VOLUME XXX

UNIVERSITY OF IDAHO, MOSCOW, FRIDAY, OCTOBER 5, 1928

Number 4

KAPPA ALPHA THETA WINS GRADE HONORS WITH 5.024 AVERAGE

T. K. E. Awarded Burton L. French Cup in Men's Division

ALPHA PHI IS THIRD

Figures Show Women Are Better Students Than Men

With a group average of 5.024 out of a possible 6.000, Kappa Alpha Theta, national sorority, led all the group houses on the Idaho campus in scholarship last year, and was awarded the Mary McCintock Upham cup at the special assembly held in the auditorium this morning.

Tau Kappa Epsilon, installed a national last year, won permanent possession of the Burton L. French cup, by leading the list of men's groups for the third time, with an average of 4.939 for 1927-28. Mr. French has stated that he will offer a new cup next year.

Omega Alpha, local sorority, placed second on the total list and second on the list of women's houses, and Beta Chi, local fraternity, was runner-up in the men's division. Alpha Phi, national sorority, placed third by a margin of .066 of one point.

Theta Won Year Before

Kappa Alpha Theta wins the cup for the first time this year. Alpha Phi held the honor two years when it was a local, Pi Sigma Rho. It also will become the permanent property of the group winning it three times.

The average grade of all sorority women was 4.818, as compared to 4.637 for those not affiliated with any of the women's groups. Fraternity men have an average grade of 4.368 for last year, while the non-fraternity men averaged 4.234, a difference of .044. Average of Greek letter students was 4.470, and of non-Greeks, 4.307. Dormitory averages for women was 4.610, and for men, 4.136. This group average for women was 4.741, and for men, 4.227.

Women's Averages

The averages for women's groups follow: Kappa Alpha Theta, 5.024; Omega Alpha, 5.015; Alpha Phi, 4.939; Pi Beta Phi, 4.873; Pi Sigma Rho, 4.794; Gamma Phi Beta, 4.722; Delta Gamma, 4.716; Alpha Chi Omega, 4.675; Kappa Kappa Gamma, 4.577; Hays Hall, 4.413; Delta Theta, 4.404, 4.664.

Men's averages are Tau Kappa Epsilon, 4.939; Beta Chi, 4.485; Delta Chi, 4.446; Sigma Alpha Epsilon, 4.440; Sigma Chi, 4.437; Beta Theta, 4.410; Phi Gamma Delta, 4.291; Lambda Chi Alpha, 4.282; Lambda Chi Alpha, 4.122; Alpha Tau Omega, 4.094; Phi Delta Theta, 4.032; Sigma Nu, 3.989; Ridenbaugh hall, 3.979; Kappa Sigma, 3.923.

FORTY APPLY FOR YEAR BOOK JOBS

Vacancies on Gem of Mountains Force Attracts Some Promising Material

Approximately 40 applicants for positions on the "Gem of the Mountains," University of Idaho annual, were filed with executives of the year book at the close of their meeting Wednesday afternoon. Their session was called to consider possible material for the staff during the coming year. Among applications from freshmen are several who have had previous experience on high school publications. Appointments will not be made until the executive committee has had a chance to check the applications carefully and perhaps interview some of the likely candidates.

Business appointments virtually are complete, announces Edward R. Coon, business manager, and actual work on this department will begin at once. Appointments to the editorial staff will be ready for announcement in the next issue of the Argonaut.

Photographers are now at work gathering campus scenes for the annual and staff members promise excellent unique features in their reports. Work also has started in the athletic sections. The staff photographer was on hand for the Montana-Idaho football game and snapped several action scenes which will appear in the annual.

George McDonald, editor-in-chief, urges all students to act early if they hope to get their pictures in the "Gem."

WOMEN'S HORSESHOE TOURNAMENT IS EARLY

Backyard Golfers Of Fair Sex Scheduled To Open Play This Fall

Members of the Women's Athletic association will hold their annual horseshoe tournament this fall instead of in the spring as has been the custom in the past.

Regular practice will be held each Monday, Tuesday, Wednesday and Thursday afternoon at 4 o'clock, at the south side of the old gymnasium. Girls who are not familiar with the rules will be instructed by other girls who are experienced. Points toward athletic awards will be given to the girls who make the team. Miss Helen Witt, director of physical education for women, will later announce the date of the tournament.

HALLS CROWDED DESPITE PLEDGING

May Be Necessary For Some Men In Lindley to Move Into Private Homes

With continued pledging of men into fraternities, conditions in the men's halls are improving, although not as rapidly as expected. Theodore W. Turvey, director, stated that it undoubtedly would be necessary to ask some of the men in Lindley hall to secure rooms in private houses. There are now approximately 300 students in the men's dormitories. The A. T. O. pledges are being temporarily housed in Jenkins cottage until the completion of their new home at Idaho and Deakin avenues.

FORESTRY SENIORS TAKE FIELD TRIP

Fourth Year Loggers Rough It In Wild-woods Two Weeks

Graduating members of the school of forestry will leave Morrill hall Sunday morning at 8 o'clock on their annual two-weeks' field trip. This year they will be stationed at the Honeyeater Ranger station in the Coeur d'Alene National forest.

This men will study a dozen different items in forestry, such as including reproduction studies, stem analysis, logging, logging inspection, brush disposal, intermediate cuttings and dendrological studies.

The senior making the trip are: Otto Krueger, George Illichevsky, Prentice Bolch, Carey Bennett, Edward Keene, Fred Kennedy, Floyd Ottor, Wellington Seymour, Rex Wendle and Stoltz. They will be accompanied by Dr. F. G. Miller, dean of the school of forestry, and Prof. H. I. Nettleton.

SIX GIRLS' HOUSES GET NEW MOTHERS

Only Two Sororities Have Same Chaperones As Last Year

Six of the eight sorority houses on the campus have new house mothers this year. Mrs. Carrie Benham of the Omega Alpha house and Mrs. Elizabeth Given, are the only two house mothers of last year who have returned.

The new house mothers are Mrs. Charles Matthew Smith, Gamma Phi Beta; Mrs. Ursula M. Metzler, Pi Beta Phi; Mrs. Frances M. Bennett, Kappa Alpha Theta; Mrs. Mary L. Bigelow, Kappa Kappa Gamma; Mrs. Marlon R. Curtis, Alpha Phi; and Mrs. Ida L. Everly, Alpha Chi Omega. All of the new house mothers are looking forward to a pleasant year with their girls.

Mrs. Charles Matthew Smith comes from Spokane (which has been her home for many years. Mrs. Smith says that she is impressed with the beauty of the Idaho campus, that she likes college life and is fond of young people. Mrs. Metzler of Salmon has never acted as a house mother before but she anticipates an enjoyable year with the Pi Beta Phi girls.

Mrs. Bennett of Sandpoint is very enthusiastic over her work here at Idaho. Mrs. Bigelow, of Spokane, has recently spent four years as house mother of the Kappa Delta house at the University of Minnesota.

Mrs. Everly is not new to the Idaho campus, for she was here as house mother at the Alpha Chi Omega house for three and one-half years; she spent the past year in Iowa on a leave of absence. She says that she is very happy to be back as house mother to the Alpha Chis.

ALPHA KAPPA PSI HONOR OFFICER

Will Entertain Mary K. Silke, Pacific Coast Councilor, Here On October 23

Harry K. Silke, grand councillor of the Pacific coast division of Alpha Kappa Psi, national honorary business fraternity, will be the guest of the University of Idaho chapter October 23. It was announced at a meeting of the fraternity Thursday, when plans for the coming year were discussed.

Elaborate plans are being made for Mr. Silke's reception. A feature of this year's programs will be talks given by prominent business men from Spokane and Moscow.

The winner of the scholarship, which is given annually to the sophomore making the highest grades in the business school will be announced shortly.

Eighteen members of the society have been lost this year either through graduation or failure to return to school. Pledging of the new members will take place after the first six weeks.

FOREST STUDENT WEDS

Roy Daly, student in the school of forestry, and Miss Marjory McDonald, of Jackson, Wyo., were united in marriage at Lewiston, Tuesday. The wedding service was read by the Rev. Charles McHarness at the Baptist parsonage. After a brief honeymoon Mr. and Mrs. Daly will return to Moscow, where Mr. Daly will resume his studies.

BLUE KEY TICKET SALES INDICATE SPECIAL ASSURED

Committee Chairman Confident Guarantee Will Be Raised By Tonight

CUTS NOT GIVEN

Students Taking Excursion Train Exempt From Absence Penalty

Preliminary checks made by Mac Hardwick, chairman of the Blue Key committee in charge of the special trip to the Idaho-Gonzaga game at Spokane tomorrow, indicate that the guarantee of 300 tickets will be assured today.

Two-dollar round-trip excursion tickets over the Northern Pacific railway were apportioned to members of the Blue Key football team. All the group houses on the campus have been canvassed and when the check was made last night, the greater portion of the tickets had been sold.

Will Excuse Cuts. Sale of tickets received added impetus following an announcement made by the academic council yesterday noon, that all cuts would be excused for classes missed Saturday. Under the ruling made by the council the names of all students who go will be taken on the train. This list will be turned over to the registrar Monday and students who cut classes Saturday, and who names are not on the list, will receive one-tenth of one credit deduction for each cut.

The train will leave the Northern Pacific depot here at 8 o'clock tomorrow morning and will leave the Spokane depot at 10 o'clock the same night instead of 11 o'clock as originally planned. Tickets to the game will be sold on the train to those who present their new ASUT ticket books. An added charge of \$1 will be made.

Warned About Conduct. Responsibility for conduct of students on the train will rest with Blue Key chaperones to accompany the students who make the trip will be appointed today by Miss Permeal J. French, dean of women.

Record attendance at the game is expected, according to reports from Spokane. It is said that the few football games in Spokane have aroused as much interest as the coming battle between Idaho and Gonzaga.

CAMPUS DEMOCRATS FORM SMITH CLUB

Judge Forney is Speaker at Meeting Last Night In U Hut

Following the organization of a Smith for President club on the Idaho campus Tuesday night officers of the new club were elected. Two prominent democrats gave added impetus to the society Thursday with addresses to more than 50 students at the U Hut.

Judge J. H. Forney, first president of the University of Idaho and a leader in the forming of the campus democratic organization, spoke on "Democratic Principles," emphasizing Smith as a man and his clear record as governor of New York. "It ill beholds a democrat or a republican to belittle a man on account of his religion," said Judge Forney. "The democratic party stands for strong state government."

Clayton Keane, Moscow attorney and former student of the university, also addressed the meeting, his topic being "The Main Issues of the Democratic Party."

Student officers of the club elected last Tuesday are W. B. Dolan, president; William Cadigan, vice president; Patricia Wilson, secretary; and Lambert Cannon, treasurer. Margaret Elder was chosen women's committee chairman.

SHAKE HANDS AT UNDERCLASS HOP

Blue Bucket Floor Fleked for Traditional Bury the Hatchet Dance Saturday Night

Difficulties of two weeks standing between the freshmen and sophomore classes will be patched up Saturday evening at the Blue Bucket as the annual Bury-the-Hatchet dance gets under way. First plans made for the dance called for holding it in the gymnasium, but it was discovered that the floor could not be available. Eldon Hatfield, president of the sophomore class, announced the change in location Thursday night after making arrangements with the management of the Blue Bucket. The dance, an all college affair will be informal with no program of speeches or extra-entertainment being provided.

AG STUDENTS SHOW INTEREST IN CLUB

Large Group Attends First Meeting of Club Wednesday Arrange for Annual Dance Soon

With probably the largest crowd in its history, attending the Ag club held its first meeting in Morrill hall at 7:30 o'clock, Wednesday evening to outline plans for the coming year. Speeches were given by Assistant Dean W. C. Hungerford of the college of agriculture, Charles Spencer, president, and other members of the club. The following men were appointed to the staff of a magazine which is to be published in the near future by the club:

Geoff Tutley, editor; Frederick Mark, associate editor; Bruce Sifton, business manager and Prof. J. F. Nordby, faculty advisor.

Committees were appointed to arrange for the tenth annual Ag Bawle to be held during this month.

Pep Band Blazes Way For Gonzaga Battle

Twenty-two members of the Pep band left this morning at 7 o'clock for Spokane where they will play for the Idaho-Gonzaga football game tomorrow.

The organization has made arrangements to play before the student body of the North Central high school, the Spokane chamber of commerce and in a number of the larger hotels in the city to advertise the game. Tomorrow morning the band will tour the streets of Spokane, playing Idaho battle songs and several new selections recently added to its list.

The presence of the Vandal Pep band is expected to prove one of the major drawing cards at the game.

OFFICE TO HANDLE WORK FOR WOMEN

Must File Class Schedules With Miss French's Secretary

Opening of the women's employment bureau in the office of the dean of women in the Administration building is expected to furnish approval by the president's office. Don Ivan C. Crawford, head of the college of engineering, served as advisor to the body last year and the year before.

Several other matters of importance were taken up at the meeting. The Pep band was granted permission to make the trip to Spokane today. Tom McGonigle, manager of the band, appeared before the board and outlined plans showing that the organization would pay part of its expenses on the trip by playing two concerts while in the city.

The Blue Key was officially granted permission to handle all arrangements relative to the annual Homecoming November. Members of the fraternity reported on student handbook, published by the group and issued to students during registration week.

Plan Joint Meeting. Arrangements will be made with the student council of Washington State college to hold a joint meeting in Moscow some time before Homecoming for the purpose of arriving at some definite agreement between the schools to prevent painting up of either campus by over-enthusiastic students. A similar meeting was held at Pullman last year which resulted in the almost entire abolition of unauthorized student hostilities.

CAMPUS DEMOCRATS FORM SMITH CLUB

Judge Forney is Speaker at Meeting Last Night In U Hut

Following the organization of a Smith for President club on the Idaho campus Tuesday night officers of the new club were elected. Two prominent democrats gave added impetus to the society Thursday with addresses to more than 50 students at the U Hut.

Judge J. H. Forney, first president of the University of Idaho and a leader in the forming of the campus democratic organization, spoke on "Democratic Principles," emphasizing Smith as a man and his clear record as governor of New York. "It ill beholds a democrat or a republican to belittle a man on account of his religion," said Judge Forney. "The democratic party stands for strong state government."

Clayton Keane, Moscow attorney and former student of the university, also addressed the meeting, his topic being "The Main Issues of the Democratic Party."

Student officers of the club elected last Tuesday are W. B. Dolan, president; William Cadigan, vice president; Patricia Wilson, secretary; and Lambert Cannon, treasurer. Margaret Elder was chosen women's committee chairman.

SHAKE HANDS AT UNDERCLASS HOP

Blue Bucket Floor Fleked for Traditional Bury the Hatchet Dance Saturday Night

Difficulties of two weeks standing between the freshmen and sophomore classes will be patched up Saturday evening at the Blue Bucket as the annual Bury-the-Hatchet dance gets under way. First plans made for the dance called for holding it in the gymnasium, but it was discovered that the floor could not be available. Eldon Hatfield, president of the sophomore class, announced the change in location Thursday night after making arrangements with the management of the Blue Bucket. The dance, an all college affair will be informal with no program of speeches or extra-entertainment being provided.

WOMEN JOURNALISTS WORK FOR NATIONAL

Local Journalistic Fraternity Will Meet With Theta Sigma Phi Chapter For Discussion of Term's Work

The national chapter of Theta Sigma Phi, local here October 13. Work for the coming year will be discussed by the two fraternities.

Theta Sigma Phi is the national woman's journalistic fraternity which Theta Sigma is petitioning to bring to this campus.

Theta Sigma officers for this year are: Virginia Grant, president; Helen Kerr, secretary; and Letha Wilton, treasurer.

EXECUTIVE BOARD WILL PICK EDITORS FOR BLUE BUCKET

Three Vacancies on Literary Publication Staff Filled Next Week

BAND GRANTED TRIP

Blue Key Authorized to Handle Plan for Homecoming Day

Appointment of the editor and the associate editor of the Blue Bucket magazine and the assistant, business manager of the Gem of the Mountains, Idaho's yearbook, will be made at the next meeting of the ASUT executive board Tuesday.

The positions were left vacant when the officers elected last spring failed to return to the university this fall. Students who are eligible for the positions must file applications with Mrs. Rice, secretary of the board, before Tuesday.

The faculty advisor of the board will be appointed Tuesday also. The matter was taken up at the first meeting this week, and is now pending approval by the president's office. Don Ivan C. Crawford, head of the college of engineering, served as advisor to the body last year and the year before.

Several other matters of importance were taken up at the meeting. The Pep band was granted permission to make the trip to Spokane today. Tom McGonigle, manager of the band, appeared before the board and outlined plans showing that the organization would pay part of its expenses on the trip by playing two concerts while in the city.

The Blue Key was officially granted permission to handle all arrangements relative to the annual Homecoming November. Members of the fraternity reported on student handbook, published by the group and issued to students during registration week.

Plan Joint Meeting. Arrangements will be made with the student council of Washington State college to hold a joint meeting in Moscow some time before Homecoming for the purpose of arriving at some definite agreement between the schools to prevent painting up of either campus by over-enthusiastic students. A similar meeting was held at Pullman last year which resulted in the almost entire abolition of unauthorized student hostilities.

BLUE-BUCKET STAFF IS MINUS EDITORS

Publication of First Issue Delayed by Absence of Two Officials

Publication of the first issue of the Blue Bucket, university literary publication, which ordinarily makes its appearance on the campus in October, will not be made on schedule this fall.

This information was given out Thursday by Maryvina Goldsmith, acting editor. The delay, Miss Goldsmith added, was caused by the failure of Smith Miller, editor-elect, and Pauline Hockaday, associate editor, to return to school this fall. This situation will prevent appearance of the magazine until probably the first week in November, Miss Goldsmith believes.

Re-organization of the editorial staff will be made at the next meeting of the ASUT executive board meeting, Tuesday evening.

Patrick Walker, business manager of the publication, has called a meeting of his staff for Wednesday night at 7 o'clock, to be held in the Kappa Sigma house. All members have been asked to attend the conference.

Previous plans for the Blue Bucket, as announced recently, call for three publications this school year, beginning with the November issue. The next number will appear the latter part of February and the final one about May 1.

Despite unfavorable developments, Mr. Walker is optimistic over the prospects for a successful year. "With the completion of our staff, we are ready to go ahead with our original plans," he asserted, "and we are confident that this year's publication will equal if not surpass any previous attempts." Several new features have been planned for the book, including major changes in the covers and design.

EX-DEAN FINISHES BUSINESS SURVEY

H. C. Dale, Former Business Dean, Makes Elaborate Industrial Survey of Lewiston Trade Territory

Prof. H. C. Dale, former dean of the school of business administration, has recently completed an elaborate industrial survey of the trade territory tributary to Lewiston. He was assisted in this work by E. W. Equat, '28.

This work was done in cooperation with the Lewiston Chamber of Commerce for the purpose of finding out the business and economic resources and possibilities of the trade region about that city, in order that the development of Lewiston may be planned on an economically sound basis.

SUNDAY DATES CUT SHORT TWO HOURS

Beginning Sunday, Oct. 7, Date Hours Will End at 7 o'clock, Rules Best of Women

Sunday dates will end at 7 o'clock, beginning next Sunday, October 7, according to an announcement issued by the office of the dean of women. Change in the hours from 9 to 7 o'clock is in line with the usual practice of shortening Sunday date hours during the winter months. The hours will be changed to 9 o'clock with the advent of good weather next spring. Doors of all women's halls and sorority houses will be locked at 7 o'clock Sunday until the change is announced next spring.

FINAL DATES FOR PLEDGING ARE SET

October 10 for Women; Sunday for Men Or Lose Rent

Final dates on which men and women can pledge out of dormitories and still obtain a refund on their semester room rent, were announced Thursday by Dean Permeal J. French and Ted Turner, proctor.

The deadline for men has been set as Sunday, October 7. Men moving out of the four men's halls after that date will lose the balance of the \$36 room rent fee paid in advance when they registered.

Women will not be allowed to pledge out of the dormitories after 6 o'clock Wednesday, October 10. Sorority rushing ends Sunday morning, giving pledges three days in which to move out of the halls.

Rules governing the final date by which students could pledge out of the halls were adopted last year. Under the old system, too much dissatisfaction resulted when students kept moving out during the school year.

STUDENTS CAN VOTE IN FALL ELECTIONS

Must Register By October 27 If Otherwise Qualified

All students regularly enrolled in the university are eligible to vote in the national presidential elections November 6 if they register in Moscow before October 27, provided they are otherwise entitled to vote, according to Abe Goff, Latah county prosecuting attorney.

Students, in order to register must have been residents of the state for at least six months, and of the Moscow precinct in which they reside for 30 days prior to the date of registration. Those who registered in the university September 24 will be qualified to register for the election by October 24. Students living on the campus will register with Mrs. R. F. Drury, 406 S. Jefferson street, registrar for the university precinct.

Other requirements of the Idaho election law are that persons must be American citizens, 21 years of age. Absentee ballots can be secured from the county auditor at the court house by those who wish to vote in their own county. Applicants for absentee ballots must fill out a form which is sent to their home county. A few days before the election, the ballots are sent to them to be filled out and returned.

Students who have registered in their home town may vote in Moscow if they register here under the conditions stated above. Registration here will cancel their right to vote at home, said Mr. Goff, declaring that there was no such thing as a transfer of registration. Books close Saturday, October 27.

FRESH ASSEMBLY SET FOR TUESDAY

President Kelly Will Speak on "Traditions" a General Student Body Invited to Attend

President F. J. Kelly will speak on the subject of "Traditions" the Freshman Cap" at the special assembly for freshmen which will be held in the auditorium Tuesday morning, October 9, at 11 o'clock. President Kelly's address will be of interest to the general student body, and especially the freshmen.

This is the second of an series of educational and entertaining assemblies sponsored by and for the freshmen. Officers of the class hope that as many of the freshmen who can, will be there. They have been requested to sit in the front.

The first of these lectures was given last Tuesday by Dr. J. W. Barton of the psychology department. The subject was "Choosing a Vocation."

It was decided at the first freshmen meeting to extend a cordial invitation to the general student body to attend.

GUAM LIKES BASKET BALL

GUAM (ID)—The natives of Guam are taking with enthusiasm to the recently introduced game of basketball with enthusiasm rivaling that shown for baseball when the game was first brought to the islands by Americans.

CONFERENCE SEASON STARTS SATURDAY FOR 6 GRID ELEVEN

Oregon, O. A. C., W. S. C., Stanford, U. S. C. and Montana Tee Off

IDAHO STARTS LATE

Eyes Turned Tomorrow Particularly to Los Angeles Game

By Frank E. Judy
Opening games of the 1928 Pacific Coast conference football schedule are due to be played Saturday when Stanford meets Oregon at Eugene, Oregon State journeys to Los Angeles, to tackle U. S. C.; and Washington State clashes with the University of Montana eleven at Missoula. Remaining members play teams outside of the conference. California opposes St. Mary's, Washington entertains Whitman at Seattle and Idaho battles with Gonzaga at Spokane.

Stanford has lost Preston, regular end, when he sustained a broken arm in last Saturday's encounter with the Olympic club. Coach Glenn Warner is hard pressed for satisfactory ends and the loss of Preston is a heavy setback to Cardinal hopes. The team are a favorite to win over the Oregonians but not by a wide margin.

Eyes Turn to Los Angeles
The game of most vital importance for this week-end will be played in Los Angeles. Although the Trojans are rated above the Oregon State team, this game will be hard fought and closely contested. It will be recalled that O. S. C. barely posed out the Oregonians last year 13 to 12.

Montana Grizzlies should fall before the Cougars in the first conference contest of the season for either team. Little is known of Montana strength but a summary of past records places the Grizzlies as one of the weakest eleven in the conference.

California Favorites
St. Mary's is expected to lose in defeat before the Golden Bears at Berkeley Saturday. The Saints are much weaker than last year, losing Larry Petrocourt by graduation. Petrocourt was all-American center and his loss offers the greatest problem for Coach Madigan to solve. The Blue and Gold team is still in the stage of a "possibility." The Bears have retained power with the speed furnished by Tom Egan, Newman, Van Horn, and the potentiality is represented by Garrity, Schmidt and Cockburn, which when added to a splendid line usually produces a winning team.

Washington is still in the process of "warming up," and to date has not met a worthy opponent. This Saturday's contest offers no deviation from the course, when the Whitman Missionaries are offered to the Husky pack. In last week's double-header, Clifton Carroll, the coach's leading scorer of last season, started on the way by scoring six touchdowns and one conversion for a grand total of 37 points.

CHURCHES FETE NEW STUDENTS TONIGHT

Large Attendance Expected at Variety of Entertainment

In an effort to do their part in bringing university students into the community life, all churches of Moscow have issued invitations to members of their denominations to attend the receptions to be held tonight at the various institutions.

Methodist students are instructed to "stand by" for a big "rad" welcome party, and the Baptist church has woven its program around "the Big sister" and "Big brother" idea. The program for those of the Presbyterian and Congregational preference will be held at the Presbyterian church and will be composed of various phases of college life such as "registration," the "English test," "choosing a course" (reflections), and "commencement." Other entertaining programs have been prepared by the Christian and Lutheran churches.

The latter Day Saints will hold a dance in the new recreational hall. Dancing will also be provided by the Episcopal church. Friday, October 12, has been set for the student reception of the Roman Catholic church which will entertain with a dance at the Blue Bucket Inn on that evening. The reception of the Nazarene church has been indefinitely postponed on account of revival services.

AD CLUB PLANS TO PETITION NATIONAL

Seeks Charter of Alpha Delta Sigma, National Advertising Fraternity

Final plans for petitioning Alpha Delta Sigma, honorary advertising fraternity, will be effected at the next meeting of the Advertising club, organized here last spring.

Although somewhat handicapped by the loss of several important charter members, organization is already under way with the view of accomplishing greater results than before. All students planning to major in advertising, who are interested in the work of the organization, should see either Darius Davis or Hal Bowen during the coming week.

Reporters: Virginia Grant, Burton Mould, Fred Auser, Helen Kepr, Editor Yaggy.

THE GONZAGA SPECIAL

IDAHO students have an excellent opportunity to demonstrate their loyalty to the university tomorrow by going to Spokane to the Idaho-Gonzaga football game. Although it is not a conference game, the result will be a big factor in determining what the Vandals will do on the gridiron this fall.

Reports from Spokane indicate that few football battles in that city have aroused the interest that the Vandal-Bulldog clash has already aroused there. The Gonzaga stadium held a record crowd last week at the Washington State college-Gonzaga game, and it is said that the crowd will be even larger tomorrow. The pep band is in Spokane today, advertising the game, but it remains for several hundred Idaho students to demonstrate the famous Idaho spirit.

Blue Key is promoting a special train over the Northern Pacific railway. A fare less than half of the usual charge has been obtained. The administration has cooperated by excusing cuts for student who would miss classes Saturday, to apply only to those who go on the special train. The opportunity is one few can afford to miss. Support of students for the team is vital, and it cannot be obtained if the Idaho bleachers seat only a small number of rooters.

Those who go to Spokane will be watched, and if their department warrants, they will be criticized. Every student should remember that the Vandals are proud of their school and jealous of its good name. A few careless acts could easily bring reflection on the good name of the university. Responsibility for proper conduct is up to each individual, and is an integral part of the true Idaho spirit.

RULES OF CONDUCT

DEAN Permeal J. French has called an informal meeting of all house presidents on the campus

for next Tuesday evening to discuss rules governing student conduct. The gathering will be really representative of the student body, for all those who attend have received the highest tribute and confidence a college social group can bestow to one of its members, the house presidency.

Dean French has announced that their own rules to govern conduct at she is going to call on these student representatives to help formulate the university. Everyone admits that some restraints are necessary. The question arises, "What rules should we be required to live up to?"

When students are asked to state their own ideas on the matter, a step has been taken toward the solution of the conduct problem. If there are any questions that need to be solved, those who attend the meeting will have an opportunity to suggest remedies. The administration has gone half way in making the proposition, and it remains for the students to do their share.

The same thing has been tried at other universities and the results in some cases have been a little startling. Groups that wanted more freedom and less restrictions, turned and adopted stricter rules when the responsibility was placed upon them. It remains to be seen what will happen at Idaho.

AGRICULTURE DEAN TOURS SOUTH IDAHO

E. J. Iddings Visits Three Experiment Stations and Judges Cattle at Blackfoot Fair This Week.

Dean Iddings, dean of the college of agriculture, left Saturday, September 29, for a two weeks trip to southern Idaho in the interests of agriculture.

ALUMNI TO HANDLE DEDICATION OF GYM

Definite Plans Will Be Made Next Week By Committee

R. D. Leeper of Lewiston, president of the Idaho Memorial association, will be on the campus Monday to meet with a committee which is arranging for the dedication of the new memorial gymnasium on MacLean field during Homecoming, November 3, according to George Horton, graduate manager.

A tentative outline of the dedication has been made and definite plans will be completed Monday. According to present plans the dedication ceremony will take place immediately before the Idaho-Washington State college football game, but it is possible that this will be changed, Mr. Horton indicated. Col. Patch of Payette along with a number of other men from over the state will be on the campus for the dedication and annual homecoming game. Plans will be announced following the Monday meeting.

No definite arrangements for homecoming have been made, Mr. Horton said, with action to be started next week. Group houses are urged to begin planning at once homecoming decorations for the respective

Leaves Tobacco Tin as All-time Calling Card

Calgary, Alta., March 4, 1928. Lerus & Bro. Co., Richmond, Va., U. S. A. Gentlemen: While in Banff, Alberta, in 1909, I climbed Tunnel Mountain. On top of this mountain there is a cairn of stones where tourists leave their cards with remarks about the scenery, etc. Not having a card with me, I left a tin of Edgeworth Sliced, scribbled my name and address on a piece of paper, and said, "Have a fill on me."

I have kept up a haphazard correspondence with one of three who wrote me thanking me for the Pipel of Edgeworth. What makes me write you is that today from Australia I received two slices of Edgeworth with the words, "Have a fill on me," so you see Edgeworth keeps friends friendly. Yours sincerely, P. B. Johnstone

Edgeworth Extra High Grade Smoking Tobacco

This 1928 homecoming gives all indications of being the biggest and most outstanding one in the history of Idaho. Plans will be made for the handling of one of the largest crowds ever seen on the campus and the cooperation of every student will be solicited. Blue Key, upperclassmen, honorary service fraternity, will have charge of student activities and preparations for homecoming and committees are already at work planning for the event.

H. L. MCKINLEY HEADS ASSOCIATED MINERS

Elected President of Organization at First Meeting of Club; Other Officers Named

Harold L. McKinley was elected president of the Associated Miners at purpose of electing officers and or-

The first meeting of the club last Monday evening. William Mark was elected vice president, Lawrence H. Lange, secretary, and Gilbert Schumann, treasurer. Plans were discussed regarding initiation of freshmen miners during the first semester instead of the second semester as has been the custom. Dinner monthly dinners at which prominent mining men will speak were arranged for the school year.

ENGLISH CLUB HOLDS ELECTION MONDAY

All Freshman Who Made "A" in English Last Year Eligible For Membership Says MMB

The English club will meet in room 316 of the Administration building Monday morning at 9 o'clock, for the purpose of electing officers and or-

ganizing for the year. Members having a vacant period and those who can spare the time have been urged to attend. Membership in the English club is open to all English majors and minors as well as those who made a grade of "A" in freshman English.

Use Parker Duofold Ink and Parker Duofold Leads in pens or pencils of any make to get the best results

Geo. S. Parker's "Touch-and-Go" Method

Makes Writing Twice as Easy

Touch a Parker Duofold Pen to paper and off it goes with a steady, even flow as fast as you can move your hand. No pressure! The light weight of the pen itself—28% lighter than rubber—does it all! No effort, no fatigue.

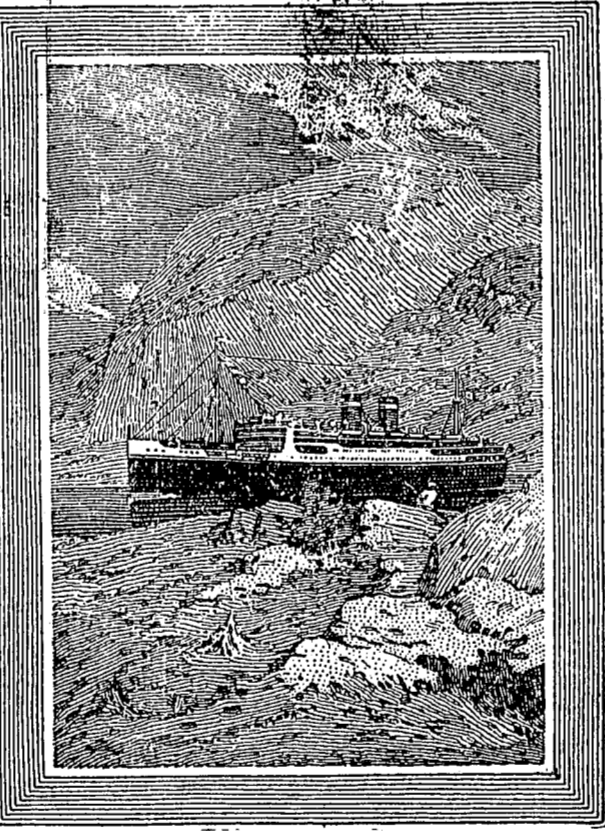

This is Geo. S. Parker's 47th improvement. 32 pen patents are included—36 years' experience in making fountain pens.

Here is true efficiency in the Modern Style—five flashing colors, all in Non-Breakable barrels. This master pen is guaranteed forever against all defects, so you are sure of satisfaction lasting through the years.

Parker Duofold Pencils and Parker Duofold Pens, matched in color, make handsome sets. Look for the imprint, "Geo. S. Parker—DUOFOLD." That mark identifies the only genuine.

To prove Parker Duofold is a pen of lifelong perfection, we offer to make good any defect provided complete pen is sent by the owner direct to the factory with 10c for return postage and insurance.

Electricity opens a new era of ocean travel

Miraculously quiet and vibrationless, luxurious and swift, the new electrically operated S. S. California, largest American-built passenger ship, has opened a new era in ocean travel.

Electricity drives the California so efficiently that the fuel bill for the initial coast-to-coast trip was even less than the Canal tolls. Electricity mans the winches, bakes the bread, makes the ice, polishes the silver. And electricity cools the cabins and provides passengers with the comforts found in the finest hotels. Complete electrification makes the California an engineering marvel and a commercial success; it is booked far in advance, a sister ship has just been launched, and another is under construction. On sea or land, in every walk of life, electricity is in the van of progress. Undreamed of yesterday, the electric ship is a symbol of the electrical industry's part in modern civilization and a prophecy of even greater accomplishment.

This monogram is found on great motors that drive the California, and on a multitude of electric appliances which contribute to the comfort of her passengers. It is an emblem of skilled engineering and high manufacturing quality.

SOCIETY

Sorority rushing is still holding the spotlight and will continue to do so until Sunday which is the traditional "Pledge Sunday" when those chosen by women's Greek letter societies will stage a walkout to their new campus homes.

Dances given by both men and women group houses in honor of their pledges will be next in order. Several pledge dances are already listed on the social calendar as events of the near future.

Receptions given by Moscow churches for new and old students will be held Friday night. Programs, stunts, and in some cases, dancing, have been planned as entertainment at the affairs.

The "Bury the Hatchet" dance which is given annually by freshmen and sophomores to patch up hostilities after the Hulme fight, will be held Saturday night.

Rejuvenated Vandals Leave To Face Confident Gonzaga Eleven

ODDS AGAINST IDAHO BUT VIGOROUS HEADS-UP FOOTBALL MEANS A VICTORY

Many Improvements Seen in Squad Which Left Friday to Invade Spokane Territory After Bulldog Meat

(By Andy Thomson)

Greatly improved since defeat at the hands of Montana, State last Saturday, Idaho tomorrow afternoon lines up against a confident and capable University of Gonzaga eleven at Spokane, in the second game of the season and one which probably will decide Idaho's 1928 fate.

True—Idaho's 1928 conference standing will not be affected by the result, but unless Idaho can come out on the long-end of the second coast football title are dimmed. Idaho will be in far better score tomorrow, and the odds are against her, her chances at a playing condition than against the Bobcats, and will have the services of two additional backfield men as well as two new linemen.

Driving his men at a terrific pace all week—afternoons for signal practice and scrimmages and the evenings for chalk talk and workouts under the flood lights—Coach Charley Erb, although admitting some improvement in the team, is gloomy in his predictions for the game. At the first practice this week he declared that unless Idaho improved nearly a thousand per cent before the start of the week that she was in for a drubbing, and in no uncertain terms detailed to the team the errors and weaknesses of the previous premier.

Linup shifted

Erb has performed the first of the week form has given the starting lineup which according to all indications will find Kenneth and Perrine both in the Idaho backfield. The full is sufficiently recovered from an injury to be back in the line of the full-backing and will alternate with Hutchinson for creating the offense.

In the line the safety of the backfield is a matter of concern. Erb had another card up his sleeve this week, however, and after he had perfected such a change he was a long way toward solving his difficult quarter-back problem, worry to him since the loss of "Cody" last year. Fred Robertson was the man who started, looking signals this week, and with his last year's experience in the Idaho backfield he will make an excellent field general for the Idaho squad. From all indications Perrine will be assigned the safety job.

Practice Friday in Spokane

Erb's men went through their most strenuous workout of the year Thursday night and Friday afternoon the squad was due to take light kicking and signal practice for the Spokane night. Idaho's victory has been high this week, and the Spokane contingent is expected to be the defeat for last week's loss, and the Spokane contingent is expected to be the defeat for last week's loss, and the Spokane contingent is expected to be the defeat for last week's loss.

FROSH GRID SQUAD DIVIDED INTO TWO WORKING GROUPS

(By PAUL BOYD)

With the University of Washington frosh game only a trifle more than two weeks off, Coach Glen (Red) Jacoby is driving his men through strenuous practice this week. Despite hammering by the rain, he is schooling them in fundamentals of the game, and versing them in the Vandal system of attack. Remainder of this week will be spent in teaching blocking, passing, tackling, and basic principles of the game. Scrimmages will not take place until the middle of next week.

Thursday night the men were divided into two groups for the convenience of the coach. Such a division does not mean that men in the first group have their positions assured, but that their coach will be in a better position to see his material for each position. In this manner he is also better able to give the men individual attention in adding them to play their position to the best advantage.

Choose Special Group

The following men were chosen for the first group: Mark Maxwell, Emmert Davis, Fred Wilkie, Jack Rush-ton, Louis Ringe, Wes Shurtliff, Kenneth McCusky, Milo Salun, Howard Berg, Gerald Craig, Art Spaugy, Homer Seiffers, Clifford Wren, Joe Gappa, Cal Seaburg, L. Barton, L. Staffordson, G. Condon, B. Eastman, Melvin Conrad, Harold McClurg, and Paul Pezoll. Remainder of the squad will work under direction of Waldemar Pederson, backfield ace of the '27 frosh club.

All the backs and ends are being given practice in punt chasing and downing, the safety and returning them. Emmert Davis, Mark Maxwell, Laverne Randall, Kenneth McCusky, and Howard Berg were doing the kicking, while Barton and Carmelo Uranga were returning the kicks. Davis showed up particularly well in the kicking end of the game.

Signals Monday

Beginning Monday the frosh will be given elemental plays and dummy scrimmage will be on the bill. Training rules go into effect beginning next week.

DEBATE MEETING

A meeting of last year's debate squad will be held in room 206 Administration building at 6 o'clock Tuesday. All members of last year's squad, both men and women, are invited.

Weatherman Casts Blanket of Gloom Over Riding Class

The weatherman has cast a blanket of gloom over plans of the Women's Athletic association, which recently outlined its program for the fall riding classes.

Until the appearance of old Jule luvius several days ago, many of the women were making daily jaunts along the bridge paths, but with the arrival of unfavorable weather, it is doubtful if this activity will continue to retain its position, say officials of the association. Executives of the club plan to meet this week-end to complete the fall and winter program.

During winter points toward the athletic award offered by the club are earned by participation in one or more of the following sports: skating, skiing, coasting, sleighing and snow-shoeing. Points will also be given for participation in volleyball and basketball.

Tennis for women also is sponsored by the W. A. A. The courts are in good condition at present and are in constant use, say club officers.

'Open House' Saturday for U. of I. Students

The management and staff of Spokane's Greatest Store extend their greetings and invite you to make this your rendezvous before and after Saturday's big game.

Spokane's 10,000 Club is working hard to make Saturday's attendance a record-breaker; and The Crescent is enthusiastically behind the program.

The store's many services and conveniences are at your command:

- The Appointment Book, in which you can leave messages for friends.
- Free parcel checking desk.
- Beauty and barber shop.
- Rest room for women.
- The refreshing Fountain—a popular spot.
- The Tea Room and Men's Grill for unexcelled luncheons: meet your friends here at noon.

Tickets for the game will be on sale in our Store for Men until 12 o'clock Saturday
