### CHOOSING A COACH

Football expert or physical educator—which will he be? That is the question uppermost in the minds of Vandal football supporters. The average fan, interested primarily in winning teams, hopes that President Kelly will appoint a second Knute Rockne or "Pop" Warner to fill the position left vacant by the resignation of Charlie Erb.

President Kelly is searching for a man who will fill both qualifications—a leader, not only capable of constructing winning teams but of building men with high characters. It is almost certain that he will be appointed within the next 30 days. When the president was in Boise last week, he expressed himself as follows: "I am taking a long time in making the selection in the hope that Idaho can obtain a coach of which everyone will be proud. I have recommendations from individuals in all parts of the country. Everywhere I have gone, I have discussed the coaching situation and I have met with all groups I possibly could to become enlightened on the merits of the various candidates."

"Even on this trip, while I came to attend the staff board meeting, I have been holding discussions all along the route relative to the coaching situation. I want to be sure that I am selecting the right man."

### "TILL DEATH DO US PART"

REPORTS are current on the campus that lately a number of Greek letter organizations have asked one or more of their members to leave for other parts. Contrary to such action is the generally accepted notion of lasting duration of fraternal bonds; there is underneath it all a certain respect and admiration for groups courageous enough to handle their own problems.

"Till death do us part" was indeed literal in the days when fraternity men held their meetings in the dead of night at some secret rendezvous. That idea is rapidly changing, to the betterment of Greek letter organizations. Irresponsible individuals are beginning to realize that they can no longer travel hell-bent for the devil, and depend on the ermine and purple of their fraternity crests to pull them out of trouble. Membership in fraternal groups implies responsibility on the part of the individuals to conform to the standards of conduct set by the group.

Cases have been known here at Idaho where things not in the least resembling death have parted fraternal emblems from vests and silk dresses. A few more cases of that kind and the silent and efficient working discipline committee would have less to do, and there would be fewer wild stories current dealing with collegiate iniquity.

### NOT WORTH THE PRICE

THE SOCIETY columns of this issue of The Argonaut contain long lists of names of men and women who have been initiated into fraternities and sororities—pledges who made their grades.

Many failed to meet the grade requirements for membership, and a few who were caught cheating in examinations in an effort to boost their grades have paid dearly before the discipline committee. Still others have changed from engineering to business or from home economics to education for no other reason than to find easier courses that would enable them to make their required scholastic averages.

Whenever fraternity and sorority pins are bought at the price of cheating and changing one's whole plan of life, then the cherished pins are not worth the price.

## U. of I. Born 40 Years Ago

### Amid Conflict, State Legislature of 1889 Voted First Appropriation; "Time for University Has Not Come", Opposition Argued

Forty years ago the state of Idaho was seriously considering the advisability of appropriating its first money for a state university, according to the Idaho Statesman, Boise, in a special issue of the Statesman's place section, the state legislature, then in session, gave favorable action to a bill appropriating the sum of \$15,000 for the purchase of a site. Evidently this initial move toward giving Idaho a state university was not without its opposition, for there follows comment on the question of whether or not the proper time has arrived for Idaho to take such a step, and also as to the wisdom of selecting the Moscow site.

"The following accounts, covering periods of 30 and 40 years ago, furnish several interesting points in the development of the university, and in addition, give students of today an insight of the early history of their institution."

### Forty Years Ago.

From the Statesman files of 40 years ago:

"The bill has already passed the legislature to establish the University of Idaho at the town of Moscow, in Latah county, northern Idaho, and to appropriate the sum of \$15,000 for the purchase of a site and one-half mill on each dollar of the assessable property of the territory for a sinking fund, amounting in all to about \$10,000 a year. Besides this congress has granted to the territory 72 sections of land, 46,080 acres, for university purposes, and of course the Moscow university would claim these lands. Again we find Badley of Caldwell, championing this measure. We ask in all kindness, is Moscow the most central and most proper place for a state or territorial university? Has it any natural advantages that would warrant its selection? On the contrary has not Lewiston superior claims in every way to this honor. The climate of Lewiston as everybody knows, is far better than that of Moscow, while its superiority in point of natural location and beauty of sur-

roundings makes it preferable for the location of such an institution to any other place in north Idaho. Generalized Friendship of North. "The only argument admitted in favor of the bill is that south Idaho should give the north this much to secure their friendship, and this notwithstanding the fact that the people of the northern counties had a representative in the Ellenburg, W. T. state convention at which a resolution, was passed including northern Idaho within the proposed state of Washington."

"When Idaho becomes a state with the panhandle remaining a part of it—when that good time comes—we shall always be ready to urge the passage of any fair measure that the people of the north may ask. But we do not believe the time has yet come for the establishment of a state university. We think it better to wait until we have experienced larger development when we shall be better able to judge of the comparative merits of different locations."

### Thirty Years Ago.

"Doctor Blanton of the state university met last evening with a committee from the Columbian club at the home of Mrs. James H. Beatty. The doctor agrees to give a lecture for the club February 22."

"The University of Idaho has a very creditable exhibit at the state house. It is a revelation to the people who heretofore have had but an imperfect idea of the work that is being done at the state university. The feature of the exhibit that attracts the most attention is the model 5 stamp mill made by two of the students of the mining-engineering department, F. Cuching Moore and Ralph R. Jameson. The mill is complete in every detail, containing an ore crusher, an ore feeder, 5-stamp battery, Wilfley concentrator, water motor, and electric dynamo."

"Prof. H. T. French and C. W. McGurdy of the state university arrived in the city and are quartered at the Overland."

### MORE NAMES ADDED TO ENGLISH CLUB

Six Freshman Debaters, Two Elementary Actors and Nine Argonaut Reporters Are Eligible.

In addition to the 24 freshmen students who earned membership in the English club by making "A" grades in English 1, six first year debaters, two members of the elementary dramatics class, and nine members of The Argonaut staff have been declared eligible following a check of their semester's work.

Lewis Jones, Ralph Olmstead, Paul Petzhold, Paris Martin, Kenneth Jensen, and Laurence Hollingshead have been recommended by J. V. Garland, debate coach; Cora Jensen and Clayne Robison have qualified through work in the dramatics department, under Prof. J. Cushman.

Ed Whittington, Paul Jones, Glenn Shern, Hazel Simonds, Elsie Warm, Louis Smith, Dorothy Patric, Howard Andrews and Charles Croft have been outstanding among the new Argonaut staff members this semester.

## NEWS CONTEST DRAWS TO CLOSE

### Women's Edition Entries For Annual Theta Sigma Award to be Judged Soon

With papers from three schools yet to come in, the Theta Sigma contest for girls' editions of high school news papers will definitely close February 25. On this date the papers will be classified and judged and the three best editions will be sent to the W. S. C. chapter of Theta Sigma Phi, national honorary journalistic society, for final judging.

The winner of the contest will be awarded a silver loving cup which will become the permanent possession of the high school winning three times.

Papers of all sizes and varieties have been sent in and the handicaps of the various papers will be taken into consideration in the judging. Handling of news and the general make-up and content will be points considered by the judges.

A number of high schools that have entered the contest have written to Theta Sigma about the enthusiasm for journalism which the contest has inspired. As this year's contest is the first of its kind that has been held in Idaho, the number of entries is small in comparison with the number of high schools, but many schools have written in that they will enter the contest next year.

Endymion: "Well, how's things going?"  
The Gladiator: "Hell, there ain't a guy in the house than can take decent notes any more."—California Pelican.

Drink Coca-Cola  
Delicious and Refreshing

PAUSE AND REFRESH YOURSELF

ONE SOUL WITH BUT A SINGLE THOUGHT-TO PAUSE AND REFRESH HIMSELF AND NOT EVEN A GLANCE FROM THE STAG LINE

Enough's enough and too much is not necessary. Work hard enough at anything and you've got to stop. That's where Coca-Cola comes in. Happily, there's always a cool and cheerful place around the corner from anywhere. And an ice-cold Coca-Cola, with that delicious taste and cool after-sense of refreshment, leaves no argument about when, where—and how—to pause and refresh yourself.

OVER 8 MILLION A DAY

IT HAD TO BE GOOD TO GET WHERE IT IS

# SOCIETY

Play production this week, together with activities centering around Washington's birthday, will help break the social isolation of the college.

Prominent among the affairs of last week were the Pre-Med club formal dance held at the L. D. S. institute Saturday, and the Tau Mem Aleph informal dinner dance held at the Blue Bucket Inn Friday night.

### Coming Events

- Tuesday, February 19  
Play Production
- Wednesday, February 20  
Play Production
- Thursday, February 21  
Military Ball
- Sigma Nu Formal Dinner Dance  
S. A. E. Initiation Dance
- Friday, February 22  
Lindley Hall Informal Dance  
Spinsters' Skit
- Saturday, February 23  
Sigma Chi Initiation Dance  
Alpha Phi Initiation Dance
- Monday, February 25  
Agnes Crawford-Carl Claus Joint Recital
- Tuesday, February 26  
Associated Foresters' Smoker
- Friday, March 1  
Gamma Phi Alpha Initiation Dance  
Alpha Phi Informal Dance
- Saturday, March 2  
Delta Gamma House Dance  
Gamma Phi Beta Dance
- Sigma Chi Formal Banquet
- Lighting effects, table appointments and programs carried out the St. Valentine's day motif at the informal dinner dance given by members of Tau Mem Aleph, town men's organization, at the Blue Bucket inn, Friday night. Forty-two couples attended the function.
- Patrons and patronesses were Prof. and Mrs. W. L. Wilde, Prof. and Mrs. Neal P. Bailey, and Mr. and Mrs. J. M. Bolding.
- Guests were Violet Werner, Della Walton, Jessie Dunn, Helen Swain, Mary Gillespie, Florence Diethelm, Ruth Dunn, Lorraine Christenson, Marion McGonigle, Marie Hoops, Elizabeth Stewart, Margaret Wilson, Muriel Leyrer, Bessie Bell, Jessie Helfert, Alta Tupper, Florence Rudger, Alice Kelly, Ruth Miller, Hazel McCannan, Inger Hove, Lois Gillett, Kathryn Hart, Katherine Roe, Elva Duncan, Marguerite Tobyn, Emma Solberg, Ruth Mitchell, Irene Luke, Lois Miller, Miriam Burton, Jean Edmiston, Ruth Daniels, Marjorie Throckmorton, Frances Anderson, Mary Lourenschlager, Jean Fanning, Prudence Raly, Frances Pohlman, and Blanch Hall.
- ENTERTAIN TEKIE INITIATES
- Tau Kappa Epsilon entertained at an informal initiation dance Saturday evening at the chapter house. The dance was characterized by features of Saint Valentine's day. Music was furnished by Gale's six-piece orchestra.
- Patrons and patronesses were Prof. and Mrs. Edward F. Mason, and Prof. and Mrs. Charles C. Prouty.
- Guests were Jean York, Rachel Jenks, Dorothy Minger, Grace Shellworth, Marjorie Bloom, Joyce Otter, Ruth Johnston, Daisy Moore, Muriel Leyrer, Doris Brower, Esther Mitchell, Alice Nash, Esther Thompson, Agnes Randall, Georgia Thomas, Ruth Hamstedt, Pearl Walters, Helen Cray, Gertrude Denney, Helen Jacobs, Edith Wright, Helen Douglas, Verda Cowdrie, Helen Melgard, Beulah Burnett, Verla Chase, Helen Young, Gladys Gleason, Helen Hensley, Lois Thompson, Dorothy Whitenack, Marcella Winters, Cathryn Callaway, Gertrude Stringer, Helen Swain, Marguerite Sherfy, and Marjame Long, Pullman, and June Dunlap, Coeur d'Alene.
- OMEGA ALPHA HONORS ITS INITIATES
- Omega Alpha sorority entertained at an informal dance in honor of its initiates Saturday evening. The dance was held at the chapter house which was decorated in a futuristic motif, gaily painted windows being part of the scheme.
- Patrons and patronesses were Miss Helen Kersey, Mr. and Mrs. William Banks, and L. C. Stenger.
- Guests were Bonnie Murray and Lydia Howard, Washington State college; Elmer Berglund, Clarence Sample, Alton Cornelison, Clark Smith, George Fisher, Gordon Haug, Earl Minnett, Glynn Griffith, Stanley Allecier, Percy Dunkle, Lawrence Feck, Max Sheridan, Lowell Palmerston, Otis Taylor, Alda Hoffman, Jack Langhorn, Arthur Brown, Ernest Bal-

**Secret Sorrows Strut As Bids to Spinsters Skip Hit Willing Ears**

Tickets for the Spinsters' skip, annual women's choice matinee dance sponsored by Mortar Board, are still on sale. The pastboards are in the form of programs, in the fraternity colors, black and gold. The dance, to be held on Washington's birthday, Friday, will be from 2 o'clock in the afternoon to 5 at the Blue Bucket inn.

The Spinsters' skip is the one chance of the year when the dominant of secret of public shrines, and even handsome men must wait for a bid. It is regarded as an excellent opportunity for women to pay off their just debts. The women ask the men, paying all expenses, making out programs, and assuming all responsibilities of escorts. No man may go unless he is on the waiting list.

**Beta Theta Pi announces the initiation** of George P. Julian, Elwyn G. Peterson, Richard P. Erwin, and Quentia W. Mack, Boise; and Karl A. Salskiv, Emmett. A banquet for the initiates was held following the ceremony at the chapter house.

Alpha Tau Omega announces the pledging of Wesley Shurtliff, Pocatello; Paul Elmers, Grangeville, Rexburgh, Jensen, Rupert, and John, Rushon, Idaho Falls.

Delta Chi announces the initiation of Ralph McCabe, Colfax, Wash.; Alton Hoffman, Barber; Byron Sewell, Orofino; Lyell Frazier, Hagerman; and Elijah Frost, Buhl.

**Ridenbaugh hall dinner guests** Sunday were Prof. and Mrs. Eugene Taylor and sons and Prof. and Mrs. J. R. Bender.

**Sigma Nu dinner guests** Sunday were Dean J. F. Messenger, Prof. Herbert E. Lattif, Harold Cornelison, Alton Cornelison, and Robert Golden.

**Dean and Mrs. Ralph Farmer** and Dr. and Mrs. Erwin Graue were Sunday dinner guests of Phi Gamma Delta.

**Kappa Alpha Theta announces the** pledging of Dorothy Kenworthy, Pocatello; and Catherine Leute, Pocatello.

**Alice Ryan and Leah Tuttle** were Sunday dinner guests of Kappa Kappa Gamma.

**Miss Marguerite Shertley, Pullman**, was a weekend guest of Hays hall.

**Kappa Kappa Gamma announces the** pledging of Lela Code, Emmett.

**NEW LOCKERS ORDERED**

Approximately 1250 of the latest type individual lockers will be installed in the Memorial gymnasium next month, according to an announcement given out by Manager George E. Horton. Two hundred of these will be full sized steel type, the remaining number being heavy wire baskets. An additional number will be installed at a later date. Although this locker system is being used by many eastern colleges, Idaho will be the only western university to provide a locker for each man, said Mr. Horton.

**STUDENT STENOGRAPHERS OFFERED PLACES**

Applicants for University Stenographic Jobs Will Be Rated on Efficiency Basis.

Students seeking part time clerical positions in the various departments of the university must hereafter pass efficiency tests before they are eligible to be placed in the waiting list, according to a statement recently issued by President F. J. Kelly.

Students desiring clerical employment must first register with Miss Rhoda Hobson, director of the general stenographic bureau. Miss Hobson will administer the efficiency tests, and on the basis of standings in the tests, previous experience and general personal qualities, candidates will be rated and placed on an available list for such openings as may occur. Until such a rating has been given, no promise of employment will be made.

Department heads, or others, whose requests for student clerical service are approved, may make their selections from among the persons whose names appear on the available list. This list may be examined at any time, in the general stenographic bureau.

The plan has been adopted in the interest of fairness to the individual desiring this type of work, and to promote economy in the administration of university business, says Doctor Kelly.

**MEETING POSTPONED**

The regular meeting of the Entso-club has been postponed to Thursday, February 23, on account of the fact that many students will be leaving the campus on Thursday of this week to spend the holiday and the week-end at their homes.

**IDAHO, W. S. C. FROSH END DEBATE IN TIE**

Argument Held in Pullman Was Second of Idaho Versus W. S. C. Series; College Wins First.

The freshman debate team tied with the Washington State college frosh squad in a debate on the question, "Resolved: That the United States should recognize Soviet Russia," held in Pullman last Friday afternoon.

Idaho representatives were Kenneth Jensen, Paris; Martin, Ivan Law, and others.

The one fortunate thing about the passage of the naval cruiser bill is that it was gotten out of the way before the next naval disarmament conference started. It might have been embarrassing had the tyb happened at once.

### SIGMA NU-S.A.E. TILT TONIGHT SETTLES TITLE OF B LEAGUE

### Intramural Hoop Race Narrows to Three Leading Teams

### BETAS NOT PRESSED

### Final Contest May be Played Saturday; One Game to Decide

**LEAGUE STANDINGS**

**"A" League.**

W.	L.	Pct.
Beta Theta Pi.....5	0	1.000
Ridenbaugh.....4	1	.800
Lambda Chi.....4	2	.667
Kappa Sigma.....3	2	.600
Beta Chi.....3	3	.500
Delta Chi.....2	4	.333
T. M. A.....1	4	.200
Alpha Tau Omega.....0	6	.000

**"B" League.**

W.	L.	Pct.
S. A. E.....5	0	1.000
Sigma Nu.....5	0	1.000
Sigma Chi.....4	2	.667
Phi Delt.....2	3	.400
Phi Gams.....2	4	.333
Lindley.....1	4	.200
T. K. E.....0	6	.000

With the championship of B league at stake, Sigma Nu and S. A. E. five meet at 8 o'clock tonight in the deciding battle.

At the same hour the undefeated Betas will be busy defending their record against the Ridenbaugh team, which is following closely on the heels of the Betas. A win for Ridenbaugh would place the two teams in a tie for leadership of the A league. Dope favors the Beta quintet strongly.

Sigma Chi's Falter  
With their chances for a tie for "B" League championship at stake, Sigma Chi went down to a 23 to 16 defeat at the hands of Sigma Alpha Epsilon's "Butterflies" Saturday afternoon, the most important intramural game of the past three weeks. Play was fast and rough.

To the winners' ability to run up 10 points in the first half, while holding Sigma Chi to three tallies, goes the credit for victory, for the S. A. E.'s were outscored by the Butterflies in the last period. Eddie Meyer, high scorer for Sigma Chi in the past, was held scoreless, and the losers were subject to close guarding throughout.

Sigma Chi's showing in the second half for a while threatened the winner's seven-point lead, and at the end of the third quarter, the Butterflies led 14 to 11. Baskets by Brock and Barrett near the end of the game, however, put the contest on safe ground. Barrett and Taggart, S. A. E. Whittaker, Sigma Chi, each had eight points.

Reptiles Crash Lindley  
In a scoring orgy, featuring loose guarding and erratic shooting, particularly on the part of the winners, Sigma Nu pushed Lindley Hall aside 45 to 23, Friday afternoon, the fifth consecutive victory for the Reptiles.

Dale Goss, substitute forward for Sigma Nu raked a heavy toll of baskets for the winners, sinking 10 shots for a total of 20 points. Norman and Wendie, Sigma Nu scored 10 points and Peterson, Lindley Hall, with the same number of points led his teammates. Score at halftime was 22 to 16 in favor of the winners.

T. M. A. Toppled Saturday  
Kappa Sigma, recovering after having a comfortable lead threatened in the last half, sank last minute baskets to crush Tau Mem Aleph 20 to 13 in the second-series games Saturday afternoon. The score at halftime was 10 to 3.

Jones and Arnold shone for the winners, and further added nine and seven points respectively. Their accurate shooting in the second half was largely responsible for the Kappa Sigma rally. McCoy was high for the losers with five.

Lambda Chi Creep Up  
Coming from behind in the second half after trailing 6 to 5 at mid-time, Lambda Chi Alpha climbed another notch in "A" League intramural play, nosing out Alpha Tau Omega 16 to 12, in the lone game Friday night.

Scoring honors were evenly divided between Sternke and Wilkie, Alpha Tau Omega, and Toolson, Norell and Manning, Lambda Chi, each getting four points. Beta Chi 14-Ridenbaugh 11.

Beta Chi came from behind to beat the Ridenbaugh hall five in a fast game, Saturday afternoon, 14 to 11. At the half Beta Chi led 10 to 7. In the second half Ridenbaugh staged a brilliant rally but fell short.

Phi Gams Lick T. K. E's  
Phi Gamma Delta staged a brilliant fight to overcome a big lead and to take the T. K. E. into camp by a score of 17 to 13, Saturday afternoon. At the half the T. K. E.'s were leading by a score of 9 to 3. Robinson was high point man for the Fijis and Grabner for the Tekes.

Phi Delt Wins  
Phi Delta Theta romped over the T. K. E.'s in a fast game Friday afternoon. Score at half time with 13 to 6 in favor of the Phi Delt's, a lead which they managed to hold until the end of the game which ended 24 to 16.

Hall and Jensen scored a lion's share of points for the Phi Delt's while Grabner and Honoswet got 4 points each for the T. K. E.'s.

**This Weeks Schedule.**  
Tuesday.  
7 o'clock—Delta Chi vs. Tau Mem Aleph.  
Phi Delta Theta vs. Lindley Hall.  
8 o'clock—S. A. E. vs. Sigma Nu.  
Ridenbaugh hall vs. Beta Theta Pi.

Wednesday.  
7 o'clock—Kappa Sigma vs. A. T. O.  
T. M. A. vs. Beta Chi.  
8 o'clock—Lambda Chi vs. Beta Theta Pi.  
Ridenbaugh hall vs. Delta Chi.  
Final game tentatively scheduled for Saturday afternoon if vacation does not interfere.

### Pride of Beta "Tong" Goes A. W. O. L., Fiji Clock Does Likewise

By Elmer Yaggy.  
All the campus humorists were not killed off during initiation week it was revealed last Sunday morning when several early-rising Fijis gazed upon their cherished mantle to see whether they were late to work or not and behold—*not a clock, but some strange ornament in its place.* The bewildered group returned to the shower and several buckets later they looked again. No, it really wasn't a clock. Furthermore it was silver and had handles.

A block down the street the new-made Beta brothers had an equal astonishment when they clambered out of bed the same morning and rushed down to look possessively for the time as real co-owners at the Beta loving cup with an eye to really drinking out of it—now they sported a tong pin, only to find the pride of their race gone and a peaceful tick, tock, emanating from its reserved seat.

These weren't the only changes in bric-a-brac accomplished by the humorists. What might have been done by prowlers will never be known, for they stormed the Sigma Chi house while erstwhile pledges were in the process of becoming initiates, ran into a few who were still awake and conscious and decided the game not worth the hazard.

### IDAHO VOCATION BUDGET SWELLS

### Congressional Action Will Insure Federal Allotment to University

The University of Idaho this year will receive approximately one tenth more money for vocational educational work than formerly through passage of the George Reed bill, a congressional measure, according to word received at the university. The amount will be doubled every year for the next five years.

The agricultural department of vocational educational work receives annually \$18,000 under the Smith-Hughes act, to carry on its work in the state of Idaho. Every dollar of federal money must be matched with a dollar of state or local money, the appropriations being made according to the rural population.

Trades and industries is the third class that benefits under the Smith-Hughes law of 1914, which provided government support for vocational educational work in the public schools.

In Idaho 13 schools give courses in home economics and receive aid from the Smith-Hughes act. In the 13 schools, 16 teachers are employed. Thirteen of the teachers are graduates of the University of Idaho. Five hundred and ninety-six girls are enrolled in these courses.

Twenty-two schools, with an enrollment of 1000 boys, are being taught agriculture by Smith-Hughes teachers. Sixty per cent of the teachers are graduates of the University of Idaho. The demand for teachers was so great last year that the supply could not be met with Idaho graduates.

### FUMBLES LOSE PEP UNDER LAST RULES

Football Bobbles To Be Declared Dead Where Dropped; Will Eliminate Big "Break" Element.

Fumbled balls on 1929 football gridirons will be dead at the point of recovery. This is the radically new rule which was passed Monday by the national football rules committee as the chief result of a two-day session. Under the terms of the new rule the fumbled football would be made dead at the point of recovery, when the recovery was made by the defensive team.

### WOMEN'S SWIM MATCH NEXT MAY

W. A. A. Points To Be Awarded Winners; Late Start in Classes Causes Delay.

The annual women's swimming meet will probably be held some time in May this year instead of March as is usual because of the fact that swimming classes were suspended the first semester pending the completion of the new tank in the Memorial gymnasium. According to Lillian Woodworth, manager, no definite plans have been made, save that W. A. A. points are to be awarded for participation in the meet, which will consist of competition in back stroke, side stroke, English overhand, and simple and complex dives.

### WALKER RECOVERING

Milton Walker, who is in the Inland hospital as a result of attempted suicide on February 9, is reported by Dr. C. F. Magee to be recovering rapidly. He will be able to leave the hospital in another week.

### Co-eds Longing for Spring—Evidently

Now that last semester's pledges have finally become members and the ship is wearing off the new ones, student life in the sorority houses begins to slip back into the old rut. No longer do upperclassmen stroll searchingly into the library to re-appear dragging sleepy froth by the ears. All mysterious buzzings and actions have ceased.

Freshmen, sophomores, and upperclassmen alike, while away the drudgery, afternoons in the library chatting, studying and wondering. Wondering what will happen when the snow melts, whether or not the Phi Beta Phi house will be washed away, or if at least it will be possible to go canoeing on Paradise creek. Wondering why she's so sleepy, why she can't make sense out of "Moby Dick" and why secret sorrows never do show up at the right time. Wondering if he will come and sit by her; wondering if he dare go over and start talking to her; wondering if he'll ask her for a date; and wondering if he risks it, will she order more than a "coke" at the Coo Coo?

### R.O.T.C. DRILL FLOOR BEING IMPROVED

Asphalt Composition to be Laid and Department Equipment to be Moved Soon.

Work is progressing rapidly in the basement of the new Memorial gymnasium and it will soon be ready for occupancy by the military department. The dirt floor is being covered with asphalt composition and will be used as a drill area. The north and south sides of the basement are being partitioned off for the store and gun rooms, class rooms and the quarters of the equipment staff. The west end is being converted into a modern rifle pit.

Midnight oil: If I'm studying when you come in, wake me up.—Selected.

### VANDALS ARE HEADED FOR SECOND PLACE IN NORTH

(Continued from Page 1)  
knowledge as easily the second-best team in the northern division. Idaho stands an excellent chance to finish the season undefeated, unless the Vandal squad goes far astray tonight and Friday. The Oregon State game will be a severe test, since the Beavers hold an unforgeable 23 to 22 win over Idaho here and are playing a trip-tired Idaho team on the Corvallis floor. Dope, regardless, favors Idaho.

Montana, Friday, however, will be no setup for Fox's "Scarlet Sharpshooters," who will not return to Moscow until Thursday morning. Led by high-scoring Eddie Chiniske, the Grizzlies will put a rested quintet onto the Idaho's floor. Idaho barely nosed out a 33 to 31 overtime victory the first part of the season, and will be pressed to put the Montanans aside again. Montana finishes her conference season Saturday night against State.

Probable starting lineup for the Montana game follows:  
Idaho..... Montana  
McMillin.....RF..... Rohlfis  
Stowell.....LF..... Chiniske  
Burger.....C..... Rule  
Drummond.....RG..... Wendt  
Thornhill.....LG..... Lewis

ELECTRIC BAKERY

10-Yr. Man Still Lauds This Smoke

Utica, N. Y., Aug. 30, 1928

Larus & Bro. Co., Richmond, Va. Gentlemen:

Just a line to let you know where some of your tobacco has been going for the last ten years. I have been smoking Edgeworth for the past ten years; in fact, since I started smoking, and it is just as good now as it was then. Have given other brands a fair trial, but there is none like Edgeworth. During that time I have had costly pipes and some not so costly, but I have decided that it is not the pipe but what is in it that counts.

With best wishes for your continued success in the manufacture of this high grade tobacco, I am,  
Sincerely,  
(Signed) N. A. Vaeth

## That 47th Improvement

... Pressureless Touch

Geo. S. Parker's latest, in the Modern Duofold—aids college work immensely

Think of this: A pen that's 28% lighter than rubber, yet this light weight alone is all that is required to start it writing at the first touch of the point to paper. And keep it writing—smoothly, evenly and beautifully at any speed!

Finger-pressure is relieved! No bearing down! No effort! Merely guidance from your hand—the pen itself does all the writing for you!

And none of the interruptions or intrusions that any other kind of pen has ever caused before—a gliding, smooth response that clears the track for THINKING, thus producing BETTER thoughts for class-room or home work.

So smooth and even that all papers take ink better from it. This is Geo. S. Parker's 47th Improvement in a fountain pen, known as Parker Pressureless Touch.

The result is the most able pen you've ever used—a pen we guarantee forever against all defects so its benefits to you are everlasting.

Try it without obligation at any nearby pen counter today. All dealers are glad to have you demonstrate it to yourself.

Other Parker Duofold features are Barrels of Parker Permanent, Non-Breakable, Ink-Tight Duo-Sleeve Cap, Non-Leakable, Choice of Five Flashing Colors and New, Modern Black and Pearl, the Latest Mode.

Every genuine Parker Duofold Pen or Pencil is stamped, "Geo. S. Parker—DUOFOLD" on the barrel. That is there for your protection. See it when you buy
