

BETAS WIN HOOP TITLE IN FURIOUS BATTLE WITH S. A. E.

"A" League Champs Take Nip and Tuck Final Game 21 to 19

BEHIND AT HALF S. A. E. Held to Six Points in Last Stage of Contest

In as thrilling a finish as has ever been given to intramural basketball on the University of Idaho campus, Beta Theta Pi fraternity Friday evening moped out Sigma Alpha Epsilon...

With less than 30 seconds to go, Vernon Eaton, speedy Beta forward, dribbled in for a close shot and pulled the game out of the fire with a neat two-point counter.

S. A. E. Lost in First Tilt After dropping the first game 22 to 12 in an erratic contest, the S. A. E. Butterflies came back with fire in the second game to pile up a big lead at halftime and win 24 to 23.

The losers were off to a fast start, and despite poor shooting and erratic passing, S. A. E. took the lead and held it throughout the first half, which ended 13 to 10.

The losers were off to a fast start, and despite poor shooting and erratic passing, S. A. E. took the lead and held it throughout the first half, which ended 13 to 10.

The Betas came back with determination in the second half, and after several scoreless minutes of play the winners forged ahead 14 to 13, only to have the score at 14 all a minute later.

Plato, a substitute for Brock, rushed in the last minute of the game, had an outside chance to sink a basket in the final seconds, when he blocked a pass under his own basket.

Barrett is the individual star of the game, although ably assisted by Peterson and Brock at guards; Lawrence, Smith, Eaton and Brimhall were outstanding for the winners.

Betas (21) Oud (3) Smith (7) Eaton (5) Brimhall (4) Referee: Price.

IDAHO FROSH BEAT NORTH CENTRAL Hall's Last Minute Basket Is Margin of Yearling Victory

A long shot by Hall in the last 40 seconds of play was the margin of victory of the Idaho freshman team over the North Central high school hoopers of Spokane, Saturday evening at the new gymnasium.

The play started fast with Idaho taking a lead that they never relinquished throughout the game. A short, fast passing attack on the part of the vandal babes featured the attack.

The two teams battled, on even terms during the second quarter, Idaho tallied five points on baskets by Shurtliff and Hall and a free throw by Hurley.

Hall and Sneddon, guard and forward, for the winners, were high scorers with eight points each. Shaw the stellar performer for the losers, hanging up nine points of his teams total.

STANFORD UNIVERSITY. (PIP)—Remonstrance held during the past year made possible a contribution of \$50,000 by the Stanford board of athletic control to the Stanford endowment fund.

There are several things I can always count on. What's that? My fingers.—The Franklyn.

GOLDEN BEARS TAKE CONFERENCE HONORS

California Hoopsters Win Two Straight Contests From Washington at Seattle

The University of California hoopers defeated the University of Washington five in two straight games for the Pacific Coast basketball championship at Seattle Friday and Saturday nights by scores of 43 to 31 and 39 to 27.

In the first fray, the Golden Bears gained an early lead and were never pressed. This game was featured by Corbin's excellent playing, the Blue and Gold captain accounting for 16 points.

The Bears rushed to an early lead in the second tilt and increased it to a 21 to 6 score at half time. The rough tactics of the Berkeleyites soon caused them trouble and Corbin, Coffield and Stevens were disqualified for personal fouls permitting the Huskies to shorten the gap with the Bears stars on the bench.

The Washington team failed to overcome the lead and the game ended with the Bruins leading by three points. Bolstad, McClary and Snider bore the brunt of the Washington attack, but the playing of Jaloff was disappointing.

COACHES TO DECIDE HOOP SUPREMACY

Idaho and W. S. C. Mentors Meet Tonight in Pullman

The first game of the annual W. S. C.-Idaho coaches two-game basketball series will be played tonight in Pullman.

Last year the series was divided, games played on the home floor. With honors even the struggling quintets will battle fiercely for victory.

The probable starting lineups: W. S. C. IDAHO: Bolton, F. Fox; Orton, E. Erb; Bailey, C. Beam; Kramer, G. Jacoby; Ankon, G. Reardon.

STANFORD MAY HAVE NEW GOLF COURSE

Preliminary Steps Are Taken To Make Mythical Student Links a Reality.

STANFORD UNIVERSITY. (PIP)—Stanford's proposed golf course, so long a myth, is at last to become a reality. The initial steps toward the construction of an 18-hole campus golf links have been taken.

FOUR SOPHOMORES CHOSEN MANAGERS

Washburn, Grimm, Mitchell, Barbor, Picked From Underclassmen Who Have Served Full Year.

Four sophomore athletic managers were chosen following the completion of the varsity basketball season. They are Ralph Washburn, Gerald "Babe" Grimm, James Mitchell and Charles Barbor.

English club will hold an important meeting tomorrow morning at 9 o'clock in room 316 Administration building.

T. K. E. FIVE WINS HOOP CELLAR TITLE

Takes Win Consolation Game of Series from Consistent Losers

In a game marked by its raggedness, the Tau Kappa Epsilon hoopers romped over the Alpha Tau Omega quintet by a score of 20 to 10, in an intramural post-season consolation game, Saturday afternoon.

Despite the fact that the game had no bearing on the intramural standing of either team, play was fast and marked by frequent spurts of loose shooting on the parts of both squads.

The game opened with a burst of speed when Grabner, Teke center, caged a field goal in the first few minutes of play. The A. T. O.'s soon retaliated when Randall, forward, sank a goal tying the score as the first quarter ended.

At the opening of the second half the score saw-sawed back and forth with the Tekes fighting hard to hold the lead. The half ended with the score 6 to 8 for the Tekes.

Library "Quiet" Signs Eliminate Police Duty

"Please do not stand here and talk, quiet in the library is requested" is the wording on one of the several "quiet" signs which were put up three weeks ago in the university library.

The signs as a whole have helped both students and assistants in maintaining better order, say the attendants. According to one of the assistants, the librarians are so tired of being policemen that they put up the signs in hope of relief in that respect.

Now when a student makes a disturbance the assistant merely looks sternly first at the offender and then at a sign.

Have Your Shoes Fixed Up for Spring at JANTZEN'S "Just Real Good Work" Corner 6th and Main

8395 Decisions Favoring This Smoke

Epworth, S. D., Sept. 4, 1928

After a week's layoff following the close of conference basketball season all but the seniors of the Vandal hoopers have returned for spring practice, which will continue until the opening of the interscholastic basketball tournament two weeks hence.

This is the first year that spring practice has been held at Idaho and Coach Fox hopes by this plan to work up a strong foundation for next year's squad. There is a good turnout at these practices and the men are working hard in an effort to improve their style of play for next year's competition.

WORK IS BEGUN ON ARMY SPACE IN GYM

Floor Being Surfaced and Classrooms Installed for Military Department

Work was begun this week on the completion of the basement floor of the Memorial gymnasium, which will be used by the military department as an armory and drill floor. The floor space between the columns is being paved with ordinary asphalt on top of which will be laid a surface covering of "mastic," which will protect the floor when coming to "order arms." The space outside the columns, to be paved with concrete, will be arranged for gun racks, quarter master supplies, and ordnance stores. A sound proof class room will be located in the northwest corner.

A concrete target pit with 12 targets covering a width of approximately 76 feet will be located at the west end. The entrance to the range will be on the north end, making it possible and safe to enter and retire from the pit during firing. The targets will be suitably illuminated, the reflectors being so located that they will be outside the field of fire. Semi-heavy ordnance such as 37 mm. guns, automatic rifles, and trench mortars, ectera, will be stored in the southwest corner.

Major A. T. Schenck, superintendent of construction, states that the work will probably be completed in about 30 days.

Varsity and frost locker rooms are now being equipped with steel lockers, and the towel and bathing suit room has been completed and in use for the past week. The women's dressing room has been completed and has been in use for two weeks. A unit heater has been installed, before which a dozen women can dry their hair.

The memorial, a bronze plaque which will carry 81 names of Idaho men who gave their lives in the wars of 1898 and 1917 and '18 will be installed in the gymnasium in the near future. It will be furnished by the Ladies' Auxiliary of the American Legion, department of Idaho.

GRADUATING AGS GO INTO FIELD

Four University Men Prepare to Start Work in Various Idaho Schools

Four graduating students of the agricultural education department, who, during the spring months, will act as practice teachers in various departments over the state have been announced by H. E. Lattig, head of the department.

Every year men from this department enter into Smith-Hughes extension work. As these men are on a full-year basis, they wish to leave early in the spring. This is made possible by a system of practice teaching, without harm to work in various departments. After the seniors have had special methods of teaching and have done sufficient practice teaching to demonstrate their ability, they are sent to take charge of schools for four week periods.

During the month of February Cecil Tully had charge of the department at Emmett, acting in the absence of the regular teacher, L. K. Saum. During March, Clinton Wiswall will have charge of the department at Boise and Cyril Allen will assume charge of the Rupert department. In April, two other men will be sent to replace Mr. Wiswall and Mr. Allen.

"The students become acquainted with the difficulties that face them, and upon their return are encouraged to study harder in order that they may solve these problems," said Mr. Lattig.

TREBLE CLEF CONCERT PROPOSED

Managers Have Asked the Use of University Auditorium for Program

The Treble Clef club managers have asked permission to present a formal concert on April 24. Managers of the club feel confident that the date petitioned for will be granted as no other entertainment is scheduled for that evening. The program will be given in the university auditorium. Plans are under way concerning several short trips to be made by the club to neighboring towns. After the formal concert here, a trip through the southern part of the state may be undertaken. At present, Miss Garnett, director of the club, is putting the girls through intensive training in preparation for the April concert.

New officers of the club, chosen last week are Helen Ames, president; Golda Smith, manager; Marjann Burton, secretary.

IDAHO MASTERS' THESIS PUBLISHED

Miss Relerson Writes Article on Shorthand After Two Years Research at Pocatello.

Miss Ellen Relerson, instructor in the school of business administration, is the author of an article in the February issue of the American Shorthand Teacher. The article is entitled "An Experimental Comparison of the Value of Word Units and Sentence Units in Learning Elementary Shorthand," and is based on a two-year study of whether the word unit or the sentence units is the more effective method of teaching shorthand. Miss Relerson's conclusions, based on experiments given at Pocatello high schools, indicate that the sentence method is the more efficient. The material in the article represents part of the author's graduate thesis for her master's degree in the school of business administration at Idaho.

STUDENTS TO GIVE ART EXHIBIT IN MAY

Dale Goss is General Chairman; Will Be Held at U-Hut Entertainment Program Planned

The U-Hut has been chosen for the art exhibit to be given May 3 by the art and architectural departments of the university, according to Dale Goss, general chairman.

The upstairs studio and the two lower rooms, including the stage will be decorated for the exhibit. Water colors, oil, and pencil sketches, charcoal, and possibly a few projections of students not registered in the course will be exhibited. During the afternoon an entertainment program of music and stunts is planned.

This will be the first exhibit of this type to be undertaken here, and it is hoped that enough interest will be shown to warrant its becoming an annual custom. As there are approximately 90 students enrolled in the two courses, a good showing is expected by those in charge.

FOUR MEN ADDED TO DEBATE SQUAD

Four men were added to the varsity debate squad as a result of try outs held Friday afternoon.

Four men were added to the varsity debate squad as a result of try outs held Friday afternoon. Those selected were Burdette Belknap, Howard Andrews, Charles Fowler and Kenneth Cleary.

Belknap and Andrews will represent Idaho here March 25 against the University of Oregon. Both men have been prominent in intramural forensics this year and last year. Fowler or O'Leary, along with some experienced members of the squad will meet the University of Washington team at Seattle, in the year, Coach Garland said.

PROF. GAUSS LATEST SIGMA TAU MEMBER

Prof. Henry F. Gauss, head of the mechanical engineering department, was initiated into Sigma Tau, honorary engineering fraternity, Friday evening.

After the initiation ceremonies, which were held at the L. D. S. institute hall, a banquet was held in the Blue Bucket Inn. Dean Ivan C. Crawford gave a talk on "The value of organization in engineering." Wayne Travis and Herbert Clare, newly initiated members, also gave short talks.

Professor Gauss B. S. received his degree in mechanical engineering at Washington university in St. Louis, and his M. E. degree the following year, and has subsequently held such

WHITMAN GRADES LOW

The "Scandal Sheet" of the Whitman College Quarterly, in which the grades of all students are published at the end of each term, shows that only 20 students received an "A" average.

The average of the fall term was 78.33 which was somewhat lower than that of fall term last year. Scabard and Blade will hold a formal meeting for members and pledges on Wednesday evening at 8 o'clock at the Sigma Chi house.

OHIO STATE STOPS HAZING PRACTICE

Faculty Committee Limits Informal Initiation to 38 Hours; Must Be "Confined to the Premises."

COLUMBUS, O.—"Rough stuff" fraternity hazing was barred at Ohio State university by action of a faculty committee last week.

The "informal initiations" of the fraternities, under the committee's orders, must not last longer than 36 hours, and must be "confined to the premises." Since the "rough stuff" put on by the fraternities in the usual "hell week" that precedes the administration of the formal ritual, is the only vestige of hazing left on this campus, the faculty order means that within a few years hazing will be a thing of the past.

It has been years since freshmen were hazed by sophomores at Ohio State, for there is virtually no class spirit left at the university. Class

CHECK ELECTION EVIL

STANFORD UNIVERSITY (PIP) Owing to the stuffing of the ballot box in a recent student body election, the executive committee is making an effort to institute a new system of elections whereby all tampering will be eliminated.

The new plan will provide for a means of identification of the voter. WASHINGTON STATE COLLEGE (PIP)—That old American institution of bull-throwing or in common terms, "Hopiness," will be the motif for the next issue of the Cougar's Paw, Washington State's official humor magazine, according to John Farbes, editor.
