VANDALS PUT UP GAME BATTLE ON WASHINGTON FIELD

Phelan's Warriors Outclassed in First Half; Aerial Attack Brings Victory

RESERVES TURN TIDE

Calland's Men Wear Down Before Constantly Changing Line; Score 27-0

"Idaho fights is a tradition. The team that represented Idaho in Seattle last Saturday lived up to that tradition. Every man did his best against superior odds, which is all that can be asked of anyone. As coach, I am probably more interested in the success of the team than anyone else. I am proud of my team for the way they fought. We are going to worry some of our opponents before the season is over."

COACH LEO CALLAND

Fifteen thousand spectators in Washington's stadium Saturday saw the stubborn Idaho Vandals outplay Jimmy Phelan's Huskies in the first half, only to be battered into submission by a continuous procession of Purple and Gold reserves in the third and fourth periods.

Phelan's men scored once in the second quarter, once in the third and twice in the last to chalk up 27 points while the Idahoans went scoreless. Washington kicked goal three times out of four attempts.

The Vandals opened the game by smashing the ball to the Washington 26 yard line, chalking up three first downs during the drive. Two Washington fumbles gave the Idahoans chances to score but the Huskie line stiffened each time and finally a long pass from Johnny Oberberg to Bledsoe carried the pigskin to midfield where the elusive halfback evenly ran the second quarter. Oberberg finally broke away for a 22 yard run around right end, flipped a 9 yard pass to Bledsoe and carried the ball over on the next play to count 6 points.

Idaho Set Back 15 Yards

Cherberg having done his work, was replaced by Martin in the Washington backfield who proved equally as effective. In the third period Berg was thrown for a 5 yard loss on the fourth down and the Vandals were penalized 15 yards on the play to give the Seattle men the ball on the Vandal 16 yard line. Martin took up the job at this point and smashed the line twice for a first down. On the next try he circled end for Washington's second score.

Calland's men were fast tiring as the last quarter opened and Phelan kept shooting in fresh reserves who kept the Moscow men in check until the final gun. August Buse, the giant fullback, worked the ball in Idaho-scoring turf twice, once by a 16 yard end run and again with a center smash from the one yard line.

Play "Heads-up" Ball

George Wilson, sophomore quarter, was the shining light in the Vandal backfield. Twisting and turning through the Husky line he was responsible for the Idaho drive in the first period. From then on the Washingtons had him marked but the crowd had the thrill every time he packed the oyster shell. Corkery Spaugy and Taylor played "heads up" football and held their own against the heavy Washington backs.

Results of the play show that the Huskies had to take to the air to grab a win from the fighting Vandals. They garnered 174 yards from scrimmage while the Idahoans were marking up 135. Phelan's men had 14 first downs to Idaho's 9 but the Vandals made seven of their total in the first half while the locals were able to make but two. However the Washington superiority is shown in passes for a total of 138 yards and the Vandals were able to work but one out of six tries for 15 yards.

Vandals and Cougars Found Strong For Brotherly Love

By R. Gibbs.

Here's one to spring at the next pledge dance if you want to be the most popular person there. How are the University of Idaho and Washington State college like two brothers? You can readily see that this is a deep one, of course, nobody will be able to figure it out. You, however, by wading through this article, will know the answer; and, hence, will be the most sought after individual at the party.

Briefly, our own Idaho and W. S. C. are akin to two brothers in the following respect:

Two brothers engaged in a fistful combat will cheerfully attempt to murder each other, but let anyone else try to stop the fight by battling one of the brothers on the side of the head, and both will start sending right hooks in the general vicinity of the conscientious intruder so fast that he never will know what really happened.

A striking parallel to the brotherly reactions is found in the attitude of Idaho and W. S. C. toward one another. Let these two schools

ALPHA KAPPA PSI MEETS CONSULAR

Harry Silke, National Officer Speaks to Business Honorary; Suggests Alumni Chapters

The establishing of alumni chapters of Alpha Kappa Psi, national honorary business fraternity, at Spokane and Boise, was the subject of an informal talk given by Harry Silke, Saturday morning at the Blue Bucket Inn.

Members of the local chapter met at the breakfast to welcome Silke, district consul of the west area, and to discuss plans for the coming year.

The establishment of a national employment bureau at Indianapolis for Alpha Kappa Psi is another plan that they are working on.

SWIMMING CLUB MEETS THURSDAY

The American Red Cross Life Saving club met for its first organized meeting last Thursday evening. Plans were discussed after which the members had a practice swim. About 15 men and women were present.

The next meeting of the club will be Thursday evening at 8 o'clock at the brink of the pool in the gym. All students who have a senior life saving emblem are urged to attend, said Stanton Hale, president.

LAMBDA CHI TAKE VOLLEY BALL TITLE

Defeat Phi Delt's Two Out Of Three For Championship

Lambda Chi Alpha, champions of "A" league, defeated the Phi Delt's champions of "B" league, score 15-3, 7-15, 9-15 for the intramural volleyball championship of the university last Friday afternoon. The Lambda Chi's carried away the pennant in their league when they battled the Beta's a straight two games to win. A similar score trampled the Sigma Nu's under when they played the Phi Delt's who walked away with the championship of the "B" league.

Second place in the contest went to the Phi Delt's and third place to the Beta's, who defeated the Sigma Nu's 2-0. All of the other teams who did not reach the finals, were eliminated by a single defeat. The matches were played off on the tennis courts behind the Administration building.

Following are the men who represented the winning Lambda Chi team: John Wimer, Evon Gustason, Carl Jockheck, Earl Alden, Kenneth Bolls and Fay Toolson. The Phi Delt's were represented by Leland Cannon, Mack O'Brien, John Christians, Wanek Stein, Donald Colegrove, and Edward Bjorklund.

Completion of volleyball, the first intra-mural activity of the year, leaves the standings in the race for the 1930-31 cup as follows:

1. Lambda Chi Alpha, 100 points.
2. Phi Delta Theta, 75 points.
3. Beta Theta Pi, 50 points.
4. Sigma Nu, 50 points.

Campus Cows Possess "It"

Say Ag Judges

He cautiously examined her lips and as he did so, he could feel her hot breath on his cheek, a smooth breathing as gentle as a spring breeze. Her eyes were mute expressions of doubt and fear; one cannot blame her for she did not know what he was going to do. His restless gaze shifted to her limbs and he thought what beauties. He seemed unable to control himself as his hand smoothed down her hair. She slightly turned her head, and looked at him wistfully for she could feel his scrutinizing nervous; for he was only an ag judging cows for a grade.

MUSIC GROUP PICKS THE OUTSTANDING WOMEN VOCALISTS

Treble Clef Selects Thirty-nine From Girls' Glee Club

QUALITY IS HIGH

Director Has Difficulty in Final Choice From Available Material

Treble Clef, a group of selected women's voices, was announced Monday by Miss Maude Garnett, director of the women's vocal ensemble. Each year this group is picked from the entire Girls' Glee club on the basis of voice quality and ability to read music. Miss Garnett mentioned that the girls' chorus has more lovely voices this year than in previous years, and the picking of the Treble Clef members was a difficult task. There may be a few changes made in it later.

Joan Harris was elected president, and Florence Rohrer, secretary, at a meeting of the Treble Clef Monday afternoon. The club plans on presenting a program shortly before Christmas, the theme of which will be the "Slumber Songs of the Madonna," a poem by Alfred Noyes, with music by May A. Strong. The girls are also planning to sing at an assembly some time soon.

Tryouts for the women's sextet are now on. Announcement of the members will be made in the Friday issue of the Argonaut. Because of the quantity of excellent voices among the women this year, Miss Garnett is hoping there may be two women sextets, a freshman, and an upperclassman.

Those chosen for Treble Clef are: Soprano, Florence Rohrer; Florence Conehlin; Elvabeth Vincent; Alto, Frances Eileen Bestman; Elizabeth Gilmore; Tenor, Wilton Bell; Baritone, Verona Wolff; Elizabeth Simpson; Lois Hall; Hazel Rabner; Caroline Schmidt; and Martha Jean Smith; second soprano, Joan Harris; Alice Ratcliffe; Edna Scott; Helen Steiner; Louise Cindy Valetta; E. Harrison; Elizabeth Thompson; Pauline Newhouse; Doris Norrell; Evelyn House; Marion McComb; Agnes McKiernan; and Fiva Duncan; alto, Agnes Ramsfeld; Mary Louise Green; Virginia Kne; Genevieve Sook; Georgia May; Edna Dortha Gahley; Marian Lewis; Bernice Smith; Eleanor Merriam; Frances Bloom; Margaret Moulton; and Harriet Baken.

TALENT FOUND IN DRAMA CLASSES

Many Students in Elementary Group With Stage Experience

Where do the actors and actresses in this year's elementary play production class come from? A count of noses shows that seven come from Boise, six from Moscow, and four from Twin Falls. California has a strong representation with four students calling the Golden State home. In all fifteen Idaho communities are represented.

An intensive study of the biographies of these prospective dramatic stars reveals that few are all novitiate. Unusual training and wide variety of experience is almost commonplace among them. Billed as the "Sagebrush Twins from Idaho," William Ames, Boise sophomore, broadcast over a Chicago radio station for some months. He was assisted by his sister, a former University student. Lloyd Rietzel, Los Angeles, acted in shows presented by the Pasadena Community Playhouse in California. Taking part in a dozen different shows, Raphael Gibbs, now of Moscow, acted in stock in Yakima.

Many Schools Represented

Martin Keibert, Wallace, spent last year in Hollywood down among the movie stars of America's talkie capital. There he attended the Western Electric Sound Engineering School where he studied staging and the technical production of plays, garnering experience which will make him a most useful member of the recently organized permanent stage force.

Vivian Jordan, Lewis and Clark graduate, spent last year in England where she attended the Guildhall School of Music and Drama in London.

Seven schools and colleges have contributed transfers to this class. Among them are the University of Minnesota, Gonzaga University, University of Southern California, Fullerton Junior College, Linfield College, College of Idaho, and the Guildhall School of Music and Drama in London.

CO-ED "GUNMEN" TRYOUT THURSDAY

The first practice for the Girl's Rifle Team will be held on Thursday, October 16, instead of Tuesday, October 14, as announced in the last issue of the Argonaut. Succeeding practices will be held on Friday, Oct. 17, Thursday, Oct. 23 and Friday, Oct. 24. After Oct. 24, practices will be held 3 days a week. Girls trying out for the rifle team squad must report at 2:00 p.m., 3:00 p.m., or 4:00 p.m. of the practice day.

Portland "Special" Idea Gets Skids; Two Star Laments

Hello Countrymen: And now here's a problem the Alpha partys can work on, since they seem so efficient. It's a darn funny thing but when the students around here do get all hopped up over something like running a "Special" to Eugene, Oregon, some one puts the skids under the idea. Perhaps, though, they figure the students will get off at Portland and see if they can wreck the New Heathman hotel instead of alighting at Eugene. I don't know, but it's pretty hard to do—even in Portland—and then there's the "Special" from California to W. S. C. I'm glad they didn't run into difficulties.

And another thing. I understand Idaho played a bang-up game at Seattle, but I've heard a lot of crying from different sources. Why can't some of these tea hounds be boosters instead of packers around their paper-mache mallets. See you at the Whitman game.

**TWO STAR.

VANDAL BABES TRIM TEACHERS

Lewiston Normal Sent Home On Short End of 62 To 0 Count

With a powerful running attack that the Teachers could not stop, the freshman football team walked over the Lewiston Normal Saturday to the tune of 62 to 0. This was the first game of the season for the Babes but they showed much power both on defense and offense and scored almost at will.

Willis Smith, diminutive quarter back, was the outstanding star of the game, going through Lewiston's line for gains ranging from 5 to 30 yards. He was ably supported by Cy Bearson, fullback, and Earl Smith, quarterback. Norby proved a tower of strength at defensive fullback.

Score Comes Early

The first touchdown came on the third play after the kick-off, when W. Smith raced 20 yards to a touchdown from an off-tackle play. The Frosh were not stopped all during the first quarter with Bearson and E. Smith each adding a touchdown to the list. Bowker, guard, converted one try-for-point making the score 19-0 at the end of the first quarter.

Shortly before the first period was over Coach Jacoby sent in an entirely new team. This team and the Normal played on even ground all during the second quarter. The Teachers soon opened up a surprisingly effective aerial attack that had the Babes worried, but this was checked and the half ended 19-0.

W. Smith Leads Attack

The first team was replaced to start the third quarter and they repeated the performance of the initial stanza, putting over four more touchdowns. Willis Smith scored two more, Earl Smith one, and Chick Wilson, halfback, one.

The fourth quarter saw E. Smith, Cy Geraghty, and "Squirt" Tanner cross the goal line bringing the total up to ten touchdowns.

The lineups:

Frosh	L.E.	Normal
Marsh	L.T.	Anderson
Hadley	L.G.	Howellton
Barker	C.	Yenney
Russell	R.G.	Wagner
Nutting	R.G.	Doutless
Brailsford	R.T.	Miller
Schmitz	R.E.	Powell
W. Smith	Q.B.	Denning
Norby	H.B.	Keith
Bearson	H.B.	Biggers
Wilson	F.	Rambleau

Officials for the game were: Gale Mix, referee, and Fulton Gale, umpire.

RECEPTION FOR NEALES OCT. 16

Faculty and Townspeople Will Honor President and Wife at Social Affair Thursday

Honoring President and Mrs. M. G. Neale, members of the faculty will entertain at a reception to be held at Hays hall, Thursday evening, October 16, between the hours of 8:30 and 11:30 o'clock. Faculty members and their wives and all townspeople who wish to attend are invited. Student groups have not been asked to send representatives, as the reception is strictly a faculty affair. Contrary to earlier reports, the event is not a faculty women's reception.

A special committee, with Miss Katherine Jensen as chairman, is handling the arrangements. Working with her are Dean Permeal J. French, General E. R. Chrisman, Prof. I. N. Carter, and Prof. Claude Wakeland. Plans have been made to accommodate 400 guests. There will be a short receiving line, a general mixer in the dining room, refreshments and a musical program of instrumental numbers furnished by the musical department.

The affair will be the first faculty function on the university calendar this year.

ENGINEER STAFF TO MEET.

There will be an important meeting of the editorial staff of the Idaho Engineer in the engineering library at 4 o'clock Wednesday afternoon, October 15.

All members of the staff are requested to be present.

DEBENTURE ONLY RELIEF FOR FARMS BORAH DECLARES

Senator Addresses Capacity Crowd in University Auditorium

PEP BAND PLAYS

Windows And Aisles At Premium During Forceful Speech

Senator William E. Borah addressed a capacity audience of faculty members, students, townspeople and farmers in the university auditorium Monday evening on the farm relief debenture bill. As Senator Borah, accompanied by the masters and past masters of the Moscow Grange assembled on the platform, the Idaho pep band played "Here We Have Idaho," while the audience stood. G. F. Mix, of the Moscow Grange, introduced the speaker. Mr. Mix, in finding the most appropriate name for the senator, told of his titles; United States Senator for Idaho; chairman of the Foreign Relations committee; the People's Champion, America's Greatest Statesman and then his own name for him, Brother Bill Borah, to which those present responded with hearty applause.

Mr. Borah, in his talk, declared that it is his belief that the debenture is the only way in which the farm problem can be solved. It is the debenture that must be brought forward for the benefit of the farmer as the protective tariff bill has been put through for the manufacturers.

Votes Against Tariff

He explained the reason he has voted against the tariff bill and why it has been defeated three times. Though it provided for a tariff on agricultural products in 20,000 items, it provided for a tariff on industrial products in 20,000 items. The farmer would profit by the tariff in the 1000 and have to pay in the 20,000.

The auditorium was packed. Members of the Pep band gave up their seats to townspeople. The aisles were partly filled and some places outside the windows were taken.

The Moscow Grange of Latah county sponsored the meeting.

BASKETBALL GETS BOW HERE SOON

Coach Fox Issues Call For First Appearance On November 15

Coach Rich Fox, Idaho basketball mentor, last night announced November 15 as the date of the initial turnout of varsity court candidates.

Idaho this year starts the season minus two of the best basketball players ever produced in the west. Harold Stowell and Frank MacMillin, outstanding sharpshooters on the Pacific coast, were unexcelled as real sportsmen and top-notch basketball players. Replacing this pair will be Coach Fox's big prob-

lem. With only two lettermen back, Drummond and Hale, Fox must build an entirely new quintet. Three transfers from the Southern Branch have added a lot to the possibilities. These men, Smith, Thurman, and Barrett will no doubt fill some of the vacancies left by Stowell, McMillin, Shurtliff, Collins, Howard and Hurley.

Candidates from last year's Frosh team include Auckett, Parks, Lacy, and Wicks. All of these men held undisputed berths on the yearling five last year.

Carlson, letter man, and Jacoby and Taylor, Frosh stars, will join the maple court ranks at the close of football season after the finish of the year.

EDITOR CALLS STAFF MEETING

Entire Staff Will Meet in Room 201 Administration Building Wednesday Afternoon

There will be an important meeting of the entire editorial staff of the Argonaut tomorrow evening at 4 p. m. in 201 Administration building, according to Ed Whittington, editor. The meeting has been called for a general discussion of Argonaut work and problems connected with it. Copy will be criticized and some of the more glaring faults pointed out for the benefit of reporters.

Four vacancies on the copy desk were announced by Paul Jones, managing editor, this morning and applications for these positions will be considered at the meeting. "We need four men or women to work in pairs alternating on Monday and Thursday afternoon from 3 to 5 in the Argonaut office in the Memorial gymnasium," according to Jones. At least a small amount of actual experience on the copy desk is requisite, he stated.

This meeting is for all writers on the Argonaut staff and as it will be one of the most important of the year, it is necessary that all staff members be there.

INFIRMARY GETS INJURED THREE

Twenty-six Calls Per Day Make a Busy Season for Hospital

Saturday closed the biggest week so far this season at the University infirmary. As a result of the scrimmage before the game Saturday two frosh were brought in with serious injuries. Earnest Fairweather, Wallace received a broken arm and Howard Webb a dislocated shoulder.

Sunday afternoon Miss Margaret Thomas, Hays hall, was brought in with minor injuries resulting from a fall from her horse. A motor cycle passing too close, on the highway just north of town forced the horse over a bank, where it fell, pinning Miss Thomas beneath it. She received no serious injury, however, and was dismissed after a thorough examination.

Miss Peterson reports an average of twenty-six calls a day all last week. Most calls were due to the colds which have become so popular on the campus and to minor infections.

TWO APPLY FOR SCHOLARSHIPS

Herndon and Filseth To Take Rhodes Quiz in December

Two applications for Rhodes scholarships have already been received, according to Professor Eugene Taylor, head of the local committee. Charles Herndon, Salmon, and Joseph Filseth, St. Maries, are the two University of Idaho students who have applied to date.

Herndon and Filseth will go to Boise in December when the district committee meets there to examine students from Oregon and Idaho. Grounding Idaho in a district state may get one or both of the appointments rather than each state getting one as has been the practice in past years.

Have Activities

In addition to their scholastic records both students are prominent in extra-curricular activities. Herndon is a member of Scabbard and Blade, honorary military fraternity. Filseth is a member of the varsity debate team and the Gem of the Mountains staff. He is affiliated with Sigma Chi, social fraternity. Filseth is also a member of the debate team and Alpha Kappa Psi, national honorary commerce fraternity. Sigma Alpha Epsilon is his social group.

"What's This For" Cry Perplexed Beta Chi Lads

Scene: Any new fraternity home in the act of being occupied for the first time.

Time: Last Saturday or Sunday, or any other day that a fraternity is moving into a new shanty.

"Hello, Joe. Find the room okay? Yeah, that's mine there—the one with the door on it—best in the house. Why, just look at the view from this window and—what, you think that gymnasium of yours is better than mine! Say, that room is all a big mistake. It was supposed to be a place to keep old shoes, but all they have there now is a bunch of heels. Hey, keep out of there! No, that's not the laundry room, that's the cook's room. Whoa, be careful of that language. There's another flock of women coming through!"

"Say, Sam, just confidentially and all that, but where the deuce is the—ah—er telephone booth? Oh, is that it? S'funny, I thought that was a linen closet. Yeah, I'll be finding my way around here after a few more years of this. I feel about as natural as a bullfist between Cal Coolidge and a couple of deaf and dumb inmates. But, on the level, Gus, ain't it a grand and glorious feeling to be finally in here."

And so on, far into the night.

ASSEMBLY SPEAKER HAS BRILLIANT PUBLIC CAREER

Burton L. French Will Address Students Tomorrow Morning in Auditorium

TOPIC UN-ANNOUNCED

Secretary Unable to Say What Message Congressman Would Have

Burton L. French, congressional representative and an Idaho graduate, will be the first speaker of the year according to Prof. T. S. Kerr, chairman of the public events committee. Mr. French will speak at 11 o'clock Wednesday morning in the university auditorium before the Associated Students.

Congressman French had not arrived in town at a late hour this morning, and his topic has not been announced. Persons close to Congressman French think that he will either speak on the London conference and the reduction of naval armament or Idaho's interest in the protective tariff.

Representative French has had a very active political life. He has been a representative in congress from Idaho for eleven terms, and for seven years has been chairman of the sub-committee for naval appropriations.

Signed Out Billions.

Under his chairmanship, Mr. French's name has been attached to bills carrying more than \$2,200,000,000 for the support of the American navy.

Mr. French is also a member of the committee on appropriations; chairman of the sub-committee on navy appropriation; and a member of the sub-committee on interior department appropriations.

Congressman French was graduated from the university with the class of 1901, with the degree of A.B. Mr. French got the degree of Ph.M. from the University of Chicago in 1903. The University of Idaho awarded him with the degree of LL.D. in 1921.

Mr. French is a member of the American and Idaho Bar associations, the American Political Science association, and the American Academy of Political and Social Sciences.

Editorial Comments.

Throughout the state the press has remarked that Idaho is fortunate in having a senior member of congress, since seniors are seated on important committees, and in the case of Mr. French, oftentimes appointed chairman.

The Elk River News, Nampa Leader-Herald, Wallace Miner, and others congratulate the state on having such a leader as Mr. French to represent it in congress. Comparisons are drawn between eastern and western states. In the east, waves of popularity rise and recede very quickly. The result is that the eastern states haven't senior members in congress, and the east does not have very many men who are chairmen of important committees.

The west is stolid; the editorials comment, and does not change with every new political wind. In consequence the western states run congress even though they do not have so many representatives.

HORTON ADDRESSES SERVICE GROUP

Graduate Manager Is Guest of Intercollegiate Knights; Rados and Schissler Pledges

"Cap" Horton, university graduate manager, was the main speaker at the Intercollegiate Knights' luncheon Tuesday noon at the Blue Bucket Inn. The Intercollegiate Knights held meetings every Tuesday evening, excepting the first Tuesday in each month, which is set aside for their regular luncheons.

An all college mixer is being planned by the Knights for the night of the big bonfire, according to Stanton Hale, grand duke.

Alfred Rados and Franklin Schissler, Lindley hall, were pledged at a meeting held last week.

And Again We Learn Why The Frosh Came To Idaho

And then there was the absent-minded English professor who got into files of freshman themes for 1912 and didn't know the difference.

How could he when the subject was "Why I Came to College?"

Following in the footsteps of their illustrious predecessors the present freshman class at the first session of English composition racked their befogged brains to prepare a little impromptu ditty on this time-worn topic. Out of the mist came some of the following reasons written in the beautiful style so typical of freshman compositions.

Most of the boys left home with the idea in mind of making the varsity and all principal branches of athletics. This praiseworthy objective they hid, with all boyish modesty, behind a smoke screen of high-sounding phrases, such as: Desire for physical development; wish for god-like physique; and like. Minor reasons given by the fellows came to light which included

Let's Accept The Challenge!

IDAHO FIGHTS!
Do you remember that famous battle cry which in years past sent Vandal teams to victory? Do you remember that cry which followed those teams throughout the west, and was the embodiment of the Idaho fighting spirit?

"IDAHO FIGHTS!" When that inspiring slogan last Friday evening flashed over the radio from the Idaho rally in Seattle, floods of memories swept through the minds of the alumni and older students. Recollections of a day not long ago when this small university held a place of honor among much larger institutions were expressed by all who heard the rally. Recollections were mingled with regrets, and it is in these regrets that a new hope for this school is born.

We lost the football game. But what has that to do with fighting? Nothing! **"IDAHO FIGHTS!"** If we can only live up to that cry, the smart of defeat will fade. And victories can only follow up the spirit; they are not to be gained without it. Memories of the old Idaho spirit are not concerned with victory; the memories are of something which was greater than defeat and overcame it.

Today this campus is embarrassed by a lack of vital energy. Yell leaders grow hoarse in vain; professors beg for interest with a like result. We are not gaining the true and fine rewards of worthy endeavor. We are resting in a wilderness without a Moses to lead us away. Someone must guide us back into a fighting Idaho before we are permanently just another college.

This is not an obituary for **"IDAHO FIGHTS."** It is a prayer that we will strive to regain our lost glories. We have been sadly abusing our birth-right.

Student Opinion

Gee! but I would like to go "vag-abonding."
The other night my roommate mentioned the fact that one of his professors was going to lecture on "The Minds of Criminals." I'm an inveterate reader of detective yarns. Not much connection, but I would have liked to have heard that lecture.

On referring to the catalogue, I found that to be an "auditor" one had to obtain a passport and go through a lot of red tape.

What happens? A student signs up for a set of courses and then the university authorities confine him to that rut.
Again, a student might decide that he wants to change schools. Can he go "prosping" to see what he is jumping into? Nope! Unless he gets a passport to be an auditor.

Gee; but I would like to go "vag-abonding" on the loose once in awhile. —C. G.

DEBATE TRYOUTS SLATED WEDNESDAY

Charles Herndon Issues First Call For University Forensic Candidates

Charles Herndon, debate manager for this year, again emphasizes that tryouts for the varsity debate team will be held at 4 p. m. Wednesday, October 15 in room 305 Administration building for the women and October 16 at 4 p. m. in room 305 Administration building for the men. A five minute speech either on the negative or the affirmative of the following propositions should be prepared: For the women, Resolved: That Ghandi has been a benefit to India. For the men, Resolved: That governmental interference in the wheat situation has been detrimental to the farmer.

This year's schedules include many interesting meets, one of which will be the University of Pittsburg. There are several openings and Herndon urges that everyone interested come out.

DIRECTORY TO BE OFF PRESS SOON

The student directory, edited by the publications department is in the hands of the printers now, but as no proof sheets have as yet been received, it is impossible to announce the date of publication. The Moscow Publishing Company has the contract.

The directory will be about 32 pages, the same size as that of last year. In style, make-up and composition it will also be similar.

HARVARD CRIMSON LAMBASTS "BOYS"

Mayor And Ex-commander Hit The Roof on Reading Editorial

CAMBRIDGE, Mass.—"Wholesale brawl, worse than a subway riot or a drunken football crowd," read Saturday's editorial of the Harvard "Crimson," daily undergraduate paper, about the American Legion convention held in Boston last week.

The editorial called down the ire of high city officials and legion directors on the staff. Mayor Richard M. Russell of Cambridge and Ralph W. Robart, past commander of the Cambridge post of the American Legion, demanded the immediate resignation of those students responsible for the editorial. Robart also accused Harvard students of failing to be sufficiently patriotic on several occasions in the past.

"No other country in the world," the Crimson said, "would countenance the spectacle of the recent American Legion convention in Boston." The paper termed the affair "merely an excuse for a wholesale brawl" and continued that Boston had seen fit "to allow a total relaxation of law and order during the stay in the Hub of the 'buddies' who fought to make the world safe for democracy and come back to raise hell annually so no one can forget it."

R.O.T.C. OFFICIAL WILL VISIT IDAHO

Colonel O'Hern Will Address Pullman and Moscow Officials October 20

Colonel Edward P. O'Hern, Ninth Corps Area ordnance officer will arrive in Moscow, Monday evening, Oct. 20, at which time he will deliver an illustrated lecture on "Recent Ordnance Material Developments" to a joint meeting of the Moscow and Pullman Reserve Officers Associations at Science Hall 110 beginning at 8:00 p. m. Tuesday. Colonel O'Hern will inspect the ordnance supplies issued to the R. O. T. C. this being Col. O'Hern's second trip to the campus for that purpose in the past two years. Students registered in the advanced course ROTC are invited to attend.

One-eyed Conneleys Crash the Gate At W.S.C.-U.S.C. Classic

Shades of "One-eyed" Conneley! Our friends at Pullman had some rare strategy passed off on them last Saturday afternoon.

We hasten to say, however, that we are not bragging. Perhaps the Vandal Inter-collegiate Knights have also had some weird plays pulled on them by Cougar followers.

Anyway, here are two successful campaigns that came to light after the W. S. C.-U. S. C. game. One had pulled a Chicago Tribune press pass from out of the moth balls. It was authentic. But what gives the laugh is the fact that the Cougars were so conceited that they thought a middle western correspondent would watch one of their games.

Number two of the series. Two Moscovites painted on a dilapidated suit-case "U. S. S. Medical." Over the seven hills of Pullman they plodded. Offers of help were proffered from all sides. The back door of the squad room was guarded by a wise guy. "Nope. Can't go in there."

Disaster! Failure! Nothing like that. The two Moscovites sat down on their haunches like two dogs waiting for the appearance of their master. Soon fifty big brutes of the sunny south emerged from the squad room. Our two heroes fell in and brought up the rear. Climax! They got seats on the 50-yard line.

"Ever hear the Irish bull dog song?"
"No, what is it?"
"Litter by litter."

THETA SIGMA WILL HOLD BREAKFAST

Theta Sigma, honorary journalism group for women, planned at its last meeting to have a breakfast, Sunday morning, October 19, for all freshman and sophomore girls taking journalism, and for the girls on the Argonaut staff. Mary Murphy and Elsie Warm, who are in charge of the breakfast, announce that all together, about 50 girls are expected to attend the party.

Miss Warm is co-operating with Mr. Beth, the new journalism instructor, in arousing interest in the high schools of the state that compete every year for the cup awarded by Theta Sigma. The cup was won last year by Nampa, and the preceding year by St. Maries.

IDAHO ALUMNI SETS NEW MARK

Charles Fowler Lowers Time on New Zealand Dirt Track for 2 1/2 Miles by 12 Seconds.

Word has been received that Charles "Chick" Fowler, a former Idaho student from Idaho Falls, recently set a new record on a dirt automobile track in New Zealand.

The climax of Fowler's performance came when he circled the two and one-half mile dirt track in 108 seconds, establishing a new land record by a margin of twelve seconds. He was driving an American Stutz.

"Chick" Fowler was a student here two years ago and is now engaged in missionary work in New Zealand.

This white dot identifies Sheaffer's, the only Lifetime pen.
No. H74TC, Marine Green, \$9.50
No. LTSC, \$3.25

Why do Most Students buy Sheaffer's?

It is a fact proven by sales figures that among America's hundred leading colleges, each with 1700 or more students registered, Sheaffer's outsell all others.

Is such leadership ever an accident? You know the answer. These sophisticated pen users have found that they like Sheaffer's individualized pen points, that they like the comfortable Balance° designed into Sheaffer's, that they like the streamlined, modern contour of the Balance° pen and pencil, and that Sheaffer's Lifetime° guarantee of satisfactory service means something.

That explains Sheaffer's college sales leadership, and prompts the suggestion that if you'll give Sheaffer's Balance° Lifetime° a class-room test, you'll adopt that pen for your Lifetime°.

SOCIETY

LILLIE GALLAGHER, Editor.

AST week-end saw the Idaho campus busier in a social way than it has been since the beginning of the school year. The Sigma convention brought more than a hundred visitors to the campus and the spirit of entertaining and being entertained prevailed. The coming game of W. S. C. also brought visitors to the campus, insuring considerably the guest lists for the week-end.

esides the Sigma Chi convention and pledge dance on Friday night, Kappa Kappa Gamma society held a pledge dance. On Saturday evening Delta Chi and Alpha Epsilon entertained dances at their respective houses of honor of their pledges. On Sunday evening Kappa Alpha Theta Gamma Phi Beta honored their new housemothers at formal dinners from 8 until 10 o'clock the evening.

Next week-end sees eight dances on the social calendar. Sigma Nu, Lambda Chi Alpha, and Lindley Hall dances are on Friday evening, and on Saturday evening Alpha Omega, Kappa Alpha Theta, Sigma, and Beta Chi have formal pledge dances scheduled, while Tau Mem Aleph will hold a mixer at the L. D. S. seminary.

SATURDAY GAME PROMISES SPEED

Whitman Missionaries Headed by Applegate Has Fast, Light Backfield

Idaho should have a comparative rest this week-end when they attack against the Whitman squad on Meadfield in a non-conference game.

Whitman always puts a light but clever eleven on the gridiron, and is a continuous worry to opponents until the final gun. Idaho usually wins by a large score and as the Missionaries have shown nothing spectacular so far this season the Vandals are counted on to take the game. However, the Walla Walla machine has a flashy open field runner in Buddy Applegate who usually gives the crowd a thrill before the battle is over. Vandal fans will recall the 98 yard dash he made in the Idaho game two years ago. The speedy back twisted and dodged down the sidelines for a touchdown and never felt a Vandal hand during the play.

This year he has several fast mates to share the work with him and may turn the trick Saturday. Aided by Sathlin and Lauderback, Applegate smashed the ball over twice and kicked goal both times to defeat the College of the Pacific at Stockton, California last Saturday.

Leo Calland has different ideas about the game however, and is planning to drive his Vandals through several hard scrimmages this week in order to iron out some of the wrinkles discovered in the Washington game last week.

STUDENTS ADHERE TO PICTURE DATES

Studios Report That Satisfactory Attention is Given Gem Appointments.

The schedule for pictures for the 1931 Gem of the Mountains began yesterday and appointments were reported as coming in satisfactorily at the studios.

Robert Dunn, who is in charge of class and group photographs will distribute blanks to all group houses this week in order that a record may be kept by the groups of the photographs taken. House presidents are urged to see that all members of their groups have their pictures taken on schedule. A year-book increases in value in direct proportion to the number of individual pictures it contains and a 100 per cent quota is the aim of the Gem staff this year.

LIBRARIAN SPEAKS TO FRESHMEN

First Year Students Hear Talk on Uses of Library; Messenger in Charge of Bi-Weekly Talks

Inaugurating the first of the series of freshman lectures which are to be held on alternate Tuesday mornings at 11 o'clock in the Auditorium, Miss M. Belle Sweet, university librarian, spoke this morning on "How to use the library in order to receive the greatest benefit from it."

The lectures are under the supervision of Dean Messenger, who plans to hold four or five lectures during the semester. They will be held on alternate Tuesdays in order that the other Tuesdays will be free for any division that cares to hold a lecture for its freshmen. Freshmen are required to attend these lectures.

HOUSE SLATE DISTANCE MEET

Intramural Cross Country Men Will Determine Champions October 30

Cross country will be the next sport on the intramural program, announced Charles Heath, intramural manager, last night. The date for the run has been set for Thursday, October 30 at 4 o'clock.

Athletic managers of the different groups are urged to have their entries train before the meet. Men who have not trained during the week previous to the meet will not be allowed to run. The course will be 2 1/2 miles. Rules concerning entries and systems of scoring will be sent to the different houses after the next athletic meeting.

The winner will be given 100 points; second place, 75 points; third place, 60 points; and fourth place, 40 points.

FILIPINO GROUP ELECTS OFFICERS

Tranquillo Ventura New President of Club; Eldridge and Tromanhauser to be Advisors

Filipino students elected officers for the forthcoming year at a meeting held Saturday afternoon in the Filipino residence house at 120 So. Almon Street. An increased number of Filipino students at the university this year has made possible numerous new activities for members of the club. reports Tranquillo Ventura, president.

The new officers are: president, Tranquillo C. Ventura; vice-president, Roman B. Ramos; secretary, Perfecto B. Acosta; treasurer, Santiago M. Collado; business manager, Regino Danog; sergeant-at-arms, Pablo S. Salvador; reporter, Epiliano A. Francisco. Advisors of the group are Dean Eldridge and Dr. Tromanhauser.

ARMY MAN TO TALK TO ADVANCE CORPS

Colonel Charles F. Leonard, who is in charge of the Sixth reserve district with headquarters in Boise, will visit with the Moscow Reserve Officers' association on Wednesday evening, October 15, at which time he will deliver a talk on "The Siberian Campaign."

Preceding Colonel Leonard's talk, the reserve officers will have dinner at the Blue Bucket inn. Students registered in the advanced course, R. O. T. C. are invited to attend. The dinner will be held at 6:15 p. m., and Colonel Leonard's talk will begin about 7 p. m. Students intending to be present at the dinner are requested to notify the military department prior to noon of the 15th in order that reservations may be made. Those who desire may attend the lecture at 7 p. m.

SIGMA CHIS END SUCCESSFUL MEET

Stag Banquet Climaxes Province Convention Saturday; 70 Attend

Climaxing the annual Northwest province convention of the Sigma Chi fraternity which was held for the first time at Gamma Eta chapter on the Idaho campus, the delegates, guests, alumni, and local members of the three states of Idaho, Oregon, and Washington attended a unique stag banquet for 70 men held at the Hotel Moscow.

Carrying out the idea of a football team and game, which was uppermost in the minds of the men attending the convention, since they had been the guests of the fraternal U. C. W. S. C. football game, Jesse Buchanan acted as toastmaster, and introduced the speakers as different members of a grid team. The outstanding talk of the evening was given by Dr. Joseph C. Nate—introduced as Coach Nate. Dr. Nate is grand historian and traveling secretary of the fraternity.

The other national officers who were here gave short talks. Entertainment was furnished by Dorothy Fredrickson, contralto, with Lucille Ramstedt, accompanist, and William Ames, violinist. Besides Dr. Nate of Chicago; Hubert H. Martin, grand trustee, of Portland; and Walter W. Blaesing, grand praetor of Portland, were present.

KNEE HEADS SPURS

The first luncheon of the year for the new Spur members was held Wednesday, October 8. It was decided to have their future meetings the second Wednesday in every month. Also, they discussed interesting plans for the year. Virginia Kneo is the new president, and presided over the meeting.

Getting Barton To Talk Is Real Task Says Argonaut Club

"See, Dr. Barton and find out if he is taking a trip" ran the assignment in the Argonaut book. Easy? Never!

The frosh reporter shivered in her boots for she had interviewed, or rather attempted to interview, Dr. Barton before, and he had grumped at her. He had even gone so far as to relate the incident of the scared reporter in a class later, much to his victim's embarrassment. The fact remained, he had grumped at her. If only the house didn't require two activities, the frosh's notebook and pencil would have been abandoned then and there, but no—horsehoes would be worse. She trembled at the thought of another interview with that supposedly gruff gentleman.

The plot thickened at the only too vivid recollection of the fact that she had slept through her eight o'clock psych class. Complications grew worse as she cogitated on the problem of getting into the next class which was held in the very same room, without his seeing her. Quickly she slid into her seat and sighed, thinking her action unobserved, when Dr. Barton chuckled, "How's the reporter this morning? Any news?"

The reporter's golden opportunity for the interview had arrived, rather unexpectedly to be exact. So meekly, very meekly, she inquired, "Are you going on any trips, Dr. Barton?"

"What do you think I want to tell the paper? When a poor tired prof goes on a vacation, he wants it to be his long-looked-forward-to, and much needed, rest. He wants peace and solitude. I am not telling anything."

"Cruelly and cynically came the retort, 'Now write a story about that!'"

There ain't no justice.

ORMSBY PROMOTES ROOTERS' GROUP

A Yell Club Similar to Last Year's Organization Will Meet Thursday

Idaho is to have an organized Rooters' club again this year, according to word received from Dink Ormsby, yell king. The club will be made up of about three hundred members, twenty from each fraternity, and forty from each hall.

A captain is to be chosen from each group to manage it, and special sections will be reserved for the club at the coming games. Ormsby further stated that it is very important that the captains of each group be elected by Tuesday night, as there will be a meeting of the entire club next Thursday evening in Science 110 at 7:30 o'clock.

"No pep assembly will be held this week," stated Ormsby, "as the time will be taken up by a special speaker."

A pipeful of good tobacco is the real smoke

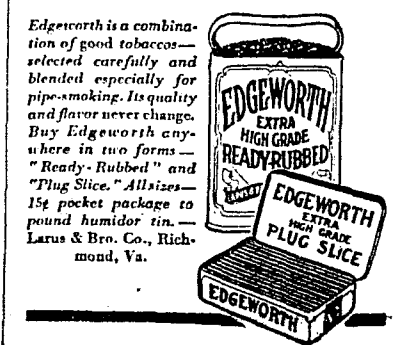

TODAY, tomorrow, all the rest of your life, you can enjoy and keep on enjoying good tobacco in a good pipe.

"How can I pick a good pipe, and how can I tell good tobacco?" you may ask. Who but you could answer? You'll know your own good pipe when you bite down on it.

Edgeworth may be the tobacco you're looking for. It has the distinctive flavor that men like, the slow-burning coolness; and it is rich with the aroma of fine old burley blended just right. A pipeful of Edgeworth is the real smoke.

Why not try Edgeworth? You can buy it anywhere in the 15¢ tin—or, if you wish, write for a generous sample packet—free. Address: Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

CO-ED VOLLEYBALL GETS UNDERWAY

Women's volley ball practices started Monday afternoon and will continue until November 24. Sophomores and Juniors practice Tuesdays and Thursdays from 4:00 to 5:30, while the Freshmen and Seniors have the courts on Mondays and Fridays at the same hours. For those who wish to play and have not had experience, practices will be held four evenings a week. Inter-class games will start November 24 and continue to December 2.

GRID SPORTLIGHT By Bill Pohlman

That old pass weakness showed up again at Seattle Saturday. The Vandals were almost as powerful in scrimmage as the Huskies and only the extra poundage of the coast men gave them a slight advantage. But the Idahoans could not knock down tosses and neither could they complete their own flings. It is almost certain that the

squad will see plenty more aerial work before they face the Missionaries next week.

The old, old story of reserves showed up again and proved the real deciding factor of the battle. It happened that the reserve strength was with the Seattle team. There is no doubt that if the Vandals had had man power equal to Washington they would have held their own throughout the game.

While Coach Pielan's Huskies were winning from Idaho Saturday his former school, Purdue, was beaten by Michigan in the biggest upset of the day in the middle west. Newman kicked goal after touchdown twice to beat the Bollermakers 14 to 13. Northwestern started its drive for the Big Ten pennant by a 19 to 2 win over a stubborn Ohio State eleven.

It looks as if the Cougars are headed for a coast pennant this season. U. S. C. was completely outplayed during three quarters of Saturday's game. Hollingberry is out of only Oregon out of his remaining schedule which includes Montana, Oregon, Idaho, Gonzaga

and Washington. Pullman proved they have one of the best lines in the country and it will be a great surprise indeed if any of the above teams chalk a win over Washington State.

Gonzaga has showed little or nothing in their three games this year to warrant them a victory over either the Cougars or Vandals. The Bulldogs tangle with Washington State next week and the Idahoans on November 1. Spokane is planning to stage the Van-

dal tussle under the floodlights. There is some talk of the Idaho-Oregon game also being played at night.

California football teams will not be quite so cocky when they take the field against their opponents next week as each of the big lines met their equal Saturday. Minnesota tied Stanford, St. Mary's held California to a 7 to 6 score and the Trojans tasted defeat at the hands of the Cougars. Must have been Friday the 13th in sunny California.

DYNAMITE clears the way for modern engineering wonders!

The Chrysler Building

world's highest structure... how DYNAMITE helped to build this mighty skyscraper

The Chrysler Building... towering above New York's amazing skyline... looms 1046 feet into the blue. It is the tallest structure ever built by man.

Genius of engineering did it. But the power of dynamite was there... working efficiently, quickly, to blast out solid rock so that the giant foundations might be placed.

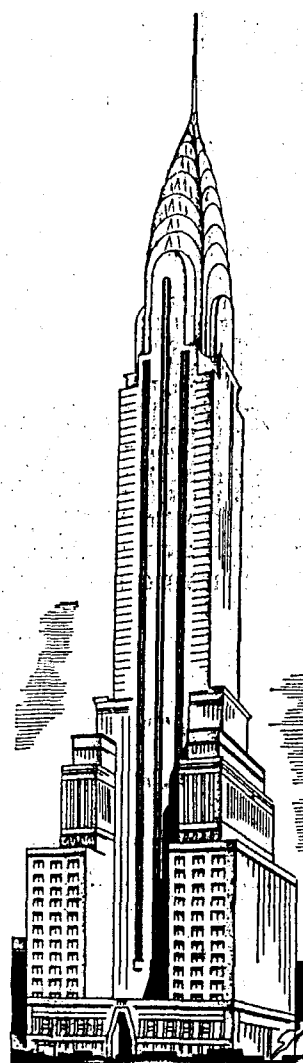

Dynamite is the ally of the modern engineer. It is the tool without which carefully designed plans for many heroic undertakings would never be more than paper plans.

Skyscrapers. Tunnels through mountains, under rivers and cities. Bridges and highways. Dams and reservoirs. These... and numerous other... engineering marvels are built with the aid of dynamite. Dynamite digs into the earth and blasts out raw materials used in the making of countless articles we use every day.

Dynamite is more than important to industry... it is necessary!

If you would like to learn more about explosives and how to use them... if you want to learn today for tomorrow's jobs... simply write direct to the du Pont Company for full information.

You will receive a copy of the Blast-ers' Handbook, which contains a great deal of the vast knowledge of explosives gained by the du Pont Company in 128 years of making and testing explosives. This book is used in the classrooms and dormitories of leading technical institutions. Your copy is free. Write for it.
