RULES GOVERNING AUTO RIDES ARE GIVEN ATTENTION

New Regulations Adopted at Meeting of House Presidents, Dean of Women

AMEND ONE ORDER Matters of Student Conduct Will Be Given Airing at Future Conferences

Students have a voice in outlining of campus rules this year. Adoption of two rules governing car riding on the campus and outside the city was the result of the first meeting of house presidents of the men and women's group houses and halls Tuesday night at Pomeroy hall with Miss Helen B. Keyser, assistant dean of women. Matters of campus conduct will be taken up at at least three other such meetings during the year, Miss French said Thursday.

At the meeting Tuesday night open discussions were conducted by Dean French regarding rules for the year. Opinions and suggestions were given by representatives at the meeting. The principal business discussed was that of car riding on the campus and out of the city.

Amendment Follows Discussion

After considerable discussion the general campus rule directing car riding, which provides that "permission must be given by the dean of women for car riding out of the city was amended to include permission to be granted by the house mothers on Saturdays and Sundays when exceptional cases arise. But as far as possible permission must be anticipated and granted in the office of the dean of women. When such exceptional permission are granted they must be reported by the house mother to the office of the dean of women."

It was brought out at the meeting that this rule was necessary due to the fact that on Saturdays and Sundays it is often impossible to get in touch with Dean French. The office of the dean of women will be open on Saturday mornings from 8:30 to 11 o'clock and on week days from 8:30 to 11:45 each morning and 1:30 to 5 o'clock each afternoon, permission to be obtained during these hours when possible.

New Regulation Adopted.

The second rule adopted Tuesday night was in regard to car riding in town. The opinion was expressed that if more leniency were granted students, there would be practically no offenders. It was also brought out that due to the small number of cars, the group houses can handle the situation in most cases. A motion was made and carried that provides for this regulation:

"All girls will be permitted to ride to town and back during the day, and, further, that senior and junior women be permitted to ride from 5 to 5:45 o'clock within the city limits."

Another feature of the car riding problem is that riding in crowded cars is prohibited. This is provided for in the city ordinances of Moscow and students are asked to cooperate with the enforcement of the ordinance.

It is planned to hold about three

KRATT PROPOSES IDAHO SONG BOOK

Says Other Schools Claim Copyrights on Several Songs Now in Use at University

Publication of a new set of Idaho songs is proposed by Prof. Theodore Kratt, head of the music department, as the solution to the flood of recent protests which have come from other schools, claiming copyrights to several Idaho songs now in use.

Professor Kratt made his suggestion before a student assembly last Friday, and offered the services of the music department should the proposal meet approval.

The copyright for the song "On Old Idaho" is claimed by the University of Wisconsin. Amherst college has written complaints for using "Let Us Sing of Idaho" and an Idaho woman declares that she has copyrighted the music for "On Old Idaho."

Years ago the university published the Idaho songs in book form, but because this edition is out of date, and the necessity of avoiding further trouble in regard to copyrights leads Professor Kratt to recommend the publishing of a handbook of original Idaho songs.

ALL MEN ELIGIBLE FOR RIFLE TEAM

Will Pick 40 Men in Tryouts Last Week of October

Tryouts for the men's rifle team will begin during the last week in October according to Lieutenant Hart, of the military department. Approximately 40 men will be carried on the squad this year. The first ten high scorers will receive the minor sport award at the end of the year in accordance with an amendment to the constitution of the ASUI, passed last spring. Any man in the university, regardless of whether he is enrolled in a military class, is eligible to try out for a place on the squad, says Lieutenant Hart.

All regular military classes have set down programs of command and leadership in uniform preparing for the Armistice day parade, the first formal appearance of the three cadet battalions.

Makeup Ratio Announced.

The basic course man who allows himself an unexcused out will spend his Saturday afternoons making up the lost hour at the rate of two for one, announced Major Fuller. The makeup classes will spend their time drilling or calling shots during rifle practice. Fifty cents will be deducted from the federal compensation of each advanced student who cuts a class without excuse.

INTRAMURAL DEBATE UNDER NEW SYSTEM

Delta Sigma Rho Sponsors Plan; Includes Two Division League

Plans for intramural debating under the auspices of Delta Sigma Rho are well under way. At a meeting of the society held last Tuesday it was decided that intramural debating would be operated under a two division league, one section to include all girls' groups and the other to be composed of the men's houses.

Delta Sigma Rho meets Friday afternoon in Mr. Garland's office, 204 Ad., to complete plans for intramural debating and to select a suitable trophy for the winning team in each division.

Officers of the society for the coming semester are: Ralph Peterson, president; Marjorie Alberston, vice president; Mary Galloway, secretary-treasurer; and George Huber, chairman of the intramural debate committee.

DR. MILLER OFF FOR WASHINGTON

Will Attend Conference on Religious Work at Washington—Miss Burke Will Take Method Class

Dr. George Morey Miller, head of the English department, left Thursday afternoon for a 10-day trip to Washington, D. C., where he will be present at the conference on religious work in state institutions which is a part of the triennial convention of the Protestant Episcopal church. Doctor Miller is attending at the request of Mr. C. Leslie Glenn of New York City, the secretary of religious education in colleges.

During Doctor Miller's absence, Miss Ada Burke will have charge of his methods class; the Shakespeare class has been given outside work and will not meet until his return.

CAMPUS DEMOCRATS PICK WOMEN LEADERS

New Committees Named to Push Membership Drive of Smith Club; General Chairman Talks

Four university women were named Wednesday evening to assist in the membership drive by W. S. Dolan, president of the Smith for President club. Alice Kelly, Edith Barton, Betty Driscoll and Catherine Steele were chosen to assist Margaret Elder, women's committee chairman.

Scott Williamson, general chairman of the campaign made a short talk on the progress of the membership drive which was followed by a general discussion among the members present. The next meeting has been set for the first part of next week.

ERB IS PREPARED FOR TOUGH GAME AGAINST WHITMAN

Will Start Regular Lineup Against Missionaries Saturday

MAY USE RESERVES Team Leaves Tuesday for First Conference Game Against Stanford

(By ANDY THOMSON)

Idaho this week is pointing to the Stanford game at San Francisco, October 19, and plans to take Whitman college in her stride when she meets the Missionaries in her final non-conference clash on MacLean field Saturday afternoon. The game is called for 2 o'clock.

But from all indications, Head Coach Charley Erb, Jr., will have to depend to a large extent upon the best of his reserves to accomplish this little trick, Saturday; and Whitman will not be an easy opponent. The University of Washington eleven was held to a 7 to 0 score at Seattle last week, the first team being required to score against the Walla Walla men. Whitman was far more than a match for the Washington reserves—and may be for the Idaho reserves.

Start Regular Lineup.

Erb plans to start his regular lineup against Whitman with the possible exception of three men—Kirkpatrick, Robertson and Brimhall. These three men are still suffering from injuries received in the Gonzaga game, and it is not more likely that they will not see action until the Frisco game. Robertson has a bad hand, Kirkpatrick

TWENTY-ONE PAGES TAKEN BY KNIGHTS

Will Initiate New Men Next Semester; Plan Grid-graph and Dance

Twenty-one freshmen and sophomore men were chosen as "pages" by the Idaho Ball and Chain chapter of Intercollegiate Knights, underclassmen's service fraternity, at a special meeting Wednesday evening at the Sigma Chi house. The new men will become "knights" with full privileges of the order upon initiation at the end of the semester. Dan McGrath, honorable duke, had charge of the page pledging ceremonies. He was assisted by Elmer Berglund and Mac Hardwick, ex-honorable dukes of the chapter, and the junior members of the organization who will soon turn the work over entirely to the underclassmen.

An all-college dance sponsored by the knights will be given December 14 at the Elks temple, it was announced. The committee chairman appointed by Duke McGrath are: music, Merle Frizzelle; date and hall, Robert St. Clair; programs, Denny Hogue. Other committee appointments include: Harry Yost, homecoming campus decorations; Robert Tillitson, initiation, and Denny Hogue, Gridgraph.

Arrangements have been made by the knights to present a play-by-play account of the Stanford-Idaho game on the university Gridgraph. Kenneth O'Leary is in charge of advertising the activity.

The following men are the new "pages": James Mitchell and Robert Moore, Sigma Nu; John Crandall and Warren McDonald, Kappa Sigma; Donald Nicholson and Jay Kendrick, Delta Chi; Stanton Hale, Phi Gamma Delta; Jack Puhl, Lambda Chi; Leonard Eklund and Kent Fuller, Ridenbaugh Hall; George Allen, Sigma Alpha Epsilon; Edwin Gray, Tau Kappa Epsilon; John McDonald, Phi Delta Theta; John Matthews and Don Equals, Beta Chi; Amos Adams, Sigma Chi; Drew Little, Beta Theta Pi; Lewis Morgan, Lambda Chi Alpha; Marvin Soderquist and Gordon Sterne, Alpha Tau Omega, and Ehsen, Tau Mem Aleph.

BLUE KEY LAUNCHES HOMECOMING PLANS

Names Eight Committees to Take Complete Charge of Annual Celebration

Appointment of eight committees to handle all arrangements relative to Idaho's annual Homecoming, November 3, has been announced by Elmer Berglund, president of Blue Key fraternity. The organization is in charge of all arrangements for the annual celebration. Blue Key has had charge of homecoming plans for the last two years.

Members of the organization will be responsible for the homecoming group house decoration contest, the souvenir football program, traffic, housing, publicity, information and campus directory service.

Following are the committee members:

General chairman, Elmer Berglund; Programs, Mac Hardwick (chairman); Publicity, Cecil Hagen (chairman); and George McDonald; Traffic, Darwin Burgier (chairman) and Murtha Gilne; Information pamphlet, Alvin Reading (chairman) and Aldon Tall; Chamber of Commerce, Burton L. Moore; Campus decoration, Allen Janssen (chairman) and Sam Hutchings.

The various committees are now at work on plans for their own divisions. Preliminary reports will be made at the next meeting of the group.

ERB IS PREPARED FOR TOUGH GAME AGAINST WHITMAN

Will Start Regular Lineup Against Missionaries Saturday

MAY USE RESERVES Team Leaves Tuesday for First Conference Game Against Stanford

(By ANDY THOMSON)

Idaho this week is pointing to the Stanford game at San Francisco, October 19, and plans to take Whitman college in her stride when she meets the Missionaries in her final non-conference clash on MacLean field Saturday afternoon. The game is called for 2 o'clock.

But from all indications, Head Coach Charley Erb, Jr., will have to depend to a large extent upon the best of his reserves to accomplish this little trick, Saturday; and Whitman will not be an easy opponent. The University of Washington eleven was held to a 7 to 0 score at Seattle last week, the first team being required to score against the Walla Walla men. Whitman was far more than a match for the Washington reserves—and may be for the Idaho reserves.

Start Regular Lineup.

Erb plans to start his regular lineup against Whitman with the possible exception of three men—Kirkpatrick, Robertson and Brimhall. These three men are still suffering from injuries received in the Gonzaga game, and it is not more likely that they will not see action until the Frisco game. Robertson has a bad hand, Kirkpatrick

FRATERNITIES START DECORATION PLANS

Group Houses to Compete for Trophy Offered at Homecoming

Plans for the annual homecoming decorations, sponsored by the Blue Key fraternity, are well underway, according to Allen Janssen, chairman of this year's campus decoration committee. The committee intends to enlist the aid of the intercollegiate knights and other campus organizations and will also solicit the cooperation of the Moscow city officials and business men in an attempt to surpass the decoration program of former years.

Since there remain but three weeks in which to prepare for homecoming, Mr. Janssen urges all fraternities and sororities to begin work at once on their respective decorations. This year as formerly the house displaying the best motif will be presented with a cup. Sigma Chi won the trophy in 1927. Janssen reports that rules which governed competition last year are to be used again this year. Expenditures on material must not exceed \$25.

Further particulars regarding decoration plans will be published at a later date.

SMUIN NAMED BY EXECUTIVE BOARD FOR GEM POSITION

Chosen as Assistant Manager of Yearbook to Fill Staff Vacancy

PETERSON NAMED BY JUNIOR CLASS

Corduroy Class Elects Officers in Closely Contested Races For All Positions; One Ticket Sweeps

In a closely contested election Wednesday evening in Administration 311 Eddie Peterson, Kellogg was named president of the Junior class for the first semester. His companions on the same ticket, Charles Scarborough, Coeur d'Alene; Jesse Little, Emmett; and Marjorie Ford, Wendell were elected vice president, secretary and treasurer respectively. The voting was close for each office, two candidates being named for every position. Nearly 200 members of the class took part in the election.

On receiving word of his election Mr. Peterson notified the class of the intention to hold two mixers during the semester and announced that all committees for junior week would be picked in the near future.

George Huber, Kellogg, president of the sophomore class had been acting head of the juniors until the election.

THIRTY-NINE IN IDAHO ORCHESTRA

Two Concerts Planned for Winter Season By Director Claus

Opening the season with a record enrollment, the university concert orchestra shows promise of developing into one of the best ever boasted by the college, says information released by directors.

Thirty-nine members are now enrolled in the orchestra and more are expected as rehearsals progress. Prof. Carl Claus is in charge of the rehearsals, which are held bi-weekly. Two concerts have already been planned, the first to be given about January 1, Professor Claus said.

Members of the orchestra are: First violins—York Kildea, Norman Steffelt, Jean Edmiston, Vivian Edmiston, Ruth Newhouse, Portia Glendeman, Harold Kirklin, Helen Parrott, Virginia Vanderhoff. Second violins—Lucy Hurley, Nina Newman, Karlene Morse, Agnes McKiernan, Aldon Tall, Asa Tall, Kathryn Byrd, Charles Silie, Lamar Ferguson. Violas—Leslie Hodgson, Marcella Kraemer. Cellos—Lucy Womack, Esther Mitchell, Oren Doone. Flute—Ruth Burks, Anna Tucker, Walter Frberg, Clarinet—Leigh Gittens, John Sandmeyer. Horns—Charles McConnell, Richard Wiley, Trumpets—Floyd Seuter, Harold Wheeler, C. Ratchoff, Trombones—Gilbert Burns, T. Sandermeier, Trumpet—William Hawkins, Bass—Lucille Glendeman. Piano—Dorothy Whitenack.

DEDICATION PLANS FOR GYM CHANGED

Formal Unveiling of Memorial Tablet is Set for Next Spring

The Idaho memorial armony and gymnasium will be officially turned over to the state and university November 3 but formal ceremonies of dedication and unveiling of the memorial tablet will not take place until next spring, it has been announced by Robert D. Leeper, Lewis, president of the Idaho Memorial association. The building will not be entirely completed by November 3 but in large part will be suitable for use.

Will Be Given to State.

The memorial armony-gymnasium will be turned over to the state and university in a simple ceremony which will be a part of the annual university Homecoming. The Memorial association, which was formed to erect the edifice, will have met its obligations on that day when responsibility for the structure is turned over to Governor H. C. Baird, representing the state, and to President Frederick J. Kelly, representing the regents and the university.

Decision to postpone the formal dedication was reached only when it was found impossible to make an accurate check of Idaho's war dead before the date set. It is the wish of the association, according to Mr. Leeper, to have the list errorless. Names of all Idahoans who fell during the World war and other wars in which America participated are to be engraved on the tablet.

Checking "Honor Roll."

The Idaho department of the American Legion now is making a careful check of the "honor roll" in each county. When their work is completed the names will be turned over to the Ladies Auxiliary of the Legion, which is providing the bronze tablet.

When the list is complete and checked the Idaho department of the Legion, together with its auxiliary and the War Mothers organization of the state will arrange for dedicatory exercises.

HOOPER MEN WILL ORGANIZE STATE

Local Group Forming Clubs on Other Campuses in Idaho

With the local Hoover for President club as a central committee, work is now under way in the organization of similar clubs on the campuses of the Southern Branch at Pocatello, College of Idaho at Caldwell, Lewiston Normal at Lewiston and Pikes Normal at Rexburg. The national organization has made the University of Idaho club the head of this statewide movement. The headquarters of the local club are at 515 Elm street. Robert Alshie, president, has announced that pins, posters and literature on the campaign can be supplied by him. Plans have already been made for a meeting early next week at which there will be town speakers as well as students.

Near the end of next week plans call for a straw ballot of the campus. By working through the various campus organizations, the committee in charge hopes to reach all of the students in the university. There are no qualifications, other than being a student in the university, necessary to vote in the straw ballot. Much interest is being shown in the campaign this year, officers declare, and the parlors of most of the halls and fraternity houses have been the scenes of some real political debates. Orland Mayer, who is in charge of the campaign in the engineering school, reports that the sentiment there is almost unanimous for Hoover.

BLUE KEY LAUNCHES HOMECOMING PLANS

Names Eight Committees to Take Complete Charge of Annual Celebration

Appointment of eight committees to handle all arrangements relative to Idaho's annual Homecoming, November 3, has been announced by Elmer Berglund, president of Blue Key fraternity. The organization is in charge of all arrangements for the annual celebration. Blue Key has had charge of homecoming plans for the last two years.

Members of the organization will be responsible for the homecoming group house decoration contest, the souvenir football program, traffic, housing, publicity, information and campus directory service.

Following are the committee members:

Moore; Campus decoration, Allen Janssen (chairman) and Sam Hutchings.

The various committees are now at work on plans for their own divisions. Preliminary reports will be made at the next meeting of the group.

SMUIN NAMED BY EXECUTIVE BOARD FOR GEM POSITION

Chosen as Assistant Manager of Yearbook to Fill Staff Vacancy

Appointment of Frank Smuin, junior in the college of letters and science, as assistant business manager of the Gem of the Mountains, Idaho's year book, was made by the ASUI executive board at its weekly meeting Tuesday evening.

Other business transacted by the board included the naming of a committee to appoint an editor-protem for the Blue Bucket, discussion on the Pep band's request to be allowed to go to the Stanford-Idaho game at San Francisco next Friday; reports by Blue Key and the "U" club, and the granting of permission for the editor and business manager of The Argonaut to attend the Pacific Intercollegiate Press association convention at Berkeley, Calif., next week.

Warner Not Back This Fall.

The vacancy on the business staff of the Gem of the Mountains was caused by the failure of Donald Warner, business manager, to return to the university this fall. Edward Coon, appointed assistant manager on the staff by the executive board last spring, automatically became manager this fall, leaving his position vacant. Mr. Smuin will take over his duties immediately. Other appli-

ADA BURKE ATTENDS TEACHERS' MEETING

Sabs for Dr. G. M. Miller at Twin Falls While English Head Visits in United States Capital

Miss Ada Burke, assistant professor of English, left Thursday morning for Twin Falls, where she will speak on the program at the convention of schools from south central counties of Idaho. Miss Burke will present a report on the results of the freshman English test from students of those counties, and will also discuss various problems regarding English work in the schools.

Miss Burke is substituting for Dr. G. M. Miller on his way to Washington, D. C., to attend an Episcopalian convention.

EXECUTIVE BOARD OKAYS PEP BAND'S TRIP TO STANFORD

Must Be Approved By Academic Council Before Finally Assured

LEAVE WEDNESDAY Hawley Stage Line Submits Low Price for All-Expense Trip

"On to Stanford" agitation by members of the Pep band received a tremendous boost when the proposed trip to the Idaho-Stanford game at San Francisco next Friday was sanctioned by the ASUI executive board at a special meeting late Thursday afternoon. Before the trip is absolutely assured, the favorable approval of the academic council or the president's office must be obtained.

The proposed trip was first brought before the board Thursday evening, but action was delayed until Tom McGonigle, manager of the band, could give more definite figures about the expenses involved. Yesterday afternoon he presented expense estimates that were almost half of the total amount given Tuesday. The new figures are based on an all-expense contract submitted by the Hawley Stage company of Spokane.

Will Leave Wednesday.

If present plans are approved, the band will leave Moscow early Wednesday morning on a 31-passenger Hawley stage and will arrive in San Francisco Thursday morning. The band will play at different places in San Francisco to advertise the game, and if arrangements can be made, may broadcast over one of the large radio stations, KGO or KPO. Friday the band will play at the Idaho-Stanford game at the Kezar stadium, and Saturday at the California U. S. C. game at Berkeley. The organization would leave on the return trip Saturday night, arriving in Moscow the following Monday.

Twenty-one members of the band, Edwin Sigkins and Horace Porter, yell leaders, and probably Cecil Hagen and Arthur Peavey would make the trip. Hagen and Peavey are to represent the Argonaut at the Pacific Intercollegiate Press association convention in Berkeley October 18, 19 and 20, and it was suggested at the board meeting that they go with the band instead of by railroad.

Expenses Are Low.

The Hawley company submitted a bid covering transportation, board and room for 23 men for the entire trip. The stage to be used is one that has just recently been driven to Spokane from the Fageol factory in Oakland. During the trip the band would have the use of the stage at all times. The trip would be made over the Oregon cutoff into northern California, then down the coast to San Francisco. Two drivers would alternate at the wheel, driving day and night. At San Francisco the band will stop in the same hotel occupied by the Vandal football squad, the Hawley representative specified.

Tom McGonigle presented figures, to the board showing that the organization could pay at least half of the expenses of the trip by playing concerts and giving all college dances on the campus this year.

FRATERNITIES START DECORATION PLANS

Group Houses to Compete for Trophy Offered at Homecoming

Plans for the annual homecoming decorations, sponsored by the Blue Key fraternity, are well underway, according to Allen Janssen, chairman of this year's campus decoration committee. The committee intends to enlist the aid of the intercollegiate knights and other campus organizations and will also solicit the cooperation of the Moscow city officials and business men in an attempt to surpass the decoration program of former years.

Since there remain but three weeks in which to prepare for homecoming, Mr. Janssen urges all fraternities and sororities to begin work at once on their respective decorations. This year as formerly the house displaying the best motif will be presented with a cup. Sigma Chi won the trophy in 1927. Janssen reports that rules which governed competition last year are to be used again this year. Expenditures on material must not exceed \$25.

Further particulars regarding decoration plans will be published at a later date.

LITERARY SOCIETY ELECTS MISS VEASEY

Winged Helmet Chooses Germaine Gimble and Elizabeth Dunn as Officers

Helen Veasey was elected president of Winged Helmet, campus literary society, at a meeting held Thursday afternoon in Dr. George Morey Miller's office. Other officers chosen are Germaine Gimble, vice president, and Elizabeth Dunn, secretary-treasurer.

Material has been gathered for the literary yearbook planned by the organization last spring, and work of editing will begin immediately, according to the officers. The new publication is sponsored by the English club.

SORORITY LEADER VISITS ON CAMPUS

National President of Alpha Phi With Local Chapter for Reception

Mrs. Ruth Abbott Jones, national president of the Alpha Phi sorority, will arrive on the campus this afternoon for a three or four-day visit with the local chapter.

Mrs. Jones comes to Moscow from the University of Manitoba, where she installed the thirty-first chapter of the sorority a few days ago. She was elected president of the national organization last summer at the convention held at Toronto, Canada. Her home is in Detroit, Mich.

Invitations were sent out today for the formal installation reception to be held Monday evening from 8 to 11 o'clock. Faculty members, towns people and group house representatives have been invited.

LAWRENCE WINS CALM ELECTION

Senior Officers Chosen Without Ballot; O'Neil, White and Harland Are Other Candidates

Everett C. Lawrence, Jerome, was chosen president of the senior class Tuesday evening at an uncontested election in the auditorium. Kenneth O'Neil, Grants Pass, Ore., was elected vice president; Marion White, Lewiston, secretary; and Josephine Harland, Trepanier, were chosen. There were no other nominations for any of the four offices.

Elmer Berglund, retiring president of the group, called the meeting to order and turned it over to Mr. Lawrence almost immediately. Lawrence spoke briefly on plans for the senior ball and announced that committee appointments would be made soon.

ADA BURKE ATTENDS TEACHERS' MEETING

Sabs for Dr. G. M. Miller at Twin Falls While English Head Visits in United States Capital

Miss Ada Burke, assistant professor of English, left Thursday morning for Twin Falls, where she will speak on the program at the convention of schools from south central counties of Idaho. Miss Burke will present a report on the results of the freshman English test from students of those counties, and will also discuss various problems regarding English work in the schools.

Miss Burke is substituting for Dr. G. M. Miller on his way to Washington, D. C., to attend an Episcopalian convention.

SPURS MEETING

Spurs will hold a meeting Monday afternoon at 5 o'clock in room 311 Administration building.

STUDENT OPINION

THE EDITORS of The Argonaut are asked quite often why they do not lambaste this, that or some other thing in the editorial columns of the paper. Every day or so some student with a pet peeve of his own suggests that an editorial should be written about something or another, and almost always he adds, "tell them what's what."

It is an easy matter to criticize and tear down, but to do so, in a manner that will result in good rather than harm is another matter altogether. There are things at Idaho that should be improved, but no one has discovered how to set about to do the improving. The Argonaut is a student publication, published with student funds for students. The editors try to the best of their ability to represent the students' viewpoint in all questions dealing with the university.

If the editors are not representing student opinion correctly, they want to know it. It is absolutely impossible to please 2000 students, no newspaper on earth has been able to please all of its readers. There may be issues that have been overlooked, questions that should be brought to the attention of the student body. If there are, why not make them known?

The Argonaut has a special column for such items, "Student Opinion." If readers have something they want published, something they are willing to be responsible for, let them write it up and hand it in. Articles must be written based on correct facts, and in a style that is fit for publication. All articles must be signed with the name of the writer. Should some not desire to have their name published, the editors will run only the initials in the signature if the request is made in person. Contributions of more than ordinary merit, will be run as editorials from time to time, over the name of the writer.

This is a fair proposition; if some do not like the way the editors are running The Argonaut, let them get busy on their typewriters and suggest a better way. "Speak now or forever..."

FOOTBALL SCOREBOARD

MACLEAN field is undoubtedly one of the best football fields in the northwest, but one thing about it is quite conspicuously absent. Visitors who have seen playing fields of other schools in the conference always ask why Idaho does not have a scoreboard.

Every school in the conference with the exception of Idaho has a scoreboard of some description near the playing field, showing the score, team in possession of the ball, downs, number of yards to go and the number of minutes left to play in the quarter. A scoreboard has been a long-felt need at Idaho, and it would help people not acquainted with the intricacies of football to follow the game.

Every fall for the past four or five years there has been a little feeble agitation for one, but it still remains in a visionary stage. It seems that now, with the completion of the new memorial gymnasium so near at hand, would be a singularly appropriate time to start work on a scoreboard—the alumni would be glad to see one when they come to Moscow for the Homecoming game.—P. E. J.

RADIO TROUBLE-SHOOTER

ADDRESSES ENGINEERS

T. W. MacLean, radio engineer for the Washington Water Power company, members of the American Institute of Electrical Engineers, addressed Idaho engineers Wednesday afternoon in Science hall on "Radio Disturbances: Their Source and Causes." Mr. MacLean locates radio disturbances with the aid of a radio receiving set mounted on his car.

IDEALS STRESSED BY DOCTOR KELLY

"College Traditions," Subject of Talk in Tuesday Morning Assembly

Three ideals, a respect for study, a respect for clean living and a respect for the courage of personal ideas should be the guiding factors in the lives of Idaho's freshmen, declared Dr. Frederick J. Kelly, in his initial speech before the class of 1932.

Doctor Kelly addressed the new students at their regular assembly Tuesday morning, basing his talk on "College Traditions." "People," President Kelly declared, "are ruled more by traditions than by statute law. Rules are made with the idea of meeting requirements under pressure, while traditions if upheld, can accomplish the same purpose without force. That is the spirit we want at Idaho. While I am in office small attempt will be made to coerce any student into action. We want him to climb on his own initiative."

No Place for Flunkers
"Student who come here with the idea of failing," Doctor Kelly added, "will be urged to fall quickly that the state's money will not be wasted. Students who come to the university are expected to come with the intention of equipping themselves for life, and we are here to aid them, but not to force them."

Touching on a recent personal survey of the nation's colleges, Doctor Kelly brought out a clear meaning of "tradition" as it was expressed among the students of Dartmouth college. Government of this institution, the speaker said, was virtually in the hands of a representative group of upper classmen. "Dartmouth college," Doctor Kelly asserted, "impressed me as being a school where the tradition of student control is recognized and respected." This condition also exists at Cambridge and Oxford, he added.

Favors Student Government
The adoption of a similar spirit at the University of Idaho is the hope of the new president. The faculty and administration will make only such regulations as the students compel them to, Doctor Kelly said, adding that the students will be expected to adopt their own code.

The class of 1932 holds special interest for the university's new president, who pointed out that both the freshmen and himself are spending their first year at Idaho and this class will be the first to complete the full college course under his direction as

Mr. McMurray Waxes Poetic over Tobacco

Carrollton, Texas May 15, 1928

Larus & Bro. Co., Richmond, Va. Gentlemen:

Having been a user of Edgeworth for over eight years, I can truthfully say that it is the best on earth. I am enclosing a little ditty that I believe expresses my sentiments entirely:
Old Man Joy and Old Man Trouble
Went out for a walk one day.
I happened to pass when they met
on the street
And I overheard them say,
Said Old Man Trouble, "She's as wrong as she can be,
There ain't no fun in anything to me, why
I was just talking' to Old Man Sorrow,
And he says the world will end tomorrow."
Then Old Man Joy he started to grin,
And I saw him bring out that OLD BLUE TIN,
Then OLD JOHNNY BRIAR was next on the scene,
And he packed him full from the OLD BLUE TIN,
And I heard him say as he walked away,
"You have to have a smoke screen every day.
When a man gets the blues, and he needs a friend,
He can find consolation in the OLD BLUE TIN,
And I just don't believe on all this earth
There's a thing that'll match good old EDGEWORTH."

Yours very truly,
F. H. McMurray

WOMEN STUDENTS STAGE WALKOUT

Hold Informal Supper and Program in City Park Thursday

Campus women staged their annual walk-out on Thursday afternoon when the assembled groups from halls and sororities marched to the city park. The weather was particularly gracious and provided a beautiful Indian summer afternoon, and a clear starry evening; true, the temperature was a bit below normal, but no one was unreasonably critical.

The girls organized a few yells and sang school songs before the lunch was served. Individual lunches were carried to the park by the girls, these were supplemented by the pies and hot coffee and chocolate which were served in cafeteria style. After supper a short informal program was presented in which representatives from various women's organizations on the campus told of the special attractions of these societies, and urged the women students to strive for special recognition in one or more of them.

Following is a list of the societies and fraternities whose aims and ideals were presented to the students: Associated Students, W. A. A., Y. W. C. A., the English club, Curtain, Spurs, Winged Helmet, Mortar Board, Sigma Alpha Iota, Pi Lambda Theta, Phi Chi Theta and Phi Upsilon Omicron.

Miss Permeal French, dean of women, closed the evening program with a few well-selected remarks to the girls.

Guests of the evening were Mrs. F. J. Kelly and Mrs. I. W. Jones. Miss Helen Kersey, assistant dean of women, and Miss Lena Shoup, house mother at Hays hall, were also present at the meeting.

BOOKS ABOUT INDIA DONATED BY HINDUS

Two Students From Punjab Donate Volumes by Countrymen Replying to Miss Mayo's Book.

"Unhappy India", by Lalpat Rai, Banna Publishing company, 1928, and "Father India", by C. S. Ranga Iyer, Louis Carrier & company, 1928, New York, are the titles of two new books in the library, presented to the university by Harjit Singh Dhillon and Bahadur Singh Maghnat, both of Punjab, India, who are students at the University of Idaho. These books were written in answer to "Mother India", by Katherine Mayo, which was widely read last year.

MERRILL IN SPOKANE

Beardeley Merrill, '28, is now located with the firm of Richards and Blum, Incorporated, an investment banking house in Spokane. Mr. Merrill is in the sales department and his duties are such that part of his time is spent in the Spokane offices and part in traveling to outside districts, particularly to Moscow and Lewiston. Mr. Merrill was a major in finance.

The latest Irish Free State census, taken in 1926, shows a total population of 2,971,992.

VIOLINIST FIRST ON ARTIST COURSE

Toscha Seidel, Internationally Famous Musician Will Appear in University Auditorium Oct. 30.

Toscha Seidel, internationally famous concert violinist, will appear here, Tuesday, October 30. This will be the beginning of a series of artist appearances at the university this season.

Definite plans for a systematic artist course have not been made by the committee headed by I. W. Jones, assistant president of the university. That there will be programs scheduled during the year is assured. Details of Seidel's concert will be announced later.

Those who are working with Mr. Jones on the public events committee are: Dean R. Farmer, Dean J. F. Messenger, Miss Katherine Jensen, Professor Theodore Kratt, Dr. G. M. Miller, and Major F. R. Fuller.

SOCIETY

The freshman class still occupying the attention of campus society, although rushing is over. Pledge dances, the first of the season, will be the main form of entertainment this weekend. Many popular women are bewailing the fact that so many fraternity dances come on the same night, making it impossible to attend them all.

With the exception of the De Smet club reception and dance this evening, no dances or entertainments other than pledge dances are scheduled.

COSMOPOLITANS TO PICK NEW OFFICERS

Foreign Students' Club Has Only Two Officials Back in School; Plan Nominations

The first meeting of the Cosmopolitan club will be held next Saturday evening in the U-Hut. It has been announced by Helen Dalton, president. A nominating committee which will choose candidates for the positions of vice president, secretary and corresponding secretary will be named. The election will be held in two weeks.

The only officers who have returned to the campus this fall are Miss Dalton and George Blitchevsky, treasurer.

"I" CLUB INITIATES THREE VARSITY MEN

Darwin Burgher is Elected President; Walt Price Vice President For the Coming Year.

Three men who qualified for the varsity athletic award in conference sports last spring were initiated by the "I" club, lettermen's organization, last Tuesday evening. Florian Grabner, pitcher, and Merritt Greenling, outfielder of the 1928 baseball team, and Sidney Pierson, pole-vaulter on the track team, were the men initiated.

The officers of the "I" club for the year are Darwin Burgher, president; Walt Price, vice president; and Harold Stowell, secretary-treasurer.

STUDENT OPINION

Student motorists who leave their cars parked on streets near the campus should take precautions to prevent their vehicles from leaving the curb and rolling down hill.

On Saturday one student left his car parked in front of Lindley hall, and if it had not been for an alert freshman, that student would have returned only to find his car at the bottom of the steep hill back of the Sigma Chi house.

Be sure the front wheels are pointed toward the curb and the emergency brake is set before leaving your car.

A runaway automobile may easily destroy life and property. See that your car is properly parked.—I. P.

AG-SHORT COURSES DRAW FARM BOYS

Practical Farming Classes to Open October 29; Larger Enrollment Expected by Nordby.

All classes in the school of practical agriculture will begin Monday October 29. The course is open to anyone with an eighth grade education and is especially attractive to boys on farms who have little to do in the winter and wish to spend their time profitably.

The general course is designed to give the scientific side of farming in the most practical manner. The short course in auto mechanics and farm motors covers all phases of power farming. The short course in plowing trains boys to become efficient in operating creameries.

According to Prof. J. E. Nordby, the advance information indicates that the enrollment will be substantially increased over that of last year.

MEDAL AWARDED TO PROF. FAHRENWALD

Saving to Michigan Mines Brings Award to Idaho Metallurgist

A. W. Fahrenwald, whose appointment as professor of metallurgy in the University of Idaho school of mines recently was announced by President Frederick J. Kelly, has been formally nominated by the Michigan section of the American Institute of Mining and Metallurgical Engineers to receive the James Douglas medal, which is awarded annually by the institute for distinguished achievement in mining or metallurgy.

Mr. Fahrenwald retires from the position of ore dressing engineer with the U. S. Bureau of Mines to join the Idaho mines school staff. Since 1919 Mr. Fahrenwald has been in charge of the Moscow station of the bureau and last year divided his time between Idaho and Michigan. During the past year his work in Michigan has contributed new milling practices which are expected to mean a saving of fully \$2,000,000 per year to copper companies of that state.

In making its formal recommendation to the institute the Michigan section says:

"His (Fahrenwald's) work in the Michigan district, which is well known to all concerned, will effect enormous savings in the present milling practice, and will permit the reclamation of millions of tons of tailings, and in addition permit the successful operation of properties hitherto considered too low in grade or too refractory to be worked at a profit."

Mr. Fahrenwald's outstanding work in metallurgy has been in the Coeur d'Alene district of Idaho and the copper mines of Michigan. He will assume the professorship of metallurgy at the University of Idaho as quick as bureau projects in which he is engaged can be completed or adjusted.

GREEKS VS. GREEKS WHEN VOLLEY BALL TEAMS BEGIN PLAY

Beta, Lambda Chi, Beta Chi and Kappa Sig Win Thursday

THREE GAMES TODAY
Second Round Set for Next Week; Losers Will Play, Too

Eight teams swung into action yesterday to open the 1928 intramural volley ball season. The games were all in the "A" league and the victorious teams were Beta, Lambda Chi, Beta Chi and Kappa Sig. The games were all rather lopsided, but there were occasional flashes of brilliant playing that promise real contests later on in the season.

Lambda Chi Wins
In the first game at 4 o'clock Lambda Chi defeated the other team 15-1 and 15-3. Shamberger offered the best play for Lambda Chi, and his defensive work saved his team many times when it seemed inevitable that they would be scored on. McCoy of the town men was left to play a single handed game. He was all over the court making many brilliant shots that resulted in many down the score. Save for the efforts of Shamberger and McCoy, the game offered little in the way of excitement or brilliance.

Beta Chi pulled out of the hole to put down Beta Chi in the second match of the tournament. After dropping the first game 15-10, Beta Chi rallied to win the next two by scores of 15-3 and 15-3. The entire Beta Chi team took part in the rally and showed some pretty team work that may prove dangerous to future opponents.

Betas Have Good Team
In the third game of the evening a great deal of enthusiasm was stirred up when the Betas and A. T. O's met. There was little reason for excitement since the Betas are favored over the O's 15-3 and 15-3. The A. T. O's are very aware of the fact that they were beaten from the start, and played with all the tenacity that is characteristic of a college team.

Accept Reports
Blue Key fraternity reported on the handbook, through its representative, Cecil Hagen. The board accepted the report. The "T" club reported that it was willing to take over the enforcement of campus regulations, and the offer was officially accepted by the board.

Next Tuesday evening the board will hold a joint meeting with the Washington State college student council at the Blue Bucket inn to discuss plans for preventing unauthorized forums of students from either school before the Homecoming game.

WANDALS READY ON
MISSIONARY CLASH
(Continued from page one)

rick a badly bruised leg and Brinham's shoulders are injured. The remainder of the team is in good playing condition.

These missing gaps in the regular lineup will have to be filled from the reserves, and from all probabilities Cheyne will take Robinson's place and Carlson will take center in place of Kispatrik. In case Brinham does not start the game, either Thomas or Sproul probably will see first action. Aside from these three the same outfit that acted courageously probably will begin the first quarter.

Erk has practically decided to take 25 men to Stanford, selection of which will be made at the end of the week, probably following the game Saturday. At least 20 men are sure of making the trip, but the remaining half dozen will be the hardest to choose and the selection of some of the reserves may prevent Whitman from going a long way toward making up Erk's mind.

The team departs for Stanford Tuesday, arriving in San Francisco some time Thursday. They will have a short vacation here, and then will start for Berkeley.

Whitman should prove a good find, which is why he is being considered. Although the Bears are not themselves have always had a few tricks up their sleeves to hold off the Idaho golden. Whitman has a few tricks up his sleeve, too, which has been able to hold off the Bears in the past. He is being considered by the coaches.

FEW ANSWER CALL FOR CROSS COUNTRY

Small Group of Veterans Report for Long Distance Events; Wicks, Taggart, Ingie Appear Best

Coach "Cap" Bryan had only a handful of aspirants for his cross country squad when he issued his call Monday. Among those who turned out were: Wicks, Taggart, Ingie, Muzzy, Andrews, Pardue, Stojohann, Heath, Belknap, Anderson, Clark, Corliss, Wilson, Thompson, Morrish, Patchen and Long. The first four are veterans; Wicks, Taggart and Ingie from last year's squad and Muzzy from the squad two years ago.

No definite date has been set for the annual intramural cross country race which always reveals some good material for the varsity squad, and likewise the annual W. S. C. Idaho race has not received a calendar date.

Coach Bryan wants all men who haven't already signed up for cross country to see him at his quarters in the gym.

SMUIN NAMED ON YEARBOOK STAFF

(Continued from page one)

candidates for the position who were considered by the board were Frank Wagner and Howard Andrews.

An editor-pro-tem will be named for the Blue Bucket this week by a committee consisting of Alvin Reading, president of the ASUI, Maryvina Goidsmith, editor of the Blue Bucket last year, Grace Jain, president of the English club and Patrick Walker, business manager of the publication.

The appointment will be effective for the first issue of the publication only. Both the editor and the associate editor of the Blue Bucket, Smith Miller and Pauline Hookaday, failed to come back this fall. Their successors will be named at a special student body election this fall.

Next Tuesday evening the board will hold a joint meeting with the Washington State college student council at the Blue Bucket inn to discuss plans for preventing unauthorized forums of students from either school before the Homecoming game.

FROSH FOOTBALL TEAM PROMISING

Good Material Found for Backfield Positions; Line Seems Weaker

Going up against the first real scrimmage that they have had this year, the frosh team showed excellent possibilities of developing into a well balanced machine.

The first injury of the season laid out Bus Paulsen, 170-pound tackle aspirant. Paulsen was hurt when tackling a back in dummy scrimmage, but will be in shape for the Washington game two weeks hence.

During the scrimmage several men looked particularly good, and from all indications the backfield is going to be better than the line. The first team backfield will consist of Davis at quarter, Berg and Wilkie at half, and a new man, June Hanford, who has just enrolled in school, lugging the ball from the fullback position.

The biggest concern of Coach Glenn "Red" Jacoby seems to be the line. He has some good material but is spending much time with them at the bucking machine, trying to get them to hit low and hard.

TUTTLE NOMINATED BUSINESS MANAGER

Fred Johnson's Failure to Return to School Leaves Vacancy in Business Staff of Engineer

Russell Tuttle was unanimously nominated for the position of business manager of the Idaho Engineer for this year, to fill the vacancy left in the business staff when Fred Johnson, Moscow, did not return to school. Election will take place at the meeting next week.

Next Tuesday evening the board will hold a joint meeting with the Washington State college student council at the Blue Bucket inn to discuss plans for preventing unauthorized forums of students from either school before the Homecoming game.

UNIVERSITY WOMEN OUTLINE FALL WORK

Fifteen Apply For Membership in A. U. W. Committee Report on Subjects to be Studied This Year

Fifteen applications for membership in the local branch of American Association of University Women were filed with Dr. Ella Woods, membership chairman, at the open meeting Tuesday evening.

The weather man took a sudden change for the worse last Wednesday in Phil. I for all students registered there in whose names begin with the last half dozen letters of the alphabet.

Outlines of the working and the object of the association were outlined by Mrs. F. B. Jancy, president. Chairman of the various study groups, Mrs. Hammar, international relations, Mrs. R. H. Farmer, pre-school round table, Mrs. L. T. Barker, adolescent studies, and Mrs. H. H. Swan, literary, were introduced so that the members could choose groups they wished to affiliate themselves with this year.

The next meeting will be held Tuesday, November 13, Miss Bernice McCoy, Miss Jensen, Mrs. Hammar, and Mrs. C. L. von Ende will be the speakers.

Cambridge, Mass. (IP)—Discovery of an unchaperoned woman in the building resulted in the closing of the Harvard Liberal club.

The five summer residents of the club were ordered to find other living quarters. The club was closed on the order of Regent Matthew Luce, director of morals at the university.

ANNOUNCE DATE FOR BARNYARD GOE

Co-eds Contest Week of October 22-23 All Women Students Eligible for to Enter Competition

W. A. A. announces that a date during the week of October 22 will be arranged for the horseshoe pitching tournament. This contest will be held on the court east of the athletic field.

Any girl in school is eligible for the tournament. Each contestant plays for herself and strives to build up a high score. Each girl throws four horseshoes in succession, which are graded on their relative closeness to the peg. After the pitching is over, the scores will be grouped into three divisions, the highest scores being placed in Class I, the second highest in Class II, and the lowest scores in Class III. The girls whose scores are placed in first class receive 25 points each, and those in second class get 15 points each; and those in the third class receive 10 points each.

Practice for the tournament is held at 4 o'clock every Monday, Tuesday, Wednesday and Thursday. In spite of recent rains, large numbers of girls have been practicing nightly.

BUSINESS WOMEN ORGANIZER

Phi Chi Theta, women's honorary business fraternity, held its first meeting last Tuesday evening at the Omega Alpha house. A fireside to be given October 23 for all freshmen and sophomore women enrolled in the school of business, was planned. The purpose of the fireside will be to acquaint students with the fraternity.

NEW AND NOVEL PARTIES

It's seldom that one can give a novel Halloween party but now with the many new, distinctive and exclusive favors, tally cards, noise makers, etc., at DAVIDS' GIFT SHOP, it has been made easy. Drop in and look them over on the mezzanine floor.

LOST

Saturday morning, \$12 Science, black leather purse, containing articles valuable only to the owner. Please return at once to Bursar's Office or 204 Ad. Bldg. Reward.

**OUR DRINKS ARE'NT
INTOXICATING, BUT, BOY!
THEY ARE GOOD**

We have the finest and largest fountain in Moscow to serve from, so treat your girl to one of our Milk Shakes, Ice Cream Sundaes, or a refreshing Iced Drink.

If you're cold try a cup of our Hot Chocolate

**DUOFOLD PEN
DE LUXE**

the smartest writing instrument you've ever seen.

BLACK & PEARL
Non-Breakable Barrel—Pressureless Touch and *Guaranteed Forever Against All Defects

Here's a new De Luxe Duofold Pen in Black and Pearl, offering the handsomest writing equipment any lady or gentleman can possess.

Crystals of silvery pearl and Parker Permalite Material (Non-Breakable) must be delicately arranged to produce the moderne effect of this unique design.

Costly to produce—though not high-priced to you—and very beautiful.

Not duplicated anywhere else. A masterly achievement in a pen. Senior size, \$10; Junior Size, \$8.50; Junorette or Lady, \$7.50. Pencils to match, \$3.50, \$4 and \$5.

Dealers are showing the new pens and pencils separately and in perfectly matched pairs, for the first time this year.
