Unsung Heroes

WHETHER it is known or not there are many intrepid men and women on this campus who go about their daily and nocturnal tasks unheralded and unrewarded for their efforts. They never receive mention, that is, honorable mention, in a college newspaper. And the very fact that they don't is one reason why we admire them.

We sit beside them in class—these unsung heroes—or we play tennis with them. Sometimes we run across them at most any hour in the reading room of the college eat shops, either along the counters munching sandwiches or in front of the magazine rack where they gaze leisurely at the pulp extravaganzas.

They are heroes, in a sense, for they never bother themselves with making Phi Beta Kappa, or bother habitual readers of the honor roll. They are the lower ten per cent in their classes, and occupy seats of scorn because they never have cared to thrust themselves upward, contented as they are to remain in school and stomach education in general without dropping out and being called "quitters."

They have not the incentive of leaping into activity work, nor did they ever have an all-embracing interest in activities. Daily they have remained sprawled in the seats during lecture hours; the speeches of instructors sometimes interest them but more often painfully irritate them, as if an undiscovered pin were pricking them. Notes are never taken and they have no illusions as to the future. They know their place, and are content therein. Being happy, they have achieved the goal which others seek and never find.—Daily Kansan.

Coffee An'

COFFEE keeps you awake. Coffee puts you to sleep. It soothes your nerves. It makes you nervous. It is bad for you; good for you. It comes to you roasted, square cut, fresh from the factory, or in the bean. You can get it strong and weak, good and bad. You can boil it, percolate it, drip it, and possibly drink it.

You can get it with tannic acid, without tannic acid. You can have the caffeine taken out. You can have it left in. You can give a nickel a cup for it at the Nest or ten cents at the Davenport. You may have it with cream or without. You can have it half and half, half in the cup and half in the saucer. Does anybody care for a cup of coffee?

R.O.T.C. UNIT AGAIN RATES 'EXCELLENT'

General Chrisman Also Compliments Local Unit On Recent Showing

Major Benjamin H. Yancey, 4th Infantry, Fort George Wright, Washington in a personal letter to General Edward R. Chrisman, commandant of the University R.O.T.C. unit, informed him that in the report of the inspection conducted at Moscow on May 11 and 12 the corps had won the general rating of excellent. This award has been given to the Idaho unit for four previous years.

Parade Thursday
The military department closed its work for the year with a parade through downtown Moscow Thursday morning. The parade, which was the annual spring appearance of the regiment, was made in accordance to a request sent to General Chrisman by a group of Moscow business men.

Chrisman Pleased
In an informal talk at the assembled companies Thursday morning General Chrisman announced himself as highly pleased with the work and spirit of the corps. He said that in his opinion the regiment this year has been equal or superior to those of any of the previous years since the establishment of military science at the university. General Chrisman complimented Captain B. M. Greshaw on his excellent work during the last four years he has been with the regiment, and extended to him the good wishes of the officers and cadets in his new assignment to the Panama Canal zone.

FIVE STUDENTS GET MEDICAL TREATMENT

Infirmary reports show more students confined there for treatment this week than for many preceding weeks. Glenn Bellinger, Ruth Marshall, Mary Bodie, and George Giles are receiving treatment for colic and Bacillary Mahngar is still confined with intestinal trouble.

REWARD REPORTERS

P.I.P.A.—Three reporters on The Washington Daily who have been most accurate in their work for this year will be rewarded for their pains at the Publications Loco-Motif banquet at the Seattle Yacht club. The Dean Vernon McKenzie Accuracy awards will be made at this time. The awards are \$10 in books as the first prize, and \$3 and \$2 in books as second and third prizes.

DISCUSS NEWSPAPER TRENDS AT CONCLAVE

Define Relation of Business to the Press.

Opening with a discussion of the tendency of the modern press toward excessive standardization and the possibility of the establishment of a national newspaper the three-day Princeton press conference considered the relationship between the press, the radio and the government, this week.

"Big business is just beginning to make its effects felt on the press. Soon, as a result of the invention of the new telotype-setter, there will no longer be need for editors as a national newspaper will be set up at a central point and from there distributed throughout the country. I predict," said Bruce Barton, managing editor of The New Republic, whose amusing conjectures on the future of the press and brilliant satire of present trends delighted the audience, "that in a few years there will be one large standard newspaper for the nation and that small sheets always running at a deficit will serve various liberal business in an endeavor to check standardization."

CO-EDS SHINE BOOTS

P. I. P. A.—Hundreds of pairs of shoes will be shined on the University of Oregon campus when the annual Senior Shine day is held.

And shoes will actually be shined by the most beautiful and most prominent co-eds on the campus. Senior Shine day was instituted several years ago for the purpose of raising a professional fund to be used for students needing medical aid unavailable at the infirmary but unable to pay for it. This fund is still in existence, but its latest use was two weeks ago when a student was rushed to the Seattle hospital for an emergency appendicitis operation, paid for from the Shine fund.

ENTER TRACK MEET

Seventy-five middle western schools have been invited to take part in the Central Intercollegiate track and field meet to be held in the Marquette University stadium, May 22.

Charging "profiteering" in the University of Pittsburgh cafeteria, several students have brought charges against the management, citing the high cost of prunes as an example.

Sleeper Sam

O-HELL-O-The end is coming and well it is for the hand that is feeding us, nine months of scavenging is about all one person can stand. But that is over now and we can only look back and wish that we had it to do over... After all it is a grand old college that stands in the light of the mountains and yes, indeed, it is fine.

Famous Last Words!
"I don't know why you spent all that money on me and then drove way out here, because I don't allow boys to kiss me."

Charming Whymary Luzgutz has been recently collected president of the disorganized battalion of Hesperaya. She is now studying for her B. V. D. degree, and is planning to have some work done on her thesis this week-end.

Here is to the miniature cock-tail—one drink and in a miniature out.

Some people think that college is all beer and skittles, but I haven't seen a skittle in weeks.

SURVEY INDICATES TOO MANY GRADS

Depression Has Effect On Quota of Seniors Employed by Business World

That the 1931 college graduate will be seriously handicapped in his selection of a position because of the current business depression was revealed in a survey of key industrial organizations by the National Student Federation of America, today.

Only one company of those replying to a form letter addressed to personnel directors of 50 large corporations reported that it would employ the same number of college graduates in 1931 as in 1929 and 1930.

One of the nation's leading employers of college and university graduates will reduce the number engaged this year by more than 90 per cent of the number hired in 1930, and about 93 per cent of the number in 1929. An important industrial concern will employ 50, as against 450 in each of the two previous years and one of the largest chemical companies of the country reports a 20 per cent reduction.

In every reply except one where a curtailment of an expansion program was deemed necessary the chief reason for the reduction in the number of college graduates to be employed was not the failure of those men hired in the past to meet expectations, but solely economic conditions.

In reviewing the replies to the questionnaire Chester S. Williams, executive secretary of the National Student Federation, pointed out one of the statements of the situation as characteristic. "The reason lies in the fact that economic conditions have rendered it impossible for us to place on permanent positions our last year's class as rapidly as under normal conditions. Our basic policy in handling this relationship is to take care first of those men whom we have here on our rolls, and not to bring in a new class until that has been accomplished. This accounts for the fact that our number is small this year."

"We believe in college training men, and have several thousands of them in our organization. With the return of normal business conditions we shall expect to take our place again as one of the large employers of engineering graduates."

The one dissenting note in the replies was as follows: "Of the number 34 (college men employed in 1930), only nine are still with us. Our greatest success with college men has been with those who have been out of school for one or two years. They have had an opportunity during that time to receive a few hard knocks and to settle down to some definite life work."

BAN AUTOMOBILES

A move to ban automobiles from the University of Kansas campus was discussed by school officials today after the death of four students in an accident, in which the car plunged off highway number 40 near Topeka, Kan.

KERL WILL SPEAK NEXT WEDNESDAY

Lecture to Be Illustrated With Lantern Slides.

Thomas T. Kerl will deliver a lecture on Russia at 7:30 Wednesday evening in Science 110, instead of May 30, as was stated in the Argonaut of May 15.

Mr. Kerl spent several months in Russia studying their economical experiment and is well fitted to discuss the Russian five-year social plan. His lecture is illustrated with 100 lantern slides. The student body and the public are invited to attend this lecture.

Bulletin Board

Those who ordered SENIOR ANNOUNCEMENTS may get them now from the person they were ordered from.

THE PRESS CLUB will meet Wednesday at 8:00 p.m., at the Alpha Tau Omega house.

THE ASSOCIATED MINERS will hold a meeting Friday, May 22 at 4 o'clock in the Geology building. The purpose of the meeting is to elect officers and make plans for next year.

INTERFRATERNITY COUNCIL will meet at the L.D.S. Seminary tonight at 9:30 o'clock.

PROF LIKES GERMAN

A professor of German at Columbia has decreed that attendance at one of the German talks in New York will result in the cancellation of a cut.

Worth Remembering
YOUR GRADUATION
YEARS from now, you'll get lots of joy from the graduation photographs you let us make of you now. Our work is artistic and effective, and most natural.
STERNER'S STUDIO

How about it Seniors?

Are you going to keep in touch with Idaho? After you graduate, are you going to forget all about your Alma Mater, or be content with occasional letters and reports you read of Vandal activities? Or are you going to get the story twice-a-week from the "ringside" of campus activities? You can, you know, for we'll mail you the Argonaut anywhere in the country—or the world for that matter.

You'll still be able to read Sleeper Sam or the Sport Shop over your morning's coffee, and know what's going on in the way of sports and other campus activities.

Your Gem is a still picture of Idaho as it was your last year here, but the Argonaut is a movie of the campus, two reels a week. A review of a book is never satisfying as the book itself. And you can have the whole story by coming to the graduate manager's office in the gymnasium any time and talking it over with "Cap" Horton.

SPENGLER'S

Society

IN SPITE of wintry winds and dark clouds in the sky, spring group dances continued to be popular as a week-end diversion. The farce comedy, "The Whole Town's Talking," was presented in the auditorium both Friday and Saturday nights. The Sigma Alpha Epsilon annual all-day picnic was held at Moscow mountain Sunday. Trucks and cars left the house at 10 o'clock in the morning and returned to the campus before 9 o'clock in the evening. From reports it seems that baseball and football make good picnic games even if the result was stiffness and sore muscles the next day.

Engineers Dance at Elks' Temple.

The annual Associated Engineers ball was given at the Elks' temple Friday night. Black suede programs with the engineers' crest on them were used. The Sigma Alpha Epsilon dance was held at the chapter house the same night. Lilacs and colored lights were used in decorating. The fraternity emblem made from lavender and white lilacs covered the fireplace. The Freshman Glee was held at the Blue Bucket inn Friday night. Half of the dance was a mixer. This is the only dance sponsored by the freshman class each year. Entertainment was provided during the evening.

An unusual dance was the sport dance given by Phi Delta Theta Saturday night. The house was decorated to represent Palm Beach. Palm trees, awnings, sand, and ferns were used to further the beach idea. Programs were in the form of old English scrolls. Gamma Phi Beta had their formal the same night. The chapter house was converted into a Japanese garden by many spring flowers and colored lanterns.

Beta Theta Pi gave their formal Saturday. Flowers and a crest made from white and rose tulips formed the decorations. Ridenbaugh hall men entertained with a spring lilac dance Saturday night. Garden gates and lilac covered bowers were decorations.

Phi Beta Phi also gave their spring formal Saturday. The affair was at the Blue Bucket inn. Decorations were carried out by an artificial ceiling of colored balloons and flower gardens around the hall.

PI BETA PHI HOLDS FORMAL DANCE

Phi Beta Phi entertained Saturday evening at their annual formal dance at the Blue Bucket inn. Spring flowers, pastel colored balloons, paper streamers, and lattice work turned the hall into a garden. The balloons were attached in a scatter arrangement over the whole ceiling. The orchestra platform, the doors, and the punch booth were draped with colored paper streamers. The windows were covered with dark blue to represent night, and dotted with flowers. Pauline and Allen, the Ainslee twins entertained at intermission with several of their very clever tumbling acts.

LILAC TIME DANCE IS LOVELY AFFAIR

The Ridenbaugh hall third annual "Lilac Time" dance was held in a setting of lilac-covered bowers, one of which had an illuminated painting of a landscape for a background, making an especially attractive picture. White garden gates laden with lilacs led to the dance floor, while the punch was served from a well, with an old, oaken bucket to add atmosphere. Patrons and patronesses included Dean Farmer and Mrs. Farmer, Mrs. Watt Piercy, Mr. Robert Greene and Miss Ida Ingalls.

BETA THETA PI HOLD FORMAL

Beta Theta Pi gave its annual formal dance Saturday evening, May 16 at the chapter house. The house was artistically decorated with spring flowers and over the fireplace in the living room was a Beta crest beautifully made of tulips and violets. The programs were green suede with the Beta crest in gold. After the dance refreshments were served in the down stairs dining-room.

Patrons and patronesses were: Mrs. Lenore Scott, Dr. and Mrs. Harry J. Einhouse, and Mr. and Mrs. Francis Jenkins.

ENGINEERS HOLD INFORMAL DANCE

The annual dance of the Associated Engineers was an informal one given Friday evening, May 15 at the Elks' temple. The programs were black and gold, and music was furnished by Morris O'Donnell's orchestra.

Patrons and patronesses were: Dean and Mrs. Ivan C. Crawford, Professor and Mrs. Hugo Johnson, Professor and Mrs. Henry F. Gaus, Professor and Mrs. John A. Koslalek, and Professor and Mrs. Louis C. Cady.

S.A.E. GIVES INFORMAL DANCE

Sigma Alpha Epsilon gave its annual spring informal dance Fri-

Decorations were carried out along the Palm Beach idea.

Patrons and patronesses were Dean and Mrs. William C. Master-son, Theodore Turner, Lt. and Mrs. John Sheel.

TEKES PICNIC AT GRIZZLY CAMP

Twenty couples spent Sunday picnicking at Grizzly camp on the upper Palouse river. Lunch and supper were served at the camp. Mr. and Mrs. Livingston, and Mr. and Mrs. Arthur Mathews were patrons of the affair.

S.A.E. PICNIC IS MERRY PARTY

Sigma Alpha Epsilon gave its annual picnic Sunday at the White Cross mine in the Moscow mountains. Patrons and patronesses were: Dr. and Mrs. J. W. Harton, Capt. and Mrs. H. L. Henkle, and Capt. and Mrs. B. M. Crenshaw.

GAMMA PHI BETA GIVES SPRING FORMAL

Gamma Phi Beta held its spring formal Saturday evening at the chapter house. An abundance of lanterns, and spring flowers com-

verted the house into a Japanese garden.

ALPHA PHI FROSH ENTERTAINED

Mrs. C. C. Vincent and Elizabeth Vincent entertained with a luncheon for the freshmen members and pledges of Alpha Phi at their home on Cherry avenue Saturday.

Dinner guests of Beta Theta Pi Sunday were: Betty Hewett, Pullman; Doy McKinley, Kellogg; Mr. Shonts, Wallace; Margaret Shonts, Wallace; Abe Goff, Moscow; Frank Lutz, Kellogg; Theodore Voigtlander, Kellogg; and Raymond Thornhill, Kellogg.

Kappa Alpha Theta week end guests were: Mrs. Carl J. Hoffman, Mrs. A. E. Paterka, Spokane; Miss Mildred Getty, Pullman; Miss Joan Gasser, Lewiston. Mr. Eric Pizey, Boise, was a Thursday night dinner guest of Kappa Alpha Theta.

The Cinemaniac

Looks at the Pictures

"MY PAST," from the novel "Ex-Mistress" begins tonight at the Kenworthy. Bebe Daniels, Ben Lyons and Lewis Stone are the leading characters. All are veterans of the screen. This film tells of the loves of Dora Macy, a sophisticated woman of the world, and is quite as daring as the novel itself which took the country by storm.

"RANGO," the picture coming to the Kenworthy on Thursday and Friday, is like the recent sensation, "Chang," in having as characters, the wild animals of the African jungles. The lions and tigers are the villains and the apes and monkeys are the abused ones and the friends of the natives. By expert camera work, two of these apes

were given definite personalities; "Tua," and his son, "Rango." Even though some of the fake jungle films are more thrilling, this picture is made more of a novelty by the fact that it is authentic.

"CITY LIGHTS," starring Charlie Chaplin, is still being presented at the Vandal. Chaplin is just about the best pantomime artist of the screen or stage. He nearly succeeded in proving that dialogue was unnecessary to the development of a

plot. Excellent performances were also shown by Virginia Oherill, a blind girl; Florence Lee, her mother; Harry Myers, a drunken millionaire; and Hank Mann, a prize fighter.

RECITAL FRIDAY
The music department is giving a recital in the university auditorium, Friday evening at 8:15. The recital will present Bernice Smith, contralto, assisted by Harriet Ba-ken, pianist.

What's YOUR favorite pipe tobacco?

Most PRINCETON men smoke—

If you walk along Prospect Street in Princeton you'll notice how many men load their pipes from the familiar blue Edgeworth tin. At Senior Singing on the steps of Nassau Hall this spring the pipes will glow with Edgeworth.

A pipe and Edgeworth—this is the smoking combination that has won the college man. Yale, Dartmouth, Cornell, Illinois, Stanford... all agree with Princeton.

College men everywhere respond to the appeal of pipes—packed with the cool, slow-burning Edgeworth. Be guided by their choice: Try Edgeworth yourself. Taste its rich natural savor that is enhanced immeasurably by Edgeworth's distinctive eleventh process.

You will find Edgeworth at your nearest tobacco shop—15¢ the tin. Or, for generous free sample, address Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

EDGEWORTH SMOKING TOBACCO

Edgeworth is a blend of fine old burleys, with its natural savor enhanced by Edgeworth's distinctive eleventh process. Buy Edgeworth anywhere in two forms—"Ready-Rubbed" and "Plug Slice." All sizes, 15¢-pocket package to pound bundle tin.

We do quick, efficient Shoe Repairing while you wait. Try the MODERN Shop for your shoe needs.

DRESSES— It's Smart If It's Sheer

It's smart if it's sheer... it's cool, too... and it's moderately priced if it comes from this group of sheer dresses. For daylight-dining and dancing, there are sheer chiffons in black and deep bright shades—each with their own little matching or contrasting jackets. For bridge and gay garden parties, there are sheer organdies and batistes, embroidered or appliqued with colorful motifs. For the office, or shopping in town, you'll feel perfectly groomed if you choose a tailored chiffon jacket frock in a bright color with huge splashes of white or one of the new dark sheers with dainty lingerie touches.

SCHROETER'S EMPIRE BAKERY

DUCKS OUT SCORE FOX'S NINE 7-1

Lee Makes Lone Tally Against Bloom's Tight Pitching

Idaho was checked yesterday afternoon when the University of Oregon's flashy nine played bang-up ball to take a 7-1 decision and the opening game of the home series.

The Vandals opened up in the first frame when Lee got all the way around the bases and the Ducks were held scoreless, but the invaders hit twice, coupled with an error, chalked up a pair of runs in the second frame to take a lead that was never headed.

Bloom hurled the entire game for Oregon and had the situation well in hand throughout while the Vandals pounded Jacobs, Lindsay and Licht hard in nearly every frame, including Bloom's home run smash in the sixth inning. The Ducks connected for 10 safe blows while Idaho hit six times off the Webfoot star's delivery.

Weather Hinders
A cold wind sweeping across the fields made playing difficult and most of the Vandal batters popped easy flies to the infield. Hayden furnished the only offense of the battle when he made brilliant catches of two line drives in deep center field and robbed the visitors of certain scores.

Stevens grabbed chief batting honors of the day with three hits out of four trips to the plate while Palmer garnered a pair of bingles and a walk for his day's total.

The Foxmen started a rally in the final frame with Schutte and Sather got on second and third, but the game ended before they could cross the plate, when the Oregon chucker mowed down the last two Vandal hitters.

Score by Innings:
Idaho 1-0-0-0-0-0-0-0-1
Oregon 0-2-0-0-3-1-0-1-0-7
Batteries:—Jacobs, Lindsay, Licht and Schutte; Bloom and Shaneman.

FROSH TRACKMEN TIE W.S.C. BABES

Both Teams Make 65 1/2 Points, Idaho Winning Eight Firsts

In one of the most interesting freshmen track meets for a number of years the Idaho freshmen track team and the W.S.C. Babes battled to a 65 1/2-65 1/2 tie at Pullman last Friday. Every event was close and the meet turned out to be a thriller from the first with both teams working hard to win the extra points for a marginal win.

The Idaho frosh garnered eight firsts to seven for the W.S.C. team. Kalbus, Idaho sprint star, took both the 100 and 220 in two fast races. He turned 10.2 for the 100 and 22.8 for the 220. Livingston won first heat in the 800 in the fast time of 2:00.2. He also ran a close mile but was nosed out of first place in the last few yards.

Bill Squance won the race over the high sticks in 16 flat. He was followed closely by Ed Bjorklund who won second place in the event. The Idaho yearlings won first and third in the two-mile with Siple and Clayton placing respectively.

Lasby, babe high jumper, took his event with a jump of 5 feet 7 in. Wilson and Bronson walked away with second and third in the broad jump, which was won by a W.S.C. man with a jump of 19 ft., 6.

Ed Bowker, Idaho javelin hurler, took his event with a heave of 171 ft., 3/4 in. Doyle of Idaho won third place. John Norby and Doyle tied for first in the shot put, both throwing it out 38 ft., 11 ins.

Other point winners for Idaho were: Ed Bjorklund, second in the low hurdles and pole vault; Schmitz, third in the low hurdles; Walker, third in the 440; and Doyle and Bowker, second and third in the discs.

VARSITY HURLERS WIN FROM O.S.C.

Close Battle Saturday Finishes 7-6

Idaho's varsity nine opened the home series with Oregon State last Friday afternoon when they pounded the ball hard to win 7 to 6 in one of the most thrilling battles in the history of local baseball.

The Vandals went into the final frame with a two-run lead and it looked like the game was in the bag, but the Orangemen came out to count four times and grab the lead. With the fans begging for runs the Foxmen started their turn at the plate by getting Baldy and Kyselka around the bags and with two away and a pair of strikes on Lee; Brown, State hurler, tossed a wild pitch and let Johnson in for the winning tally.

Daubert Stars.
Daubert chucked the first eight innings and turned in one of the neatest jobs this year, holding the invaders to five scattered hits besides hitting a scorching single in the fifth frame. Brown was touched for 11 safeties, but his support was poor and the Vandals bunched the hits for runs.

Hayden and Jacobson led the stick work for the Foxmen with three and two hits respectively while each counted a run. Biancone and McKennon did the heavy work for the losers and scored three of their team's tallies.

BOISE WINNER IN STATE MEET

Takes Easy First in Track Journey Friday; Records Broken.

Boise high school won the state high school track and field meet at Boise Friday, taking 24 points in a meet which saw three state records broken.

Other teams placed in the following order: Filer, 17; Idaho Falls, 15 1/4; Coeur d'Alene, 13 3/4; Rupert, 11; Emmett, 10; Fruitland, 9; Lewiston, 6; Twin Falls, 5; Caldwell, 5; Mountain Home, 5; Shelly, 4 1/2; Buhl, 4; St. Anthony, 3; Hagerman, 3; Blackfoot, 3; Payette, 2 3/4; Burley, 2 3/4; Ashton, 2; Craigmont, 2; Pocatello, 1; Polatch, 1; and Sugar City, 1.

Failing to score were Firth, Kellogg, Mullan, Salmon, Sandpoint, and Thatcher.

GENTLEMAN JIM WEEPS A TEAR

Well folks, it's a sad, sad, world we live in, but here's a real hard-luck story. It concerns the "unlucky" hay-fever victim who went to the Lilac-Time dance, and consequently found it best to "sit out" all of his dances. Something tells me that the present chorus of sneezing will soon be an epidemic, but then it's a wise child that knows a good ail!

Rumor has it that Dr. Barton's prayer-meeting took on the proportions of a revival due to the nearness of final exams. The theory probably is that a prayer a day keeps the flunks away. What some people need is a miracle to aid them, in this last dark hour.

Believe it or not, the intramural golf tournament was called off on account of rain. Oh well, it just means that Diogenes won't dare to return to our campus for another week.

GENTLEMAN JIM.

The Sport Shop

By Howard Douglass and Bill Willis

The Idaho ball club turned in eight innings of good ball last Friday and then eased up to almost throw away the game with O. S. C. However, a last minute rally that netted three runs finally gave the Foxmen their third conference win of the year. The spectators who thought that the game was lost and left during the ninth inning missed one of the big thrills of the season. With the score 6-4 against them, the Vandals started hitting the ball hard to score on hits and errors and to put a Frank Merriwell finish to the game.

The breaks of the game mean a lot more to the players than most people realize. In the game with O. S. C. Friday the visitors were handed two runs on a platter in the wild ninth when a ball that was fully two feet outside was called fair and what seemed to be the winning runs crossed the plate. A few minutes later Corkery landed one on almost the same place, but it was called foul and the runners were sent back to their bags.

It looks like W. S. C. is using some fast strategy on the track on

WANTED: AN UPPERCLASSMAN to handle a dance program, stationery and Xmas Card line on the Campus during the 1931-32 school year. Apply the Master Engravers, Hughes Building, Portland, Oregon. Give activities, fraternity and references.—Adv.

Washington in their coming meet. The Cougars have saved Paul Swift, their fastest man, from the last two meets because of an injury which was supposed to heal in a week at the most.

Another shift in the Vandal infield has yet to prove whether or not it was for the best. The first trial the new combination of Kyselka at short and Sather at third looked like a real find, but it might have been beginners' luck. In the second attempt with Oregon yesterday Kyselka didn't seem to get the feel of the new territory, but maybe a little seasoning will help the situation.

FEEL the difference HEAR the difference

TASTE THE DIFFERENCE!

Like an oasis in the dusty desert of dried tobacco, the new Camel Humidor Pack brings you the delight of fine quality cigarettes in factory-fresh, mild condition.

Now, wherever you go, you can always be sure of getting a fresh, throat-easy cigarette when you demand Camels.

It's easy to tell the difference. Your sense of touch detects it as you roll a cigarette between your fingers. Dry tobacco is stiff and crumbly. Camels are full bodied and pliant.

Even your ear can tell the difference. For a dried-out cigarette crackles when you roll it.

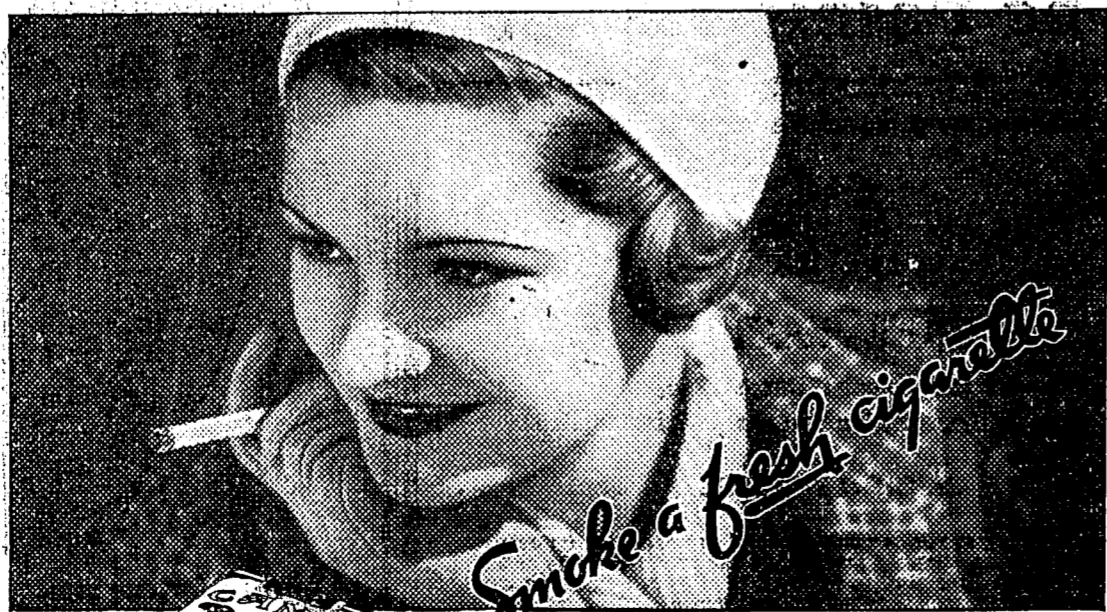

But the real test is taste and taste is causing a great nation-wide switch of

men and women alike to Camels in the scientific new Humidor Pack. As you draw in that fragrant, mild, cool smoke, redolent with the joy of choicest Turkish and mellow Domestic tobacco, only then do you realize the full importance of this new Humidor Pack.

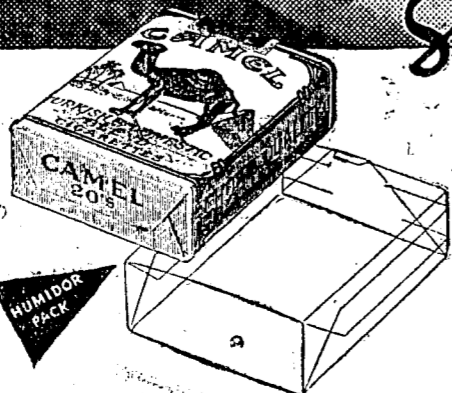

For scorched or dried tobacco is brash and tasteless and its smoke is unkindly hot to the tongue and throat.

If you are already a Camel smoker you have noticed the improvement in this your favorite cigarette.

If you don't smoke Camels, try them for just one day to see how much you're missing. After you've known the mildness and delight of a really fresh cigarette, switch back if you can.

Smoke a fresh cigarette

It is the mark of a considerate hostess, by means of the Humidor Pack, to "Serve a fresh cigarette." Buy Camels by the carton—this cigarette will remain fresh in your home and office

PECHANEC ELECTED HEAD OF FORESTERS

Joe Pechanec, Nampa, was elected president of the Associated Foresters for next year, at a meeting held last night, according to George Jemison, outgoing president. Other officers elected were Warren Engsign, vice president; Charles Field, secretary-treasurer; and Fred

OHIO COLLEGES RIOT

Disturbances affecting the student bodies of three Ohio colleges were in the process of settlement after conferences of students and officials. Although minor violence accompanied the disturbances at

two institutions, the view of the officials was that there was no cause for alarm.

Officials of Heidelberg college, Tiffin, blamed "town hoodlums" for a fire which today destroyed a small wooden building used as athletics headquarters, but the officials said unidentified students probably were responsible for the recent stoning of President Charles E. Miller's office.

DAVIDS'

Mid Season Reductions on Dresses and Coats Starts Tomorrow, Wednesday Morning

"It's a Wise Child" that takes advantage of the wonderful saving opportunities of these Annual Mid Season Reductions. Here are large stocks of smart new dresses, many just in, where in many cases two can be owned for the price of one.
