VANDALS START SECOND HALF OF SERIES WITH W.S.C.

Battered Nine Returns From Series of Losses Still Hopeful

TO PLAY TWO GAMES

Whitman Sluggers Here For Twin Bill Friday and Saturday

The Vandal baseball team returned from its six-game road trip last Saturday with a record of five losses and one victory. They dropped the two game series to the Oregon nine, split with the Oregon State club and then turned around and lost a double header to the Huskies at Seattle. Floran "Lefty" Grabner turned in the only win of the trip and even then his club combed the opposing hurlers for but eight hits to turn the trick.

Two Long Games

The games lost to the University of Washington were thrillers. Both went into the extra innings before they were decided. In each instance the winning run was scored on an error. Whitney Lawrence hurled sensational ball in the opener, allowing only four hits to the opposition. The Huskies scored on Cheyne's low throw to McMillin, which should have been the third out. Frank Judy started the second game and pitched ten innings before he was hit in favor of Olive Lindsay.

Shower Brings Rest

Idaho received a welcome rest when the Vandal-Cougar game was rained out yesterday. The game was to be played at Pullman, but was postponed until this afternoon; and the return game was to be staged at MacLean field on Wednesday. This will give Cheyne's broken finger a chance to heal. The Vandal captain got his second finger of his right hand broken when he attempted to stop a liner in the second Oregon State game. He continued to play the rest of the schedule but his hand was in such condition that it was necessary to hold him out of today's game, although he may be some pinch hitting.

Cougar Portender to Start

Coach Buck Bailey, of Washington State, will, in all probability start Nelson, left-hander, against the Vandals this afternoon. Nelson held Idaho to four hits and one run after he relieved Worden at Pullman the second game. Cheyne and Duffy are the only ones hitting over the coveted mark. Grabner is the only hurler who has a perfect record of wins. All the rest have one win and two losses. If Cheyne's finger isn't healed enough to permit him to play, Greeling, regular centerfielder, will probably take his place at shortstop. Duffy will move over from left to center and Johnson will start at left while Lawrence will hold down right if he isn't pitching. The rest of the team will remain the same.

CHEYNE TAKES LEAD IN IDAHO BATTING

Flashy Little Shortstop Hits For First Eight Games; Duffy Ranks Second

Hitting averages released at the end of the half year mark in the northern division show that Arthur Cheyne, veteran shortstop, is leading the Idaho nine with an average of .333 as a result of 11 hits in 33 times at bat. Hugh Duffy, first year man, is in second place with 11 blows out of 34 times at bat for an average of .323. Lawrence Burton took third sacker in third place with an average of .266. The averages are as follows:

Cheyne	.333
Duffy	.323
Burton	.266
Judy	.272
Lawrence	.249
McMillin	.200
Grabner	.193
Halliday	.166
Greeling	.142
Price	.065
Lindsay	.000
Kyselka	.000
Johnson	.000

Grabner is the only curver who has a clear average in the won and lost column winning one and losing one. Frank Judy has won one and lost one. Whitney Lawrence has won one game and lost two. Lindsay is charged with one defeat and no victories.

MILITARY GROUP ELECTS SCHENCK

Construction Engineer to be Initiated by Scabbard and Blade Early Next Week

Major A. T. Schenck, university construction engineer, and former reserve officer in the coast artillery, was elected to associate membership in Scabbard and Blade, national honorary military fraternity at a meeting of the Delta Chi house last night at the Delta Chi house. Initiation will be held next week at a date and place to be decided by T. W. Gallagher, captain of the company.

Major Schenck has been instrumental in providing proper facilities for the rifle team targets and has in other ways been of great service to the R. O. T. C. at Idaho. He is also commander of the Moscow post of the American Legion.

SONG AND STUNT DATE CHANGED

May 23 and 24 Scheduled for Annual Competition After School Play Causes Difficulty

Dates for the traditional song and stunt fest were changed yesterday by Burdette Belknap, general chairman, when it was learned that May 24 was the evening scheduled for the presentation of the Moscow High School play in the university auditorium. May 23 and 24 have now been selected as days for the stunt performances.

State College Tennis Club Makes Clean Sweep of Return Matches at Pullman

For the second time this year, Washington State college made a clean sweep of seven tennis matches with the University of Idaho on the Pullman courts Saturday afternoon. Idaho players did not take a single set, although one was forced to deuce before the Cougar player won.

FORMER YELL LEADER SPENDS WEEK-END HERE

George D. "Brock" Elrod, former yeller king and a member of Phi Delta Theta fraternity, was a week-end guest of Mr. Theodore Turner, former U.S. traffic manager for the National Parks Airways Company with headquarters in Salt Lake City. Having charge of the company's operations in Idaho and Montana Mr. Elrod meets many former Idaho students and alumni, thus keeping in contact with his alma mater. The former yeller leader left yesterday for Butte, Idaho, where he will make connections with one of the company's planes and return to Salt Lake.

W.S.C. TRACKMEN HAVE BIG MARGIN ON VANDAL SQUAD

Cougars Doped To Take All But One of Two Firsts

MEET IS IN PULLMAN

Stowell May Be Eligible; Idaho Is Weakest In Ten Years

By Andy Thomson
Conceded only the slightest chance of taking more than one or perhaps two first places and a minority of other placings, the University of Idaho will send probably the weakest track team in the past 10 years to meet Washington State's powerful and well-balanced group of field men, sprinters and distance men on Roger's Field at Pullman Friday afternoon. The meet is at 2 o'clock this year has nothing that can compare with the famous negro flash, Wesley Foster, who has thundered down the cindered lanes to times of 9.4-5 seconds in the 100-yard dash and 21 seconds flat for the furlong already this year. And to back Foster up, Mooberry, Kelly and Newman are more than average sprinters and may crowd Idaho out of possible seconds and third placings. Norman is Idaho's fastest sprinter and may get a second place out of the 220-yard event in view of his last fast year against Oregon State last week. Norman finished a bare foot behind Johnson of O. S. C. who won the race in 21.6 seconds.

In the quarter-mile, True Oulette of the Cougar squad is capable of running the distance in under 50 seconds, as is Kelly. Klingler, Idaho, is given a good chance to finish third or possibly may squeeze out a second. Idaho's lone chance in the half-mile would be in the return to eligibility of Harold Stowell, who beat out Ray Williams of Washington State here.

House Managers Save Grub When 'Early War' Starts

The little birds that twitter in the early morning hours chirped more gleefully than ever when they saw the young rookies out drilling at daybreak this morning. Even the English sparrows appreciated such a humorous spectacle as squadrons of warriors coming from all directions for 7 o'clock drill.

Hot-footed they came with leggings dragging, shoes untied, and coats unbuttoned. Several distinct types were noticeable this morning, according to the early birds. There was the wild-eyed pale fellow, with a lean and hungry look in his eyes, who arrived a minute early. Then there was the greedy and tardy soul who saw to it that he got his full amount of breakfast down in some fashion or other and arrived with egg on his lips.

The soldiers who are making this supreme sacrifice of an hour's sleep can be readily recognized by their look of patient martyrdom, plus utter exhaustion. There is a certain wistful nobleness about their expression as though they have suffered and become scarred.

Women, be gentle with them and don't disturb their afternoon naps. For even though you may have to get up just as early in the morning as the men to support the men in time of war.

NEW DE SMET OFFICERS ELECTED AT MEETING

Paul G. Dolan was elected president of the De Smet club, Catholic students' organization, at a recent meeting. Other officers chosen for next semester are Lillie Gallagher, vice president and Margaret Stewart, secretary-treasurer.

Catherine Leute, second-semester freshman, was De Smet delegate to the Intermountain Associated Newman club meeting in Salt Lake City, where she was honored with the secretaryship of the club for the coming year.

Coeur d'Alene Wins Four First Places; Two Records Fall

Romping off with four first places and a host of second and thirds, Coeur d'Alene high school had little trouble taking the North Idaho interscholastic track meet on MacLean field Saturday afternoon. All first place and second place winners are eligible to enter the state interscholastic meet at Boise Saturday.

By taking a thrilling relay race from Wallace by a scant yard, Lewiston won second place in the meet with 22 points, nosing out the mining city men by two points. Kellogg and Bonville got 15 points each; Moscow 10; Deary and Potlatch 8 each; Orofino 7 1/2; Nez Perce 6 and Mullan 4. Alden Bovill was individual high man of the first time of 52.2 seconds. Wilson of Moscow easily won the 100-yard dash in the slow time of 10.6, while

Kratt Put Glee In Glee Club, Says Two Star

Howdy, Daters and Students!
Wal, all I know is what I reads on the front page and "sassy column". It appears that the editor is trying to lower the boom on his own popularity. Now just last Friday he stole the spotlight to make some pretty big statements about how things are run around here. If all those things about "pension inefficiency" are true, it's time that we call in Hefflin or Walters for a senatorial investigation before we have another one of those Fall scandals.

Seem' as how the business manager's job gets the biggest cash slice on the campus, I can hardly blame the politicians for wanting to get charitable and benevolent in handin' out a "pension", which means "someone's happy year in college."

Of course it ain't nice to say things about the same fraternity two times in one semester without expecting your sassy tongue bit off, but I just got to mention the fact that the Phi

Churches Crowded For Second Time In College Year

And the Lord said unto Moses: "Ye, verily, Moses, this must be Easter or something. Look at all the churches in Moscow. I see three houses present at the Presbyterian church, and there are two at the Methodist. And look at the crowd at the Episcopal and the Christian churches. And Saint Peter scratched his head and looked on the calendar and saw it was not Easter or so they might well have done last Sunday when the whole university got up before breakfast and brushed off their hats and coats, thrust a pink and white carnation through their button hole, got out a clean handkerchief and hid them off to church."

Churches Crowded For Second Time In College Year

It was the usual Mother's day rush to church. For there are two Sundays in the university year when the student body is well represented at the church houses of religious worship, Easter, if they have the hat; and Mother's day. And on the Sunday of Mother's day the entire campus sits down at its typewriter or desk and writes home. And three-fourths of these letters contain some such line as this: "The weather was pretty good this morning, only it was too hot. I went to church for a change."

And only Moses and the lord and perhaps the minister can bear true witness to what a change it was!

E-DA-HO DE MOLAY CHAPTER MEETING TO BE THURSDAY

E-da-ho chapter of DeMolay has many plans for the future, according to Malcolm Kenfrew, master counselor. The Argonaut publication, the establishment of Delta Mu Chi, national De Molay university club, and the organization of a semi-professional dance orchestra are only a few of the major undertakings of the new chapter. The next meeting of the chapter will be held Thursday at 7:30 p.m. in the Masonic temple.

ABOLITION OF WAR IS ASSEMBLY TOPIC

Lucia Ames Mead Addresses Students on Necessity of Stopping Strife

Displaying an unusual insight into human nature because of widely varied experiences throughout the world, and also exhibiting remarkable platform poise, Lucia Ames Mead, author of Boston, addressed the assembly Friday morning, on the abolition of war.

"Not only the outlawry of war, but complete abolition of war is the greatest world question today," Mrs. Mead declared. "War has always been the result of false premises, and of confused logic; it can be, and ought to be ended."

The abnormal part of struggle is what war really is, she brought out. "Man wipes out his own species. Other animals do not hunt their own. Three men at home is what it takes to keep one soldier going. We send a million men out from our colleges, and find out our business to kill other millions. These she termed absurdities of war."

FOUR PLAYS SET FOR THIS WEEK

Variety of Types Will be Seen in Last of One-Act Group; No Admission Charge

A variety of types from elementary play production classes have been selected by Prof. John Cushman, to present the final group of one-act plays this semester in the auditorium Thursday and Friday evenings. No admissions will be charged for the plays according to Arthur Ensign, manager of dramatics, as the last one-act play presented a week ago when advanced pupils put on Noel Coward's "Hay Fever", the one-act play group will complete the dramatic season of the university. Due to the absence of students who were to take part in one of the plays, Professor Cushman has found it necessary to eliminate the play from the group.

Three of the four scheduled plays deal with difficulties of marriage, and bring out the usual problems in a novel and interesting light. "The Wedding" portrays the difficulties a bridegroom must overcome on the eve of his wedding. "The Leap Year Bride" is a farce which deals with a slangy, gum-chewing stenographer who is determined to capture one man and discovers that she has won another in his place. "The Old-Fashioned Cup" shows how an old-fashioned doctor manages to bring a young married couple together after their first quarrel so that they are able to bury the hatchet and live in the proverbial "happiness ever after."

LAST EARLY DRILL SHIFTED TO MAY 22

Campus Day Causes Postponement of Final Early Period to Next Day; Hines Here May 27

The final drill of the 7 o'clock series, which began this morning for the entire Idaho R. O. T. C. regiment, was postponed from May 21 to May 22 by officers of the military department on account of conflict with Campus day plans. As all other classes will be dismissed next Tuesday while students clean-up the campus and the women present their annual. May fete program the early drill has been changed until the following morning. Two early drills are being held this week, this morning and Friday; and next week the third hour extra period is scheduled for Monday. The additional drills are for the purpose of preparing the Idaho unit for the inspection on May 27 by General John L. Hines, commander of the Ninth Corps area.

DATE OF ENGLISH CLUB MEET CHANGED TO MAY 27

Postponement of the English club meeting scheduled for tomorrow night until Monday, May 27, was announced last night by Vivienne Mosher, chairman of the program committee. The meeting May 27 will be the last one of the year, and as important business will be discussed, the officers of the club have requested a full turnout. The program will be presented by the Idaho historical committee of which Dan McGrath is chairman.

ELIJAH IS YEAR'S MOST IMPRESSIVE MUSICAL EVENT

Rollin Pease Sings Title Role; Over 200 in Cast

KRATT IS DIRECTOR

Free Admission Made Possible by Patrons; Auditorium Packed

Several hundred university students and townspeople were turned away Sunday evening when 1000 people jammed the auditorium to hear the Moscow Community chorus in its first public concert, presenting Mendelssohn's oratorio "Elijah," with Rollin Pease of Chicago singing the title role. The auditorium was again filled to capacity last night at the second performance.

Musicians acclaimed the concert as a fitting tribute to the ability of Prof. Theodore Kratt, the director, who recently resigned as head of the department of music to accept a position on the faculty of Miami university, Oxford, Ohio. Professor Kratt has directed the chorus of approximately 200 people in weekly rehearsals since last fall perfecting the difficult oratorio. So well was it received that plans are being made to give some kind of oratorio here annually.

Rollin Pease The rich bass-baritone of Mr. Pease, recognized as one of the leading interpreters of the "Elijah" throughout the country, added greatly to the effect of the concert. He dominated the performances not only in physical build but in personality. He has sung the role more than 200 times, so that it is unnecessary for him to refer to the score. Mr. Pease was obtained for the concert through his personal acquaintance with Professor Kratt for whom he has sung the part twice before.

Other leading parts were taken by Miss Marion Treloven, soprano; Rachel Jenks, mezzo-soprano; Forest Brigham, tenor; Florence Oberg, soprano; and Mrs. Lois Russell, soprano. The University orchestra, under the direction of Prof. Carl Claus, received high praise for its part in making the concert a success. Lucille Rasmussen was accompanist.

The Choral society was organized last fall as a community project and the oratorio is recognized as one of the outstanding musical events in the history of Moscow and the university. Instead of charging admission, finances were raised by voluntary donations by patrons and patronesses who received reserved seats. Last night all but a small amount of the total necessary to cover the expenses had been received.

BORROWING MANIA HITS BLUE BUCKET

Best Exchange Humor Staff Can Find to Form Hook of Last Issue, Editor Promises

Borrowing things doesn't seem to be restricted to fraternity brother's ties and sweaters, according to Ellnor Yaggy, editor of the Blue Bucket. Editorial staffs get the urge for something new and different, something they haven't been seeing all year, too, as is evidenced by the fact that the Blue Bucket staff is gathering copy to put out an exchange number for its next issue. The third annual issue will be printed in about three weeks.

All the prize humor from all the prize institutions in the United States has been gathered with a fine toothed rake, arranged, edited, and printed in very tasteful fashion for the education of the Idaho campus, said Miss Yaggy. Jokes from Georgia, Harvard, California, Michigan, West Virginia, and Nevada—all are there along with side of cartoons from Utah, Massachusetts, Alabama, Arizona, and Missouri.

BUSINESS HONORARY BANQUETS TONIGHT

Alpha Kappa Psi Will Celebrate Founders' Day; LeMaster to Speak on Opportunities in Accounting

The annual founders day banquet of Alpha Kappa Psi, professional business fraternity for men will be given this evening at 6:30 o'clock at the Blue Bucket on five pledges, Earl Marker, Ralph Simonds, Frank Wenzler, Leonard Reinger and Melton Belknap, will be initiated, previous to the banquet. Officers for next year are to be elected at a short business meeting following the dinner.

Eustace LeMaster, a public accountant of the firm of LeMaster, Cannon, and Daniels of Spokane, and who is also affiliated with Pace, Gore and McLaren, a national firm of public accountants, will be a guest at the banquet and give a short talk on the "Opportunities of the Accounting Profession." All members are urged to be present, by Wellington Pierce, president of the chapter.

A FLEXIBLE AGREEMENT?

Social events on the Idaho campus were reduced to a minimum expense by an agreement of group house representatives several years ago. Up to that time formal dances had grown to be financial burdens beyond the average pocketbook.

The agreement was made that "favors" were not to be given to guests nor corsages sent to women for formal affairs. Laxity in observance of this agreement has been remarked upon at several times this semester. Drawing the line between elaborate dance programs and "favors" is rather difficult and it is hard to say whether a single flower constitutes a corsage. If the group houses on the campus have reached a stage where the social customs should be changed a new agreement should be made. If not, the old understanding must be more strictly adhered to.

If all the ingenuity of a number of students are using in trying to devise schemes to evade work on Campus day, were directed toward the general cleanup, the job could be finished before breakfast.

If all the students who object to the paddle demonstrations of the "I" club in its effort to preserve traditions were laid end to end, they probably fall asleep.

Wal, Al and Aldon are likely to appear back any time now. I think the executive board ought to make them include the names of their dates at Los Angeles in their report. It might furnish dope for another story for the radicals. I guess we could stand another, the Lucifer knows we've had plenty.

That idea about abolishing caps for the sophomores and juniors, and cigarette smoking by freshmen sounds like some cigarette salesman's trying to increase his sales. Wal, the idea's a pretty good one at that.

We're all going to miss Professor Kraft next year. He sure put the glee in glee club. Here's hoping we can get another man as good next year.

And speakin' of singin', this "Elijah" oratorio was a rare treat and I don't mean maybe. I guess the dramatics department got the "free" fever and are goin' to throw a big open house this weekend. We oughta all get out for it for its going to be pretty good from what I overheard the other day.

Another novel feature will be the complete listing of all of the graduates in the college of engineering and the school of mines at Idaho since 1896. Five hundred copies of the journal will be sent to graduating men students in high schools throughout the state.

The staff of the publication includes Vaughn Iorns, editor; Harold Nelson, managing editor; Russell Tuttle, business manager and Robert Reynolds, circulation manager.

Plans are underway for a W. A. A. camping trip. The group will probably go to Moscow Mountain May 25 and 26. This year all the members and also those who have fulfilled the requirements will be eligible to attend.

SENIORS PRESENT CLEVER ASSEMBLY

Song and Dance Acts Entertain Large Audience Today

A cabaret skit with music, dancing, and snappy repartee was the theme of the assembly given by the senior class this morning in the auditorium.

The curtain went up to reveal a crowd of dancers capering to music furnished by the senior orchestra composed of Clair Gale, Sam Hutchings, Charles Terhune, Lambert Cannon, Maurice Nelson, Howell Hall, and Frank Rettig. These couples seated themselves about small tables when the music ended.

After the fashion of the old fashioned coffee den, the proprietor of the cafe in the person of Burdette Belknap, called upon his guests to furnish entertainment. Estelle Pickrell and Ethel Lafferty, the "Harmony Sisters," were prevailed upon to perform and pleased both their cafeteria audience and the student body with popular songs.

Several clever dances were on the program, including a jazz number by Helch Wann.

The senior quartet consisting of Forrest Howard, Lambert Cannon, William Callaway, and Harry Jones responded to the call of the proprietor with several harmonious selections. Another musical selection which drew loud applause was a duet on two pianos given by Clair Gale and Howell Hall.

Glenn "Pinky" Wright, a husher in the cafeteria scene, and Burdette Belknap, the boss, put the House into an uproar with a snappy dialogue containing pointed allusions to prominent seniors and other "wise cracks."

Responding to noisy calls for music, the orchestra began to play again, and the curtain went down on everybody dancing.

Belknap, Alice Kelly, and Wright formed the committee in charge of the assembly.

Not a Cotton Sock in Campus Full, Report

Late at night the wind was howling dismally about the alley corner. Clouds scudded across the moon. The stars blinked shamefacedly. A whipped dog skulked across the street skirting wide the man who sneaked out of the corner door and stole down the alley, his coat collar turned up over his ears. The Argonaut reporter sidled along the brick building. The culprit sneaked swiftly off and around the corner, but not before the quickwitted reporter caught a glimpse of the man's face. "Ah, it is he," there's the black-matter.

Yes, it was he, the man who published the libelous statement that an Idaho woman wore cotton stockings. Whether she were young or old, handsome or ugly, poor or faddish was not revealed in the news article. But that she was a student of the University of Idaho was revealed. Some eight hundred women are now on the trail of the one who defamed the sex by intimating that one of them would be seen in anything less than two dollar silk wrought hose. According to the home economics department, cotton hose just simply aren't done. And so, it just simply isn't done by the other five or six hundred female John Barrymores.

MILITARY CLASSES TO HAVE NEW ROOMS

Soundproof Classrooms in Basement of New Gymnasium Nearing Completion; Move in This Week.

Sometime this week, offices of the instructors in the military department will be moved into their new soundproof quarters in the Memorial gymnasium, according to Major A. T. Schenk, superintendent of construction.

The new military class rooms which are being completed will be more convenient than the old ones on account of their proximity to the drill field and indoor floor. Double paneled windows are being installed so that it will be practically impossible for the sound of rifle firing in the pit to penetrate into the classrooms.

An iron railing has been set up in front of the rifle pit to insure safety for spectators and men firing.

SOCIETY

The society calendar has been filled during the past week with clever informal dances, the most elaborate of which was the Phi Delta Theta "floating university" dance given at the chapter house Saturday night. Beta Chi entertained with an "Artists' frolic" at the L. D. S. institute hall on the same evening. On Friday Alpha Phi and Alpha Chi Omega freshmen entertained with a joint sport dance at the Alpha Phi house.

Two spring formal dances were events of Friday night. Members of Gamma Phi Beta held their annual formal dinner-dance at the Blue Bucket Inn, and Tau Mem Aleph gave a formal dance at the Hotel Moscow. The oratorio, "Elijah," which was presented by the Moscow Community chorus in the auditorium Sunday and Monday, with Rollin Pease, Chicago bass-baritone as soloist, was one of the most outstanding musical events in the history of the university.

Activities during the week will be the annual senior picnic at Hayden lake, tomorrow, and a group of one-act plays to be presented by the elementary play production class Thursday and Friday evenings.

PHI DELTS GIVE ELABORATE DANCE

The most elaborate dance given on the campus this season, was held at the Phi Delta Theta house Saturday evening when members of the fraternity entertained on board the "floating university."

The guests and their escorts boarded the "S. S. Phi Delt" by means of a gang plank reaching from the front lawn to one of the sun room windows. A uniformed customs officer was stationed on the first deck that overlooked a salty portion of "the bounding main". The other four downstairs rooms were decorated to resemble foreign countries visited on the tour. The Dutch room was a colorful picture of Holland with its windmills and tulips. Incense burners and glowing lanterns were features of the Chinese room, separated by a doorway from a bit of langorous Spain. Pyramids and palm trees adorned the dining room into a portion of the ancient land of the Nile. Life masks of four members of the group peered through the tight swathings of mummies to make the effect more realistic.

Members of the group wore white duck trousers and blue coats, in keeping with the white sailor caps of their guests. Two stewards served refreshments during the dance.

Patrons and patronesses were Mr. and Mrs. Howard David, Ed Turner, Miss Ada Burke and Earl David.

Guests were Ruth Roberts, Lois Taylor, Dorothy Kemp, Vivienne Mosher, Josephine Thompson, Olive Libby, Jean Tedford, Helen Wann, Eleanor Berglund, Louise Lamielle, Valetta L'Herrison, Anne Johnson, Vera Chandler, Marcella Winters, Dorothy Hall, Augusta White, Gladys Timken, Mary Murphy, Elizabeth Taylor, Alma Nedros, Elizabeth Smith, Mary Thomas, Irma Williams, Dorothy Robinson, Verda Doolittle, Elaine Cash, Betty Driscoll, Irma Davis, Bernice Hartenbower, Lillie Gallagher, Linn Cowgill, Gladys Miller, Mary Lou Cox, Jane Dyer, Charlotte Togstead, Dawn Gib-

POPULAR COUPLE TO BE MARRIED

Announcement of the approaching marriage of two of the best-known and most popular graduates of the university in recent years, Leah Tuttle and Jess Buchanan, was made at a dinner held Thursday at the home of Dr. and Mrs. Simmons of Lewiston. The wedding will be held at Lewiston June 10.

Miss Tuttle, a member of Alpha Phi, was graduated here last June. She attended Idaho only two years, having received a graduate nurse's diploma from a Portland hospital. Mr. Buchanan received his bachelor's degree in civil engineering in 1927. He is a member of Sigma Chi social fraternity, Sigma Tau, American Society of Civil Engineers, Blue Key, Silver Lance, Scagbard and Blade and is an associate member of Sigma Xi. His four-year scholastic record of straight "A" grades is the highest in the history of the university. He will receive his master's degree in June.

Senior Exit to Alien Raiment of Classes

The eternal cry, "I haven't a thing to wear" will be wiped from the women's register next Wednesday when the seniors leave the campus for an all day "picnic" at Hayden lake. Every class steps up a notch. There will be no frosh for once.

All the erstwhile first-year students will have the privilege of borrowing anything and everything save bathing suits and formal wear from the sophomores and appearing in these new creations for the day. And so on up through to the seniors. The "used-to was" juniors will saunter along with the aid of canes. The sophomore men will appear legally in cords. Doubtless, if the present weather continues, many junior men will come down with pneumonia the next week from going about hatless.

Friends will be identified by their ears and the way they walk rather than that old blue sweater and the hat for the rest of the school—but some of the more intelligent seniors have already had to begin hiding clothes, a shoe one day, a skirt the next, in order to be sure of being fully clothed next Wednesday, else they won't be able to "sneak".

"I" TANK LARRY

The Idaho nine has returned to its lair, badly shaken but still in the running for either first or second place in conference standing. The five game loss sustained on the road trip was a disastrous ending to a mighty prospectus start.

Credit for what the club has done must go largely to the pitching staff. Lawrence turned in a four hit game against the Huskies but failed to win. Judy pitched air-tight ball but passed balls and errors kept him from winning. With any semblance of hitting the Idaho nine would have copped the contests. The combined curving of Judy and Lindsay held the opposition to six hits, but didn't get them at the right time.

The whole Idaho team is in one of the worst hitting slumps that has visited a Vandal club in recent years. Only two of the regulars are hitting above the .300 mark. If you count backwards, Walt Price is in first place with two hits in 35 times at bat for an average of exactly .056. Maybe the club will wake up and pound W. S. C. for the blows they missed on the road trip.

That broken finger of Cheyne's will damage the club a lot more than most people think. He is the spark of their offense and the plug on the defense. The club has been hitting on two all season, he is one cylinder and the hurling staff is the other.

Hugh Duffy, sophomore, is one of the hardest working boys on the team. Despite the handicap of learning to bat from the left side of the plate this year, he is hitting second and it would help a lot if he would impart his secret to the other eight members.

The game was called off yesterday to give Buck Bailey a chance to get his wind back from the last series with Idaho. If Idaho takes both games this time she will move into third place in the conference.

Grabner seems slated to start the first game against the Cougars with Lawrence on duty for the second. Judy is in the ice-box waiting for the call to do relief duty.

The games Friday and Saturday will be with Whitman at Moscow. The Missionaries took the Vandal team both games very nicely at Walla Walla, but it is time the worm turned.

GREEKS' TENNIS STARTS THIS WEEK

Drawings for Matches are Complete and Tourney Will Get Under Way This Afternoon.

The opening matches of the intramural tennis meet will be played at 4 o'clock this afternoon when Phi Delta Theta meets Ridenbaugh; Beta Theta Pi plays Alpha Tau Omega; S. A. E. meets Phi Gamma Delta; and Delta Chi battles Lambda Chi.

The matches will consist of one singles match and one doubles match with the best two out of three sets to determine the winner. No singles player is eligible to participate in the doubles events. Any man competing on the varsity tennis squad is eligible for the intramural play.

The schedule as announced by John Ehrhardt, manager of the tournament, will be resumed Thursday at 4 o'clock when P. K. E. plays Kappa Sigma; Beta Chi meets Tau Men Alpha; and Sigma Nu crosses racquets with Lindley hall. Sigma Chi drew a bye in the first round. The tournament will be conducted on a single elimination basis.

All five baseball teams in the northern division of the Pacific Coast conference are still much in the race, but the two-game series between the University of Washington and Oregon State college today and tomorrow at Corvallis, is expected to go a long way in deciding the 1929 championship. Idaho was scheduled to play the Washington Stators yesterday but the games had to be postponed until today and tomorrow. The first game is to be at Pullman and the return game will be played at Moscow tomorrow. Four other contests are booked for this week with Oregon playing Washington Friday and Saturday at Seattle, and O. S. C. tangling with the W. S. C. nine at Pullman the same days.

W. S. C. TRACKMEN GIVEN BIG EDGE OVER IDAHO

(Continued from Page 1)

Last year in the two-lap race, in the mile Rex Taylor of W. S. C. has been caught in 4:21 already this year and is a big favorite to take this race handsily over Wiks of Idaho. Health of Idaho is given a fair chance in the two-mile event, but will have to run the event a close to 9:40 to beat out Elhsson of the Cougar squad, and that time is nearly 20 seconds faster than Health's best time this year.

Count on Weights
 Idaho stands a better chance to pick up a few points in the field events. Captain Milford Collins and Jay Boerhave, W. S. C., will battle it out for the first honors in the shot put, both capable of heaves of more than 44 feet under good conditions. In the discus and javelin, however, the Cougars are given a big edge. Hein, Washington State, has been tossing the platter well out over 140 feet this year.

O'Brien Point Winner

In the jumps, Idaho has a sure point winner in James O'Brien who cleared 6 feet 2 inches against Oregon State—a mark higher than any Cougar jumper has gone this year. Lathard and Herron of the Pullman team are being banked on to take first and second in the pole vault over Pearson and Yribar of Idaho who have cleared only slightly more than 12 feet this year so far. In the broad jump, Norman will be Idaho's only potential entry, and he is capable of going 22 feet. Herron of Washington State has battered this distance by six inches this year.

At Idaho could find a fourth relay the pace set by Norman, Klingler and man, with speed enough to maintain Hodson in meets this year. The Van-

 Gentlemen:

Having been a user of Edgeworth for over eight years, I can truthfully say that it is the best on earth. I am enclosing a little ditty that I believe expresses my sentiments entirely:
 Old Man Joy and Old Man Trouble
 Went out for a walk one day.
 I happened to pass when they met
 On the street
 And I overheard them say,
 Said Old Man Trouble, "She's as
 wrong as she can be,
 There ain't no fun in anything to
 me, why
 I was just talking' to Old Man
 Sorrow,
 And he says the world will end
 tomorrow."
 Then Old Man Joy he started to
 grin,
 And I saw him bring out that
 OLD BLUE TIN.
 Then OLD JOHNNY BRIAR was
 next on the scene,
 And he packed him full from the
 OLD BLUE TIN,
 And I heard him say as he walked
 away,
 "You have to have a smoke screen
 every day.
 When a man gets the blues, and he
 needs a friend,
 He can find consolation in the OLD
 BLUE TIN,
 And I jist don't believe on all this
 earth
 There's a thing that'll match good
 old EDGEWORTH."
 Yours very truly,
