A Tradition

A tradition, which should live during the life of the university, was started on the campus last Saturday at the end of the Idaho-College of Idaho game. This tradition is the singing of "And Here We Have Idaho" by the students, standing uncovered, while the Vandals and their opponents leave the gridiron after the game.

Saturday was not the first time that the Idaho students have done this. At the Idaho-Washington game two weeks ago at Seattle the entire Idaho rooters' section stood up at the end of the game, and with heads uncovered, sang as the Vandals, although beaten, walked from the muddy field. Seattle students and citizens commended Idaho highly on this spirit and it is hoped that we may continue with the new tradition.

We, in the rooters section, have but one way in which we may express our appreciation to the members of the Vandal squad while they are on the field—and that is by yelling. Let us add this additional method, which will probably carry to the team more of the feeling of the university for the team's work during the game, regardless of whether or not the Vandals come out victorious.

As our team comes on the field we are on our feet cheering them. As they leave the field, after winning a hard battle or going down to a harder defeat, let's get on our feet again, singing "And Here We Have Idaho."

The Forewarning

A forewarning has been issued by the health committee of the university against the bringing of contagious diseases on the campus as a result of week-end trips. This statement has not been issued for the purpose of attempting to keep the students on the campus over the week-ends and the coming vacations, but for an entirely different purpose - - - that of keeping away from Moscow and the campus all the diseases that may be brought here by this route.

So far this year but few cases of illness have been handled by the health forces of the university, and it is hoped that this record can be kept throughout the year. It is shown by the health officers that the few cases, which have been reported have come from outside of Moscow, and this is what is to be avoided.

Reports received here are that in many districts in eastern Washington and northern Idaho there are near epidemics of such diseases as scarlet fever, mumps and spinal meningitis. Last year, as we all know, we experienced a seige of spinal meningitis which resulted in the deaths of some students. "Shall we continue to take the risk of repeating our experience of last year?" the faculty committee on health asks.

There is but one answer, and that is No, and therefore it is up to us to see that this does not occur again. Let's co-operate with the administration so that it will be unnecessary for restrictions to be placed upon the entire student body in regards to going on week-end visits. We can be of the greatest aid by taking the utmost care to remain away from such towns in which we are reasonably sure there is a contagious disease.

Another precaution which would hardly be unreasonable, would be for all students who make such week-end trips, to report to the infirmary for examinations as soon as they arrive back on this campus. This would give the health authorities an opportunity to stop any possible disease before it is possible for it to reach other students on the campus.

Examinations

This week it is brought home to us through the six weeks examinations, the main reason why we are here - - - that is for study. These quizzes are new to some of the students on the campus and do not weigh so heavily upon them, but to a great many, the exams are not new and they realize the importance of dragging that A or B.

With the new system inaugurated this year by the university, many students were placed on probation at the opening of school. This means that these students have but one period, or six weeks, in which to get off probation. Study is the one thing that will remedy this situation, and no other.

FROSH ROMP TO 45 TO 0 VICTORY

Brilliant Play Shown By Baby Vandals Against Spokane University

Spurred on by the brilliant open field running of Hult and Munden, flashy Frosh backs, and the smashes of Kershnik, plunging full-back, the Vandal Babes snowed Spokane university under an avalanche of touchdowns Saturday on MacLean field. When the final gun sounded the score was 45 to 0 in favor of the Frosh.

Spokane kicked off at the starting signal. Hult and Munden, with long end runs, and Kershnik, with his heavy line plunging, carried the ball to Spokane's four-yard line. Here the march was halted when Hult fumbled and Spokane recovered. Spokane attempted a pass from behind its own goal line which Nelson, the Frosh quarterback, intercepted, and ran 25 yards around the right side of the line for the first score. The try for goal went wild.

Exchanged Kicks On an exchange of kicks, Munden took a punt and raced 42 yards to the 18 yard line. From this point after five tries Hult crashed over, bringing the score up to 12 to 0 against Spokane. Shortly after, Munden punted and the Spokane safety fumbled. The line recovered and sprinted the remaining 15 yards for the third touchdown. The goal was not converted. Toward the end of the first quarter, Bill Kershnik intercepted a pass and ran 25 yards for the fourth score of the track meet. Niemax, subbing for Munden, kicked goal, making the score 25 to 0.

In the middle of the second quarter the Frosh wrecking crew got to work again. Kershnik tore off 10 yards through the line, Hult made first down on the 5 yard line after a 36 yard sprint around left end. Niemax scored on the second play. The try for point failed and the half ended with the Frosh in possession of the ball and the score 31 to 0 for the Frosh.

Frosh Get Penalty The Frosh threatened all through the third quarter. Once Munden reeled off 25 yards around left end for a touchdown but the ball was called back, an Idaho man being offside. The quarter ended with the Frosh in possession of the ball on Spokane's 12 yard line. At the start of the last quarter Munden went over for a touchdown in two plays. He added the extra point which made the score 38 to 0.

The final score of the game came when Hult tore off 28 yards around left end for a touchdown. The game ended with the Frosh in possession of the ball with the score 45 to 0 for the Frosh.

The officials were: Gale of Whitman, referee; Stephens of Idaho, umpire; J. H. Reardon of O. A. C., head linesman. The lineup at the kickoff was:

Japan's population, excluding Formosa, Korea and other overseas zones, increased 875,385 during 1925. It is larger by 131,811 than the 1924 increase.

Student Opinion

One of our country's leading manufacturers has this motto hanging on the wall of his office: "If you can't suggest a remedy, don't kick." In the last issue of The Argonaut I bewailed the fact that the rubbish along the walks leading across the campus is rendering a beautiful lawn unsightly. To me the remedy that I have in mind is very simple but nevertheless practical. In brief it is this: Containers similar to those seen in parks could be stationed on the campus without detracting away from its beauty. I would suggest that one be placed at the campus steps, one at the intersection of the walks midway between the Administration building and the steps, and perhaps one on either side of the entrance to the Administration building.

The most difficult part of the whole scheme, of course, will be to get the student to think before he disposes of the rubbish; to get him to remember that there is a specific place for such things that he wishes to discard. Lack of thought about such simple things of life seems to be the one trait that the collegian has in common with the rest of the world. He knows that it doesn't add to the beauty of the campus to scatter stuff on it, but he just fails to think.

The plan, while not being the best perhaps, warrants a fair trial. The smokers, the gum-chewers, and the rest might eventually come to time on their own accord. Or would it be too much to hope that some organization, perhaps the "11" men, might add to its numerous duties that of teaching the student body this new method of disposing of cigarette butts, matches, and candy and gum wrappers? I wonder.

C. J. M.

BULLETIN BOARD

POSTPONED DEBATES

Intramural debates have been postponed until next week on account of the six-weeks examinations, according to H. J. Wunderlich, intramural debate manager. The schedule for the debates next week will be published in Thursday's Argonaut.

ASSEMBLY SPEAKER

Adam S. Brennon of Salt Lake City will be the speaker at the assembly tomorrow.

No student is complete without a Remington Portable

THE student who uses a Remington Portable Typewriter will tell you he couldn't get along without it, because it takes the drudgery out of writing up his lectures and preparing his reports and theses. Besides the time it saves, the Portable provides neater work than could possibly be turned out by hand. Profs are human, you know, and they appreciate and reward neat and legible work.

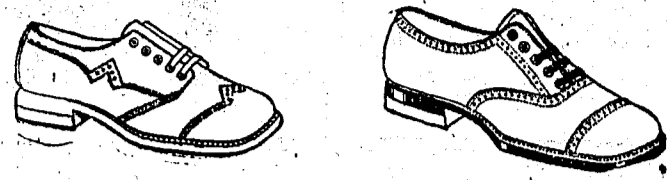

You'll find Remington Portable the handiest, fastest, and simplest to operate of all portables. It is the lightest (8½ pounds, net) and most compact portable (carrying case only 4 inches high) with four-row standard keyboard.

Can be purchased for \$10 down and \$5 monthly.

MAKERS OF POWDERS SINCE 1802

Progression

the union of energy, service, vision

THE chemist's insatiable zeal encouraged by the far-seeing vision of the du Pont Company has made the famous du Pont oval the insignia of more efficient, more economical and safer explosives. Requirements are anticipated and the necessary explosives provided always ahead of the actual demand. Wherever du Pont explosives are used, there you will find du Pont field men observing, counselling, and frequently supervising the blasting work.

The du Pont "oval" signifies efficiency, economy and satisfaction whenever there is need for explosives.

"The Blasters' Handbook" is an authoritative work on the selection and application of explosives to industrial operations. Leading technical institutions throughout the country have placed this Handbook in the hands of their instructors and students. You need this Handbook. Write for it NOW! It's FREE.

SOCIETY

Social affairs of the campus came to a climax last week with the Co-Ed prom, Saturday evening, in the University gym. Three hundred co-eds clad in costumes ranging from clumsy cowboy outfits to those of the couple doll type, danced, giggled, and laughed to the dance music, furnished by the most "fotupate of college orchestras." The couple winning the first prize was dressed as cavemen, and everyone seemed pleased with the decision of the judges.

Kappa Sigma entertained at an informal pledge dance at the chapter house last Friday evening. The house was cleverly decorated with small lights, which blended with the fraternity colors.

The guests were: Colonel and Mrs. Christman, Major and Mrs. Fuller, Lieutenant and Mrs. Hart, Captain and Mrs. Ellis, and Mesdames Bernice Hirschman, Patricia McGrane, Bee McDonald, Blouise Barker, Louise McKinney, Lon Prater, Ann Rutland, Margaret Johnson, Vera Thompson, Jean Allebaugh, Rachel Jenks, Bess Faraday, Mary Fisher, Rose Regan, Alwilda Langdon, Louise Grenbaum, Mary Gelsendorfer, Enid Wilson, Margaret Elder, Beulah Brown, Peggy Vorous, Helen Ames, Louise Dunlap, Charlotte Tollith, Tess Burke, Helen White, Dorothy Tollith, Mrs. Vic Turner, Virginia Finley, Dorothy Nixon, Francis Clemmer, Alene Kelley, Beatrice Meeker, Eleanor Brody, Eleanor Jackson, Edith Larson, Burnette Grimes, K. Scott, Marion McGuire, Tiny Galligan, Connie Hill, Dorothy Holm, Merna Bliss, Sid Varion, Jo Keane, Martha Adams, Dick King of the Sigma Nu also attended.

Members of Beta Chi entertained at a pledge dance for the pledges of the fraternity at the Blue Bucket Inn Friday night. Patrons and patronesses were Dean and Mrs. E. J. Iddings, Dr. and Mrs. C. L. von Ende, and Dr. and Mrs. J. A. Kostalek.

Guests of the dance were: Margaret Haga, Bernice Croft, Mildred Demeray, Pearl Glenn, Patsy Payne, Ethel Larson, Catherine Beam, Erma Sholtz, Betty Grammar, Marie Johnson, Mary Murphy, Helen McConnell, Eleanor Songer, Egberta Irish, Velda Bryant, Sarah Troutsdale, Elizabeth Murphy, Edith Lennox, Helen Frederick, Helen Voak, Christine Kryger, Catherine Steele, Ruth Newhouse, Mildred Axtell, Bernice Friedman, Darleen Williams, Dorothy Shireman, Wilma Bope, Dorothy Carney, Anna Willli, Edna Rach, Helen Wann, Dorothy Horley, and Bernice Paddleford of Spokane.

Omega Alpha entertained at an informal dance in honor of the pledges Friday evening. The guests were: Sydney McClellan, David Sautter, Neal Wendle, Van Iorns, Alfred Peterson, Cecil Brown, Paul Dumville, Edgar Bont, Donald Bennett, Robert Page, Aaron Stedman, Monte Moore, Elmo Thomas, John Blker, James Griffith, Lynn Griffith, Robert Brown, M. Platte, Gene Whitman, Forrest Howard, Charles Terhune, and Lawrence Peck.

Dinner guests at the Phi Delta house Monday evening were Mrs. Layne, house mother at the Omega Alpha house, Claude and Clarence Layne, John Soden, Kenneth Oleson and Gilbert Harrell.

Claude Layne, Clarence Layne, John Soden, Kenneth Oleson, and Gilbert Harrell of Buhl, members of Soden's Idahoans orchestra, are guests of Alpha Tau Omega during their visit in Moscow.

Theodore Reins of the College of Idaho was a dinner guest of Forney hall, Friday.

Sunday dinner guests of Forney hall were Marvia Murray, Hazel Parish, Miss McRae, of Lewiston, and Edna Jackson of Washington D. C.

Dinner guests of Forney hall last Saturday were Oran and Josephine Kiehl of the College of Idaho.

Miss Anne Killman of Kellogg Idaho is spending the week end at Ridenbaugh hall.

Sunday dinner guests of Kappa Sigma were Mr. and Mrs. Arnold and children, Jack and Agnes, Everett Peterson and Dale Searson.

Luncheon guests of Forney hall last Saturday were Barbara Rugg and Eila Waldrop.

Elizabeth Rentfro, Alene Seal, Evelyn Ean, Lucile Jenkins, and Marie Kiehl of the College of Idaho were luncheon guests of Forney hall Saturday.

Mrs. Fred Callaway of Kellogg, Miss Ethel Lafferty of Spokane and Miss Josephine Broadwater were dinner guests of Phi Delta Theta Saturday.

Walter Smith of Twin Falls, was a guest of Phi Delta Theta Friday and Saturday.

House guests Friday night and Saturday were Thomas Farrer and Howard Mathews of the College of Idaho.

Charles Schrieber and Bob Milliner of Caldwell, were guests of Phi Delta Theta Saturday noon at lunch.

Alpha Chi Omega dinner guests Wednesday evening were: James and Gordon Hockaday, Dean and Max Newhouse, Hugo Grunbaum, Ted Dissault, Tod Wood, Paul and Ole Rier-

son, Clarence Larsen, Arthur Kryger, and Alton Nash.

Ethel Jarbot, of Pullman, was the week end guest of Ruth Adolph of Alpha Chi Omega.

Delta Chi dinner guests Wednesday evening were the Misses Vera Harding, Alice Harding, Egberta Irish, Lucile Anderson, Marlys Shirk, Mildred Blodgett, Bess Faraday, and Miss Froman.

John Baird, Charles Gregory, and Galen Pike of Moscow, and William Gilliam of Caldwell were dinner guests of Delta Chi Friday evening.

John Brandt, of Nampa, was at the Delta Chi house Saturday evening for dinner.

George Johnson was a dinner guest of Delta Chi Thursday evening.

Dinner guests at Delta Chi Sunday were Mrs. Angie Layne, Claude Layne, Clarence Layne, John Soden, and Kenneth Olsen.

Omega Alpha dinner guests Friday were: Virginia Peck, Gilbert Harrell, Lawrence Peck, Claude Layne, Clarence Layne, John Soden, and Kenneth Olsen.

Betty Leonard, Lola Graham, and June Martin were the week-end guests of Omega Alpha.

Delta Gamma announces the engagement of Gladys Kahn to Thomas Madden, Beta Theta Pi.

Sunday dinner guests of Delta Gamma were: Reverend Ashworth of Payette, Wayne Carpenter and Josephine Johnson of Lewiston, Enid Wilson, Alice Vang, and Ellnor Schutt.

Sunday dinner guests of Sigma Chi were Mr. and Mrs. Chris Hagan, Mr. and Mrs. Frank Stanton, and Dean and Mrs. Angell.

George Dean, '23, of Seattle, Wash., was a week end guest at the Sigma Chi house.

Neal Nelson, Neal Holm, and Gordon Rice of Spokane were week end guests of Sigma Chi.

Dave Taylor, College of Idaho yelking, was a dinner guest of Sigma Chi Saturday.

Byron Norell and Phillip Anderson, both of Mountain Home, were week-end guests of Sigma Pi Rho.

Dinner guests of Sigma Pi Rho Saturday evening were the Misses Seal, Ean, and Rentfro, all students at the College of Idaho.

Sunday dinner guests at Ridenbaugh hall were Mrs. Stolle, Mr. and Mrs. Reid, and Mr. and Mrs. Hanson of Grangeville, Lucile Maher of Lewiston, Alton Marinelli, Marion Dumville, and Francis Green.

Misses Alice Kelly and Ethel Povey of Ridenbaugh hall, spent the week-end in Spokane.

Pi Sigma Rho announces the pledging of Louise Dunlap, Craigmont.

Suzanne Beasley, Eda Vehrs, Grace Jain, and Lucy Harding spent the week-end in Teakoa.

Genevieve Watson spent the week-end at Spaulding.

Dinner guests of Beta Chi Saturday evening were Ira Anderson, of Boise, James Fowler and Gilbert Stanton of Caldwell.

Sigma Nu dinner guests Friday night were: Dr. Westfall, Ralph Garber, and Jasper Reynolds of Caldwell, Jake Conrod of Boise, and Walton Swimm of the College of Idaho.

Sigma Nu guests Saturday were the Reverend Thomas Ashworth of Payette, Dr. N. M. Levitt of Genesee, and Walter Casebolt of Seattle.

Sigma Nu dinner guests Sunday were: Miss Walmsley, Miss Mitchell, Mr. Fisk, and Mr. Baldrige, all of Parma, Idaho.

Sigma Nu announces the marriage of Milton Sargent and Mary Turner of Boise.

Tau Mem Aleph, town men's organization, entertained the members of Deleth Tetl Gmel, town woman's organization, at a Hallow-en dance at the gymnasium last Friday evening.

Girl Rides 140 Miles on "Nonstop" Trip in Persia

Tabriz, Persia.—The championship among the world's feminine horseback riders ought to go to Miss Marjorie Wilson of Watertown, N. Y., an American girl in the Near East Relief orphanage work here.

In order to save a large group of refugees from political intrigues which threatened to deprive them of their homes, she made the nonstop trip of 140 miles on horseback, halting only to change animals. The journey was from Tabriz to Urmta, and she made the distance in 24 hours less than the weekly train requires between these same two points.

The story of her remarkable ride has just been revealed in an official report filed with the American embassy here.

Forests' Disappearance Changing Animals' Diet

Ithaca, N. Y.—Wholesale destruction of forests has changed the diet of the animals, harmed the fish in lakes and streams and threatened generally the delicate balance between the lives of plants, animals and man, said B. N. Munns of Washington, D. C., before the International Plant congress.

Mr. Munns, representing the United States forest service, said that to attack the problem of the preservation of timber resources from the standpoint of biology, ecology, pathology and kindred subjects the government should establish special resources fellowships.

All growing things, Mr. Munns asserted, suffer by the cutting of forests. The disappearance of nut-bearing trees forces animals to change their diet to seeds and buds. The wiping out of large timber stands raises the temperature of water in the streams and lake, resulting, he added, in harm to fish, which require staple temperature for egg hatching.

Several important games were played in the Twin Falls district last week. Plastico's Bruins of Twin Falls smashed through Burley to a victory of 20 to 0 and remain the favorite to win district honors. Jerome Heked Buhl in a close battle 13 to 12 while Rupert and Oakley fought a tie battle 7 to 7. Wendell defeated Richfield 9 to 6, while the Gooding second team won from Halley 26 to 6.

Coeur d'Alene, with three victories and no defeats, leads the north Idaho conference up to this time. Lewiston and Genesee by impressive victories last week also stayed in the 1,000 percent class. Babe Brown's

CREIGHTON'S

Bengals upset football dope in the north by trouncing the St. Maries Loggers to the tune of 27 to 0 with a powerful line attack. This was unexpected in view of the fact that St. Maries had swamped Kellogg's the week before, 49 to 0. The other upset of the week was Genesee's 21 to 0 win over Moscow. This was the second licking for Abe Goff's Moscow Bears and puts his team out of the title race.

Coeur d'Alene managed a 20 to 6 victory over Kellogg and on the comparative score basis does not rate with Lewiston, but the conditions under which the games were played were widely different, and the Lake City eleven is expected to give Lewiston a great game when the two meet October 29 at Lewiston. This contest is now conceded to be the titluy clash, although Lewiston, to win the title, must dispose of Genesee on November 5. North Idaho conference games the week of October 22-23: Sandpoint at Coeur d'Alene; Genesee at St. Maries; and Moscow at Kellogg.

Nampa looms as a big team in the southwest as the result of an impressive victory over Filer 18 to 2. Boise and Caldwell battled to a scoreless tie at Boise Saturday and Nampa and the Braves will settle one step of the district title battle this week at Nampa, with Nampa now conceded the edge in the running, having much the heavier eleven.

Several important games were played in the Twin Falls district last week. Plastico's Bruins of Twin Falls smashed through Burley to a victory of 20 to 0 and remain the favorite to win district honors. Jerome Heked Buhl in a close battle 13 to 12 while Rupert and Oakley fought a tie battle 7 to 7. Wendell defeated Richfield 9 to 6, while the Gooding second team won from Halley 26 to 6.

Twin falls will journey to Salt Lake this week to meet West High and the Bruins will get a line on their comparative strength with Pocatello, whom they play at home November 5. Filer and Rupert will tangle this week and one will be eliminated from the title race. Buhl and Burley meet at Buhl. Gooding

Shirts well worth raving about. Of high count broadcloth, woven of exceptionally fine yarns. Patterns absolutely Fast Color, and that doesn't mean "Maybel!"

New, snappy, original early Fall patterns, EXCLUSIVE WITH OUR STORES. Every detail is RIGHT—cut full, well tailored, heavy fine quality buttons. Collar attached and neckband styles.

plays Wendell a second time and should win handily.

Pocatello seems to be playing a lone hand in the southeast with evident superiority over all other teams.

Not a bubble of air—not a drop of ink escapes!

Try this yourself in a glass of water. Empty Parker Duofold Pen, screw the cap tightly, then press the nib on. Not a bubble. Then make same test with any other pen.

The Leak-Proof Test

Will Your Pen Pass It?
Parker Duofold Does!
The Black-tipped Lacquer-red Beauty That Was Dropped From an Aeroplane
3000 Feet Without Breaking!

THE test shown above was recently made on 1000 pens of various makes taken from dealers' stocks. Only the Parker Duofolds were found to be really leak-proof. Tell-tale bubbles appeared on from 53% to 87% of the pens of the other makes.

The Parker Duofold Duo-Sleeve Cap has an Inner Sleeve that fits with microscopic precision when the cap is screwed on tight. Hence, not even air can escape—much less ink.

Parker Duofold now has a Non-Breakable Barrel of Parker "Permanite" instead of rubber. This is a new, lustrous, light-weight material which does not fade or shrink. And Parker Duofold has been dropped 3000 feet from an aeroplane, hurled 25 stories to cement below, and run over by 3 Fifth Ave. 11-ton buses filled with passengers, without breaking!

Moreover, Parker Duofold has a Point guaranteed for 25 years, not only for mechanical perfection but for wear!

Stop at the nearest pen counter but look with care for the imprint of the originator, "Geo. S. Parker—DUOFOLD."

HYDRAULIC MINING IS BEING REVIVED

Project to Wash Out \$600,000,000 in Gold Dust.

Sacramento, Calif.—A California plant, shackled for 42 years, is beginning to show signs of recovery. The plant is hydraulic mining, shackled by the Sawyer injunction, and the \$600,000,000 in gold, estimated to be in the gravels of Sierra, Plumas, Nevada, Placer, Eldorado, Mariposa and Calaveras counties, is in a fair way toward being recovered.

This is the statement made by Lloyd L. Root, state mineralogist, who reports that efforts are being made to revive hydraulic mining in California in such a way as to protect farmers in the valleys and lower streams users from the deluge of debris which, under the old plan, swept downstream, filling channels and raising river beds to the detriment of farmers and others.

Monster dams on the Yuba and tributaries, the Bear and the American rivers, to cost approximately \$30,000,000 and to be of such size that the debris coming downstream will fill only about 10 per cent of the space are contemplated to revive the giant.

For two and a half years engineers have been making surveys and plans for the revival. They have estimated the amount of gold-bearing gravel and found that \$400,000,000 of the \$600,000,000 still in the ground is in the gravel of Sierra, Nevada and Placer, counties. Dam sites have been surveyed and other steps taken.

It is proposed to obtain the \$50,000,000 from the United States government as a loan provided for in the Crampton act passed in 1898 to provide for the restoration of hydraulic mining in California.

Besides allowing hydraulic mining, the plan, Root says, would take care of flood control and obtain an adequate supply of water for irrigation and power purposes.

"A series of dams will be constructed in the mountains," he declared. "Miners will store the water in the winter months and release it in the summer, just when it is needed downstream."

France Restores 14,199 Buildings Razed in War

Washington.—France's war reconstruction program, which has required the expenditure of 79,000,000,000 francs, is far advanced with little proposed restoration work remaining to be done this year, the commerce department has been advised by Trade Commissioner Green at Paris.

Some of the accomplishments of the French toward restoring damaged property were outlined in the report: A total of 53,135 kilometers of highways have been repaired out of a total of 58,697 damaged; while 2,961 kilometers of railway lines of local interest have been restored to operation out of a total of 2,408 destroyed.

Of 17,616 public buildings destroyed or damaged, 11,345 have been rebuilt and 2,865 provisionally repaired, and of 3,344 projects of various sorts connected with highways, railroads and water courses, 6,749 have been restored.

Out of a total of 1,923,478 hectares of land requiring restoration, 1,815,449 had again been placed under cultivation; of 896,944 fixed properties destroyed or damaged, 521,613 have been rebuilt or repaired, of which 384,403 were residences or business quarters; 42,400 temporary homes have been erected with materials left over from the war, and 108,001 temporary wooden homes which were built during or since the war, were still serving as residences.

Operations have been resumed in 8,228 out of 9,332 destroyed or damaged factories, each employing at least ten laborers. Pumping and other work in the mines has been completed in the departments of Nord, Meurthe-et-Moselle and Meuse, but considerable work remains to be done in the department of Pas-de-Calais.

Milwaukee Woman Builds Home for Dumb Animals

Milwaukee, Wis.—Milwaukee's stray birds, dogs, cats and all other animals without comfortable quarters and food will find a haven in the new animal home which Miss Lenore H. Cawker, Milwaukee's self-appointed guardian of neglected pets, will erect at her home here this summer. An architect will provide plans for the latest things in kennels, catteries, aviaries, stables, paddocks and cages.

Radium Hair Tonics Near-Fakes, Says U. S.

Washington.—Most hair tonics, bath compounds, face powders and other patent preparations advertised as containing radium have been found by the Agricultural department to have little or no value because of the radium content.

The department, in making this announcement, also issued a general warning that any patent preparation actually containing an efficacious amount of radium can work great harm, as well as benefit, and therefore should be used with great care. Action will be taken to prevent shipment of articles falsely advertised as giving the benefits of radioactive products.

Here's Scale That Can Weigh Dot Over an I

Milwaukee, Wis.—If interested, you can have the weight of the dot over an I measured accurately by means of a scale received at the Marquette university school of medicine by Dr. Joseph C. Bock, head of the department of pathological chemistry.

Doctor Bock, to illustrate the fineness of the weighing machine, took a sheet of paper and wrote a name thereon, leaving the letter I undotted. He then weighed the paper, making a perfect balance by use of aluminum hairwire weights. Then he dotted the I. When the paper was returned to the scale the balance was disturbed and the difference found to be two one-hundred thousandths of a grain.

The scale is a marvel of German mechanical skill, and is the invention of a scientist named Nelmetz.

Bargain Finally Struck

The Scotsman, legend and story remind us, is rarely an impulsive fellow. Therefore, this story, though gossip, is not calculated to surprise. A certain well-known Scot, an intellectual, saw, in a bookshop, Amy Lowell's two-volume life of "John Keats." He coveted it on the spot, but went away, the battle against extravagance and indulgence strong within his breast.

Day after day he returned to turn the leaves and to torment his soul. In the expansive season, late one night near Christmas, he met the bookseller, hailed him home, and poured a sample of very fine sherry for his midnight guest, saying no word of "Keats."

Next morning early to the bookshop came the intellectual Scot. Three bottles of sherry for the precious volumes? It was his capitulation to the delights of the mind; he had held out for days. The bargain was eventually struck, although considerably more sherry was involved in the transaction.

IDAHO TROUNCES COYOTES SATURDAY

(Continued from page 1)

was blocked, and the half ended 20 to 0 against Caldwell.

During the third quarter the Vandals lost heavily on penalties and once the Idaho goal was threatened because of a 15 yard penalty. Lowell, the triple threat of the Caldwell eleven, unable to get away in the first half, broke through for measurable gains, but Idaho held at the goal line.

Owings punted from behind the line after fumbling the ball, but the referee gave the ball to Idaho on her own 20 yard line, when the Coyotes were penalized for roughing the kicker. Owings punted to Lowell, who was downed. Two long passes from Lowell to Albertson netted 22 yards for the college and the quarter ended with the Coyotes in possession of the ball on Idaho's 30 yard line.

Idaho scored the last touchdown of the game early in the quarter when Jacoby went across on a criss-cross play from the Coyotes' 15 yard line. Owings converted, score 27 to 0.

Coyotes Threaten. At the start of the last quarter, Lowell tore off 19 yards to Idaho's 11-yard line and was halted by Hugh Hughes, Vandal halfback. Lowell then lost 16 yards on an attempted left end run, and attempted a drop kick which fell short. The Vandals completed a pass, Jacoby to Perrins, for the first time in the game and gained 10 yards. Perrins then went through for 11 yards, and a pass was again attempted, but this time it was grounded. Owings booted the first place kick that has been completed by the Vandals this season, bringing the score to 30 to 0 against the Coyotes.

At this stage of the game the College of Idaho made a desperate effort to score by its aerial attack, but three successive passes were dropped by the receivers after they had them in their hands. The game ended with Idaho in possession of the ball in midfield.

Contrary to the advance dope on the game, Dilly of the Coyotes, played a more brilliant game, both offensive and defensive, than Lowell. Perrins was the outstanding ground gainer for the Vandals with Owings, Jacoby, and Edelblute all adding to the yardage gained.

The starting lineup was as follows:

Table with 2 columns: Name, Position. Includes Idaho: Moore, Dean, Brimhall, Biles, Hjort, Dewey, Halladay, Jacoby, Perrins, Edelblute, Owings. College of Idaho: Albertson, Swimm, Scovill, Gilham, Dicus, Palmer, Baldrige, Brown, Lowell, Dilly, Wood.

Substitutions: College of Idaho—Burnett for Brown.

Idaho—Hutchinson for Dean, Harrels for Brimhall, Hughes for Perrins, Huefner for Halladay, Cheyne for Jacoby, Beall for Moore.

First downs—College 8, Idaho 19. Penalties—College of Idaho 20 yards, Idaho 70 yards.

Officials—Bartlett, referee; Higgins, umpire; Orion, head linesman.
