## FIGHTING VANDALS TIE ST. MARY'S IN LAST TEN MINUTES

### "Fat" Sumpter Makes Difficult Field Goal in Final Quarter

## GAINED ON PUNTS

### Burgher's Kicks Averaged 45 Yards; Boots One 70 Yards

Harvey "Fat" Sumpter, substitute for Brimhall at guard in the last ten minutes of play Saturday afternoon at San Francisco booted a field goal from the 16-yard line giving the Vandals 3 points and evening up the field goal that St. Mary's made in the second quarter after a "great" punt that ball deep in Idaho territory. The Idaho eleven fought an uphill battle the last two periods, desperately striving to overcome the three-point lead that loomed larger and more disheartening as the Saints forced the attack into Idaho territory. St. Mary's was penalized 15-yards for holding. The scoring chance seemed lost but on a long pass Pitchford to O'Gorman, the latter was given the ball on the nine-yard line, another 15-yard penalty gave Idaho a breathing space. On the third down with 25-yards to go, Mulcahy was called back from guard to boot a long field goal.

### Burgher Outpunts Rivals

In the last quarter Idaho took the ball at midfield and with two successful passes and a series of line bucks worked the ball to the 18-yard line. From that point Sumpter's toe tied the score.

A feature of the game was the punting of Burgher, Vandal end, on all his kicks he averaged 45-yards and two of them went for 65 and 70 yards each. He outpunted Ackerman and Rooney on every exchange and was responsible for the gain that started Idaho on her march for her score. O'Gorman, St. Mary's left half, was the most consistent ground gainer for the southern eleven. He alone was able to smash through the Idaho line for the small gains made by that route he heaved passes to ends and backs that were a constant threat.

### "Chuck" Diehl Leads Team

Idaho honors were shared by Burgher, whose long punts kept the Saints back in safe territory and "Chuck" Diehl who captained the team and starred in the line at his tackle berth. Robertson took Mulcahy's kickoff on the 10-yard line and ran it back 13 yards. Kershnik made three yards thru center, Robertson added one off tackle and Burgher punted 50 yards to Rooney. Two passes and a line buck failed to gain for St. Mary's and Rooney returned the kick to Jacoby on the 33-yard line. On the first play Robertson fumbled and St. Mary's recovered and lost one yard on three downs. A week punt was out of bounds on Idaho's 24-yard line and Burgher immediately booted the ball to St. Mary's 32-yard line. Mer-

## DELTA SIGMA HOST TO VISITING EDITORS

### Convention Ends With Banquet at Hays Hall Saturday

North Idaho editors, in convention here Saturday, were greeted by approximately 40 businessmen and others from Moscow, at a banquet given by Delta Sigma, local journalistic society, at Hays hall Saturday night. A brief program of music and speeches followed the banquet.

Dr. A. H. Upham, president of the university, the main speaker on the program, asked the editors to become acquainted with the problems of the university, in order that they might better lead their co-operation with the work the institution was attempting.

Representing the Moscow chamber of commerce in the absence of President Robert Whittier, Bert Rowe greeted the editors in behalf of his organization. He paid tribute to the profession of journalism and expressed appreciation for the work of community and state building done by the editors.

Dr. H. J. Smith, mayor of Moscow, welcomed the editors in the name of the city of Moscow. Other speakers on the program were H. S. Wetherell, president of the North Idaho division of the Idaho State Editorial association, and Floyd W. Lansdon, president of Delta Sigma, who outlined the purposes of the fraternity.

The university string quartet, under the leadership of Prof. Carl Claus, played a short concert following the close of the banquet. This was followed by another short concert by the University of Idaho Pep band, under the leadership of Prof. David Nyvall, Jr. During the banquet girls living in Hays hall sang several Idaho songs.

President H. S. Wetherell and Prof. Edward F. Mason were elected president and executive secretary of the association as the last number on the program for the business meeting Saturday afternoon.

LaCrosse, Wis.—(IP)—Agnosticism is the cause of most student suicides, according to Harry M. Warren, of the National Save-a-Life League, addressing college students here.

## UPHAM ATTENDS EDUCATORS MEET

### Will Visit Southern Branch and Utah University

President Alfred H. Upham left Monday afternoon for Chicago where he will attend the annual meeting of the National Association of State Universities, on November 14 and 15, and the National Association of Land Grant colleges, on November 16, 17 and 18.

Doctor Upham will spend a day at the southern branch of the university at Peoria before going to Chicago. He will also make a speech in the assembly of the University of Utah. While on the trip, he will visit President Hughes, of Iowa State college, who was president of Miami university. Doctor Upham will take up his duties as president of Miami university after leaving here at the end of the present semester.

C. W. Hungerford, acting dean of the college of agriculture, and Miss Katherine Jensen, head of the home economics department, will also leave in a few days to attend the same meetings. Doctor Hungerford will go to Washington, D. C. to confer with government officials concerning cooperative work being done at the university. Miss Jensen will spend a few days visiting at the University of Illinois, her alma mater.

## THREE-ACT PLAY IS NEXT WEEK

### "Good Gracious Annabelle" Will Be Presented by A. S. U. I. Thursday

Clare Kummer's "Good Gracious Annabelle" will be presented by the A. S. U. I. in the university auditorium Thursday and Friday evenings, November 17 and 18. The play will have its opening presentation at Troy Wednesday, November 16.

George Jean Nathan, of the American Mercury magazine, called this three act comedy the most intelligent farce of the season when it was produced in New York. Flo Ziegfeld based on the play a musical comedy, "Annie Dear", in which Billie Burke appeared two years ago in New York.

The story is concerned with the predicament of a half dozen rich young people who are temporarily hard up. They find it necessary in the last act to perform the mental tasks of servants in a country estate on Long Island.

Three elaborate scenes are being constructed for use in the play. Perhaps the most complete typical of these sets will be one built like the lobby of the Hotel St. Swithin in New York.

Several seniors prominent in the dramatic department will take leading roles. Alene Honeywell will play the leading woman's part. Beardsley Merrill is the western mine owner. Ethel Dean, an artist in distress, is played by Beulah Brown. Comedy parts are taken by Jean Collette and James Allen.

Owing to the great number of trained actors in the dramatic department this year, Prof. John H. Cushman intends to produce two other long plays during the college year. The second play to follow "Good Gracious Annabelle" will be "Not Herbert", a modern detective play.

## HEALTH NOTICE IS ISSUED BY UPHAM

As a precaution against the possible spreading of infantile paralysis among university students, President Alfred H. Upham issued a health notice Saturday afternoon.

No cases have been reported on the campus or among downtown college students. Doctor Upham says there is no occasion for alarm since cases rarely develop in young people above the age of 15 years. However, students are asked to remain away from downtown gatherings of any sort until further notice, except where the gatherings are made up almost entirely of students themselves.

All students are urged to be particularly careful of their general health at this time, and to report all illness promptly to the infirmary.

## HOLLINGBERRY

### DESTINIES OF THE CRIMSON AND GRAY

Washington State have been handled by O. E. "Babe" Hollingbery, Cougar coach, on the gridiron. Friday will be the second time he has sent a grid team against Charlie Erb's Vandals.

## IDAHO MENTOR

### COACH CHARLIE ERB

will be given his biggest test when he sends the Vandals against the Cougars of Washington State college at Pullman Friday afternoon. Erb's eleven has come through the season so far without a defeat.

## ATHLETIC BALL IS COLLEGE FORMAL

### Held in Honor of Football Squad; To Include 150 Couples

The Athletic ball, to be held Friday evening in the Elks Temple, will be very exclusive, only 150 couples, including 25 of alumni, will be permitted to attend. The dance, held in honor of the football squad, will be the first all college formal dance of the year. It is sponsored by the "A" club. The ball is traditionally held on the evening of the Idaho-Washington State football game.

## PLAN BIG PARADE FOR ARMISTICE DAY

### Governor Baldrige May Review Joint R. O. T. C. and Legion Parade

Tentative plans for an Armistice day review and parade of the Idaho R. O. T. C. unit, call for Governor H. C. Baldrige to be present in the reviewing stand, it was announced this week.

Governor Baldrige will be present November 11 to witness the Idaho homecoming contest with Washington State college at Pullman in the afternoon. The regimental parade is planned in cooperation with the Moscow post of the American Legion, also planning exercises here.

Companies will form at 9 o'clock on the campus and march toward the business district of the city where the reviewing stand will be located. Ceremonies are scheduled early in order to allow time for cadets to return and prepare for departure for Pullman.

In case of inclement weather, plans will be altered and announcement will be made from the military department, according to Major F. R. Fuller.

## RAIN FAILS TO HALT WALKOUT

### Girls Stage Traditional Function Despite Japs Pluvius; All Repair to Gym

Rain did not prevent the holding of the annual A. W. S. walkout Saturday noon. Several hundred girls attired in gay slinkers splashed over to the gymnasium where Jupiter Pluvius could not dampen the party. The annual walkout is now a tradition. It is intended to acquaint freshmen and other new girls with the various campus organizations, particularly the honorary societies. It is also the last official appearance of the big sisters, who have had the privilege of launching their respective little sisters on their college careers.

A program, after a picnic lunch started off with several Idaho songs, led by Ethel Lafferty and the song leader from each of the group houses. Dean Permeal J. French gave a brief address, after which Mildred Perry, president of A. W. S. explained the function of the annual walkout. Five-minute talks on the various organizations were given as follows: Phi Beta Kappa, Beulah Brown; Spurs, Alice Kelly; Mortar Board, Alene Honeywell; English club, Marjorie Drager; W. A. A., Genevieve Budrow; Phi Chi Theta, Fatsy Payne; Pi Lambda Theta, Bernice Bjorendsen; Sigma Alpha Iota, Mary Mable Morris; Y. W. C. A., Germaine Gible; dramatic club, Alene Honeywell; Florence Nightingale, Leah Tuttle; Phi Upsilon Omicron, Ella Waldrop; and Delta Sigma Rho, Jean Collette.

## EARLE BLODGETT ILL IN PORTLAND

### Member of Judging Team in Portland Hospital with Pleurisy

Taken seriously ill soon after the Portland International Livestock show Earle S. Blodgett, member of Idaho's dairy judging team, is in Portland hospital suffering from pleurisy and bronchitis. Although he was not able to return to Moscow with the team, the latest reports state that he is improving and will return as soon as his condition permits.

## VANGUARD FOR HOMECOMING TO COME THURSDAY

### Largest Crowd in History of Institution Expected This Week End

## PLANS COMPLETED

### Special Train to Carry Students to Pullman; Leaves at 12:35

The vanguard of alumni and visitors to the university campus for homecoming is expected to start arriving here Thursday. Preparations are complete for the entertaining of the largest homecoming crowd in the history of the institution. It is announced by Blue Key, national honorary cheerleader service fraternity, which has charge of homecoming. No estimate on the number of the people to visit the campus this week end is available. Many alumni have indicated that they will be here and have made reservations for seats at the game, while a large number will come without sending word ahead. Pullman is planning to accommodate at least 15,000 at the game on Rogers field, it is announced.

### Tickets Sell Fast

The game went on sale Monday and are going fast according to George Horton, graduate manager, who is handling the sale. A section is being reserved for the students while reserve seats may be purchased for alumni and others. The entire south side of the field is being held for the Idaho delegation.

Most of the students will be taken to Pullman via the O. W. R. & N. special train, which will make the trip by car. The special train will leave the station at 12:35 o'clock Friday, it has been announced, and return to Moscow shortly after the game is over.

One of the main attractions for Friday evening is the Athletic ball which will be held at the Elks club. Approximately 200 couples will attend this affair, the first all-college formal dance of the year. Fraternities and sororities are planning various forms of entertainment for their guests Friday and Saturday.

A program, in which is included all events of the day, is being issued by Blue Key, under the direction of Leon Weeks. This program will be given all visitors when they register at the hotel Moscow upon arrival here. Information booths are to be operated at various points on the campus.

## IDAHO, STANFORD AND U. S. C. STILL TIED FOR LEAD

### Washington Drops Into Tie With California for Second Place

## DEFEATED SATURDAY

### Vandals Play Brilliant Game Against St. Mary's at San Francisco

(By Frank E. Judy)

As a result of the defeat of Washington, suffered at the hands of Stanford, Saturday, the undefeated group of the Pacific Coast conference has narrowed to three, Stanford, Southern California, and Idaho.

A smart Stanford eleven crushed the powerful Husky team at Seattle by the score of 13 to 7. The northers gained more yardage than did the Cardinals, excelling in line plunging and passing, but nullified this by four fumbles, three of which, were recovered by the Whiteshirts. Stanford scored in the second quarter and Washington by scoring in the third, remained in the lead until the fourth period when a Purple and Gold punt was blocked, and Harder, Cardinal end, fell upon the ball behind the Husky goal line for the winning touchdown. Carroll, Washington half, added six points to his total and continues as the leading scorer of the conference.

### Montana Flights

Montana outflung California for three quarters, only to weaken in the fourth and permit the Golden Bear to score three touchdowns and win 33 to 13. The Grizzly's play was featured by a brilliant forward passing attack and long runs by Sam Kain, Montana half. The Price men were overconfident and it was not until the fourth quarter that the team functioned smoothly. First string men were rushed upon the field in the final period, changing apparent defeat into victory by scoring three touchdowns in rapid fashion. U. S. C. is the only other eleven to have crossed the Blue and Gold goal line in the seven games played, so far this season.

Idaho battled St. Mary's to a 3 to 3 tie in San Francisco Saturday in a contest which was marked by the strong defensive play of both teams. Being unable to gain through the line, both elevens resorted to the air, Idaho punting and St. Mary's passing. Burgher, Vandal kicker, gave a brilliant exhibition, averaging over 40 yards on his kicks. The right guards of both teams scored the tallies. Mulcahy of the Saints booted a 20 yard field goal in the first quarter and late in the fourth quarter, Sumpter, Idaho line man, standing on his own 25 yard line, placed the piskin between the bars from a difficult angle to tie the score.

## FLASHY QUARTER

### "RED" JACOBY, WHO IS PLAYING HIS LAST YEAR as quarter for the Vandals, will clash with "Butch" Meeker, W. S. C. brilliant signal harker, Friday. "Red" has made a name for himself this fall in his brilliant work.

## PEP RALLY FOR ASSEMBLY HOUR

A football pep rally has been scheduled for the regular assembly hour Wednesday by Frank Click, A. S. U. I. president. The speaker previously announced was Prof. E. W. "Cap" Ellis, who was to speak on his European trip. Courtesy on the part of Dean P. A. Thomson, chairman of the public events committee, and professor Ellis made the change possible, Mr. Click said.

A full program has not been announced due to the short time that has elapsed since the plan was made possible. According to Mr. Click, the football team and the coaching staff will be on hand unless some sudden developments make it impossible. Prominent alumni and people vitally interested in Idaho's athletic history will speak.

The Pep band under the direction of Prof. David Nyvall Jr. will play a few selections. Yell king Horace Porter and his lieutenant, Edwin Siggins, will lead the students in a group of Idaho songs and yells.

## LARGE CROWD SEES GAME ON GRIDGRAPH

### Game Was Most Interesting; Gridgraph Worked to Perfection

A record breaking crowd of more than 600 people saw the gridgraph account of the Idaho-St. Mary's game at the gymnasium Saturday afternoon. Music was furnished between halves by the Pep band, directed by Sam Hutchings.

Direct and constant telegraphic connection between the gymnasium and the stadium added much to make possible the best operation of the board. A crew of six men under the direction of Vernon Sogard and Gale Mix handled the operation of the board.

Seating arrangements had been made for 400, but these were taken up before the end of the frosh game. In order to accommodate the crowd, it was necessary to open the upper half of the balcony.

The gridgraph will be shown again when the game between Idaho and Oregon State college will be shown on November 19.

## DEPARTMENTS OF MUSIC COOPERATE

### Idaho-W. S. C. Departments Make Plans for Artist Recitals Waseda University

Cooperation between the music departments of Washington State college and the University of Idaho is planned this year, according to Professor Theodore Kratt, music director. Arrangements have been made with Dean Kimbrough of the music department at W. S. C. in this regard and good results are expected.

"Music students at Idaho may benefit from the programs and artist recitals held at W. S. C. this year, and vice-versa," said Prof. Kratt. "The music department and students of Washington State college will support their undertakings and we will support theirs," Professor Kratt said.

### Our first opportunity Idaho students will have to take advantage of a W. S. C. artist recital, will be November 19, at Pullman when Ignaz Friedman, the famous Polish pianist will play at the American theatre.

Friedman is a poet, scholar, composer and virtuoso. He made his debut in New York early in January 1921 and since that time has played in over one hundred cities in the United States, Mexico, Cuba and Canada.

It is urged that music lovers on the Idaho campus take advantage of this opportunity of hearing this celebrated artist.

## IDAHO ENGINEER WELL UNDER WAY

Work on the fall edition of the Idaho Engineer, published biannually by the Associated Engineers on news of scientific and industrial value, is well under way. Gus Bjork, business manager, spent the week end in Spokane on soliciting advertising for the coming issue.

The publication will deal with articles on highway construction, mining and water developments. It will have 40 pages.

Final announcements regarding the business staff will be made during the week.

## STRONG VANDAL ELEVEN WILL CLASH WITH W. S. C. IN ANNUAL HOMECOMING GRIDIRON BATTLE ON ROGERS FIELD

## PLANS MADE FOR FROSH BONFIRE

### Merchants Have Offered Material for Big Blaze

Plans for the construction of the annual bonfire, to be burned Thursday night, are made and the actual work will begin immediately, according to Charles Graybill, president of the freshman class. William Renfrew, has been appointed chairman of the bonfire committee and under him is Wayne Rowe in charge of trucks and Harry Terwilliger, Richard Wyley, Vinnie Bell, "Pat" Richards, Kenneth O'Leary and John Johnson in charge of securing wood.

Several of the merchants in town have offered wood for the occasion. If anybody has any fuel to offer, they may notify Bill Renfrew at 7531.

The boys of the freshman class will be excused from class on Wednesday so they can work on the fire and it will be necessary for them to report to the man in charge at the fairgrounds in order that they do not receive cuts for the classes they miss.

## BRANCH GIRLS GET 400 POINTS CREDIT

### Pocatello Students can Earn Points Toward "I" Sweater

Girl students at the southern branch of the university at Pocatello will be allowed a maximum of 400 points for participation in women's athletics there, it was decided at the regular meeting of W. A. A. Tuesday. Points will be given for participation in minor sports which received W. A. A. credit here, but none will be allowed in major sports at the Pocatello branch which are interscholastic and comparable to interclass here. The new plan will enable many girls to earn "I" sweaters who otherwise could not have earned sufficient points here in two years.

It was also decided to put on another dance festival sometime in the spring in order to raise money to send a delegate to the district American Conference of Associated College Women, which will be held at the University of Arizona in April.

Two extra weeks were allowed before dues have to be in because of an indefinite first meeting. They will be collected by the W. A. A. managers in each house and must be in by Tuesday, November 8.

### Golf Added

Golf was added to the regular list of W. A. A. sports and is to be under the supervision of the horseshoe manager, Gwendolyn Griffith. A clock-golf contest will be held in a few weeks. The highest third will receive 25 points, the second third 15 points, and the rest of the entrants will get 10 points in both golf and horseshoe contests.

Three free-throw basket ball tournament will be incorporated as a minor sport under the regular basketball manager. The five girls with the highest average will get 25 points, the next five 20, and all others taking part in the tournament 10.

Due to the large amount it was voted to have three freshman volleyball teams. The schedule of games will be decided by Miss Wirt and the volleyball manager, Genevieve Budrow.

## U. S. C. ADDS NEW CLASS IN MOVIES

The University of Southern California has added classes in moving picture production, scenario writing and stage setting to their list of courses. Thus another field of activity which is now to be included in the college curricula. Universities are more and more becoming professional institutions.

One may deplore this fact. However, students in general no longer desire a cultural education but professional training which will yield them profit in later life. No doubt this is contrary to the original purposes of universities, but they, like everything else, must change with time.

## FAST COUGAR

### TED ROHWER, WASHINGTON STATES TRIPPER

thruout the season, has gained the respect of many football teams during the last two years. He is one of the Cougar's consistent ground gainers.

## Dope Favors Idaho To Defeat Cougars In Friday's Game

### Vandals Go Up Against Washington State With No Defeats so Far This Season; Outweigh Cougars

Ancient rivalry between Idaho and Washington State will be revived Friday afternoon when the Vandals and Cougars tangle on Rogers field at Pullman. In their annual homecoming grid classic for both schools, Idaho is seeking revenge for the 6 to 0 defeat that W. S. C. handed her last year and the Vandals are pointing for this game.

With a team that is touted as one of the strongest in the history of the institution, the Vandals are hoped to tie the Cougars Friday. Work of the team has drawn the attention of sports critics on the coast.

### Best Record

Idaho has thus far chalked up the best record she has had for several years. In the opening game against Montana State the eleven lived up to all expectations of power and speed. The backfield had little trouble in smashing thru the line or tearing around the ends. The Bobcats scored twice on passes against which the Vandals' defense was ineffective but the 19 to 12 score tells the story of heavy line smashing and good interference.

Against Oregon Idaho failed to score after getting to the Webfooters three yard line in the second quarter and the Idaho line held the Oregon going in a corresponding way in the last quarter. The scoreless tie seemed to indicate that Idaho was not all she was cracked up to be.

In two consecutive home games the much improved Idaho team hammered Whitman and Montana into submission. The Vandals piled up most of their yardage on straight football, with Big Bill Kershnik doing a heavy share of the work, but Burgher paved the way for Idaho scores with his long punts and Perrins got away on several of his sensational broken field runs after intercepting passes or catching punts.

### Tie St. Mary's

The Vandals' greatest achievement came last week end with the 3 to 2 tie with St. Mary's. St. Mary's had beaten Stanford, 1926 champions and present leaders of the conference, by a decisive score. Washington State college lost to Washington university 14 to 0 and Stanford defeated Washington 13 to 7. Such a comparison gives Idaho an advantage.

In six games W. S. C. has scored 92 points against 42 for her opponents. Idaho has piled up a total of 104 points against 21 for her opponents in five games, one of which was a scoreless tie.

### Rely on Line

Idaho will rely on her dependable line to open holes for her backfield as her customary offense is to be the driving line smashes that have

VANDALS LOSE DISTANCE RACE

W. S. C. Men Defeat Idaho Cross-country Men in Muddy Race

Making almost a clean sweep of the three and one-half mile cross-country race, Washington State college placed six men ahead of Idaho at MacLean field Saturday afternoon between halves of the Idaho-W. S. C. cross game.

Muddy roads made the regular course impracticable and the race was run around the cinder oval. Before the runners had completed many of the 14 laps their backs were covered with mud, which occasioned considerable amusement among spectators.

Hall of W. S. C. set the pace the greater part of the race, and held the lead until the tenth lap when Idaho's only hope, Chisholm, stepped out in front for two laps. Hall's steady grind, however, soon forced Chisholm in to second, and as the leaders approached the finish he was in sixth place as Hall crossed the line with a yard or so to spare.

The duel contest was held mainly as a tryout for a conference cross-country event which will be held between Washington, Idaho, Montana, Oregon and W. S. C. between halves of the Idaho-W. S. C. football game Friday. Each school will enter a five-man team, and the course will be a typical cross-country, over and uphill and down the dales.

NEED ROOMS FOR HOME COMERS

Gus Bjork Seeks More Accommodations for Visitors

Accommodations for the visitors on homecoming are being sought by Gus Bjork, in charge of the housing situation.

The hotels at that time will be overloaded and in order to care for the visitors it will be necessary to house some in private homes and any other available places in town.

Anyone knowing of available rooms for homecoming week-end are asked to notify Gus Bjork, Sigma Nu house, giving the number of people that can be accommodated, price wanted for rooms, Moscow, address. This should be done as soon as possible in order that the committee may complete making arrangements for accommodations.

Intercollegiate Knights will be stationed at the Moscow hotel during homecoming so that late comers may secure accommodations.

Y. W. C. A. TO GIVE PARTY The Y. W. C. A. will give a party at Hays hall Tuesday, November 15 from 7 to 9 p. m. All girls interested in Y. W. C. A. work are urged to come and acquaint themselves with the members, and with the outline of work for the coming year.

FIGHTING VANDALS THE ST. MARY'S IN LAST QUARTER

(Continued from Page 1)

rick lost two yards on an end run and on the next exchange of punts Idaho gained almost 10 yards and took the ball on her own 45-yard line. Kershnik went thru line for four yards. St. Mary's took a five-yard penalty for off side and "Big Bill" went over for a first down to the Saints 37-yard line.

Penalized for Holding On the next play Hutchinson made nine yards but Idaho was penalized 15 yards for holding. Burgher kicked

over the goal line and St. Mary's made three yards in three line plunges before Rooney punted to Idaho's 42-yard line. Burgher booted to the 20-yard line on the first down. St. Mary's made two futile stabs at the line, kicked again and Idaho repeated the process gaining on the exchange. Rooney then passed to Franklin on Idaho's 45-yard line and followed on the next play with a five-yard gain off tackle. He heaved a long pass on the second down that was intercepted by Jacoby. Burgher kicked again and the next St. Mary's punt was partially blocked and recovered by Idaho at midfield. Burgher passed six yards to Hutchinson, Kershnik added three more but the advance was stopped there by a stone wall line and Burgher kicked 55 yards over the goal line as the quarter ended.

Break in Second Quarter

Until the break came in the second quarter that resulted in St. Mary's score the ball was in neutral territory with the punting duel continuing. In this quarter the Saints were twice penalized 15 yards for holding but Idaho penalties more than squared the board and put St. Mary's within scoring distance. It was the fourth down with 25 yards to go when Mulcahy stepped back for his long place kick that gave him time to hit the ball squarely between the posts.

The punting duel continued through the third quarter. St. Mary's penetrated deep into Idaho territory several times only to lose the ball on punts. Burgher each time shoved them back within their own ground with his long kicks. Idaho did little offensive work in this quarter.

The same tactics were kept up in the last period. Idaho got a "break" after about seven minutes of play. Burgher punted back to the 21-yard line and after three line bucks had netted one yard Rooney kicked against the wind in midfield, the furthest Idaho had been able to advance up to that time. Burgher passed 13 yards to Jacoby for a first and ten. Perrins made five yards off right tackle. Burgher's pass was incomplete.

Barrett Sent In Barrett substituted for Jacoby. The first play Barrett called, a pass, Kershnik to Burgher, gave Idaho first down on the Saints 20-yard line. Kershnik made two yards through center, added two more through the

Making Primers

BLASTERS' HANDBOOK

PRIMING a dynamite cartridge seems like a very simple job when you watch a professional blaster—a thrust into the cartridge, a blasting cap crimped onto the fuse and inserted into the hole, and the fuse tied to the cartridge with a piece of twine.

But each of these apparently simple steps requires experienced handling for the sake of efficiency and safety. Upon proper priming depends complete detonation, avoiding the pulling out of detonator, guarding against moisture, easy and safer loading of bore holes. There are two methods of detonating a charge—safety fuse and blasting cap or electric blasting caps.

Each step of the several methods of priming a cartridge is fully explained in classroom terms and clearly illustrated in Chapter Two of the Blasters' Handbook.

The entire Handbook, in fact, is one of the practical reference and study works found in the classrooms of leading technical schools, colleges and universities. Written out of the experience of du Pont field service men over a great many years and taken from all fields. Meaty, well arranged, and condensed into handy pocket size.

### VANDALS RETURN AFTER HOLDING ST. MARY'S TO TIE

Squad Will Have Light Workout Before Big Game

### IDAHO HAS EDGE

To Send In the Heaviest Team In History of School

An undefeated Vandal team, rated as one of the best on the Pacific coast by virtue of its tie battle with the strong St. Mary's eleven returned from San Francisco yesterday afternoon and in spending the few remaining days of the week in intensive work on all phases of the game in preparation for the classic of the season—Armistice Day—the traditional clash with the Washington State college Cougars on Rogers field, Pullman.

The squad will be given light drills Tuesday afternoon to remove stiffness due to bruises received in the game Saturday. By Wednesday evening it is expected that the teams will be ready for the final scrimmage and on that day Erb will give his charges their last heavy field work. Thursday will be spent in signal drill, passing and packing the ball with no scrimmage.

The Cougars began their final conditioning workouts last Friday afternoon after a lay-off of three days. Coach O. E. "Babe" Hollingberry gave his squad a vacation from the molestias and training rules after the Oregon State college game so that the men would not go stale or become overtrained for the battle Friday. All the crippled Cougars have recovered and W. S. C.'s usual first string lineup will be ready for the Vandals.

Idaho has a slight edge on her ancient rival as the teams close their finishing touches for their twenty-fifth annual clash. With victories over Montana State, Montana and Whitman and the games with Oregon and St. Mary's as her season's record Idaho presents the heaviest line that has proved impregnable and a backfield rated as one of the best balanced ever standing. Idaho is tied with Stanford and U. S. C. for first place, having won one and tied one. W. S. C. is tied for sixth place with one victory and two defeats for a percentage of .333. Early in the season the Cougars romped over Montana 35 to 0 and two weeks later the Vandals administered a 42 to 0 whipping to the same team. That is the only real basis of comparison between the two schools and that indicates that they are evenly matched.

W. S. C. began her season with a 6 to 6 tie with Mount St. Charles, displacing a lack of ability in all departments. After ten days of hard practice she met and defeated the College of Idaho 32 to 0. In this game the Cougars began to show the real ability of her former seasons and demonstrated conclusively that she was in the running the next week end by routing the Montana Grizzly at Pullman 35 to 0. Against Gonzaga at Spokane the following week the W. S. C. machine was at its best and walked away with the bulldog hide and the long end of a 14 to 0 score. That game ended the string of Cougar victories.

The Washington Huskies tied 14 knots in the Cougar's tail without having their goal line crossed once and the O. A. C. Orangemen kept up the task of shoving W. S. C. from the top of the column by defeating her 13 to 6 on a muddy field. That gives Washington State three victories, two defeats and one tie game. The two games lost were conference tilts while but one of the wins credited to her counted in the standing.

### TO PUT OUT HOME-COMING PROGRAM

Alumni, Coaches and Pep Band Listed On Program

Homecoming programs will be distributed Wednesday and Thursday at the Moscow hotel, the Oriole Nest and at the group houses on the campus, according to Leon Weeks, chairman of the information committee.

Some of the outstanding events are the pajama parade, starting at the campus steps at 7 o'clock and the alumni dance immediately after the bonfire. All events will be included in the program.

Smokers will be held at the different fraternity houses. Headquarters for the housing committee will be at the Moscow hotel.

### SHOULD SECURE TICKETS EARLY

"Cap" Horton Advises, To Save Time

Students tickets for the annual Idaho-Washington State college football game should be secured immediately from George "Cap" Horton, in room 104 Administration building. Owing to the possibility of a record breaking crowd expected to total 15,000, it is advisable to secure them before going to Pullman to avoid confusion and loss of time, according to Mr. Horton.

The price is \$1.00 upon presentation of A. S. U. I. ticket. General public prices are \$2.50 for seats between the 30-yard lines and \$2.00 for the remainder.

Tickets have been sent to surrounding towns, but students whose parents are coming from a distance should make arrangements for them here. Tickets for the special train to Pullman cannot be secured until just prior to the departure of the train. The train is scheduled to leave Moscow at 12:35 o'clock from the O. W. R. & N. depot and will leave Pullman one-half hour after the game.

### FAST LINESMAN

MAURICE BRIMHALL, Vandal guard who will tip the scales at about 200 pounds, will probably be in the starting lineup Friday. Brimhall has been given constant mention by several sports writers.

### COMMITTEE HAS CHARGE OF BONFIRE

Class of 1930 Will Probably Continue To Hold Bonfire Record

Stanford University, (P. I. P. A.)—With the recent action by the student executive committee placing the construction of the Big Game bonfire under the supervision of the rally committee, the record for building the largest fire now held by the class of 1930 seems destined to stand for all time. The bonfire is built by freshmen each year to be burned on the night of the Big Game rally preceding the Stanford-California football game.

Prior to this action the freshmen were given a free rein, and each succeeding class tried to better the record set by its predecessors. Under rally committee supervision, a definite reasonable size will henceforth be maintained for the funeral pyre of California's spirit.

Last year's record fire was ninety feet high and sixty-five feet square at its base. Heat from the flames could be felt for a distance of several hundred yards.

### KRATT PLANS MUSIC CONTEST IN SPRING

Will Be Another State-wide High School Meet

Plans are under way for the second annual high school music contest to be held late this spring under the auspices of the music department of the university, according to Professor Theodore Kratt, head of the music department, and Miss Maude Garnett, instructor in public school music.

Representatives from high schools in all parts of the state will participate in the event. Detailed announcements will appear later through the committee in charge.

### STRONG VANDAL ELEVEN TO CLASH WITH W. S. C. COUGARS

(Continued from Page 1)

been so effective against all opposition. The only line that was able to hold Kershnik Hutchinson and Hult was that of St. Mary's, and against all other teams Perrins and Jacoby have been able to advance on crisscross and end run plays. Idaho has several of the most outstanding players on the coast today but the Vandal attack is not built around stars—the whole team is made up of experienced men, heavy and full of fight.

At left end Burgher, 198 pound junior playing his second year of varsity football is slated to appear. Last year Burgher played in the backfield. Burgher's consistent long punts are valuable to Erb's style of football and his side of the line has been a tough spot for opposing backfields to get around. He will be supported on the other end by either Beall or O'Brien. Beall is a letterman of last year. Price and Jensen, playing their first year of varsity ball, are other possibilities as starters on the right wing. "Chuck" Diehl, who scales 196, and Carl Hut-

chinson, 210 pounder, will perform at the tackle positions. Both men are playing their third and last years for Idaho. "Chuck" has been the bone of Idaho's victims all season with his fast charges and fierce tackles and Huteh has always taken good care of his side of the line.

"Speck" Diehl and "Fairy" Brimhall, both weighing nearly 200 each, have played regularly at guards. Brimhall is playing his second year for Idaho and Diehl his first. Brimhall came from the Idaho tech where he played end two years and learned the fundamentals of the game. Speck was an all state high school football man in 1925 and starred on the frosh club last year. Kirkpatrick, the lightest man in the line, weighs 176. He is also a product of last season's first year eleven.

Jacoby, veteran field general playing his last year at quarter is a capable ball backer and passer as well as being the brains of the offensive. On the defensive he handles punts well and knows what to do with his legs.

"Big Bill" Kershnik's consistent line plunging has been responsible for six Idaho touchdowns. The 208 pound sophomore has seldom failed to make three yards each time he packs the ball.

Perrins's flashy end runs and off tackle smashes have been responsible for many Vandal first downs and two touchdowns. Sammy is the fastest and one of the lightest men on the eleven. He has been alternating at half with Robertson, 165 pound junior who starred against Whitman with his galloping line drives. At the other half Paul Hutchinson and Hult have performed equally well. Hult who weighs about 170 and comes from Burley was a regular on the rook squad in 1926. Hutchinson is also playing his first season of varsity for Idaho.

In addition to this team of regulars Erb has many subs who can be depended upon. Sumpter, sub guard, who kicked the field goal at San Francisco to save Idaho from defeat, is very likely to get into the fray with the Cougars. Fat is fast in spite of his 225 pounds and played a good game at guard last year for the frosh. Other linemen who can be relied on by Erb include Stark and Hjort, guards; Con Dewey and Harris tackles and Christians and Wendell, centers. Dewey has been in every game and is about on a par with C. Hutchinson at tackle but Huteh has usually started the games.

Cougars Strong. Opposing this Vandal machine will be a Cougar eleven built up around the diminutive quarter back "Butch" Meeker, and his backfield playmate, Teddy Rowher, the passing plunging redhead.

On the ends Coach Hollingberry will have Exley and Parkhill, two veterans; Speidel, two-year letterman, and Dressel playing his second year, are slated for tackles, and Hansen and Jeanne at guards with Dils starting at center. This line combination is outweighed by the Idaho forward wall but has shown up well against all conference teams met this season.

The other two members of the backfield are Gustavson, fullback and Moran, left half. Gustavson has handled most of the Cougar punting up to this time but Don McDonald a sub has been getting away some long boots in practice this week and is

likely that he will handle that department Friday afternoon. While he is credited with having consistently lifted a wet ball for distances of 50 yards he is still not considered to be the equal of Burgher, Idaho's kicker.

W. S. C. has a passing attack that is scheduled to worry the Vandal backfield and "Butch" Meeker sure to be a sore spot for the defense.

### VANDAL VIMS

Train stiffness was the only affliction with which the team returned yesterday. No injuries outside of the usual bruises were sustained by any of the men. One of W. S. C.'s fondest hopes was thereby crushed. The Vandals were not in the least crippled in the battle, just put on edge for the Cougar tussle.

The St. Mary's-Idaho game was real football with accent on the foot. Failing to gain thru the line each team resorted to punting. Burgher gaining on each exchange. Two other toes played an important part in the battle—a very vital part in fact. Sumpter booted Idaho's goal and Mulcahey scored for the Saints by the same route.

Speaking of Sumpter's kick, L. H. Gregory of Portland Oregonian says:

"The unexcited Mr. Sumpter stepped back to the 25 yard mark for his do or die stunt. The Saints line strove fiercely to break thru but they just couldn't daunt Sumpter. Just as it looked as if the kick was to be blocked he let fly with his foot. He was kicking from a difficult position, half way between midfield and the side lines, but his kick sailed right over the middle of the posts, a perfect field goal."

It must be remembered that the goal posts have been moved back 10 yards so that now a kick from the 20 yard line has to travel 30 yards.

## Dauids'

This store will close all day on Friday, November 11th

If Idaho can stop Butch Meeker her biggest task will be done. Rowher is a consistent player and hard to manage but his performances are limited by natural conditions. Butch on the otherhand performs some almost impossible stunts. One never knows what he is going to do next or where he is going to be from one second to the next.

W. S. C. is entering her first string men unhampered by injuries. That rules out the "best men crippled" alibi for both sides.

As each game has come along, sport writers have said that particular game would be the hardest of the season and would indicate the strength of the teams in question. No foolin' this time. This is THE game of the season. W. S. C. would rather be licked by Viola high school than lose to Idaho and the Vandals would prefer to be battered by the Troy braves than taste defeat at the paws of the Cougars.

Fans from both schools are anxiously looking forward to the clash between Kershnik and Meeker which is sure to come during the game Friday. When these two giants, David and Goliath meet things are scheduled to happen fast and furiously.

It isn't often that a guard does any scoring and it is very seldom that two guards do all the scoring for their respective teams. But that is what happened Saturday. Sumpter and Mulcahey both came back from the line for their boots.
