Refused \$25,000, Blond Actress Wrecks Keaton Studio

American Mercury Editor Not Responsible; "God Did it"

Canadian Village Council Promotes Big Civic Cleanup Campaign

Campbell Break Record. DAYTONA BEACH, Fla.—There was nothing to it, said Captain Malcolm Campbell, British race driver, at the end of his dash down the beach in which he sent the world land speed record from 231 to 245.733 miles an hour in an official run. The record made by the Bluebird II, was for a one mile run average. Top speed was said to have been above 250 miles per hour.

Why He Was Glum. LOS ANGELES.—Buster Keaton, glum looking film star, said "no" when Kathlee Key, former movie actress, tried to borrow \$25,000. As a result of the refusal the blonde package of dynamite started a melee which wrecked Keaton's studio dressing room and which left him in a badly battered condition looking more glum than ever.

Farmers Get \$20,000,000. WASHINGTON, D. C.—The deadlock on relief legislation has at last been broken in an agreement between congress and the administration to appropriate \$20,000,000 as a fund for "agricultural rehabilitation." The exact administration of the fund was left up to Secretary of Agriculture Hyde according to the provisions of the proposal. Tension at the capital was so lessened by the agreement that an avoidance of a special session now seems possible. The soldier bonus problem is the only thing which might cause an extra session.

Mencken Not Responsible. BALTIMORE.—The legislature of Arkansas has passed a formal resolution of protest against the efforts of H. L. Mencken, editor of the American Mercury, "to make Arkansas the butt of ribaldry and diatribes." Mencken, in defense, replied only, "I didn't make Arkansas the butt of ridicule—God did it."

Council Starts Civic Cleanup. NORWICH, Canada. Because the village council here is not satisfied with the services rendered by its various civic departments, it has asked for the resignation of the village constable, the streets commissioner, the tax collector, license inspector and fire hall and restroom caretaker.

Such a complete municipal cleanup, however, will mean that only one man loses his job. He is Alex Lindsay, called "old six in one."

Bishop Cannon Cleared. WASHINGTON, D. C.—Bishop James Cannon, Jr., of the Methodist Episcopal church, South, well-known through his activities on the stock market and in national politics, was cleared by a committee of 12 ministers of church charges brought against him last September by four elders of his church.

Three States Unite. PORTLAND.—In a conference attended by legislators and traffic experts of three states, a system of uniform traffic laws was proposed for Oregon, Washington and California and a basis for legislative action at the present sessions was set out. The program, it followed, is an advocate of states' rights, opposed to the 18th amendment, and four times governor of Maryland.

Ritchie Supporters Busy. BALTIMORE.—With the slogan, "Free men and free women again," supporters of Governor Ritchie of Maryland have already begun a drive to form organizations in every state to push him for the presidency in 1932. Ritchie, a democrat, is an advocate of states' rights, opposed to the 18th amendment, and four times governor of Maryland.

Butler Charges Dismissed. WASHINGTON.—The navy department made a sudden move in the Maj. General Butler court-martial proceedings by deciding to dismiss the charges and to reprimand the marine instead. The decision came after the secretary of the Navy Adams had received a letter from Butler in which he explained the reasons for his calling Mussolini a hit and run driver.

Cow Thrives on Water. ILWACO, Wash.—Twenty-nine days after he had lost his cow, J. A. Morehead discovered her in an open well, which afforded nothing better than a water diet. However, upon being removed from the hole, the cow commenced eating and is apparently none the worse for her experience.

Drouth Still On. ST. LOUIS.—The rains which had been falling in scattered sections of the drouth stricken middle west have now stopped, leaving only minor relief for the parched land. Clear skies and a cold wave have put an end to all hopes for moisture in the near future.

WRECK RESULTS IN FREE PASTRY

Full Bakery Truck Slings Wares In Sigma Chi Hill

The early birds got the pie at the Sigma Chi house Monday morning as Spengler's bakery truck skidded down the hill from the Beta Chi driveway, to stop, butterside down amidst a jumble of garbage cans in back of the Sigma Chi house.

Come pies were first on the menu for those skipping nine o'clocks. Fruit pies, doughnuts, cookies, bread and cakes were salvaged by the driver.

At the time of the accident the truck was unoccupied. It is believed that the brakes were defective, allowing the car to pick up momentum on the grade. The car was but slightly damaged.

RELIGIOUS GROUP RECEIVES SUPPORT FROM MERCHANTS

Moscow Business Men Subscribe Large Sum to New Fraternity

Almost a thousand dollars has been subscribed by Moscow business men for the organization of Chi Alpha Pi, the new religious group, within the last few days, says Dr. C. F. Magee, chairman of the finance committee. This brings the total up to nearly \$3000.

Decision on housing quarters for the group will be made soon, said Victor N. Ramsdell, chairman of the building committee. The Sigma Nu house is being favorably considered.

Is Non-Sectarian

Chi Alpha Pi is an interdenominational organization associated with the Idaho Institute of Christian Education. It will provide living quarters for young men, and will give religious instruction which will receive full university credit.

Members will be selected on the basis of scholarship, student activity, general interest in campus affairs, and a desire for work in a Christian group. About 40 applicants have already been received from young men, said W. Wayne Smith, president of the corporation.

A tentative organization has been made up of those interested was held Sunday afternoon. Charles Piffeld is chairman; Edwin Luttrup, vice chairman; and Stanley Hall, secretary.

A board of trustees of the institution will act as a holding corporation for group finances. Chi Alpha Pi will also have a house mother.

CLASS CHANGES ENDING FRIDAY

Students Given Two Weeks in Which to Shift Classes for Semester

The university registrar is reminding students that all changes in courses must be completed by the end of this week in accordance with the university ruling which allows a period of two weeks at the beginning of the semester in which changes may be made.

ALPHA KAPPA PSI INITIATES THREE

Banquet and Election of Officers Held at Blue Bucket Inn After Initiation

Alpha Kappa Psi, commerce fraternity, held initiation this afternoon at L.D.S. The new members taken in are: Gerald Bartholow, Gene Conger, and Henry Baetkey. Following the initiation, a banquet was held in honor of the new members at the Blue Bucket Inn.

Members are taken on high scholarship and professional interest in business.

Club Officers

Following the banquet an election of officers was held. Those elected were: Glenn Sherman, president; Howard Bullif, vice-president; Jay Kendrick, secretary; and Sidney Walden, treasurer.

The object for next semester is the formation of a chapter in Pullman. The report of the petitioning body is very favorable. The installation of a Pullman chapter is planned by the Idaho chapter in the spring.

OPEN INSTITUTE TO STUDENT USE

The L. D. S. Institute is open for use of students on the campus and organizations will be provided with rooms in which to hold their meetings by making arrangements with the director of the institute.

New Dance Floor

There is a new dance floor in the recreation hall which may be used under customs that have prevailed heretofore.

Young ladies' groups are invited to use the institute kitchen for making candy, etc., with the approval and consent of the university authorities. The institute wants the women of the university to feel that they are welcome.

There is a radio in the reception room at the disposal of the students.

IDAHO QUIZ PLAN MOST SATISFACTORY STATES MESSENGER

Examination Plans Submitted by Deans and Instructors Vary

OPINIONS CONFLICT

Dean Masterson Favors Examinations to Cover Two-Weeks Period

"On the whole, for this institution, I think the present examination plan is the most satisfactory for all concerned," stated Dean J. F. Messenger, dean of the school of education, when asked his opinion of the examination system here.

"We have tried many different systems in the past. The system most favorable to my own particular interests was that of allowing the instructor to use as many of his last class periods as necessary. Thus, the instructor can give part of his test in each class period for the last week if he wishes. This plan did not prove workable in all departments of the university, however.

The examination plans submitted by deans and instructors were many and varied. Dean W. E. Masterson, dean of law, expressed himself in favor of the plan of having examinations cover a period of two weeks, thus giving the student more time to review his work and prepare for the examination.

Opposing Plan

Opposing this plan, Dean R. H. Farmer, dean of business, stated that he thinks it is a waste of time, which could be given over to teaching, to have examinations cover an entire week. "If it were possible to have only two-hour periods for examinations, I think it would be a better plan, but it is not possible for some types of courses."

The general opinion among the faculty members is that the plan now in practice is the best plan for all the departments of the university.

PHI BETA KAPPA POSTPONES PLANS

Honor Society Delays Vergilian Celebration Pending Return of Eldridge

Plans for the Phi Beta Kappa Vergilian celebration commemorating the birth of Vergil, a famous Roman poet of 2000 years ago, have again been postponed, according to Dr. F. C. Church, head of the department of history. The affair will probably be held over until the return of Dean J. G. Eldridge from his proposed trip east, around the middle of March.

The celebration will probably be of the same type planned before the recent postponement, he said. An invitation list for the affair is now being prepared. Although a great many Vergilian celebrations were held throughout the world last year, according to Dr. Church, the Idaho Phi Beta Kappa may not be late for all their glory as there is a great deal of vagueness concerning the actual date of Vergil's birth.

EDUCATION SENIOR TAKES STATE POST

Miss Fay Tatro Accept Position in Capitol Building; Will Graduate By Correspondence

Miss Fay Tatro, senior in the school of education has left her home in Boise, where she will accept a position in the statehouse as a stenographer. Miss Tatro will continue her studies by correspondence and will graduate with her class in the spring. She is a member of Phi Beta Pi.

CHURCH PRESENTING NEW VOCAL CHORUS

The First Lutheran Church Under the Direction of Miss Agnes M. Bothne Presented a Sacred Song Service Sunday Evening

A group of 30 voices, Bernice Smith sang "The Lord is My Shepherd," Scott; Sherman Ellsworth, "Great Peace Have They" Rogers; and Miss Smith and Mr. Ellsworth, "O Divine Redeemer," Gounod.

OREGON DEBATERS ARE COMING HERE

Idaho's men and women debate squads are preparing for an invasion of the University of Oregon speakers here, meeting the women on February 20 and the men on February 25.

The women will debate on "Resolved: That Ghandi has been a benefit to India." The men's question is, "Resolved: That the expansion of the chain store is detrimental to the best interests of the American people."

On March 11 Idaho will journey to Oregon to debate.

CLASS ELECTIONS

Meetings for the election of second semester officers have been called by the class presidents for 7:30 Wednesday evening. Seniors will meet in room 315 Ad. Building, Juniors in room 311 Ad. Building, Sophomores in room 111 Science Hall and Freshmen in the Auditorium.

PHOTOS ARE DUE FOR YEAR BOOK

Picture dates must be made with down-town photographers before the fifteenth, and pictures must be taken by March 1, says Wayne Blair, editor of the Gem of the Mountains, student annual.

This week a news letter will be sent each class on the campus explaining what is wanted in the group take-ups. A short history of each body will be a feature of this year's Gem.

Sections devoted to clubs and honoraries have been started. Final work on these sections will not be done until spring pledging is finished.

"And get those pictures taken," concluded Blair. "Students too slow will be bewailing the fact that they 'forgot.' And I won't be able to offer them any sympathy."

ELDRIDGE LEAVES ON LONG JOURNEY FOR POINTS EAST

Will Speak at Masons Meeting in South Idaho Before Tour

Dean J. G. Eldridge leaves Thursday, February 12 for southern Idaho, where, as Grand Master of Masons in Idaho, he will attend and speak at three large district meetings at Rupert and Paul on February 13, at Nampa on February 14 and at Buhl on February 16. He will also visit the Montpelier lodge on February 17.

TO RETURN IN APRIL

Dean Will Attend Two Important National Conferences

Dean J. G. Eldridge leaves Thursday, February 12 for southern Idaho, where, as Grand Master of Masons in Idaho, he will attend and speak at three large district meetings at Rupert and Paul on February 13, at Nampa on February 14 and at Buhl on February 16. He will also visit the Montpelier lodge on February 17.

Mrs. Eldridge will join him at Minnikoka, and will journey with him to Washington, D. C., where Dean Eldridge is called to two national conferences. The first is that of the George Washington Masonic National Memorial Association to be held in the nearly completed Memorial at Alexandria, Va., on February 23 and 24. Following this is the Grand Master's conference to be held at the Willard Hotel in Washington.

Washington Memorial

The Washington Memorial is a four million dollar structure erected largely by one-dollar gifts of Masons throughout the United States. It is hoped to complete the Memorial in 1932, the bi-centennial year of Washington's birth.

Additional features of the conferences will be a White House reception and a banquet and meeting in the old Washington-Alexandria Lodge of which George Washington was a member and master.

Visit Friends

En route Mr. and Mrs. Eldridge expect to see Rev. and Mrs. Wayne S. Shoddy, formerly of Moscow, but now in St. Louis, and President and Mrs. Upham, at Oxford, Ohio, and Prof. John H. Cushman, now in Cincinnati. They will also visit for a few hours at William and Mary College, Williamsburg, Va., where Phi Beta Kappa, the oldest Greek letter fraternity, was founded in 1776.

Dean Eldridge is president of the local chapter of the society, now an "honorary" in the college of letters and science.

Robert W. Eldridge, '23 (Ph. D. Yale, '27) son of Dean and Mrs. Eldridge lives at Clifton, New Jersey, just out of New York City.

With Rubber Company

For the past five years Dr. Eldridge has been engaged with the United States Rubber Co., as research chemist in their general research laboratories at Passaic, New Jersey. Dean and Mrs. Eldridge will pay them a brief visit, and also Prof. and Mrs. George E. Nichols of New Haven, Conn.

Professor Nichols is head of the Botany department of Yale University and a former student of Mr. Eldridge, when he was an instructor in German at Yale. Mrs. Nichols is Mrs. Eldridge's only sister and the mother of Miss Grace Nichols, a freshman in home economics at Idaho.

The entire trip will take somewhat over three weeks.

SEMESTER GRADES COMING OUT LATE

Printers Behind Schedule in Getting out Necessary Recording Material

Grades have been much slower in getting out this year than in previous years. All recording material, necessary to publish the grades, has been late in getting here from the printers. This material was ordered last August. A general delay in getting grades to the parents, high schools, and group houses resulted. It also has increased the work at the registrar's office.

The job of publishing grades is always a tremendous task, according to Ella R. Oleson, registrar, but it has been doubled this year because of the slowness of the printer.

Holds Back Average

The delay has made it impossible to get an estimate of the university average.

The grades are being published in alphabetical order, but in two groups, starting at A and M to expedite the work. The only grades not published are those needing correction.

No grades are mailed, and both prospects for Phi Beta Kappa, and for one-way tickets home pause at the bulletin board.

BUYING OF GLIDER PLANNED BY GROUP

The buying of a glider will be discussed at a meeting of the Glider club Wednesday, said Walter Friberg, president.

The decisions are awarded by a critic judge, with faculty members acting in these capacities. The men are debating "Resolved: That the practical application of companionate marriage will stabilize family life." The women's question is "Resolved: That fraternities are more beneficial than detrimental to university life."

The single elimination system is used in these debates so the women who meet in the second round are all winners of the first round. The men debating in the second round have not yet debated.

VANDALEER CHORUS WILL GIVE PROGRAM

The University of Idaho Vandaleer chorus will give a benefit performance at Lewiston, Idaho, on Tuesday evening, February 17, and at St. Maries on Wednesday evening, February 18, and at St. Maries on Wednesday evening, February 18. The program will be given for the benefit of the American Red Cross.

PRESIDENT TALKS ON IDAHO BUDGET

President M. G. Neale left the campus Monday morning to go to Boise where he is to appear before the Idaho house of representative's committee on appropriations on behalf of the university budget.

Dr. Neale will be assisted in presenting the information to the committee by Floyd Packer, assistant university bursar. The material which will be presented will have to do with requests from all departments of the university and will include a request for some library appropriation.

PLAN ASSEMBLY TO GIVE AWARDS FOR LETTERMEN

16 Varsity Sweaters and 24 Frosh Numerals to Be Given

A S U I IS SPONSOR

Nominations For Executive Board Senior Man Open

Sixteen varsity lettermen, 24 freshmen and six members of the Women's Athletic association will be given sweater awards at the assembly Wednesday morning at 10 o'clock in the auditorium at a special assembly of the A.S.U.I.

The pep band will play several feature numbers. William Ames will direct the band in the place of Harry Walden who directed the organization last semester. The boys' double quartet will sing several numbers. A piano duet is scheduled as an attraction.

Short Talks

Other numbers will be short talks by a prominent alumni and three seniors on the team. Bus Grimm, yell king, will lead the students in Idaho yells.

The varsity awards will be presented by Head Coach Leo Calland, who will give a short talk and possibly review Idaho's prospects for next fall.

The committee in charge of the assembly are Harry Daubert, chairman, Vera Bryant, Bus Gray, and Bus Grimm.

Preceding the presentation of the awards a short A.S.U.I. meeting will be held. At this time nominations will be made for senior man on the executive board. Vining Thompson, former member, left school at mid-year.

A special A.S.U.I. election will be held soon to fill this vacancy. Two other vacancies, managing editor of the Argonaut and associate editor of the Blue Bucket, will be filled by candidates selected by the boards of the two publications. Conroy Gillespie is the lone nominee for the Argonaut position. No names had been filed by the Blue Bucket board last night.

WOMEN ATHLETES SELECT OFFICERS FOR COMING YEAR

Bess Louise Hogg will Lead W.A.A.; Dorothy Janssen Vibe President

Bess Louise Hogg, Hays hall, was elected president of W.A.A. today at the annual election of officers. Miss Hogg, a spur, is active in W.A.A. and prominent in athletics.

Other officers elected were: Dorothy Janssen, vice-president; Lois Thompson, secretary; historian; Pearl Waters, recording historian; and Louisa May Jensen, treasurer.

There were 27 women pledged into W.A.A. as a conclusion to the meeting, a large percentage freshmen. Those pledged were:

Elsa Eisner, Marie Dewinter, Mary Mulkey, June Davidson, Clara Geddes, Fern Paulsen, Betty Dewald, Irene Hoffman, Jolene Johnson, Gunvor Northug, Lillian Olson, Claudia Jones, Evelyn Thornhill, Blanch Taylor, Jean Hurst, Frances Wheeler, Beth Hurst, Winifred Mellor, Helen Louise Kerr, Ruth Bagan, Helen Telford, Mary Gillespie, Katherine Mikkelson, Edna Miller, Helen Thornhill, and Verona Wolfe.

The president elect and the past president, Lois Porterfield plan to attend the Western Division Conference of American College Women to be held in Reno, Nevada, in April.

FORESTRY SCHOOL HISTORY REVEALS AMAZING GROWTH

Local School Rose to Present Status From Single Instructor

Opening in September, 1909, with one professor, eleven students, and quarters consisting of two rooms on the third floor of Morrill hall, the Idaho school of forestry, has now grown to a faculty of seven members giving their full time to forestry, more than one hundred students, and quarters comprising twenty rooms on the third and fourth floors of Morrill hall.

Seven of the rooms are laboratories, each equipped for special research, other other rooms, one is to house the departmental library, two for field instruments and publications, and the rest for class rooms and offices.

The school also has its own greenhouse, an arboretum and nursery containing forty acres, and 8 experimental forests both accessible from Moscow.

Recognition of forest perpetuation is shown by the school in the character of its curricula, for right only do they give a liberal training in technical forestry, but the technical courses in forestry have as their background fundamental training in English, mathematics, economics, engineering, and such basic sciences as botany, chemistry, and physics. The technical courses in forestry are arranged in such groups as will best correlate knowledge in the various fields of forestry study.

Courses Varied

One group, for example, deals with the life of trees in the forest, their characteristics, and ecological requirements. Another group covers methods of determining the rate of growth and yield of trees and the application of forestry in the conduct of the forest business.

A third group treats of the elements of the forest and how to combat them, and still another deals with the properties and uses of wood and methods of harvesting, marketing and utilizing the forest crop.

Grads Are Active

The graduates of the school of forestry are widely scattered and are engaged in a wide range of activities in their profession. Two hold important positions in the forest service of India, two others have important assignments in the Philippine Islands, while in the United States alumni of the school may be found in almost every section, the most of them being identified with the forest service. The lumber industry is a large employer of graduates of the school and several are on faculties of various universities.

AMES IS ELECTED PEP BAND LEADER

Band Meets Tonight to Plan for Concert and Show

William Ames, Boise, is newly elected leader of the Idaho Pep band, and William Hawkins, Coeur d'Alene, is the new business manager. The band meets tonight to make plans for a concert and show this spring.

Ames, a sophomore, plays the violin and trumpet, and sings baritone. He has been connected with the band since coming to Idaho, and directs a jazz orchestra, playing on this campus and in Pullman. He has studied violin in Chicago, and is enrolled here in public school music.

Registration in either of these classes is to be made on regular university registration blanks, in order to assure the dean's approval for the additional credit load. These courses are open to all students who have completed their freshman year, and hours will be arranged to meet the convenience of those who desire these courses.

TWO NEW COURSES OFFERED BY L.D.S.

Classes Open to All But First-Year Students; Credit Given

An introduction to the history and literature of the Old Testament, a two-hour credit course, designed to acquaint the student with the historical, literary and religious values of the Old Testament; the Life and Letters of Paul, a one-hour credit course, dealing with an intimate study of the powerful figure of Paul as he moved in the Mediterranean world of his day, are two new courses to be given in the Moscow L. D. S. Institute under the direction of Sidney B. Sperry.

Registration in either of these classes is to be made on regular university registration blanks, in order to assure the dean's approval for the additional credit load. These courses are open to all students who have completed their freshman year, and hours will be arranged to meet the convenience of those who desire these courses.

DEBATERS OPEN SECOND ROUND

Intramural Teams Enter Next Round of Men's and Women's Series.

Members of intramural debating teams will oppose each other in the second round of their schedule. The men meet Monday night and the women will meet tonight.

The decisions are awarded by a critic judge, with faculty members acting in these capacities. The men are debating "Resolved: That the practical application of companionate marriage will stabilize family life." The women's question is "Resolved: That fraternities are more beneficial than detrimental to university life."

The single elimination system is used in these debates so the women who meet in the second round are all winners of the first round. The men debating in the second round have not yet debated.

CHURCH AIDING HISTORY GROUP

Dr. F. C. Church, head of the Idaho department of history, was elected a member of the council of the Pacific coast branch of the American History association at the last meeting of the society held in Palo Alto, California, during the Christmas holidays.

The association, which was founded in 1886, has taken a very active part in the advancement of historical research in this country, holding meetings annually in addition to publishing a well known history review. Although Dr. Church did not attend this last meeting of the society, he has long been an active member. He plans to attend the next gathering to be held next December.

FORESTRY SCHOOL HISTORY REVEALS AMAZING GROWTH

Opening in September, 1909, with one professor, eleven students, and quarters consisting of two rooms on the third floor of Morrill hall, the Idaho school of forestry, has now grown to a faculty of seven members giving their full time to forestry, more than one hundred students, and quarters comprising twenty rooms on the third and fourth floors of Morrill hall.

Notice To Contributors

FOR the third time in as many weeks the policy governing the printing of material submitted for publication in the Student Opinion column of the Argonaut has been changed. The most recent innovation is that from now on the editor will print absolutely nothing in the column unless he feels like it, very much indeed.

There will be those who will rise up in wrath and Editaurus is already braced to have such phrases as "unethical", "freedom of the press," and "suppressed opinion" shoved down his throat. How to the line, let your quips fall where they may.

There are several reasons for the change. The most important ones are that certain people have submitted manuscripts signed with aliases and that 70 per cent of the material submitted for publication is not worth reading and 25 per cent of it is unreadable.

The students who write an alias are not content to use Tom Jones or John Smith but insist upon using the names of other students and it is frequently embarrassing to the latter to find their names signed to manuscripts which show no reasoning and very little knowledge of grammar and spelling. And, the editor is far too busy to bother with unsolicited "gripes."

A correspondent in today's column wishes to know why the misspelled words in news stories are not set in boldface type. For his enlightenment Editaurus suggests that these errors are not in the copy and that he himself is not aware of their existence until the paper comes out or they would most surely be set in bold face to give Argus that "Wyandotte hen effect."

As for the Argonaut's lack of ethics, Editaurus is again forced to point out that no snowy white code of ethics was handed down to him with the key to the Argonaut office. This lack of precedent is responsible for the far from subtle captions which besprinkle the student opinion column.

Intelligent, well written criticism on intelligent subjects is still welcomed and will be printed. However, the contributions of quibblers and wise guys will be promptly dropped into the waste basket starting today.

No contributions which do not bear the full name and telephone number of the writer will be considered and no manuscripts will be printed without the author's full name signed. The Argonaut is taking this step because it feels that certain persons have taken advantage of privileges accorded them in the past. Persons who do not care to admit their authorship openly cannot expect their written opinions to bear much weight as far as affairs of the A.S.U.I. are concerned.

What The NSFA Is

WHAT is the NSFA? Why does Idaho pay two cents head tax to such an organization? What does it do for the ASUI?

First, it is the National Student Federation of America which was organized six years ago in a successful attempt to remove the provincial air and attitude of American colleges. It is a common ground upon which student problems of the nation are discussed.

Second, the organization must have some financial support to carry on its extensive work. To this end a two cent head tax has been voted by member colleges.

Third, and what does it do for the ASUI? It has a national student congress to which Idaho sent two delegates this year. At these congresses problems of scholarship requirements, students finances, house-mothers, student control, honor systems and probation are a few of the problems wrestled with. Ideas and methods of procedure are exchanged. The NSFA maintains a weekly news service.

The NSFA holds communication with similar organizations in England and Europe which send brilliant debaters to try their skill with American talent. The Oxford debaters were sent through Idaho last fall by NSFA.

National radio broadcasts are arranged by the Federation. During the present season Ray Lyman Wilbur, Dr. Julius Klein, Dr. Rabindranath Tagore, Dr. Albert Einstein, and Heywood Brown have been heard through the auspices of NSFA.

The Federation also arranges trips to Europe for American students and obtain substantial reductions in rates for them while traveling. This is the National Student Federation of which the University of Idaho is a member.

Get An Activity

THE French lycee and the German gymnastiums are places of hard work. Not merely hard work but real grind. There is little relief from this grind -- no athletics, no dramatics, no musical or glee clubs, no publications, no rallies, practically none of the extra-curricular activities which play so large a part in the college life of our country," says Dr. Stephen P. Duggan, a part in the college life of our country," says Dr. Stephen P. Duggan.

The European schools and colleges haven't what we call "college life," because they haven't dramatics, athletics, glee clubs, or publications. They haven't student government. European schools are autocratic.

And in a distant corner we hear some critic say, "Yes, and the European universities are better. One goes there to learn and not to play."

To which the American responds, "And the result is what? We have aggressive men. Men looking for opportunity. Men who have lived and learned by actual experience in a small highly specialized community, their college. When they go into life they are somewhat prepared to assume their duties of citizenship."

Activities are an opportunity, and freshmen who haven't found out that should in the very near future. All knowledge isn't contained in books, nor does all play make Jack a wise lad.

HOME ECONOMICS COUNCIL CALLED

There will be a meeting of Phi Upsilon Omicron, national Home Economic honorary fraternity, Tuesday night at 7:30 in the Home Economic department of the Ad building, to consider the pledging of new members.

Only girls who are second semester sophomores and second semester juniors who show special abilities or interests in home economics and who are in the upper two-fifths of their class in scholarship, are eligible.

SCIENTISTS TO MEET

Speakers from the Washington State college faculty will be obtained by the Idaho Chemistry club for a series of dinner meetings to be held as soon as the condition of the road between here and Pullman improves, according to Carl von Ende, head of the organization. Until then the organization will probably not hold any meetings.

Jack Mitchell '29 received the versonity of Chicago. He is now doing research work in botany under Dr. Frank Shull.

Student Opinion

The Argonaut conducts this column exclusively for the use of student communication. Contributions are welcome. The articles must bear the writer's name, and phone number. The editor reserves the right to refuse any article submitted.

The article, which appeared in the last Student Opinion column signed by R. L. Brown was not written by him.

THE OTHER SIDE OF THE QUESTION AND FINALE

To the Editor:

And still the wolves howl. As chairman of the Executive Board, I hope that you will allow me space in the Argonaut to reply to some of the critics of the organization.

First, L. S. You are correct in assuming that there are a sufficient number of qualified men to hold appointive offices so that it is unnecessary to appoint a member of the executive board to a job. I appointed Mr. Sommercamp chairman of the election committee because he is capable of filling that position and also because of the very fact that he is a member of the Executive Board. L. S. if you will investigate, you will find that the heads of many ASUI committees in the past have been members of the board at the same time. This connection facilitates the work both of the committee and the Executive Board.

And, by the way, L. S., is not your intimation of the "check and double check system" a rather feeble effort? If you vote at the next election, you will not doubt observe that the Australian ballot system is used. Furthermore, there are six other people on the committee and I believe that you will find the various campus factions represented.

Second, F. D., Frank, aren't you getting to be a rather frequent contributor to the Student Opinion column?

Third, I am mistaken, your statement that the Executive board meetings "are open to every member of the ASUI according to the authority of the ASUI constitution" is not correct. I have failed to notice and such clause in the constitution. However, I have never known anyone barred from a meeting except a member of the board who was on university probation.

Interesting to people who do not find it interesting to watch the board "labor with weighty problems" can get the information they desire from the minutes of any meeting. The constitution directs the secretary to "keep records of all the proceedings of the Association and the Board, which records shall be open to any member of the Association."

You know that, F. D.

Until recently members of the ASUI who were not regularly elected members of the board did not attend meetings of it unless they had some regular ASUI business or other reason for attendance. Lately, however, it has appeared to become "la mode" to attend board meetings in a supervisory capacity. Two self appointed members, formerly conspicuous in the Student Opinion column, have not absented themselves from a single recent meeting.

If any people feel like "balmy jackasses" when they watch the board at work, it must be these self appointed members. I suspect that it is the nature of their mission which perturbs their feelings. Are they your disciples?

F. D., any visits which you pay to board meetings may be beneficial. You can supply the "legal mind" which you, and your former co-author, J. D., thinks is lacking on the present Executive Board.

Well, Frank, as one poor speller to another, why not accept the following suggestions before publishing your next student opinion?

1. Find a valid criticism of the present student government. (Constructive criticisms are appreciated.)

2. Have someone correct your mistakes in spelling or consult a dictionary and make your own revisions before you tender your next article to the Argonaut.

Sincerely,
CHARLES GRAYBILL,
Chairman Executive Board.

DAILY LESSON IN THE ELEMENTS AND ETHICS OF JOURNALISM.

Dear Editor:

Now I beg of you not to caption this little message with "Hello Yan" or anything equally superfluous, as any semi-intelligent person can read the full name at the bottom. But, kind sir, the point I wish to make in this dissertation (spelled incorrectly because of a typographical error) is this: Why did you set the tender word's in one of your stories in black face type and neglect to do the same in the other columns of the "Argonaut"? It seems a shame that in a

42 out of 54 colleges choose this FAVORITE pipe tobacco

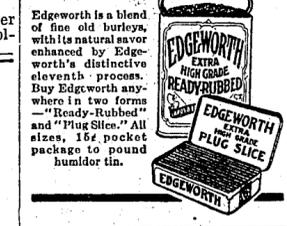

and Yale agrees

LOOK UP at the windows of Larkness to find out what the Yale man smokes. In the spring-time you'll see him sitting in his window seat with a pipeful of Edgeworth between his teeth.

On Chapel Street... out at the Bowl... everywhere the Yale man goes, his pipe and Edgeworth go with him. And at 42 out of 54 of the leading colleges and universities Edgeworth is the favorite tobacco.

A tobacco must be good to win the vote of so many discriminating smokers. And Edgeworth is good. To convince yourself try Edgeworth. You can get it wherever tobacco is sold... 15¢ a tin. Or, for a generous free sample, write to Larus & Bro. Co., 105 S. 22d St., Richmond, Virginia.

EDGEWORTH SMOKING TOBACCO

Edgeworth is a blend of fine old burleys with its natural savor enhanced by Edgeworth's distinctive eleven-step process. Buy Edgeworth anywhere in two forms -- "Ready-Rubbed" and "Plug Slice." All sizes, 16¢ packet package to pound humidor tin.

paper, so addicted to changing the more ancient rules of rhetoric, that you should only hit upon the student opinion column. (Undoubtedly, Dear Editor, (blackface please), before the year is out the Idaho Argonaut will look like a Wyandotte hen.

As for the far-from-subtle captions which besprinkle the last student opinion column, the last ASUI evidently forgot to procure a new set of newspaper ethics when they secured the new editor (blackface please).

Yours sincerely,
CARL VANIK,
'32 or later.

DEDICATION RECITAL GIVEN AT PULLMAN

The dedicatory recital of the new Gill Memorial organ by Robert Nelson, Pullman, and Miss Agnes Bothne at the St. Mary's Catholic church Sunday was enjoyed by 400 students and town's people. The new organ, which is a memorial to her husband by Mrs. James J. Gill, was played by Mr. Nelson and Miss Bothne sang several solos. The organ displayed a wonderful fullness of tone.

Blue Bucket

—The Students' Rendezvous—

Society

The year society season began quite successfully last week-end. After the strain of final examinations and the rush of registration, the various groups are eager for social activities. Three informal dances were given on the campus, providing unique entertainment for the guests and hosts.

The Alpha Phi underclassmen's dance on Friday evening was carried out with a slouquette idea. Saturday night, Ridenbaugh hall was individual with its "Joe College affair." The Delta Chi underclassmen decorated their ball-room effusively in the modernistic trend with special appropriations for the orchestra pit for their informal on Saturday night. Sigma Tau, national honorary engineering fraternity, gave the only formal dance of the week-end.

On Thursday evening, Beta Chi entertained at their chapter house with a formal dinner. Places were laid for almost thirty guests, including many faculty members.

With the release of grades, the group houses have begun their initiation rites. Gamma Phi Beta and Beta Chi are among the first to complete the ceremony.

SPINSTER'S SKIP NOW BEING PLANNED

One of the very few matinee dances of the year will be held Monday, February 23, when the members of Mortar Board give their annual Spinster's Skip. It will be held at the Blue Bucket.

It is one of the customs of Mortar Board for all the chapters to sponsor a dance sometime during the year. At this dance circumstances are reversed and the women invite the men, call for them, pay all expenses, and see them home after the dance is over. At the University of Washington this dance is called Tolo Dance, while at the University of Idaho, it is known as the Spinster's Skip. The Spinster's Skip has been held at Idaho for a number of years, and has become one of the traditions of the campus.

The members of Mortar Board have not yet completed all plans for the event, but a meeting is going to be held February 10. At this time final arrangements will be made.

"JOE COLLEGE" DANCE AT RIDENBAUGH HALL

The men of Ridenbaugh hall held their first informal dance of the semester Saturday night. It was called a "Joe College" dance and the collegiate idea was carried out in the decorations and also in the costumes of the dancers.

Patrons and patronesses were: Mrs. Walt Henry, Mr. and Mrs. W. J. Wilde, Dr. and Mrs. F. W. Gale and Mr. Robert Green.

Guests were: Dorothy Fredrickson, Luella DeGero, Austa White, Jolene Johnson, Lucille Pettibone, Beatrice Gibbs, Ellen Jack, Eloise Emmett, Roberta Bell, Lois Hall, June Davidson, Loretta Stevens, Geneva Handv, Lena Belle Rogers, Charlotte Lemon, Ethel Tobey, Violet Hagen, Larene Richards, Mona Lowe, Elizabeth Taylor, Ruth Lowe, Claudia Jones, Ruth Humphreys, Jean Donaldson, Elva K. Duncan, Carolyn Schmidt, Leota Hamlett, Marjorie Neale, Helen Borden, Elma Minear, Dorothy Chapman, Laurice Burch, Helen Atherstone, Marjorie McClain, Margaret Lee, Florence Laing, Frances Anderson, Fay Chisholm, Marjorie Talbot, Bernice Brill, Goldie Williams, Laura Brigham, Sally Volkman, Ollie Wood, Dorothy Higgins, Eunice Hudelson, Marjorie Elsworth, Kenneth Orr, Harry Terwilliger, William Attridge, Paul Aust, Blair Ellsworth and John Torgeson.

Mr. and Mrs. M. A. Putman and daughter were Sunday dinner guests at Ridenbaugh hall.

Agnes Moore was a week-end guest of Kappa Alpha Theta.

ALPHA PHI GIVES SILHOUETTE DANCE

On the evening of February 6, 1931, the Alpha Phi underclassmen entertained with an informal dance held at the chapter house. The decoration motif was black and white silhouettes. Mrs. Marion R. Curtis and Mrs. Nathan Scott were patronesses. The following guests were present:

Randall Wallis, Dallas Murdock, William Hunt, Paul Jones, Don Corless, Lynn Roberts, Dan McLaughlin, Ellis Shawyer, Douglas Cordon, Berger Hamilton, Claire Barrett, George Giles, Robert Beasley, Reese Clawson, Marvin Soderoult, Ray Sowder, Joseph Peterson, Tyler Gill, Cliff Hallvik, Jack Gray, Wallace Pierce, Jack McGuire, Claude Marcus, Rex Dyer, Varric Kall, Winfred Janssen, Robert Vincent, Glenn Shern, Royal Holman, and Peter Pence.

DELTA CHI UNDERCLASSMEN'S INFORMAL

Delta Chi Underclassmen held an informal dance at the chapter house Saturday night. The dormitory was converted into a modernistically decorated dance hall.

Patrons and patronesses were: Dean and Mrs. F. G. Miller, Professor and Mrs. Elmer E. Davison, and Professor and Mrs. H. W. Hulbert.

Guests included Beatrice Friedman, Catherine Knowles, Jane La Rue, Irene Hoffman, Ruth Johnston, Eleanor Berglund, Charlotte Davis, Lilly Louis, Lillie Gallagher, Valerae Hansen, Lorraine Hatch, M. A. Frazier, Marthalene Tanner, Genevieve Frazier, Lucinda Parker, Helen Powers, Jane Orr, Mary Axtell, Ruth Smith, Louise Morley, and Zelma Manning.

Gamma Phi Beta announces the initiation of: Doris Armstrong, Cascade; Regna Campbell, Nampa; Jane Dunn, Wallace; Frances Dunsault, Moscow; Harriet Eaton, Emmett; Virginia Evans, Pocatello; Kathleen Goodwin, Boise; Frances Hanley, Wallace; Vivian Jordan, Spokane; Patricia Kennard, Moscow; Jean Kingsbury, Wallace; Betty Knudson, Wallace; Susan Malcolm, Spokane; Laura Olsson, Wallace; Lois Reynolds, Emmett; Dorothy Scott, Moscow; Margaret

CHURCH TO OPEN MISSION SCHOOL

Local Baptists Starts Six Weeks Study of Foreign Countries

A school of missions is opening at the Baptist church in Moscow next Sunday night. The school course will cover a period of six weeks during which time many foreign countries will be studied both in their relation to the church and according to their customs. The first discussion will be on India. The title of the topic is "Sail With Us to India."

The Presbyterian church is giving a St. Valentine's day banquet Friday, February 13, at the church, at 6:30 p. m. The dinner is under the auspices of the Christian Endeavor. Reservations must be made by Wednesday by calling Mrs. Edward Tullis.

The regular Sunday services of the Nazarene church will be held this week. Sunday school is at 9:45 a. m., Divine Worship, 11:00 a. m., Young People's meeting, 6:30 p. m., sermon, 7:30 p. m.

Student Bible classes will meet at the Lutheran church at 10:00, divine worship, 11:00 a. m., young people's meeting, 6:00 p. m. social hour and refreshments, 7:00.

Kappa Beta, organization of Christian young people will meet as usual Thursday of this week. The University of Idaho class of the Christian church meets at 9:45 Sunday morning, the sermon is at 11:00, Young People's Fellowship at 6:00.

Kappa Phi, organization of university women belonging to the Methodist church, will hold a social meeting in the women's gymnasium Tuesday, February 10 at 4:00 p. m. A play will be given by members of the group.

RIFLE TEAM SCORES

The following scores were made by the Women's Rifle team for the week ending February 7: Zoa Shaw, 99; Dorothy Perkins, 97; Ora Spoor, 97; Mary Simonton, 95; June Davidson, 94; Catherine Reardon, 93; Lillian Hejtmank, 93; and Clara Gjelde, 92.

Bulletin Board

THE ARGONAUT STAFF will hold its regular meeting Wednesday at 4 p. m. in 201 Administration building. Members of the staff are expected to be present and applications from students desiring to join the staff will be accepted at this time.

MILITARY BALL TICKETS may be purchased from Charles Walker at the Phi Delta Theta house. All commissioned officers will be allowed to buy tickets and those who have paid may obtain them by calling.

AN A.S.U.I. MEETING to nominate a senior man on the executive board will be held in the university auditorium at 10 o'clock Wednesday.

SCABBARD AND BLADE rifle practice will be held in Memorial gymnasium Tuesday, February 10, at 7:30.

PHI UPSILON OMICRON will meet Tuesday evening at 7:30 in the home economics department of the Administration building.

GLIDER CLUB will meet Wednesday at 4:15 in room 104, Engineering building.

STUDENTS ENROLLED in the basic military course who are interested in trying out for the bugle corps are requested to notify ROTC headquarters at once.

MORTAR BOARD will hold its regular bi-weekly meeting Tuesday, February 10 at the Blue Bucket inn.

HOME ECONOMIC MEET OUTLINED

Conference on Home-Making Education Will Be Held During Teachers' Association Meet.

The United States commissioner of education has called a conference on home-making education to be held in Spokane at the time of the Inland Empire Teachers' association meeting, April 8 and 9. This conference is in conjunction with the state University of Iowa and the State College of Washing-

ton. "Deans of education from the various schools in the northwest, state and city superintendents of schools, principals, and the home economics personnel will be invited to attend," writes Miss Emeline Whitcomb, senior specialist in home economics, department of interior, Washington, D. C. A hundred or more will attend this conference. At a dinner meeting Wednesday evening, President E. O. Holland of W. S. C., will be the principal speaker. President M. G. Neale will appear on the program at another time.

LOCAL PASTORS PLAN TO LEAVE

Rev. Mabel Stevens Burton and E. M. Hegge Tender Resignations to Local Congregations

The Rev. Mabel Stevens Burton of the Baptist church and the Rev. E. M. Hegge of the two Lutheran churches, tendered their resignations to their respective congregations on Sunday morning. Mrs. Burton will remain until the latter part of June, but Mr. Hegge will leave as soon as possible.

BETA CHI GIVES FORMAL DINNER

Beta Chi fraternity entertained at a formal dinner last Thursday evening. The house was decorated profusely with flowers. The guests present were: Dr. and Mrs. C. L. von Ende, Dr. and Mrs. J. A. Kostalek, Mr. and Mrs. Bert Lattig, Dean and Mrs. Messinger, Mr. and Mrs. George Morev Miller, Dean and Mrs. Axtel, Dean and Mrs. Eldridge, Dean and Mrs. Crawford, Dean and Mrs. F. G. Miller, Miss Bernice McCoy, Lilly Louis, Clarice Anderson, Joan Harris, Elsie Elsing, Louva May Jensen, Helen Parrot, Annie Snow, and Helen Carney.

Mr. and Mrs. M. A. Putman and daughter were Sunday dinner guests at Ridenbaugh hall.

Agnes Moore was a week-end guest of Kappa Alpha Theta.

Gamma Phi Beta announces the pledging of Charlotte Davis of Caldwell, Idaho.

Dinner guests Sunday were Mr. and Mrs. Milford Ingerbritzen and Fred Reager.

Mary Chestnut, Havre, Mont., has been pledged to Alpha Chi Omega.

Delta Chi announces the pledging of William Felton, Glendale, California.

Richard Taylor of Colfax, Wash., Glen Exeum and Earl Williams were dinner guests of Kappa Sigma Sunday.

Sunday dinner guests of Beta Theta Pi included Dr. and Mrs. F. B. Laney, Mr. and Mrs. Rich Fox, Mr. David Eherenberg, Mrs. W. S. McBirney, and Miss Peggy Newhouse.

Sigma Alpha Epsilon announces the initiation of Afton Barrett, Wilder Angus Deal, Kenneth Gowder, Martin Kiebert, Francis Craven, Gordon Giles, Bert Bonson, George Giles, John Norby, James Reynolds, and William Woods.

Phi Delta Theta announces the initiation of Richard Stanton, Harold Boyd, Norval Ostroot, Horton Herman, Charles Hill, John Olson, McCarthy O'Brien, Robert Bear, McPherson LeMoine, Roger McConnell, Gilbert St. Clair.

Mr. and Mrs. J. E. Kincaid and Mrs. Kincaid's mother, Mrs. S. Wildenthaler of Lewiston drove up Sunday to spend the day with Josephine Kincaid, who is in the practice house for home economic seniors.

The initiation of five men was announced Sunday by Tau Kappa Epsilon at a banquet. They were Jack Fick, Harrison; Harry Cline, Emmett; Edwin Wellhausen, Twin Falls; Carroll Livingston, Moscow; and Irwin Slater, New Plymouth.

Beta Chi announces the initiation of Henry Rust, Coeur d'Alene; Robert Lang, Coeur d'Alene; Jack Ferebauer, Idaho Falls; Wesley Nock, Chicago, Illinois; Fred Miller, Moscow; Raymond Critchell, Boise; John Greenwood, Spokane, Washington; and the pledging of Wallace Canfield, Coeur d'Alene.

TRACK PROSPECTS ZOOM UPWARDS AS MANY RETURN

Workouts in Lewis Court
Hold Promise For
Season

MAY BREAK RECORDS

Inside Performances Bode
Ill for Northwest Field
Marks

Vandal track men will start the annual training period this week when Lewis court is converted into a miniature track and field until weather permits working out on the big oval on MacLean field.

Otto K. Anderson, track coach, has already lined up a formidable array of lettermen and sophomores whom he will throw some stiff competition in the way of other conference teams this spring. The first meet of the year will be April 24 with Whitman at Walla Walla.

Lettermen Back
Two lettermen, Sigfrid Jossis, Meridian, and June Hanford, Lewiston, will be on hand to take care of the sprint events. In the 440 Anderson will have Arnold Calvert, Lewiston, a newcomer. The distance events should bring more points Idaho's way with Johnny Thomas, half-mile, sophomore, scheduled to bring home points in the mile and half mile. Chuck Heath, Rigby, winner of two letters, is as good as any two-miler in the northwest and he will also run in the mile with Thomas. With Norman Alvord, Twin Falls, in the low hurdles and Bernard Lemp, Boise, and Bill McCoy, Rupert, in the high hurdles, Anderson isn't worrying about timber toppers. Lemp and Alvord are lettermen and McCoy was a star on the frosh team last year.

In addition to running the high hurdles, McCoy tosses the javelin a fair distance and in preliminary trials this season has approached a northwest record in the pole vault. He established a new Idaho record last year as a freshman.

Field Looks Good
In other field events, Lopez, Williams and Sullivan look like the safest bets in the shot put and Sullivan will also toss the discus with Pete Jensen, Orofino. Jensen is a letterman in the latter event. Leonard di Miceli, a reserve from last season, is back for the broad jump, and Olsen Smith, Burley, a transfer from the Southern Branch at Pocatello is rated as the best prospect in the high jump.

The Vandal's complete schedule follows:
April 24, Whitman at Walla Walla.
May 2, Washington relays at Seattle.
May 9, Washington State at Moscow.
May 23, Montana at Missoula.
May 29 and 30, Pacific Coast Conference meet at Seattle.

FROSH HOOPSTERS DEFEAT TEACHERS

Grenier Stars for Cubs-Two
Game Series to
Follow

The Idaho freshman basketball team made it two straight over the Lewiston Normal last Saturday night when they stepped out and administered a 51 to 28 trouncing to the Teachers in the Memorial gymnasium. A brilliant offense in the opening minutes of the game, coupled with a sedit defense, proved the winning margin, although the Pioneers showed a world of fight and kept the crowd interested throughout.

Grenier, giant frosh center, ran his total score to 37 points when he accounted for 16 of his team's total. Geraghty was the shining light of the evening, scoring 10 points and also playing a fine defensive game.

The freshman five showed a marked improvement over former appearances and with the addition of Grenier, should be prepared to give the W. S. C. yearlings a real battle when they resume hostilities in a two-game series this week.

Biggars, Lewiston forward, made the game interesting for the Idaho guards and kept up a continuous bombardment of the baskets to score 15 points for the Teachers.

VARSITY GRAPPLERS READY FOR COUGARS

Dan Lopez, Coach, is Busy Preparing
Matmen for Match
With W.S.C.

Varsity matmen are practicing daily for their first match on February 28 with the W.S.C. grapplers. Dan Lopez, student instructor and coach in the sport has about 20 men reporting regularly and hopes to keep the championship for Idaho again this year.

Amos Stephens, 175 pounder from the Southern Branch, is gaining a name for himself in the class, left vacant by Noel Franklin, who failed to return to school this year.

CALL FOR MANAGERS

A call for two sophomore managers and eight freshman managers was issued last night by Leonard Reiniger, senior track manager. Anyone interested in these positions is urged to see Reiniger any time after 4:00 at the Lewis courts.

IDAHO FENCERS BEATEN BY W.S.C.

Followers of the fencing sport had an opportunity to witness some real flashy sword-playing Saturday afternoon when the Idaho foil and mask artists lost a close encounter to W.S.C. 70-68 in the women's gymnasium. Nine matches were played in all, Idaho winning four and losing five.

John Menard was outstanding on the Idaho team, winning two of his three matches.

Losses Made by Idaho
Douglas Cruikshank and Carl von Ende composed the remainder of the Idaho team, each winning one match and losing the others by close margins. Robinson, Zerhe, and Bushue made up the invading team.

OREGON HOOPSTERS DEFEAT IDAHO TWO SUCCESSIVE GAMES

Speed and Accurate Ball
Handling Spells Defeat
For Idaho

TRADED POSITIONS
Keenan and Calkins Star
For Visiting Team
Both Games

The University of Oregon varsity hoopsters combined speed and excellent ball handling during their Moscow invasion last week-end to beat back the threat of a powerful Vandal five by counts of 33 to 30 and 42 to 34.

The Webfeet players led by Keenan, Eberhart and Stevens were greatly under-rated and kept the big crowds on the edge of their seats from opening whistle to final gun with their spectacular plays and air tight defense. The stars were not all with Oregon, however, as Wicks, Hale, Drummond and Christians turned in outstanding performances and kept the Red Shirts close behind the coast men until the battle's were over.

Wicks went on a scoring spree the opening night and when the smoke cleared away he had chalked up 12 counters and annexed high point honors for himself while Hale at guard was all over the floor intercepting passes and feeding the oval to the forwards. Drummond gathered points for Idaho the second night to top his teammates while Calkins and Eberhart took chief honors with 12 and 11 tallies respectively.

Slow Start
The first game started slowly with both clubs feeling each other out and the ice was not broken until Lacy tossed a foul after five minutes of play. Drummond then flipped a pair of pretty baskets from the center of the court and Oregon called time out. The Oregon offense began to click and tosses by Eberhart, Dolp and Keenan put the Green squad in a lead that Idaho could never shake loose. The coast men continued their basket barrage, even after both mentors began shooting in reserves, and the count stood 18 to 11 at the half time.

Idaho came back the second period and out fought the Webfeet, but the first half margin was too much to overcome, in spite of Wicks brilliant shooting from all angles of the floor. Keenan was by far the fastest man on the court, dazzling the Vandals with his lightning-like dribbles and shots under the net.

The Saturday night battle was nip and tuck until the middle of the final period when the uncanny shooting of Keenan and Calkins gave Oregon a lead that was never headed. Idaho led the race during the opening minutes but the fast coast offense pulled even and then slowly forged ahead until the Red Shirts were attempting to rim the net from anywhere on the floor in a desperate effort to grab the long end of the count.

High School Basketball

Idaho Falls is now the favorite to grab the title in the Upper Snake River Valley district. They will probably be seen in action here during the state tournament. Another team which is sure fire for a chance at state title is Twin Falls. Pavette beat Nampa 57 to 34 last week, and looks to be a sure number for a chance in the Gooding Outlaw tournament.

Burley dropped a hard fought game to Kimberly 25-28. Buhl and Filer played a close game 8-7. Neither side was allowed many shots at the basket.

Oakley trounced Rupert, 51-22, last Friday night. Hagerman took a 33-30 match from Bliss. The game was close all the way through.

Twin Falls took a game from Pocatello 38-20. Weaver and Colner starred for Twin.

Gooding trimmed Shoshone 26-18 last week in an exciting game. Idaho Falls swamped Ashton 64-22 in a fast game last Friday night.

Boise took Weiser 28-21 in a game last week. Meridian beat Caldwell 31-13 in Friday's game. Wilder and Eagle played a close game last Saturday night, 26-27 in the Eagles favor.

In Saturday's game Boise trimmed Mountain Home 34-12. Swan starred for Boise. Weiser took a 20-19 tilt from Ontario last Saturday night.

The Sport Shop

By Paul Boyd

The double-header played last week disclosed but one thing, the transfer of cellar occupants, Oregon, fighting for a chance to vacate the last rung of the ladder, out-gamed an Idaho team to gain victories in both games. The whole series can be termed in one phrase "too much Keenan."

To the Oregon "field mouse" goes the title of the fastest man on the court during the series. Scoring points when needed and passing the leather when they were stalling, was about all little Willie could do, but Coach Reinhart didn't remove him, although the referee did in the second game for too many personals.

The otherwise dull sports menu was livened up somewhat by the capable ball hustling of the Frosh five. Grenier, ineligible during the first few games, was in every play. In the first game with Lewiston Normal he turned 21 counters, and in the second game landed 15. The big boy moves with a grace that belies his speed and is a sure cinch for varsity material next year.

The moving back of Cy Geraghty from forward to guard seems to have solved the problem of how to utilize his tremendous speed. Besides moving Geraghty, Coach Jacoby has placed McConnell at forward instead of center and he is rapidly getting the "feel" of the new position. As things stand now Idaho stands a better chance than ever to defeat the Babes from across the line.

Only one defect was noticeable to any great extent in the Frosh-Normal game Friday. Perhaps it is due in a small measure to the large amount of publicity and "back slapping" that every high school athlete undergoes. Some of the players cannot seem to realize that they are no longer "all-state" forwards or guards or whatever the case might be. The sooner a cohesive, well-functioning five will take the floor. There is no room on any college athletic team for the boy "still in high school."

A great game is on tap tonight between the Coaches team and a semi-professional five from the Potlatch Athletic Club. The Coaches were handed a narrow defeat earlier in the season and are out to tie the knot at one all. According to Coach Glenn Jacoby "Watch Coaches Calland and Fox covart on the Maple Court." A small admission of ten cents will be charged. The alternate is two for fifteen, if one of them is a girl. So take a date and save enough for a cup of coffee. The game starts promptly at 7:30.

If the fine weather keeps up Coach Anderson will be able to take his proteges out of the "shoot-house" and get some actual training on the field. Shot putters and hurdlers are handicapped by the lack of space in Lewis Court. The weight problem, and it has been a problem since Pickett graduated, appears to be solved according to the early-season showing of Williams, the transfer from the Southern branch. Johnny Thomas, the frosh flash, is rounding into form and should be headed for a great season. He has only to beat a 115 man to be a top-notch. And its when the going gets tough that the champion stands out. The early season performance of Bill McCoy cannot be ignored. Six inches has been added to the thirteen feet he is leaping. If he is doing this indoors, what will he be doing outside under competition?

A new arbor of the maple court was uncovered Saturday night, at least around here, when Emil Piluso took the gang and crowd in hand and officiated. The reason that a new official was imported from Portland was not because Bill Mulligan was scared out, but Gonzaga had a game. After the contest was over, Mr. Piluso remarked that he had never officiated before such a courteous crowd. The Portland referee left no doubt in anybody's mind as to who was running the game.

CALL FOR BUGLERS DAHLKEY GETS JOB

Students enrolled in the basic course are to notify ROTC headquarters at once if they wish to try out for the Bugle Corps. Nine men have been tried out for the corps, which may be added to the band this semester. A bugle corps would add very materially to the appearance of the band, according to military officials, if buglers can be obtained.

Eugene Dahlkey, pre-medic major, '31, left Moscow Monday evening for Boise where he is to accept a position with the state chemistry and bacteriology department. He is a member of Sigma Alpha Epsilon fraternity and former president of the Pre-Medic club. While in school he was house manager for his fraternity.

INTERMURAL CLUBS FIGHT FOR PLACES

Evenly Matched Teams Indicate Interest in Intramural Basketball

Intramural Standings.

A League	W	L	B League	W	L
Phi Delt	1	0	Lindley	2	0
Coaches	1	0	Phi Gam	1	0
A. T. O.	1	0	Ind'ent	1	0
L. C. A.	1	0	Sigma Nu	1	0
Ridenbaugh	1	0	S. A. E.	1	0
L. D. S.	0	1	T. M. A.	0	1
Delta Chi	0	1	T. K. E.	0	1
Beta Chi	0	1	Sigma Chi	0	2
Beta	0	2	Kappa Sig	0	2

By DYNES LAWSON
The Sigma Nu's in a fast and hard fought game defeated the Kappa Sigs in intramural basketball last night 19 to 17, while the A. T. O.s rode over their opponents, the Betas in the last quarter of play to win 16 to 13.

Both of the Monday night's games were fast and well played. The Kappa Sigs led the Sigma Nu five by one point at the opening of the last quarter, but were nosed out when the losers scored two field goals near the end of the game. "Chud" Wendle pulled a Roy Reigels when he shot at the wrozz goal and almost tied the score at the end of the third quarter.

Urged on by lusty cheering from the side lines the A. T. O.s and Betas put up one of the hardest battles that has been played by the intramural men this year. During rest periods the Beta band added music to the occasion. Saturday two scheduled and a postponed game filled the afternoon. Lambda Chi Alpha 22 and Delta Chi 21 was the feature of the day. The Delta Chis calling time out with 10 seconds to play, failed to shore and Lambda Chi hurried away the honors.

The S. A. Es romped over the T. K. E.s to an easy 28 to 8 victory. Barrett was high scorer with 10 counters to his credit. Lindley hall led by Callahan with six scores defeated Sigma Chi by the close margin of one field goal. The game ended 13 to 11.

Games this week are as follows:
WEDNESDAY:
7:30—Beta Chi vs Ridenbaugh
8:30—Tau Mem Aleph vs S. A. E.
THURSDAY:
7:30—Phi Delt vs Sigma Chi
8:30—Phi Gamma Delta vs Lambda Chi Alpha
SATURDAY:
1:30—L. D. S. vs Lindley hall
2:30—T. K. E. vs Delta Chi

The Michigan Daily is waging a campaign against professors' using the textbooks they write on the grounds that only one viewpoint is obtained.

COACH HOOP SQUAD TO MEET POTLATCH

Idaho's fighting coach hoop squad has been working hard every afternoon for the past week, and are waiting for the opening whistle tonight which will send them against the powerful Potlatch Athletic Club quintet on the local floor.

The mentors have taken on some of the toughest fives around Moscow this winter and just lately have begun to click like a veteran team. The addition of Ed

Burley at the center post has bolstered the strength of the club and turned the dopesters' predictions their way for the first time this season.

Calland, Fox and Anderson have proved to be towers of strength in the lineup and the long flips from "Rich's" fingers sink through the net just as they did when he was a Vandal star a few years ago.

Pete Taylor and Lt. Sheehy will also be on the court against the Athletic Club tonight and both men have shown plenty of speedy floor work in the past to make them dangerous against any group of basketeers.

Valentine Gifts

From thoughtful beaux and husbands to the only girl or bride of ANY YEAR.

A Gift from Davids' means more

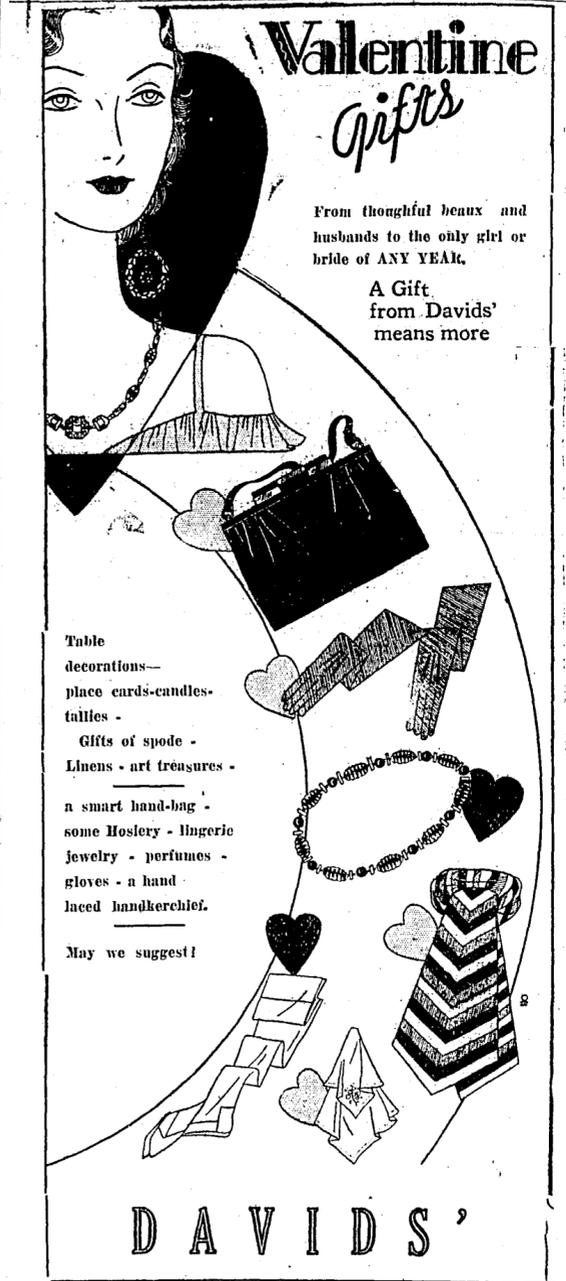

Table decorations—
place cards—candles—
tallies -
Gifts of spode -
LInens - art treasures -
a smart hand-bag -
some Hosiery - lingerie
jewelry - perfumes -
gloves - a hand
laced handkerchief.

May we suggest!
