

VANDAL COUGAR TRACK WORKOUT IS CALLED OFF

Poor Training Conditions Responsible for Postponement of Event

WILL MEET WHITMAN

Conference Season Opens May 4 at Seattle with Washington Relays

By Andy Thompson.
A practice track workout with the Washington State college cinder crew at Pullman tomorrow has been indefinitely postponed, and instead Coach Ralph P. Hutchinson plans to put his 1929 Vandal squad through its paces on MacLean field in anticipation of a practice meet with Whitman college at Walla Walla, Saturday April 27.

Upon showings Saturday and practices next week, Coach Hutchinson will pick his squad to meet the Missionaries. Faced with the prospects of several ineligible, the Vandal mentor is watching several new men closely this week with a view to completing his traveling squad. Despite a soggy track, Hutchinson plans some form of distance and sprint competition and may run off the hurdle events. The track has been worked over during the past week, but at least a week of sun and drying winds will be necessary to put it in proper running shape.

Calendar Crowded.
After the Whitman contest Idaho has at least one conference meet a week until after the first of June. The Washington relays at Seattle, May 4, will find at least half a dozen Idaho entries probably in the mile and medley relay events. The following week Oregon State college comes to Moscow and the middle of May finds Montana and Idaho engaging Washington State college in a triangular meet at Pullman. Idaho travels to Missoula the next weekend to meet Montana there, then doubling back to Eugene for the Pacific Coast conference meet, May 31 and June 1.

Eight Veterans on String.
Only eight lettermen returned for action at the beginning of the season and only five of these made letters last year. Coach Hutchinson has a large squad of more than 65 varsity and freshman candidates but has had

(Continued on Page 4)

FOSTER IS BEST OF W. S. C. TRACK MEN

Negro Sprint Star Outstanding Performer Among Cougar Lettermen

WASHINGTON STATE COLLEGE, Pullman.—Built around five veterans Washington State's 1929 varsity track outfit will match any team in the northwest division in the running events, but will lack first-class material in the hurdles and javelin.

Leading the State College runners is Wesley Foster, Pacific coast sprint champion and holder of the unofficial world's record at 175 yards. Assisting Foster in the sprints are Roland Newman, letterman, and Kenneth Kelly, and Jack McQuade, sophomores. "Trey" Oullette, veteran 440-yard runner and holder of the college record in this event, is also a dash possessor.

In the distance events there are: Angus Clark, ex-freshman half-mile star; Rex Taylor and Roy Hall, veteran milers, and James Eisenstein and Henry Dahlgren, two-mile letterman. The broad jump, high jump and pole vault events are well fortified with Ben Herron, junior letterman, and Porter Lainhart, versatile sophomore. Bob Gough, high jumper, and Dan Kaiser, vaulter, are also leading candidates.

The burden of the hurdle duty will fall on two Cougar football ends, Lyle Maskell and John Hurley, sophomores. Antonio Ancheta, a Fiji honoree, and member of the freshman barrier crew last spring, is also a hurdle aspirant. In the shot put and discus, Schladehman has two veterans, "Rosy" Hein and Jay Boerhave.

The Cougar track schedule is as follows: May 4, Washington relays at Seattle; May 17, triangular meet between Idaho, Montana and W. S. C.; May 25, dual meet with Washington at Pullman; June 1, Pacific Coast conference meet at the University of Oregon.

ALPHA ZETA ELECTS OFFICERS TUESDAY

Oliver Espe New President of Honorary Agricultural Fraternity; Plans Under Way For Picnic

At a meeting last Tuesday, Alpha Zeta, honorary agriculture fraternity elected the following men as officers for the ensuing term: president, Oliver Espe; vice president, Clement Ault; secretary, George W. Johnson; treasurer, Harold Waters; historian, Austin Summers. Plans were also discussed for a picnic to be held some time in May.

An initiation banquet in honor of the second semester pledges was held last evening at the Moscow hotel. The principal speaker of the evening was Prof. C. A. Michels of the agronomy department. The initiates were: John Sandmeyer and Ted Sandmeyer; Buhl; Ardie Gustafson, Moscow; Kenneth Platt, Genesee; and John Swindeman, Newdale.

KIRKHAM QUILTS IDAHO FACULTY

Assistant Professor of Geology on Leave Decides To Continue Advanced Work at U. of Chicago.

Virgil R. D. Kirkham, assistant professor of geology, now on leave of absence taking graduate work at the University of Chicago, has recently sent in his formal resignation as a member of the university faculty.

Professor Kirkham left Moscow last summer on special leave of absence, and at that time it was believed that he would return. Professor Kirkham, in addition to his instructional duties, was a member of the state bureau of mines and geology staff. He has conducted a number of major geological investigations in different parts of the state, and is well known as a consulting geologist.

Students remember him as a popular patron at dances and other campus affairs. He is a graduate of the University of Washington, but he received his master's degree here in 1920. In his resignation he did not reveal his future plans, but it is believed he will continue his advanced studies for some time.

LITERARY BOOK ON SALE MONDAY

"Under The Helmet," New Arrival on Campus; 128 Pages Original Work

"Under the Helmet," the new literary year book, published by the English club and Winged Helmet will be on sale next Monday, April 22.

The book is being published in Lewiston, and all reports from the printers indicate that the task will be completed on schedule. The book will contain 128 pages of original plays, poems, and short stories written by Idaho students. The book is intended as an outlet for campus literary endeavor, since the change in the policy of the Blue Bucket.

"The editor and manager have put forth much effort to get a book which will be something worth keeping and yet have its sale price within easy reach of all students," said a member of the staff.

As this will be the first issue of the book only 300 copies are being printed, and the staff expects there will be a ready sale for that number as indicated by the interest of the students and alumni, many of whom have written to Dr. G. M. Miller concerning the publication.

The books will be on sale in the Administration building all during the coming week. Students who do not find it possible to get their books at this time, may obtain them from Burdette Belknap, manager, at the Beta Theta Pi house, phone 5641, or from Helen Kerr, editor, at the Kappa Alpha Theta, phone 4041.

Hennessy Suspects Somebody Pulled a "Riegel" on Alpha

Howdy Ladies and Gentlemen and Politicians.

Wal, all I know is what I read in the Argonaut and see on handbills. We suspect somebody pulled a "Riegel" on the Alpha politicians night before last. They sound rather sassy for a group of independent voters. And that reminds me, now that we've got the Alpha "party and organization" (whatever that last means), the non-combine, and the Independent Voters League, day/night time saving has gone by the boards in favor of night time saving for politicians and distributors.

Wal, I see where someone up and says she's an Alpha Phi or Alphonse star; Rex Taylor and Roy Hall, veteran milers, and James Eisenstein and Henry Dahlgren, two-mile letterman. The broad jump, high jump and pole vault events are well fortified with Ben Herron, junior letterman, and Porter Lainhart, versatile sophomore. Bob Gough, high jumper, and Dan Kaiser, vaulter, are also leading candidates.

The burden of the hurdle duty will fall on two Cougar football ends, Lyle Maskell and John Hurley, sophomores. Antonio Ancheta, a Fiji honoree, and member of the freshman barrier crew last spring, is also a hurdle aspirant. In the shot put and discus, Schladehman has two veterans, "Rosy" Hein and Jay Boerhave.

The Cougar track schedule is as follows: May 4, Washington relays at Seattle; May 17, triangular meet between Idaho, Montana and W. S. C.; May 25, dual meet with Washington at Pullman; June 1, Pacific Coast conference meet at the University of Oregon.

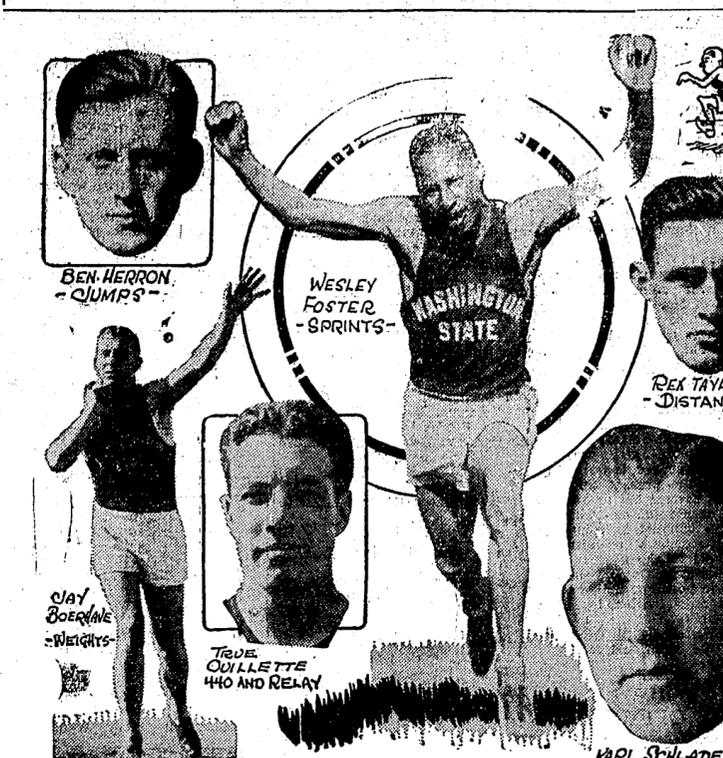

ALPHA ZETA ELECTS OFFICERS TUESDAY

Oliver Espe New President of Honorary Agricultural Fraternity; Plans Under Way For Picnic

At a meeting last Tuesday, Alpha Zeta, honorary agriculture fraternity elected the following men as officers for the ensuing term: president, Oliver Espe; vice president, Clement Ault; secretary, George W. Johnson; treasurer, Harold Waters; historian, Austin Summers. Plans were also discussed for a picnic to be held some time in May.

An initiation banquet in honor of the second semester pledges was held last evening at the Moscow hotel. The principal speaker of the evening was Prof. C. A. Michels of the agronomy department. The initiates were: John Sandmeyer and Ted Sandmeyer; Buhl; Ardie Gustafson, Moscow; Kenneth Platt, Genesee; and John Swindeman, Newdale.

Cougar Track Hopes Center on Star Quintet

WASHINGTON STATE COLLEGE need fear no obscurity in coast cinder circles this spring if the five lettermen shown above come through with their stuff. Wesley Foster, the negro flash, is entering his junior year with all prospects of setting records in the dashes. Herron is a consistent bidder for high point honors in any meet with his ability in the pole vault, broad jump, and high jump. Oullette holds the northwest record for the quarter mile; Boerhave leaves the shot a respectable distance, and Rex Taylor steps the mile and two mile at a fast clip. Although handicapper, like Idaho, by wet weather, Coach Schladehman, hopes to have his entire squad ready for a practice dual meet with the analysts before May 1.

VARSIITY TENNIS SQUAD CHOSEN

Callaway, Kreuger, Weatherly, Bayley, Walden and Taylor Are Picked on Tentative Team.

A varsity tennis squad of six men has been chosen to practice daily for the meets with Whitman and Washington State which are to be held later in the season. The men named on the varsity are William Callaway, Otto Kreuger, Ray Weatherly, Howard Bayley, Amidee Walden and Cyril Taylor. The right is reserved for any man in the university to challenge a member of the squad, and if he is victorious, to replace the loser on the varsity team.

DIAMOND CREW OPENS CONFERENCE PLAY APRIL 26

Coach Fox Gives Club Week Of intensive Practice in Preparation for Cougars

Twirlers Look Good

Five Men Rounding Into Shape for Mound Duty; W.S.C. Strong, Report

by Paul Boyd

A week of intensive hitting and fielding practice has put the Idaho Vandals in excellent condition for the opening games with the Cougars next Friday and Saturday. Coach Rich Fox is sending the men through hitting practice every evening in an effort to present his full slugging strength for the first Idaho conference season.

Fox divided his squad into two teams, giving the men daily workouts in a regular game. Each curver is given a chance to throw his favorite ball for three or four innings, but Fox doesn't allow them to pitch too long, for fear of overworking their arm at this early date. Only five men seem listed for the pitching department. Everett Lawrence and Lefty Grabner are pointed toward a big season if preconference games can be counted. Both men turned in excellent performances on the road trip to Whitman, Grabner, especially, contributing a five-hit game. Lawrence, the ace of the staff, already has tucked one game into the win column to continue his sensational winning streak of last year. Frank Judy, frosh chucker of two years ago, is slated to be the other starter. Judy hasn't gone on the mound yet, but he seems to have a world of stuff and excellent control and should be a winning pitcher.

"Hay Fever" Setting In Rural England

Scene of Three-Act Comedy Laid in Country Home of an English Actress.

The scene for the entire play of "Hay Fever," a three-act comedy to be presented May 2 and 3 by the members of the advanced play production class, is laid in a country home outside of London, according to Prof. John Cushman, dramatics coach. The furnishings reflect the taste of an aristocrat, while the whole house is in charge of Judith who manages to officiate as maid, cook and valet all at once.

ENGINEERS MEET HERE SATURDAY

Idaho Group Announces Plans to Entertain Spokane Men at Luncheon

The Associated Engineers of the University of Idaho will entertain the Spokane engineers at a luncheon tomorrow at 12 o'clock at the Blue Bucket Inn. The party stops here enroute from Lewiston on the last lap of a three-day tour of the Inland Empire. Members of the engineering faculty and their wives will also be guests of the Idaho engineers.

A. D. Butler, president of the Spokane Engineers will speak, and Orland Mayer, head of the Idaho group, will act as toastmaster at the luncheon. Other speakers will be Ivan C. Crawford, dean of the college of engineering, and several Spokane engineers.

UNDERCLASSMEN PLAN TWO HOPS

Freshman "Glee" and Sophomore "Frolic" Committees Start Preparations For Dances During May.

Scheduled dances and important parts in the annual song and stunt fest will make May an active month for the freshman and sophomore classes.

The freshman "glee" will be a "date affair," probably for freshmen only, according to Howard Borg, chairman of the dance committee. Extensive decorations, "portraying" important events in the lives of "frolic" life planned. A committee consisting of Ralph Olmstead, Frank Carnell, George Gray and James Wells has been working on the class stunt and has announced that the arrangements for it are practically completed.

FIJIS TROUNCE S. A. E. BALL TEAM

Consolation Champs of B League Land Hard on Sig Alpha Pitchers in Early Innings to Win 26 to 10.

Phi Gamma Delta's indoor baseball team defeated the S. A. E. team last night by the score of 26 to 10 at the Memorial gymnasium. The winners crashed the offerings of the losing chucks to all corners of the gym to amass the high score of the season.

This victory gives the Fijis consolation championship of B league. They will play the loser of next week's battle between Sigma Chi and Sigma Nu for second place in B league and the 50 points for that position. Batters were Lee, Corkery; Peterson, Plato, Stimm, Fiji, clouted a home run.

Beta Chi is consolation winner of A league and will meet the loser of the Tau Mem Alpha-Kappa Sigma tilt for second place in A league. The winner of Sigma Chi-Sigma Nu, and Kappa Sigma-Tau Mem Alpha battles will be champions of their respective leagues. A final game will be played between league winners for the university championship and 25 additional points on the intramural race.

W. S. C. ENGINEERS INVITE IDAHO MEN

Annual Show of Department Underway at Pullman; Mayer Names Official Delegates.

All students of the Idaho college of engineering have been invited to attend the annual Engineers Show, which is now being held at Washington State college. Idaho and W.S.C. have charge of the exhibition in alternate years.

Orland Mayer, president of the associated engineers, has appointed a committee to inspect the exhibits at W.S.C.'s Show and note possible ideas for the engineer's Show here next year. The following men were appointed: civil engineering, Vaughn Irons and Harold T. Nelson; electrical engineering, Robert Olin and Jesse Thomason; chemical engineering, Maurice Muzzey and Herbert Claire; mechanical engineering, Bruce Mercer and Gordon Hauck.

SPOKANE GROUP WILL BE GUESTS

Idaho Engineers to be Hosts at Luncheon Saturday; Mayer and Crawford Will Speak.

The Associated Engineers of the University of Idaho will entertain the Associated Engineers of Spokane at a luncheon tomorrow at the Blue Bucket Inn. The party stops here enroute from Lewiston on the last lap of a three-day tour of the Inland Empire, during which various points of engineering interest were inspected.

A. D. Butler, president of the Spokane Engineers, will speak, and Orland Mayer, head of the Idaho group, will act as toastmaster at the luncheon. Other speakers will include Dean Ivan C. Crawford of the college of engineering, and several Spokane engineers. Members of the Idaho engineering faculty will also be guests at the luncheon.

During their tour the Spokane engineers attended the Engineering Show at Pullman, an annual event which alternates between the University of Idaho and Washington State college. Next year's show will be held here.

SECOND PRACTICE CONTEST SLATED

Grid Candidates To Mix Again Saturday on MacLean Field

The second of three varsity practice scrimmages during the 1929 spring football season will be held on MacLean field at 3 o'clock Saturday afternoon, with Captains-elect Orville Hult and Gordon Diehl as opposing leaders. The same teams captained by these two men battled to a scoreless tie last Saturday in the first official April scrimmage.

Scoring, but not much of it, is in store for the Saturday afternoon game. Coach Leo B. Calland after three weeks of work with his future varsity prospects has gone a long way toward implanting the fundamentals of what will be Idaho's style of football for next fall. Particularly in the backfield, some marked changes will be noticed, along with a line shift that Calland plans to employ next fall.

The lineups Saturday afternoon probably will not be changed from the two that battled scorelessly a week ago. The teams will be reorganized Friday afternoon.

The best of the three games, however, will be a week from Saturday when the varsity and super-varsity squads meet in a full-time grid contest, a clash that will mark the end of spring training under Idaho's new mentor, Mr. Calland will then return to his coaching position at the University of Southern California to resume his full-time duties here, September 1.

The findings of the committee will be presented to the graduate managers at their meeting in Spokane June 13, 14 and 15. Should the managers pass favorably on the matter it will be passed along to the representatives of the different coast conference schools for final action.

NEW DRILL FLOOR READY FOR USE

Quarters of Cadet Corps Ready For Occupation Soon; Surfacing Is Of Asphalt Composition.

The R. O. T. C. drill floor in the new gymnasium was completed Saturday, and received its first tryout Tuesday when the ranks of Section I of the cadet corps were marched down from the campus and put through extended order drill.

The new floor measures 160 by 72½ feet, and is made of a resilient asphalt compound, similar to that used in city streets. Rifle pits are completed at the west end of the floor and targets will be installed as soon as backstops are built.

Along the north side of the floor are to be built compartments where rifles will be stored. Storerooms will occupy the space between the pillars and the wall on the south side of the floor. These rooms may be ready for occupation before the close of the school year, should the military department wish to make that change from its present quarters at that time, said Major A. T. Schenck, in charge of the construction.

JUNIOR FORESTERS WILL TAKE LONG WOODS TRIP

Plans are in progress for the annual trip of the Junior forestry class. While nothing definite has been released from the dean's office, it is known that about 15 men will leave the middle of May to conduct practical research in cruising, logging, silviculture, dendrology and forest pathology. The probable locations will be the region at the head of the Clearwater river and the Priest River experiment station. They will not return to the campus until next fall.

ALPHA CANDIDATES POLL BIG MAJORITY IN ASUJ PRIMARIES

Ed Poulton Trails Aldon Tall For Presidency by Wide Margin

LIGHT VOTE IS CAST

Appearance of "Rotten Politics" Handbills Fails to Affect Party Balloting

Alpha party emerged triumphant in the annual primary election yesterday and made a clean sweep of all offices on the ticket, running up an overwhelming majority over the two "non-combine" candidates in the race. Less than 600 students voted, compared to the total of 1019 votes cast in the primaries last year.

Aldon Tall, Alpha party candidate for the presidency of the ASUJ, polled 487 votes to the 113 cast for Edward Poulton, the "non-combine" nominee. Conway Adams, the other "non-combine" candidate, received 98 votes for junior man on the executive board, compared to 513 cast for Charles Graybill and 508 for Peyton Sommercamp. Four students wrote in the name of Burton Ellis, vice president of the student body, as their choice for May queen. Wayne Blair, a "non-combine" man running on the Alpha party ticket, polled 581 votes for the associate editorship of the Gem of the Mountains, the highest individual total in the election.

Opposition Crops Up.
The campus was thrown into an uproar Wednesday morning when handbills declaring "rotten politics" were abroad were discovered scattered on the lawns and porches of all the group houses. "Big stick politics is dictating how you vote" was the message emblazoned in large glaring type on the vari-colored pamphlets. "Watch! Keep your ear to the ground for further developments. They're coming!" were additional injunctions.

The handbills were signed "Independent Voters League," but nothing could be learned concerning the identity of those who distributed them. For a time it was thought that the bills pertained to the coming city election in Moscow, but a check last night showed that less than half a dozen of the pamphlets had been found in the downtown section. The bills

IDAHO'S GLEEMEN DRAW BIG HOUSE

Coeur d'Alene Performance Highly Praised; Hall Packed Say Reports

Capacity houses and appreciative audiences greet the University of Idaho Glee club on its only tour of the season through northern Idaho and eastern Washington, according to the gist of three telegrams received last night by The Argonaut.

A packed auditorium welcomed the club to Coeur d'Alene in its first performance Tuesday evening. The solo quartet was extremely popular and their three numbers drew rousing applause from the audiences, according to comment in a Coeur d'Alene newspaper. The string quartet under the direction of Prof. Carl Claus, instructor in violin, also was popular.

The complete program will be presented by the club over KHQ, Spokane radio station, this evening, beginning at 10:30 o'clock. Original plans called for a Spokane appearance Saturday.

Editor of The Argonaut:
University of Idaho Glee club played to a capacity house here Tuesday night. Entire program delighted the audience. The program is varied and appeals to music lovers as well as furnishing entertainment. The "C" club, boy's athletic organization, had charge of the entertainment.
J. J. RAE, Supt. of Schools, Coeur d'Alene.

RIFLE TEAM HONORS HART WITH BANQUET

Coach Is Guest at Farewell Luncheon; Receives Present From Admirers.

A farewell luncheon was given by members of the men's rifle team to Lieut. Charles H. Hart Jr., at the Blue Bucket inn Wednesday noon. Capt. Ervil Johnson presented Lieutenant Hart with a fishing tackle box in behalf of the club. He spoke briefly on what Lieutenant Hart had done for the team in his five years of guiding it.

At a short business session John Crox was elected Captain for next year and Harry Yost business manager.

The Idaho Argonaut

LIMITING DANCES

CALENDAR committee regulations provide that recognized social organizations on the campus shall be limited to three informal dances and one formal during each college year. This year the committee has interpreted the rule to mean three informals, each, semester and one formal a year.

Indications are that the letter of the rule will be followed next year thus making four the maximum number of dances that can be scheduled through the calendar committee. The present rule does not include inexpensive informal dance given by groups — without programs or an orchestra.

Limiting the number of dances in accordance with the rule hardly seems necessary under the present conditions. The Argonaut realizes that the committee is hard put to schedule the increasing number of dances without conflicts and without encroaching on week nights. On the other hand, house dances on the campus usually cost one dollar per member, which is less than the cost of an ordinary date to the movies. Dances are closely supervised by the administration—supervision that is advantageous to the groups themselves and is acceptable to the students.

CAMPUS DAY WANING

THE ACADEMIC COUNCIL has approved Tuesday, May 14, as campus day. The executive board has recently been considering several projects that might well be under-taken by the students on that day—projects that would be worthwhile.

For the last two or three years campus day has become almost a holiday. The men are assigned to many different tasks such as picking up cigarette butts, papers and trash. Some cleaning is done, but the total amount of work is not very noticeable a few weeks later. If campus day is to remain a tradition on the Idaho campus, something besides picking up cigarette butts must be done. The executive board has suggested widening the north walk between the Science hall and the Administration building. It has also suggested graveling the parking spaces behind the Administration and the Engineering buildings.

Administration officials are very enthusiastic about these and similar proposals. They bring up the argument that in the limited time allowed the jobs could not be done properly. Such things are done successfully at Washington State college and other campuses—why can't they be done here? Surely a simple matter such as building a sidewalk should be no great task for student engineers. At least all the preliminary work of doing the excavating and building the forms could be done. To be sure that the work would be done properly, university officials could provide supervision.

If the administration has seen fit to let the students have a day off, why can't it help the students spend that valuable time advantageously?

We consider our four years in college absolutely wasted. We have been here a long time now and no one has ever told us how many quarts make a quartet.—Campus News (New Jersey State Coll. for Women.)

"I" TANK LARRY

Howdy folks—Why let all this warm weather go to waste? Why doesn't someone get hot and run a bonfire rally?

THIS IS THE TIME OF THE YEAR WHEN A STREET LIGHT WILL DO INSTEAD OF THE MOON.

"All is not gold that glitters," said the co-ed as she lifted one in the moonlight.

BONEYARD RECOMMENDATION

The simple lamebrain who, when he heard that a new chair was being established here, wanted to buy the old one.

Harry Chest has discovered the deep and dark secret of a six-point average. However, he can keep a secret about as well as a co-ed so we'll have to tell it to you. Shh, shh—VARSITY DRAG.

GAS TANK

Not having much to do, I sez to meself I'll get me a date with some rib whats it's called. I don't know nothing about gold mining, and I'll drag a sock at the dance. So I gets me a filly who's F. W., and 21 and we mopes to the struggle. Pretty soon we does the 'Va reel, square and other modern hops direct from the roarin' 40's. So she gets hot and pipes up, "I'm having the ripest time of me life" and I rips back it would be funny if you want with your dogs goin like that. This makes her kinda sore so I gets big hearted and broadcasts "Kin I hold your palm Olive" and she sez not on your lifebuoy, no baby kin fool around with my ivories. And she laughed cause she seed she had me.

And then again, gentle readers, Why should the Betas draw their Shades, when the D. G.'s don't Draw theirs?

The sunlight is so strong and so many things are so transparent. Some guy ought to be able to make a fortune heshouts selling blinders to college students. Anyhow, a cross eyed guy's conscience don't bother him none.

SPRING IS THE SEASON OF THE YEAR WHEN MOOSE HALL CLOSES UP AND WE NECK IN PARKED CARS INSTEAD.

A guy I hate Is Jerry McBoulder He reads the paper Over my shoulder.

IN JUST ABOUT ANOTHER MONTH THEY'LL BE HANGING UP THE SIGN IN THE ARBORETUM:

STANDING ROOM ONLY

Nobody knows why the A. T. O.'s Rode ponies at the Junior parade. They couldn't have been on their Way to take an examination.

Dear Mr. I TANK: Kindly legislate with respect to this daylight saving plan so that we co-eds will, instead of having more light, have more darkness.

—O. K.—We'll do that little thing for you, L. W. We'll send your SHIFTER pin later.

And then there's the sad case of Ben Carey, the famous Beta, who Received an incomplete in swimming He musta mista few strokes.

HE SEED HE HAD ME

—So the prof, who taught the same stuff to my brother a few years ago, pipes up and says: "I didn't think two people in the same family could be so dumb." And he laughed cause he seed he had me.

Simple. Very simple. If you wish To get a date with her again, Merely steal her compact, then Phone her about it, incidentally

Arranging for another date. Simple. Very simple.

WE'LL BET A PLUGGED NICKEL THAT THE MIAMI TRIAD DANCE TONIGHT WILL DEGENERATE INTO THE MY AM I TIRED DANCE.

FAMOUS LAST WORDS "THEY COME DUMBER BUT THEY'RE HARD TO FIND." *SHIFTERS*

"MATRIX TABLE" IS GIVEN NEW NAME

Mortar Board Banquet Must Give Up Name of Theta Sigma Phi Institution.

The second annual banquet of Mortar Board will not be called Matrix Table, according to Josephine Harland, president. This is due to the fact that Matrix Table is a national institution of Theta Sigma Phi, women's honorary national journalistic fraternity.

Last year was the first Mortar Board banquet and for want of a better name it was called Matrix Table. President of Mortar Board at W. S. C., who is also president of the Washington State college chapter of Theta Sigma Phi, notified Miss Harland last fall that it would be impossible for the Idaho Mortar Board to sponsor a Matrix Table.

According to Miss Harland the banquet will be known as Mortar Board Table until a more suitable name can be found. Dr. Harold L. Axtell, professor of classical languages, is working on a name at the present time and has submitted several but as yet the title has not been voted on. The exact date of the banquet is being kept secret, but members promise that it will be held in the near future. Any number of girls may be chosen from either house or hall, on the basis of grades, activities, leadership, and personality.

Invitations to Mortar Board Table will be given at the traditional Mortar Board serenade.

HOME EC GROUP INSTALLS OFFICERS

Beatrice Stalker, a junior in the home economics curriculum, was installed president of the Idaho chapter of Phi Upsilon Omicron, national home economics fraternity, Wednesday evening. She succeeds Gwendolyn Griffith a graduating senior.

Other new officers installed were Grace Shellworth, corresponding secretary; Dorothy Neal, recording secretary; and Edna Richards, treasurer. A business meeting followed the installation of officers.

ALPHA PARTY LANDSLIDES ASUI PRIMARY ELECTION

(Continued from Page 1)

were not printed at either of the two printing shops in Moscow, a further check revealed.

Boyd Maintains Innocence. Perpetuation of the political move was laid to various individuals on the campus, but emphatic denials were made in each instance. Paul Boyd in a statement to The Argonaut last night declared "That's one thing I didn't have anything to do with. At least, 150 must have accused me of it today." Robert Ailsie was equally emphatic in his denials of any knowledge concerning the affair.

The complete results of the election are as follows:

- President: Aldon Tall, Lindley.....487
- Edward Poulton, Phi Gam.....113
- Vice President: George Huber, Sigma Chi.....566
- Secretary: Dorothy Rouse, Alpha Chi.....569
- Senior Men: Edward Peterson, S. A. E.....514
- Robert Brown, Phi Delt.....588
- Senior Women: Laura Clark, Alpha Phi.....519
- Lucille Glindeman, Forney.....518
- Junior Men: Charles Graybill, Sigma Nu.....512
- Peyton Sommercamp, Kappa Sig.....598
- Conway Adams, Delta Chi.....98
- Junior Women: Grace Parsons, Delta Gamma.....573
- Sophomore Men: Elwyn Peterson, Beta.....568
- May Queen: Ruth Story, Omega Alpha.....574
- Burton Ellis, A. T. O.....4
- Maid of Honor: Marylon Craven, Pi Beta Phi.....578
- Page: Margaret Benham, Gamma Phi.....576
- Managing Editor Argonaut: Edward Whittington.....568
- Associate Editor Blue Bucket: Dale Goss, Sigma Nu.....581
- Associate Editor Gem of Mountains: Wayne Blair, Phi Gam.....581

Candidates for the editorships were nominated by nominating boards of the respective publications, and were approved by the executive board Tuesday evening. Robert Ailsie was named for the Blue Bucket editorship but was automatically eliminated on account of low grades. Two candidates were nominated by petition, Poulton for the presidency, and Allen Janssen for senior man on the board. Janssen withdrew his nomination Wednesday morning.

One or more names were written in for every office on the ticket, but not one received a sufficient number to be placed on the ticket for the

PSYCH EXPERT TO ADDRESS STUDENTS

Dr. W. H. Burnham Will Speak at Tuesday Assembly; Japanese Historian Here Thursday Morning.

Two scheduled general assemblies for next week were announced yesterday from the office of the president, one to be held Tuesday and the other Thursday.

Tuesday morning at 11 o'clock Dr. Wm. H. Burnham, professor of psychology at Clark university, Worcester, Mass., will speak on "A Wholesome Personality." Doctor Burnham is a nationally known psychologist, having spent much time working with C. Stanley Hall. His talk will be general rather than technical, said I. W. Jones, assistant president, and will be of interest to students.

Thursday at 11 o'clock, Dr. Roy H. Akagi, Japanese lecturer and historian, will speak on "Dominant problems of the Pacific." He is a native born Japanese educated in America, and a specialist in American history. A few years ago he began to devote his attention to work of the Japanese Student association of the United States, an organization of which he is general secretary.

DANCE

to the Music of the School's Best Orchestra IF YOU enjoy the soothing rhythm of dreamy melodies — or the fast, red-hot syncopation that is so very popular — dance here Saturday night and every Saturday night you feel like dancing.

EVERY SATURDAY EVENING

Blue Bucket Inn

Built for You—Come and Enjoy It

A vision come true

In a part of Africa little known to the whites, where obscure trails ran, Cecil Rhodes dared to envision a railroad. He lived to build it.

The railroad itself was part of a vaster dream, a dream of a far inland colony linked fast to existing coast settlements by rail and wire communication. And he lived to build Rhodesia.

First the dream, then the reality, is the rule with telephone men too, as they work to greater heights of service. But in between, they know, must come periods of careful planning and smooth coordination of many elements.

Scientific research, manufacturing, plant construction, commercial development, public relations, administration—many varied telephone activities offer a widening opportunity to practical-minded visionaries.

BELL SYSTEM

A nation-wide system of inter-connecting telephones

"OUR PIONEERING WORK HAS JUST BEGUN"

SOCIETY

A midweek affair of unusual importance was the reception given at Hays hall Wednesday evening in honor of Mrs. W. E. Borah, wife of Senator Borah. Numerous social affairs have been planned for Mrs. Borah before she leaves for Washington, D. C., Monday.

The weekend promises to be a full one, with six informal dances scheduled. The most important social event of the week, and one of the most outstanding of the year, will be the annual Miami Triad dance given jointly by members of Beta Theta Pi, Sigma Chi, and Phi Delta Theta this evening at the Elks' temple. Decorations featured will be the crests of the three fraternities. Kappa Alpha Theta and Delta Theta Gimele are also entertaining with informal dances tonight.

Coming Events

- Friday, April 19
 - Delta Theta Gimele Informal Dance
 - Miami Triad Informal Dance
 - Kappa Alpha Theta Informal Dance
- Saturday, April 20
 - Alpha Phi Informal Dance
 - Athletic Managers' Club Dance
- Tuesday, April 23
 - Episcopal Club Bridge Party
- Wednesday, April 24
 - Pep Band Concert
- Thursday, April 25
 - Seaboard and Blade Dinner
- Friday, April 26
 - Forney Hall Formal Dance
 - Pre-Med Club Informal Dance
 - Gamma Phi Beta-Delta Gamma Frosh Dance
- Saturday, April 27
 - Phi Gamma Delta Formal Dance

HAYS HALL HONORS: MRS. BORAH

By far the most distinctive affair of its kind given on the campus this season, was the reception given at Hays hall Wednesday evening from 8 until 11 when 250 faculty members, students and townspeople called to meet Mrs. Borah, who is in Moscow this week, the guest of her sister, Mrs. Ben Bush.

The reception rooms were attractively decorated with cut flowers and lighted with bridge lamps and tall candelabra. A color scheme of pink and blue was effected by the pink and blue tapers and the baskets of pink roses, carnations, and snapdragons which decorated the living room and the serving table.

In the receiving line were Miss Permeal French, Mrs. Borah and Pres. and Mrs. Frederick J. Kelly. Pouring were Mrs. Irving Jones, Mrs. E. J. Idings, Mrs. Ben Bush and Mrs. L. P. Parsons.

IDAHO COUPLES MARRIED AT HELENA

Announcements have been received here this week of the marriage of Jacob Conrod and Elizabeth Grace Blom at Helena, Mont., on April 6. Both Mr. and Mrs. Conrod were students in the university last year. Mr. Conrod is a member of Phi Gamma Delta, and Mrs. Conrod is affiliated with Alpha Chi Omega sorority. They will make their home in Helena.

Mrs. E. B. Lent, nee Ethel Povey, a graduate of the university in 1925, arrived in Moscow this week to spend several weeks visiting on the campus. Mrs. Lent before her marriage a year ago was Dean French's private secretary. Most of her visit will be spent at Hays hall. She is a member of Kappa Alpha Theta sorority.

The fraternity of Phi Gamma Delta entertained the following members of Gamma Phi Beta at dinner Wednesday evening: Mrs. C. M. Smith, Marjorie Bloom, Elizabeth Smith, Cathrine

Steele, Dorothy Whitenack, Neola Wilson, Fidelia Harmon, Josephine Thompson, Estelle Pickrell, Virginia Lee McGuire, Dawn Gibson, Beverly Laughlin and Mary Murphy.

Gamma Phi Beta dinner guests Thursday were Roy Plumlee, Arthur Peterson, Charles Galenski, Ray Compton, Doren Woodward, Aldon Tall, Robert Owens, Jack McQuade, Wesley Coddington, Vining Thompson, Edward Miller, Paul Boyd and Oscar Howlitz.

Alpha Chi Omega dinner guests Wednesday evening were Frank Tatum, Edward Gray, Chris Harmon, Leslie Vance, Frank Honsowetz, William Hawkins, James Hawkins, Willara Krummes, Walter Waggoner and Norman Kennedy.

Wednesday evening dinner guests of Kappa Alpha Theta were Aldon Tall, Paul Boyd, Robert Olin, James Patrick, Raymond Compton, Roy Plumley, Murray Nicholson, Jack McQuade, Doren Woodward, Lawrence Lange, Lee Knight and Edward Miller.

Wednesday evening dinner guests of Alpha Phi were Aldon Hoffman, Robert Voshell, Burton Stewart, Lucien Oliver, James Crooks, Bruce Sifton, Lyle Frazier, Elijah Frost, Ralph McCabe, William Galiger and Boyd Hodson.

Omega Alpha dinner guests Tuesday were John Levauder, John Corcory, Carl Nicholson, Robertson McBride, Malcolm Renfrew, Wayne Blair, Edward Poulton, Clayne Robinson, John Pohlman and Carl von Ende.

Thursday evening dinner guests of Alpha Phi were Nell Richards, Merritt Creceling, Fred Kennedy, William Hawkins, Joe Stoner, Frank Davidson, Paul Parks, Leslie Vance, Norman Smith, James Hawkins and Edward Harris.

Dinner guests of Kappa Kappa Gamma Tuesday evening were Andy Sharp, Raymond Compton, Paul Boyd, Snael Tall, Jack McQuade, Jay Porter, Doren Woodward, Edward Miller, Roy Plumlee and Vining Thompson.

Thursday evening dinner guests of Omega Alpha were Frank McAtee, Bob Nixon, Charles Ratzliffe, John Wurster, Emory Molander, Ralph Gimstead, Morgan Heap and Paul Petzold.

Sigma Chi dinner guests Thursday evening were Miss Helen Kersey, Ruth Gray, Marcella Winters, Dorothy Sanborn, Margaret Keegan, Ann Martinson, Geraldine Sherkey and Erma Davis.

Tuesday evening dinner guests of Phi Delta Theta were George Wilson, Cainford Mix, Floyd Held, Edward Ostroff, Norval Ostroff and Lee Tyrell, all of Moscow.

Dinner guests of Kappa Kappa Gamma Thursday evening were Robert Hogue, Kenneth Dick, Stewart Maxey, Morris Wilson and Hoyt Stephenson.

Dinner guests of Hays hall Thursday evening were Don Corliss, Glenn Eburn, Joel Anderson, Watt Piercy, Arthur Schwartzenhauer, Kenneth Egbert and Frank Wenzler.

Delta Gamma dinner guests Wednesday were Carl Leonard, Bernard Fleming, George Sizemore, Sol Beardner, Jack Hartley, Allen Stowasser and Harry Terwilliger.

Wednesday evening dinner guests of Forney hall were Melvin Stewart, Phillip Joray, Dana White, Edward Jarboe, Elvin Hampton and Harry Walden.

Ina Wilson and Mary Klupfer of Washington State college and Amy Haacker of Lewiston Normal were guests of Forney hall last week-end.

Dr. L. T. Miller of Nampa was a Wednesday luncheon guest of Alpha Phi.

Eleanora Dunlap, Whitman college, was a weekend guest of Alpha Phi.

Dr. L. T. Miller, Nampa, was a Saturday dinner guest of Alpha Phi.

Mr. and Mrs. Charles Carter were Sunday dinner guests of Alpha Phi.

Moscow Social Life as Busy as Nation's Capital, Wife of Idaho Senator Declares

By Letha Wilton.
"Senator Borah and I were very touched with the Levinson endowment here," Mrs. W. E. Borah remarked in an interview Thursday at the home of her sister, Mrs. Ben Bush. "Mr. Levinson might well have established the outflow of war endowment at his own college—Harvard—and he would have received more publicity, had he been that type of a man. However, it is more appropriate this way—to endow the University of Idaho in which we are so much interested," she added.

"Mr. Levinson is naturally very kind hearted," the wife of Idaho's distinguished senator continued. "Not long ago, I returned to our Washington apartment to find that a radio was being installed. I assured the workmen that it must be a mistake since neither Senator Borah nor I had ordered it, but they said that they had instructions from Mr. Levinson to put it in. Mr. Levinson verified the statement and said that he had it installed so that I might hear Senator Borah speak."

Mrs. Borah was very interested in the growth of the campus since her visit here last summer. "Hays hall is an especially beautiful building," Mrs. Borah said, "and its furnishings are lovely. I have not been able to visit many of the fraternity and sorority houses here—I have had to refuse several dinner invitations because I already have a great many social engagements which will keep me busy until I leave Monday. I regret it too, because I would have enjoyed it so. Moscow is certainly a busier place socially than even Washington," she remarked, smilingly. "Why, I haven't even had time to see the neighbors here."

Mrs. Borah has just returned from California where she spent the winter. While in California she met Carl Murray a member of Kappa Sigma fraternity who was graduated from Idaho last year and who is attending a flying school near Riverside. "He is a very interesting young chap," she said.

She will return to Washington Monday and will remain there until June when she and the senator return to their Boise home.

PEP BAND JUGGLES DATE FOR CONCERT

Third Postponement Fixes Wednesday For Appearance When Treble Clef Changes Musicals Schedule.

Another postponement of the Pep band concert was announced last night by Sam Hutchings, student leader of the organization. The concert was scheduled for Monday, April 22, but the latest date has moved the concert ahead two days to Wednesday, April 24.

Two changes were made on account of conflicts with President and Mrs. Kelly's reception and Junior week. When the Treble Clef club announced Tuesday that their concert had been postponed from April 22 until May 9, the Pep band selected the open Wednesday date as it is the better night to draw a crowd.

Tickets will be placed on sale probably Monday. No details were announced further than that there would be no reserved seats. The concert will be given in the auditorium, starting at 8:15 o'clock. The program will be divided into six parts, with a 10-piece orchestra as the feature. Overtures at the beginning and end of the concert, selections from light and comic operas, several marches and an Oriental group are included.

Proceeds from the concert will be used to defray the expenses incurred by the Pep band on its trip to San Francisco last fall to the Stanford-Idaho football game. No further trips will be taken by the band this year.

the growth of the campus since her visit here last summer. "Hays hall is an especially beautiful building," Mrs. Borah said, "and its furnishings are lovely. I have not been able to visit many of the fraternity and sorority houses here—I have had to refuse several dinner invitations because I already have a great many social engagements which will keep me busy until I leave Monday. I regret it too, because I would have enjoyed it so. Moscow is certainly a busier place socially than even Washington," she remarked, smilingly. "Why, I haven't even had time to see the neighbors here."

Mrs. Borah has just returned from California where she spent the winter. While in California she met Carl Murray a member of Kappa Sigma fraternity who was graduated from Idaho last year and who is attending a flying school near Riverside. "He is a very interesting young chap," she said.

Willamette U. Seniors Abducted on Sneak Day

Willamette University (W.U.) Traditions again caused hostilities between the classes here when the senior class in going on the traditional "flunk day" picnic, left without two of its members who could not be located. Later it was learned that they had been abducted by members of the other classes, transported 30 miles from town, and left tied in a haymow. "Flunk days" among the classes have caused hostilities in other years, the most notable example being that of four years ago when the Sophomore class attempted to take a flunk day. The upper classes considered this a presumption on the part of the lower classmen, and the result was a free-for-all fight ending in minor casualties and some temporary hard feelings.

KELLY, ELDRIDGE, OLESEN ATTEND SEATTLE SESSION

Three representatives of the university, President F. J. Kelly, Dean J. G. Eldridge and Miss Ella Olesen, are attending a joint junior college and registrar's meeting now in session at the University of Washington.

Leading junior college advocates from all parts of the United States are holding an informal get-together meeting to discuss problems connected with the junior college system which will be instituted here next fall. All three are expected to return Saturday or Monday.

IDEAL WEATHER HELPS ATHLETES

McLean Field in Good Condition for Three Sports

With exception of the cinder track, still soaked from several feet of winter snows, McLean field is rapidly approaching an ideal playing condition for the three spring major sports which will occupy it for the next six weeks.

Thursday afternoon the baseball diamond was practically in perfect condition and gives promise of being in much better shape than for the initial conference clashes last year. Idaho fans will be given a chance to see their varsity nine embark on its 16-game conference schedule against Washington State college here a week from today, April 26 at 3:30 o'clock. The diamond is being dragged at least once every two days and the rather soggy outfield "gardens" are losing most of their dampness.

Rains have made the gridiron playing turf rather soft, but Coach Lee Cahland and his crew have not found this a handicap. The old tackling dummy pits are filled with water, but the practicing figure has been moved to the top of the low bank at the south end of the oval.

Track men alone have been the principal sufferers from the weather and have been forced to take their wind sprints on the campus or across the football field. Distance men have worked out regularly along a special course on the campus or inside the McLean field oval on the gridiron field. Managers have been working on the regular running track, but lack of sunshine has handicapped the dryin process. Weight rings, jump and pole vault straight-aways and jumping pits are being conditioned.

VANDAL-COUGAR TRACK WORKOUT IS CALLED OFF

(Continued from Page 1)

no chance to check on them due to unfavorable weather. Idaho this year will be particularly weak in the hurdle events, the short sprints and several field events, including the discus and javelin. Idaho has experienced lettermen in the shotput, high jump, pole vault and broad jump. Idaho will base her track power in the quarter and half-mile events, and either the mile or two-mile. With exception of one man, Wilfred Johnson, Idaho has the same relay quartet that placed so high in the coast meet at Missoula last spring.

The Idaho schedule for 1929 follows:
 April 27—Whitman at Walla Walla (Tentative).
 May 4—Washington Relays at Seattle.
 May 10—Oregon State at Moscow.
 May 18—Montana and W. S. C. at Pullman.
 May 25—Montana at Missoula.
 May 31—

SCABBARD AND BLADE TO HONOR WADDILL

Formal Dinner Dances to be Feature of Entertainment Honoring Insp. Eng Officer for 9th Corps Area.

At a meeting of Scabbard and Blade, military fraternity, held last night at the Kappa Sigma house, plans for a dinner-dance to be held at the Moscow hotel in honor of Lieut. Col. Edwin C. Waddill, district officer of Scabbard and Blade, were completed. The dance will be held next Thursday when Colonel Waddill will be here for the first ninth corps area inspection of the R. O. T. C.

Dean I. C. Crawford, Col. E. R. Chrisman, Maj. F. R. Fuller, Capt. B. M. Crenshaw, Lieut. C. H. Hart, and their wives will serve as hosts for the affair.

Captain Crenshaw gave an address at this meeting on the battle of Jutland, one of the most famous naval battles of the World war.

IDAHO SWIMMERS WILL MEET COUGARS

Intramural Champions To Represent Vandals in W. S. C. Contest Saturday

In the first meet of its kind ever to be held, the University of Idaho intramural champions will meet Washington State's leading swimmers in a dual meet at Pullman Saturday afternoon at 4 o'clock. On the basis of times recorded, the Cougar paddlers are favored to capture the meet, but the difference in size of the pools is a factor in favor of the Idaho men, the additional width reducing wave wash and the time should be faster in the wider Washington State pool.

Ross and Lambert, the Cougar sprint stars have been clocked in 61 seconds in the century swim, while the time made by Erich Richter, winner of the Idaho meet was 64 seconds. The time difference of the pools may not overcome the three second difference, however. Richter was not pressed in the recent meet, so the competition may cut his time.

The Washington State water plashers have strength in diving that should enable them to win over the Idaho entrants. The Vandals are expected to drop the breaststroke event, although McGonigle is favored to come in a close second.

The Idaho entries and events are as follows: 50-yard free style—Grimm; Peterson and Hale; 100-yard free style—Ritcher; Smith and Robinson; 200-yard free style—Ritcher, Robinson and Smith; 50-yard backstroke—Grimm, Best and Brown; 50-yard breaststroke—McGonigle, Porter and Ostrander; 200-yard relay—Peterson, Smith, Grimm and Ritcher; diving—Sheridan, Shurtliff and Adams.

Wooded Hills Prove Big Campus Asset

Time was, so the old folks say, when the University of Idaho had no arboretum. Time was when the new spring moon shone down on a bare hill, when the stars beamed on wheat fields and ploughed ground.

But time has changed. With the advance of wisdom a forest was planted beyond the football field dedicated to all love struck collegians. Sheltering Christmas trees and wide branching oaks have covered the hill. Spring days—and nights—now—have a purpose. Higher education is conducted there from 10 o'clock on. Campusty courses and arboretum classes are now signed up for by each year's incoming freshmen, tickets selling from a good laugh up to \$10. But the whole school appreciates it. With the drying up of the last mud, and often before, the dates on the hill take wholeheartedly to nature and tie themselves off to the forest primeval.

IDAHO DIAMOND CREW OPENS SEASON APRIL 26

(Continued from Page 1)

pitcher for Coach Fox. Lindsay and Smith comprise the remainder of the pitching staff that is to carry the Vandals through its 16 game campaign during May. The rest of the infield seems to be permanently settled now with only a possible change in the outer gardens. McMillin is a fixture at first, with Halliday, Cheyne, and Burton stationed at second, short and third respectively. Lawrence Burton and Monk Halliday are the two new infielders breaking into the infield of last year's club. In the outfield there are Price, Johnson and Greeing. Coach Fox is grooming

Price for a backstop berth, which leaves Lawrence in the outfield when he isn't pitching. Carl Kyselka and Spence are fighting for the position of utility catcher.

News from the Cougar camp indicates that they have one of the strongest teams had in years. Coach "Buck" Bailey has formed a hard-hitting club from the seven lettermen back from the 1928 championship nine. The Cougars get their first taste of outside competition against the Whitman Missionaries this week-end.

"Lady Divine"

Here is the leading song from the motion picture production, "The Divine Lady." Paul Oliver packs the words with tuneful charm. This week's list of Victor Records includes four other feature songs from the movies. They're all worth hearing many times. Come in and enjoy listening to them soon!

She will dance her way into your hearts. You'll laugh and you'll cry with this dainty little girl who chose love and poverty to slavery and riches. You'll have to see this great drama!

Directed by FRANK R. CAPRA

"Not too modern, please!"

Imagine the governor all set for a solid evening of comfort in his cozy old library—and finding that the women folks had "modernized" it with triangular sofas, conical armchairs, and July 4th rugs! Now, imagine you bought some cigarettes, and discovered that they were supposed to do almost everything in the world except what you bought them for, i.e., satisfy your taste for tobacco. Maybe it's the modern idea, but—oh, well, let's talk about something else!

Chesterfields, now. They satisfy. Their only "specialty" is high tobacco quality. Friendly as your most comfortable armchair, as full of flavor as your favorite book. A splendidly made and blended cigarette. And—maybe we are old-fashioned—recommended to you for that very reason.

CHESTERFIELD

MILD enough for anybody . . . and yet . . . THEY SATISFY

LIGGETT & MYERS TOBACCO CO.
