parties should join in the search for these diggings and if that enterprise than Moscow to meet rushees on failed they should continue as a single student special (new rule). party in search of the basin described by the Bannock Indian. After a dili-gent search brought no sign, of the gold sought in the vicinity of Cather-ine creek, Splawn reminded the men of the agreement to accompany him in the further enterprise, but only seven men were willing to go on with the Quest. Traveling toward the North Snake river, Splawn met George Grimes, characterized in the pageant, who with seven men were hurrying to overtake Captain Turner. Grimes was persuaded to accompany the party in search of the Boise basin.

Many Hardships

Their adventure was replete with hardships and dangerous encounters. Neil Derrick, a senior in the college of agriculture, left Monday for Aber-In one instance it took them 21 days to build a boat to transport their lugleen, Idaho, where he has accepted a gage across the Snake.
