## IDAHO FENCERS TO TANGLE WITH W.S.C.

### Initial Match of Year Will Be Held at 4 P.M. Today

Four members of the Foil and Mask club will represent Idaho in the first match of the year for last year's season. The match is against W. S. C. this afternoon at 4 o'clock. The bouts will be held in room 108 on the first floor of the Memorial gymnasium.

Each man will fence in three bouts, with best four touches out of seven deciding the winner. Idaho is entering a strong team composed of two veterans from last year's squad, Douglas Cruickshank and Carl von Ende, and two new men, Casper Beinfuhr and Robert Harris.

The Washington State men will be Robert Hyslop, Donald Clarke, Boyd Zerve and Harold Bushue.

Last Year Successful  
Last year's fencers had a successful season. Although the sport was introduced on the campus for the first time, Dr. E. E. Hubert and Fred C. Blanchard, coaches, developed several outstanding swordsmen. Idaho won only one out of the three matches with the Cougars, although in the last match at Pullman, both teams won the same number of bouts, the winner being decided upon the total number of touches.

Blanchard, Idaho coach this year, announced that room would be provided for spectators at the matches. There will be no admission charged, and all who are interested are invited to come.

## LAMBDA CHI, BETAS, AND COACHES WIN IN MURAL TANGLES

### Coaches Lose Rich Fox; Ridenbaugh Hall Drops Out of Running

Lambda Chi Alpha, Phi Gamma Delta, and Beta Theta Pi entered scoring column in the intramural basketball tournament with wins in their first games, Wednesday, and Thursday nights. Only one team, Phi Delta Theta, has not yet played their first game.

Ridenbaugh Hall forfeited the game to the Phi Deltas. The hall team has temporarily withdrawn from the competition because of lack of funds to pay the entrance fee. If sufficient interest is shown, Ridenbaugh hall's intramural manager, Elmer Atkins expects to enter a team next week.

**Lambda Chi vs. Phi Gamma**  
In the best game played in the "mural league" this year Lambda Chi Alpha just nosed out Phi Gamma Delta, 14 to 13, last Wednesday night. The game featured exceptional guarding, no field goals being scored by either team in the entire last half. The half ended in favor of Lambda Chi, 11 to 9. Four free throws for the Phi Deltas and 3 for Lambda Chi completed the scoring for the last two periods. Thompson was high point for the winners with 6 points each to his credit. Ward led the scoring for Phi Gamma with 5 tallies.

**Coaches vs. Lindley Hall**  
The Idaho mentors worked together effectively to swamp the Lindley hall outfit 40 to 15 in the second game Wednesday night. Although handicapped by the loss of Rich Fox who received an injury in a recent out of town game, the coaches had little difficulty in rolling up a big count. Jacoby was put out on fouls, forcing the four men left to finish the game minus a player. Stowell was high-point man for the winners with 15 tallies, followed closely by Jacoby with 13. Cordon, Lindley Hall forward, was outstanding for the losers with 8 points.

**Beta vs. T. M. A.**  
The Tau Mem Aleph lost their second game of the tourney at the hands of the Beta Theta Pi outfit in Thursday night's play. The Betas grabbed the lead at the start, and were never headed. The first half of the game was slow, with the scoring standing 7 to 4 at the intermission. Frye led the scoring for the Betas with 6 points. Jump and Martin were outstanding on the floor. Hunt led the scoring for the town men with 6 points.

**Wednesday's Games**  
The next games will be played Wednesday night, with Delta Chi meeting T. K. E. at 7:30, and A. T. O. meeting Sigma Chi at 8:30. No games will be played Monday and Tuesday because of the Washington-Idaho series.

Special celebrations for the commemoration of Washington's birthday will be held by the various city organizations. The American Legion is sponsoring a dance Monday night for all ex-soldiers in this district, the Potlatch post being special guests. The dance in hard-times motif, will be held in the Elks' temple.

## LAWYERS ISSUE ANNUAL BOAST

### (Ed. Note.) In the light of the following, such legal documents which have won a place in the literary world, become even more noteworthy. It was with regret the legal document was censored, but the Argonaut goes through the mail, and those legal minded can best appreciate our action.

Ye are grovelers before the shrine of            revellers in the pyramids of            dissembled of gray matter, devoid of rationality, dementia naturalis, whose cerebrums are softening from easy living, to wit: four milkings, four credits, purveyors of the            of the cow castle, bycrotters of the bootblack, whose shoes drip, whose heels can't bounce, who are thoroughly imbued with the belief that torsorial artists are surgeons, Know Ye that your only social and emotional outlet is: confined to

## VANDALS TO HAVE GOOD MAT SEASON

### Two Wrestling Champions Return to Campus This Semester

With the appearance of two wrestling champions this semester to support Noel Franklin Idaho can look forward to one of the best wrestling seasons in the history of the school, observers believe.

Dan Lopez is the same husky grappler who annexed the Rocky Mountain A. A. U. heavyweight championship in 1929. The northwest intercollegiate crown, which he won in 1930, still rests with the Idaho champion, no one as yet having challenged him for it.

Another bright prospect is Bob Hammond, transfer from the Southern Branch who also started school this semester. Hammond, who wrestled in the 165 pound class, won all of his matches while at Pocatello last year, and then capped the climax by winning the Rocky Mountain championship in his class.

These two grapplers along with Franklin, 145-pound class Olympic candidate, gives Idaho one of the best line-ups for the current season, in addition several other promising candidates are working out daily which will give Idaho added strength.

## UNIVERSITY MALE QUARTET CHOSEN

### Four Members of Freshman Class Picked by Professor Cummings

The university now has a male quartet. The members have been chosen from the freshman class, and according to Professor Carleton Cummings, the music department hopes these men may remain in the university for their four years.

The members are: first tenor, Reginald Lyons; second tenor, Wayne Hampton; first bass, Paul Rust; and second bass, Carl Fischer.

The quartet has been selected because there are many occasions where it is more acceptable than any mixed or larger group. Professor Cummings believes these young men have excellent voices, good personalities, and scholarship, and he hopes they will carry on the reputations established by former male quartets here at the university.

## DEAN'S SECRETARY RESUMES DUTIES

### Dorothy Shears Returns After Illness of Two Months.

Dorothy Shears, secretary to Dean Permeal J. French, resumed her duties January 15, after recovering from a nervous breakdown. She was at the home her parents, Mr. and Mrs. C. N. Shears, in Spokane, during the two and a half months of her illness. She did as much of her office work as she could when she was home. Miss Helen Powers who works in the registrar's office, took her place in Dean French's office.

## FIND QUESTION IS UNSUITABLE

### Will Choose New Subject for Intramural Debaters.

Because those who debated on the question for women's intramural debate pronounced it not suitable, the question will be changed before the debate is presented any further. This is the only necessity for the change, according to Ralph Olmstead, who has charge of intramural debate. The new question has not been decided upon, but will be announced in the near future.

When the question is chosen, the groups will draw again, and the debates will continue. The houses having already debated will not debate on the new question.

## SPRING STYLES WILL BE MODELED BY MORTAR BOARD

### Will Give Fashion Tea at Hays Hall to Show Ensembles

Ensembles for morning, lunch, early afternoon, late afternoon, and evening will be modeled at the Mortar Board fashion tea the afternoon of March 5. The affair will take place in the living room of Hays hall from 2 to 5 p. m.

Models will be announced next week, according to Lois Thompson, president. "We are selecting one girl from each women's group house to model these costumes. The costumes," she says, "are furnished by David's, the Fashion Shop, the Parisian, Brier's, Creighton's, the Jo-Ann Shop, and J. C. Fenney company. This is something new in the way of fashion shows and is planned to take the place of those that have ordinarily been given by the individual shops."

**Send Invitations.**  
Invitations are being sent out to the various group houses as well as to faculty and townpeople. Reservations are now being made. Tables may be reserved for \$2 for a party of 50 cents a person by calling Ardith Mellinger at 5826.

Music has been planned as entertainment for the afternoon. The models will be displayed while tea is served.

## W.S.C. EMPLOYEES GIVE DAY'S WAGES

### Employees of The College And Its Divisions Have Given \$7,445

"Members of Washington State college will give a day's pay this month to unemployed relief, making four day's earnings given in the last four months," announced President E. O. Holland recently.

Last November, Governor Hartley of Washington, called upon state employees to contribute a day's pay a month for three months to relieve distress. Employees of the college and its divisions have donated \$7,445, a third of which has gone to Pullman welfare work in the three months, according to C. L. Hix, accountant.

For this last donation, according to the Spokesman-Review, the donors have been asked by the governor to indicate to what particular relief fund they wish to give. The contributions this month are expected to total about \$2500. Total donations for this cause will then approximate \$10,000.

## SALE OF RESERVED SEATS FOR PLAY BEGINS TOMORROW

### "Death Takes a Holiday" to Be Spectacular Play of Year

A drama of mystery, romance, phantasy, comedy, and even tragedy will be presented here on Friday and Saturday evenings, February 26 and 27, at the university auditorium when the dramatics division in co-operation with the ASUI presents "Death Takes a Holiday."

In this recent Broadway success staged here for the first time, Walter Ferris has created a new concept of death. In the true sentimental manner, Death is personified and is made a sympathetic character—a *young man*—who *cares* human joys and sorrows.

**Is Thrilling Mystery.**  
Clever dialogue will enhance the entertainment value of the play, while the mystery element is guaranteed to give the audience the desired thrills. An eerie strangeness prevails throughout the play—speeding cars crash head on but no one is injured and strange shadows cross the face of the moon.

Lionel Campbell, Boise senior and student body president, is to play the lead as Death, who visits the earth on a three-day holiday in order to experience human emotions and to find out why men fear him. His earthly sojourn is complicated, however, by his falling in love with Grazia, a lovely young girl to be played by Bertha Moore. As Death he cannot love a mortal. How does he solve his difficult problem?

An experienced cast including Clayne Robison, Dorothy Menzies, Catherine Brandt, Elmer Jacobs, Raphael Gibbs, Naomi Randall, Winifred Janssen, Howard Altrow, and Casady Taylor will also appear in the play.

**Irish Designs Sets.**  
The setting for this drama is the hall and garden of a great Italian castle. An elaborate set depicting this hall and garden beyond is being designed by Professor Paul R. Irig of the art and architecture department. Costumes for the play are being designed by Miss Marian Featherstone of the home economics department, and general supervision of the play is in the hands of Professor Fred C. Blanchard of the dramatics department.

Because this is the big extra-special feature of the 1931-32 year, students will be charged a small admission fee of 25 cents with their ASUI books. Regular admission is 50 cents. Tickets for reserved seats for this play go on sale at Hays Hall tomorrow. For special arrangements concerning tickets call Frank McKinley, dramatics manager, at 2163.

There is a story going the rounds about an ambitious prom chairman at DePaul who succeeded in raising \$300 dollars for an orchestra for the junior prom. He wanted something pretty good so he wrote to Ted Weems in Chicago asking him how many of his men he could send up for that amount. Weems' answer by return mail was, "Three sheets of music and a piccolo player."

SHANGHAI EXPRESS, starring that alluring Hollywood actress, Marlene Dietrich, opens today at the Kenworthy theatre. The story tells of the parting of two lovers only to meet again on the Shanghai Express—hurtling through the night with a dead man at the throttle. The film is one of the year's greatest melodramas. Marlene Dietrich's characterization is superb and she is ably supported by Clive Brook, who plays opposite her.

## SOPHOMORE SOCIETY ELECTS NEW MEMBER

### To Announce Spur Chosen From Forney Hall

Announcement was made Wednesday at a Spur luncheon of a new member who has been selected from the sophomores at Forney hall. Due to the fact that Margaret Scott has moved to town, the new woman was chosen to take her place as an active Spur representative. Pledging will be held soon, at which time the name of the new Spur will be announced. Initiation will be sometime this month.

At present the Spurs are planning activities for the spring. They are now making arrangements for a sport dance to be held sometime in the near future, which promises to be novel.

### Help Gem Staff.

For the past few weeks Spurs in the group houses and halls have been adding the circulation department of the Gem of the Mountains staff by taking payments on the annual subscriptions. In the spring they are to help the Inter-collegiate Knights with their convention, which is to be held here.

The Spurs hold business meetings at the Blue Bucket during the lunch hour of the first and third Wednesdays of every month. On the second Tuesday evening of every month they meet at one of the houses. Plans are now being made to turn over the evening meetings for social purposes.

The programs will have a little blue key for decoration. During intermission the initiates of the society will put on some clever skits.

Ridenbaugh Hall will give an informal "Joe College" dance Saturday night. The rooms will be decorated in penants, caps, and other equipment found in the dormitory of the average college man.

The alumnae of the fraternity who were present were: Miss Nancy Finch, Dr. Ella Woods, Mrs. Carol Youngstrom, Mrs. Tess Hickman, Mrs. Pendleton Howard, and Mrs. Harry Brenn.

The annual joint dance of Tau Kappa Epsilon fraternity chapters of Washington State college and Idaho was held in Pullman Friday night. ## A.W.S. COMMITTEE WORKING TOWARD HIGHER STANDARD

### Women Must Have 4.4 Average To Be In Activities

The committee of women now working on the point system for A. W. S. is made up of Bertha Moore, Margaret Kellogg, Elsie Lafferty, and Joan Harris. By establishing this point system they hope to divide more evenly the honors, and activities of women students so that one woman can not hold too many offices.

All the activities in which women may participate have been listed and been given points according to their importance. The president of A. W. S., president of W. A. A., president of group houses and other major offices will be given a definite number of points. All other smaller activities including membership in honoraries will be given points accordingly.

The maximum number of points any one woman may carry is fifteen. In order to carry activities a grade average of 4.4 must be maintained. However, the committee is now working on a plan which will allow women to carry activities with an average below 4.4 with the number of points they are allowed being lowered accordingly.

In this way they felt that more women will be given an opportunity of holding offices. Under the old system, often one woman has held the presidency of as many as three organizations at one time. The committee feels that this is neither fair to the woman herself nor to the other capable women on the campus and hope to eliminate such a possibility under the new point system.

Every woman is required to fill out a card listing all her activities and her scholastic average. These cards are kept on file in the dean's office.

This is a new system that is being worked out in various colleges throughout the country. Last year was the first time the university had tried it. This year it is hoped that it will be even more effective, as the committee in charge can now see the changes that will be necessary in order to perfect the system.

## Is Last Chance For Idaho To Tip Over Likely Champions

**By Richard Stanton**

The Vandals will entertain the league-leading Washington State Cougars here tonight in the final four-game series between the two schools. The count now stands three to none for the Cougars and it will be Idaho's last chance to tip the likely champions if it is in the books.

Having already dropped three out of as many starts to our neighbors across the line chances look slim for the Vandals to break through, and down the Cougars. On the other hand, the only wins Idaho has garnered in the sea-

Richard Fox

sons round have been against the only team that has beaten the Washington State team, the Oregon Webfoots. The Cougars turned back every one who crossed their track except Oregon who won three out of four.

**Holds Key Position**

Idaho is now holding the key position between the two leading teams, Washington and Washington State, since they are only half game apart, and the only games left on the Vandal schedule are with those teams.

Should the Foxmen win from the Cougars tonight, it would mean that W. S. C. will have to take both their games from the Huskies when they meet in Seattle next week. Washington State wins they have only to win one of the two games from the Huskies to take the conference.

The remaining places on the conference ladder remain to be decided in the next few games left with Barrett Washington and Washington State college.

**Scores Are Close**

The Vandals are sadly the underdogs in the game tonight, according to dope, but have the team to stop the Cougars if they can all start clicking at once. Two of the three games played were close and turned out to be thrillers with the Staters coming through on the long end of the count. The third game played on the Idaho court, was almost a walk-away for the Friemen. Then the Vandals returned to the Pullman court and led most of the game only to falter in the closing minutes and lose, 32 to 38.

The starting lineup for the Vandals will probably be the same tonight as it has been in most of the games this year: Afton Barrett and Horton Herman, forwards; Pete Wicks, and Ed Lacy, guards; and Howard Grenier, center. Dan Aukett put sparks in the Idaho team at Seattle last week, and there is a possibility that he will see some action against the Cougars. Stan Hale has also been doing some good work in practices and no doubt be in at a guard position some of the time.

# SPORT SHOP

The conference basketball season will end next week but only after one of the most exciting races in several years in both the northern and southern divisions. Southern California and California are deadlocked for the lead in the south and a tie is not impossible in the north. Should Idaho beat Washington State tonight a tie would likely result in the final standings.

The game tonight will start the home stretch of the conference year and according to advances dope should prove to be one of the best games of the year. The Cougars have a game and a half edge over Washington and a loss would greatly hamper their chances for the flag. Also the Vandals will have their best chance of the year to take the measure of the Staters.

The winter indoor track meets and Olympic tryouts will see the greatest attack on records witnessed in recent years. Two comparative youngsters have greatly boosted the United States hopes already. Gene Venzke recently broke Paavo Nurmi's record for the mile which had been considered almost unbeatable. George Spitz again raised his high jump record by clearing 6 feet 8 1/2 inches.

Coach Leo Calland is in favor of the new rules passed by the national committee at the first of the week. He was especially pleased at the new substitution rule which will allow a player to be taken from the game and sent back in during the same period.

And speaking of football, spring practice has already started although the work is limited to indoors. More men are turning out now than were during the past season. About forty-eight men are taking advantage of the early season training.

The Vandals will end the basketball season Monday and Tuesday with a series against Washington which promises to put a whirlwind finish to the year. Idaho will have a chance to break the jinx which has kept the Vandals from a victory over the Huskies since 1927.

One of the most interesting bit

of news of late announced that Lloyd Sullivan, Idaho, will swap punches with Frank Wallulis, W. S. C., in Spokane soon. The scheduled battle will bring together two of the most outstanding linemen who played in the north last year. Both men are big and will pack plenty of punch. The battle will not be between two inexperienced men as both have been in the ropes before. Sullivan has appeared on local cards and Wallulis has received some of the finer points on the coast. If some of the old Vandal-ougar spirit gets into the ring the match will be worth traveling a way to see.

## TRACK REVEALS MEN OF OLYMPIC CALIBRE

### Three Brilliant Athletes Spring Into Limelight

P. I. P. A.—Material for the United States Olympic team is beginning to show itself in large numbers with the inauguration of the Eastern indoor track season. Three athletes have been discovered in Gene Venzke, George Spitz, and Emmet Topino.

These three were unheard of until this year's Millrose games at New York recently. Venzke ran the mile on the indoor Wanamaker track in 4:11 1-5 minutes, close to the world's record, while Spitz high jumped 6 feet 7 5-8 inches. Topino has made some remarkable times in the sprints, especially in the 60-yard dash.

## VANDALEERS RATE OVER FIVE POINT

### Average of 5.126 Made by Group Announces Cummings.

The scholastic average for the first semester of all members in the Vandaleer chorus was 5.126, according to Professor Carleton Cummings, head of the music department. Professor Cummings also said that only those in the group at the end of the first semester will continue this semester.

The Vandaleers are now working on the program they will present on their tour next year. They expect to finish all their numbers by the end of this semester.
