MINUET TO HOLD PROMINENT PLACE

Difficult Dance to be One of Features of Coming Recital

The minuet, frequently and justly referred to as the queen of dances, will hold a place of special interest on the coming Taps and Terpsi-chore dance recital program. The dignity and graciousness, typical of the colonial period, will be symbol-ized by this dance, which will have a prominent place in depicting the progress of America. In connection with this, the minuet is receiving much attention throughout the en-

Many Idaho Students Going Home During Spring Vacation

Campus activities will pause for a brief few days while a number of students afflicted with the good old spring fever will catch the first train home Wednesday night for the coming holidays. The Inland Empire Education Association will hold their annual institute at Spokane during this period, and many faculty members as well as students will be there.

Following immediately after vacation comes Junior week with its numcrous festivities. The theme of the week is to be "The Show Boat Idea". The assembly, junior song, and the caps will carry out this motif. The junior prom will be given Thursday night at the Elks Temple. FISHING LICENSES **NOT YET RECEIVED**

Season Opens April 16 In Some Streams; No. Demand Here

The 1932 game liceases have not been received at Moscow yet, although the fishing season in some streams opens April 16 and old licenses expired March 31.

"We're not sure when licenses will be here, though we've heard they are in Cour d'Alene," said Jerry Gelwick, one of the dealers from whom licenses may be obtained. "But I don't think there's much rush about getting them in

"We have so much snow in the mountains, the water is so high, and the mud so had that I don't think we can do much fishing for a while."

Sportsmen are cautioned to observe seasonal stipulations on the Snake tributaries, where fishing is not legal until May 30. Any feeder of the Salmon or Clearwater liver, may, however, be fished starting April 16. Rules also provide that salmon and steelhead can be caught all year around at the rate of two a day if snared with hook and line, or spear, but no more than three steelheads can be in the taker's possession.

Licenses are received by Walter Driscoll, deputy game warden, and issued to dealers. Moscow dealers
