## VANDAL GRAPPLERS DEFEAT WASHINGTON-W.S.C.

### FRANKLIN TAKES WESTERN CROWN, BEATS WEBSTER

Intercollegiate Championship in 145-pound Class Won by Idaho Grappler

### COUGARS TAKE SWIM Conquer Vandal Tankmen, 38 to 25; Washington Team Wins Fencing Bout

By taking five throws, two decisions, and drawing two byes, Coach Noel Franklins Vandal wrestlers walked away with 11 points and the meet in the wrestling division of the minor sports carnival between Idaho, W. S. C. and Washington, in Pullman last Saturday. Franklin himself, by throwing Webster of the University of Washington won the western intercollegiate championship in the 145 pound class.

In a dual swimming meet between Idaho and W. S. C., the Cougar splashes won a 38 to 25 victory over the Vandals. The University of Washington took first honors in fencing and W. S. C. won the gymnastics. Idaho entered only one man in this division, Bus Grimm, who turned in the best performance of the day on the parallel bars.

The wrestling division of the meet, which was easily the feature of the carnival, was all Idaho's. A large gallery saw the Idaho matmen made through all opposition for first place honors. In the preliminary events held in the afternoon, Idaho drew two byes and took four falls, losing no matches. Idaho increases lead.

In the finals, the Idaho grapplers took one fall and two decisions to increase their total. Idaho entered six men in the finals and Washington and W. S. C. four each.

Results of the preliminaries:  
125 pounds—Vogel (Washington) threw Gardner (W. S. C.) in 7 1/2 minutes. Grayott (Idaho) bye.  
135 pounds—Kyselka (Idaho) threw Stevens (Washington) in 4 1/2 minutes. Davis (W. S. C.) bye.  
145 pounds—Franklin (Idaho) threw Doheny (W. S. C.) in 5 1/2 minutes. Webster (Washington) bye.

158 pounds—Minzel (W. S. C.) threw Howard (Washington) in 4 1/2 minutes. Swayne (Idaho) bye.  
175 pounds—Norby (Idaho) threw Landauer (Washington) in 6 minutes. Davis (W. S. C.) bye.

Heavyweight—Lopez (Idaho) threw Hurley (W. S. C.) in 7 minutes. Kraetz (Washington) bye.  
In the 115-pound class, Idaho was not represented, so Pease (W. S. C.) and Culp (Washington) met in the finals.

Franklin Wins Easily.  
The two feature bouts of the finals were both won by Vandal bonecrushers. Franklin, Idaho, threw Webster, Washington after toying with his opponent for eight

### PAUL BUNYANS PLAN BANQUET

Associated Foresters' Banquet Will Have Many Notables Present

The Associated Foresters will hold their annual banquet Monday, March 24, at the Blue Bucket Inn, according to Doren Woodward, chairman of the committee in charge.

The banquet which is one of the major events on the organization's social calendar, is annually held on the evening of the convention of the Northern Rocky Mountain division of the Society of American Foresters. About 150 state officials and students are expected to be present. Among the speakers for the evening include E. G. Wieschuegel, assistant professor of Forestry, C. K. McHare, supervisor of the Coeur d'Alene National Forest, and A. D. Decker of the Potlatch Lumber company. Current forestry problems and interests will be discussed. The committee in charge of the banquet are Jack Hume, Russell LeBarron, and Doren Woodward, chairman.

### FENCING DISCUSSED AS MINOR SPORT

Foil and Mask Club Postpone Practice Until New Foils Arrive.

The Foil and Mask fencing club will meet in the tower room of the Memorial gymnasium Thursday afternoon at 4:30. Discussion on plans for obtaining recognition as a minor sport will be taken up. Regular practice for members will be postponed until a shipment of foils arrive from the importers. If additional students have decided to purchase foil sets, another order will be sent Thursday according to officers of the organization.

**BOARD MEETING TUESDAY**  
The executive board will meet Tuesday evening at 7 o'clock. General A.S.U.I. business will be taken up.

### CALLAND AND FOX SEE TOURNAMENT

Coaches Will Stop at South Idaho Town for Athletic Conferences

Leo B. Calland, head football coach, and Rich Fox, head basketball and baseball coach left early this week for the Southern Branch at Pocatello where the two will witness the state high school basketball tournament there, March 13, 14 and 15. The party plans to return here, the evening of March 17, and their itinerary in the southern part of the state will include stop-overs at several of the towns and cities where Calland and Fox will confer with high school coaches on athletics.

### FORUM LEADER'S DISCUSSION TOPICS CHOSEN SATURDAY

Students Form Self Expression Group For Own Advancement

PLAN ATTRACTS MANY Provides Neutral Ground for Faculty-Student Communications

FORUM LEADERS 24 3... BBGM Letters containing the names of discussion leaders of the Men's forum were mailed Saturday to all men's houses on the campus. In the letter was a short list of suggestions as to how the forum could be conducted to the best advantage. Groups desiring to take part in the organization are requested to comply with the rules enclosed.

Plans for these informal after-dinner discussions were formed as the result of much idle speculation in former years. Although the need for such an organization has long been felt, it was not until recently that the movement actually received a definite shape. A small group of Idaho students desiring closer contacts with the faculty, and the outstanding leaders of Moscow, took this means of reaching them on a neutral ground.

Turner Praises Idea. Although the organization is promoted entirely by students, Mr. Ted Turner has consented to the use of his office as a clearing house for any necessary communications. Mr. Turner feels that the Forum will fill a decided gap on the Idaho campus, only fears that it is just a little late in the year to begin.

Other faculty members are divided as to its possibilities. Geoffrey Coope of the English department is highly in favor of the forum. William Harris, proctor of Ridenough hall, spoke disfavorably of the proposed evening discussions while Dr. Hungerford is enthusiastic concerning them.

Little can be foretold as to the way group houses will receive the effort. Its promoters, however, think the experiment is well worth the effort. They believe that any such attempt to reach the more fundamental things of this day is certain to attract a worthy following.

### GIRLS RIFLE TEAM IS NEAR PERFECT

Lucille Glindeman and Lillian Woodworth Shoot 99 Out of Possible 100.

The highest score to be made by the girls rifle team on the new regulation targets was made by the Idaho team against Carnegie Tech. This last week on they shot a score of 99 out of a possible 100. The return from the Carnegie team has not yet been received at Moscow.

Lucille Glindeman and Lillian Woodworth both shot a score of 99; Katherine West made a score of 98 and Dorothy Perkins and Zoia Shaw finished the high five with score of 97 apiece.

The new regulation target now used by all schools was put into use at Idaho last fall. The bulls eye is only about half the size as in the old targets. So far this season all matches have been shot prone, but a sitting and prone match will be shot with the University of California the week ending March 22.

Other matches to be shot the week end of March 22 are with the University of Kansas and the University of Missouri. The freshman team will meet the University of Idaho the week ending March 15.

### DR. STOUGH NAMED DEPARTMENT HEAD

Dr. Howard B. Stough of the zoology department has been appointed by the board of regents to the position of professor of zoology and head of the zoology department. Doctor Stough has been acting as head of the department since the resignation of Dr. J. E. Wagsdale, who left Idaho to accept a teaching position in the university of Minnesota.

Doctor Stough has been at Idaho for the past five years.

### U. OF I. GRADUATES FORM ALUMNI CLUB AT COEUR D'ALENE

Ninety at First Meeting Saturday; 50 Come From Spokane

### COACHES ATTEND

William Reed, Attorney, Elected President; Knudson is Vice President

Enthusiasm and spirit galore marked the organization at Coeur d'Alene Saturday of the Idaho club, composed of approximately 4 graduates of the university living in the city. The new group became the largest active alumni body in the Panhandle.

Fifty members of the Spokane alumni group attended the initial meeting, including Dr. Carroll Smith, president of the Idaho Alumni association. University representatives who were present at the organization meeting were Leo Calland, Otto Anderson and Rich Fox of the athletic department. George Horton, graduate manager, Gate Mix, A. M. Sowder, Abe Goff, Latah county prosecuting attorney, represented the Moscow alumni.

William Reed, Coeur d'Alene attorney, is president of the new alumni group. Other officers are Emory Knudson, Kootenai county prosecuting attorney, vice president; and Ellsworth Sowder, secretary. The group was organized with an initial membership of approximately 40. Coeur d'Alene always having been an Idaho stronghold in the northern part of the state.

### Former Vandals Active

Harold Telford, coach of the Coeur d'Alene high school, and Neil Irving, former Vandal football star whose gridiron exploits have been commemorated in "Believe It or Not" are well known graduates connected with the Coeur d'Alene group. Included in the Spokane delegation were Neal Nelson, '26, another football star of former years, now coach of the Davenport Wash. high school; William Guernsey, '27; Clair Reem and Leo Fleming.

The meetings were held at the Coeur d'Alene court house. In the evening the visiting alumni were entertained by members of the Coeur d'Alene group at their homes. All of the Moscow representatives were called upon for talks. Organization of alumni groups at Kellogg, Wallace, St. Maries and other northern Idaho points was predicted, perhaps this year.

The new group adds another chapter to the alumni organization of the state. Strong groups are maintained at Boise, Pocatello, Nampa, Twin Falls, and other towns in the southern part of the state. Lewiston has an active group in the northern end of the state, Moscow another.

### Spurs Determined To Get Results On Hello Spirit

By Ickabod Hello Everybody! Hello! Idaho has had a peaceful existence but now an advertising bug has bitten the campus. Hello! We have had Apple Week, Write-a-Letter Home Day, and New Broom Week.

But it was up to the Spurs to sponsor a Hello Day. Tomorrow is to be the day. The day of days. It looks as if the women were disgusted by the brutal expositions of the "T" Club and decided to educate the public. Thereby outgiving the "T" Club in the moth balls. Hello!

Anyway, it's a swell idea, and maybe the Spurs will be given official campus rights for pulling hair. Hello! That's what some of these sophisticates need to pull them out of their coma and be sociable. Hello!

### LINDLEY HALL TAKES INTRAMURAL TITLE

Debate Finals for Men Ends in Strong Debate; Decision Difficult

The Lindley hall intramural debate team won decision over the Lambda Chi Alpha arguers last night by a vote of two to one. This debate represented the culmination of a debate elimination contest which has been going on since before Christmas. The question was well prepared by both teams and was hotly contested. According to the judges who presided over the debate a decision was rendered with difficulty.

The victors who upheld the affirmative of the question presented a well constructed argument which their opposers failed to tear down while the losers presented an almost equally invulnerable wall of facts. The question under argument was: Resolved: "That the federal government should develop the hydro-electrical resources of the country." The judges who gave the decision were Dr. Church, J. V. Garland, debate coach, and Mentor Williams.

The men who debated for Lindley hall were Earl Stansell and Weldon Schimke, and the losers were represented by Robert Hoeg and Harold Nelson. Each team was allowed a ten minute constructive speech and a five minute rebuttal.

The finals in the co-ed's debate has been postponed due to the illness of one of the debaters. They will be carried out in the near future and the championship team will be announced.

Dr. and Mrs. Axtell and Miss Katherine Jensen were Sunday dinner guests of Kappa Alpha Theta. Mrs. W. S. McBirney and Mrs. Lew Thrall of Boise were Friday evening dinner guests. Miss Peggy Newhouse of Boise was a house guest Wednesday night.

### DEBATERS LEAVING MARCH 19 ON TRIP INTO FOUR STATES

Paris Martin, Charles Herndon and Coach Garland To Make Tour

### FOUR MEETS SLATED

Vandal Pair to Meet Oregon, Colorado, Montana, and Arizona

Paris Martin and Charles Herndon, varsity debaters, with J. V. Garland, debate coach, will leave March 19 on a tour of Montana, Colorado, Arizona, Oregon, and possibly California.

Four dates have been arranged. Coach Garland said, the opening contest being with the University of Montana at Missoula, March 20. The remainder of the Idaho team's program includes a meeting with Montana State at Bozeman, March 21; University of Denver at Denver, March 24; Oregon State at Corvallis, April 2.

It is possible, said the Idaho coach, that a match with the University of Southern California at Los Angeles will be arranged later.

In debating with all teams except Oregon State, Idaho will take the negative of the question "Resolved that all the nations should adopt a plan of complete disarmament except for police purposes." In the Oregon State debate, Idaho will uphold the negative of the question.

After the Denver debate the team and coach will attend the seventh annual conference of the Pacific Formic League which will be held at the University of Arizona, March 26, 27, 28.

At the conference, Herndon will enter the oration contest with his speech, "Progress—a Part to Progress." Martin will enter the extemporaneous division of the contest, talking for ten minutes on one of 15 subjects to be chosen by the president of the Arizona university. John Ewing, Idaho debater, won second in this division last year.

The league is composed of 14 colleges and universities. Each of them sends two student delegates and one faculty member to the conventions. Each year it is the custom to move the meeting place alternately from the north to the south. According to Professor Garland, who is on the committee for next year, the convention will probably be held at Seattle.

### COSMO. CLUB MEETS

A program of songs in Russian by George Garin and of Filipino music by two of the Philippine students was presented to the Cosmopolitan club at their meeting last Saturday evening. Mr. Garin sang the Siberian Peasants' song and a Voyager's song. Games were played and the evening ended in dancing. Plans for the spring banquet of the club were discussed at the business meeting.

### IDAHO RIFLE TEAM IN SIX SCHOOL CONTEST

Shoot High Score; Other Schools Not Reported; W. S. C. to be Next Opponent

With a total score of 3510, the Idaho rifle team made an individual score average of 351 against North Dakota College, Massachusetts Aggies, U. of Cincinnati, University of California, Rose Poly Institute, and U. C. L. A. last week. The individual scores of the ten highest men were: E. Hulteball 374, P. Manning 371, J. Anderson 359, B. Bunke 355, T. Reardon 349, T. Helmer 348, P. Crox 343, J. Crox 341, A. Moss 338, and R. White 334. Scores of the opposing teams have not been reported in Moscow.

### YEARLING FIVE CLOSES SEASON WITH TWO WINS

Vandal Babes Trounce Moscow High Squad, 34 to 22 Saturday

### TRIM NORTH CENTRAL

Spokane Team Puts up Good Scrap, Losing to Locals 22 to 20

The Vandal Frosh quintet ended its season Saturday with a 34 to 22 victory over Moscow high school. Friday night Jacoby's squad defeated North Central high school of Spokane 22 to 20 in a tight contest.

The youngsters from North Central gave the Vandal babes a good fight from start to finish. The first half ended with the tally 9 to 8 for the Centralites.

The Frosh tried to rally in the second period but it was of short duration. All of the yearling substitutes were used in a futile effort to stop Herman, flashy Spokane guard. In the last few seconds of the game Taylor, Frosh guard flipped in a long shot and pulled the game from the fire. The final score was 22 to 20.

The starting lineup:  
Wicks Nelson F Beeson  
Wicks Shaw F Johnson  
Wicks Parks C Herman  
Wicks Taylor G Schmett  
Wicks Tyrell G Schmett

The yearlings met Moscow high school for a practice game Saturday afternoon to swamp the locals 34 to 22. The first half ended with a 14 to 14 tie.

Wicks and Nelson started an attack of their own with the opening of the second period, and counted up 12 points in as many minutes. Taylor and Tyrell garnered the rest in the last five minutes of the game. The yearling held Moscow down to 8 points while they counted 20. The final tally was 34 to 22.

Starting lineup:  
Wicks F Hints  
Wicks Nelson F Stanton  
Wicks Parks C Hall  
Wicks Auckett G Wilson  
Wicks Taylor G Frei

### WOMEN HAVE TWO DEBATES THIS WEEK

Debate With W. S. C. on Broadcast Program; Willamette and Oregon State Next.

The University of Idaho women's debate team participated in a meet with the W. S. C. team last Thursday evening at Pullman. The debate was broadcast over the station KWSC, and for this reason no decision was given. This is the third debate this season with U. S. C. and the question argued was: Resolved, that the preponderance of women teachers in the schools is detrimental. The team which was entered for Idaho was Lois Porterfield and Gladys Gleason. Idaho argued the negative side of the question.

The Idaho aggregation has two more meets scheduled this week. The first one on Tuesday is with Willamette college and is to be held in the university auditorium. The question for the debate is Resolved: that the modern diversion of women from the home into business and industrial occupations is detrimental to society. The second debate on the schedule for this week is with Oregon State college and involves the same question as the Willamette debate. The team which will uphold the affirmative for Idaho in both these debates is Lois Porterfield and Elsie McMillin.

### MARCH 15 IS FINAL DATE FOR SENIORS

Petitions for Graduation Must be Filed by That Date, According to Registrar

March 15 is the final date for graduating seniors to make out, and their petitions for a degree, according to Ella Oleson, registrar. Her postponement will be made of the date as it is imperative that all applications be in the registrar's hands. March 15 comes on spring boards complete the list of equipment.

### CAMPUS CHAMPS MEET HERE TODAY FOR SECOND TILT FOR SECOND TILT

S.A.E. Five, Representing Idaho, Mixes With Independents of Pullman

### GAME AT 5 O'CLOCK

Idahoans Out to Revenge Close Defeat Handed Them Last Saturday

Sigma Alpha Epsilon cage artists will take the floor of Memorial gymnasium at 5 p. m. today against the Independents, intramural champions of Washington State college, determined to reverse the invaders and even the count in the annual playoff series.

The Independents nosed out the Butterflies in a hair-raising tilt 27 to 26, at Pullman, last Saturday after two over-time periods to win the first tilt in the inter-campus series, and put an end to a winning streak of the Idaho intramural hoopers that continued for 11 consecutive games.

Martin, forward of the Independents, was awarded a foul throw just a split second before the gun barked ending the second extra over-time session and sank the loss for what resulted in the winning margin for the Pullman five. If the S. A. E.'s succeed in defeating the Independents, today, the scene of the deciding and third contest will be determined by a flip of a coin.

### Full Mar Contest

Heavy fouling marred Saturday's contest between the two cage outfits with the Independents capitalizing on numerous penalties inflicted upon the Butterflies to swell their count. The S. A. E.'s for the greater part, were content to do their scoring via scrimmage. At half time the Sig Alphas had forged into the van, 16 to 12 and maintained their advantage until the closing minutes of the fray.

Homer Broek was the chief point getter of the S. A. E.'s, bagging a total of eight points while Jay Taggart, his teammate, accounted for six. Other members in action for the Butterflies were Eddie Peterson, Bill Tatro, Kenneth Barrett, Paul Jones and Clare Barrett. Failure of the S. A. E.'s to reach their intramural-season form is partially blamed for the first defeat as it put a noticeable crimp in the Butterflies' attack. The S. A. E.'s had not played a game since the end of the intramural season.

Last year the Beta Theta Pi of W. S. C. annexed the inter-campus title by taking the series from the local Beta Theta Pi chapter. Saturday's one-point victory of the Independents places them in a commanding position to retain the title at W. S. C. Walt Price is slated to call fouls in today's game.

### SIGMA CHI TRIMS SENIOR HALL MEN

Indoor Baseball Game Shows Resemblance to Track Meet; Starts the Intramural Season.

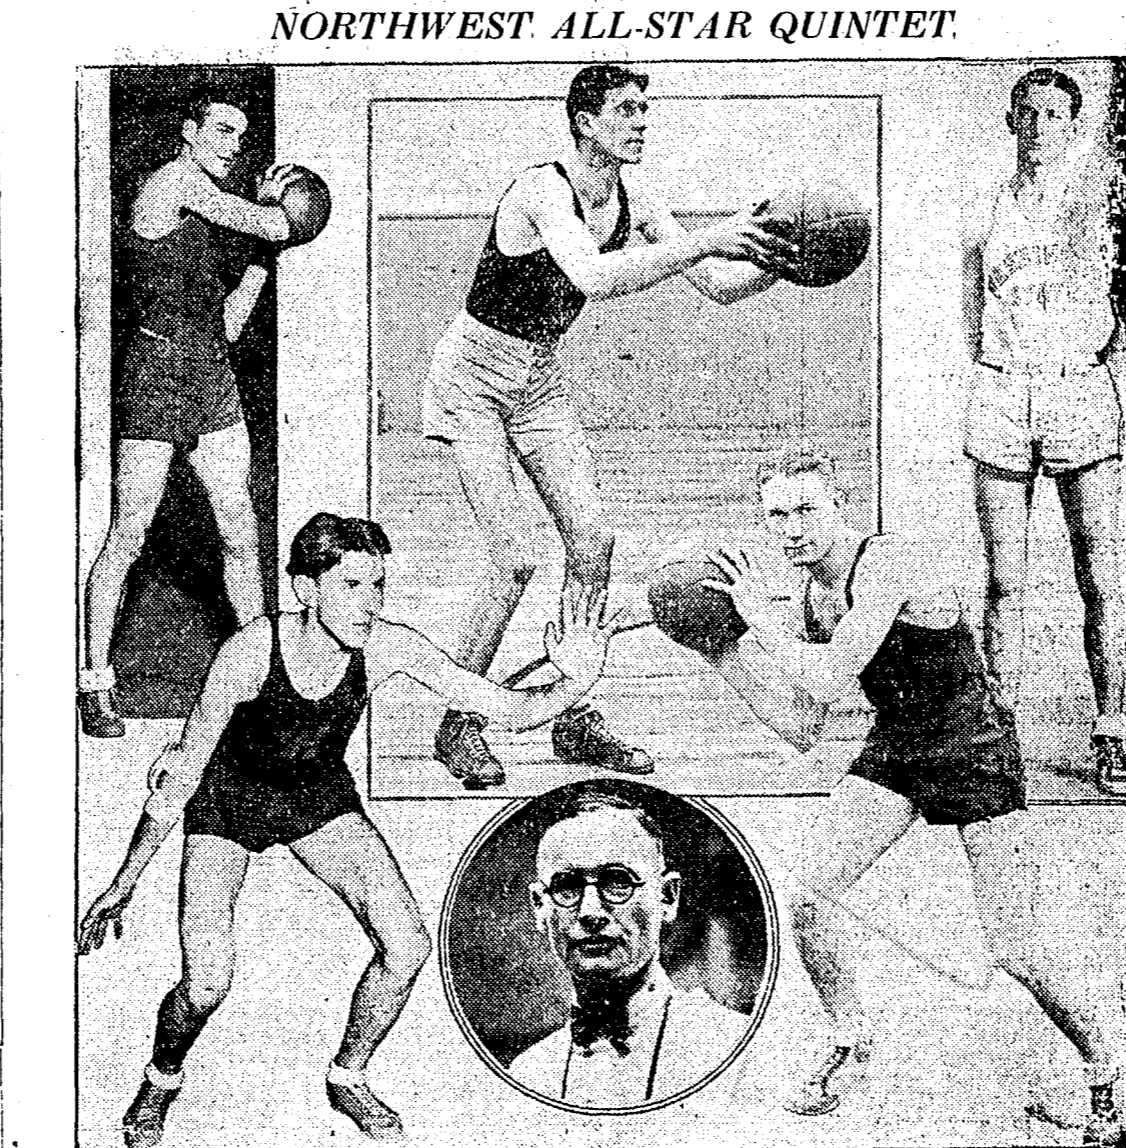

In a sloppy exhibition of baseball the Sigma Chi indoor team defeated the Senior hall tossers, 40 to 19, last night in the Memorial gymnasium. It was the first game of the intramural series. The contest was a farce and looked more like a track meet than a baseball game at times. Hult and Niedermeier did the pitching for the former team and Lake caught. For Senior hall, Chisholm pitched and Kroll did the receiving.

The Sigma Nuts will meet Delta Chi tonight at 7:30 in the Memorial gymnasium.

The schedule for March 19:  
March 12—Betas vs. S. A. E.  
March 13—T. O. vs. Fijis.  
March 14—T. M. A. vs. T. K. E.  
March 15—Phi Deltis vs. Lindley hall  
March 17—Beta Chi vs. Lambda Chi.  
March 18—Ridenbaugh vs. Kappa Sigma.

### QUEER GADGETS FILL "STRONGFORT" ROOM

One of the back alleys that is little known to some Idaho students is the exercise room in the Memorial gymnasium. It is on the top floor directly over the coaches' room. Wrestlers spar with themselves and go through strange contortions on the rubber mats. They bang themselves up and down, twist and flop as if they were ideal candidates for a straight-jacket. In one corner is a strange contraption known as a rowing machine. It is the height of prohibition; not even a drop of water is in sight for the aspiring oarsman. Another piece of apparatus is a weight machine for strengthening the neck muscles. A harness fits on the head, and the follower of Lionel Strongfort twists his head around while the weights in the rack bob up and down. Medicine balls, weights, all applications be in the registrar's hands. March 15 comes on spring boards complete the list of equipment.

THE ABOVE PHOTO SHOWS THE ASSOCIATED PRESS consensus all-star northern division Pacific Coast conference 1930 basketball team, and Hec Edmundson (inset) coach of the championship Washington five. The quintet consists of three Washington stars, one Idaho player and one Washington State college ace. The photo shows (left to right, top row) Ralph Cairns, Washington guard; Hal "Stork" McClary, elongated Washington center; and Art McLarny, Washington State guard. Lower row, left to right, Hank Swanson, Washington forward; Coach Edmundson, and Harold Stowell, Idaho forward and leading scorer of the northern division race.

### "Four Short Years"—And Then Some

COLLEGE spirit is a rather vague term. Morale, esprit de corps—whatever it is that makes a university more than a cold institution dispensing degrees—extends beyond undergraduate days on the campus.

Proof that interest in the university is a force not limited to "four short years" is carried in today's news columns, in the story of the organization of the Coeur d'Alene alumni group. It is one of many similar and older groups in the state and other states, but its organization may be the beginning of a new era of activity in Idaho alumni circles.

Geographically Idaho is at a disadvantage. Located in a state where the population is widely scattered, the university does not have the advantage of a close knit alumni organization such as is possible in many other regions. Realizing that handicap, alumni leaders are directing their efforts toward the formation of a unified body working for the betterment of Idaho.

Speakers at the Coeur d'Alene meeting outlined an expansion program to establish Idaho clubs in other points in northern Idaho. The present groups are too few to include the organized cooperation of all former students, widely scattered as they are. Willingness to help means little without direction and organization.

The alumni are to the university what, satisfied customers are to a progressive business concern, forming that all important entry, good will. Idaho's growth has been made possible through the efforts of all her students back to the date of its founding. Its future progress lies not alone with those now actively connected with its development, but also with its alumni, whether they received their sheepskins in years past or whether they will receive them at commencements to come.

### There's No Excuse

MEMBERS of Spurs, Underclass Women's service group tomorrow intend to make a long-needed effort toward the rejuvenation of one of Idaho's most worthy traditions.

Tomorrow will be "Hello" day on the campus, the gold and white jerseyed coeds leading the way with beaming smiles and cheery salutations. There are too many of us who are prone to pass our classmates by without even the slightest evidence of acquaintance, say these underclasswomen, and they're going out tomorrow to show us just how much difference a few smiles and cheery remarks will really make.

We agree that Idaho has been slowly but surely casting aside the one thing that, among all, perhaps is the strongest unifying force in the entire student body. And we agree that certainly if any tradition was in need of succor, certainly it is the "Hello" tradition. Yet we cannot find an acceptable excuse for allowing ourselves to drift away from such ideals as are embodied in this tradition. There is no excuse.

Search for the reason and we uncover the repulsive truth—we are becoming so engrossed in ourselves and our selfish pursuits that we would rather ignore the rest of the world than take the trouble to add a bit of cheer to our surroundings.

### Professional Publicity

COLLEGES today are to a considerable extent—to use a homely phrase—hiding their lights under a bushel. Extensive researches are carried on within laboratory walls. The results are published in scientific treatises, couched in scientific terms. None but scientist can understand what they mean or derive any benefit from these extensive studies.

Newspapers represent a contact medium between the research specialist and the farmer of business man, to whom graphs and tabulations mean little. The reporter acts as a translator. Occasionally he errs. Then the wrath of the professors descends upon the Fourth Estate.

Many a professor feels delighted if a student shows he has absorbed 95 per cent of what the professor said in his lecture, but the same professor is irritated when a reporter makes an error of 5 per cent.

Newspaper workers are human. They are willing to be told they are wrong if they are told courteously, and they are likely to show the same reactions as other people if told in words of anger. Closer contact between educators and newspaper workers would reduce this distrust and fear.

In an educational institution every member of the faculty and staff should be allowed complete free speech, with the understanding that no person could speak for the college, but merely for himself. Under a system of co-operation between professor and reporter, significant facts of value to the world outside could be conveyed to those people who can benefit most from research findings, but who are unable to get these findings in a digestible form.

Newspapers occasionally make errors, just as do professors. The old joke that a doctor buries his mistakes, while a newspaper publishes its might well be borne in mind. Understanding of the good purposes of both professions will go a long way toward rendering the results of scientific and educational research of value beyond the narrow confines of collegiate circles.

### No Case

ITS OWNER is one of America's best dressed men. Its editor a seeker after novelties, Vanity Fair itself needs must be different, chic, ultra modern, esoteric. That esoteric composition has long guaranteed it a place on the dressing tables of ladies that languidly smoke long cigarettes in longer holders, talk of Aldous Huxley as though he were important, drink other beverages than lemonade, applaud Michael Arlen when not stifling yawns. Country doctors have eschewed it, have had other, more domestic magazines in their roccoco waiting rooms; their wives read it avidly, serve cold meals, admire Swami when he comes with the first breath of spring.

For five months, this sophisticated sheet avoided capital letters, under the direction of Russian-import Mehemed Felmy Agha, gave its public stories, articles, headed throughout in lower case type, spoke in headlines of "evt la gal gallienne," "corey ford," "mary pickford." Now it announces to an expectant world that it returns to the rut of its colleagues, uses "caps." Thoughtful of the eyes of its readers, accustomed to other, less progressive journals it feels that lower case is still better, more beautiful, attractive, but still too novel, too trying, for Vanity Fair to attempt to educate even its intellectual public up to the level of its advanced editors.

Not far wrong are shrewd Agha, Nast, Crowninshield, moguls of the periodical. Always beautifully made up it need not alienate the moss backs of the hinterland, wives of Kansas ministers who still write their names in capital letters. Modernity, striving for simplicity, will eventually go far beyond the simple, childlike forward steps of sartorial exemplar Nast. Words, all in lower case, with nary a punctuation mark, will have nothing to do with the orthography now used in the academies. Art and music forms, following the laws of what we proudly term evolution, will little resemble the mumbo-jumbo of the decadents of 1930. Vanity Fair's effort was a gallant one, was ahead of the times. Someday vindication will come as it did to the first American to wear spats. Spats now sprout over rubbers in Helena, Montana. Vanity Fair will be read there too, capitals or no capitals. Thus moves the world along in seven league boots, with long strides, redingigaret advertisements that are never punctuated—EX.

# Sleeper Sam

O-Hello-O-Now is the time for all good men to come to the aid of their fraternities by checking up on the blankets in their dorms. It is singular, but from now on the house blankets have a habit of disappearing to return with—shall we say mud, spots, or—well, let us say debris. But, then, one must consider both sides of a blanket, although in either case it is warmth.

### Ain't Life Grand When Spring Hits Idaho's Campus?

Ain't life grand? But there is a fly in the ointment, in fact a whole horde of them. School continues. We look curiously on these artists and surveyors. They are the only ones with any luck. While they are getting three credits for gambling on the campus all afternoon, we attend an education class, or study mathematics in the library. There just ain't no justice!

Spring has sprung! The A 7 Os obstruct traffic while they line up in the street to show the world their batting averages. At great peril to themselves and the schoolward bound populace the Phi Gams kick a football back and forth. The Tri Dells and the S A Es toss a friendly baseball to and fro across the street. The Kappas are out in full force, also the Phi Dells and the Sig Chis.

By twos and threes we stroll down the street, licking chocolate ice cream cones and swinging tennis rackets.  
I've got the spring fever so bad my fingers are all big toes, my brain is all in a whirl, and I flat all my typewriter keys.  
Ho—hum mmm

Oregon State Colleg e, Corvallis, (P. I. P.) Old Man Rain evidently has a grudge against those brave ones on the Oregon campus who dared venture forth during the first warm days of spring garbed in linen knickers or light spring dresses.

### Hilarious Throng Sends College Pal South "For Rest"

Drums boomed; trombones slid along, cornets blared on notes that never had been heard or deciphered before. Another raving Romeo had given up the ghost and decided to leave school.

Whether Boise or Yellow Pine have a milder and more beautiful spring than Moscow, is not known, at any rate Jack has gone south for, as he termed it, "a much needed rest", promising to return next semester and resume his search for the elusive diploma.

Friends of the departing "student" organized a band at the corner of the campus about five o'clock Friday afternoon and began the search for the "Great" Lavender, better known as Jack, locating him finally at the Fiji Annex looking for a suit of some fraternity brother's underwear to make his wardrobe and a long trip a great success.

The lad had to be bribed out of the house by some generous fellow with promises of a nice long snipe in front of the Nest. That was easy—as the door closed behind him, the reception committee lifted Jack high on their shoulders and the band struck up a lively tune. The medley consisted of a group of pieces from the great opera—"How Dry I Am", and a few selections of Idaho songs which no one knew. The escort went through a bunch of trick drills which appeared to the on-looker as if it might be the R.O.T.C. review of last spring. To recuperate from such entanglement was of no small concern, but the procession went bravely onward, headed for the station.

Everyone thought it a big joke at first, although they hated to see Jack leave for the land of steak and no studies. Toward the last few minutes the atmosphere of hilarity was a forced one. Jack was going. It was the climax scene from "The Last Mile". Jack kept a face, but the tears almost came. The conductor bid a spade trump and the train chugged its way out of the station. Jack had gone.

Next morning, the Fijis received the following telegram, "Send trunk. Forgot to check it during all of the excitement."

## ENGINEERS PLAN THIRD BIG SHOW

### Foresters, Miners, Chemists And Engineers Work On Affair

General plans for the third biennial Engineers' show which is to be held on the campus this spring, were started with the appointment of a general committee to handle the affair. The Engineers' Show is sponsored by the Associated Engineers, the Associated Foresters, the Associated Miners, the Chemistry Club, and other technical departments of the university. The show is held alternately at Washington State College and at the University of Idaho. Spokane engineers will attend the show.

The show is in the form of a scientific exposition in which all of the equipment, laboratory machinery, and processes are in full operation. Townspeople, university students and students planning to attend the university are guests at the Engineers' show. Meeting Wednesday

The first meeting of the general committee will be held Wednesday afternoon in the Engineering Building. The personnel of the committee is as follows:

A. I. E. E., Wayne McCoy and Donald Russus; Am. Soc. C. E., Fred Johnson; A. S. M. E., Glen Patchen and William Galigher; Chemistry Club, George Kalousek; Associated Miners, Floyd Albertson; Associated Foresters, Joseph Lanor and William Krummes; Publicity, Harold Nelson and Ralph Hagan; Secretary, Lawrence

**SPRING-LIKE** weather, as well as the nearness of St. Patrick's day, gives society many inspirations for approaching affairs through added opportunity for colorful decorations and a greater delight in participation in the gay and frivolous.

Friday evening Forney hall entertained at a formal reception for faculty members. An informal reception, Sunday afternoon, given by the fraternity of Phi Gamma Delta in honor of its house mother, was another delightful and unusual function of the week end. The Delta Gamma formal at the Blue Bucket on Friday evening, was rendered attractive by the atmosphere of spring created.

Saturday evening the Bench and Bar formal at the Alpha Tau Omega house was the outstanding event. The Gamma Delta underclassmen's informal, that night also, was unique and enhancing in the scheme of futuristic decorations used. Ridenbaugh hall also entertained at an informal dance Saturday evening.

This week there is a great deal in store for the socially inclined, beginning with the one-act plays to be presented by the dramatic department Wednesday and Thursday evenings. Friday night, Sigma Chi will hold its annual cabaret, which promises to be an extraordinary occasion. The "I" club formal is set for Saturday evening and is also being anticipated by many. That evening, also, the Phi Delta Theta informal joint dance with the Pullman chapter will be held here. Delta Chi's underclassmen's dance is also scheduled for Saturday evening.

**PHI GAMMA DELTA UNDERCLASSMEN HOLD DANCE**  
The underclassmen of the fraternity of Phi Gamma Delta held an informal dance Saturday evening at the chapter house. Decorations were extremely appealing, bringing out the futuristic idea. Striking colors lined the walls, each one in close harmony with the others. With the focusing of blinker lights upon the blending shades of color, a very pleasing effect was created.

**HOUSEMOTHER HONORED BY RECEPTION**  
The fraternity of Phi Gamma Delta held an informal reception in honor of its house mother, Mrs. Hill, Sunday afternoon. Over three hundred invitations were sent to townspeople, faculty members, group house presidents, and other prominent students of the university. Vocal selections by Pauline Paterka, violin selections by Ruth Newhouse, accompanied by Annie Snow on the piano, furnished the entertainment. Lighted crimson tapers in harmony with carnations of the same color adorned the service table. Pouring were Mrs. J. J. Gill, and Mrs. H. H. Mitchell. Sisters of Phi Gamma Delta served.

Edward Poulton, Mrs. Hill, Mr. and Mrs. Max Griffith, Mr. and Mrs. John Feehey, and Miss Pearl French were in the receiving line. Delta Gamma entertained Friday night with a formal dinner dance. This dance is one of the biggest events on the social calendar of the chapter and annually ushers in a round of spring entertainments. Patrons and patronesses were Mr. and Mrs. Irving Jones, Mr. and Mrs. Frank Stanton, Dean and Mrs. Eldridge, Miss Belle Sweet, Mrs. E. C. Given and Howard David. Out-of-town guests were Mrs. Carl Bonham, Boise; Katherine Kaholt, Weiser; Katherine Mailar, Cheyenne, Normal; Peggy Newhouse, Boise; Agnes and Drew Little, Emmett and Robert Naylor, Boise.

Guests of the chapter were George Huber, Charles Greystill, Russell Hanford, Mel Stewart, Jim Doyle, Bert Woods, Max Eiden, Tilmer Davidson, Bill Cadigan, Kenneth Bradshaw, Norman Alvord, Howard Bush, William Babcock, Patrick Walker, Ralph McCabe, Gene Ware, Ambrose Adams, James Hockaday, Ralph Olmstead, Howard Langley, Donald Tilley of Walla Walla, William

## FRESHMEN DON SPIKED BROGANS

Wealth of Promising Material On Hand as Training Begins

Freshman track prospects are exceedingly bright opines Otto K. Anderson, varsity and frosh track director who has had under his observation for a period of almost a month, a squad of 20 or more potential yearling cinderpath and field stars.

Coach Anderson is elated over his array of rook track candidates to such an extent that he predicts they will have an excellent chance to defeat the varsity in a dual meet. The frosh are working out daily with the varsity in Lewis court and will continue to do so until conditions allow practice on McLean field. Dual meets this season have been scheduled with the Washington State College freshmen and Gonzaga University.

In Bill McCoy and John Thomas of Los Angeles, Roy Bunn of Caldwell and Harry Dewe of Coeur d'Alene, Coach Anderson has a quartette of cinderpath performers that should bring many points to the Vandal freshmen this season. McCoy is an outstanding pole vaulter, having cleared 12 feet 7 inches officially in a prep meet in credited with running the mile in 4 minutes, 36 seconds and should reduce his time considerably this year under the coaching of Otto Anderson.

**Has Past Record**  
Bunn was brilliant broad jumper and sprinter at Caldwell high school for several seasons and reveals much promise in practice. Dewey was the mainstay of the Coeur d'Alene track team for three years, having officially cleared the bar at 11 feet, seven inches in the pole vault, and five feet, ten inches in the high jump. Dewey and McCoy of Ione, Wash., are all safe bets to score in the sprints. George Wilson, Moscow, will report later, giving Anderson a host of crack sprinters. In the 440-yard event are Gordon Rice of Lowell and Richard Janda of Hollywood.

Thomas, Los Angeles, will be depended upon in both the mile and half mile. Don Gravott, Salt Lake City and Richard Mooney; Coeur d'Alene will be used to advantage in the half mile. Fred Doerrle and Hall are looming up good in the mile run.

Bunn and Baldrige appear to be the best in the broad jump with Dewey outstanding in the high jump. Earl Alden and Glenn Tarbox, both of Bovill, will make their debut to the squad after the close of the frosh hoop season, Tarbox competing in the 440-yard run and Alden in the high jump.

Lee Terril, Moscow, and Charles Justus, also members of the frosh hoop squad, should bolster up the track squad in several respects, after the close of the cage season. Justus has proved himself a very capable javelin tosser as well as an adept in flipping the discus. Terril will be used in the shot put, along with Harris and McCoy. McCoy is the best prospect for California last season. Thomas is the hurdle events.

## NEW COURSE TRAINS FOR PROSECUTION

Training of future prosecuting attorneys is the purpose of a new course which has recently been added to the curriculum of the University of Idaho college of law. The course, which is catalogued as "Criminal Procedure and Administration," will serve as a means of correlating the work of the college of law with the Idaho bar, Dean W. A. Masterson believes.

The new course is being given by Prof. Pendleton Howard, who joined the law faculty last fall. Professor Howard is a Columbia university graduate, and while doing post graduate work at that institution spent two years in England studying criminal law and procedure, a subject in which he is recognized as an authority.

Professor Howard is well fitted from a practical lawyer's standpoint, having served eight years as an assistant prosecuting attorney in New York county, New York.

### CRENSHAW GIVES ORDER TO RESUME OUTSIDE DRILLING

#### R.O.T.C. "Sojers" Will Begin Hoofing Up and Down Campus Next Monday

#### IF WEATHER IS O. K. New Officers' Uniforms Due Soon; First Inspection About May 1

Idaho's R. O. T. C. soldiers will be released from the dank confines of classroom and march to drill outside next Monday, if Old Man Winter stays away, according to Capt. B. M. Crenshaw.

It will be with a feeling of no little exhilaration that the reserve officers once more trod the turf on MacLean field to the tune of a snappy march and the shouts of their superior officers. All winter the men have drilled inside.

Uniforms for all men who entered advanced corps training this semester are expected to arrive within the next two weeks, Captain Crenshaw said. All cadet officers will meet next Thursday at 11 o'clock for a group picture.

Lieut. Col. Edmund C. Waddill, R. O. T. C. representative of the Ninth Corps area, probably will visit the Idaho regiment May 1, for an official inspection, it was said. Lieutenant Colonel Waddill was here April 25 of last year.

### ONE ACT PLAYS OPEN TOMORROW

#### A.S.U.I. Books Will Admit Students to All Performances

All students are to be admitted to the one act plays which will be given tomorrow and Thursday evening by presenting the A.S.U.I. books. Townspeople and faculty will be charged an entrance fee of 25 cents.

The first play on the program will be "Postal Orders" which has a double cast as follows; Wednesday; Shirley Cunningham, Hazel McCannon, Grace Eldridge, Lois Kennedy; Thursday—Frances Larson, Murtha Homes, Ruth Garver, and Mary Murphy. Howard Altonow will take part both nights.

"Upper Forty" the second play includes Lloyd Wiedman, Bess Louise Hogg, Ronald Sturman, and Virginia Stewart. Wednesday; Chester Brink, Camille Harris, Eunice Phillips, Bob Gra, Thursday, while Winfred Janssen and Donald Higby will appear each evening.

Cast of Characters  
The cast for "His First Dress Suit" for Wednesday is composed of Elinor Jacobs, Lorna Moore, Bill Ennis, and Bob Dice, while Katherine Hart, Bonita Lowe, John Torrey and Charles Herdon will take part Thursday.

The last of the plays will be "The Valiant", which is the only tragedy of the group. It is especially interesting because it is one of the few classic one act plays. It has been produced both on the screen and on Broadway. Bertha Moore and Lenore Grosjean as Josephine Paris have the only double roles. Lenore Grosjean will perform Wednesday and Bertha Moore will appear Thursday. The remainder of the cast consists of Wallace Monatt, Leland Cannon, Lionel Campbell and Stewart Mingo.

Miss Helen Kersey and Mrs. Matthews are coaching the plays under the supervision of Mr. Cushman, head of the dramatics department.

### WILCOX TO SPEAK HERE WEDNESDAY

#### University of Oregon Faculty Member to Talk on Appreciation of Art

Tomorrow at the regular Wednesday assembly W. R. B. Wilcox, an architect and member of the University of Oregon faculty will speak on "Appreciation of Art and a Liberal Education."

Mr. Wilcox's visit is made possible through arrangements with the committee on education of the American Institute of architecture. This organization sends speakers to various colleges and universities to develop appreciation in architecture and other fine arts. Just recently they have included the northwest in their territory, and Idaho is very fortunate in having Mr. Wilcox here. Besides serving on the University of Oregon faculty he has been a director and vice president of the American Institute of Architects.

At 4 o'clock in Science 110 Mr. Wilcox will speak on architectural history and development of Washington, D. C.

There will be special music for the 10 o'clock lecture. Irwin Tomlinson will sing two numbers and Gladys Gleason will play a piano solo.

### ATHLETIC BALL TICKETS ON SALE

Tickets for the athletic formal dance have been placed on sale in the men's group houses. The dance is to be held at the Elk's temple on March 15 starting at 8:30. Music is to be furnished by Rosie Layne's eight piece orchestra. The ticket sale will be limited to 100 couples at \$1.50 per ticket according to Geo. V. Hjort, chairman.

minutes. Franklin, who had not even worked up a good sweat, held his opponent on the mat, casually asked the referee how much time was left and then proceeded to pin both of Webster's shoulders flat on the mat. He now holds Webster's title as western inter-collegiate champion in the 145-pound class.

Dan Lopez, heavyweight, threw "Long John" Hurley of W. S. C. in the semi-finals in seven minutes. In the finals the Idaho heavy weight, who weighed in at 194, was matched with Kraetz of Washington, who tipped the scales at a slyph-like 235 pounds. Lopez started out like a gentle breeze but the bout soon became rough and the Idaho grappler began to throw his larger opponent around in a rather undignified fashion.

Lopez Gets Decision.  
The referee awarded Lopez the decision at the end of ten minutes. Results of the wrestling finals:

115 pounds—Pease, W. S. C. threw Culp, Washington. (Idaho did not enter in this division.)

125 pounds—Vogel, Washington, threw Grayott, Idaho.

135 pounds—Davis, W. S. C. threw Kselka, Idaho.

145 pounds—Franklin, Idaho, threw Webster, Washington.

158 pounds—Minzel, W. S. C., threw Swayne, Idaho.

175 pounds—Norby, Idaho, decision from Davis, W. S. C.

Heavyweights—Lopez, Idaho took decision from Kraetz, Washington. Score of wrestling meet: Idaho 41 points, W. S. C. 30 points, Washington 20 points.

In the Idaho-W. S. C. dual swimming meet, the Vandals were able to annex only one first place, consequently losing the meet by a 38 to 25 score. Grimm of Idaho splashed in ahead of the field in the 100-yard backstroke.

Results of the swimming meet: 50-yard dash—

### TRACKMEN START OUTDOOR PRACTICE

#### Early Meet Spurs Squads to Rapid Conditioning, Contestants Still Unnamed

With their practice meets against the cinderpath squads of Washington State College to be held in the mammoth field house of the Cougars at Pullman, less than two weeks away, varsity and frosh track and field teams of the University are rapidly being whipped into early-season condition by Coach Otto K. Anderson, prepared to embark upon heavy season campaign early in April.

Anderson has announced boldly that candidates for the two squads will soon break their monotonous indoor confinement and appear on McLean field to begin extensive training preparations which will culminate until the date for the first regular meet on schedule, draws near.

40 Out for Varsity  
No announcement has been forthcoming yet as regards the number of contestants Coach Anderson will enter in the meets at Pullman, March 22, but indications are that the Vandals will be represented with several men in all events.

Jakeway—May I have this dance?  
Margaret—Sure, if you can find a partner.

Approximately 40 aspirants for the varsity track squad and 20 for the yearling squad are reporting for duty regularly to Anderson in Lewis Court. Marks of the contestants are revealing gradual improvement almost each, succeeding day and with such a fine spirit already manifested among the varsity and rook track men, prospects for a successful season for both squads are assuming much better outlooks.

### HIGH SCHOOL FIVES PRIMED FOR OPENING OF TOURNAMENT

Eight crack high school basketball teams, representing the cream of the state's hoop talent, will commence play Thursday in the eleventh annual state interscholastic hoop tourney to be held at the Southern Branch, Pocatello, in Reed hall, March 13 to 15. From out of the three-day maple court fust will emerge a prep quintet to be heralded as the 1930 state champion.

Coeur d'Alene high school Vikings, state runners-up last year and finalists the year before, are pitted against the Twin Falls Bruins in the tourney opener, beginning at 2:30 p. m. Thursday. The Boise Braves, southwest district champions, will oppose the Moscow high school five, north central zone finalists, in the second game on the program for Thursday. In the evening of the same day, Montpelier, southeastern champs, tangle with Madison high school of Rexburg, eastern district winners. The last game in the first round will find the Pocatello aggregation, host team, engaging Arco, entry from the central (mountain) region.

Moscow and Coeur d'Alene both boast of strong quintets from the remote north districts of the state while Pocatello and Boise loom as formidable in the southern part of the state. The Bobcats from Rexburg, with a veteran lineup intact, should cause plenty of grief for teams with titular aspirations and will no doubt make a strong bid

for title laurels. Twin Falls and Montpelier are neither ignored and should have to be reckoned with seriously in the final outcome. Arco is expected to offer but little opposition to the Gate City five as the mountain cascade trossers had to emerge victorious in its district while in competition with but two other teams.

Nevertheless, Arco appears sufficiently strong to upset the dope and possibly earn the state crown, as two quintets, hailing from small towns did nine and ten years ago, Weston in 1922 and Driggs in 1921.

The tournament this week is to be conducted on the single elimination plan with a defeat putting a team out of the titular picture. Ten games have been booked with a consolation bracket to produce a third-place winner.

Previous Winners.  
1921, Driggs.  
1922, Weston.  
1923, Moscow.  
1924, Boise.  
1925, Rupert.  
1926, Lewiston.  
1927, Pocatello.  
1928, Coeur d'Alene.  
1929, Pocatello.

### STUDENTS OUT ON ALKI CHARGE

Suspension for the remainder of the academic year was the punishment meted out to four University men, all residents in one unit of the new men's dormitory, for the offense of having liquor in their possession and serving it in public. The student advisory committee decided on the penalty in a long session Wednesday afternoon.

Two other students who were involved indirectly were exonerated by the committee because of the slight degree to which they were responsible.

The suspension of the four men holds until June 15, after which time they may re-enter the University, either at summer session or next fall term.
