C. C. Vincent, instructor, used the greenhouses for his laboratory for the class that afternoon. Ice cream cones, purchased on the way by classmembers, helped to keep them cool.

Spring Motif Carried Out in Final Number of Literary Quarterly, Kirkham, Designs Cover "Whew! Hotter than ever in here!" was the verdict when the party reached the greenhouses, where, aid-

the up was shown by the students. Many questions were asked by students, en-

a parting gift when the class departed to return to the class room.

Button, Button, Who's Got-

can for the industry reports.

Present indications are that summer school sessions this year will have the largest enrollment of any year heretofore. Large numbers of Idaho schoo isuperintendents and principals will attend according ito Dean J. F. Messenger. There will be 33 Instructors on the faculty of the school at Moscow and the Bolse branch. Wisiting men will give lectures during the sessions which should add variety to the usual class lectures.

Regular Wednesday student assem-blies will not begin until the week of June 11, that is, after the six weeks ummer school starts.

Two noted artists who will give concerts are Waldemar Geittch, a well-known violinist, and Louis Vistor Saar, a prominent planist, of Chicago.

Two Matches in First Round of Singles Tournament

Alan Dailey, by winning from O. C. R. Stageberg 6-1, 6-4 and from Glenn Havens 6-1, 3-6, 9-7 took the lead in the faculty men's tennis singles tournament now under way on the courts behind the Administration

building. .Dailey is the first of the 16 candidates to finish the second round of play.

Other results of the first round were: Havens defeated Artel by de-fault; Fahrenwald defeated Jacob 6-0, 6-1; H. O. Davidson defeated Fuller 6-4, 6-2; Morean defeated Schuldt by default; Taylor defeated Holm 6-1, 6-0. Two matches of the first round, remain to be played.

the ASUI purchase some property on Press) the west side of the farm and trade this to the university for property close to the campus. Purchase of NEW ARBORETUM property immediately west of the arboretum for a course is also being considered.

- Either of these plans would work in nice shape and it is hoped that son.e definite action will be taken to secure a course before school opens next fall.

INTELLIGENT CYNICS

ONE of the many things we have never been able to understand work upon a new arboretum was be-gun by the forestry department of the University of Idaho. The old upon going through college is just area west of the university will still why a person must be ultra-cynical in order to pass. intelligent. AS soon as a great many students

have read a bit of "heavy stuff" or have taken a course or two in philosophy and have considered the intricate problems of life mere frivolities they must now sneer at everything and everybody who is not more cynical.

To show one's knowledge of a subject he must according to student standards, scoff at others' opinions farmers; there will also be an experon it. To them the entire world is beastly ignorant excepting them as they are basking in the sunlight area. Water lines have already been of supreme knowledge.

From high positions these intelligent misinformeds do not criticize; they merely sneer. They have no suggestions nor even good destructive criticism but only a haughty and lodgepole pine. Bcoff.

be used, making a total of about 34 acres for the growing of trees for distribution among farmers, and for experimental purposes. So rapidly had the demand for woodlot and windbreak stock increased, said Mr. Weisehugel of the forestry depart-ment, that the old area could no longer produce enough trees.

The new area will be laid out in 38 windbreaks and experimental woodlots, and will be landscaped. Windbreaks will surround the plot, and in the center will be a nursery

and seedbeds to supply stock to imental nursery for the use of forestry students. For the convenience of visitors a road will traverse the laid.

Along the side bordering the Lewiston highway will be planted woodlots containing Russian olive, black walnut, white ash, Norway spruce, Scotch pine, black locust, jackpine

> Man Riled by **Rivals'** Time Claims

Rutherford, N. J. March 9, 1927 Larus & Bro. Co. Richmond, Va. Gentlemen:

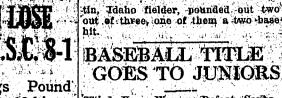

I sure get some riled when I see where some fellow is crowing over the fact that being older, and having run into Edgeworth sooner than his less fortunate compatriots, he challenges the world as the champion long-time member of the Edgeworth Club. He doesn't deserve any medals. He got his reward in the enjoyment of his

smoking for the added number of years. He was just lucky in starting sooner, that's all.

However, if you care to delve into ancient history, look up when they first started to pull down the old Grand 'Idaho's batteries probably will be Central Station in New York, Grabner and Sullivan for the first add at least six months to that, and you will arrive at the approximate time when I first joined the club. I have smoked at least one pipeful The usual fielders consisting of Frank McMillin, first base; George Greene,
