question, "Resolved, that the United States should adopt a cabinet-parliamentary system of government," Thursday night defeated the Idaho debaters before a small crowd in the university auditorium. The decision for Utah was by a two to one vote of the judges.

Presenting their argument in forcible and impressive terms, the Utahans proved themselves masters of the art of delivery while their less experienced opponents were thought by many to have the best of the argument. Features of the contest were the rebuttals of F. A. Smith, for Utah and of Frank Wyman for Idaho.

#### Idaho Advocates System.

Miss Allegra Eckles in establishing the argument for the affirmative, advocated the proposed cabinet-parliamentary form of government for the United States on three arguments, namely: that the present form of government of this country is inefficient because of its lack of cooperation between the executive and legislative departments; that the responsibility of the government is divided so that no one department or person can receive the blame for mistakes, and that the present government does not respond to public opinion.

The negative argument denied the lack of responsiveness to public opinion affirmed by Miss Eckles and counterchecked the affirmative with three claims: that the United States is assured of stability by the 130 years of successful government; that the present bicameral system is the only effective check on misgovernment; and that the present cabinet-parliamentary governments existing in Europe are decadent.

Utah Expresses Appreciation. F. A. Smith, of Utah, in comment

## PRELIMINARY TENNIS MATCHES PLAYED OFF

### MEMBERS OF LAST YEAR'S SQUAD DEFEATED.

"Curt" Herrington, Preuss, and Richards enter third round by virtue of victories.

No dope has been spilled to date in the University of Idaho tennis tournament staged to determine the personnel of the varsity tennis team. The entire first round has been played off, and four men, Richards, Preuss, Buck, and Herrington, have completed their second round. In the matches so far no member of last year's squad has been defeated. However, several stars are scheduled to meet within the next few days.

Possibly one of the hardest matches that will be played during the tourney will be staged when Prescott, manager of tennis, and Gahan, a member of last year's squad, meet in the second round. Both men are exceptionally clever racquet wielders, and both have a great deal of experience.

### Matches Attract Interest.

Of the matches unfinished in the second round, in addition to the Prescott-Gahan match, are the Goldstone-Leithe, Funk-Stanford, O. Johnson-R. Johnson, and Ridgeway-Hunter matches. Once these contests are played off only the select will be left in the running. It is expected that from here on until the finish that keen competition and many thrilling sets will be played.

"Curt" Herrington, last season's letter man, went into the third round, Monday evening, by defeating Guy Wicks, 6-0, 6-4. "Charlie" Preuss, a member of last season's squad, also entered the third round yesterday by defeating Y. Wang, 6-1, 6-3. Clyde Richards, a promising candidate, entered the third round by defeating J. Ben, 6-1, 6-3. Phil Buck finished the second round by winning from Howard, 6-0, 6-4.

### Real Interest Shown.

Real interest is being shown in the matches, and the interest and development that the candidates are showing points favorably towards Idaho's first winning tennis team. The weather has been ideal for the court sport, and the courts are in first class condition.

A few of the men have shown marked development since last year, and many new aspirants are making good showings. These facts are leading toward the rumor that many upsets may take place before the tournament is finished.

supply of university trained teachers will meet the demand.

## ALUMNI

Donald DuSault, Editor.

Idaho Alumni as Technicians.

Joseph Marvin Braham, '14, graduated with a B.S. chemistry degree, and obtained his M.S. degree at the University of Illinois in '15 and his Ph.D. in chemistry in '18. He has been assistant gas chemist with the bureau of mines at Washington, D. C., captain in the research division of the chemical warfare service in the army, associate chemist, bureau of standards at Washington, D.C., and he has held other positions along his line of work with the government. At present he is with the bureau of standards, his work consisting of research on the methods of combining atmospheric nitrogen in such forms that it can be used for explosives, for the chemical industry and for agriculture as fertilizer.

Percy A. Messinger, '18, is at the present time located at Burmester, Utah, as chemist for the Salt Lake Chemical company. After graduation he was assistant in the chemistry department of the University of Idaho for a year. He then worked for the Diamond Match company, Oswego, N. Y., until he was transferred to the Utah company, which is a subsidiary organization of the eastern concern.

Clarence Harold Sanberg, '18, was a second lieutenant in the engineers during the war. He was employed as chemist with the National Lead company for a short time and is now a chemist in the asphalt laboratory of the Standard Oil company of California at Oakland, Calif. The production of highway and good roads material is the business engaged in by Mr. Sanberg.

Archie W. French, a former student, is a retired lieutenant of the United States Marine corps, and is physical director of the Tillamook, Ore., high school. After leaving Idaho he attended the University of Washington and the University of Oregon. He was married in Payette, in 1912 and has one daughter. During the war he was a captain in the Marine corps and was wounded at Thaicoyrt in the St. Mehiel drive, having been in two major engagements before that time. He was a member of the American Peace Commission and was with the American Relief administration for which he traveled through Germany, France, Belgium, Switzerland, Austria, Poland, Roumania and Russia. He was then ordered back to the Peace Commission where he stayed until August, 1919. He was retired for wounds in action on October 31, 1920.

### CREAMERY MAN INSPECTS COLLEGE OF AGRICULTURE

G. S. Helphrey of the Pend d'Oreille Creamery at Sandpoint, was a university visitor recently, spending a few hours on the campus visiting several of the departments.

H. M. Skidmore, federal agent for the agricultural education work in the western states, J. A. Guiteau, supervisor for Washington, and William Kerr, state supervisor for Idaho, visited the university recently and looked over the department of agricultural education and examined its work for the past term.

## IDAHO AUTOS CARRY UNIVERSITY COLORS

### ROBERT O. JONES TELLS OF LAST OFFICIAL ACT.

Fifty-five Thousand License Plates in Silver and Gold Authorized by Former Secretary.

The last official act of Robert O. Jones, '09, secretary of state for two terms, has caused 55,000 Idahoans to carry the colors of the University of Idaho, according to the story told to an Argonaut reporter by Mr. Jones, during his visit here early this week.

Mr. Jones, in ordering automobile and motor truck licenses for the year 1923, ordered the plates made in silver and gold, the university colors. An objection was made that the numbers would not be easily read, to which Mr. Jones replied: "Hire Idaho students as officials, and they will see the colors day and night, at any distance."

### Now at Seattle.

Mr. Jones is now located at Seattle, as executive secretary of the Public Health League of Washington. He is at present making a tour of Washington, speaking before the county medical societies, in the interest of the Public Health League work.

"Alumni of the University of Idaho are gratified by the improvements that will be made to the university through the appropriations made by the last session of the legislature," Mr. Jones stated.

### Few Colleges Get Money.

"The university was one of the few western state universities that received building appropriations this year from legislatures," continued Mr. Jones, who has been a powerful factor in the development of the university.

"There are about fifty former Idahoans located in Seattle, and all are getting along nicely. The athletic development of the university has aroused much interest on the coast, and Idaho has received much favorable mention because of her fine college spirit."

## SOCIETY

Amy Barstad, Editor.

Because of the rain it was necessary to postpone the Y.W.C.A. weenie roast, scheduled for Tuesday April 17th, until some future date. A notice will be posted on the bulletin board, as soon as this date has been decided upon.

Miss Margaret Springer and Miss M. Ball were dinner guests of Kappa Kappa Gamma last Tuesday.

Dinner guests of Delta Gamma on Wednesday were Messrs. C. Pfost, R. Gowen, W. Noggle, J. Priest, R. Fields, and J. Heath.

Dinner guests of Kappa Kappa Gamma Wednesday evening were Messrs. J. Priest, J. Wagner, C. Pfost, S. McDougal, O. Huefner, and W. Noggle.

Mrs. Clara Will, visiting delegate of Gamma Phi Beta, and Miss Jean Rowlands, were dinner guests of Kappa Kappa Gamma last Thursday.

Kappa Kappa Gamma entertained Mrs. Athey and daughter, Miss Olive, at dinner Tuesday evening.

Kappa Sigma entertained at dinner Wednesday evening Dean and Mrs. F. A. Thomson, Prof. and Mrs. Duncan, Prof. and Mrs. Johnson.

Sunday dinner guests of Kappa Sigma were Grace Jacobson, Polly Thomas, Madeline Wall, Cletys Gossett, Grace Swanson, Mary Dunn, Gene Frazier, and Anna Marie Leithe.

The sophomores of Delta Gamma entertained the chapter with a formal dinner Tuesday night in honor of the seniors of the house. The color scheme was in black and white, with streamers covering the ceiling and walls and balloons of black and white hung from the ceiling. Small tables for four were very effective with their candles, place cards, nut baskets and favors in black and white. A five course dinner was served and vaudeville skits were presented between courses.

### THEY GROW BIG IN CANADA.

### Utah Debaters Win Contest From Idaho

(Continued from Page One.)

ing on the debate congratulated the Idaho debaters on the good material presented and expressed in behalf of the Utah representatives their ac-

knowledge of the hospitality shown them while here.

The debaters for Utah were W. E. Berrett and F. A. Smith; for Idaho, Miss Allegra Eckles, of Portland, and Frank Wyman of Boise. Judges of the contest were Mr. Vandelwalker, of Lewiston, Homer Estes and F. A. Morgareidge of Moscow. Professor H. C. Dale, head of the economics department, presided.

### Women's Association Propose Amendments (Continued from Page One.) Article II.

Section 13 (a)—The W.A.A. sport managers, elected by W.A.A. and W.A.A. president shall constitute an executive council. It shall be their duty to forward recommendations for W.A.A. insignia to the graduate manager who shall purchase the official award.

(b) The official W.A.A. insignia shall be a yellow block "1", four inches in height, two and five-tenths (2.5) across the top, inscribed in a circle six (6) inches in diameter; the width of all bars and circles shall be five-tenths (.5) inches. The official sweater shall be a white coat sweater with a roll collar and the above insignia inscribed on the left side.

(c) Every person earning six hundred (600) points shall receive one regulation sweater with the insignia upon it.

(d) One three fourths inch (.75) inch yellow stripe to be worn on the left sleeve will be awarded for each additional two hundred (200) points.

### Earned on Point Basis.

(e) Points may be earned as follows: Major Sports, 100 points.

In order to receive 100 points in hockey and baseball it is necessary to turnout for two-thirds of the practice hours.

To receive 100 points in basketball a girl must play in three halves.

To receive 100 points in tennis it is necessary to play in the finals and semi-finals of a tournament.

In rifle a definite number of practices must be attended and a definite score must be made.

Sixty-five (65) miles must be completed in hiking in order to receive 100 points.

Minor sports, 50 points. To receive 50 points in hiking 50 miles must be completed.

To receive 50 points in basketball two-thirds of the practice hours must be attended.

### Managers Receive Points.

Honors—Managers of various sports shall receive 50 points.

Team captains shall receive 25 points.

W.A.A. officers shall receive 20

**INDOOR BALL LEAGUE**  
**SEASON TO CLOSE UP**

**LINDLEY HALL CHALLENGES**  
**WINNERS OF CUP.**

Plans for Baseball and Tennis to be made at Intra-Mural Council Meeting.

**CHALLENGE ISSUED.**

Lindley Hall, in second place in the intra-mural indoor baseball league, has issued a challenge to the league leaders, Kappa Sigma, to participate in a three game series to determine the championship. Lindley Hall players, defeated by Kappa Sigma in the one regular league game played, are of the belief that they can take the championship away from the leaders on a best two out of three basis. Whether or not Kappa Sigma will accept the challenge is a question and the matter will be taken up with the authorities in charge of intra-mural activities.

An announcement has been made by the intra-mural athletic authorities that all over-lapping indoor baseball games must be cleared up this week, or the games will be dropped from the calendar. This action was deemed necessary owing to the plans that are under way to get baseball and tennis started in the near future.

Plans for baseball and tennis will be made at a meeting of the intra-mural athletic council to be held the latter part of this week. At this meeting the baseball schedules will be drawn up, and the plans for tennis will be made. There is quite a bit of talk as to what system will be introduced in the deciding of the tennis championship, and it is the aim of this meeting to establish a system that will put an end to any controversies that might arise.

**Handsome Cup Offered.**  
An elaborate 14-inch loving cup for the baseball championship, donated by the Hoxsey and Lambert Sporting Goods company, of Spokane, has been received by the athletic department. The cup is decorated with a miniature silver winged baseball as a knob to the lid of the cup.

The fight for the possession of this cup will likely be exceptionally keen. Along with the attractiveness of the trophy there is a close race for the lead in all-around intra-mural honors, and as only a few events are left, baseball is considered one of the deciding events.

**CALIFORNIA AND STANFORD**  
**MEN OPPOSE CO-EDUCATION**

A press fight is being conducted by the University of California and Stanford to oust women from the universities. It is charged that they attract the attention of the men from their studies with social life and that they come to college merely to seek eligible young men. The women refute this argument by frankly stating that the men are just jealous because they are being beaten scholastically, and that, if women are in college looking for eligible young men, most of them are leaving disappointed.

**WOMEN'S BASEBALL SERIES**  
**WILL START MAY 9**

The first game of the co-ed interschool baseball series will be played May 9th. Class managers have been elected and practice is well under way. Mrs. Greek Wells is captain of the junior-senior team, Margaret Carter of the sophomore team, and Eva Zellne Bennett of the freshman team.

**JUNIOR DANCE PLANS**  
**APPROXIMATE MAKE UP**

**GOVERNOR AND MRS. MOORE UNABLE TO ATTEND.**

Novel Programs and Decorations Will Give Unusual Atmosphere To Annual Prom.

All arrangements are complete for the junior prom, to be held in the gymnasium Friday night. Elaborate decorations and splendid music lend much to the promise of a very enjoyable affair.

Dainty butterfly shaped programs add a touch to the assurance that every phase of the dance will be "just right." Inside of a blue cover are six golden colored pages of dances. Such titles as: Fate, Am I to Blame, and After Every Party, may be found throughout the program. Between each dance is a little verse, taken from "The Butterfly." The ninth dance, entitled "Nothin' But," is reserved for the junior special. The program includes 15 popular selections, all of which will be given special attention by the Mann Brothers orchestra.

**Governor Cannot Attend.**  
Word has been received that Governor and Mrs. C. C. Moore will be unable to attend the prom. The receiving line will form at 7:45 p.m. Among those in the line will be President and Mrs. A. H. Upham, Mr. and Mrs. Jerome J. Day, Dean French, Lynn Rogers and Gladys Kahn, and members of the board of regents.

The committee in charge are endeavoring to make the prom the most elaborate and most enjoyable affair of the year.

**NEVADA INCREASES TUITION**  
**FOR NON-RESIDENT STUDENTS**

Beginning with the 1923-24 school year this fall, the University of Nevada tuition charge for students not living in Nevada will be \$50 per semester, a total of \$100 for the school year. The new fee, an increase of \$20 a semester over that now in force, was authorized by the board of regents at its meeting last Saturday.

**Vandal Players Begin**  
**Coast Invasion Tour**

(Continued from page 1)  
ball, and in all likelihood no substitutions will be necessary.

**Washington Toughest Team.**  
From all reports the Vandals will play the hardest games of the coast trip when they meet the University of Washington Huskies. The Husky

**"Little Mary KELLY"**

Has come to town

SEE HER at

**THE FASHION SHOP**

players were winners of the Pacific Coast conference championship last year, and it is reported that eleven men of last year's squad are reporting this year. In a practice game with the Tacoma club last Saturday the Huskies won a 6 to 5 victory, clinching their game with batting rallies. Washington's team has a reputation for hitting the ball, and playing an airtight game in the infield.

Setzer and Harper, two veteran hurlers, pitched for Washington last Saturday, and will in all likelihood appear in the box against Idaho in the coming games. Setzer is not showing his usual form this season, however, being knocked out of the box by the Tacoma club in the second inning. Harper pitched a good game and will be the hardest man for the Vandals to hit.

**Oregon Nine Unpicked.**  
Oregon, next in line on the coast trip, is not so much to be feared as the Seattle team. Bohler has been forced to make numerous changes in his infield this season, and as yet has announced no regular lineup. Latham, who played third last year, is being tried at first this year. None of the other infield positions have as yet been decided.

The Oregon pitching staff is not to be scoffed at, however. Four veteran pitchers, Baldwin, Ringle, Skinner, and Wright, are available, while they have two valuable assets in Collins, a last year's squad man, and Shields, whom it has been rumored has shown ability among the bush leagues during the past two summers. So plentiful is pitching material that it is thought Collins and Wright may be used to some extent in other positions.

**O.A.C. Nine Strong.**  
According to the O.A.C. Daily Barometer, the Oregon Aggies have a mighty smooth working machine this season, and may give the Vandals some trouble. The Aggie nine played a practice game with their freshmen last week, exhibiting rather disturbing early form.

Baker and Garber, varsity backstops, are both considered most capable men. Duffy, veteran backstop, has been out of the game with an injured ankle, but he will probably be started against Idaho if it is possible.

Newbill, Street, Blackstone, Woodward and Tidings form a strong combination of mound artists. They have all been tried in practice games, and from all reports have worked well. The Aggie infield has been working together all season, and may be expected to play a good brand of ball. Outfielders of no mean ability are also available in numbers at O.A.C.

**Idaho Must Hit.**  
Of the three teams the Vandals will meet this trip Oregon perhaps shows the weakest front. The games with Washington and O.A.C. promise to be close. According to all the dope the Idaho infield will compare very favorably with that of any one of the three. The pitching staff will be able to give as good an account of itself as any.

Provided the Idaho nine can hit the ball, and hit it hard, they will have nothing to fear from any team in the conference. The game at Seattle, played with the strongest batting team in the conference, should show the efficiency of the Idaho machine in this line. These two first games will give a very good idea of the Silver and Gold's chances in conference competition this season.

**ANNOUNCEMENTS**

All candidates for A.S.U.I. offices are to make statements on their respective candidacies. These statements will be published in The Argonaut's Tuesday edition. All statements must be in The Argonaut box in The Administration building not later than 12 o'clock noon, Monday, April 23. Statements from the candidates for the A.S.U.I. presidency are to be 300 words in length and the statements of all other candidates will be 100 words. These statements must be on time or they cannot be published.

Statements containing other material than that the candidate "will do his or her best if elected" will be appreciated.

Candidates are also advised that Argonaut advertising pays and the business manager will be glad to accept display advertising setting forth the qualifications of the candidates at the reasonable Argonaut rates.

**Candidates Nominated**  
**For General Election**

(Continued from Page One.)

The primary election on Thursday, April 26, and the presidency will be determined at the final election on Thursday, May 3. The two men receiving the greatest number of votes will enter the final election.

Rex Kimmel presented the name of Talbot Jennings with the brief statement that Jennings is the best qualified man to handle the presidency during the coming year. Robert Cummins nominated Abe Goff with the brief statement that he placed the name of Abe Goff in nomination. E. A. Taylor nominated Charles Preuss with a statement of Mr. Preuss' scholastic work and a reference to his work as editor of the Gem of the Mountains.

**Two For Vice President.**

President Hersey then called for nominations for the vice presidency. Lewis Williams nominated Merle Drake of Challis; "Doc" Hoover nominated Lawrence Wallace of Caldwell; and Glenn R. Wilkinson of Twin Falls was nominated by William Briscoe. But two nominees were named for treasurer of the A.S.U.I. Marie Hummel, treasurer of the A. S. U. I. for two years in nominating Walter Casebolt of Genesee said that in view of the growth of the student body a man should be elected treasurer. Robert Holbrook nominated George Gahan of Boise with a statement of Mr. Gahan's experience along business lines.

Mr. Drake has withdrawn from the race for vice president and will be a candidate for business manager of the Gem of the Mountains.

Clara Jones nominated Pauline Pence of Payette for A.S.U.I. secretary. Lillian Hardman of Kansas City was named for the same position.

tion and Ruby Gates put three candidates in the field by nominating Agnes Cox of Kendrick.

**Women Name Candidates.**

Two nominees were named for secretary of the board of supervisors, Mary Huston of Mullan by James Chapman and Vaughn Prater of Boise by Louise Yeaman. The lone nomination for Miss Idaho for Jean Rowlands of Sandpoint, a senior, was made by Kenneth Hunter. Dorothy Parsons of Moscow and Charlotte Broadwater of Havre, Mont., were named for Maid of Honor and Mildred Specht of Priest River and Catherine Hahn of Lewiston were nominated for page.

Wallace Brown of Lewiston, recommended by The Argonaut board, was nominated by Joel Priest, Jr., for the associate editorship of The Argonaut. Ted Turner of Caldwell, former yell king, was nominated for the yell king's position by Howard Breshears.

Peter Drus of Coeur d'Alene was nominated for the editorship of The Gem of the Mountains by William Gartin and Floyd Marchesi of Kellogg was named for the editorship by Arthur Guerin. Nine candidates were named for the athletic board. Leslie Eddy, one of the letter men nominated for the board of seven, will graduate this spring and his withdrawal has been accepted.

**Managerial Nominations.**

Nominations for managerial positions were made Thursday afternoon by the executive board with the exception of the nominees for Pep band manager, who were named by the band members Wednesday afternoon.

The primary election on Thursday, April 26, is for the purpose of limiting the field of candidates to two nominees for each office. As a result the primary election ballot will

not contain the names of those candidates with no or only one opponent. Where there is only one or two candidates for an office the students will vote on these nominees at the final election Thursday, May 3, and not at the primary election.

With the exception of the managerial positions, nominations may be made by petition. The petitions must be signed by at least 25 regularly enrolled undergraduates and must be presented to President Lynn Hersey at least 24 hours before the date of the primary election or before 9 o'clock Wednesday, April 25.

## GOLFERS MAY JOIN NEW MOSCOW CLUB

TOWNSPEOPLE AND FACULTY MEMBERS ORGANIZE.

Plan to Rent Enough Land to Make Good Nine Hole Course.

Golf enthusiasts among university students will be given an opportunity Monday night to join the newly organized Moscow golf club, which was formed at a meeting Wednesday night in the chamber of commerce rooms. The meeting Monday night will be held in the same place, and all university students who are interested are urged to attend.

Forty townspeople and members of the university faculty were in attendance at the meeting Wednesday night. At this time Evan Lewis was elected president of the club, and Oel Smith secretary-treasurer. A proposed plan to establish a small course at the fairgrounds was deemed unadvisable, and a committee was appointed to look for a location for a nine hole course.

### Golf Club Here Once.

A golf club was in existence in Moscow at one time, with a course on the G. P. Mix ranch, but the organization was disbanded upon the opening of the war. Since that time a few followers of the sport have played on an improvised course of three holes at the fair grounds, but it proved very unsatisfactory. A few students have played there this year.

### Students May Join.

It was decided at the meeting that any university students who care to join the club may do so on the same terms as the townspeople. Because of the fact that the course must be rented, the dues will be rather large. Anyone interested in joining the club may get information from either Dean F. A. Thomson, or Dr. G. M. Miller.

## MRS. ALBERTS PLEASURES

Noted Actress and Reader from Spokane Appears at Assembly and English Club.

Sarah Truax Alberts of Spokane, noted actress and reader, is responsible for a great deal of pleasure given University of Idaho students at the regular assembly period Wednesday morning and at the English club meeting Tuesday night. Mrs. Alberts was enthusiastically received both at the assembly and the English meeting.

The English club is responsible for the appearance of Mrs. Alberts through cooperating with the public events committee in bringing the noted reader to the university.

Mrs. Alberts read a group of war poems, Lord Dunsany's one-act play, "A Night in an Inn," another group of poems and Vachel Lindsay's "Daniel Jazz." At the "Big Time" English club meeting in Gull hall Tuesday night Mrs. Alberts read A. A. Milnes' "Mr. Pym Passes By." Dancing was enjoyed after the reading and punch was served during the dance.

## WET COURTS STOP PLAY

All Tennis Matches in Tournament Cancelled on Account of Bad Weather.

Poor tennis weather and wet courts have hindered the playing off of scheduled matches in the university tennis tournament to decide the personnel of the varsity tennis squad. The weather conditions made it necessary to cancel all games with the result that several matches are still to be played in the second round. According to announcement made by Manager of Tennis Dan Prescott, the women's tournament and the hurrying through of the men's tourney will take place as soon as the weather conditions are permissible.

The matches overlapping in the

## STERNE'S STUDIO

For photos and picture framing we have up to date mountings and mouldings. Come in and make an appointment with us.

second round are between Goldstone and Leithe, Otto Johnson and H. A. Johnson, and Dunn and Abbott. Many of the matches in the third round of play will be held up until these are played.

The men who have survived the second round are "Curt" Herrington, Richards, Prescott, Preuss, Buck, Funk, and "Ken" Hunter. Among these survivors are the majority of Idaho's best tennis material, and from here on the competition is expected to be exceedingly keen.

## MICHIGAN STUDENTS REVERT TO GRADE SCHOOL CLOTHING

Knickerbockers are more popular for men at Michigan this year than ever before. In the opinion of Michigan students knickers are more comfortable, require less pressing, and are more collegiate than the long trousers. The loose-fitting type they call "plus-four" are worn most.

## PAGEANT IS INSURED

General Committee Takes Precaution Against Difficulties With Jupiter Pluvius.

If J. Upter Pluvius insists upon raining on the day set for the Idaho pageant, it may be the most expensive shower that has occurred in the northwest for some time. A committee is already at work getting information and incidently rain insurance from either Lloyd's of London or one of his contemporaries.

We are not exactly sure of the exact amount of the policy but we can trust Rex Kimmel and his cohorts to write it sufficiently large so that rain will be an impossibility, at least financially. Although the directors of previous pageants have opportuned the gods to smile on their productions, this is the first time that pageantry has taken the bull by the horns and dared it to rain.

However, since the expense of marshalling the host of participants and of making the preparations for Idaho's spectacular pageant will be too considerable to risk failure, and since the only doubtful element is the weather, the general committee has decided to take no chances. So let 'er rain! Only, happily, this time any expense connected with changing the day of the performance will be met by somebody else besides the university.

## S.A.E. AND SIGMA NU TIE FOR FIRST PLACE

EACH HAVE 17 1-2 POINTS IN INTRA-MURAL RACE.

Betas are Close Second With 19 Points, and Kappa Sigs third With 20 1-2 Points.

Sigma Alpha Epsilon and Sigma Nu fraternities are tied for first place in the race for the all-around intra-mural championship with a total of 17-1-2 points apiece. Following close behind is the Beta Theta Pi with a total of 19 points and the Kappa Sigs with 20 1-2 points. The close race between the first groups with only three more events to be run off, predicts that the remainder will witness some heated contests in tennis, baseball and out-door track.

At a meeting of the intra-mural athletic board held Thursday afternoon in the athletic offices, plans were drawn up for the playing off of the remaining sports. It was decided that tennis would consist of a two-man team from each house, every group to play each other two matches of singles and a set of doubles. The league standings are to be based on the percentage of the matches won and lost.

Baseball will be divided into two leagues, the winner of the one league to play the other winner in a championship series. Following is the division of the teams: League No. 1: Lindley hall, Phi Gamma Delta, Sigma Alpha Epsilon, Beta Theta Pi, Phi Alpha Psi, Sigma Nu, Phi Delta and Kappa Sigma. League No. 2: Theta, and Elwetats.

The baseball season is expected to be especially interesting. The outcome of this sport will be one of the deciding events as to the all-around championship. A 14-inch loving cup donated by the Hoxsey & Lambert Sporting Goods company of Spokane to be awarded to the championship baseball nine adds further to the expected competition.

The date for the outdoor track meet was not officially settled, however, it is expected to be held either May 19 or 26. It was decided that all varsity letter men will be eligible to compete in the meet.

### Intra-Mural Standings.

| Team                | Points |
|---------------------|--------|
| Sigma Alpha Epsilon | 17 1-2 |
| Sigma Nu            | 17 1-2 |
| Beta Theta Pi       | 19 1-2 |
| Kappa Sigma         | 20 1-2 |
| Phi Alpha Psi       | 23     |
| Phi Gamma Delta     | 24     |
| Lindley hall        | 25     |
| Phi Delta Theta     | 25     |
| Elweta              | 27     |

## W. S. C STUDENTS PLAN MEETING HERE SUNDAY

quartet from the visiting organization will furnish the special music.

The social committee of the Moscow society under the leadership of Miss Wilma Keel has planned a social hour for 5:30 p.m. in honor of the guests. Refreshments will be served. All young people affiliating with the Presbyterian church have been invited to have a part in this social time and to remain for this novel meeting. The visitors are all members of the Christian Endeavor society of the Presbyterian church.

## AG. DEPARTMENT SENDS OUT LARGE AMOUNT OF CULTURE

The college of agriculture of the university has been sending out large quantities of culture for legumes from the department of bacteriology. This material is sent to nearly every section of the state and is also being sent to the neighboring states as well.

## RECORD BOOK BOUGHT

Athletic Board Gets Book in Which to Keep the Records of All Letter Men.

The athletic board has authorized the purchase of a new "record" book, in which will be kept the complete record of all letter men, as well as any new record that any letter man may make.

In the past there has been no record whatever kept of the letter men, so that the only means of determining who have been awarded letters and sweaters is by referring to pictures in the trophy case or old annuals. This has been a very indefinite and unsatisfactory method and has resulted in the complete loss of all records for the year 1910, so the letter men for that year are unknown.

William Gartin will have charge of the record book and he is endeavoring to get a complete list of all letter men in the past as far as they can be accurately ascertained. Men will be appointed from each house on the campus to assist him in his work. Anyone who happens to know of any letter man who has not been listed, is requested to turn in the name to the athletic board.

"TAILORED to Measure by Born" means well bred clothes for college bred men.
