"INTRAMURAL" FOOTBALL

SUNDAY morning a student was brought into the infirmary by badly scared friends. They explained to the nurses that he had been "out" 15 minutes, and despite further efforts to bring him to, the nurses weren't able to detect even the faintest heart action. A doctor was called, and after using artificial respiration brought the young man to consciousness, apparently not very seriously injured.

Questioning revealed that he had been playing football, the back lot variety, let us say "intramural" football, that members of many of the group houses at Idaho play. Football season is on in full swing, the weather is much too nice to remain inside, and football is great fun and exercise. The result is natural, and groups of students can be seen almost every day emulating Idaho's gridiron stars.

Some day a student won't come to, even with artificial respiration. Injuries due to this cause have happened before on the campus. Last year doctors set a broken ankle for one fraternity man, and took eight stitches to close an ugly cut above the eye of another. This year bruised shins and swollen eyes bear testimony to the fact that home men were tackled too hard.

Playing football without proper protection of suits is dangerous. No coach in the game would permit one of his men in a scrimmage without a suit; they know the chances their men would be taking of being injured seriously. Yet our would be All-Americans think nothing of it, and continue playing in ordinary street attire.

Intramural football is regularly played at many colleges and universities, but in all cases suits are provided for the men. Properly coached, football is no more dangerous than other games. Until such a day as we have intramural football under proper conditions under the direction of the athletic department, it is a form of sport that should receive general condemnation and disapproval.

EXPENSIVE FIREWOOD

JUST a word of caution to the freshmen—when you are securing wood for the big bonfire Friday, be sure that you have permission to take every piece of wood you use. If you use material obtained without permission of the owners, you will pay, for it later, as other freshman classes have done, and pay at a premium.

Every fall after Homecoming, the graduate manager is swamped with claims for damage done by the freshman class in destroying and removing private property. The claims run up into the hundreds of dollars and must be paid for out of the freshman class funds.

A little care and questioning before taking likely looking material would prevent a majority of the claims. Freshman funds could be used much more advantageously in other ways. Truck drivers who haul the material should be cautioned. Last year they were blamed for some of the damage, because they told the men in many cases it would be alright to take certain wood, sidewalk or old fence, whatever it happened to be.

Let us have a record size bonfire, but don't make it too expensive. Just be careful.

DECORATE THE GYM

THE all-alumni dance to be held at the new memorial gymnasium Saturday will be the official opening of the new gym. Visitors from all parts of the state will be there to inspect the new building which has been erected as a memorial to Idaho's war dead.

The beauty of the structure would be greatly enhanced at night if the memorial tower that was completed only last week were flood lighted. The appearance of the building would

Why you can pick them

Three types of leaves grow on the tobacco plant... coarse heart-leaves, irritating to the throat... mottled ground-leaves, without taste or aroma... and the heart-leaves, rich in cool and fragrant smoking qualities. Only the heart-leaves are used in OLD GOLDS.

# SOCIETY

Houses dances, the Co-Ed prom and preparations for six week's quizzes combined to make last weekend one of the busiest so far this fall. This week all social activities will be dropped to prepare for the entertainment and housing of guests over Homecoming.

The concert of Toscha Seidel, noted violinist, Tuesday evening is the first number on the artist course, and is being looked forward to as a pleasant interruption of the week's routine.

An outstanding function will be the all-college and al-alumni dance which will mark the official opening of the new memorial gymnasium. A dance also will be held following the pep rally Friday night.

## SIGMA CHI BARN DANCE IS NOVEL

A big roomy barn-loft with hay piled to the roof in the center was the scene of a colorful costume dance given by members of Sigma Chi Friday night at the John Luedke farm one mile south of the university. The loft was decorated with piles of corn stalks and pumpkins, bright orange and black streamers and long strings of electric lights enclosed by special Hallowe'en shades. Painted signs with slogans such as, "Do you love to dance or dance to love?" added to the novelty of the affair.

Old clothes in all stages of disrepair were used as costumes. Straw hats, many of them decorated, were given to the guests as souvenirs. Programs were decidedly novel, being printed from an original wood block cut designed by O. C. R. Stageberg.

Cider, doughnuts and apples were served as refreshments. Johnnie Soden's orchestra, costumed in fur-trimmed attire, furnished the music. Guests were taken to the dance and returned to the sorority houses and halls on the campus in four large hay racks, partially filled with straw.

Patrons and patronesses were Mr. and Mrs. John Luedke, Mrs. Mier, Mr. and Mrs. C. A. Hagen, Dr. and Mrs. E. E. Hubert, Mr. and Mrs. Frank Stanton, Dr. and Mrs. J. W. Barton, Mr. and Mrs. D. D. ### WASHINGTON IS BUMPED FURTHER DOWN COAST LIST

#### Defeat Saturday by O. S. C. Places Huskies Far Out of Race

### IDAHO STOCK JUMPS

#### Other Conference Teams Rest or Play Smaller Western Schools

By Frank E. July  
Overwhelming defeat suffered by the University of Washington at the hands of Oregon State college Saturday, by four touchdowns furnished the dominant point of interest to coast football followers. In the only other conference game, Idaho defeated the University of California at Los Angeles, on MacLean's field.

Non-conference games produced little excitement, with the exception of the clean-cut victory of the Olympic club over the University of California, and the determined stand that Occidental made against the University of Southern California.

Oregon State reduced Washington's status by the score of 29 to 0, in the game which adds to the belief that this may be Coach Knuck Bagshaw's last year with the Huskies. Regardless of former success, there is always a group assumed "all-in" that immediately becomes a pack of "wolves" upon a team's failure to win games and, of course, their prey is the scalp of the coach.

Idaho's reserve strength was sufficient to conquer the Uclias 20 to 6. Both teams had up a large yardage total but the Vandal defense tightened when the Bruins were in scoring distance, with exception of the first quarter, when the Californians were presented with the ball by a Vandal fumble on the 5-yard stripe. The bright light of the victory was the splendid playing of Dittman, end, all over the field snagging passes and breaking up Ucla plays.

The University of California lost to the Olympic club, 42 to 0, in the contest which marked the first performance for several of the Golden Bear sophomore stars. Practically the entire first team was kept from the tray in preparation for the Oregon game Saturday. The feature of the day was a 69-yard run to touchdown by Morton Kaer, Olympic half, on the first play of the game.

The University of California second team was held to a scoreless tie for the first half by Occidental and it was not until the entire first team played, that the Trojans were able to break into the scoring column and win 19 to 0. Coach Jones had planned a complete rest for the regulars, but the stubborn resistance offered by Oxy forced him to use his first string.

Montana played her traditional rival, Montana State, to a scoreless tie, at Butte, neither team having the punch necessary to drive the ball across.

Every Cougar reserve got exercised as Washington State, topped through the College of Idaho 51 to 0. Many long runs were registered by the crimson and gray backs. Tomlin's 95-yard return of a kickoff to touchdown, excelling. The Coyotes, totalled a net loss of nine yards for their offensive efforts.

### VANDAL BABES PLAY W.S.C. FROSH 0-0 TIE

#### Rival Freshman Elevens Wage Scoreless Battle at Pullman

Playing through four hard fought quarters at Pullman Saturday afternoon the University of Idaho and the W. S. C. freshman came out just as they started, 0 to 0. Each team had several chances to score but loose handling of the ball by the backs and incomplete passes, spelled the reason why the counter was not shoved over.

In actual yardage gained and first downs, both teams were well matched. W. S. C. made 12 first downs and Idaho 8. In the aerial game, the Cougar cubs had a slight advantage, completing 4 out of 10 passes while the Vandal yearlings could complete but two out of 8 tries. Penalties, which usually play an important part in freshman games, were noticeable by their absence. The Pullman outfit lost 20 yards and Idaho was off-side twice for a 10-yard loss.

Several of the Vandal men showed up well. In the line, "Bus" Paulsen and "West" Shurtliff barely missed the defense. Shurtliff barely missed the pass thrown him by Davis, which if he had caught it would have resulted in a touchdown. This close attempt came as a result of a long march down the field to W. S. C.'s four-yard line. Three line plays were attempted, and a pass was attempted, but it was knocked down by the secondary defense. Berg of Idaho featured the drive down the field, ripping off long gains through the tackles and around the ends.

W. S. C. made one threat at Idaho's goal line in the third quarter. As a result of long runs by Cummings and Schroeder, Cougar halves, the ball was taken to the 10-yard line, but they lacked the drive to punch it over. Glenn Edwards, W. S. C. tackle, was an outstanding performer in the line. He is big and was in practically every play.

#### Some of Thirty Men Turned Out For First Instruction Monday Night Under "Chuck" Hobeck

More than thirty men turned out for the first boxing class, Monday afternoon under the instruction of C. "Chuck" Hobeck, who is an amateur pugilist of high standing. Instruction was given in foot work and fighting poses. The real boxing will not start until all of the fundamentals have been mastered, he said.

Plans are being formed for numerous bouts to be held throughout the year. Hobeck is currently interested in holding intramural fights and wrestling matches during the winter months.

### HOOVER IS AHEAD IN CAMPUS VOTE

#### Has Three to One Majority in First Returns Monday

Herbert Hoover, republican candidate for president of the United States, was leading Al Smith, the democratic nominee, by an almost three to one majority Monday night in preliminary returns from the presidential straw ballot being conducted on the campus by the university Esquire-Curtis club.

Returns from 12 fraternity and sorority houses give Hoover 310 votes and Smith 111. In the gubernatorial race Gov. H. C. Baldrige is leading C. Ben Ross, the democratic candidate, by 236 to 125. John Thomas, republican nominee for United States senator from Idaho, is leading his democratic rival by a vote of 308 to 112.

Final returns on the balloting will be wired to 12 student publications that are members of the Pacific Intercollegiate Press association. Plans to hold the trial vote simultaneously October 31 were made at the P. I. P. A. convention recently held at Berkeley, Calif.

### VANDALS WIN 20-6 FROM U. C. L. A. HERE

(Continued from page One)

Go. Robertson made it first down and then on the next play Cheyne passed to Robertson who ran for the 5-yard line before being downed. Sammy made half the distance to the goal line and then dashed off tackle for the first score. Sumpter's kick did not go true.

Idaho, not content with one tally, started a march for her second score after Ucla received the kickoff and could not gain. Le Brucherie gave Idaho her needed break and punted out of bounds, 15 yards on his own 48-yard line. Perrins made five yards in two tries and then Cheyne passed to Dittman for 15 yards. On the next play Idaho's hopes seemed shattered with a 15-yard penalty for holding, but undeterred, Cheyne stepped back and hurried a long pass to Burgher, who romped the remaining 29 yards across the Bruin goal line. Sumpter kicked goal.

Ucla threatened the Idaho goal just before the end of the first half when Forster and Simpson, aided by perfect interference of the Uclias, made it first down on Idaho's 9-yard line. Simpson then made four yards thru tackle, but on the next play Burgher spilled LeBrucherie for a 7-yard loss. Forster made only four yards and an incomplete pass put the ball over to Idaho. Burgher kicked out of danger before the half ended.

It required just exactly six plays and two minutes for Idaho to put over her third and clinching touchdown of the game at the opening of the second half. A short Ucla kickoff went into Sumpter's arms and utterly without interference the Idaho tackle

ran the ball back to the Bruin 47-yard line. Two tries by Owens netted only three yards, and then Perrins took the ball through tackle for 13 yards. On the next play Cheyne faked a pass and then ran 24 yards around right side to the U. C. L. A. 10-yard line. "Proby" made six thro. at the center of the line and then Perrins ran around end for an easy touchdown. his second of the game. Sumpter again made good with his educated toe.

Ucla showed renewed energy near the end of the third period when Fleming on two consecutive 20-yard runs, falling to gain on line plays Fleming was tackled by Burgher as he attempted to pass across the line, being thrown for a 14-yard loss. Again Ucla marched the goal miraculously close to the Idaho goal line, but the ball went over on the 9-yard line as Idaho's defense stiffened.

Idaho passed up three chances to score in the final period when forced to give up the ball twice on downs in scoring territory. In fact, Idaho was on her way to a touchdown as the game ended with Idaho in possession on the 20-yard line.

In the matter of total yardage, first downs and in fact every department of the game, Idaho was superior. Idaho tallied 19 first downs to 14 for Ucla; 202 scrimmage yards to 230; 143 on passes to 247; 218 yards on line bucks to 160; 33 yard punt average to 31 for the Californians.

Whole Team Stars To pick out individual star of the Idaho team would be difficult but it

would come from either Burgher, Dittman, Martin, Brimhall or Sumpter in the line, or Perrins, Owens, Cheyne in the backfield. They all played great football. Dittman perhaps made the best showing in his pass snagging and general defensive play. Brimhall played a great game at guard as did Sumpter at tackle. Burgher was a bear on defense and his "triple-threat" ability made its third showing this season when he tore off 20 yards around end on a fake pass formation. In three such plays

nas made three first downs and 65 yards from scrimmage this season.

Perrins, Cheyne Fast In the Idaho backfield Perrins and Cheyne really shared honors of the day—Perrins through his off-tackle slices and Cheyne in his ball-tugging and passing, completing eight out of ten aerial tries for big gains. Robertson handled his team well and twice delivered badly needed yardage

for first downs. The flashy and an tackle plays with Owens carrying the ball were among the highlights of the game.

For U. C. L. A. Captain Joe Fleming was the outstanding backfield star but he had a close rival in Forster at quarterback and Simpson. In the California line, Brown, French, Noble and Bishop played steady hard games and were responsible for the few times Ucla held Idaho.

"Such popularity must be deserved!"

Down deep in the Kongo the native sons believe that anybody who has an explorer for dinner will absorb all the brains, courage and other success-assuring virtues of the unfortunate victim.

We wish we could say the same of Chesterfields—that all their popularity is conferred upon whosoever smokes them. Frankly, however, this is not invariably true. Several Chesterfield smokers have recently been discovered who are not ambassadors, steel kings, or even bank presidents.

But—since Chesterfields are so satisfying, mild and different—we'll all of us continue to enjoy them for these sound smoke-virtues alone.

Popularity? Six million smokers are enjoying 'em today. Such popularity must be deserved. Make it six million and one?

### VANDAL BABES PLAY W.S.C. FROSH 0-0 TIE

#### Rival Freshman Elevens Wage Scoreless Battle at Pullman

Playing through four hard fought quarters at Pullman Saturday afternoon the University of Idaho and the W. S. C. freshman came out just as they started, 0 to 0. Each team had several chances to score but loose handling of the ball by the backs and incomplete passes, spelled the reason why the counter was not shoved over.

In actual yardage gained and first downs, both teams were well matched. W. S. C. made 12 first downs and Idaho 8. In the aerial game, the Cougar cubs had a slight advantage, completing 4 out of 10 passes while the Vandal yearlings could complete but two out of 8 tries. Penalties, which usually play an important part in freshman games, were noticeable by their absence. The Pullman outfit lost 20 yards and Idaho was off-side twice for a 10-yard loss.

Several of the Vandal men showed up well. In the line, "Bus" Paulsen and "West" Shurtliff barely missed the defense. Shurtliff barely missed the pass thrown him by Davis, which if he had caught it would have resulted in a touchdown. This close attempt came as a result of a long march down the field to W. S. C.'s four-yard line. Three line plays were attempted, and a pass was attempted, but it was knocked down by the secondary defense. Berg of Idaho featured the drive down the field, ripping off long gains through the tackles and around the ends.

W. S. C. made one threat at Idaho's goal line in the third quarter. As a result of long runs by Cummings and Schroeder, Cougar halves, the ball was taken to the 10-yard line, but they lacked the drive to punch it over. Glenn Edwards, W. S. C. tackle, was an outstanding performer in the line. He is big and was in practically every play.

No one was seriously hurt in the game, and few substitutions were made by Coach "Glenn" Jacoby. The team demonstrated that it has much latent power and needs much practice to bring this out to the fullest extent. Their next game will be with Ellensburg Normal school at Wenatchee, November 11.
