## PEP BAND LEAVES TO CHEER VANDALS IN STANFORD GAME

### Twenty-two Members Taken to Play at First Conference Clash

### TRAVEL IN BIG BUS Has Schedule of Engagements at Hotels and Studios on Trip

Twenty-two members of the Pop band and Idaho's two yell leaders, Edwin Higgins and Horace Porter, left Moscow at 12:30 o'clock today for San Francisco for the Idaho-Stanford football game. They left in a 31-passenger stage chartered for the trip from the Hawley Stage company of Spokane. Several other students, not members of the band, planned to make the trip with the group.

The stage will be driven straight through to San Francisco, stops being made enroute only for meals. Under the contract with the stage company, members of the party receive their transportation, room and board for the entire trip for a total cost of \$1368. Lower rates secured by the company from hotels make the price possible. If the trip had been made by train, the cost would have been nearly double, said George Horton, graduate manager.

### Has Many Engagements

While in San Francisco the party will stay at the Whitcomb hotel, headquarters for the football squad. Barring accident or delay, the party will reach its destination early Thursday morning, in time to meet the football team at the railway station. Thursday and Friday will be filled with playing engagements at hotels, on the streets, and perhaps at studios of one or more of the large radio stations of the Golden Gate city. Advance publicity has been sent to California, and it is expected that the organization will be well received. Idaho alumni in California are enthusiastic over the project, and will assist Tom McGonigle, manager, to find sufficient engagements.

Friday afternoon the pep band will march in all its glory of new uniforms and "I" caps into Kezar stadium at the beginning of the Stanford-Idaho game. A crowd of 10,000 people is expected, according to advance reports. Saturday the band will play at the California-U. S. C. game. The stars will leave San Francisco on the return trip for Moscow Saturday night, and will arrive here some time Monday.

### Rally at Depot Today

The football squad will leave Moscow from the O. W. R. & N. station at 5:50 o'clock this afternoon. Twenty-four players, Coaches Erb and Hutchinson, and Frank Hunt, senior football manager, will make the trip. They will travel in two Pullman coaches and will arrive in Portland tomorrow morning, and after an hour's wait, will continue their trip on the Shasta Limited train to San Francisco.

A large crowd of students is expected to see the team leave today. In the absence of the pep band and the yell leaders, the freshman yelling will be in charge of the sendoff.

## Croesus Was a Modern, Owned Many Flowers

According to facts learned in philosophy last Wednesday morning, old King Croesus of Lydia, Asia Minor, left the Sigma Chi's with their five old campus wrecks way behind in the mud.

Being the financial John D. Rockefeller of his day, Croesus owned a dozen old Ford's to everyone else's one. His wrecks, back there in the sixth century B. C. had the biggest, blindest, brightest mottoes, the cleverest sayings, the loudest engines, and the greatest casualty list. His neighbor Greeks looked on in awed wonder as they steered their quiter, ante-deluvian steam boats about among the Mediterranean deep sea monsters.

King Croesus stopped over night at all the Davenport and Ritz hotels of Babylon when he ran over for a Greek-Babylonian football game. The Greeks had to take advantage of the special rates and go back home on the special football caravan.

When the gold-fingered old man died he left more wonderful, expensive and beautiful "foug" houses for the gods than have been known to the world up to the building of the new Idaho Delta Chi and A. T. O. houses. It is said that he wore a five-pound fraternity pin on his best Sunday robe.

## NEW TOWN WOMEN FETED WEDNESDAY

### Daleth Teth Gmel Entertains With Party at Guild Hall for Moscow Freshmen Girls

Daleth Teth Gmel, social organization for women students, will entertain all new students from town who are interested in becoming members of the society, Wednesday evening, October 17 at the Episcopal Guild hall. All members are asked to be at the hall at 7:15 o'clock. Guests are invited to come at 8 o'clock.

MIDDLEBURY, Vt. (IP) — Ham Farrrell, chief janitor at Middlebury college for 43 years, has been retired on a pension, the first granted to any of the college personnel.

## IDAHO GRADUATE NOW PRINCIPAL

### William S. Fowler, 24, Follows Education—New Camas School Is Dedicated.

William S. Fowler, who received his LL.B. from the University of Idaho in 1924, is now superintendent of Camas county rural high school. Since his graduation, Fowler has been in the teaching profession, and lately has been active in arrangements for the dedication of the new high school building which took place October 14.

Much comment and newspaper space has been given to Camas county and its county rural high school, as it is the only county-wide school district in the state.

## DEBATE TRYOUTS START WEDNESDAY

### Squad of 25 Picked From Three Groups Will Constitute Team

Tryouts for freshman, varsity and women's debate teams will begin at 4:15 o'clock Wednesday afternoon in room 317 Administration building. All candidates will be able to use either of the two following questions for their three minute speeches: "Resolved: That the Russian Plan For Total Disarmament Should be Adopted by the Nations of the World," or "Resolved: That the Plea of Temporary Insanity in Defense of Crime Should be Prohibited by Law." Women may also use the following question if preferred to the other two: "Resolved: That Mussolini Has Been a Benefit to Italy."

The judges, Dr. F. C. Church, Dr. G. H. Orman and Mr. M. L. Williams will select from the candidates a squad of 25 to represent Idaho in debating circles this year. The whole squad will constitute a seminar group for the study and development of the questions to be debated upon. Schedules for all three groups are rounding into form, according to Coach J. V. Garland. It is expected that the women will again hold a triangular debate with Washington and Oregon universities and there is an eastern trip for the varsity men on the tentative schedule.

## NOTED VIOLINIST WILL PLAY HERE

### Toscha Seidel, Russian Artist Scheduled for Appearance Oct. 30

Toscha Seidel, internationally famous concert violinist, will appear here, Tuesday, October 30. This will be the beginning of a series of artist appearances at the university this season.

Seidel made his American debut in 1915. Since that time he has made four transcontinental tours before coming to this country he made his debut in Norway in 1915, at the age of 16, at which time he took the country by storm. In this country, Seidel's audiences became larger and larger with each appearance until he has become nearly as well-known as his personal friend, Heifetz.

His program will contain no modern music. Seidel says, "I do not understand modern music, therefore I do not like it." The works of Brahms are his favorite selections and it is expected that he will feature this master's works on his program here.

Whether or not an artist's course will be brought to the university this winter depends on the way the students support Seidel in his appearance, says Dr. I. W. Jones of the public events committee, who feels that the course is needed on the campus but the students must make it possible. Those who are working with Mr. Jones on the public events committee are: Dean R. Farmer, Dean J. F. Messenger, Miss Katherine Jensen, Professor Theodore Kratt, Dr. G. M. Miller, and Major F. R. Fuller.

## LECTURER TO SPEAK ON GERMAN SCHOOLS

### Dr. Wagner of Saxony Will Lecture Friday of Youth's Effect on German Education

Outstanding features of the new German system of education will be the subject of Dr. Dora Wagner's address to the students in the auditorium Friday evening. Doctor Wagner will address the students in the school of education and others interested in Germany, Friday afternoon on "The German Youth Movement and Its Effect on German Education."

Doctor Wagner is superintendent at the State High school for girls at Dresden, Saxony. She came to the United States last April with a group of German educators at the invitation of the International Institute of Teachers colleges.

While traveling as a member of the group last spring, Doctor Wagner spoke at several colleges and was urged to return this fall. Her special field is secondary education. She has been active for 13 years in high school and teacher's training.

The address in the afternoon will be delivered in room 110 Science hall at 4 o'clock. The evening lecture will begin at 8 o'clock.

### ANTIOCH DORM BURNS

YELLOW SPRINGS, Ohio, (IP) — Fire of mysterious origin recently did \$15,000 damage to West hall, student dormitory at Antioch college here. The building is being reconstructed and will be ready for occupancy within a few days.

## ERB'S WARRIORS ENTRAIN TODAY FOR CALIFORNIA

### Twenty-Four Men Making Trip to San Francisco For Stanford Battle

## VANDALS LOOK GOOD

### Regular Line Expected to Start Against Southerners Friday Afternoon

Twenty-four determined Vandals entrain this afternoon at 5:55 o'clock bound for San Francisco, where they receive hostilities with Stanford university Friday afternoon after a four year lapse. The San Francisco game will be Idaho's first Pacific Coast conference this season, and with three non-conference fringe behind them, the last one a decisive victory over Whitman, Erb's warriors are in tip-top condition, physically and mentally.

Injuries that kept three men out of the entire Whitman game are clearing, and despite a minor charley horse, Head Coach Charley Erb, Jr., plans to start his regular lineup against the Cardinals. Kirkpatrick will be back at center; Robertson's hand will be sufficiently healed to permit him to call signals and Brimhall will start at left guard. Hutchinson and Hult, who received injured legs in the Missionary clash, are able to be out and should start Friday.

Just what tactics Erb plans to use against the Palo Alto men, nobody knows—but it probably will be just straight football, as little kicking as possible and some passes. Foxy old Pop Warner, Cardinal coach likewise is not planning to open his bag of tricks, saving them rather for the U. S. C. and California games later in the season. Warner, further is not going to use any more of his regulars than he can help, but from

(Continued on page Four)

## HAGEN AND PEAVEY ATTEND CONVENTION

### Leave for Berkeley, Calif., Today As Representatives of The Argonaut

Cecil Hagen and Arthur Peavey, Jr., editor and business manager of The Argonaut, will leave Moscow this afternoon at 5:50 o'clock for Berkeley, Calif., to attend the annual convention of the Pacific Inter-collegiate Press association. They will make the trip to California with the football team, but will return a day or two later.

The convention will be held at the offices of the Daily Californian in Stevens Union, Berkeley, Thursday, Friday and Saturday. The editors and business managers will hold separate meetings to discuss problems that come up in their own departments. The Argonaut has been a member of the association for several years, exchanging news with college papers of the Pacific coast.

This will be the first time that the business manager of The Argonaut has been sent to the convention with the editor as a representative of the ASUL. Last year Burton L. Moore was The Argonaut's representative at the meeting held at the University of British Columbia, Vancouver, B. C. The year before Floyd Lauson, now with the Associated Press at Spokane, was the Idaho delegate.

## TOM MCGONIGLE IS ELECTED DELEGATE

### Sigma Tau, Honorary Engineering Fraternity, Will Hold Convention in November in Illinois

Tom McGonigle was elected delegate to the national convention of Sigma Tau, honorary engineering fraternity, at a meeting of the local chapter Wednesday afternoon. The convention will be held November 1, 2, 3, at the University of Illinois at Urbana. There will be delegates at the convention from every school in the west that has a chapter.

## ENGINEERS ELECT MERCER PRESIDENT

### Glen Patchen and William Galliger Also Named for Offices by Idaho Chapter

Bruce O. Mercer was elected president of the Mechanical Engineers, student branch of the A. S. M. E., at the first meeting of the year held last Wednesday. Other officers chosen are Glen O. Patchen, vice president; and William T. Galliger, secretary-treasurer.

Plans for the ensuing year were discussed by Professor Gauss, faculty member of the group. He urged that more freshmen be interested in the meetings, which this year will be held the first Wednesday of each month in room 104 Engineering building.

### CHANGE OF ADDRESS

Students who have changed their addresses since registration have been requested to fill out change of address cards at registrar's office immediately.

## ENGINEERS WILL DISCUSS SMOKER

### To Elect Business Managers of Fabrication at Meeting in Engineers Building Wednesday

Plans for the annual engineer's smoker which will be held in the near future, will be discussed at a meeting of the Associated Engineers, Wednesday at 4 o'clock in room 208 of the Engineering building. A business manager for the Idaho Engineer will be elected to fill the vacancy in the business staff caused by the failure of Fred Johnson of Moscow to return to school. Russell Tuttle has been unanimously nominated for the position.

At the meeting a definite membership program will be outlined by Robert O'lip of Culeasac, chairman of the membership committee. The present membership of the club is more than double that of any previous year. An effort is being made to induce every engineering student on the campus to affiliate himself with the organization.

## CLUB ORGANIZER VISITS IN MOSCOW

### Business and Professional Women Entertain National Secretary

An educational program which will give every boy and girl an opportunity for specialization, for thrift, and for becoming good American citizens, is the hope which Miss Emily Kneubuhl, executive secretary of the American Federation of Business and Professional Women, explained to members of the local group Sunday afternoon.

Representatives from the faculty, of the women's business and professional honoraries from the university, from Pullman and from Lewiston, attended the dinner which was given for Miss Kneubuhl at the Moscow hotel.

This executive secretary, who holds a master's degree from Syracuse university in political science, and who has studied educational, social and political problems looks to the women of the nation to maintain high educational standards and to bring about a change in the political complexities of the nation.

Mechanical and material invention has gone forward so rapidly within the last few years that women's hands are released and they can enter into the great problems of today she declared.

The new leisure has given women time to ask questions which have started the ball rolling in their drive for democracy. The pioneers of the era of thought are now here. That it is up to the women to show that mutual understanding which the businessmen of America have found so satisfactory will work among nations; that the man-made institution of war shall go, is her firm belief.

Short talks were made by Miss Bernice McCoy and Miss Katherine Jensen as faculty representatives. Myrtle Heugse for Phi Chi Theta, and Virginia Grant for Theta Sigma, explained the purposes of their organizations.

## COLLIER SHOTS AT NATIONAL MATCHES

### Vandal Marksman Places at Camp Perry; Score Not Known

Claire B. Collier, Liberty Lake, Wash., Idaho's entrant in the national rifle matches at Camp Perry, Ohio, has returned to the campus certain of having placed in the competitive shoot, although his score has not yet been announced.

The Idaho entrant was also representing the R.O.T.C. companies who were in attendance at Fort George Wright, Spokane, this summer. Mr. Collier was high point man of the camp, his score there being 225 out of a possible 250. W. Stanley, also an Idaho marksman, took second place in the Fort Wright meet.

Charles Gregory, graduate of the class of '23, was the camp representative at the national matches last fall.

Indoor rifle practice for the university team will not start until about the middle of October due to the present interest in football. The definite date will be announced later.

## SPURS INITIATE 22 NEW MEMBERS

### Spurs, Soph Honorary, Initiates Two Girls from Each Group Thursday at Theta House

Twenty-two girls were initiated into the Sophomore honorary service organization Thursday night at the Kappa Alpha Theta house. These girls, two from each house, were chosen last year to carry on the active work of the Spurs this year.

The following were initiated: Ruth Miller, Virginia Nielson, Catherine York, Elsie Warm, Anne Day, Fynette Guthrie, Mary Ellen Adams, Dorothy Rouse, Anne Martinson, Luette May Mitchell, Betty Wilson, Grace Parsons, Georganne Brown, Vera Bryant, Pauline Pizey, Patricia Wilson, Josephine Thompson, Kathryn West, Dorothy McCauley, Joyce Otter, Elsie Geddes and Myrtle Rolde.

## LINDLEY FRESHMEN WILL GIVE SMOKER

### Grand Secretary of Idaho Odd Fellows and Representative of Rebekah's Will Talk to Students.

General Frank Martin, Boise, grand secretary of the Idaho Odd Fellows lodge will be the principal speaker at the assembly Wednesday morning at 10 o'clock. Mrs. Beulah Hattabaugh, Grangeville, a representative of the Rebekah's will also appear on the program. The topics on which they will speak are not known, but is expected they will deal with Idaho and its relation to her students.

## AD CLUB EXPECTS VISITOR

The Advertising club is expecting a visit in the near future from K. L. Hanna, president of the Pacific Advertising club association. There will be a meeting of the club Wednesday noon in the Blue Bucket when plans for entertaining Mr. Hamman will be discussed.

## VANDALS CRUSH WHITMAN, WIN BY WIDE MARGIN

### Erb Puts Steam Roller into Action Against the Missionaries

## IDAHO SCORES FIRST

### Game Furnishes Plenty of Thrills; Whitman Quarter Runs 98 Yards

By Andy Thomson

Idaho Saturday afternoon found her real scoring machine and despite a galaxy of bad breaks, fumbles and scratched punts, rolled over four touchdowns on Whitman, to win 26 to 13, the first Vandal victory thus far in three starts.

Scoring in each quarter and passing up a half dozen chances at other periods, the Vandal backs, with perfect interference, smothered the Missionaries under crashing off-tackle plays, wide end runs and deftly-thrown passes. But time after time, fumbles, coupled with stubborn defense on the part of Whitman, kept the Idaho men from increasing this count. Idaho gained a total of 438 yards from scrimmage, more than two-thirds of it through the Whitman line. Whitman made only 140 yards from running an 98 yards.

The feature of the game came at the kickoff which began the second half, when Applegate, Whitman quarterback, took Sumpter's kickoff on his own 2-yard line and wove through the Idaho defense for a touchdown, despite the fact that Idaho tacklers had forced him to the ground twice. Ten minutes later Applegate paved the way for the second Whitman touchdown, their only earned tally of the game, when he slipped through Idaho's line for 35 yards.

Idaho's first score came seven minutes after the opening kickoff.

(Continued to page 4)

## ALUMNI - COLLEGE DANCE NOVEMBER 3

### Homecoming Affair Will Take Place of Usual "I" Club Ball

The state alumni association will cooperate in sponsoring an all-college alumni dance the evening of November 3 in the new memorial gymnasium. The dance will follow the Idaho-W. S. C. football game in the afternoon and will be the first use of the new gym.

Formerly I club members have held their formal athletic ball the evening of the traditional W. S. C. game, but acquiesced to postpone that dance until later in the season so that alumni could offer returning alumni adequate entertainment.

It is expected that the dance in the new gym will be attended by 600 to 800 couples. The floor will accommodate nearly 1000 couples and being the first social event in the building and the first big all-college dance which has been possible on the campus for a number of years, the proposal is meeting with enthusiastic response among students.

The event will be a drawing card for hundreds of alumni and former students planning to return for the homecoming game.

Tickets for the dance are being printed now and will be ready within a few days.

## EDUCATION GROUP PLANS LOCAL ROUNDS

### Wayne Smith Appointed to Draw Up Constitution of Kappa Delta Pi; Monthly Meetings.

Wayne Smith, instructor in the school of education, was appointed chairman of a committee to draw up a constitution for the local chapter of Kappa Delta Pi, national education fraternity, at a meeting held at the Beta Theta Pi house last Tuesday evening. The fraternity was installed on the Idaho campus last June with 22 members initiated. The next meeting will be held during November.

## STUDENTS TO HEAR LEADER OF LODGE

### Grand Secretary of Idaho Odd Fellows and Representative of Rebekah's Will Talk to Students.

General Frank Martin, Boise, grand secretary of the Idaho Odd Fellows lodge will be the principal speaker at the assembly Wednesday morning at 10 o'clock. Mrs. Beulah Hattabaugh, Grangeville, a representative of the Rebekah's will also appear on the program. The topics on which they will speak are not known, but is expected they will deal with Idaho and its relation to her students.

## LINDLEY FRESHMEN WILL GIVE SMOKER

The freshmen in Lindley hall will give the upperclassmen in the dormitory a smoker on October 19. Although this is the first entertainment to be given in any of the dormitories this year, there are several more planned. The men in Lindley are going to give two dances in the near future. The dates have not been decided yet. An orchestra and a glee club have already been started by the men.

## UNIVERSITY MEN CUT IN ACCIDENT

### Flying Glass Slightly Injures John Beckwith and Glenn Patchen As Car Crashes Into Pillar.

John Beckwith, Mountain Home and Glenn Patchen, Careywood, students at the university, received minor cuts from flying glass in an auto accident near Palouse, Saturday morning when the car in which they were riding crashed into a concrete pillar at a railroad crossing. The car, which was badly damaged, was taken to a garage in Palouse. The two young men, who were on their way to Coeur d'Alene on a hunting trip, were brought back to Moscow by a friend.

## SIGMA TAU PLEDGES EIGHT ENGINEERS

### Prominent Upperclassmen Taken by Honorary Fraternity

Sigma Tau, national honorary engineering fraternity, pledged eight upperclassmen in the college of engineering and school of mines at a meeting held at 4 o'clock Monday afternoon in the engineering building. The new men will be initiated this semester.

The pledges are Herbert Clare, Cambridge; Maurice Muzzey, Kootenai; William Mark, Blackfoot; Charles Dick, Lewiston; Ralph Hill, Spirit Lake; Vaughn Iorns, Glenns Ferry; Harold T. Nelson, Wallace; Wayne McCoy, Moscow and W. J. Travis, White. Four qualifications are taken into consideration in the choosing of the men. They must be in the upper one-quarter of eligible men in scholarship and must have demonstrated ability to apply their theoretical training. In addition, they are required to have an interest in other activities of the university, and must be approved by at least three faculty members.

Another small group of pledges will be taken next semester, it is announced.

Tom McGonigle, president of Sigma Tau, will represent the chapter at the national convention November 1, 2, and 3 at Urbana, Illinois.

## IDAHO YEARLINGS TO MEET HUSKIES

### Jacoby's Crew Leaves on Thursday for Seattle; Tangle Saturday

Despite inclement weather, Coach Red Jacoby is driving his frosh football squad hard in preparation for their first game, billed for Saturday against the Husky frosh. Defects revealed in scrimmage against the Goofs last Saturday are getting most attention in an effort to perfect an effective offensive and an air-tight defense. Head Coach Charles Erb watched the game, giving advice to the yearlings as they executed various plays to be run off.

From all appearances the team will be better on defense than on offense. Real scoring punch seems to be lacking, but this may be developed in the Washington game. The backfield has some promising men trying out for positions. June Hanford looked good at fullback, carrying the ball many times for long gains through the Goof line. The rest of the backfield also holds some promising material. Coach Jacoby has a world of material to work with and has a lot of good reserve stuff essential to a high-calibre club. Davis, at quarter, is passing accurately and his kicks are high and long. With two fast men, Berg and Wilkie, taking care of the halfback positions, the backfield is complete.

The starting lineup for Saturday probably will find Spaugy at center. Shurtliff and Randall probably will be the starting ends. Randall is going strong and is a deadly tackler. In an emergency he can do the kicking. Cass McCorkery, Ruston and Selbert are out for the remaining line berths.

According to available reports from Washington the Husky babes are going to have one of the best teams ever representing their school. The team leaves Thursday but Coach Jacoby has not decided on who will make the trip.

## CHENOWETH OPENS L. D. S. CHAPEL TALKS

### More Interested in Producing Men Than Machines—Mrs. Sargent Speaks Sunday.

"I am not so much interested in new inventions and new machines, as I am concerned about the type of men who shall run these machines," said Prof. C. W. Chenoweth in his address last Sunday evening at the first of a series of meetings to be held in the L. D. S. chapel. The subject of his address was, "The Contributions of Religion to Life." The five contributions which he pointed out were the joy or living, companionship, protection, direction, and a sense of permanency. A good attendance was reported.

Mrs. M. L. Sargent of the modern language department will be the speaker at the next meeting to be held Sunday evening, October 21, at 7 o'clock. Mrs. Sargent has just returned from a world tour, and her talk will probably concern some phase of her experiences.

So far this season there have been seven deaths from high school and college football says an Intercollegiate Press dispatch.

## STUDENTS ASKED TO MAKE AND ENFORCE CAR PARKING RULES

### President Kelly Suggests Burden Be Taken Off Administration

## RULE BROKEN NOW

### Other Schools Find Plan Feasible; Executive Board to Consider Scheme

Rules regulating the parking of cars on campus streets should be made and enforced by the students of the university, not by the administration, declared President F. J. Kelly at the semi-monthly luncheon meeting of Blue Key held Monday at the Blue Bucket Inn.

The group went on record as favoring the suggestion made by the president, and the proposal will be presented to the ASUL executive board at an early meeting by members of the fraternity, Elmer Berglund, president of the organization, stated.

Past Rules Inadequate

Heretofore parking regulations for the campus have been few in number and enforcement has been lax. Periodically the president's office has issued formal statements prohibiting parking in the circle in front of the Administration building but violations continued in spite of the warnings. In the discussion it was brought out that the parking problem is a serious one on the campus at the present time making driving dangerous on the narrow streets in front of the Geology building and Morrill hall.

With the increased number of cars on the campus owned by students and faculty members, some steps must be taken to relieve congestion on the streets and to make driving safer, said President Kelly.

"The plan is entirely feasible for a school the size of Idaho," he said, "particularly since the campus is not scattered as it is at many schools." I believe this a matter for students only, and I would like to see the initiative come from the student body. He declared that such a plan would be in line with his policy of giving students actual management of their own affairs, not only in questions outside of academic routine but with problems relating to their courses of study.

Plan Works at O. S. C.

Just how the plan would be worked out at Idaho was not stated. So far it is only a suggestion and the details will be worked out later when the matter is taken up by the executive board. Oregon State college uses such a plan, it was stated, handled entirely by student government. At O. S. C. parking spaces are assigned to each car owner on the faculty, behind buildings and on adjoining vacant property and wide streets. Similar space is available at Idaho, it was shown, behind the Science hall, Administration building and Morrill hall.

Should the plan work out, the idea would be extended to other things, such as the fences around the campus, said Doctor Kelly. "Show me that the students will co-operate, and I will take down the fences," he added.

## Prodigy Establishes Record Against Time!

Strange things are happening in the registrar's office.

A prodigy has been discovered! Wandering unheralded in Idaho's halls. He is more than a prodigy, this chap who has been munging in our classes for the past two weeks. Try as they might, the keenest minds employed by the university have been unable to solve the problem presented by this youth, whose name has been held until "further developments." So the registrar turns to the student body for assistance. Perhaps the class in "Advanced Livestock Judging," especially those who rate an "A" grade, may be able to throw some light on the situation.

Here are some of the statistics as they appear on the enrollment papers on file in the registrar's office:

In the year 1905 this man was born, so he says. And on the line below, he writes that he attended high school during the years of 1900 to 1904, inclusive. He failed to state whether or not the institution was that elite private preparatory school, "Phygia on the prx." But at any rate those are his statements, according to the registrar's files.

Then, according to all sane deductions, this scholar of scholars would have received his sheep skin in 1908.

If you are in a jumble, you are in the same boat with the rest of us. If you think we are crazy, so are you. We merely present the facts as the registrar's office files revealed them to us.

We have agreed, however, that some one is looney.

## ALBERTSON ELECTED DEBATE MANAGER

### Alice Waldrop's Failure to Return to School Leaves Vacancy of Debate Manager

Marjorie Albertson, elected women's debate manager two years ago, has been selected to fill the same position this year, replacing Alice Waldrop, who failed to return to school.

Miss Albertson was a member of the women's debate squad in 1926. She is a senior in the school of music, and a member of Delta Sigma Rho, national honorary glee society.

A CHALLENGE

FURTHER evidence that President F. J. Kelly intends to extend the scope of student government at Idaho is shown in his proposal to turn the task of regulating parking of cars on campus streets over to the student body.

The matter of parking cars is something Idaho students have never thought of as being one of their problems. They have considered such things questions for the administration to worry about, something in which they were in no way concerned.

President Kelly presents it in a new light. He virtually says, "This is your university, not the faculty's, why don't you do something about it and not leave it up to the administration?" That is the point, Idaho students are slow to grasp the idea that the university is their own. It is too new an idea for hasty assimilation. They have had the attitude, the same attitude that is held in practically every university and college in the United States.

Nothing radical at all—it involves a change of attitude in the minds of students themselves. They must come to realize that their education depends on what they do, not what the faculty members do for them. "Come to college and educate yourselves," is his theory. It isn't new; European universities are using it now, and have used it for a long time.

The idea is spreading, students are beginning to realize to some extent that they will get out of college no more than they put into it. Grades are only bait, superficial rewards for study to those who wouldn't work without some such definite objective. Examinations are a means of spurring students to work, usually for a short time before the end of every six weeks' period.

The car parking proposal is really a challenge. President Kelly told members of Blue Key, "I want to see students go just as far as they can go—in assuming responsibility and initiative themselves—that is what I am hoping for." If such things as parking regulations can be handled by students, it won't be long before they will have a chance to do more important things. It remains for the students to prove that they are capable of being independent intellectually.

IDAHO ALBERT

Howdy folks—We are glad it is raining, so we will be in practice for the sunny state.

A sock in the head For Johnnie O'Med, He emptied a shaker Of salt in my bed.

EMBARRASSING MOMENTS

Mom, School Of Emb. Emb. Mom, Idaho. Dear Friend:

I am a Fresh at the university stop last Saturday at the hall game. I bought a hot dog from one of the W. A. A. girls stop I was very hungry and took half of the bun and dog in one bite stop Imagine my chagrin when I discovered that what I thought was the hot dog was my thumb stop

An awful pain Is Willie Bain He says, "I think It's gonna rain."

SPORTS EXTRA

Hector Deakin Foto, Doc Barto

This is the last of a series of articles by our Editor Deakin, noted sports authority who has just completed a tour of campus training camps. He believes Meeker will make all-Pan-Hell.

HOW THE TEAMS STACK UP

The first report of the Kappa gristers failed to include a serious contender for All-Hellenic honors in the person of "Butch" Meeker. The three-year rule makes the incomparable one eligible only for freshman competition.

Delk Gemme's stock was boosted with the return of a veteran backfield, including the powerful fullback. The failure of many expected prospects to report has greatly dimmed the chances of the Gem Flyers. There are but a few left-overs from last year's squad to choose from.

The prize for record turnout was captured by the Awful Fees. The number far exceeded that of their opponents and if their strength lies in numbers they should win hands down.

The Alf Kiyis' possibilities are unknown. Much lies in the style of play that is adopted. The rule causing a one second stop when coming out of the huddle is likely to prove of disastrous nature.

The dark horse of the race is Omay Effis of whom it is utterly impossible to make a safe prediction. Their strength is entirely hidden and may not be brought to light until late in the season.

A dim witted dummy Who thinks he is funny Is about to meet up with his doom For the next time he crows, Hello soaks, I mean folks, I am planning to shoot him Boom Boom

Starting in this issue Miss Cynthia Deakin, noted authoress, will write a dramatic southern string novel of campus life, entitled

Miss Deakin Done in bronze by Stel Pickrell

"Fraternal Life" Chapters I to IX inclusive. Poke Morley, a dashing young junior, was walking through the arboretum. Suddenly he stooped and picked up a small golden arrow that glistened with pearls. He cursed as he deciphered the initials—

Well, if you insist.

SIGMA CHI WINS FAST VOLLEY TILT

Phi Gams and Phi Delt's End First Round with Victories

(By ROBERT ALLSHIE) First round of the intramural volleyball series started Thursday saw completion Friday evening. Three games were played and except for the Sigma Chi-Sigma Nu battle, won by Sigma Chi, there was little in the way of excitement. In the first game Phi Gam beat the T. K. E., 15-9 and 15-7. In the next game Sigma Chi defeated Sigma Nu, 15-9, 2-15, 15-9, and in the final game, Phi Delt, last year champions, beat S. A. E., 15-10 and 15-4.

To Sigma Nu and Sigma Chi goes the honor of having played the most spectacular game of the series. It was a battle from beginning to end. Both teams played flashy but inconsistent ball. In the opening frame Sigma Chi outplayed her opponents at the net. With the score nearly tied in the first part of the frame Sigma Chi started a brilliant attack from the barrier.

Sigma Nu Comes Back In the second frame Sigma Nu turned the trick. Thomson and Kryser led the Sigma Nu attack that swamped Sigma Chi. In an attempt

to break this up the Sigma Chi made a number of substitutions but to no avail. The frame ended 15-2 for Sigma Nu. In the last frame play was even with Sigma Chi showing better team work.

The Phi Gam-T. K. E. game was slow and uninteresting. The Phi Gams were never threatened and as a result played ragged and careless ball.

Emerson Platt and Sid Pierson led the champion Phi Delt team to an impressive victory over the S. A. E.'s. They outplayed S. A. E. throughout. One of the best individual displays of the series was made by Platt when with the score at 8-4 he served seven straight winning points to take the second frame and the match.

With the first round completed and the second round to be played this week it appears that there would be some real matches. So far Beta and Phi Delt teams have shown the most power.

Four games have been scheduled for Tuesday and four for Wednesday. Tuesday at 4 o'clock Phi Delt meets Lindley hall, at 5 o'clock Phi Gam meets Sigma Chi, at 7 o'clock Sigma Nu plays the T. K. E. and at 8 o'clock the S. A. E. team plays the losers of the Phi Delt-Lindley game. On Wednesday at 4 o'clock T. M. A. plays Delta Chi, at 5 o'clock Ridenbaugh

Girl's Hot Tip Steers Student to Favorite Pipe Tobacco

Larus & Bro. Co. San Francisco, Cal. Richmond, Va. Gentlemen:

Since I first started to smoke, I have always smoked cigarettes. One day SHE said to me "Ed, dear, why don't you smoke a pipe. I think those long straight-stemmed pipes are so manly-looking."

So, naturally, I had to buy a long-stemmed pipe and a can of well, well, call it "Blubb Mixture tobacco." Immediately with a certain feeling of pride in my new pipe, I "lighted up" and proceeded to have my tongue bitten. I tried almost every brand I had ever heard of, but none satisfied me. Sadly, I had to confess to HER that as a pipe smoker I was a good die-ficial.

"Did you try Edgeworth?" she asked. "That is what dad smokes, and he's always smoked a pipe."

So I was forced to try Edgeworth, and all that I can say is that if every fellow that has tried to accustom himself to a pipe, started with Edgeworth, there would be very few that would go back to cigarettes.

Yours sincerely, Ed Maher

Edgeworth Extra High Grade Smoking Tobacco

MASTER STUDENTS CHOOSE OFFICERS

Andrew Sharp Elected President of Graduate Club at Recent Meeting; President Kelly Speaks

Officers of the Graduate club were elected at a recent meeting of graduate students in room 110 of Science hall last Thursday. About 25 students attended. The officers elected were: Andrew Sharp, president; Doris Smith, vice president; Laura King, secretary and R. A. Miller, treasurer.

Doctor F. J. Kelly addressed the club, speaking on the aims and purposes of a graduate club.

IDAHO GRAD GETS JOB Miss Ann Mortenson, who received her bachelor of science degree from the school of business administration here in June, has accepted a position in the offices of the Mark P. Miller Company in Moscow.

MISS BURKE RETURNS Miss Ada Burke, assistant professor of English, returned Sunday from a four-day trip to southern Idaho where she attended the high school teacher's institute at Twin Falls. Miss Burke addressed the English instructors of the meeting on problems related to the teaching of English in high schools.

AD CLUB MEETING There will be a luncheon and meeting of the Advertising club Wednesday at noon in the Blue Bucket. All members please be present.

# SOCIETY

After a week devoted entirely to informal house dances, a note of formality crept into campus society with the reception given by members of Alpha Phi sorority Sunday evening for their national president, Mrs. Ruth Abbott Jones.

The tenth annual "Ag Bowl," which is scheduled for Saturday night will be one of the main events of the weekend. Pledge dances will be given by Phi Delta Theta, Tau Kappa Epsilon, Beta Theta Pi and Gamma Phi Beta.

A Moroni Olsen play, "Expressing Willie," October 22 at the Kenworthy theatre, is expected to be attended by many students.

### SIGMA CHI PLEDGES HONORED

Pledges of Sigma Chi were entertained at a dance given in their honor at the chapter house by the members Saturday evening. A new fraternity song, a waltz ballad, was played for the first time during the "pledge special" dance by Johnnie Soden's orchestra. Patrons and patronesses were Mr. and Mrs. C. A. Hagan and Mr. and Mrs. O. C. Stageberg.

Guests were Elizabeth Chapman, Vera Rice, Violet Hagen, Fern Scott, Fyette Guthrie, Peggy Sanger, Margaret Haga, Dorothy Taylor, Beulah Burnett, Gladys Pence, Christine Broderson, Mildred Astell, Lucille McMillan, Helen Gower, Helen Young, Wilda Langdon, Ruby Winchester, Florence Taylor, Katherine Kahlout, Martha Humphrey, Georgia Thomas, Frances Hadley, Dorothy Rouse, Vera Forbes, Doris Squibb, Esther Johnston, Zella Newcomb, Betty Grammar, Joan Harris, Eleanor Anderson, Geneva Dyer, Margie Christopher, Florence Rohrer, Gwen Sathre, Catherine Steele, Elizabeth Thompson, Edna Stringer, Vera Chandler, Jean Hawkins, Jane Haley, Dorothy Tolloth, Frances Larson, Leah Tuttle, Ann McMonigle and Elizabeth McManney.

### PHI GAM LEDGES ENTERTAINED AT DANCE

The fraternity of Phi Gamma Delta entertained in honor of its pledges at an informal dance held at the chapter house Saturday evening. The patrons and patronesses were Mr. and Mrs. H. W. Staples, Mr. and Mrs. Max Griffith, Mrs. Richard Fox, Miss Elizabeth Johnson and William Harris.

Guests were Margaret Elder, Betty Ashworth, Bethel Packenham, Grace Jain, Betty Wilson, Peggy Vorons, Lois Fredrickson, Jo Dennis, Helen Blackinger, George Anne Brown, Flora Francone, Betty Eastman, Cleo Decker, Betty Myers, Vera Harding, Ada Jones, Alice Honeywell, Evelyn Mecker, Constance McLeod, Dorothy Fredrickson, Grace Parsons, Dawn Gibson, Flora Corkey, Dorothy Craven, Artylee Hollada, Helen Hargis, Ann Burns, Elsie Warm, Helen Douglas, Ruth Randall, Ruth Clark, Jane Byer, Virginia Lee McGuire, Marlam Howerton, Utahna Hall, Mary Allan Adams, Viola Palmer and Bernice Kendall.

### S. A. E. PLEDGES HONORED WITH DANCE

Sigma Alpha Epsilon gave a dance at the chapter house Saturday evening in honor of its pledges. A six-piece orchestra from Pullman furnished the music. Patrons and patronesses were Dr. and Mrs. R. D. Russell, and Captain and Mrs. B. M. Grenshaw. Guests were Ellen Ecklund, Goldie Smith, Helen Voak, Lottie May Mitchell, Charlotte Togstead, Bernice Parish, Connie Woods, Marion McMonigle, Kathryn West, Eleanor Berglund, Germaine Gimble, Nita Fritschen, Alice Kelly, Georgetown Miller, Eldora Davis, Marjorie Keenan, Lois Porterfield, Evelyn White, Virginia Alley, Catherine Roe, Agnes Moore, Mary Murphy, L. Gallagher, E. Sheriff, Dorothy McCauley, Artie Halliday, Marcela Winters, June Nicolson, Ruth Roberts, Lucile Gindeman, Florin Galloway, Frances Alley, Marjorie Ford, Dorothy Simms, Esther Rae, Elaine Cash, D. Crowe, Doris Bower, L. Bowen, Emmert Davis, Henry Sneddon, Kenneth Jensen, John McDonald and Jacob Kitley.

### KAPPA SIGMA ENTERTAINS FOR PLEDGES

Kappa Sigma entertained its pledges at a dance Saturday night at the chapter house. Patrons and patronesses were Colonel and Mrs. E. R. Christman, and Lieutenant and Mrs. C. H. Hart, Jr.

Guests were Austa White, Betty Bell, Louise Dunlap, Pearl Walters, Betty Driscoll, Esther Mitchell, Patricia Wilson, Esther Bartlett, Karlene Morse, Bernice Hartenbower, Bernice Friedman, Elinor Jackson, Margaret Stewart, Phil Peterson, Winifred La Fond, Dolores Hangar, Florence Clemmer, Bra Litzewerger, Luella Haddock, Helen Gower, Florence Cunningham, Helen Gray, Violet Tillis, Grace Shellworth, Marguerite Ames, Harriett Bergman, Beatrice Hardth, Olive Hughes, Kathryn Hanna, Edith Van Slate, Erma Williams, Alice Nash, Josephine Tompison, Agatha Stapleton, Estelle Pickorell, Jack Blair, Mr. and Mrs. Fritz McMonigle and Mr. and Mrs. Robert Hadley.

### PI PHIS GIVE PLEDGE DANCE

Members of Pi Beta Phi entertained at an informal dance at the chapter house Friday evening honoring their pledges. Music was furnished by Clair Gale and his orchestra.

Guests were Mrs. Una Metzler, Dr. and Mrs. Ralph D. Russell, William Gale, Asher Frost, William Babcock, William Hall, Blake Sargent, John Corkery, George Powell, Clayton Loo-ll, Eugene Dahlkey, Jay Hulbert, Lee Miller, Robert Reynolds, Albert Frahm, Frank McKeown, Lee Gillette, Darius Davis, Frank Judy, William Shamburger, Denny House, Emerson Platt, Burton Ellis, Harry Schuttler, Bill Hawkins, Merritt Greening, Purser Frost, Harold Boyer, Leslie Mix, Philip Cornell, Charles Nicholson, William Felton, Kenneth Dean, Lawrence Manning, Quentin Mack, George Callendar, Paul Rudy, Eugene Whitman, Bertrand Heath, William Yearsley, Edward Douglas, William Calloway, Smith Miller and Tillmer Davidson.

### ALPHI PHI HOLDS FORMAL RECEPTION

Members of Alpha Phi entertained at their formal installation reception Sunday afternoon from 4 to 7 o'clock. The reception was to have been held Monday evening, but the date was changed in order that Mrs. Ruth Abbott Jones, national president of the sorority, could be present. Mrs. Jones arrived in Moscow Friday afternoon to visit the local chapter, and left for her home in Detroit, Mich., yesterday.

In the receiving line were Grace Jain, Mrs. Marian Curtiss, Mrs. Ruth Abbott Jones, Germaine Gimble, Wilda Langdon, Anne Day, Irbly Louise Dunlap and Nadine Tucker. Mrs. T. S. Kerr and Mrs. R. M. Davis presided at the tea table. Fraternity and sorority representatives, a group of faculty members and a number of Moscow townspeople attended.

Miss Anne Hospers, state supervisor of rural schools, and Miss Elizabeth Russell, critic teacher at the Lewiston State Normal school, were visitors on the campus last Saturday. They attended the football game here and later were dinner guests of Dr. and Mrs. R. D. Russell.

Sigma Chi dinner guests Monday were Mr. and Mrs. C. A. Hagan, Messer, Mr. and Mrs. O'Leary, Weiser, Mr. and Mrs. Maher, Mrs. Young and Mrs. Bauman, Naama, Mr. Taylor, Gruesville, Mrs. McClurg, Caldwell, and Mr. Lloyd, Twin Falls.

WATCH FOR THURSDAY'S SHOW!

### Dinner guests of Beta Theta Pi Sunday were, Mr. Frank Jenkins, Dean and Mrs. J. G. Eldridge, Hugh Eldridge and Grace Eldridge.

Dick Ginn, Al Newman and Wes Fields, Whitman college, Mike Leonard, Boise, and Frank Click were weekend guests of Phi Delta Theta.

Dinner guests of the Sigma Chi Sunday were President and Mrs. F. J. Kelly, Dr. and Mrs. I. W. Jones and Dean and Mrs. Ivan C. Crawford.

Sunday dinner guests of Pi Beta Phi were Mr. and Mrs. W. C. Smith, Salmon City, and Mr. and Mrs. L. A. Mattes, Spokane.

Mrs. E. N. Foulson, Clarksville, Iowa, Mrs. Robert Hadley, Lewiston, and Leah Tuttle, Walla Walla, were weekend guests of Alpha Phi.

Joseph Filseth, Sigma Alpha Epsilon pledge, was forced to leave for home Sunday because of illness. He has been in the infirmary since the first day of registration.

Mrs. Ruth Abbott Jones, president of Alphi Phi national sorority, and Grace Jain were luncheon guests of Phi Gamma Delta Monday.

Mr. and Mrs. H. E. Canine, Mr. W. L. Geyer, and Mrs. Shumate were dinner guests of Phi Gamma Delta Monday.

Mrs. F. E. Wickwire, Spokane, was a Sunday dinner guest of Sigma Alpha Epsilon.

Charles E. "Spike" Gregory, '28, was a weekend guest of Sigma Alpha Epsilon.

Founders' day was observed by a banquet at the Delta Chi house Saturday evening.

Mrs. F. R. Washburn of Spokane was a Sunday dinner guest of Phi Delta Theta.

A. E. Reid, and Mr. Hanke of Spokane, were Saturday luncheon guests of Phi Gamma Delta.

Marie Jockheck, Elk River, was a guest of Lambda Chi Alpha Saturday.

Mrs. F. McMonigle, South America, is a house guest of Marion McMonigle of Kappa Kappa Gamma.

Robert C. Davenport, New York City, is a house guest of Beta Chi.

Ruth Veasey and Frances Hadley were weekend guests of Hays hall.

George Ziemann, Southwick, was a guest of Lambda Chi Alpha Friday.

Thomas Galgher was a dinner guest of Lambda Chi Alpha Sunday.

M. Gwinn was a dinner guest of Kappa Kappa Gamma Sunday.

Delta Chi announces the initiation of Stanford Richards, Moscow.

LINCOLN, Nebraska. (IP)—Huskies on the University of Nebraska football team are given a pint of egg malted milk shake after practice every day.

### Military Department Stages "Dog Fight"

This is a new kind of a short dog story. A news story, in fact, even if none of the military department involved did become angry and begin biting.

It happened this way. Last Friday morning at 11 o'clock, "Red", the Chesapeake retriever that lives at the Lambda Chi house, and the German police dog that lives with the Sigma Chis, met near the fountain on the walk north of the Administration building. But it was no ordinary meeting. With deep growls that could be heard more than half-way across the campus, they lunged at each others throats.

Hot dogs! "Eeeek!" screamed the few girls who were within striking distance. But the boys of the military department who were encamped near, gathered around to cheer the warriors.

Now here is where the story begins; hen about 200 "soldiers" had formed a circle about the fighting dogs, some one in the rear shoved. Yes, shoved real hard. Then it was every man for himself. When the smoke cleared away, the two dogs decided the boys on the campus didn't play fair and they ran away together to find a peaceful place in which to scrap.

# "Not a cough in a Film-ful"

says Norma Talmadge after the Blindfold Test

"When you see my new United Artists' picture, 'The Woman Disputed,' you will notice that I smoke cigarettes in several scenes.

"Not wanting to show partiality to any one of the four leading brands, I decided to make my choice via the blindfold test, which I had heard of many times. Happily, I picked OLD GOLDS.

"I found them smooth, mild and delightfully cool... Hereafter, when I am required to smoke I shall naturally insist on OLD GOLDS. There's not a cough in a film-ful!"

*Norma Talmadge*

THE INCOMPARABLE... NORMA one to the best loved actresses in the history of the screen... famous for her roles in "Carrillo" and "Kiki."

Made from the heart-leaves of the tobacco plant... that's the reason for their honey-like smoothness... and that's why you can pick them with your eyes closed.

SMOOTHER AND BETTER—"NOT A COUGH IN A CARLOAD"

# GRIDGRAPH--STANFORD versus IDAHO FOOT BALL GAME AT GYMNASIUM SATURDAY, OCTOBER 20--ADMISSION 25c

### COUGARS SURPRISE GRID FANS IN GAME WITH GOLDEN BEARS

#### Lose to Californians on Blocked Punts and Costly Fumbles W. S. C. LED AT HALF Other Conference Games Result As Dopes Had Predicted

By Frank E. Judy  
The Pacific coast conference football games played last Saturday resulted in the teams winning as had been predicted with the only element of surprise imparted by the bitter contest waged between Washington State college and the University of California. The Cougars gained more yards than did the Golden Bears, but the story of their defeat lies in the fact that the Bears took advantage of five blocked Cougar punts and several fumbles to convert them into touchdowns and victory.

Washington State scored first when Lahnart booted a 16-yard field goal only to have California score a touchdown to lead at the half 6 to 3. The work of Lahnart and Rohrer was prominent for the Staters while Reggie Lom was the outstanding man for the Blue and Gold with his missing punts and punting.

Stanford's first score was due to a short time in administering a 45 to 10 defeat to U. C. L. A. The only U. C. L. A. score resulted from a 35-yard return of a kickoff to touchdown by Forster who was the shining light of the losers.

Washington defeated Montana 25 to 0 in a contest which drops the Grizzlies into their usual position, that of undisciplined cellar champ. Chuck Carrill, line half, added 12 points to his scoring total for the season. Davis, Montana's back, performed brilliantly for the losers, and offered a continual threat with his passes and runs.

Oregon State performed successfully the task of winning two games Saturday by winning from Pacific 46 to 0 and Columbia 41 to 0, while Oregon was subduing Willamette 33 to 6. The losers represent small and athletically unimportant Oregon colleges.

Idaho conquered Whitman 28 to 13, the winning margin being one touchdown greater than that by which the Missionaries lost to Washington the week previous. Both teams exhibited the extremes of playing plays being followed by flashes of brilliant football.

U. of Washington Frosh Work Hard Perfecting Squad for Idaho Game  
UNIVERSITY OF WASHINGTON, Seattle—With their first game of the season less than two weeks away, the University of Washington frosh are being put through their paces in sessions by Coach "Whizzer" Graves and his assistants in an effort to whip a winning outfit into shape for the initial contest with St. Marthas college.

U. of Washington Frosh Work Hard Perfecting Squad for Idaho Game  
The young Huskies will engage in their second and final home game on November 3rd, when they meet the University of Oregon Frosh. Their final two games will be played on November 10th and 17th against Washington State's eleven at Yakima and against Ellensburg Normal at Ellensburg.

WOMEN MARKSMEN START FIRING NOV. 6  
Many Challenges Sent Out But No Matches Yet on Schedule; Large Squad Expected  
Women interested in rifle shooting are asked to meet with the women's rifle team at the gymnasium on November 14, between the hours of 1:30 and 4:30. Previous experience is not necessary, and the instructor in charge hopes that many women will try out for the team. Many challenges have been sent out, but no definite matches have been arranged thus far.

LAWRENCE, Kans. (IP)—Inafor Coen, Kansas City representative on the Olympic tennis team for America this summer, has matriculated at the University of Kansas this year as a freshman.
