## VANDALS DOWN COYOTES, 16 to 14

### IDAHO VANDALS TAKE HARD FIGHT GAME FROM SPEEDY COYOTE SQUAD

Visitors Upset Dope by Scoring Twice After Playing Defensive Football Throughout First Half; Uncork Thrilling Aerial Attack that Repeatedly Threatened University Gridders' Goal Line

The University of Idaho won its first game of the season, 16 to 14, against the College of Idaho here this afternoon. Although the Idaho Vandals led throughout the game, they encountered a stubborn resistance which several times threatened to tie the score.

A 30-yard drop kick by Reget, midget quarter, put Idaho in the lead, 3-0, at the end of the half. Both teams battled on even terms during the second period, each scoring two touchdowns.

Three times Idaho was within scoring distance of the Coyote goal line during the first period but lost the ball twice on fumbles and once on an uncompleted pass.

The Vandals took the ball at the kickoff and on line plays forged straight down the field to the Caldwell 8-yard line, where they lost the ball on a fumble. The Coyotes punted out to their 38-yard line and the Vandals, with Reget and Duff carrying the ball, started another rush on their goal which carried them to the Caldwell 5-yard line. Here the College of Idaho line held for three downs, and Idaho failed to complete a pass on the fourth.

Both teams fought in midfield until the middle of the second quarter when Stephens, Idaho center, fell on a Coyote punt on their 38-yard mark. The southern defense held and Reget booted a pretty 30-yard drop kick, for first score of the game.

Both teams started passing after the half with varying success, until "Sody" Owings, Idaho fullback, snagged a Coyote toss at midfield. Reget then whipped a 20-yard pass to Cameron, who ran another 20 yards through a scattered field for the first touchdown. Walmsley failed to kick goal. Idaho 9—College of Idaho 0.

Near the end of the period "Josh" Lowell, flashy Coyote back, broke through on a criss-cross play and carried the ball from mid-field to the Vandals' 25-yard line. A pass put the ball on the Idaho 15-yard mark. Another pass from J. Lowell fell in the arms of his brother, Doug Lowell, across the Vandal goal line for a touchdown. Goal was kicked and the score stood: U. of Idaho, 9—College of Idaho, 7.

The Vandals opened the final period with a running attack which carried the ball from the Idaho 25-yard line to a touchdown. Harry Reget bore the brunt of the work and twisted and squirmed repeatedly for 12-yard gains. He dashed 15 yards from punt formation around end for the Vandals' final touchdown. U. of Idaho, 16—College of Idaho, 7.

The Coyotes then uncorked a desperate aerial attack which all but won them the game. A 15-yard heave to J. Lowell put the ball on the Idaho 8-yard line. Two line bucks put the ball on the Vandal 1-yard line and Robinson went over on a quarterback sneak. Goal was kicked and the game ended a few moments later with the ball in Idaho's possession on their 15-yard line.

Characteristic early-season fumbling marred and added unexpected breaks to the game. Both teams suffered heavily from penalties. A crowd of nearly 3000 people half-filled the stands to witness the battle. The summary of the game:

Th eLineups

Idaho—16	C. of I—14
Reget..... Q	Brown
Walmsley..... H.B.	Woods
Duff..... H.B.	J. Lowell
O'Donnell..... F.B.	Richardson
York..... C	C. Richardson
Terry..... G	Stovell
Diehl..... G	Whittier
Bucklin..... T	Swim
Stephens..... T	Logue
Nelson..... E	Hostettler
Beall..... E	D. Lowell

### UNIVERSITY GRADS GIVEN POSITIONS IN IDAHO SCHOOLS

Fifty Members of Senior Class of Last Year Holding Responsible Jobs, Says Dean Messenger

Idaho trained teachers for Idaho schools," is the slogan underlying the creation of a new department in the university. "The Placement Service Bureau," under the direction of Miss Bernice McCoy, former state superintendent of public instruction, and member of the Idaho faculty, is now functioning.

### DEBATERS PREPARE FOR FULL SEASON

Tryouts to Be Held Next Friday; Heavy Schedule Arranged for Varsity

Tryouts for places on the men's and women's debate teams will be held Friday, October 9, at 7:30 in room 204 Ad building, according to Prof. Michael, debate coach. Ten men and six women will be chosen, each aspirant giving a five minute talk on either side of the question: Resolved, that rigid exclusion of the Japanese is desirable.

With only six veterans back on the men's team and two on the women's and with eight intercollegiate debates scheduled there is ample opportunity for new material, according to coach Michael. Frank Wyman, debate manager and three-year varsity debater, Warren Montgomery, three year man, and Edmund Becher, three year man, will form the nucleus for this year's team.

### "PI SIGMA" HOUSE COMPLETED SOON

New Sorority Home Will Accommodate Thirty-four Girls; Largest Dancing Space on Campus

The Pi Sigma Rho sorority expects to have their house completely finished by next week. The work yet to be done is painting, decorating and a few minor details.

The color scheme of the interior is to be taupe and mulberry in walls, draperies, and rugs, and will be carried out in the parlor, sun parlor, and dining room. The exterior, which is shingled, is to be stained grey.

The equipage is very modern, with accommodations for thirty-four girls, two in a room. They also have a very fine dancing floor, said to be the largest fraternity or sorority floor on the campus. The rooms on the lower floor are connected with double French doors to make this space possible.

A house-warming party will take place sometime next month, pending permission of the calendar committee which must be obtained before such an event.

### Stevens Elected President Of "I" Club; Perfect Plans

At a meeting of the "I" club held Wednesday night, Ray Stephens was elected president, Neal Nelson, vice-president, and Ted Bucklin secretary-treasurer, with "Boots" Edelblute, sergeant-at-arms.

The club has outlined an extensive program for the coming year, according to Mr. Stephens. The first event of prominence now scheduled is the Athletic Ball to be held the night before the W. S. C. game. Each member of the club, excepting the football men, will sell ten tickets to the dance, in this manner limiting the number of ticket sales.

### ARGONAUTS AT CAMPUS INN

Under a new arrangement town students and faculty members can obtain Argonauts at the Campus Inn and at the Oriole's Nest.

### STUDENT BODY 25 PER CENT LARGER THAN LAST YEAR

More Than 1700 Now Enrolled in University; Increase Greatest in School of Education

Registration figures for the first week at the University show an increase of approximately 25 per cent over similar totals for last year, according to an announcement made today by Miss Oleson, registrar. The figures show that 1744 students were actually enrolled and in residence on the Idaho campus by the end of the first week of school as against 1394 registered at the end of the first week last year.

### Y. M. C. A. TO START STUDENT CAMPAIGN

"Every Student Will be Called Upon for Contribution," Says Dean F. G. Miller

"The annual financial campaign of the Christian association of the University of Idaho will be opened next week," according to an announcement made by Dean F. G. Miller, chairman of the advisory board, today, "and before the week is over every student on the campus will be asked to contribute to the fund."

Those in charge of the campaign feel that they will have no trouble in raising the budget of \$3,000, since the association has been very beneficial to the students of the University. Prominent speakers were brought to the campus last year through the efforts of the association and George L. Oliver, student secretary of the association. Among the speakers were Dr. Marvin, who spoke on European conditions, and Sherwood Eddy, perhaps one of the greatest Christian leaders in the world, who lectured on Student problems.

### Executive Board Appoints

Tom Matthews has been appointed Alumni representative and Dean Crawford, faculty representative on the executive board of the A.S.U.I.

### Co-eds Eligible for "I" Club Is Rumor

The question of whether or not the Idaho co-eds who have earned their I sweaters in athletics are entitled to membership in the I club is a subject of much controversy on the campus and is attracting attention among several worldwide legal authorities. According to rumor, the university campus may become the scene of as great a clash of legal forces as that witnessed in the recent Scopes trial of Tennessee.

It has been pointed out that among the requisites to membership in the constitution of the I club, no reference is made to the sex of the individual desiring membership. This would indicate, according to lawyers, that the co-ed athletes have a legal right to membership. The I Club members feel that their paddles in action will create a powerful impression and are fully equipped with forty strong right arms and forty oak paddles to defend their ranks against the invader. In view of this situation, it is anticipated in legal circles that the co-eds will not consider it advisable to pursue their claim.

### JUNIORS ELECT CLASS OFFICERS

Francis Eldridge Chosen President; Only Sixty-two Out for Meeting

Francis Eldridge was elected unanimously president of the junior class at the meeting for election of officers held Thursday night at the Administration building. The class selected Mildred Warnke as vice president and Marie Johnson as secretary. Both of these girls were elected without contesting the vote. Clarence Larson won a majority over Elmer Hagerman for the office of treasurer. Sixty-two juniors attended the meeting Thursday night, which was presided over by Ruth White, vice president of the class last year. No other business was transacted.

### W. A. A. HOLDS FIRST MEETING

The Womens' Athletic Association held its first meeting of this year Tuesday evening at which time plans for the association's activities were discussed. A sport managers' meeting will be held next week to arrange schedules for basketball and indoor baseball. Hiking is to be started immediately, the minimum hiking distance being three miles. A report of each hike, including time, members of party and destination should be made to Syble Felt, Forney hall, by all girls hiking for credit, according to Ruth Montgomery, president of the W. A. A. Members sold hot dogs and candy at the football game today.

### SCABBARD AND BLADE HOLD MEETING; PLANS PERFECTED

B company, Sixth Regiment, Idaho chapter of Scabbard and Blade, held its first meeting Tuesday evening to discuss the program for the ensuing year. Plans were laid for the enlarging and developing of activities in the military department, especially among the junior officers. Pledging will be held over until the second semester and will be done on a purely military basis. The officers this year are; Frank Click, captain and Ken Anderson, first sergeant.

### FROSH TANGLE OFTEN

With a small amount of tonnage and a large amount of pep, Coach "Polly" Lehbras' midget Frosh team has been taking on the Moscow high school eleven every now and then.

### EARLY MORNING FIRE ALARM AROUSES A. T. O.'S FROM BED

The Moscow Fire Department had a brief workout Thursday morning in the nature of a dash to the Alpha Tau Omega house to investigate the "smell of smoke." After observing the rapid gathering of students at the early hour, 7:30 it was suggested to university officials to install a fire alarm on the campus to cut down the high rate of absences from first period classes. As yet no action has been taken toward this further step to efficiency.

### AG "BAWL" WILL BE RUBE AFFAIR

"Hayseed" Costumes and Program Planned for Annual Farmer Dance

The Ag "BAWL", annual rube dance sponsored by the ag students, will be given Saturday, October 10, at the gymnasium. Rural costumes and customs will hold full sway for the evening, several prizes being offered for the most representative farmer, with real rustic acting as judges. Decorations will give the effect of a country barn and "hayseed" apparel and demeanor will be the order of the day.

### STEVENS ELECTED PRESIDENT OF "I" CLUB; PERFECT PLANS

At a meeting of the "I" club held Wednesday night, Ray Stephens was elected president, Neal Nelson, vice-president, and Ted Bucklin secretary-treasurer, with "Boots" Edelblute, sergeant-at-arms.

### ARGONAUTS AT CAMPUS INN

## To The Vandals

"The tumult and the shouting dies," and the Vandals have won the first game of the season. Nice going, Vandals, the Argonaut extends to you a mighty hand of congratulation with the ardent hope that this victory is but the beginning of a season without a defeat. No matter where you are playing you may rest assured that every Idaho rooster will be behind you and boosting for you to the last down, win or lose.

## A College Career

Will my college career be a success? It is no exaggeration to say that every thoughtful undergraduate will take time, during the course of his four years in school, to ask this serious question of himself. It is natural that queries similar to this should arise, for doubt is one of the heritages of the intelligent mind. The student is led to wonder if the years of his undergraduate life will better prepare him for the game of life, if they will develop within him those hidden but potent forces, if they will lead him to a more and better spiritual and cultural comprehension.

There is but one answer for all these questions; one solace for all these doubts. Life is based upon a system of equalities; life always rewards the individual in direct proportion to the individual's efforts. Give your college career the best that you have and only the best will come back to you. What Lowell said about life may well be applied to four years within the halls of the Alma Mater:

Life is a leaf of paper white  
 Whereon each one of us may write  
 His word or two; and then comes night.

Though thou have time  
 But for a line, be that sublime;  
 Not failure, but low aim is crime.

## RHODES STUDENTS TO BE NOMINATED

### Faculty to Name Four From Whom Two Will be Chosen Under Rhodes Will

Four students, ranking high in the qualities of manhood, scholarship and athletic ability, will be chosen by the faculty of the University of Idaho, on or before October 17, for recommendation to the Rhodes scholarship. From these four students, two will be chosen by a committee on selection, and sent to Oxford University next October.

The scholarship is of a yearly val-

ue of \$1500, and is tenable for three years. Appointments are made in two out of every three years.

A candidate must be a resident of the state from which he is appointed or must have received the major part of his education therein; must be unmarried; must be a citizen of the United States; must have passed his nineteenth birthday but not his twenty-fifth on October first of the year in which he takes up residence; must have completed at least his sophomore year; and according to terms of the Rhodes will, must be distinguished by:

1. "His literary and scholastic attainments," (2) his fondness for and success in manly outdoor sports, such as cricket, football, and the like, (3) his qualities of manhood, truth, cour-

age devotion to duty, sympathy for, and protection of, the weak, kindness, unselfishness and fellowship and (4) his exhibition during school days of moral force of character and of instincts to lead and take an interest in his schoolmates."

There are several candidates for the scholarship this year and it is hoped that there will be more entering the race before election. Information concerning the scholarship may be procured from the deans and the professors of the university.

## FAMOUS ARTISTS TO APPEAR HERE

### Value of Lyceum Course Stressed by Dean Davis in Wednesday Assembly

The importance of an artists course, such as will be offered at the University this year, as a part of every student's education was stressed by Dean Robert McNair Davis at the second assembly of the year Wednesday morning.

Dean Davis spoke briefly on each of the numbers to be given. The San Carlos Grand Opera company is the central number of the course and is the best traveling grand opera company of the world. Josephine Luchesse who so delighted Idaho people a year ago with her performance in Carmen, will be here again. The opera to be staged is Verdi's "Rigoletto." Madame Kurenko is a colature soprano. She is a Russian and making her first tour of America. Mishka Levitzki is a genius of the piano. He is making his ninth tour of the United States and although only twenty-seven years old he has studied the piano for twenty years. The London String Quartet is the greatest string quartet of the world. It includes first and second violin, the cello, and viola. The last number of the course, will be Edith Wynne Matthison and Charles Rann Kennedy in Mr. Kennedy's play "The Christening."

Mr. Davis said further that the purpose of the faculty committee on public events is to bring to the university only artists of real merit.

Dean Permeal J. French in urging attendance at the course said that no student could be recommended for a position who was acquainted with only the studious phases of college life.

Miss Isabel Clark, instructor of piano in the music department, played Walsein Sonata, first movement, by Beethoven.

Part of the hour was spent in singing Idaho songs.

Freshmen in the architecture department had an opportunity to meet other students and instructors, and to find out 'what the row is all about' at a get acquainted meeting in room 301 Ad. Monday afternoon.

The shop with a character—IDAHO BARBER SHOP. Adv.

Lift the telephone receiver and say: "Telegram."

That is all it is necessary to do to send a telegram, cablegram or radiogram, according to the announcement of C. E. Johnston, Commercial Manager of The Interstate Utilities Company at Moscow.

"The Postal Telegraph-Cable Company and our Company have entered an agreement for the interchange of telegrams," said Mr. Johnston. "We are ready to give 24 hour telegraph service every day in the year. The rates for telegrams handled by the telephone company will be exactly the same as rates now in effect here for telegraph service."

"Of course, if people desire to come to the telephone office we will be very glad to accept their written messages, but we believe that telegraph users will find that dictating messages to experienced telephone operators will be a great convenience."

The Postal Telegraph-Cable Company, known also as the Mackay system is the world's greatest system of telegraphs and cables according to Mr. Johnston. The lines of this company touch every continent on the globe and extend through every state in the United States. The Postal Telegraph-Cable Company also has an exclusive agreement with the Canadian Pacific Railway Telegraphs reaching most cities and towns in Canada. Adv.

## FACULTY MEMBERS TO LECTURE FROSH

Crawford to Begin Series on Tuesday; Subject Will Be "Methods of Study"

The first of a series of lectures, which have been scheduled this year for the benefit of the Freshman class will be given next Tuesday morning at 11 o'clock in the auditorium. The purpose of these lectures is to acquaint the new student with college life. The University of Idaho, in common with other western schools, has attempted, by means of the orientation lectures, to orientate its freshman, that is, put him on his feet as far as his life work is concerned and supply him with a source of information concerning his university.

As announced by Dean J. G. Eldridge the attendance of all freshmen is required at the lectures, the lecture period being considered as a class, in which absence counts as a cut. Seats will be assigned in the near future through the various English instructors and each freshman must immediately locate his seat after he has received his assignment. In this way the usual confusion caused by students who do not know the whereabouts of their seats, can be avoided Tuesday.

Professor C. C. Crawford of the School of Education will give the first lecture and has for a topic, "Methods of Study," a subject of vital importance to freshmen. The lectures following will then be held on each alternate Tuesday at the specified time and place.

Following is a list of the lectures to be given with the dates and speakers:

1. "Methods of Study" I .... Professor C. C. Crawford, Oct. 6.
2. "Methods of Study II" .... Professor C. C. Crawford, Oct. 20.
3. "The Use of the Library" ..... Miss Sweet, Nov. 3.
4. "Courtesy and Good Behavior" ..... Dean French, Nov. 16.
5. "College Education and Citizenship" ..... Dean Dale, Nov. 30.
6. "The College Student's Religion" ..... Professor Chenoweth, Dec. 14.
7. "The Choice of a Vocation" ..... Professor Barton, Jan. 12.
8. "Idaho and the University" ..... President Upham, Jan. 26.

## SOCIETY NEWS

Sigma Nu announces the pledging of Don Lindsay of Nampa and B. West, of Pocatello.

Louis Wilkins, Seattle, is a house guest of Sigma Nu.

Dr. Minnie Howard of Pocatello was the guest of Beta Theta Pi Friday night October 1. Dr. Howard is enroute to Lewiston to attend the D. A. R. convention.

Mr. Lew Jessup of Yakima, Wn., was a guest of Beta Theta Pi, Wednesday and Thursday.

Kappa Sigma dinner guests this week were: Mrs. Rowan, Miss Alice Rowan and Miss Josephine Des-Champs of Spokane; Mr. W. D. McReady of Grangeville, and Morris Kline.

## Society Dope Released; Wear a Chrysanthemum

Fashion decrees the chrysanthemum of starched Andalusian cheesecloth the smart accessory for the fall wardrobe. It may be worn on frock, cloak, sweater, hat or bathrobe, and comes in a variety of gay and youthful colors. If one has freckles on the back of the neck, it is very chic to glue a chrysanthemum to the epidermis, and it adds an inimitable Parisian touch when applied over a tear in Milady's hose or afternoon frock. The flower also has several practical household uses. It gives a touch of realism when placed in a vase containing crepe paper roses, and may be used instead of parsley to garnish the cold meat dish. It also makes a charming oil mop when attached to the end of a yardstick.

### LIMIT COAST PLEDGING

Tacoma, Wash., Oct. 1.—Drawing up and voting favorably on a rule that will be of major importance to fraternities and the school at large, the Inter-Fraternity council sanctioned the motion that a semester closed period be put in effect at Puget Sound.

The ruling states that no fraternity pledging can be done the first semester of school in respect to underclassmen. Rushing season is to begin the second Monday of the second semester and actual bids may be issued the fourth week of the new semester.

### CHECK CAROLINA ACTIVITIES

Greenville, S. C. Oct. 1.—With the increase in the number of organizations at Farnum college, it has been noticed that there is a tendency to devote too much time to outside activities. As a result, the faculty has decided to curtail too active participation in clubs, societies, publications and athletics. A plan has accordingly been worked out, allowing so many points for each office held by a student and permitting no student to have more than thirty points.

When in Moscow visit Bratton's store. Here you can see and buy any and all of the leading brands of groceries carried by all leading merchants. We are always glad to see you at Bratton's. ## NEW ART EXHIBIT TO APPEAR SOON

English Club Brings Showing of Nationally Famous Paintings

Another art exhibit, representing the best work of modern painters, will appear on the Idaho campus about October 16, according to recent announcement. The exhibit, although including an entirely different selection of contemporary paintings, comes highly recommended and is fully as good as the one presented last spring.

So interesting and so eminently worthwhile was last spring's exhibit that more than 1200 persons paid admission to see it, many of them for the second or third time. It is considered by many faculty members and students on the campus to be one of the most successful and valuable single events of the school year.

The art exhibit coming this fall consists of many paintings by modern artists selected by the National Academy of Design for exhibition in 1924 and 1925. It was first hung in the Metropolitan Museum of Art, New York, and is now on a tour throughout the United States. This tour is being handled by the American Federation of Artists with head-

110 East 2nd

MRS. B. L. COBLE

Completion of the new science hall provides its use as a building in which to exhibit the paintings. But announcement has been made that the Pi Sigma Rho sorority has offered its new house on the corner of sixth and Elm streets as a hall for the exhibit. The exhibit is to be presented this fall, as it was last spring, under the auspices of the English club, and prices of admission enough to cover the actual cost of exhibiting will be charged.

## Freshmen Lose Green Caps; Amusement for the "T" Men

The students of Lindley hall are seriously contemplating the purchase of a watch dog for Freshman skylpeces. Of late, many first-year men have appeared without their colors, which has caused much amusement for "T" men and also several vacant chairs in the Lindley hall dining room. This condition is serious because of the limited capacity of the infirmary. No special provision is made for Frosh with pneumonia caused by the loss of a warm top piece.

# TELEGRAMS ACCEPTED FROM YOUR TELEPHONE

In order to give telephone users a more complete service The Interstate Utilities Company has entered into an agreement with the Postal Telegraph-Cable Company for the interchange of telegraph service.

FAST TELEGRAMS, DAY LETTERS, NIGHT TELEGRAMS, NIGHT LETTERS, CABLEGRAMS AND RADIOGRAMS TO SHIPS AT SEA, CAN BE SENT FROM YOUR TELEPHONE.

When Central asks your number, say: "Telegram." The telegraph operator will announce herself by saying: "Telegraph Operator." Give her your telegram or ask her any question concerning telegraph service.

Your Message Will Go Promptly and Accurately to Its Destination and the Charges Will Appear on Your Telephone Bill.

**Rates Are No Higher Than For Ordinary Telegraph Service**

**IMPORTANT**  
Advise everyone sending you telegrams to forward their messages via "POSTAL"
