THE JUNIORS were outstanding the last week as campus social leaders. They began with a mixer Thursday night, followed by the Prom, Friday, and the Cabaret Saturday. Three other dances were scheduled for the week-end: Friday night, Kappa Alpha, Theta and Saturday morning, the Forney hall breakfast dance and Saturday evening, the Ridenbaugh hall formal dinner dance.

Looks at the Pictures

WILL ROGERS in Mark Twain's famous comedy satire, "A Connecticut Yankee", may still be seen at the Kenworthy theater. This is one of the largest productions ever made, in regard to the number of persons used. There are more than 5,000 players in the cast. Some of the more important members are: Will Rogers as "Sir Boss"; Majoreen O'Sullivan as "Ailsande", the daughter of King Arthur; Frank Albertson as "Clarence", the page boy who loves the princess; Myrna Loy, "Queen Morgan Le Fay"; and William Farnum as "King Arthur." Will Rogers fills the role of "Sir Boss" more entertainingly than any of its former actors, and this is by far the most amusing version of the story ever filmed.

MEN CALL IT LOVE, which will open at the Kenworthy on Thursday is a picturization of Vincent Lawrence's stage farce, "Among the Married." Lella Hyams is a young married woman who is very devoted to her husband, Norman Foster, and laughs at the attentions of another man, Adolphe Menjou, until she discovers her husband is interested in another woman, Mary Duncan. She then leads her husband to think she is playing his game with Adolphe Menjou although such is not the case. The complexity of the situation allows many amusing situations.

FIGHTING CARAVANS, which began at the Vandal on Monday, reminds one very much of "The Covered Wagon." Gary Cooper and Lily Damita as a scout and a courageous girl of the caravan have the romantic leads. Ernest Torrence and Tully Marshall continue the characterization they created in "The Covered Wagon." Fred Kohler assisted by Frank Hagney, attempt to prevent the success of the trip. There are many other well known players in the cast, including five outstanding Indian actors. The outdoor scenes were filmed in the highest range of the Sierras, back of Sonora, California. Here there were found hardships almost as severe as those the pioneers experienced.

THE RIGHT OF WAY, featuring Conrad Nagel and Loretta Young, begins Thursday at the Vandal. Miss Young has not been seen very often since her marriage to Grant Withers. Fred Kohler, contrary to his custom, will not be seen as the villain but has a sympathetic role as a fierce looking lovable person. William Janney and George Pearce are included in the cast.

P.I.P.A.—Members of fraternities and sororities on the University of Oregon campus number almost exactly half the total enrollment, it is reported in figures released here by Earl M. Pallett, registrar. A total of 791 men, or 43.67 per cent of those on the campus, belong to social groups, while the total for women is 754, or 56.95 per cent.

NAMES COMMITTEE FOR ANNUAL FEAST

The committee for the foresters' annual barbeque has been appointed by George M. Jemison, president of the Associated Foresters. They are: Torney Anderson, chairman; Floyd Otter, Aubrey Arthurs, and Corland James. Representatives from the various classes are: Russell LeBaron, senior; Horace Richards, junior; Homer Parks, sophomore; and Robert Kellogg, freshman. A date for the barbeque has not been set, since action has not yet been taken.

DEFEAT VANDALS IN THREE GAMES

Idaho Club Drops Two Games to Boosters And One to Whitman

By Bill Pohlman.
"Rich" Fox tossed his Vandal baseball nine on the Spokane diamond for a double header with the powerful Booster club of the Idaho-Washington League last Saturday, losing both battles by counts of 7 to 4 and 2 to 3, and yesterday sent his team against Whitman, dropping the game by a 7 to 4 score.

The Missionaries boast the best team in the school's history and showed flashes of strength in the pinches. Idaho garnered 14 blows off Clow while the visitors collected 12 from Jacobs who tossed a good game though receiving poor support.

Sather Hits Homer.
Sather contributed the high light of the battle when he pounded out a home run with Shagway on base in the seventh inning. Dorothy, Whitman catcher, got four hits in as many trips to the plate. Haynes robbed the Vandals of several hits with his spectacular catches in short center field and Jack Lee, Idaho infielder, turned in a pretty fielding game from his second sack.

The Foxmen played great ball in the opener at Spokane but the outfielders lost several balls in the sun which the professionals turned into runs while the Boosters, led by Taylor, Hutton and Murphy, bunched their hits and walked away with the second contest. Fox used every chucker on his roster with the exception of Spaugy during the pair of games, but could not check the heavy clout.

Play Whitman Today.

The Vandals will take on the Missionaries again this afternoon in a return battle that will wind up the training season.

HOOP MENTORS MAKE CHANGES

Rules Group Cuts Down Time-out Period
Five changes have been made in the rules by the joint basketball rules committee which met a few days ago at the University of Pennsylvania.

The most important of these is the cutting down of time-out periods from two minutes to one. This rule was changed in order to make the game faster.

Minor Changes
Other changes were of a minor character. No more than three overtime periods will be allowed in games involving high school or younger players. In the event the score is tied after two periods have been played a "sudden death" period will be played, the first team scoring a field goal winning the game.

Any free shot which fails to touch either the ring or the backboard is an out-of-bounds shot under the new rules. Possession of the ball goes to the other team. On free throws the players are not allowed to line up along the free-shot lines, eliminating the distraction to the player shooting.

The last change is that if a free shot is discounted for any reason, the jump will be made at center rather than on the foul lines as previously.

MEN SHOW MERIT IN TIME TRIALS

Jossis, Lemp and Thomas Make Good Time In Their Events
In the last of the track time trials before the start of the outdoor competitive season, several outstanding marks were registered which boost Idaho's chances for victories this spring.

Sig Jossis turned in the best times in the short-races with good performances in both the 100 and 440. A strong wind helped him clip off a fast race in the century but the time was raised to 10 seconds because of the too favorable conditions, but he came back a few minutes later to reel off a 51.4 in the 440 with the wind against him part of the distance.

Wind Is Handicap.
Bernard Lemp topped the high sticks in fine style to break the tape in 15.3 to lead the field handsily. Sqaunce won the freshman high barrier race with a mark of 16.2, but his time was raised because he did not have to extend himself to win.

The high wind was a great hindrance to the distance runners, but despite the handicap Johnny Thomas was clocked in 2:01.4 in the half mile and Heath set a steady pace in the two mile to break the tape in 10:08.

Besides the races between the varsity competitors, the freshmen ran in several events and succeeded in pushing the older men to win. Some races were run with only the frosh competing. Jim Kalbus turned in an upset win when he beat out Hanford for second place by a good margin in the 100 yard dash.

Johnny Thomas, Idaho's star 380-yard man has been on the injured list since the time trials with an infected foot. It is not known whether or not he will be in shape for the next meet.

The events and their results:
100 yard—Jossis, Kalbus (F) Hanford, Time 10 flat.
High hurdles—Lemp, McCoy Thurman, 15.3.
Freshman high hurdles—Sqaunce, Kenworthy, 16.2.
440 yard—Jossis, Atkinson, McClusky, Arthur, 51.4.
Freshman 440 yard—Fogle, Walker, 53.8.
880 yard—Thomas, Livingston Mays, Bowker (F), 2:01.4.
2 mile—Heath, Galloway, Hall Siple, 10:08.
Shot put—Jensen, Lopez, Norby (F), 41 feet 3/4 inches.
Discus—Jensen, Doyle (F), Norby (F), 124 feet 9 inches.
Javelin—Bowker (F), Williams, McCoy, 185 feet 6 1/2 inches.
High jump—Smith, Dewey, Kenworthy, 5 feet 10 1/4 inches.
220 low hurdles—Alvord, 25. 4.
220 yard dash—Kalbus (F), 32.2

INTRAMURAL TRACK SCHEDULED MAY 2

Deadline For Entries is Next Monday; Varsity Men Not Eligible
By Dynes Lawson
Next in line of intramural athletic competition is track, which will be run off Saturday morning, May 2, on MacLean field. This event is limited to a single league with 100 points given to the winner, 75 second, 60 third, and 40 points to fourth. All organizations must be entered in at least five events or forfeit 25.

Any man may be entered in three events consisting of one track and two field or two track and one field event. All men are eligible except varsity letter men or men on this year's squad, freshmen, and men declared ineligible for school competition are eligible for intramural.

Events are Listed
Following is a list of events as will be run off: preliminary heats; 50 dash, 120 high hurdles, 100 dash, 120 low hurdles, and the 220 dash; final; mile run, 50 yard dash, 120 high hurdles, 220 dash, half mile, 120 low hurdles, 100 dash, 440 dash, and eight man mile relay. Field events: pole vault, high jump, and shot; discus, broad jump, and javelin.

All entries must be made by Monday, April 27. No changes will be effective after 6 o'clock that evening. The meet will be continuous with no pause between the preliminary and final heats.

Leo Calland will referee, Ralph Hutchinson, starter; Glenn Jacoby, clerk; and Otto Anderson will be head judge.

MURAL TENNIS AND GOLF NEXT

Intramural golf will be played at the Moscow country club some Saturday morning. The date was not set. The tourney will be run off similar to last year with each organization entering as many players as it wishes. The three low scorers will be totaled for the winning score. In the single league competition, 100 points will be given to the university champions, 75 to runners-up, 60 to third place, and 40 to fourth place.

Baseball was discussed as a sport, but on a vote of the managers it was definitely decided that there will be no baseball this spring.

GOLF GREENS READY READ PLAY TODAY

The clock golf greens, located north of the Administration building, are ready for use, announced Miss Mabel Locke of the women's physical education department, Monday. Clubs may be obtained at Miss Locke's office.

RESERVE FORCES ARE COUGAR HOPE

Hollingberry Depending On Frosh And Subs For Next Year
With eight men who composed the mainstay of the champion team of 1930 gone, the Cougar squad looks somewhat like a ghost team. Schwartz, Hein, Billingsen, Hansen Jones, Maskell, Hill, and Lathart have turned in their suits for the last time after the festivities in the Pasadena Rose bowl, and bid adieu to the pastime they made so famous in the Pacific Northwest last fall.

No Worry
"Babe" Hollingberry, however, did not have that woebegone expression on his face, which this loss might occasion, but instead was rather cheerful, as he watched the large squad of veterans, reserves and rookies work out. He did not seem to single out any particular individual as his eyes roamed over the men, but he did linger a short time on Frank Ingram, 200 pound center from the 1930 frosh team; at Willard and Stagnaro, ends and at several other inexperienced youngsters who have hopefully been at work since the vacation.

MURDER PLATE NEAR JESSUP MARK

The University of Washington may be putting in a bid for the honor of having another champion discus thrower in the near future. August Buse, blond sophomore backfield star of last year's grid team, has given indications of following in the footsteps of lanky Paul Jessup, who tossed the platter to a new world's record while competing for the Husky squad.

Buse, in the early workouts this week, hurled the disc for a mark of 146 feet, 6 inches.

PURSE LOST

ANNOUNCE SPRING PRACTICE GAMES

Squad Opened Scrimmage Friday With Hard Fought Contest
Leo Calland's spring football squad staged the opening scrimmage of the campaign last Friday afternoon when the opposing eleven lined up on MacLean field and battled to a scoreless tie in a ragged game.

The contest was the forerunner of a series of battles in regulation games between the two squads, beginning with the first one next Saturday. One team is composed of last year's yearling gridgers while the other club consists of former varsity men and some newcomers to Vandal football.

No One Stars.
Defensive work was the outstanding feature of the opening scrimmage. Neither was able to open holes for their backs to get through. Wilson, Felton, and Wilkie for the varsity smashed the line hard but could not score, while Smith and Bearson, who did most of the ball packing for the frosh, were equally ineffective. The interference was not in good condition.

Another week of practice should put both eleven on edge for the big battle and the line will be functioning a lot smoother while some of the ragged edges will be carved off during the next few nights.

BOISE PLANS BIG MAY POLO TOURNAY

BOISE (AP)—Seven polo teams composed of some of the finest players appearing on the Boise field since polo was inaugurated here 30 years ago will begin play May 23 to determine possession of the coveted Thomas Kearns silver trophy.

The tournament will continue until June 9, under the present arrangements, and will bring together teams trained in all winter play on the Pacific coast. Those invited all but one of which have tentatively accepted, are Santa Barbara, Calif., Vancouver, Wash., Portland, Fort Lewis, Wash., two Boise teams and the Gooding team.

AIRPLANES ARE USED TO SUPPLANT HORSE

Agriculture is keeping step with other industries in that it also calls the airplane into service occasionally. An airplane was used in Oregon in seeding a cattle range, and in Colorado a plane was engaged to locate a band of horses which had been missing all winter. It took the airplane just one-half hour to accomplish what many days of searching had failed to do.
