

The Idaho Argonaut

VOLUME XXIX,

UNIVERSITY OF IDAHO, MOSCOW, TUESDAY, MARCH 27, 1928

Number 50

FIVE-POINT LIST INCLUDES NAMES OF 425 STUDENTS

Largest Number in History to Make This High Scholastic Average

EXEMPT FROM CUTS

Report Gives Those Making 5,000 and Better for First Semester

Probably the largest number of University of Idaho students to make a 5,000 or better scholastic average for any semester in the history of the University of Idaho, are qualified to take advantage of the no-cut rule this semester, as approved on the list compiled by the registrar.

According to the rule approved last semester, all students who maintain at least a 5,000 scholastic record for the previous semester are entitled to be exempt from general regulations concerning attendance. Misuse of the privilege, however, is punishable by withdrawal of the right. Under the attendance regulations each unexcused absence will deduct one-tenth of a credit, which loss would not be suffered if the 5,000 scholastic mark is obtained.

Modified Old Rule

The rule approved last semester was a continuation of a rule passed more than a year ago, which permitted upperclassmen exemption from general attendance regulations in all upper division courses only. Both measures, still in the beginning stages, are entirely experimental.

Names of those making the necessary averages last semester follow:

Charles Roy Adair, Edith Anderson, Carol Fay Allen, Lulu Grace Allen, Pollicia LaRena Allen, Lora Marie Allison, Velma L. Ameling, Helen Ames, Helen Anderson, Clarice Anderson, Eva A. Anderson, Lucille Anderson, Ruth D. Annis, Jeanette Arntzen, Raymond Ashcraft, Clement H. Aull, Ella Pauline Parker, Mary Catherine Baker, Prentice Hatch, Leona Nesly Ball, Beulah M. Bangs, Arthur Bartel, Gladys Pearl Barter, Gerald H. Bartholomew, Ruby Ellen Baurer, Emma Eleanor Beamer, George W. Beardmore, Margaret Claire Becker, Eugene Beebe, Laketa B. Beson, Byron Burdette Belknap, Melton C. Belknap, Ann Laura Berg, Fred Coffin Berry, Vera E. Berry, John Biker, Bernice Bjornson, Wayne Forrester Blair, Earle C. Blodgett, Marjorie E. Bloom, Stephen Blure, Avis Bowditch, Avera Bowen, William Boyer, Frederick Bradbury, Edith Bradshaw, Josephine Brady, Sara Brindley, Mary Brewster, Edna Blanche Brossard, Beulah Brown, Stella Josephine Brossard, Norma Kuhl Brown, Pauline Brown, Alfred Buckingham, Dorothy S. Bucks, Delilah Budrow, Genevieve E. Budrow, Margery Burnett, Miriam Burton, Helen Campbell, David Cook, Meroe Bowen, Fred R. Carlson, Sister Mary Carmel, Vera Chandler, Lester Chapman, Ruth Christian, Harriet Lorraine Christensen, Herbert Cecil Clark, Pauline Clare, Laura Alice Clark, Donald Clark, Allan Cochran, James Frank Cook, Charles Cunningham, David Cook, Meroe Bowen, Evelyn Irene Cox, Phillip Cox, Franklin Craig, Marylou Craven, Edward George Cross, Lorin Curtis, Lorene E. Cusick, Helen Irene Dalton, Captain Brown Davidson, Armus D. Davis, Robert Davis, Grace Florence

CHEMISTS PRACTICE BLACK ART EFFECTS

Engineers Plan Alchemy Display With Dazzling Colors

Alchemy and the "Black Art" will be demonstrated by the chemical engineering students on Engineer's day, May 4, according to plans drawn up at a recent meeting. The display will be put on in conjunction with the department of chemistry. Exhibits from manufacturers of chemical products will also be included in their display.

A chemical garden with dazzling effects will be one of interesting demonstrations. Various analytical processes also will be shown.

Electric sparks from four to six feet in length that can be taken through the human body will be produced by the use of a big condenser and a Tesla coil, by the students of electrical engineering. The Washington Water Power company has loaned a special condenser capable of carrying the load for the occasion.

Visitors to the display will be able to see an electric current by means of the oscillograph, a highly perfected machine. Among other phenomena made possible by the machine will be the lighting of the human voice, the vibrations being automatically recorded.

Assaying, dressing, stamping and furnace processes in connection with various ores will be exhibited in the miners' exhibit.

STATE SENATOR IS CAMPUS VISITOR

John D. Robertson, Welsler, Former State Tax Commissioner, Stops Here Wednesday.

John D. Robertson, state senator from Washington county, and for six years tax commissioner of Idaho, stopped in Moscow to visit the university Wednesday. He is touring the state under the auspices of the Idaho Chamber of Commerce, speaking on taxation and economic problems.

While in Moscow, he was a guest of C. A. Hagan, a close friend, and a colleague in the state senate. He inspected the campus Wednesday afternoon, and was a dinner guest of Sigma Chi in the evening.

"Mr work requires a steady paw and a clear howl, that's why I smoke Luckies," says Rin-Tin-Tin, well-known star of the silver screen.—Cornell Daily Sun.

ARCHERY FANS STRING BOWS

Dr. E. E. Hubert, Club President, Urges All Interested To Attend Meeting Wednesday

Archery, first adopted as an unofficial sport on the Idaho campus last spring, will swing into action for 1928 next week at a meeting of the Long Bow club called for Wednesday afternoon, April 4, at 4 o'clock in Room 35, Morrill Hall.

Dr. E. E. Hubert of the school of forestry, president of the club urges that all university men and women interested in the fascinating game attend the meeting. Arrangements will be made at this meeting for archery golf practice at the Moscow Golf club grounds east of the city.

Last year's officers besides Doctor Hubert include John F. Hulme, vice-president, and Wallace Saling, business secretary.

CHAMP "HOT-RIVET" TOSSER TO PERFORM

Norman Will Pitch 'em 60 Feet for Students' Edification

An exhibition of expert "red-hot" rivet tossing will be given Wednesday afternoon at the new memorial armory-gymnasium, now under construction, by E. J. Norman, north-west "heater man." All students are invited to the performance which will start at 3:30 o'clock, weather permitting.

Mr. Norman will throw the rivets a distance of more than 60 feet, placing them in an eight-inch can held by one of the other riveters. The rivet is heated white hot, and then is picked up with a pair of tongs and thrown, all in one motion.

Norman later will take the place of the pitcher and throw rivets to a catcher, with either James McGinnis or Frank Cochrane on the receiving end. George Sonntag will handle the "gun" and "shoot" the rivets. The well known White Sox double play will be emulated with slight change in the personnel.—Norman to McGinnis to Cochrane. There is plenty of chance for men to get in the "hot-box."

The heater will be placed on the south wall of the gymnasium so that the performance may be seen from the athletic field. As a further demonstration of their ability, the men will take the heater to the baseball field when work is over for the day, and Mr. Norman will stand in the pitcher's box and chuck rivets at another who will assume the catcher's position behind the plate. Several other features may be added.

Mr. Norman has been a "heater man" since 1909 and for the past several years has been recognized as the champion of the northwest in his specialty. He lives in Seattle.

TRACK MEN STILL USING LEWIS COURT

Squad Is Showing Very Good Early Season Form, Says Cap Bryan

Still unable to leave their winter quarters in Lewis court due to the wet weather, the Idaho varsity track squad is showing very good early season form according to "Capt." W. C. Bryan, coach. The sprinters particularly are doing very good work. While there is not enough space in the armory for the long and straight-hands dash men are taking advantage of their cramped quarters by practicing starts. Several of the sprinters are already doing better right now than they were at the end of last year season and should be a good deal better out in the cinder track is the opinion of Coach Bryan.

The distance squad of about eight men is working out daily under the leadership of Captain Don Cleaver, veteran distance man. The long winded boys do their laps on the improvised eighth-mile track behind the Administration building. As soon as the track on the athletic field has been put in shape, they will be able to use the quarter mile circle.

The distance squad has received a material setback by the fact that Glenn Griffith, star miler of the frosh squad last season, has been unable to work out for the past two weeks due to illness. It is probable that Griffith may not be able to compete at all this year. He was Cleaver's closest competitor and could have been counted on to take second in almost any meet on the coast, said Cap. Bryan.

The weight men with the exception of the shot putters have had no opportunity to work out yet but will begin their season as soon as the weather permits. Bill Kershnik and the Biff Collins have been heavily training for the shot 40 feet consistently and should be able to add at least a foot before the first meet April 23 at Spokane, when the annual quadrangular is scheduled.

Sid Pierson, Stackio Yrribar and Wallace James look best at pole vaulting. All three men have been clearing better than 11 feet with Yrribar and Pierson getting up to 11 feet 6 inches consistently.

Weather permitting the whole squad will be out side in another two weeks.

HORSESHOES
Girls interested in playing horseshoes should watch W. A. A. bulletin board for announcements of practice hours. Courts will be held behind the gymnasium and all girls are urged to turn out and practice for the May contests. W. A. A. points will be given to all girls entering

IDAHO DEBATERS LOSE DECISION TO MARQUETTE TEAM

Large Crowd Hears Forensic Team Argue on Press Question

IDAHO TEAM PRAISED

Loss on Interpretation of Question; Arguments Equally Good

Unable to overcome technical points of debating, Idaho's team lost by a unanimous decision of the judges to the Marquette university team at the auditorium last night, both at presenting arguments on a war with their more experienced opponents.

A crowd estimated to be between 700 and 800 people attended, the best turnout to a debate at Idaho in several years. Idaho's team composed of George Huber, Farnsworth Jennings and Ralph Peterson, upheld the affirmative of the question, "Resolved: That the Power of the Press is Increasing, Has Increased and Should be Diminished." Edward F. Mason, associate professor of journalism, presided.

Judges From Pullman
Judges were W. L. Iverson, superintendent of public schools at Pullman; M. J. Noyes, professor of public speaking; and J. Walter McLean, professor of military tactics, both at the Washington State college. Clarence Bell of the Pep Band played a trumpet solo, accompanied by Rachel Perrenoud on the piano. The trombone quartet also gave several selections.

The debate hinged on the interpretation of the word "power" in the question. The Marquette debaters, William P. Leonard, Herman Gueske and Herbert Steffens, insisted that Idaho had to suggest a remedy for the evils of the press that they presented in their arguments. Idaho's squad maintained that the question did not include that point, merely proof that the power of the press is and has been increasing and that re-

(Continued on Page 3)

MEMORIES OF PAST SHOWS HERE APRIL 3

Pep Band Performance Will Be "Shadows" of Former Days

"Shadows" or memories of the last two Pep Band shows, will be the feature of the concert to be presented by Idaho's Pep Band in the auditorium Tuesday, April 3, according to Sam Hutchings, student leader.

Plans for the show are nearly completed, and according to present indications, the concert to be given this year, will surpass all previously given by the Band, Mr. Hutchings said.

In Five Parts
The program will consist of five parts according to present arrangements. The first numbers will be selections from the music composed by Prof. David Nyvall, Jr. for the pageant "The Light On The Mountains." The second part of the program will be "Shadows," a revue of the last two shows. During this part the orchestra will be used.

Several marches played by the entire band are on the program for the third part of the concert. The fourth division will be a novelty skit, "The Village Band" which includes a number of solos which promise to have some very surprising features. A number of peppy marches will complete the program.

STUDENT SHAKEN WHEN TRAIN HITS

John Eaton Slightly Injured As Train Rams Front of Taxi

John Eaton, Emmett freshman, started driving a taxicab Monday to help pay his way through college but in less than an hour had driven his cap in front of the morning north-bound Northern Pacific passenger train.

Although severely shaken up, he received only minor bruises and scratches and Tuesday was resting easily at the Beta Theta Pi house. The car, a light sedan belonging to Ed Cruser, Moscow taxi line proprietor, was demolished.

Eaton had unloaded several passengers at the Northern Pacific station just before the train pulled in. He turned around in the circle at the depot, and falling to see the train in the morning's snowstorm, drove the car directly into the path of the train coming from the water tank south of the station.

The car remained upright after being struck. Eaton was knocked unconscious. He was taken into the station for first aid treatment and later taken to the home of the resident railroad physician.

TESS BURKE IN AUTO ACCIDENT

Former Student Hurt When Car Plunges Over Lewiston Grades; Mrs. Burke Dies Monday

Tess Burke, a student at the University of Idaho for the past two years, although not attending here at the present time, was one of the four people injured when their automobile plunged 600 feet off the Lewiston grade late Sunday afternoon en route to Spokane.

Miss Burke's mother, was fatally injured and died at 7 o'clock Monday evening in a Lewiston hospital. The other two occupants of the car were badly bruised and shaken, but not seriously injured. The car went off the grade when the sun struck the driver around one of the "chairpin" curves on the grade, the car catapulting 500 feet down the side of the canyon and then leaped 300 feet across a deep chasm to crash in a hole below.

Miss Burke while attending the university here was affiliated with Delta Gamma sorority and is well known here.

KAPPA ALPHA THETA TOPS IDAHO GROUP SCHOLARSHIP LIST

Only .031 Separates Three Highest in Women's Organizations

T. K. E. LEADS MEN

With Exception of Hays Hall, All Women's Groups Are Highest

Kappa Alpha Theta, national social sorority, with an average of 5.028 on a basis of 6,000 as straight "A's," tops the scholarship list of Idaho groups and halls for the first semester. Figures released from the office of the registrar, Tuesday morning.

Pi Sigma Rho, winner of the scholarship cup awarded on the basis of the entire year's average during the past two years, fell to third place, being barely nosed out of second by Omega Alpha. The latter group had a 4.997 average compared with 4.996 for Pi Sigma Rho.

Tau Kappa Epsilon leads all men's groups by a wide margin, although with exception of Hays hall, all women's groups placed ahead of the leading men's group. Although the 5.028 mark set by the Theta's this year, is the highest for the past four semesters, it is not higher than the 5.108 mark set by Pi Sigma Rho in 1924-1925, nor than the highest mark of 5.204 set by Pi Beta Phi in 1923, the highest mark of 5.204 set by Pi Beta Phi in 1923.

Sorority Women High
Average of all sorority women was 4.852 and all fraternity men 4.243, giving an average of 4.465 for all Greeks. Dormitory women averaged 4.631 and dormitory men 4.059. Barely .031 of a point separated the three leaders in the women's groups and only .350 divided the highest and lowest sorority groups.

The averages by groups in order follow:
Women: Kappa Alpha Theta, 5.028; Omega Alpha, 4.997; Pi Sigma Rho, 4.996; Pi Beta Phi, 4.866; Kappa Kappa Gamma, 4.805; Forney hall, 4.800; Gamma Phi Beta, 4.768; Delta Gamma, 4.741; Alpha Chi Omega, 4.678; Hays hall, 4.652.

Men: Tau Kappa Epsilon, 4.670; Beta Chi, 4.479; Sigma Alpha Epsilon, 4.471; Delta Chi, 4.431; Beta Theta Pi, 4.380; Sigma Chi, 4.360; Phi Gamma Delta, 4.245; Lambda hall, 4.114; Sigma Nu, 4.040; Phi Delta Theta, 4.014; Alpha Tau Omega, 4.012; Ridenbaugh hall, 3.957; Lambda Chi Alpha, 3.935; Kappa Sigma, 3.844.

WOMEN'S TENNIS TOURNAMENT ON

Results of First Round of Freshman Play To Be Posted Today Sophomores and Juniors Start Soon

Results of the first round of the freshman women's tennis tournament will be posted on the W. A. A. bulletin board some time today. The weather permitting, the second round of the freshman groups, and the first rounds of the sophomore and junior women will be played off by the first of April.

Notification of the matches which were scheduled Wednesday is being handled through the athletic representative of each group.

Rules for the tournament games are:
I Each girl will be notified by the athletic representative in her own house during what period she is to arrange to play her match.
II She is then responsible to get in touch with her scheduled opponent at once for definite arrangement of time.
III Players referee own matches, playing two out of three sets. Winners leave written report or results in box outside Miss Wirt's office within two hours after completion of play.
IV The four who play in semi-finals will constitute the class teams.
V Failures to meet appointment made, or failure for two to make appointments will constitute defaults. Girls who are interested in receiving tennis instruction given by Miss Wirt will meet in room 207, Ad. building, Friday afternoon 12:30 o'clock.

PARSONS BACK TODAY
L. R. Parsons secretary to the president, returned today from a business trip to Boise and Pocatello. Mr. Parsons left a week ago Monday.

HOOVER LEADS IN STRAW VOTE HERE, AL SMITH SECOND

Total of 525 Votes Cast in Balloting for Presidential Choices

HOOVER GETS 250

Vote Conducted for Independent Magazine in Nation-wide Campaign

A total of 525 votes were cast on the Idaho campus in the straw balloting for presidential choices conducted during last week, it was announced Monday by Blue Key, national upperclassman service fraternity, which handled the voting. Herbert C. Hoover, at present secretary of commerce, polled the highest number of votes, having a total of 250.

Al Smith, governor of New York, democrat, was second in the voting with a total of 159 votes. Following are the other results: Republicans; Charles Dawes 54, Frank O. Lowden 23, Charles Curtis 5, Frank B. Willis 3. Democrats: James A. Reed, 37, Thomas J. Walsh 12, Senator Donahue 1, Governor Rich 1.

The straw vote was taken here for the Independent Magazine of Boston, Mass., which is conducting such a vote at leading universities and colleges over the nation in an effort to ascertain the feeling among college students and faculty members as to presidential choices. Blue Key conducted the voting on the Idaho campus.

The report on the election was wired in to the Independent magazine Monday morning. This was the final date for getting election returns in.

Balloting here was light. This was undoubtedly due to the fact that the name of William Borah, Idaho senator and probable candidate, was left off the ballot, it was said. His name was not included as it was assumed that he will carry Idaho in case he should enter the presidential race.

SPRING FOOTBALL PRACTICE DELAYED

March Snow Makes Workout Impossible; Will Start Tuesday

Intermittent flurries of snow which made outside practice impossible Monday caused the initial spring football workout to be postponed until Tuesday evening.

Equipment for the six-weeks session was issued to the squad of approximately 30 men Saturday afternoon and as soon as the weather permits Coach Stewart Beam will start the prospective 1928 grid team on an intensive fundamental drill. Many frosh have reported for the spring workouts. These yearlings are the boys on whom most of the basic drilling will be spent in order that they may be ready to fit into Charley Erb's style when they return to school next fall.

The following men were issued equipment up to Monday afternoon: William Feiten, Russell Jouno, Gus Powell, Fred Tolsted, Rosenbaum, Eowhart, Russell Hall, Clarence Dittman, Hugh Sprout, William Bossler, Elmer Martin, Ordey Callender, Ken Beth Barrett, George Swindeman, Elliott Redman, Peyton Sommercamp, Dixon Farrow, Jack Booker, Aubert Frahm, Herbert Owens, Dick Thomas, Chud Wendle, George Scatterday, Frederick Werner and Harold Carlson.

PICK RIFLE TEAMS FOR COUGAR MATCH

Highest Men and Women Scorers Represent Idaho at W. S. C.

Selection of seven men and seven women to represent the University of Idaho Saturday afternoon in a double rifle match to be fired against similar teams from Washington State college on the Pullman range, were announced today by Major F. R. Fisher, coach of the women and Lieut. Charles H. Hart, Jr. men's coach.

Those having highest individual scores for the 1927-1928 year were selected on the teams for the final match of the year for both teams. Whether or not a return match will be fired here in April is uncertain. The winner of the match at Pullman will be honor guest at a banquet in Pullman following the matches.

Team names follow: Men—Elna Reid, Alta Tupper, Bee Bangs, Marylou Craven, LaRena Beson, Elsie Warm and Lillian Woodworth. Women's team—N. D. Luvaas, A. E. Hatch, C. A. Gregory, C. J. McCall, P. C. Manning, C. B. Collier and Arthur Griffin.

SIGMA ALPHA IOTA TO GIVE PROGRAM TONIGHT
The monthly program of Sigma Alpha Iota, women's honorary musical fraternity, will be given at Hays hall at 7:45 o'clock this evening. Anyone who wishes to come is invited, announced Pauline Baker, program manager, Monday evening.

Dorothy Whitenack, Eleanor Beam and Lucile Haddock will give piano solos. Vocal solos will be sung by Sylvia Oldman, Mrs. Lois Russell and Dorothy Frederickson. Pauline Baker will play the violin.

RECITAL WINS LARGE AUDIENCE

Miss Jennie F. W. Johnson Presents Difficult Program in Fourth Faculty Concert

With her usual ease and dexterity, Miss Jennie F. W. Johnson, contralto soprano, Sunday afternoon won a large audience in a difficult group of popular and classical numbers, in the fourth of a series of music faculty concerts in the university auditorium.

Miss Johnson's program was well chosen and divided into five parts which included classical numbers, American folk songs, operatic selections and numbers by modern composers. She was accompanied by Prof. Carl Claus on the violin during the latter part of her concert.

Mrs. Viola W. Oliver accompanied her on the piano.

JUNIOR MIXER TO BE REAL PARTY TONIGHT

First Class Entertainment Will be Feature of Last Mixer of Year

Outstanding entertainment is promised those who attend the last Junior mixer of the year, to be held tonight at the Blue Bucket Inn, according to Lambert Cannon, in charge of the affair. Climaxing the class activities of the year, this will be the last important meeting before Junior week, which will be April 9 to 13.

To Hear Junior Week Plan
Besides the entertainment and dancing, there will be a short business meeting, according to Elmer Bergland, class president. At this meeting committee reports will be made by Jess Lee Hall, in charge of the serenades, Hartly Kester, chairman of the parade committee and Estelle Pickrell who is working on plans for the assembly. New developments in the plans for the cabaret and party will be made by Clair Gale and Vesta Long.

Plans for the main event in Junior week, the Prom have been nearly completed by the committee, working under the direction of Jack Sheehan. The committee has gone the limit to provide decorations that will be new, novel and different than any Prom ever given on the campus. Although the nature of the decorations is being kept a secret, a few of the plans will be announced at the mixer tonight.

Representatives will be appointed for each group house on the campus and accommodations made for downtown students wishing to buy tickets for the functions.
Publicity for Junior week will be handled by Burdette Belknap, who has been appointed publicity agent by Elmer Bergland.

SWIMMING MEET TO RUN TWO NIGHTS

Number of Events Causes Change in Plans; To Be Wednesday, Thursday

Disagreeable weather that prevents outdoor baseball, track and spring football workouts has turned interest of the intramural sport fans to the annual swimming meet Wednesday and Thursday evenings of this week. Original plans scheduled the meet for Wednesday evening only but Manager Bill Guernsey and Coach Rich Fox, who is assisting with the arrangements, decided that there would be too many events to run off at one time. Competition will begin at 7:30 o'clock both evenings. Judges for the events will be Horace Porter, Bill Guernsey and Coach "Stew" Beam.

Considerable interest has been shown by many of the group houses to be represented in the meet, and competition is expected to be keen in all the events. Candidates have been working on their events for the past two weeks. Since the new diving board has been installed, it has been kept in almost constant use by the contestants getting into form for the new feature of the meet. Diving was not on the program last year.

Kappa Sigma with practically the same squad that won the meet last year from Sigma Alpha Epsilon by one point, Sigma Alpha Epsilon, Beta Theta Pi and Delta Chi are rated as having good chances of taking the cup, but any of the remaining group houses may upset the dope.

Events Wednesday evening include:
1. 50-yard, free style (4 times across pool)
2. 50-yard back stroke
3. 220-yard free style
4. Underwater swim.
Thursday's program will consist of:
1. 100-yard breast stroke.
2. 100-yard free style.
3. Diving—
A. Four required dives.
1. Swan dive.
2. Back dive.
3. Front jackknife.
4. Back jackknife.
B. Two optional dives.
4. Relay race (4 men, 80 feet each).
Each man may enter in two events and the relay.
Only two men from each group house will be allowed to enter in the same event.
Five points are to be awarded for a first place, three for a second and one for a third.

GIRLS BASEBALL
Girls baseball season begins this week. Freshmen and junior girls practice at 4:15 Monday and Wednesday afternoons and sophomore and senior girls on Tuesday and Thursday afternoons at the same time.

BIDS TO MATRIX TABLE GIVEN 30 SATURDAY NIGHT

Junior Girls to Attend Announced at Novel Serenade at Midnight

TO DINE WEDNESDAY

First Event of Nature on Campus; Given By Mortar Board

Invitations to Idaho's first Matrix Table were issued by Mortar Board to the 30 most outstanding women in the junior class at a general serenade to the girls' group houses on the campus at midnight Saturday.

Intense excitement and profuse applause greeted the announcement of the selections at different group houses. Plans had been carefully guarded, and the novel method of issuing bids at a serenade won unanimous approval. Verbal announcement of the selections were made at each house and the formal invitations to the banquet in the form of tiny rolled up scrolls were thrown in the windows. Johnnie Soden and his orchestra with a big motor truck as a platform furnished music.

Thirty Listed
The following women were given the coveted recognition:
Alpha Chi Omega: Margaret Ames, Norma Geddes and Zola Geddes.
Delta Gamma: Helen Taylor.
Kappa Kappa Gamma: Josephine Harland, Ethel Lafferty, Helen Ames and Margaret Thometz.
Hays hall: Dean Permeal J. French, Shirley Gunderson, Alice Kelly and Marlon White.
Forney hall: Mrs. Louise S. Blomquist, Helen Peshak and Pauline Baker.

Banquet Wednesday
The banquet will be held Wednesday evening at the Hotel Moscow banquet room. Miss Ada Burke of the English department will be toast-mistress. Beulah Brown will give the senior toast and Helen Taylor for the juniors. A four-course dinner will be served. Music and entertainment will be provided between courses.

Matrix Table is a national college institution and on most campuses is considered the highest honor a junior woman can receive. Scholarship and campus activities are the two main points which selections are based.
Mortar Board pledges who will be announced on campus day in May will probably be selected entirely from this group, according to officers.

PRINTER CONFERS ON 1928 YEARBOOK

Ralph York of Boise Firm Talks to Gem Staff Here Saturday

Ralph York, secretary of Syms-York Co., Boise, printers of the 1928 "Gem of the Mountains," was in Moscow Saturday and Sunday conferring with George Young, editor of the annual and staff members.

During his stay here he completed a dummy of the book and several questions of type selection and general composition were settled. Mr. York feels that from the appearance of material already turned the annual this year will be of outstanding nature.

Mr. York is an alumnus of the University of Idaho and a member of Beta Theta Pi fraternity.
Work on the yearbook is progressing and the staff expects to have all copy in hands of the engravers before April 6 and all printed matter will be sent to the printing firm in Boise immediately following.

In order to do this all copy for organization space contracted for in the 1928 book must be in before the end of this week. This includes names and classification of members of fraternities and officers and members of honorary societies and clubs. Some copy must necessarily be sent in later, hence copy for organizations and similar sections of the book must be turned in now in order to leave time for staff members to work on the other copy.

MILLER ATTENDS FORESTRY MEETING

Dean of Idaho Forestry School, Accompanied by Ben Bush Will Meet With Special Committee

Dean F. G. Miller of the Idaho school of forestry, in company with Ben E. Bush, state forester, left by automobile Saturday evening for Boise where the two men will attend the annual meeting of the state forestry board.

While in Boise, Dean Miller will meet with a special committee to confer on a program for the American Forest Week in Idaho, April 22 to 28. Dean Miller is due to return to Moscow Wednesday.

No husband likes to be treated like a dog. You can't feel dignified in a woman's lap.—McGee Daily.

A GOLF COURSE—YES!

THE University of Idaho campus is decidedly lacking when it comes to athletic facilities for the use of the students. A few tennis courts are expected to provide playing room for the entire student body. But, where we are lacking altogether is in having a golf course of any shape or form.

There has never been a move instigated among the students for the establishing of a course here, but it is high time that something was being done. There are few campuses in the country today that do not have at least a nine-hole course. Many institutions turn out golf teams for intercollegiate and intramural competition, while the principal use of the courses is for student recreation.

During the recent spring weather, a person walking about the campus and on the athletic field in the afternoon would have received the impression that he was on the golf links. Many students were seen knocking golf balls about the campus and MacLean field, using these places as improvised golf courses. Fraternally lawns were also put to this use. It is not an unusual occurrence for a group of students to drive to Lewiston for the one purpose of using the Lewiston links. Sometimes they go to Pullman and play on the Washington State college course.

With this being the situation it is very evident that there is a call for a good golf course for Idaho students. It should not be necessary for our men and women to have to journey to a neighboring town for such recreation. Golf is gaining in popularity throughout the Pacific Coast conference area. At the conference meeting held last week at Seattle this sport was the subject of much discussion and the possibility of recognizing it as a conference sport was taken up. If this is done, Idaho will be caught napping and won't be able to put a team in the field, for we won't even have a course.

The first thing necessary, in launching a campaign to realize a golf course, is to arouse enough interest among students to show that students must talk the idea up and then demand a course. Financing of such a project is the big item, but when there is sufficient demand for it there is little doubt that a suitable plan can be worked out.

Get behind this project, and by the opening of school next fall we will have a course within a short distance of the campus!

A GOOD INDICATION

FOUR hundred and twenty-five students in the university made averages of five point and higher for the first semester of this school year. This is the largest number of students, in the history of the institution, to receive such scholastic honors.

This is in itself a good indication that Idaho students are entering more and more into the educational side of college life. An incentive for students to work for higher grades was provided the latter part of the first semester when the academic council approved to plan to allow all students making a five point or higher to cut classes without penalty. This is undoubtedly one of the goals toward which students were working.

There are, in all institutions, a certain number of students who will hit above the five-point mark all the time. Then there are those students who are capable of making "B" grades, but unless they can see some certain advantage to be gained in doing so, they will not take the trouble. The privilege of cutting classes without penalty may seem somewhat trivial, but to the student it is a nice feel-

ing to know that his grades are high enough to allow him to cut now and then. It is safe to say that about 90 per cent of the students in the five-point list have not taken advantage of the new ruling since the semester opened. The faculty holds a check on those who try to abuse the rule, for in such a case the privilege will be revoked.

As the semester progresses, it is well to remember that the five-point rule will be in effect next year.

COAST DEBATE FOR IDAHO ENDS SOON

To Contest Washington and Oregon Last of March

The Pacific Coast conference debating season for the University of Idaho will come to a close Saturday, March 31, with a clash between the University of Washington and Idaho at Seattle. The University of Oregon sends a team here March 29, with both teams debating the Nicaraguan question.

Resolved: "That the United States Policy of Armed Intervention in Nicaragua is Unjustifiable", is the question upon which Idaho will match arguments with Oregon and Washington. John Ewing and Walter Dean will represent Idaho on the affirmative side against Oregon here while Walter Slaughter and Dean Newhouse will uphold the negative side against the Husky forensic duet two days later.

The encounter with Oregon here promises to be one of the best ever held on the Idaho floor because of the universal interest in the question and the use of Oregon style of debate. The Nicaraguan question has been used by practically every school in the United States for this season's clash of wits, and has also held newspaper limelight.

Under the Oregon style of debate both negative and affirmative sides are allowed a 20-minute statement and between each long speaker the opposition is allowed a 10-minute cross examination of the speaker. The rebuttal or condensation consists of a 10-minute restatement and summary for each side.

Miller-Johnson Hold Race to Park Cars

"By the odds of Ben Johnson, if she hasn't beat me to my parking place again this morning," said George Morey as he brought his car to a halt on the sidewalk crossing at the south side of the Administration building shortly before 9 o'clock one morning. "I shouldn't have taken the time to stop and see the boys at the Fiji house and then I would have been here in time to park right here by the side walk instead of way down there near the tennis courts." These remarks were addressed to no one in particular, for there was no one around except the owner of the car.

There had been keen competition all year between the head of the English department and Miss Jensen for the "choicest" parking space in rear of the Ad building. One day George Morey would pass Miss Jensen on the street leading up to the campus and just barely bring his vehicle into position as the Ford swung up behind him. Other times Miss Jensen got up earlier in the morning and put into practice the old proverb that "the early bird catches the worm."

The race is usually so close that whoever is in the lead has not time to swing the car around and park at right angles to the road. For in completing this maneuver the other contestant might have time to drive into the parking space parallel to the street. At least, when this space at the sidewalk crossing is taken, the car parked there is nearly always parallel to the road and sometimes partly on the sidewalk so that students are forced to step off the walk in order to get by. But still the race goes on.

HELEN HUNTER TO MALAD

Helen Hunter is the first of the home economics forthcoming graduates in this year's graduating class to receive a position for next year, being placed on the home economics faculty at Malad. She succeeds Julia Pond, who graduated here last year, but who is now being considered for extension work.

DANCE FESTIVAL TO BE MOST COLORFUL

Miss Johnson, Pep Band and Male Quartet Also to Appear on Program

Taps and Terpsichore, the most elaborate and colorful dance festival ever staged at Idaho will be presented by W. A. A. in a single performance, at 8:30 o'clock Thursday evening in the auditorium.

As a result of several months of intensive training and careful planning the festival is already a finished program and the remaining work consists of making the costumes and the stage properties.

About 70 girls take part in the festival which is divided into four groups of dances. The program is: Overture The Torch Dance...German The Coming of the Water.

- 1. The Spirits of the Waters
2. The Spirits of the Wastelands
3. Trees
4. Death and the Maiden...Schubert
5. The Wounded Warrior...Chopin
6. Rumor
7. Ding Dong Bell

The Festival of the Nations

- 1. England...Ribbon dance
2. Ireland...Kerry dance
3. Hungary...Csebogar
4. England...Sailor's Hornpipe
5. Sweden...Reap the Flax
6. France...The Vineyard
7. Finland...Bouncing Heart
8. Scotland...Highland scottish
9. America...Dances arranged to World War songs.

Disbursements

- 1. La Jota Argonessa...Cramer
2. The Newsboy...Greig
3. The Waltzing Doll...Poldini
4. England...Clarice Anderson, Dorothy Taylor, Lillian Woodworth
5. Moravian Dance...Thelmer, Elizabeth Dunn, Mildred Williams

In the Bottoms

- Prelude...Dett
Piano, Josephine Harland, violin, Pauline Baker.
Negro Spirituals Love Songs...University of Idaho Male quartet
His Song...Dett
Josephine Harland and Pauline Baker
Swanee River
Topsy
In the Cornfield
Honey...Dett
More Honey...Dett
Dixie
Arkansas Travelers
Juba...Dett

Jessie Little is general chairman of the Dance festival, which is under the supervision of Miss Lillian J. Wirt and Mrs. Abe Goff, Marcella Kramer, Margaret Scilley and Florence Rudgers are business managers.

After having had a great deal of correspondence to get the insurance adjusted on her late husband, a widow wrote: "I have had so much trouble over getting this money that I sometimes wish my husband hadn't died"—Radcliff Daily.

Paul Whiteman Likes the Toasted Flavor of Luckies - His Favorite Brand

"It was but recently, when I started to act as master of ceremonies with my band at the Paramount Theatre, that I realized how vital perfect voice condition was to a performer. I have always been a consistent smoker and fortunately, Lucky Strikes were my favorite brand. I like their toasted flavor and, best of all, I can smoke as often as I like, without fear of irritating my voice, which is becoming a great asset in my work."

Paul Whiteman

Prominent Tobacco Buyer says: "The Cream of the Tobacco Crop" goes into Lucky Strikes "Discriminating smokers know the excellence of Lucky Strike Cigarettes by their distinctive taste, flavor and lack of bad after-effects. We buyers know why Lucky Strikes possess these superlative qualities; because we buy the 'Cream of the Crop' for their manufacture."

"It's toasted" No Throat Irritation-No Cough.

Spring formals are quite in vogue now. The formals given by Beta Chi and the Pre-Med club were two of the prominent social functions of last week end.

The Beta sport dance on Friday night was the occasion for a display of new spring outfits, but the change of weather yesterday indicates that such things will be rather inappropriate for a while.

The Junior Mixer Tuesday and the "Taps and Terpsichore", a dance demonstration given by W. A. A., Thursday will afford welcome mid week recreation.

This week end society will be especially gay with two formals and a number of informal dances scheduled.

BETA CHI FORMAL AT BUCKET

Beta Chi entertained with a spring formal dance at the Blue Bucket Inn, Friday evening, March 23. Decorations were carried out in a simple style, suggestive of spring. An illuminated crest of the fraternity presented an attractive lighting effect. Music was furnished by Clair Gale's orchestra.

Faculty guests included Miss Permele French, Dean and Mrs. E. J. Tidings, Dean and Mrs. Ivan C. Crawford, Dr. and Mrs. C. L. von Ende, Dr. and Mrs. G. M. Miller and Dr. and Mrs. J. A. Kostalek.

Guests present were Eleanor Hislop, Pullman; Joanne Cunningham, Spokane; Pauline Pizey, Elsie Warm, Esther Percy, Ada Jones, Sylvia Oldman, Evelyn Styner, Ethel Larson, Fern Kershner, Edith Lennox, Ruth Ramstedt, Ruth Story, Lois Kennedy, Helen Matson, Freda White, Eleanor Wiberg, Alice Stamm, Katherine Beam, Ruth Newhouse, Eleanor Songer, Edna Richards, Ruth Remberg, Edna Rice, Caryl Thompson, Emily Osgood, Bernice Parish, Clarice Anderson, Thelma McGinnis, Betty Driscoll, Mary King, Josephine Broadwater, Lucile Haddock, Grace Jain, Eleanor Jackson, Inez Azucena, Wilma Burton, Phyllis Shirley, Cleo Decker, Florence Sampson, Dorothy Taylor and Grace Shellworth.

Leroy Long, Alden Tall, Asael Tall, Ryle Lewis, Paul Gowan, Albert Neighbor, William Callaway, George Young, Donald Warner, Donald August, Kenneth Jones, Gus Bjork and George Paulson.

PRE-MEDS GIVE ANNUAL FORMAL

Vari-colored flood lights were the effective means of decorating the Beta house at the annual Pre-Med formal dance Saturday evening. More than 40 couples attended the affair.

A patent medicine vendor, suave and eloquent, was the character portrayed in the intermission stunt by Fred Auger. William Gale as his Swedish assistant, brought prolonged applause from the audience with his clever Scandinavian dialect. An encore number in which he explained "I look dis way" was well received. Harold Packer's orchestra furnished the music.

Patrons and patronesses were Dr. and Mrs. J. Harry Elnhouse, Dr. and Mrs. C. O. Armstrong and Miss Edna Peterson.

Guests were Margaret Haga, Grace Jain, Grace Shellworth, Janet Deacon, Elizabeth Chapman, Virginia Vance, Dorothy Howerton, Patsy Payne, Edna Rice, Verna McMahon, Eleanor Songer, Ada Jones, Jennie Stewart, Virginia Lee Macguire, Wilma Burton, Mary King, Dorothy Taylor, Dorothy Messenger, Louise Simmons, Jane Maxwell, Madeline Yeo, Helen Clements, Germaine Gimble, Ruth Johnston, Marifranjes Geisendorfer, Margaret Ames, Miss Ziemann and George Ann Brown.

Russel Tuttle, Herman Walker, Ray Dewey, John Wimer, William Gallacher, Jessa Buchanan, Cecil Hansen, Paul Rudy, Jack Levander, Arthur Simm, Hal Bowen, Paulson and Currie Teed.

Avin Sable and Major L. Younce of Milwaukee, Minn., members of the Marquette university debating team, were house guests of Phi Delta Theta Monday. The men were here for the debate with the Idaho team Monday night.

Mr. and Mrs. Eugene Ware and daughter, Mary, of Coeur d'Alene were dinner guests of Phi Delta Theta Sunday. Miss Ware is attending the University of Washington, having returned to her home during spring vacation.

Hays hall dinner guests Sunday were: Freda White, Elnor Jackson, Flo Mathewson, Beulah Papesch, Betty Driscoll, Virginia Peck, Margaret Becker, Dorothy Fredrickson, Katherine Pence, Catherine Morley, Maxine Fagerstedt, Louise Dunlap and Alice Bell.

Dinner guests at Hays hall Thursday evening were: Dr. and Mrs. J. E. Wolsedale, Dr. and Mrs. H. S. Warren, Dean and Mrs. J. F. Messenger, Dr. and Mrs. R. D. Russell, Dr. and Mrs. J. W. Barton and Professor Easley.

Gamma Phi Beta entertained the mothers at a fireside Sunday evening. Those present were Mrs. Thompson, Mrs. Humiston, Mrs. Morris, Mrs. Tordeling, Mrs. Owings, Mrs. Ramstedt, Mrs. Richardson, Mrs. Benham and Mrs. Dewey.

Miss Amy Churchill a Gamma Phi from the University of Washington, was a dinner guest of Gamma Phi Beta last week.

Miss Jensen entertained the seniors of Gamma Phi Beta at a slumber party Sunday night. Those present were Barbara Rugg, Louise Simmons, Lucille Eaton, Agnes Bowen, Virginia Hulburd and Helen McConnel.

Guests were Wilbur Yearstey, Ralph Simons, Aubert Frahm, Matt Beglan, George Swindaman, Carl Nicholson, Smith Miller, Patrick Walker and Harry Schuttler.

Sunday dinner guests of Alpha Chi Omega were Helen McConnel, Lucille Eaton, Dorothy Hall, Grace Shellworth, Verna McMahan, Ann Burns Dorothy Nixon and Janet Deacon.

Sunday dinner guests of Sigma Chi were Mr. and Mrs. T. S. Kerr, Helen Kerr, William Pittman and Parker M. Holmes.

Helen Jensen was a Saturday dinner guest of Kappa Kappa Gamma.

Sunday dinner guest of Kappa Kappa Gamma were Gusste-Maher, Margaret Fowler and Lorraine Christianson.

Eleanor Hislop, Washington State college, was a week end guest of Kappa Kappa Gamma.

Miss Betty Stewart left for Seattle, Sunday afternoon, after spending the week as a guest at the Kappa house.

Dinner guests of Kappa Kappa Gamma, Thursday were Dave Cook, Tom Boardman, Merle Frizzell, Lucien Oliver, William Holden, Hugh Felts, William Crooks, William Gallagher and Donald Augst.

Stoddard King was a house guest of Phi Delta Theta Tuesday and Wednesday of last week.

Helen Macey was a Sunday dinner guest of Kappa Alpha Theta.

Sophomores of Pi Beta Phi entertained at an informal supper dance Saturday evening. Low bowls of violets and lavender tapers were used as decorations.

Ralph York, Boise, was a week end guest of Beta Theta Pi.

Miss Claude Hollis was a week end guest of Beta Theta Pi.

Clarence Hanzel and Leigh Banbury were Monday luncheon guests of Beta Theta Pi.

Johnny Wagner, Potlatch, was a guest at the Beta sport dance Friday.

Dinner guests of Sigma Alpha Epsilon Friday were Mrs. R. H. Hall, Coeur d'Alene, and Jess Lee Hall.

Waldon and Leonard Reiniger were guests of Sigma Alpha Epsilon at dinner Sunday.

Oral Luke was a Thursday dinner guest of Sigma Alpha Epsilon.

Elmer Rolse and Robert Washburn were Sunday dinner guests of Beta Chi.

Sunday dinner guests of Omega Alpha were Lucile Anderson, Margaret Gnaedinger, Agnes Bowen, Helen Milliken and Patsy Payne.

Catherine Baker was a Sunday dinner guest of Pi Sigma Rho.

Wilda Langdon and Nina Newman spent the week end in Lewiston.

guest of Pi Beta Phi Sunday.

Hosea Evans, Neal Holm and Neil Nelson, Spokane, were week end guests of Sigma Chi.

Merl Alexander, Whitman college Walla Walla, was a guest of Sigma Nu over the week end.

Harold Thornhill was a Sunday dinner guest of Sigma Nu.

Guy Wicks was a guest of Sigma Nu over the week end.

Mr. and Mrs. Clarence Hiertner, Lapwai, were guests of Sigma Nu Sunday.

Leora King was a week end guest of Beta Theta Pi.

Dr. and Mrs. J. A. Kostalek, Mr. and Mrs. Rich Fox, coach Stewart Beam and Amy Churchhill were dinner guests of Beta Theta Pi Thursday.

Thursday dinner guests of Alpha Chi Omega were Albert Neighbors, Robert Hoage, Allen Norell, Lawrence Manning, Ray Nims, Olive Adams, Henry Martin, Hot Testchman, Percy Wilcox, Stewart Maxey and Vilas Prater.

IDAHO DEBATERS LOSE TO MARQUETTE TEAM (Continued from page 1)

restriction is necessary. Superior fluency and technique of the Marquette men was the deciding factor in awarding the decision, according to the judges, who said the Idaho men's arguments were, if anything, a little better than those of their opponents.

Idahoans Praised Dean Duffy, coach of the Marquette squad, said the debate last night was by far the best that had been presented against his team in the 1927-28 schedule which so far has included 97 debates. Idaho's arguments will be printed in the Wilson's Debaters' annual for 1928, one of six debates in the United States to receive that distinction.

On this trip the Marquette men have so far debated 10 times and in four decision debates have lost three. The debate was formal.

TOWN GIRLS PUT OUT NEWS LETTER

Alumnae and Members Will Get Resume of Present Undertakings of D. T. G.

About 75 alumnae and former members of the Organization will receive the news-letter which is being put out by Daleth Toth Gimel, town girls' group. Margaret Wilson and Gladys Oiler have charge of the letter giving a resume of undertakings of the group during the year.

A candy sale, to be held at Hays, Pomeroy, Ridenbaugh and Lindley halls Saturday, will be one of the undertakings to be listed.

Paris style experts say skirts are going to be longer this year. Let's go home, guys, show's over.—Purdue Exponent.

Waxes Poetic Over Favorite Tobacco

"A Prescription"

Have you ever noticed right after a meal How tired and lazy you always feel? I'm telling you folks it isn't a joke. It will freshen you up if you try a good smoke. But whatever you do these lines you must heed. There's a certain tobacco of course, that you need. It's packed in a tin, the tin's colored blue. Not only the smoking but the chewing kind too. Of course if you never are bothered this way, just keep the prescription for some other day. Ask for tobacco, the best that's on earth; To shorten the story, just call it "Edgeworth." Chas. J. Butler Owensboro, Ky. Feb. 2, 1927

THIRD THREE-ACT PLAY APRIL 19, 20

"The Butter and Egg Man" Will Be Given By Veteran Cast

April 19 and 20 are the dates set for presentation of "The Butter and Egg Man," the third three-act play to be staged by the advanced play production class this year under the direction of John B. Cushman.

Four prominent campus Theatians will make their farewell appearance in this production Beardslee Merrill, Alene Honeywell, Beulah Brown, and James Allen, all of whom had parts in "Good Gracious, Annabelle!" and "Not Herbert!"; and had also gained recognition previously in dramatic work.

Six are cast for the first time in a three-act play: Jess Honeywell, Ethel Lafferty, George Justice, Dan McGrath, Miriam Howerton, and Lillian Woodworth. Miss Woodworth will take the part which was originally assigned to Pauline Brown, who underwent an operation for appendicitis Monday.

Frank Egbers, Burdette Belknap, and Matland Hubbard complete the cast.

R.O.T.C. RIFLE TEAM GETS EVEN BREAK

Season's Scores Show Eight Wins and Eight Losses

An even break eight matches won and eight lost, is the record of the University of Idaho R. O. T. C. rifle team for the 1927-1928 season, according to figures released today by Lieut. Charles H. Hart, Jr., coach.

Idaho fires this week in the national matches, and to present time her status in the Ninth Corps area shoot for the Pacific coast has not been announced here. Season match scores follow:

MISS CRAWFORD IN SECOND RECITAL

Piano Concert Will Be Given In Auditorium Sunday Afternoon at 4 O'clock

A piano recital will be given Sunday afternoon, April 1 by Miss Agnes Crawford of the music faculty. The hour of Sunday afternoon recitals has been changed from 3:30 to 4 p. m.

Miss Crawford's recital will include a Mozart sonata, a Chopin group and a group of modern pieces by composers of French and British schools. This is Miss Crawford's second recital of the season.

FRENCH BANQUET GIVEN BY HOME EC

Nine Courses of Typically French Dishes Served by Peasant Girls

Thirty-two persons were entertained at the French banquet given by the junior home economics girls for the seniors in the department. Friday evening at 6:30 o'clock in the home economics rooms. Miss Alah Lewis, instructor in foods, supervised the banquet.

Nine courses were served, all dishes being typically French. Some of them had never been tasted by the guest, before. Isabel Maggart, Nell Turner, Gwendolyn Griffith and Virginia Vance, dressed as French peasant girls, served. Doris Snow, dressed as a head waiter, officiated at the carving.

During the meal Ada Henry, accompanied by Laura Clark, who played a piano solo, played several violin selections. Rachel Jenks, accompanied by Catherine York, sang. Patsy Sfraneck and Betty Hatfield gave two dances.

Lillian Diethelm, junior, was toastmistress. Ella Waldrop gave a toast for hostess class, "Pour le Bonheur."

FOX ANNOUNCES ALL-GREEK HOOP TEAMS

Lindley Hall Places Three Men on First Team; O'Brien, Center

All-Intramural Basketball Teams

First Team
 Everett Lawrence, Beta Theta Pi, forward
 John Herndon, Lindley hall, forward
 James O'Brien, Kappa Sigma, center
 John Glase, Beta Chi, guard
 Bud Rutledge, Lindley hall, guard

Second Team
 Edwin Beyer, Sigma Chi, forward
 Wallace James, Sigma Alpha Epsilon, forward
 William Rosenbaum, Lindley hall, forward
 Boyd Hodson, Delta Chi, guard
 Harold Drummond, Beta Theta Pi, guard

Honorable Mention
 Homer Brock, S. A. E.; Bert Richardson and Melvin Sohns, P. G. D.; Arthur Bartol, E. M. A.; Peyton Sommers, Kappa Sigma; Lloyd Albertson, Beta Chi; Arthur Cheyne, S. A. E.; Kenneth Jones, Kappa Sigma; and Harold Homing, Lindley hall.

Two men from Lindley hall's championship basketball team were awarded places on the first all-intramural team by Coach Rich Fox varsity basketball mentor in his selections announced Wednesday afternoon.

Herndon, forward, and Rutledge, guard, represent the trophy winning squad on the all-school team. Herndon was second high man in the individual scoring race and Rutledge was one of the most dependable guards in the tournament in addition to his scoring ability that gave him seventh place with a total of 42 points.

Choice Difficulty
 Everett "Whitey" Lawrence, Beta Theta Pi, was chosen as running mate for Herndon due to his remarkable shooting and work in several games. Beta Theta Pi did not get into the finals but Lawrence was undoubtedly one of the best scorers in the series. Eddie Beyer, Sigma Chi was a very close competitor of both Herndon and Lawrence but the Sigma Chi team dropped out of the championship running early in the season and Beyer did not have an opportunity to get into action against all the teams. The floor work of Herndon and Beyer was much the same, but Herndon score more points in a fewer games than Beyer and therefore was given first call, said Coach Fox in commenting on his selections.

O'Brien, first choice for center, was individual high scorer of the tourney with a total of 64 points, five more than were made by his closest competitor, Herndon. He averaged nine points a game up to the finals and scored three points in the first game against Lindley hall. In the second quarter of the second and last game he dislocated his knee and was unable to play during the remainder of the game.

Glase Consistent
 As a running mate for Rutledge, John Glase, Beta Chi guard, was selected as one of the most outstanding defensive men. Glase was not a high scorer but he was a good ball rustler and piloted his team into second place in "A" league after taking an early season defeat.

All choices were close, the men selected for the second team being almost on a par with the first string. All ten men were very closely pushed by those given honorable mention. The race between Hodson and Brock was particularly close. Hodson was

PLAN TO STOP GRID GAMES VIA RADIO

Graduate Managers Say Broadcast Cuts Down Attendance

Broadcasting of Pacific Coast conference football games will not be allowed in the future it was decided at the convention at Seattle last week end of representatives from northern division schools according to George E. Horton, graduate manager of the university who returned to Moscow Saturday after spending two days at the conference in the Idaho debate.

Broadcasting of games detracts attention from college games that may be being played at the same time and materially diminishes the crowds at high school contests, the delegates decided. Lack of spectators entails a financial loss that should not be incurred by the conference teams at the benefit of the former schools.

Discuss Schedule
 The matter of drawing up football schedules for four years in advance was discussed but no action taken at the meeting. Possibility of arranging schedule of swimming meets between Pacific coast conference teams was also taken up and favorably discussed. Several schools in the conference have regular swimming squads that compete with one another each season but the sport is not yet rated as a major activity in the conference. In the new gymnasium now being built for the University of Idaho there is to be a swimming pool and it is very likely, says Mr. Horton, that Idaho will be competing with other coast schools in the water in a few years.

Golf and tennis were discussed as possible conference sports. Golf is gaining a wide interest among the southern schools in the conference and is being played enthusiastically in Washington and Oregon schools.

Discuss Tennis
 Tennis teams in the northern division were reduced from five to four men each. Tennis is a minor sport but is rapidly gaining interest in the west.

Other matters pertaining to the general policy of the conference, including the possibility of arranging the baseball schedules in the same manner as the basketball series, were taken up.

Delegates were present at the meet from Washington, Washington State college, Oregon Agriculture college, Oregon, Montana and Idaho.

An announcement was made to the effect that the University of California will send her track team to the conference meet at Missoula June 2. On the U. S. C. squad are such well known athletes as Charley Borah, joint holder with Charley Paddock of the 100 yard record and Les Barnes, who is pressing Sabin Carr of Yale for his record in the pole vault. Barnes has cleared 14 feet on several occasions and is very little behind the 14 feet 1 inch mark of Carr.

If your nose is close to the grindstone rough, and you hold it down there long enough, in time you will say there's no such thing as a free lunch.

All brooks that babble and birds that sing; these three will all the world compose, just you, the grindstone, and your nose.—Daily Princetonian.

No Assembly Hour This Week so What Will the Poor Studes Do—Huh?

For the first time in 10 years, the University of Idaho will be without its regular assembly this week. Conflict of dates in arranging speakers has left a blank space on the program, the first, with exception of special and examination weeks, since 1918, it is believed, by members of the public events committee. Hence "No Assembly" signs greeted students this week as they scanned the bulletin boards for an announcement of this Wednesday's assembly program.

Now just what to do with this free hour is the big question at the present time!

POSTPONE NET PLAY DRAWINGS A WEEK

Bad Weather Halts Tennis Matching This Week; Will Resume In April

Drawings in the men's open tennis tournament have been postponed until next week, it was announced Monday by William Callaway, manager. The entry list was closed Saturday and drawings were to have been made yesterday.

Bad weather has made it necessary to postpone the tourney until court conditions will permit play to proceed. Drawings will be held in a few days with the players to be matched. All men students on the campus, except tennis lettermen, are eligible to enter the tourney.

GIRLS' FIRING SQUAD HAS GOOD RATING

Major Fuller Thinks Idaho Should Come Out Near Top

Just where Idaho stands in the National "Dot and Circle" match, women's intercollegiate rifle shoot, is not certain, but in the opinion of Major Francis R. Fuller, coach, it should be somewhere near the top. Girls are firing in the shoot this week.

Idaho women, however, are not equaling early season shooting. Major Fuller points out, largely due to six week quizzes and also to loss of Avis Bowdish, called to California because of the death of her mother. Firing in the national match began Monday, March 19, and closes Saturday.

Idaho's national shoot team comprises: Alta Tupper, Elva Reid, Myrion Craven, Elsie Warm, LaReta Beeson, Beulah Banes, with Lillian Woodworth and Opal Garret as alternates.

New Rules Made
 A new target, and continuous fire with certain time limits fixed is an additional hindrance to high scoring.

GOLF INSTRUCTION WILL START SOON

Weather Permitting W. A. A. Classes Will Be Resumed the First of Next Week

If the weather permits, golf practice for women, will begin April 3, on the athletic field. All those who are interested should sign immediately on the W. A. A. bulletin board.

Classes will be under tutelage of Fred Auger. Two lessons due those who registered last fall can be made up at 10:30 or at 1:00 on Tuesdays and Thursdays, March 27 and 29. A small fee covering charges for instruction and use of W. A. A. balls and clubs will be charged.

A perpetual trophy is the prize of the national shoot and to become the property of any one institution, must be won three times in succession. It is now held by the University of Maryland.

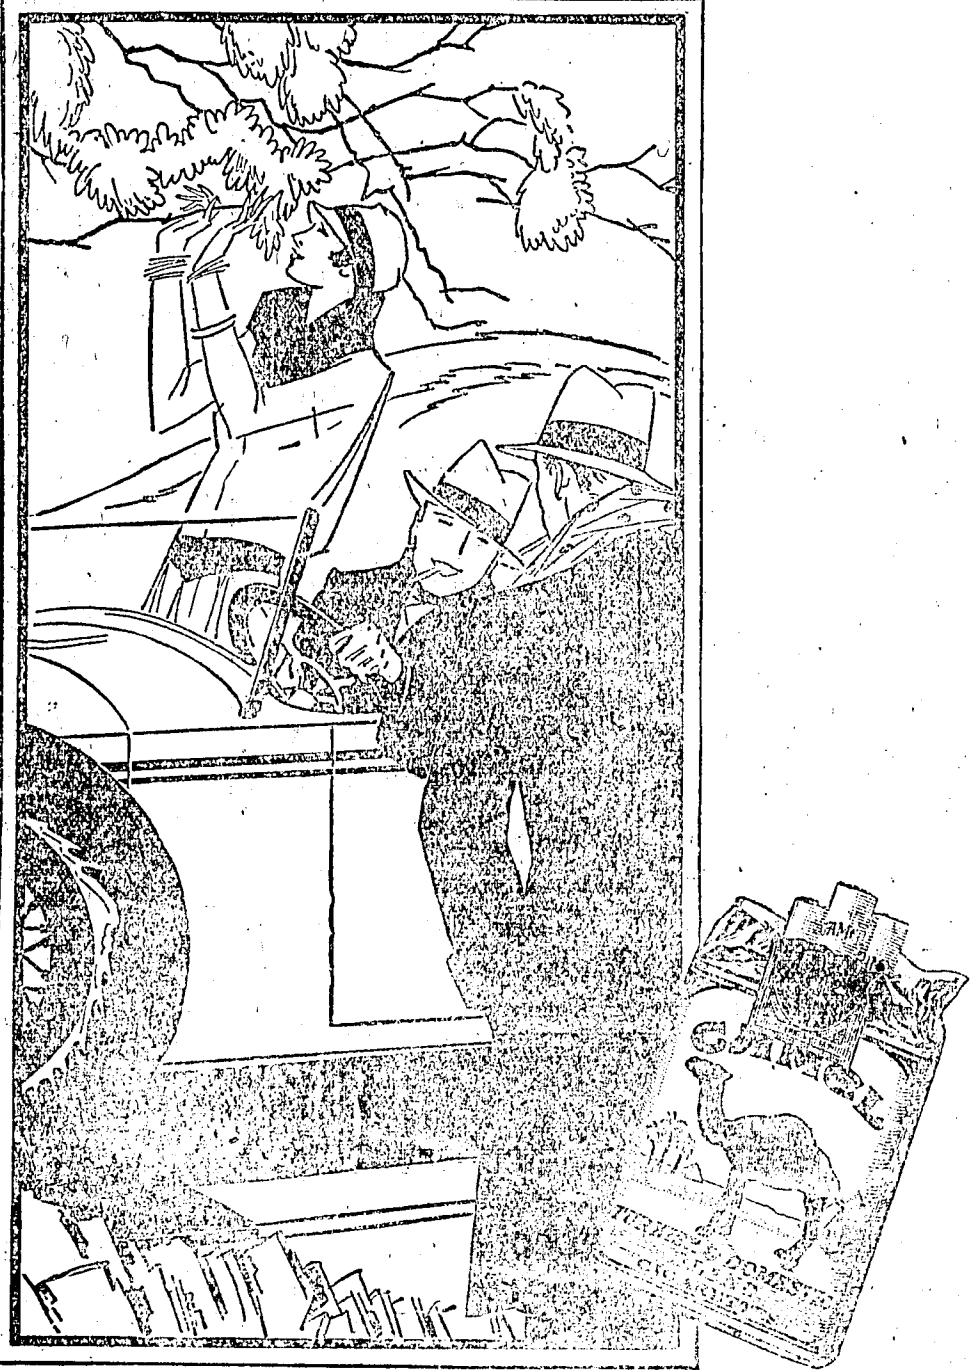

A mixed team of seven girls and seven men will shoot against Washington State college at Pullman Saturday, March 31. Losers in the match will be hosts at a dinner following the match. A return match may be fired here some time in April.

- New Braided Leather Belts in grays and browns \$1.50
- Plain and Fancy Leather Belts \$1.00 and \$1.50

CREIGHTON'S

Here's some "inside stuff" on smoking

SOMEWHERE in the neighborhood of your center of gravity there's a spot devoted to smoke appreciation. We could describe it more fully, but this is no organ recital. The point is: Light a Camel, pull in a fragrant cloud of cool joy—and listen to your smoke-spot sing out—"Halcecooya!" As the noble redskin puts it—we have said!
