

# The Idaho Argonaut

VOLUME XXX

THE IDAHO ARGONAUT, MOSCOW, FRIDAY, APRIL 5, 1929

Number 50

## FACULTY APPROVES LATEST HONORARY, P. E. ORGANIZATION

Constitution of Sigma Delta, Men's Athletic Organization, is Accepted

### MEMBERSHIP LIMITED

Group Plans to Sponsor Intramural Sports Events In Future

Sigma Delta, local physical education fraternity, a new addition to the campus honoraries, had its constitution and by-laws accepted last week by the faculty committee on organizations, under Col. E. R. Chrisman. The recognition of the group is the culmination of four months of planning by the members, who perceived the long-felt need for an organization having for its purpose the promotion of physical and mental development among the men students.

Membership in the society is limited to 15, including only sophomores and upperclassmen who show interest in the furtherance of physical education. In addition to this, the scholastic average of a prospective member will be taken into account before he is pledged. The scholastic group average of the founders during their time in college was over 4.00.

### To Sponsor Intramural Sports

The fraternity plans to sponsor all intramural sports, now under the supervision of the athletic coaches. Exhibitions, tumbling, and stunts will be featured at intervals throughout the year at intercollegiate games and the meets. A tentative scheme for a circus during one of the Yarsity football games next year is being considered by the group.

The colors of the fraternity are black and Chinese red. The official badge is a square gold key, with a smaller square of black enamel in the center. In the upper left and right corners are the Greek letters Sigma and Delta respectively. Superimposed on the key, and running from the upper right to the lower left is a bolt of lightning in Chinese red.

According to the president of the fraternity, the group plans to expand to other campuses of the west, eventually forming a national.

Ralph Hutchinson, track coach, is the faculty advisor. Officers and members are: Gerald Grimm, Boise, president; Kenneth O'Leary, Boise, vice president; Douglas Bradshaw, Boise, secretary; Harry Yost, Boise, treasurer; Warren Goehner, Missoula, Mont.; and Ralph Hagan, of Brooklyn, N. Y.

## EIGHT FROSH WIN HOOP NUMERALS

Yearling Basketball Awards Passed by Executive Board; Sweaters To Be Given at Assembly.

Eight men on the freshman basketball team were awarded numerals Tuesday evening by the ASUI executive board on the basis of playing time and coach's recommendation. The list includes Henry Shedd, Wesley Shurtliff, William Hall, Stanton Hale, Edward Hurley, Laverne Randall, Jack Lee and Arthur Spaugy.

The delay in making the awards was due to insufficient time data supplied with the coach's original recommendations. To meet the requirements of the ASUI constitution, the men must have played at least 50 per cent of the playing season's time.

Only two of the 10 men on the squad failed to make their numerals because of insufficient time played during the three games the first semester and the five the second.

Awards will be given soon in a regular ASUI assembly, along with other awards for campus activities.

## PHI BETA KAPPA TO INSTALL AT W. S. C.

Installation Ceremonies of Scholastic Fraternity to be Held at Pullman in April.

WASHINGTON STATE COLLEGE.—Phi Beta Kappa, national scholastic fraternity, will install a chapter here Saturday, April 6, it was announced today by Dr. A. A. Cleveland, dean of the school of education who is in charge of local arrangements.

Installation ceremonies will be directed by Dr. Oscar M. Voorhes, New York City, grand national secretary of the fraternity. Members of the State college faculty who are members of Phi Beta Kappa will assist in the installation. President Norman F. Coleman of Reed college, Portland, Ore., will deliver the Phi Beta Kappa address. Dr. Coleman has spoken at the State College on several previous occasions.

The State College chapter of Phi Beta Kappa will be the third installed in western universities and colleges this year. Chapters were recently installed at the University of Southern California and Mills college, both California institutions.

## PROF. M. L. SARGENT WILL SPEAK ON SPANISH TRIP

Mrs. Marguerite L. Sargent, professor of modern languages, will talk on "Spain" next Monday evening at 8 o'clock in room 110, Science hall. Her lecture is sponsored by the public events committee of the faculty.

Mrs. Sargent spent some time in Spain when she was there on her fourth or fifth trip abroad. All who are interested have been invited to attend, said I. W. Jones, assistant president. No admission will be charged.

## IDAHO WAR DEAD ROLL COMPLETE

Memorial Association Receives Complete List To Place on the Plaque of Honor.

The certified list of names of Idaho men who lost their lives in the World War was recently turned over to the officers of the Idaho Memorial Association by the Idaho department of the American Legion.

The list, together with the names of Idaho men killed during the Spanish-American war, will be engraved on a large bronze tablet which will be placed in the memorial room of the armory gymnasium. The tablet will be the gift of the Ladies Auxiliary of the American Legion, department of Idaho. As an additional safeguard and check against omission of any names, O. A. Fitzgerald, head of the publicity department, has sent complete county lists for publication in newspapers in every county of the state.

Final dedication of the new gymnasium will be held at commencement. Col. L. V. Patch is state commander of the legion, and Dwight Leeper, Lewiston, is president of the Idaho Memorial association. George E. Horton, graduate manager, is secretary.

## KANSAS MAN NAMED HEAD OF S. BRANCH

Dean John R. Dyer Appointed Today as Successor To M. F. Angell

Dean John R. Dyer, assistant to the chancellor of the University of Kansas, was appointed executive dean of the southern branch of the university by the board of regents at Pocatello this morning, according to a telegram received by President F. J. Kelly shortly before noon. He will succeed Dr. M. F. Angell who has been acting executive dean of the institution for the past two years. Dean Angell will be on the campus in July to take over his old duties as dean of the college of letters and science.

Dean Dyer received his bachelor's degree at the University of Ohio and has completed the requirements for his master's degree at the University of Kansas, although he has not taken it because of a special faculty ruling at Kansas. In addition he has been acting executive dean of one of his residence work for his doctorate at Columbia university. He is a member of Phi Beta Kappa.

During the World War he served in France with an artillery unit, and spent three months in England after demobilization, six weeks of that time being spent at Cambridge university. On his return to America he spent two years in the industrial division of the Y. M. C. A. Eight years ago he was called to the University of Kansas to the position of dean of men. Three years later he was made assistant to the chancellor or president. In that capacity he has done almost all sorts of administrative work which attach to the head of an institution.

He will take over his duties at Pocatello some time during the summer.

## GLEEMEN BILL FOUR NUMBERS

Idaho Glee Club Will Start Northern Tour April 16, Stopping at Coeur d'Alene First.

The university men's glee club, under the direction of Prof. Theodore Kratt, will leave Moscow by stage Tuesday, April 16, on a tour of northern Idaho. John Soden, business manager, announced last night. Thirty-two men will make the trip.

Tuesday night the glee club will be in Coeur d'Alene for a concert. Mr. Soden said Wednesday night the men are booked to appear in Sandpoint, and they will appear in Wallace Thursday evening.

Lewis and Clark and North Central high schools in Spokane will hear the Glee club on Friday, April 19. Friday evening the songsters will broadcast several numbers over one of the Spokane stations.

The university string quartet, with Prof. Carl Claus as director, will make the trip with the glee club, it was said. The string quartet is practically a new musical organization on the campus, having appeared in concert for the first time this year. Professor Claus, first violin; York Kil-de, second violin; Ruth Newhouse, viola; and Estelle Ruick, cello, comprise the quartet.

Idaho's university quartet will sing several numbers on the program. Forrest Brigham, first tenor; Clarence Sample, second tenor; William Shamberger, baritone; and Charles Adams, second bass, are all members of the glee club.

The glee club will return to Moscow Saturday, April 20.

## KIENHOLZ NAMED HEAD OF KAPPA PHI

Dorothy Kienholz, junior in the school of business administration, was elected president of the Idaho chapter of Kappa Phi, national organization of Methodist college women, at dinner meeting held Tuesday evening.

Other officers elected were Lois Gillette, vice president; Edith Nelson, treasurer; Leona Bateman, recording secretary; Edith Nancolas, corresponding secretary; Doris Shea, chaplain; Grace Thomas, historian; and Charlotte LePever, editor.

Six pledges to the group were also announced at the meeting. They are Virginia Nettleton, Margiee Christopher, Dolores Holmes, Laura Manning, Iris Colvin and Margaret Thomas.

## ALL EVENTS CLOSE IN SEMI-FINALS OF GROUP SWIM

Betas, Lambda Chis, and Kappa Sigmas Show Best Records

### FINALS NEXT MONDAY

Diving Contest to Feature Deciding Heats of Water Meet

Fast time and close competition in all events of the preliminary and semi-final heats of the annual intramural swimming meet held in Memorial gymnasium pool Wednesday and Thursday evenings gave evidence of stiff opposition and possible records for the final round Monday night.

Beta Theta finished the semi-finals with the greatest number of first place entries, Gerald Grimm and Ulrich Richter having between them qualified for four events. The present holders of the intramural swimming cup will, however, be pressed by Kappa Sigma, Lambda Chi, and S. A. E. who all have fast men qualified for the last heats. No cup is to be awarded this year. Points given for first and second place will be awarded toward the single intramural sports trophy to be presented at the end of the year to the leading group house.

Swam, Too Far.

A near tragedy occurred in the meet last night when Tom McGonigle, Kappa Sigma, was taken from the pool unconscious after he had won first place in the underwater swim. McGonigle was revived in a short time and will be able to enter the finals Monday according to last reports.

In the semi-final race for the 50-yard free style, Hale, Phi, was fouled by Lohman, S. A. E., and the judges ordered another race, which also will be held next week. McGonigle swam the 50-yard breaststroke in 40 seconds—the best time recorded. Erich Ritter.

(Continued on Page 4)

## Short Pants Craze Revived By Easter

The women's new spring bonnets aren't the only things that Easter brought to the campus. Any casual glance about the male will reveal that many of the male inhabitants of the campus have bobbed their trousers and gone stark raving mad as to their socks.

Gone into disuse are the erstwhile boasted "long pants". Only mere infants are now distinguished by long trousers. Popular writers seem to hold that the modern age is going to the dogs. Sophistication and civilization are ruining the morals of the day. If clothes are a mark of the man, as the collar ads would have us think, let these pessimistic essayists take a peep at the newly knee-breeched Idaho men and their tune would change.

And sophistication! Since when has the wearing of bloomers—be they tweed or silk—been a mark of hard-boiled devilry?

## GATE CITY QUINTET OUT OF NATIONAL

Pocatello high school's basketball team, Idaho's entrant in the national tournament at Chicago, was eliminated yesterday morning by the Jackson, Mich. team, 15 to 11, after having survived the first round by defeating the quintet from Cumberland, Md., 34 to 30.

The five basketballs from Joes, Colo. gave the Laurel, Del. champs sound drubbing by the score of 41 to 7. The mountaineers are expected to go far in the championship play.

## With Sioux Warrior Hot on His Trail, Capt. Bryan Discovers Knack For Speed

By Mary Murphy.

As eventful a career as the most imaginative athlete could create is that held by Captain Will C. Bryan, Idaho's athletic trainer. It is only when his life is pieced together from the newspaper clippings pasted in his "scrapbook" that his past fame can be appreciated. Coming west in 1870, he fought Indians on Powder river at Crazy Horse Village, Wyoming, and it was here that he rescued three wounded men, a deed for which he later was awarded the Congressional medal. He started out in business, but his career lay in athletic competition and coaching.

In 1873 he was business manager of Bryan's Minstrel show, and according to a beautifully hand written program, appeared at different times in a song and dance number, sang "Oh Miss Susie," gave an act as Nibbler, a farm hand, impersonated Napoleon, and lastly, took the part of Jube, an aspiring student in a skit "Dr. Quack."

By 1874 he played baseball in a Chicago league. As a boy he was recognized as a sprinter and jumper, but not until 1879 in Wyoming, did he participate in his first meet by beating a Sioux Indian in a dash for cover. Then he bought the Eagles pharmacy in Laramie, Wyoming, but later moved to Denver, establishing a drug store there.

In 1881 he became a member of the famous Denver Bates Hose team. These groups of fire fighters indulged in fierce athletic contests, and so keen was the rivalry that the firemen tried to drown the others while fighting fires. In tournaments held every year Bryan was the crack runner for that section. He is described in a newspaper article at this time: "One of the finest specimens of western manhood to be seen on the tournament track is W. C. Bryan, the right hand leader of the Bates team. He is a druggist by calling and a pleasant man under all conditions."

A reporter for the Daily State Journal, a Lincoln, Neb. paper, when covering the Fitzgerald ball, at which Bryan was one of the distinguished guests, asked him if it were a fact that he was champion long distance runner of the world and "Cap." replied, "Well, I have never been beaten, but there are a good many runners I have ever met."

Cap already held a number of records, having won the third all-American 135 yards handicap, and also the 300-yard dash in a championship meet between the United States and Canada.

In 1884 Bryan opened a billiard hall, at which time bills appeared with the headlines, "Will C. Bryan to open first Temperance Billiard Hall in Omaha this evening."

From 1884 until 1887 he spent his

## KNIFE WIELDER GETS LIFE TERM

Bryant, "Hippo" Dickerson's Slayer Sentenced at Corvallis, Thanks Court For Fair Trial.

CORVALLIS, Ore., April 5.—Convicted Thursday for the murder of Lewis M. Dickerson, former Oregon State football star, and assistant coach, Lanza Bryant was sentenced to serve the rest of his life in the state penitentiary at Salem, by Judge G. F. Skipworth who pronounced sentence one week after the trial started, ending one of the speediest murder trials in this section of the country.

Bryant killed Dickerson with a butcher knife December 18 when Dickerson was escorting a girl home from the restaurant where she worked. The girl had told Dickerson that Bryant was threatening her life and she was afraid to walk home alone; Dickerson offered to escort her. On the way home, Bryant and another fellow jumped Dickerson, Bryant stabbing him in the ribs with a butcher knife. For several days after the attack, Dickerson made progress toward recovery but he took a turn for the worse and died.

After the trial Bryant was hurried into a waiting automobile and taken to Salem in custody of Sheriff E. J. Newton. Bryant's lawyers, Mark Weatherford and George W. Denman, made no statement at the time of the trial concerning the possibility of an appeal. When asked by the judge if he had anything to say, Bryant thanked the court for the fair trial of his case.

Dickerson was well known by many Idaho students who live in the southern part of the state.

## POLLS REOPENED ON AMENDMENT

Executive Board Change Receives Approval of Additional Voters

After deciding that the special ASUI election Tuesday was not legal, the executive board declared the polls reopened today in order that a sufficient number of voters could be rounded up to raise the total to one-fifth of the student body as required by the ASUI constitution.

The election was called Tuesday to decide on an amendment to the constitution which would add another senior woman and a sophomore man to the present personnel of the executive board. Only 294 students voted, 272 in favor of adopting the amendment and 22 against it. About 75 more votes were necessary to make the measure legal, basing the total enrollment as 1750. More than 100 additional votes were cast by 1 o'clock today when the polls were closed.

The new amendment reads: "Eight members of the executive board shall be elected as follows: two men members and two women members from the incoming senior class; two men members and one woman member from the incoming junior class; and one man member from the incoming sophomore class." Three student body officers, president, vice president and secretary, are also members and officers of the board, making a total of 11 members. The junior college will next year have a representative on the board, and to keep the balance of power even between the men and the women, the additional senior woman was also named.

As the amendment becomes effective immediately, candidates for both of the new offices will be nominated at the nominating assembly which will be held at the auditorium at 11 o'clock Tuesday. Nominees for all ASUI offices except the associate editors of the three student publications and some of the managerships will be named next Tuesday. The primary election will be held April 18, and the annual student body election on May 2.

## JUNIORS SET STAGE FOR VARIED EVENTS OF FESTIVAL WEEK

Formal Prom Next Friday Will Be Only Dignified Party

### SERENADE IS SECRET

All Group Houses Busy with Plans For Big Parade

With the initial events of Junior week less than five days off, third-year class committee chairman this week are bringing to a close two months of preparation in anticipation of these six eventful festivities which start Wednesday morning and continue possibly through until the small hours Sunday.

Last minute details, ticket sales for the Prom and Cabaret, and a host of other minor features are rapidly being pushed to completion and some time next Tuesday Class President John Soden and Robert Brown, general chairman, will be able to announce that the class of 1930 is ready to start its annual week. Wednesday morning at 11 o'clock the Junior assembly, the first scheduled event will take place in the auditorium.

Thursday the parade and informal party will hold sway, but Friday the Juniors will temporarily become dignified for their formal Prom. Saturday night will climax the four days of festivity with the cabaret. Junior Serenade, the exact date of which has been kept secret, is the sixth feature.

Tickets In Demand.

Three days of ticket selling for the two formal events found a great demand among the two upper classes for reservations. With Prom tickets limited to 125, Juniors are given first preference, but a few seniors will join the third-year classmen. With 175 couples to be provided for, upperclassmen are given first choice for the cabaret, with the few remaining

(Continued on Page 3)

## Tennis Fans Jump Puddles On Courts

Idaho's tennis enthusiasts are getting good drill in the art of puddle jumping now that the weather permits playing on the university courts.

Faculty members and students are seen at one moment perfecting their backhand, forehand and service shots, and at the next are observed hastily seeking cover for rackets, balls and themselves. The courts are alternately flooded with sunshine, and showered with rain. At other times a coating of snow does not seem to help tennis balls bounce. Some sharks who deem it necessary to keep up their game all the time are wearing out their fraternity houses' best brooms by sweeping the courts on an average of three or four times daily. That is, sweeping the water around.

## IDAHO MUSICIANS TO JUDGE CONTEST

Prof. Theodore Kratt and Miss Isabel Clark, piano instructors, left Wednesday for Bozeman, Mont. where they will act as judges of the Montana Intercollegiate music contest, April 4, 5, and 6. Professor Kratt will judge voice and Miss Clark will act as piano critic.

This is the eighth annual music meet in the state of Montana. It is estimated that 1000 teachers and students from the various high schools will attend the conference. Saturday evening Professor Kratt will direct a choral performance of all the glee clubs and choruses entered in the contest, which will comprise nearly 500 voices.

## GENERAL HINES WILL VIEW R.O.T.C.

Commander of Ninth Corps Area To Make Inspection During Last Week in May.

Final inspection of the University of Idaho R. O. T. C. regiment will be made May 27 by General John L. Hines, commander of the Ninth Corps Area. The first inspection will be made April 25 by Lieut. Colonel E. C. Waddill, R. O. T. C. officer. This will be the first time that General Hines has made an inspection here.

Early morning drill, in preparation for the inspection will begin Monday, at 7 o'clock; though the military department is waiting more definite orders from corps area headquarters before intensive training is begun.

At Thursday morning's review company G, which presented the best appearance during maneuvers, was awarded the silver and gold guidon decoration. For two years, 1926 and 1927 the cadet unit at Idaho has been awarded distinguished rating. This year, however, due to a change in administrative policy, R. O. T. C. units are no longer given distinguished rank, but are rated on a proficiency basis.

General Hines, who is making the final inspection, was commander of the fourth division in the Meuse-Argonne campaign during the World War. After the war, General Hines acted as chief of staff of the United States army for some years, until he took up his present duties as commander of the Ninth Corps area.

## SEMESTER EXAMS ON TWO-HOUR PLAN

Two-hour scheduled final examinations instead of quizzes during the class hours of the final week of the semester were decided upon by the academic council at its regular weekly meeting Wednesday afternoon.

Detailed plans have not been worked out, said President F. J. Kelly last night, but it is believed that under the new arrangement all the examinations can be scheduled in four days. Instructors in four and five-hour courses who want to give longer examinations can use one class period during the regular week, he said.

Last year and for years previously four-hour examinations in practically all courses were scheduled during the entire last week of each semester.

(Continued on Page 4)

## GEOLOGISTS PLAN JAUNT UP RIVER

Annual Excursion up Snake Canyon Will Be Held Again This Year.

The annual one-day trip up the Snake river, sponsored by the geology department, will be during the first of May according to Dr. E. A. Lancy. This scenic river excursion, taking one 50 miles up the Snake, will start from Lewiston some Saturday morning at 6 o'clock, returning the following evening. Some of the most imposing scenes of the Snake River canyon are visible from the boat.

The group will stop at the fork of the Grande Ronde and Snake rivers for lunch and then proceed up to Di- wide creek before turning back. Due to the swift rapids encountered it is necessary that the boat be equipped with two 150-horse power engines, even then the maximum speed up stream is five knots per hour, although on the return trip a speed of 15 to 17 knots per hour is possible.

The party is limited to 50 passengers, including the members of the geology classes, who are given preference. The expense for the trip is \$3 exclusive of meals and transportation to and from Lewiston.

## W. A. A. DANCERS CAPTIVATE CROWD

Taps and Terpichore, Elaborate Dance Festival, Presented Last Night

A two-thirds capacity audience was "danced" around the world by 80 Women's Athletic association members at the annual "Taps and Terpichore" dance festival presented in the auditorium last night. Costumes and settings representative of 29 localities or races added color to the appropriate music and cleverly presented steps of the performers. Programs gave introduction to the many parts of the dancing tour by means of rhymed couplets of apt wording.

"Sea Gulls," a representation of the graceful birds that followed the ship across the Pacific, was particularly pleasing to the audience. The setting of blue curtains with the white silhouette and symbolic movement made the number outstanding.

The snake charmer of the Spanish market and the revival of "Peanut Town" were other popular numbers, as was also the cymbal clashing dance in "Beggars of Allah."

Miss Lillian J. Wirt, director of women's athletics, arranged many of the dances and directed the presentation of the entire performance. Forrest Brigham, tenor, sang a number of selections to explain some of the dances. Mrs. Abe Goff had charge of costumes and settings for folk dances. Lucile Haddock and Josephine Harland were accompanists.

Proceeds from the dance festival will be used in the investigation of women's athletics in state high schools and to help defray the expenses of Idaho's two W. A. A. delegates to the western convention in Seattle next week. Prudence Raby and Marguerite Ames have been selected as delegates. Jessie Little, previously selected as a representative, will be unable to attend the convention.

## ZELDA NEWCOMB HEADS ASSOCIATED WOMEN STUDENTS

Defeating Helen Veasey, Gamma Phi Beta Junior, by the bare majority of 7 votes. This year's election was even more closely contested than that of last year, when Helen Taylor defeated Grace Jain by 11 votes. A little more than half of the members of the organization voted.

Dorothy Neal, Alpha Chi Omega, was elected vice president, and Frances Gallet, while the position of secretary will go to Betty Wilson, Delta Gamma who defeated Josephine Thompson. Dorothy Shears, Forney hall, won over Virginia Peck in the race for treasurer and Anne Day, Alpha Phi, defeated Edna Richards for the women's exchange office. La Reta Beeson was chosen yell queen. The women will take office next fall.

President Helen Taylor and President-elect Zelda Newcomb will attend a national convention of the Intercollegiate Associated Women Students which is to be held at the University of Oklahoma, April 16 to April 20. The delegates will leave the campus April 10 and will be gone about two weeks. Sectional and national conventions are held alternately every year. The western sectional convention was held in Seattle last year.

The result of the total vote cast:

Zelda Newcomb, Kappa Kappa Gamma..... 124  
Helen Veasey, Gamma Phi Beta..... 117  
Vice-President:  
Dorothy Neal, Alpha Chi Omega..... 165  
Frances Gallet, Pi Beta Phi..... 75  
Secretary:  
Betty Wilson, Delta Gamma..... 144  
Josephine Thompson, Gamma Phi Beta..... 93  
Treasurer:  
Dorothy Shears, Forney hall..... 130  
Virginia Peck, Omega Alpha..... 109  
Exchange:  
Anne Day, Alpha Phi..... 177  
Edna Richards, Daleth Teth Gmel 64

## CHRISMAN STAYS HERE NEXT YEAR

War Department Allows Head of Military Dispensation Granted.

Col. E. T. Chrisman will remain at Idaho as head of the military department next year instead of being transferred in accordance with war department orders he recently received, announced President F. J. Kelly last night.

Colonel Chrisman is on the retired officers list and was thereby included in war department order that retired officers would no longer be allowed to have charge of senior R. O. T. C. units. Telegrams received from Washington, D. C. by the president's office brought word this week that the order has been changed, in Colonel Chrisman's case at least. He will be a member of the faculty as before, professor of military science and tactics, also commandant of cadets.

In point of years of service, Colonel Chrisman is the oldest man on the university faculty. He was graduated from the United States Military academy in 1894, and before that was a student at the University of Idaho.

## T. M. A. INITIATES TWENTY-TWO MEN

Frank Cono and Charles Lynch Are Nominees For Presidency; Twenty-two Men Made Members.

Twenty-two men were initiated by Tau Mem Aleph, town men's social organization, following the annual spring banquet of the organization held at the Blue Bucket Inn Wednesday evening.

Those initiated were Clyde Anderson, Walter Christensen, Glenn Holt, Harry Cline, Gunner Fagerlund, Robert Fisher, Leonard Hill, George Illichevsky, Robert Nelson, Laurence Smith, A. A. Jackson, Richard W. Kinney, Reed Lewis, Mont Lewis, Glenn Norstrom, Norman Platt, Louis Reishman, Maurice Schaller, Sheldon Sauters, Allen Swanson, Leonard Wiseman and Donald Williams.

Following the initiation ceremonies, the nominating committee presented a list of candidates for officers to be voted upon at the next regular meeting, April 17. They are Frank Cono, Charles Lynch, president; Wayne McCoy, Fred Roberts, vice president; Archie Ruehke, Frank Meneely, secretary; Donald Wiseman, Samuel Swayne, treasurer; Robert Lansberry, Thomas Reordan, reporter.

## ANNOUNCEMENTS AFTERNOON UNTIL TUESDAY

Senior announcement and card orders will be accepted by the committee in charge until next Tuesday afternoon, it was announced last night. Each member of the graduating class may order as many as he wishes but payment must be made in advance at the rate of 10 cents each. Orders may be placed at the table near the front door of the Administration building between the hours of 10 and 12 o'clock in the morning and 1 and 3 o'clock in the afternoon.

## "HELL WEEK" IS BECOMING THING OF PAST

Sentiment against "hell week" as practiced by college fraternities and sororities is rapidly growing—not only on the part of those not connected with Greek letter organizations, but in the organizations themselves.

"Hell week" at the University of Idaho is practically a thing of the past. Only a few of the groups on the campus still cling to rough stuff as a means of creating the "proper mental attitude" as a preliminary to initiation ceremonies. During the last three years most of the groups have confined their initiation preliminaries to their own houses. Only a few still cling to road work, physical endurance tests and other equally asinine practices. A number of the sororities have abolished rough week altogether, and have found that by so doing they have not jeopardized their traditions and standards.

Outside criticism of the fraternity system is based almost altogether on the outlandish initiation preliminaries that were common in the past. A few cases, such as the death of a fraternity neophyte at the University of Texas last fall, bring condemnation and criticism against the whole fraternity system.

The Indiana Daily Student, in a recent editorial quoted a number of fraternity publications as follows, showing the attitude of fraternities themselves on the question:

The Rainbow, of Delta Tau Delta, says: "Can this tragedy (referring to the University of Texas incident) not be the final proof of the animosity of the kid-dish, rotten, damnable horseplay which has defiled the dignified rituals of too many Greek fraternities? Are our chapter memberships indeed made up overwhelmingly of shallow-pated adolescents who find what they call 'kick' only through the practices that emanate from the brain of a moron?"

Phi Gamma Delta's magazine says: "The asininity of rough stuff lies particularly in the fact that the fraternity which indulges in it commits 'hara-kari' and is taking its destruction to other Greeks. The most vulnerable spot in the fraternity system today is the eyes of editors (sane, sensible men—not fanatics) and of the public (the average law-abiding citizen) is the fact that inhumane and cruel treatment of pledges is prevalent in some places."

The quarterly of Phi Beta Pi (medical fraternity) states: "Newspaper reports have already carried the news of the deaths of two college men as a result of initiations into fraternities. Isn't it about time to cut out the horseplay? Let's be men about this business and not asses. The simpler and more dignified the initiations, the better the impression on the new members. Why should we go on with high school nonsense in college and professional schools? Especially when that nonsense is usually disgusting and may be dangerous."

## Kelly Bans Parking On Campus Drive

I am asking space in The Argonaut to request the cooperation of students in preventing the parking of cars on the driveway through the campus. Faculty members have been requested not to park cars on the driveway and with the cooperation of students this narrow drive will be kept free from cars.

I am hoping that matters such as this may come to be handled by the students themselves, but until such time as the student government regulations include such matters as this I must ask this cooperation myself.

F. J. KELLY,  
President

## YELL SWEATERS GRANTED

Yell leader's sweaters, of the style recently adopted by amendment to the ASUI by-laws, were granted to Horace Porter, yell duke, and Edwin Higgins, yell king who left the university at the end of the first semester by the executive board Tuesday. The new sweaters, instead of being white with a gold "I," will be similar to the lettermen's "I" sweaters.

FOR SALE: One slightly used swimming suit. (Adv't)  
FAMOUS LAST WORDS  
"I'll be seen!"

## Student Opinion

DEAR EDITOR:

Just the usual old line that comes every spring with the approach of student elections. I hope that this one is among the earliest, that is why I am sending it now.

Don't you think that a change should be made in the present democratic autocracy of campus politics? It is democratic only in the respect that the student body ratifies the selections of the politicians. It is autocratic in the extreme. The student body ratifies only because coercive methods are employed in getting most of the voters out; if in doubt, ask any freshman. The small caucus which selects the candidates for officers is a self appointed body of politicians, which is applicable to both the Alpha party and the so-called "non-combine" faction. Into their own hands they have placed the power of determining not only student body officers, but all the class officers, and have claimed the right to "make or break" the extra-curricular activity future of a student.

In justice to the politicians of both parties it must be said that they have performed much good work in selecting many capable men for offices, and they have distributed the offices in a most democratic (and Jacksonian) manner. However, they have made some flagrant mistakes, sheerly political in the selection of various men for offices.

Generally, it is felt that politics is a necessary evil. The evil is evident, but not entirely necessary. The evil in the present system is now happily confined to the men's politics. The women have made the right step in direction of more democratic politics. If the men of the groups are to be called upon to vote for certain candidates whom they don't know or know too well, they are entitled to one of two things without stepping out of the bounds of "party loyalty": Either they should be permitted to determine the selection of their own group politicians, who should be responsible to them, or else the politicians should hold a party primary for all offices, class or student body, with a list of candidates sufficiently large to at least give the party voters an opportunity to have some choice in the matter.

More democracy and party loyalty could be attained in this manner than through the present system of caustic dictation by the self-appointed campus autocrats. Both parties had better give this more than passing consideration. The time is fast approaching toward an overthrow of the prevailing system or else a complete listlessness in political matters by the voters. Last week's election on the constitutional amendment is an indication of this trend.

This is not meant to be a personal affront to any politician, but merely an expression of opinion. Every member of the "combine" must recognize the good the politicians have done for his own group; just as the others realize the evil that resulted to them from not having a good politician in their midst.

What will I vote this time? Oh, "combine," I guess—dear "old party loyalty."

yours,  
A CAMPUS GROUCH.

## DEFERRED INITIATION BEING INVESTIGATED

### Interfraternity Council To Gather More Data; Discuss Date Card

Further investigation of deferred initiation systems used at other universities will be made by the interfraternity council before the proposed plan is adopted here next year, it was decided by the council last night.

Russell Tuttle submitted a report prepared from data collected in conjunction with the deferred pledging investigation which was taken up last fall by the administration and the interfraternity council. Discussion following the report indicated that interest in the plan merits further study and consideration, said Allen Janssen, president. Additional data will be gathered by correspondence, he said.

If the plan were adopted, the council probably would pass a rule requiring fraternity initiates to have at least sophomore standing in the university. Entering freshmen would thereby be pledged for one whole year. Such a rule, it is believed, would eliminate a majority of average semester men who come to college for fraternity bias.

George Huber presented a proposed date card plan which also may be adopted for the fall rushing period. No definite action was taken on

the proposal. Officers for next year will be elected at the next meeting, April 23.

Dr. Joseph C. Noto, traveling secretary of Sigma Chi fraternity, who will be on the campus tomorrow, may speak to the group at a special meeting while he is here, said Mr. Janssen.

## DIAL ACCEPTS CO-ED'S SKETCH

Work of Helen Anderson Will Appear in National Literary Publication.

Helen Anderson, junior in the school of education, recently had a sketch, "Prayers Over the Dead," accepted by the Dial magazine, according to Ada Burke, professor of English, in whose elementary composition class the article was written.

"Prayers Over the Dead" concerns the death of an old man fatally stricken with pneumonia, and the different reactions of his intimate associates to it.

In his letter the editor of the Dial said the sketch would probably appear in the June or July issue of the magazine.

## EPISCOPAL CLUB TO GIVE PARTY

Committees Named To Plan Evening of Bridge; Date Set For April 23.

Plans for the annual Episcopal club bridge party to be held April 23 were discussed and appointment of committees on arrangements announced at a short business session of the organization Wednesday evening.

The following committees were appointed:  
Refreshments: Helen Douglas, Nor-

## Yale men decide which is best cigarette...

[Reproduced from the Yale News, Jan. 25, 1929]

### OLD GOLD CIGARETTES WIN FIRST IN TESTS AT YALE

In the recent cigarette test made at the University, Old Golds were chosen by the students as the best. The cigarettes were masked by black labels so that the names of the brands were concealed. Each label was numbered. This was judged to be the most sporting way of testing the merits of the four leading brands. Some 208 Yale students were asked to smoke the four disguised brands without knowing their identity.

They were merely to choose, by number, the one that was most appealing to the taste.

The News supervised the test on January 18 at various fraternity houses and in the News office.

When the votes were recorded it was discovered that Old Gold (Cigarette No. 3) had won. Old Gold was given 63 first choices, which was 11 per cent ahead of Cigarette No. 2, 34 per cent ahead of Cigarette No. 1, and 53 per cent ahead of Cigarette No. 4.

# SOCIETY

Of social prominence during the week was the senior party given by President and Mrs. F. J. Kelly at the Memorial gymnasium Tuesday evening in honor of the class of 1929. The W. A. A. dance, festival, "Taps and Teraiphors", given at the auditorium last evening was another mid-week affair.

Formals continue to be the most popular form of entertainment with four scheduled for the weekend. Among those entertaining with formal dances will be Hays hall, Lambda Chi Alpha, Tau Kappa Epsilon, and Kappa Sigma and S. A. E. upperclassmen. Informal dances will be given by Tau Men Alpha, Phi Delta Theta underclassmen, Gamma Phi Beta, and S. A. E. underclassmen.

## KRATT ANNOUNCES MUSIC PROGRAMS

National Observance Will Open at University May 8; Artists to Perform

Observance of National Music week on the Idaho campus will start May 8 with programs scheduled for Wednesday, Thursday and Friday night of that week and Sunday and Monday night of the next week. Prof. Theodore Kratt announced Thursday.

Sunday and Monday evening, May 12 and 13, Rollin Pease will sing the role of Elijah in Mendelssohn's oratorio "Elijah". Miss Marian Thelevan will sing the soprano role in the oratorio. Starting the celebration of Music week will be a combined concert by the glee clubs Wednesday evening May 8. The next evening Miss Isabel Clark's recital is scheduled. Friday evening May 10, a concert by the orchestra will be given.

**Pease Is Prominent Singer.**  
Rollin Pease, who will sing Elijah, is widely known as the perfect Elijah. "An Elijah such as Mendelssohn must have conceived when he penned the dialogue between the prophet and the priests of Baal, or the impassioned 'Lord God of Abraham,'" said a Kansas City paper the morning after Pease had sung the title role in the oratorio given by the Civic Choral club of that city.

Pease is not particular whether he sings or not, sometimes delivering his recitatives with an absolute parlando, but he is nevertheless a most satisfactory Elijah. According to the Kansas City paper, "It is plain that Pease is familiar with every note of the Mendelssohn score, for he held no score in his hands, and during most of the choruses his voice could be heard augmenting the choir."  
Prof. Francis Wheeler, head of the music department of Centenary college, Shreveport, Ill. said after a performance of Mr. Pease, "Pease is positively the greatest Elijah ever heard in this country."

## CAVALRY UNIT BEGINS DRILLS

Moscow National Guard Fills Enrollment; Armory Bonds Insure Building of Big Barn.

Since the Moscow city council met Tuesday and passed an ordinance granting the necessary ground to the Army corporation, the cavalry unit for this city is secure.

Last Thursday the first drill of the cavalry was held in Lewis court. Altogether three drills have been held and starting next week the unit will drill every Thursday evening, according to Gerald Hodgins, treasurer of the finance committee. The committee has sold bonds to the amount of \$7500. "The minimum goal is \$8000," said Mr. Hodgins.

Enlistments in the unit have passed the limit, but those in charge are working on the theory that "there is always room for one more." The men will be mustered in next Thursday night in Lewis court, where the drills will be held until the completion of the new armory.

The site of the new cavalry armory is between the grandstand on the fair grounds and the old sheep barn. A contract for the building of the structure will be let in about a month, it was said.

The most popular question on the campus today: Give three reasons for your answer.—Ohio State Lantern.

## Y. W. TO SERVE "WAFFLE FEED"

Laura Clark, President, Appoints Anne Day General Chairman of Annual Breakfast.

A waffle breakfast will be sponsored again this year by Y. W. C. A. It was decided at the general meeting held Tuesday afternoon.

Laura Clark, president, appointed Anne Day as general chairman of the breakfast committee. Further committee appointments will be made later. This is the second annual breakfast to be given by Y. W. C. A. At the first one, which was given last year, four group houses served waffles to students on a Sunday morning. A similar plan will be followed this year.

In addition to plans discussed at this meeting for the waffle breakfast, Dr. Henrietta Tromanhauser gave a short, informal talk.

## WOMEN DEBATERS MEET PACIFIC U.

Competition Keen, Even Though Contest Was No-Decision Affair.

The Idaho women's debate team met the Pacific university at 4 o'clock yesterday afternoon in Science hall, room 23. The contest was non-decision, but this fact did not hinder the keenness of competition throughout the debate.

The Idaho affirmative team was composed of Lois Porterfield and Dorothy Keinholtz, while Alice Montgomery and Billie Grace Ross comprised the Pacific university team. The question for the debate was, "Resolved: That Mussolini is a benefit to Italy."

This is Miss Porterfield's first year at varsity debating, while Miss Keinholtz has been on the squad for two years.

Four debates remain on the women's schedule for this season according to a statement made by Marjorie Albertson, manager.

## ADDITIONAL TIME AIDS BAND CONCERT

New Music Taken up by Pep Band Following Latest Delay; Orchestra Featured.

Although the date of the pep band concert was postponed from April 8 because it conflicted with Junior week, the band has continued in its practices and benefited by the additional time, according to Tom McGonigle, business manager. The performance will be put on either April 22 or 24.

Under the leadership of Sam Hutchings the band is preparing a program which consists of eight parts including classical music, novelty and popular pieces. A variety of selections will be given by a 12-piece orchestra, and by instrumental solos and quartets in addition to the concert numbers played by the entire 24-piece band.

## Smoker Tips 16 on Big Secret

Norwood, Ohio Oct. 8, 1928

Larus & Brother Company Richmond, Va.

Gentlemen: In the past twenty years I have been a consistent smoker. I was always anxious to smoke a pipe; but no matter how often I tried, I soon changed my mind. I have tried all kinds of pipe tobacco, but not once was I satisfied with the taste of any of them until just recently I gave my pipe another trial.

It was my luck to choose Edgeworth this time, with the results that I am still using it and will continue to do so. I only hope that you will continue to give that same mild, high-grade quality in the future.

I have started not less than sixteen men to start or give Edgeworth a trial, and they are still using that same unequalled non-biting tobacco to this day. I can recommend Edgeworth tobacco to anybody who enjoys a cool non-biting brand of good tobacco; and as long as I enjoy same, you can rest assured that I am going to be a good ad., and many a pipe smoker will be asked to give it a fair trial, and they themselves can act as judges.

I always give praise where praise is due. After I was convinced of the wonderful quality of Edgeworth I could not help but tell you people the same as I have been telling and will in the future tell others.  
 Hoping that you will continue with the same quality in Edgeworth, I am  
Very truly yours,  
(Signed) Joseph J. Stahl

## ROOKS MAY ADOPT VANDAL EMBLEM

Officers Seek Adoption of Distinguishing Badge; Scabbard and Blade To Assist.

Idaho R. O. T. C. men will wear a distinguishing shoulder insignia in the future if a plan suggested last week by the military department and sponsored by Scabbard and Blade, national military fraternity, is adopted by the regiment.

Captain B. M. Chenshaw pointed out at a meeting of Scabbard and Blade last Thursday that all other universities in the ninth corps area had sleeve ornaments, indicating the college to which the unit belonged, and suggested that Idaho adopt a similar badge. Several designs are being considered for the Idaho unit. One will be picked within the next two weeks and the plan then submitted to the R. O. T. C. men for approval. Suggestions for the proposed sleeve badge will be accepted by Captain Chenshaw, Major F. R. Fuller, or T. W. Galigher, captain of Scabbard and Blade.

sales, while Robert Brown has charge of the sale of town men and others at David's each afternoon.

Reservations for the cabaret will start Monday morning, April 8, at the Blue Bucket Inn. Tickets previously purchased must be presented at the time the reservation is made, and no reservations may be changed. Most of the reservations will be for two-couple tables, although five will accommodate seven couples. The cabaret, Saturday night, will be held at the Blue Bucket Inn, the entire structure being given over to the event. Harry Daubert is in charge, assisted by Robert St. Clair in charge of entertainment and Dan McGrath in

charge of the floor and tables. Keep Program Secret.

Regular practices for a program which is being kept "strictly quiet" have been going on for the past two weeks for the Junior assembly Wednesday morning. All the talent for the opening feature is being drawn from the third-year class. Frank Winzler is in charge.

Details for the Junior parade early Thursday evening were outlined this week by Jess Eugrolla, chairman of this event. The parade, comprising floats from all group houses and dormitories, will start from the Administration building at 6:30 o'clock, proceeding down Elm street to the

Alpha Phi sorority house, and from thence to the Blue Bucket Inn. Here a group picture will be taken and the participating members of the third-year class will adjourn to the informal Junior party for the remainder of the evening. Betty Grammer is in charge of the latter event.

**Each House Represented.**  
The Juniors of each group house furnish a unit of the parade, humorous representations and clever costumes being features of the review. Mens' chairmen are Denny Hogue, Chester Whittaker, Joel Anderson, Sidney Pierson, Frank Judy, Robert Holden, Matland Hubbard, William Shamberger, Rex Westcott, George Beardmore, Frank Spaulin, William Krummes, Orley Callender, and Benny Brown. Women representatives are Bernice Parrish, Marcella Kraemer, Margaret Sanger, Dorothy Nixon, Edith Bradshaw, Betty Driscoll, Zaida Newcomb, Ruth Newhouse, Cathryn Callaway, and Helen Dalton.

**Temple Gayly Decked.**  
Elaborate decorative schemes and arrangements are being carried out for the Prom Friday evening at the Elks' temple. The actual details of the formal are not announced, but a modernistic floral setting will dominate. Eddie Peterson is in general charge of this event, with Bus Brown in charge of the decorations which are being worked out by O. C. R. Stager, chief of the architectural department.

No Junior week would be complete without some distinctive form of wearing apparel for the class members during the four days of their merry-making, so cap for men

and women alike will go on sale at the Administration building and the group houses Monday, according to John Soden, class president.

### VANDALS GET TWO DIAMOND CONTESTS

#### Lewiston Normal and Town Team to Cross Bats With Varsity

Two more pre-conference games will be played by the varsity baseball nine in Lewiston over the weekend. In the first engagement of the season last Saturday the Vandals defeated Lewiston State Normal 11 to 5 on the pitchers' grounds.

Tomorrow afternoon the Idaho crew will tangle with the same team again. Last week fast play was rendered impossible by the cold wind and short showers which drove spectators from the bleachers.

Neither of Idaho's two letterman chukkers took the mound Saturday and it is likely that either Lawrence or Grabner will start tomorrow. Spence, making his first bid for the backstop berth, is slated to start behind the bat with Kyselka, a junior from the southern branch, a safe bet for three or four innings of receiving duty.

The remainder of the infield and outfield will probably be as before with McMillin at first, Cheyne at short and Greeling and Price in the outer gardens. To the nucleus of these four lettermen Coach Rich Fox has added promising sophomores and inexperienced material, alternating eight or nine men at the three remaining positions.

Sunday afternoon Idaho is scheduled to play the Lewiston Lumberjacks, an aggregation of town fans. Coach Fox had not announced last night who would make the trip.

### CALLAND USES JONES' LINEUP

Idaho's New Grid Mentor Says His System Is Mostly a Conglomeration.

"It's more or less a conglomeration," laughingly explained Coach Leo Calland when questioned as to his pet style of football. Urged by "Cap" Horton to be more explicit, the new Vandal mentor added: "I coached at the University of Southern California under Howard Jones, of Yale, and I use his line-up position. The rest is merely Calland 'specials' that have worked out the best in my experience."

Calland, an all-American guard while at U. S. C. under Elmer C. Henderson coached at Whittier college in Oregon, and later returned to his alma mater under Howard Jones. It is the combined result of this experience that he brings to Idaho.

Spring training for Idaho football men began this week, and from it Calland intends to get a fair line-up for the fall team.

"Conference rules say we can't begin practice before September 15, and we have a game two weeks after the beginning of the season," he informed the reporter, "so we have to start training now."

"The main benefit of it," he continued, "is that I get to know the men, and teach them my style of playing. It makes a good nucleus for the team in the fall. I don't actually pick the team this early, but I get a good idea of what I have to choose from later. New fellows have an

### WOMEN'S TENNIS TOURNAMENT PLANNED

Interclass Competition Will Start Season on Courts; School Championship Settled Later.

Interclass tennis for women will start next week with the posting of a notice on the W. A. A. bulletin board asking all those who are interested to sign for tournament play. A tournament within classes will be held as soon as all the names of contestants are in. Those who hold the four highest places in the classes will constitute class teams and will receive 100 points each.

Each member of the winning class team will be given 25 additional points toward W. A. A. Individual winners will then contest for the cup offered by W. A. A. to the best woman player on the Idaho campus. The cup was won last year by Linn Cowgill, Gamma Phi Beta sophomore. All women who enter the tournament will receive 10 points toward W. A. A. standing.

### BIG LEAGUE CLUBS SIGN COLLEGIANS

Many Grads Go Direct To Majors From College Diamonds; "Left" Erickson with Pittsburg

Training camp news from major league baseball teams engaged in the annual task of muscle limbering before the season's race begins reveals the names of several former college stars. Each year the colleges send men to the major leagues, and they frequently evade the long task of working up through the minor circuits.

Taylor Douhit, star center fielder of the St. Louis Cardinals, is a graduate of the University of California; Ernie Nevers, Stanford's All American fullback of 1926, is pitching for the San Francisco Missions; Wesley Schumacher, Oregon State's star drop-kicker, is holding down an outfield berth on Los Angeles coast league club; Cook Sypher, former Stanford catcher, is receiving for the San Francisco Missions; Larry Betencourt, St. Mary's all American center of 1927, was signed last summer by the St. Louis Browns, and his hitting was a sensation in the American league; Ralph Erickson, former Vandal pitcher, reported to the Pittsburg Pirates training camp at Past Robles, Calif.

It is also rumored that several major league clubs were dickering for Howard Maple, better known as Oregon State's flashy quarterback. Maple is playing his third year as catcher on the Beavers' baseball team.

### IDAHO REPRESENTED AT EDUCATION MEET

Dr. Kelly and Others on Program of Inland Empire Convention

Dr. F. J. Kelly, president of the University, will be prominent as a speaker on the program of the annual meeting of the Inland Empire Teachers' association, which will be held in Spokane, April 10, 11 and 12. Doctor Kelly's first address will be delivered at the opening session Wednesday morning, his subject being, "Where Strength is Needed Today." Later the same day he will address the sectional meeting of science instructors on the subject "The College Side of the Science Correlation Question." On Thursday afternoon he will speak at the meeting of mathematics instructors on the problem "Mathematics—For Whom and Why," and at the meeting of superintendents and principals on the subject "Trends in Higher Education Which Affect Public School Administrators."

The University of Idaho will be further represented by Prof. T. R. Nelson, head of the fine arts department at the southern branch, who will speak to the sectional meeting of art instructors on the subject "Instruction in Public School Art Worth While?" Dean J. C. Eldridge will address instructors on modern languages on the subject "A Visit to Two Historic Lycees"; by Mrs. M. L. Sargent, who will also address the modern language instructors on "The Schubert Centenary at Vienna"; by Prof. T. S. Kerr, whose address on "A Unicameral Legislature for the American State" will be delivered at the meeting of the Northwest Association of Social Science Teachers; and by Miss Maud Garnett, who will talk on the subject of "How We Are Helping the Rural Schools" at the meeting of supervisors and teachers of music. A number of instructors from the university expect to attend many of the sessions.

### FOUR WOMEN EARN ATHLETIC AWARDS

Marguerite Green and LaReta Beeson were awarded women's official "I" blankets, and Marylou Craven and Maryvina Goldsmith were awarded women's "I" sweaters by the ASUI executive board Tuesday evening, for having earned the required number of points in women's athletics as specified in the Women's Athletic association constitution.

Blanket awards are made to women who have earned 1600 points, and sweaters are granted for earning 800 points. The awards will be made at an ASUI assembly later this spring. Goldie Smith, who won an "I" sweater earlier during the semester, has been the only other woman this year to receive a W. A. A. award.

### TREBLE CLEF CLUB SETS CONCERT DATE

Treble Clef, women's glee club, will be presented in its annual concert April 24 at the auditorium; the first public appearance of the club this semester.

The majority of the numbers will be by members of the organization, but a group of soloists and the women's sextette will also give numbers. Those assistants will be: Ruth Newhouse, violinist; Rachel Jenks, mezzo-soprano; and Josephine Harland, pianist.

### COMPETITION PROVES KEEN IN SWIMMING SEMI-FINALS

(Continued from Page 1)

Delta Chi, women's glee club, will be presented in its annual concert April 24 at the auditorium; the first public appearance of the club this semester.

Delta Chi and Phi Gamma Delta each placed two of the six men in the finals for the plunge for distance, Collier and Spence leading. In the underwater swim, Kappa Sigma qualified three men for the finals, McGonigle leading by swimming nearly 200 feet.

### Quality For Finals.

The events and men who qualified for the finals are as follows:

50-yard free style: Grimm, Beta; Peterson, S. A. E.; and first two in race to be held between Hale, Phi; Ormsby, Kappa Sigma; and Dillingham, A. T. O.

100-yard free style: Ritcher, Beta; Smith, Lambda Chi; Robison, Phi; and Shurtliff, A. T. O.

200-yard free style: Ritcher, Beta; Hague and Smith, Lambda Chi; Robison, Phi.

50-yard backstroke: Grimm and Best, Beta; Brown, Lindley hall; Smith, Lambda Chi.

50-yard breaststroke: Smotherman, Delta Chi; McGonigle, Kappa Sigma; Porter and Ostrander, A. T. O.

Underwater swim: McGonigle, Sheridan and Petzhold, Kappa Sigma; Mitchell, Phi; Doherty, S. A. E.; Gelinsky, Lindley hall.

Plunge for distance: Spence, Col-

### RESUME MEET MONDAY

The meet will be resumed Monday night when the finals in the dashes, plunge and underwater swims will be held and relay preliminaries will begin. Diving will be held either Monday or Tuesday, according to Gerald Grimm, manager of the meet.

Coach Rich Fox is acting the role of starter, assisted by Stewart Beam.

"Indoor" Is Postponed.

The intramural baseball schedule has been postponed until the completion of the swimming meet. The schedule of games will be posted early next week.

### "CAP" BRYAN'S LIFE STORY "STRANGER THAN FICTION"

(Continued from Page 1)

to Northwestern University at Evanston, Ill. as coach and trainer. In a year he had gathered together a small but fast track team with which he defeated University of Chicago 47 to 39. Stagg, Chicago's mentor, was a famous coach, supposedly the dictator of intercollegiate athletics, and never before had been defeated in a dual meet. A year later when Northwestern again won, 71 to 51, and Northwestern was firmly established in the athletic world.

Went to Colorado Next.

Bryan next became athletic director at the Colorado School of Mines and increased his fame. After the Spanish-American War he became athletic instructor at Washington university, Washington, D. C.

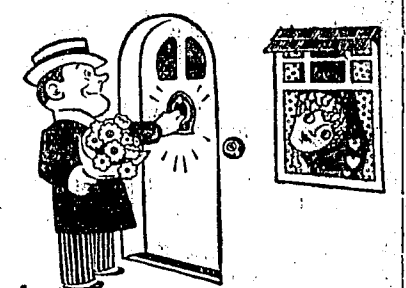

In 1915 he was convinced that Denver had men worthy of appearing in a meet to be held at San Francisco and took it upon himself to coach, train, and condition a Rocky Mountain team. As a result, Robert McBride, a 19-year old Denver youth clipped the world record in the 220-yard dash defeating Drew, a negro, at that time reported to be the fastest human known. Officials claimed that a high wind aided McBride in his victory, disregarding the fact that it must have assisted Drew the same

way. Bryan advised the youth to enter the Olympics. Eight days later, McBride repeated his brilliant performance of lowering the time for the 220-yard dash by running it in 21 seconds. The time was disregarded again because of a stiff wind which blew down the back stretch.

Was Trainer at California.

From 1920 to 1922 the years that California produced its "wonder teams" Captain Bryan was head trainer and demigod of the training quarters. During those years California not only claimed the honors of holding the coast championship in track, baseball and basketball, took second place in the national regatta, but also captured the track laurels from the east and defeated the crabs Ohio State football team.

There is little Capt. Bryan hasn't done something or other, an Indian fighter, a showman, a druggist, a mining man, a veteran of two wars, a champion athlete, and one of the most outstanding athletic directors and trainers the country has ever known. Perhaps, the most remarkable thing about him is that he didn't begin running until he was 28 years old and not contented with his past glory won the quarter-mile championship of England when he was 42.

### "A Precious Little Thing Called Love"

A lovely song from the Paramount picture, "The Shopworn Angel." Johnny Marvin and Ed. Smalle sing it in fine style. This week's Victor releases contains a number of other interesting selections. Come in and enjoy listening to them soon!
