

## LOCAL FRATERNITY BECOMES CHAPTER OF DELTA TAU DELTA

### Beta Chi Members Initiated By Visiting Deltas Saturday; Dance And Reception Social High Lights Of Installation

Elaborate rites this week-end featured the installation of Beta Chi, local fraternity, into Delta Tau Delta as Delta Mu chapter.

Active members and alumni from Seattle, divided in two teams, installed the group Saturday morning and Saturday afternoon. The installation was at the Masonic hall.

An initiation luncheon was served at the Hotel Moscow Saturday noon.

### Hold Formal Banquet

John J. Sullivan, Seattle attorney, was toastmaster at a formal banquet at the Hotel Moscow. Abe Goff welcomed the new chapter for townspeople and the university. He spoke for President M. G. Neale, unexpectedly called from town on business. Charles Graybill, president of the associated students, spoke for the student body.

Toasts were offered by Edward P. Jones, vice president of the western division; and Dean E. J. Idings.

The charter was presented by O. L. Farris, Los Angeles alumnus acting for Norman MacLeod. The charter was accepted by Wayne Farley, president of the Moscow group. Honor guests were Dr. George Morey Miller, General E. R. Chrisman and Robert Whittier.

### Hold Reception Sunday

A formal reception was held at the chapter house Sunday afternoon from 3 to 5 o'clock. Mesdames E. J. Idings, J. A. Kostalek, C. L. von Ende, R. Whittier, R. K. Bonnett, and A. Z. Hadley poured. Those serving were Bertha Moore, Helen Benson, Joanne Harris, Susan Malcom, Lilly Lewis, and Katherine Roe. Lively solos were played by Helen Parrott.

The stone crest on the front of the chapter house was unveiled Sunday night at 11 o'clock. This was the last of the ceremonies for the week-end. Edward Hurley pulled the drapes.

Prominent fraternity men of the Pacific coast were guests of the Idaho chapter over the week-end. The initiation team included Stanley Mulane, Carlos Flohr, Howard Wright, George Stoddard, George Pampel and Edward Campbell.

Officers of the local were initiated by the student representatives of the Seattle chapter. The team was Rhoman Clemm, Harry Green, Stewart Moriarty, Dave Healds, William Hays, Richard McDuffie, Bruce Pickering, Don Clark, Francis Goshert, Bud Bushell, and Gene Gorum.

Robert Davenport, New York City, traveling secretary; and Edward Pearson Jones, Seattle, western division vice president, were present.

Dartmouth was represented by Robert Read, Hanover.

### Bonnett Initiated

Robert Bonnett was initiated here for Gamma Chi chapter at Kansas State Agricultural college, Manhattan, Kan. Bonnett's local fraternity was installed several years ago in the national group. He was never able to return to Kansas for his initiation. He took the opportunity Saturday.

Twelve alumni of Beta Chi were here to be initiated. They were Dr. Carl von Ende, Dr. John Kostalek, Theodore Rice, Marcus Ware, Ralph Oskog, William Delano, Phil Manning, James Manning, Richard Beam, Norman Johnson, George Johnson, and Allen Bailey.

Dean Idings was in charge of arrangements for the group's installation. He is faculty advisor for the local. Dean Idings was initiated at Butler college, Indianapolis.

Saturday afternoon officers of the local chapter for the coming year were installed. They were Wayne Farley, president; Don Equals, vice president; Carl Evans, treasurer; Roland Struman, house manager; and Sidney Harris, assistant house manager.

The granting of a chapter of Beta Chi by Delta Tau Delta ended a period of seven year's petitioning. It was the last local fraternity of the campus. Organized in 1924 with 23 members, it is now composed of 48 active members and pledges and has about 75 alumni.

## Salons Okeh College Sons; Waltz Lives Despite Hymns

Like Ned, the newsboy in the bry, this little waltz song reached the heights by perseverance.

Born without a name, a simple bit of doggerel verse set to a purloined melody, its way of tugging at the hearts of those who heard it sung won it the title of "Idaho State Song."

McKinley Helm, junior at the University of Idaho, wrote the words for his class song in 1916. The melody was taken from Mrs. Sallie Hume-Douglas' "Bird of Paradise."

Reflecting youth's idealism and extravagances, it swears love for Idaho's "every nook and rill" and boasts of "Beautiful valleys and hills, majestic forests." Here is the chorus:

And here we have Idaho  
Winning her way to fame,  
Silver and gold in the sunlight blaze,  
And romance lies in her name;  
Singing, we're singing of you,  
Ah, proudly too, All our lives thru.  
We'll go singing, singing of you,  
Singing of Idaho.  
Soon it was adopted popularly as

## ENGINEERS TO HOLD PICNIC THURSDAY

### Will Meet at White Cross Mine For Annual Affair

The Idaho Chapter of the American Institute of Electrical Engineers will have its annual "get-together" spring picnic on the evening of May 7 at the White Cross mine.

All electrical engineers are invited. Cars will be leaving for the old White Cross mine between 3 and 4:30 o'clock in the afternoon. As this picnic is just a "get-together" affair, no special program has been planned. There will probably be a ball game after which a picnic lunch will be served. All those wishing to attend are asked to get in touch with Emmons Coleman, 728 S Adams.

## CUTRAIN PLEDGES SEVEN DRAMATISTS

### Honorary Player Group Has Nine Active Members

Seven new members were pledged to "The Curtain," honorary dramatics society, this week.

Membership in the club, which is the highest honor to be conferred upon students doing extensive work in play production, is limited to a few. The group, besides the new pledges, now numbers nine active members.

Ability and personality are two of the main qualities demanded of students taken into the honorary. It is the purpose of the club to encourage dramatic talent on the campus.

Each year The Curtain sponsors a three-act play, the proceeds of which go for improvements in the dramatics department. This year's play was the unusual farce, "Tom Cobb," which received much commendation from both the audience at the university and at Deary, where it was given.

Construction of the "Little Theatre" in the U. H. U.

The new pledges to The Curtain are: Nancy Kelly, Twin Falls; Kathryn Hart, Rigby; Lionel Campbell, Boise; Leland Cannon, Mountain Home; John Peacock, Weiser; Robert Grant, Spokane; and Chester Brinck, Boise. All have played in several of the productions given on the campus this year.

It is planned to hold the initiation for the new members shortly after the presenting of the three-act play, "The Whole Town's Talking," on May 15.

## MONEY IS LACKING FOR SENIOR PICNIC

### Plans Called Off Unless Assignments Are In Friday

"Unless the assignments of the general deposits are in the bar-sar's office by Friday, the Senior picnic will be called off," said Russell Randall, senior class president, in an interview last night. "Up to date there have been 75 assignments turned in and at least 225 are necessary to warrant going ahead with plans for the picnic. It is impossible to make the necessary reservations for transportation and amusement with fewer deposit assignments" added Randall.

The tentative plans for the picnic have all been made according to Patrick Walker, general picnic chairman, and final arrangements are pending the outcome of the assignments.

The plans call for breakfast at the Blue Bucket inn Friday morning. Following this the class will board the special train and proceed to Hayden lake. They will eat lunch at the Bozanta tavern and spend an afternoon of golf, boating, and tennis at the lake. Then proceed to Spokane for dinner at the Davenport Hotel and the theater later. After the theater and dance will return to the hotel and until one o'clock when they will return to Moscow.

## DEAN MILAN VISITS

Dean Ava Milan, of the home economics department of Oregon State College, was a visitor in the Idaho home economics department Friday, May 1.

## HELL DIVERS WILL SWIM IN CARNIVAL

With the American Red Cross water carnival scheduled for this Thursday, the 32 members of the Hell Divers club are practicing daily in the University pool. This will be the only public appearance of the university swimmers this year.

Tickets for the meet are being sold at all group houses, and a booth is being maintained in the main hall of the ad building this week.

The Hell Diver's club was organized three weeks ago for the water carnival. In order to be a member of the club, one must pass the senior life saving test which is given by Mabel Locke for women, and Stan-

## SENIOR ASSEMBLY TO FEATURE FARCE

### Graduating Men Will Carry Canes To Last Assembly

All seniors are to meet on the second floor landing of the Administration building at ten o'clock tomorrow morning to go in a body to the auditorium where they will sit in a reserved section of seats for the senior assembly.

All senior men are to carry canes Wednesday, Russell Randall, president of the class, made it known today. It has been the custom in the past for the graduating men to swing the "stick" on assembly day, he further stated.

Work on the assembly has been pushed the last few days, according to Gerald Grinn, chairman. A program of entertainment has been planned for the last assembly of the class of 1931. The majority of numbers on the bill are musical selections, instrumental and vocal. The climax to the show is a short two act campus farce, starring Grace Parsons, Ruth Garver, Merle Frizzelle, Hubbell Carpenter, and Charles Herndon.

A vocal trio consisting of Betty Wilson, Cary Thompson, and Kay York will entertain with blues numbers. Another vocal trio made up of William Shamberger, Ronald Smith, and Kenneth Hensley will continue the work of the first trio by singing a group of blue and jazz songs.

Rosey Lane and his dance band also have a big part in the program. Milton Pellum and Charles McConnell, members of the band, have several hot specialty features to offer the assembly. Other oddities in the way of modern rhythm are on the bill.

## FIJIS TAKE LEAD FOR MURAL CUP

### Add 100 Points To Score By Winning Track Events

Saturday morning the Fijis forged ahead in the intramural cup meet when they added 100 points to their score by winning the track tourney. They piled up 53 1/2 points to the 29 of their nearest competitors, the Kappa Sig's. Lindsey hall men ran into third place and 60 points with a 24 score. Ten and one half points copped 50 points for the Phi Delta's while nine and a half points added 40 markers to the Beta score card.

Willis Smith, Fijis, was high point man of the day with 11 points to his credit. They were a first in the 100 and the 50; and a fourth in the broad jump. Close behind him were two other Fijis, Auckett and Bowker with 10 apiece.

The events were run off in fine style by Leo Cailand who was in charge.

Following is a list of the winners of each event: 440 dash: first, Fogle, 52.4; second, Giffin, 51.7; Fairbank, 49th; Wishart, 49.1; Javelin: Auckett, 153 feet, 9 inches; Adams, Townsend, Nelson, Discus: Sullivan, 117 feet; Tatum, Cannon, R. Walker, High jump: McConnell, 5 feet, 3 inches; Laskey, Hale; tied for fourth, Newhouse, B. McBride, Bjorklund, Mile run: Bowler, Coffey, Gustafson, Pence, Shot Put: Auckett, 36 feet, six inches; Carney, Sullivan, Weisler.

Pole Vault: Newhouse, 11 feet; Pole Vault: Callahan, Barker, Hall Mile: Bowler, 2 minutes, 7 seconds; Blair, Pope, Bennett, Broad Jump: Callahan, 20 feet 2 inches; Bronson, Reed, Smith, 220 Dash: Fogle, 23 seconds; Badridge, Norby, Redman, 50 dash: Smith, 5.6 seconds; Owens, March, 80 Low Hurdles: Kenworthy, 11.2 seconds; Bjorklund, Christas, W. Jones, 120 Low Hurdles: Schmitz, 14 seconds; Christians, Kenworthy, Hearns, 100 Dash: Smith, 10.4; Mason, Badridge, Reed.

## ABANDON PEP TOUR FOR THIS SEASON

### Final Exams Blight Plans For Barn Storming; May Go In Fall

The Pep Band extravaganza will not barnstorm nearby cities for a university publicity stunt was the latest decision of William Ames, director, after consulting George (Cap) Horton and faculty members. The nearness of final examinations was the major reason.

Earlier plans had called for a committee to wait on the board of directors of the Moscow chamber of commerce and ask for the tour to be underwritten and guaranteed by the merchants. This plan was abandoned by William Hawkins, business manager, when the advice of the faculty was announced.

May Tour This Fall  
Plans are now being made for a tour next fall. A decision will be made then whether a complete made show or just the band will tour the state. Two alternate routes are being considered Hawkins said. One trip might cover the southern part and the Panhandle of the state. The alternative would be a tour of the Panhandle and coast points.

Concert and dance engagements are expected to finance the proposed 10-day trip of the band company wherever it goes.

The Pep band extravaganza was presented April 22 with a two-hour program of band and vaudeville acts. The show was a financial success with only a one night stand at the university auditorium.

## LAW STUDENTS HEAR OPPENHEIM

### Bench and Bar Elects New Officers

Mr. Ben Oppenheim, prominent Boise lawyer, and also a member of State Legislature for many years, addressed Bench and Bar, legal association, on the subject of "Legislation" at a dinner at the Blue Buppet inn Monday. Mr. Oppenheim is in Moscow giving a series of lectures to the law students on "Water Rights."

Mr. A. H. Over-smith, Moscow attorney, also gave an informal talk on Legislation. Election of officers for the coming year was held after the dinner. Bob Brown was elected Chief Justice; Ed Cross, Assistant Justice; John Peacock, Clerk; and George Beardmore, Treasurer. Dean Arnold outgoing Chief Justice, presided at the meeting.

## REGISTRAR RETURNS FROM EASTERN TRIP

### Oleson Attends Meeting of Collegiate Registrars

Miss Ella Oleson, university registrar, returned to her office yesterday after a business trip to Buffalo, New York, where she attended the annual convention of the Collegiate Registrars Association of the United States.

The meeting was held at the University of Buffalo and was attended by representatives of a great many of American universities. The program of the convention was taken up largely with matters dealing with problems of university registration. Miss Oleson reports that a number of valuable ideas were gleaned from the meeting, but that none of them would involve a change radical enough to be noticeable.

## NORTHERN PREP STARS TO MEET

### District Event to Take Place During Vandal-Cougar Meet

The cream of the northern Idaho high school track stars will step in to action next Saturday on Maclean field when the intra-district meet will be held along with the yearly event to decide the men who will journey to Boise May 15 for the state meet.

Wallace high school piled up a huge total to walk off with the Panhandle meet while Lewiston copped their district by just as big a count. Both schools will place a strong array of material on the field and one of the teams should take top honors. Plenty of other high class performers in district meets will be running round trip tickets to Boise during the afternoon.

The first three places in the district meets will be entered in the local tournament while only the first and second place winners go to the big meet at Boise.

The sprints, according to advance predictions, stand between Robinson of Wallace and Felton of Lewiston, both top notch runners, and winners of their respective districts. Legore of Coeur d'Alene, took the state meet in the broad jump last year and has been training fast out around the 20 foot mark this spring. Ritzheimer, of d'Alene's all around star, will be entered in the pole vault, discus, and javelin with an excellent chance of copying firsts in all three events. Junior Jones, also of Coeur d'Alene, is classed as the best high jumper in the north besides being another ace pole vaulter.

The events will be run off during the varsity meet with each race directly following the university event.

## CAMPUS POLITICS CALM ON EVE OF ANNUAL SPRING ELECTION

### Big Vote Expected Thursday, However; Campbell And Hale Issue Statements Telling Policies to Student Voters

An unusual calm, possibly heralding an impending storm, still held sway on the university political seas last night. Both parties gave the impression that they were setting sail in anticipation for the final blow before the voting on Thursday. With but two days remaining before the balloting, the outlook was much as it was last Friday. On the campus things looked very evenly matched with a good deal depending upon the vote of the town students.

"Statements are best made after the election. However, it is my hope that the best man will be elected and that in making the choice the voters will exercise complete independence of judgment as to who that man shall be. If elected, it will be my endeavor to carry out the duties of my office with the greatest possible efficiency."

### Hale States Policy

Stanton Hale's statement follows: "I am elected as president of the ASUI. I shall carry out to the best of my ability such fundamental principles as are outlined in the Independent platform.

"I shall ask that complete and accurate reports of all meetings or conventions attended by student body officials on ASUI funds be made to the students.

"I shall make a thorough analysis of the ASUI constitution and instigate a movement to amend and revise the constitution where necessary. In this regard I shall encourage constitutional amendments and secret voting at class elections.

"It is my belief that if politics is made subordinate to true merit and ability in extra-curricular activities, much will have been done in reviving the old democratic spirit for which Idaho was once well known."

### Most Jobs Contested

In the general tickets of the two parties there appear contests in a majority of positions. However, in some cases for junior man, for senior women, for May queen, for page for maid of honor—the Alpha party has the only candidate in the field.

The Independent ticket includes the following: President, Stanton Hale; vice president, William Hawkins; secretary, Blanche Evans; senior men, Earl Stansel and Edward Cross; junior man, Gene Conger; junior woman, Louella de Gero; sophomore man, Donald Griffith; managing editor of the Gem, Paul Aust. The ticket also includes a recommendation of Robert Harris for the second junior man.

The Alpha party ticket holds candidates for every office and is as follows: president, Lionel Campbell; vice president, Harry Robb; senior men, Charles Heath and Randall Walls; junior men, Robert Harris and Howard Altnow; sophomore man, William Tucson; assistant editor of the Gem, Paul Miller; secretary of the ASUI, Marthalene Tanner; junior woman, Norma Longtieg; senior women, Austa White and Elizabeth Taylor; May queen, Kathryn West; maid of honor, Pearl Walters; page, Florence Laing.

## POSTPONE ANNUAL SONG AND STUNT FEST THREE DAYS

### Ticket Sale Will Begin Half An Hour Before Performance

The Song and Stunt Fest has been postponed from Friday and Saturday of this week to next Monday and Tuesday, according to an announcement made by Edward Albert Coon, chairman.

### Choose Judges

The judges chosen to officiate in choosing the winners are Miss Ada Burke, Dr. J. W. Burton, and Fred O. Blanchard.

Tickets will be 25 cents and will be sold at the door half an hour before each performance. No seats will be reserved. The performance will begin promptly at 7:30.

"Go, Vandals, Go!" the prize-winning song from last year's contest, has been adopted by the student body. It is expected that this year's best song will also be adopted. Those who have heard rehearsals of the songs say that they promise to be the best ever presented on the Idaho campus.

### Make Changes

Two changes have been made recently on class committees. Bentley Galligan has charge of the freshman stunt instead of Richard Gibbs. Lois Thompson is in charge of the Junior song committee instead of Sidney Walden.

## LLOYD VISITS IDAHO CAMPUS

### Agricultural Extension Worker Confers With Idings

W. A. Lloyd, representative of the Extension Division of the U. S. Department of Agriculture, visited the University campus Friday. Lloyd, who is a director of extension for the eleven western states, was on a tour of the land-grant colleges of these states.

He conferred with Dean E. J. Idings, regarding the projects which are conducted cooperatively with the U. S. Department of Agriculture. The University of Idaho carries 16 such projects.

## FACULTY MEMBERS GET APPOINTMENTS

Two faculty members have received appointments to excellent fellowships at eastern universities, one to study Spanish at Yale, and the other to study art at Harvard.

Alberto Vasquez, instructor in the modern languages department since 1925 has asked for leave of absence to study at Yale next year under a fellowship in romance languages.

Prof. T. J. Pritchard, head of the department of art and architecture, will study at Harvard university this summer under a Carnegie Corporation fellowship, one of 20 or so awarded in the United States to teachers of art.

## TWO RECEIVE APPOINTMENTS

### Graduates in Agriculture Given Government Jobs

Two recent graduates in agriculture from the University of Idaho, have received appointments to responsible positions with the United States Department of Agriculture, one to be stationed in Washington, D. C. and the other in Arkansas.

Judson A. Thompson, Cascade, Mont., a graduate of the college of agriculture with the class of '28, has been appointed junior economist at Washington, D. C., where he will assist in work designed to improve the grading of beans. Thompson received a master's degree at Michigan State college last year, and since then has been working on sugar beet investigations at East Lansing, Mich.

Ray E. Adair, Payette, a graduate of the class of '29, has been appointed junior economist with the U. S. Department of Agriculture and will be stationed at Stuttgart, Arkansas, where he will assist in rice investigations. Adair attended Michigan State College last year on a fellowship secured because of his outstanding academic and research work in college here. He receives his master's degree this year. Both Thompson and Adair were agronomy majors at the University of Idaho.

## STUDIES WATER FLOW

Professor D. C. Livingston of the school of mines is in the Big Lost River district of southern Idaho this week making a study of underground water conditions in an effort to find a means of relieving the serious water shortage which is threatening farmers of that valley.

## PAULSEN APPOINTED

Carl G. Paulsen, University of Idaho graduate with the class of 1913 has been appointed chief of the surface water division of the U. S. geological survey, one of the most important positions in the entire national organization.

### On Politics In General

NOW IS THE TIME for all great men, if such there be, to come to the aid of their party. With the election only two days away The Argonaut is still unable to see the turbulent, seething political excitement, described so vividly in southern Idaho papers but it is, possibly, a lull which precedes the storm. No doubt there will be plenty of excitement Thursday at least among the candidates. Some will win and be happy, others will lose and be just as happy in the long run.

What political turmoil there has been—occasioned by over zealous politicians anxious to get the jump on their opponents—has added a certain amount of zest to the election even though it has caused a bit of hard feeling on the part of the thin skinned who were unable to withstand the darts of criticism which are ever thrown at those in the public eye. To those The Argonaut advises that the coming elections be a lesson, win or lose, to let their more hardy comrades dicker in politics in after life. Outside, people and papers say things that are really mean about candidates. Real bitterness is unknown in campus politics but on the campus or anywhere else, political ambitions are not for the thin skinned. A man must have led a blameless life indeed to get into an office unscathed.

It will be a relief Friday to see students on their way up or down the hill greet passers-by with a cheery "Hello" without first carefully scrutinizing the aforesaid passer-by to ascertain whether his vote is likely to be for Alpha or the Independents. By Sunday it is safe to estimate that members of the two parties will be chatting over their coffee in the Nest. Back to normal again.

Having two candidates for an office is a new situation at Idaho but it is a healthy situation and indicates that students are at least reviving an interest in who runs their school. They should be interested. Both parties have capable and popular candidates in the field and The Argonaut hopes that the best man wins, be he Independent or Alpha.

There is no real issue to be decided other than selecting the best candidates. The Independent's platform is to "Clean Up Politics at Idaho." It isn't fooling anybody. Their methods, aims and purposes are the same as those of the Alpha party down underneath—to win and keep control of campus political offices. They claim to have selected the best man for the best job, regardless of his group affiliations, but it is noted that the jobs were distributed carefully and as equally as possible among members of their organization to get the maximum of support from each social group. Alpha party does the same thing only they don't make a big noise about it and pretend that if the Gamma Gamma Gammas have the strongest men on the campus for four consecutive years, the G.G.G.'s will get the student body presidency for four years because they won't—it isn't politics.

Well, what's all the shooting about then? Just this: Someone wants an office because someone else who doesn't know just exactly why, wants it too. That is what all the Boise nonsense was about.

There is little more to say except to urge students to go to the polls Thursday and elect the best men—and women. Compare the candidates and vote for the best one. To the losers, don't take it seriously; to the winners, don't take yourselves seriously; and to all concerned, good luck.

### Congratulations, Delts

The Argonaut congratulates the members of the last campus local who were initiated into Delta Tau Delta last Saturday. A strong national fraternity has added another strong chapter to its roll. The new members of Delta Tau Delta have worked hard to earn the recognition they deserved and won. Again, congratulations.

### Gentleman Jim Sees the Light

Brethren, again we come to you making an appeal to aid in the spreading of the true faith, proclaiming it everywhere with joyous voices. "Hallelujah, praise to Alpha." We shall shout up to heaven and sing knowing that a great Alpha vote is a vote for a greater Idaho. It is only by spreading the good word that we may aid those independent souls to escape the "Slough of Despond." What a joy to know we have saved a soul for Alpha. But there is one thing that we must guard against at all times. In olden days, the Biblical

command said, "Go thou, and teach the gospel, even unto the uttermost parts of the world. (Including South Idaho.)" Even now, I can see the radiant faces of those heathens as they see us coming to them with a means of salvation—to save them from those ever-present wolves dressed in sheep's clothing (again it's those Independents). We must not have conversions instead of conversions to Alpha. Back your faith with a vote for Alpha, ever remembering that when the roll is called up yonder, it may be said of each and every one of us, "I was Independent, and voted Alpha." Gentleman Jim

## SLEEPER SAM

O-HELL-O—The time has come for the show down. Next Thursday the big question is to be decided. The only thing that we can recommend is that you be independent and vote Alpha.

Of course all the boys had a good time at the Miami Triad but there are a few of the girls that say college men are expected to be gentlemen, first, last, but not always.

The most important advertisement that has been received this week is one reading like this: (to appear after the election) Anyone knowing of the whereabouts of James Dunn, alias Gentleman Jim, please call the Independent Headquarters.

Lives of coeds all remind us They may sally forth to roam— And refusing, leave behind them Footprints on the road to home.

AN ASTRONOMER IS A PERSON THAT CAN LOOK AT THE MOON ON A MAY EVENING WITHOUT FALLING IN LOVE.

CHANGE In the morning, laughter; In the evening, pain; At the dawn, sunshine— Perhaps at twilight, rain. Change—it is eternal. Funny in the main. You who were so glamorous Now appear so plain.

# Society

The last week-end was another one of many social activities. Beta Chi was host to visiting alumni and installing teams from Seattle alumni and Washington chapter. Friday night they entertained for the guests at a formal ball at the Elks' temple. The futuristic motif was carried out in decorating. During the evening a large fan unfolded the nation of official badge while the orchestra played the fraternity song. Sunday afternoon the newly installed Delta Tau Delta's had a reception at the chapter house. Guests included faculty members and group representatives.

**Dances Scheduled for Next Week**  
Next week-end will also have several dances on its program. The Managers' Club informal dance is to be held at the Beta Theta Pi house Friday night. Kappa Sigma and Delta Delta Delta are planning to have their annual formal dances on the same night. Saturday night the Alpha Phi annual formal dance will be given.

**Miami Triad Held at Elks' Temple**  
The Miami Triad was held at the Elks' temple Saturday night. Members of the group are Beta Theta Pi, Phi Delta Theta, and Sigma Chi. Sigma Chi was host this year. Decorations were futuristic. A smoker was held at the Sigma Chi house after the dance.

Lindley Hall and L. D. S. Seminary men held a joint formal dance at the L. D. S. Seminary Saturday night. Flowers, ferns, and lighting effects were used in decoration. The music department presented a concert Sunday afternoon. They are planning to give several more, one tonight, one Thursday, and another one next Sunday.

Tau Kappa Epsilon gave their formal dance at the Blue Bucket Inn Friday night. The spring motif was carried out in decorating by a variety of flowers. Accordion and banjo players from Potlatch furnished entertainment during the intermission.

The Hays Hall formal spring dance was also Friday night. Candles and flowers were used as decorations.

**THETA SIGMA HOLDS MATRIX TABLE**

The Theta Sigma annual Matrix table was given by that organization last Thursday evening at the Blue Bucket Inn. About one hundred and fifty outstanding women on the campus were invited. Miss Margaret Bean, writer for the Spokesman Review, was the featured speaker of the evening. Her fascinating talk was enthusiastically received. Shirley Cunningham acted as

In every college town there is one outstanding smoking tobacco

At Illinois it's

ALONG Green Street, where campus leaders stroll... in the great slate-roofed fraternity houses of Champaign... there is one pipe tobacco which always rolls up the biggest vote. At Illinois it's Edgeworth, every time.

A pipe—Edgeworth. That is the smoking combination which has won the college man. Harvard, Cornell, Michigan, Stanford, Dartmouth—all agree with Illinois. Natural merit has made Edgeworth the favorite tobacco in America's leading colleges and universities.

College men everywhere respond to the appeal of pipes—packed with cool, slow-burning Edgeworth. Be guided by their verdict: try Edgeworth yourself. Find it at your nearest tobacco shop—15¢ the tin. Or, for generous free sample, address: Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

**GIRLS COME HERE FOR "PLAY DAY"**

Idaho Playground Management Class to 64 From High Schools

Sixty-four high school girls attended the "Play Day" sponsored by the playground management class last Saturday. The morning was spent in outdoor games, although the rain necessitated omitting parts of the program. The team winning the small badge was composed of two girls from Deary, two from Potlatch, two from Moscow, and one each from Bovill and Troy. After lunch a program was presented, Miss Permeal French speaking on sportsmanship and the value of play in a girl's life. Carol and Lois Thompson and Doris Norrell sang, Grace Nichols and Virginia Kaar put on a fencing bout, Louise Morley sang a Dutch song, and Molly Ann Adams gave a reading. The girls were divided into groups to visit some of the houses on the campus, after which all went swimming.

**The Cinemaniac Looks at the Pictures**

ANN HARDING appears as Isabelle in "East Lynne", showing Tuesday and Wednesday at the Kenworthy. The director, Frank Lloyd, saw this drama many years ago and was so impressed by it that he tried for years to play in it.

**CREIGHTON'S**

...unsuccessful and, when...  
...Miss Harding, Conrad Nagel, Clive Brook and others which raise the picture above mediocre standing.

**STEPPING OUT** is a comic production coming to the Kenworthy on Thursday and Friday. Reginald Denny, Lella Hyams and Charlotte Greenwood, the sofa-hurdling newspaper woman of Buster Keaton's recent picture, are all fine in this type of comedy. The story is that of some Hollywood wives who decide to get as much out of life as their wayward husbands seem to be getting.

**DOUGLAS FAIRBANKS** still fascinates people by his athletic ability accompanied by a real depth of feeling. He seems immortal. "Reaching for the Moon", now at the Vandal, gives him a splendid opportunity to display his accomplishments. It is difficult to imagine him in a contemporary setting especially with such modern players as Bebe Daniels and Edward

Everett Horton.  
**KISS ME AGAIN** is the film version of Victor Herbert's gay operetta, "Mlle. Modiste." The "Sisters G", sensational German dancers in their second American appearance, appear in one of the more in technicolor. Bernice Claire, Walter Pidgeon Edward Everett Horton, and June Collyer are among the featured players.

**DYNAMITE** clears the way for modern engineering wonders

During the early stages of the excavation for the penstocks

**How du Pont Explosives helped to build the LARGEST EARTH DAM IN THE WORLD**

The gigantic barrier, built on the Saluda River near Columbia, South Carolina, is capable of backing up 750 billion gallons of water for hydroelectric power. Eleven million cubic yards of earth were poured into the dam to make this possible.

In building this great dam, the first task was to construct three miles of railroad to the site. Next came excavation for the penstocks. Thirty-three thousand yards of rock had to be removed. Here, particularly, explosives proved invaluable. Du Pont Explosives were on the job.

This is but one of hundreds of great engineering marvels that are made possible through DYNAMITE. The engineer of tomorrow needs to know all there is to know about dynamite... the tool that helps to build skyscrapers, bridges, dams, subways, tunnels, roads and railroads.

How can you know more... now... while you're still in college? Write the du Pont Company for a copy of *The Blasters' Handbook*. This book contains a wealth of information about explosives... information gathered in one hundred and twenty-eight years' experience in making and improving explosives. It is compact... handy. It is used in the class-rooms of leading technical institutions. *The Blasters' Handbook* is awaiting your request. Write for it.

## SIX TEAMS LEFT IN 'MURAL RACE

### Tennis And Golf Will Be Played Off In The Near Future

Intramural Standings	
Phi Gamma Delta	360
Lambda Chi Alpha	250
Kappa Sigma	250
Phi Delta Theta	200
Lindley Hall	190
Beta Theta Pi	185

By Dynes Lawson

The above are the six high point teams left in the running towards the coveted intramural trophy cup. In fact, the winner this year will have to be one of these organizations. There are only two sports left on this year's calendar. They are tennis, which will probably be played off next week, and golf, which is scheduled for Saturday, May 16 at the Moscow country club. All of the other organizations have a total score too low to allow them to win even though they did take first places in the remaining meets.

The date for tennis is yet to be announced. There will be both singles and doubles matches. Two men are necessary from every organization to compose a team. Organizations not entered will forfeit 25 points. The meet will be run as a single league. Just what points will be awarded has not yet been announced.

Start Golf Saturday

At 9 o'clock the morning of May 16, the first intramural foursome will tee off at the Moscow country club. Each organization must enter at least a four man team, however, more than four men may represent any organization. The four low turf diggers will be counted for scoring. Failure to enter a team will mean a deduction of 25 points. Moscow club rules allowing a player to tee up on the rough and all strokes counted will be adhered to. Scoring will be 100 points winner, 75 second, 60 third and 40 fourth.

### ANNUAL INSPECTION OF CADETS PLANNED

The annual tactical inspection of the Idaho R.O.T.C. will be held May 11-12 by Major B. A. Yancey, regular army officer.

The inspection Monday will consist of class room inspection and examination in theoretical work. Tuesday the outdoor practical inspection will begin at 8:00 a.m., and continue all morning. The final parade closing the morning's work will begin at 11:00 a.m.

The inspection will be made to determine the ratings of the various R.O.T.C. units in the corps area. For the past four years Idaho has won the rating of excellent.

The Sport Shop  
By Paul Boyd

After losing three in a row, the Vandals came to life, with the aid of 11 Beaver 'miscues' and soundly trounced the Oregon nine. Daubert, the first pitcher on the trip to go the route, coasted through to chalk up the first win. Now that the club is under way several wins should be tallied before the year is over.

Kyselka, the Vandals leading hitter, continued to lead the parade in regards to base-knocks. KY's homer with two on, followed by Corkery's blow for the same distance was enough to get the club going. The Idaho third baseman is having his best years and is a valuable cog in the machine.

The Cougars and the Huskies had their set-to and split even in the series. One team has the hitters and the other claims the chucks, so each had their innings. The Idaho nine should be able to pick up one of the games from the huskies before returning home.

Freshman baseball is under way in full swing. Practise games are being held and talent is being uncovered that will make the veterans hustle for positions next year. The whole pitching staff graduates this year and the coach will have to back on the incoming eligibles. Claude Blair, Hack Albee, and Sperry should be able to hold up part of the schedule. These men are heady pitchers and should be ready for conference ball by next year.

Another pair that are counted on to fill out places are Tanner on the infield and Harry Wilson on the outfield. Wilson is a ball-hawk of the first order and has a powerful throwing arm. Tanner is an infielder, and although inclined to be erratic at times, is capable of turning in a high class game of ball.

Geraghtey is the other stellar infielder on the club. "Cy" is the only rook on the roster who has won three numerals this year. He won them in the main three sports and will make a strong bid for a place on the squads of all three next year.

Coach Anderson has the men working hard in an effort to halt the Cougars triumphant march for track honors in the north. The W. S. C. team of eight men that toured the mid-

west, while Wills, Grossetto, and Bainhart in the distance runs and broad jump, respectively, will add points for the Cougar's total. Advance dope gives the Pullman men about a 20 point advantage over the Vandals, but anything might happen and with a few extra points shoved in when they are not expected Idaho stands a slight chance to upset the mighty Crimison and Gray team.

### VANDALS TO MEET W.S.C. TRACKMEN

#### Dual Affair Saturday Will be Only Home Meet of Season

Idaho's varsity track squad is holding only light workouts this week in order to taper off for the big Washington State dual meet on MacLean field next Saturday afternoon.

The Vandals have been training hard since the Whitman affair and the time trials held last Friday showed the men to be in top form, and set to give the Cougars a busy afternoon.

The Pullman team is rated the best outfit in the northwest, and they demonstrated their power in the Drake and Kansas Relays, but Idaho boasts one of the strongest groups of cinder men ever gathered under the Vandal banner so the meet may be fairly close.

Swift to Run  
Swift looks to be the tape breaker in the 100 yard dash, but Jossis and Hanford should garner the second and third points while McCoy, in the pole vault and high hurdles, Lemp, in the high sticks, Thomas and Heath in the distance events are certain of taking plenty of points including a number of firsts. Jensen and Williams should toss the weights out for places and valuable counters while Alvord is counted on to place high in the low hurdles.

Hein, of State, is considered one of the best javelin tosters in the

west, while Wills, Grossetto, and Bainhart in the distance runs and broad jump, respectively, will add points for the Cougar's total. Advance dope gives the Pullman men about a 20 point advantage over the Vandals, but anything might happen and with a few extra points shoved in when they are not expected Idaho stands a slight chance to upset the mighty Crimison and Gray team.

### GIRLS' BASEBALL TEAMS SELECTED

Girls' baseball teams that have been selected are:

Freshman first team: Helen Peterson, Aretha Harvey, Claudine Wakefield, Ruth Kehrer, Dorothy Green, Mary Louise Green, Elizabeth Vincent, Helen Thornhill, and Lorna McCain.

Freshman second team: Florence McBratney, Dorothy McPhillamey, Marjorie Budrow, Laurice Burch, Mildred Budrow, Dorothy C. Williams, Lillian Olson, Wilma Hudson, and Claudia Jones.

Sophomore first team: Rhoda Swayne, Helen Lucas, Marthalene Tanner, Evelyn Shoemaker, Ethel Spence, Marie Bertram, Blanche Evans, and Grace Green.

Second Team  
Sophomore second team: Virginia Kaar, Ore Spoor, Jean Houston, Dorothy Chapman, Roberta Bell, Alma Aas, Marjorie Stone, Margaret Scott, and Elsie Rusko.

Juniour team: Jean Tedford, manager, Linn Cowgill, Maxine Thornhill, Eva Skinner, Bess Louise Hogg, Grace Warren, Lillian Hejtmank, Pearl Walters, and Mildred King.  
Senior team: Edna Miller, Dolores Holmes, Jean Edmiston, Florence Ruder, manager, Ruth Ragman, Katherine Roe, Mildred Axtell, Dorothy Sage, and Vivian Edmiston.

### CLUB TO BROADCAST

Music from Russian, Norwegian, and Swedish composers, played by the United States Marine band will be the feature of the national 4-H club broadcast, Saturday, May 2. This program will be heard in Idaho over station KHQ, Spokane, or KGO, Oakland, from 9:30 to 10:30 a.m., and over KSL, Salt Lake city or KOA, Denver, from 10:30 to 11:30 a.m.

## FOXMEN SPLIT ORANGE SERIES

### Friday's 14 to 3 Licking Avenged By 16 to 9 Victory

By Bill Pohlman

Coach "Rich" Fox's sophomore varsity nine invaded Corvallis last Friday and were handed a 14 to 3 beating at the hands of the powerful Orangemen but came right back the next afternoon to capture a thrilling 16 to 9 win and even the series.

The Vandals showed power with the war club in the second game that has been their main weakness this spring and landed on the slants of five State chucks for a total of 12 hits. Daubert, who went the full route for the Idahoans, was touched for 13 safeties but kept them well scattered.

Break 3-3 Tie

The Foxmen connected for three runs in the fourth to break a 3 to 3 deadlock and were never headed, while home runs off the bats of Kyselka and Corkery, each with a pair of men on the bags, added to the huge total of rallies. The Orange infield went to pieces several times and hooted the ball for 11 errors while the Vandals made five misplays. Brown, pinchhitting for Cate in the eighth, pounded out a double with two men on the paths and for a while it looked like the locals would pull up, but Daubert got fine support in the pinch and the rally was nipped.

Lichti and Lacy hurled the opening game and caught the Corvallis sluggers on one of their heavy days while the weak stick work of the Foxmen gave Oregon State its one sided victory.

### STANFORD TRACK TEAM IS BEATEN

A new unofficial American record in the mile relay was set by the Stanford team, in the closely fought meet with U. S. C. at Palo Alto, Saturday. The new record is 3:14.3, established by Maynor Shove, Ike and Abe Hables, and Ben Eastman. The world's record for the event is 3:13.4, which was set in England just after the 1928 Olympic games by a picked team of Americans.

This was the only one of the highlights of the contest in which U. S. C. bested Stanford to the tune of 60-62. Wykoff, as usual, took the century in 9.8, which was slow considering that he has a record of 9.4 up for acceptance as a world mark.

Twelve of the fifteen events were fought for with the teams only one or two points apart. The two teams will have a chance to face each other again at the west coast relays at Fresno, May 9.
