The 15 intramural teams are divid-ed, into "A" and "B" leagues, eight teams being in "A" and seven in "B". In "B" league one team will draw a "bye" each week as there is an un-even number of teams. The series will consist of a single round robin each team playing every other team in its league and the two league champions playing a three game series for the cup, furnished annually by the A. S. U. I. Last year two games were played by each team with every other team and the series lasted well into the spring.

Six referees, four of whom have been named, are to be picked by the team managers, and from this group of officials the two competing teams will pick their referee. Ralph Utt, Walter Price, Harvey Sumpter and Sammy Perrins were the four picked at Saturday's meeting. Bill Guernsey, manager of intramural athletics, will choose the other two before the opening of the series.

The teams are grouped as follows: "A" League: Alpha Tau Omega, Beta Chi, Beta Theta Pi, Delta Chi, Kappa Sigma, Lambda Chi Alpha, Tau Mem Alpha and Ridenbaugh hall. "B" League: Sigma Chi, Phi Gam-ma Delta, Phi Delta. Theta, Sigma Alpha Epsilon, Sigma Nu, Tau Kappa Epsilon and Lindley hall. Schedules' for the "A" and "B" league games were announced Mon-

THE IDAHO ARGONAUT. TUESDAY, JANUARY 10, 1928

Everyone has calmed down after the holiday, season and sodiety has come back to its pormal state. This week shows the list of social functions on the increase, although events for the rest of the semester will probably not be as numerous or as outstanding as they have been so far standing as they have been so far this semester. However, social life, ner guest of Pi Sigma Rho. for the next two weeks at least, promises to be anything but dull.

Last week end was exceedingly quiet so far as variety in entertain ment went. However, the Tau Kappa Epsilon formal given jointly with the Pullman chapter at the Elk's Temple was an outstanding dance.

This week end will show a revival of house dances. Among these will Eohippus. Corvphodon and be the dance given by Phi Delta Thbto with the Washington State college chapter at the Blue Bucket inn, January 13.
