Coach Leo Calland Expects Real Battle Against Oregon

Having done a highly creditable job of outplaying and outwitting gymnasium, starting at 8.30.
is the fifth annual event of this kind for faculty, out-of-town visitors, alumni and students.

The original purpose of this affair was to provide entertainment for out of town visitors and to give students and visitors an opportunity to get acquainted. This informal get-together is one of the big events of the year and the big events of the year and the big expected.

The statistics of the decisively at Missource the defeated the highly touted. Montana backs display a superiority. The defeated the highly touted, Montana backs display a superiority, averaging 47 yards per kick to the Vandals 35.

Coach Leo Calland pronounced the game one of the best his charges had ever played. He was charge with his line, will be the first time in about 10 years that Oregon has played in the Vandal home camp.

Coast scorers, suffered an injury late in the game which may bother him for a few days. Bob Moser, sophomore tackle, is probably out of the Oregon game, and Max Eiden, running guard, has a bad charley horse. Howard McInerney, sophomore tackle, and June Han-ford, two-year letterman at end, are also still on the bench. There is a possibility that Hanford will see action against the Oregonians but McInerney is still on crutches and probably will not even put on a suit until after the big game.

Oldest Faculty Member Allowed to Remain Despite War Department Rule.

General E. R. Chrisman, oldest nember of the university faculty, will continue in his position as commandant of the Idaho cadet battalion despite a recent war department ruling which finally retired him from active duty.

His appointment as a faculty member was suggested by the war department through Secretary Patrick J. Hurley. and approved this week by the board of regents. His rank now is commandant of cadets and lecturer in military tactics. Announcement of his appointment at the university's fortieth anniversary celebration brought thunderous applause from students and hundreds of alumni and guests from all sections of the

# -and raw tobaccos have no place in cigarettes

They are not present in Luckies ... the *mildest* cigarette you ever smoked

E buy the finest, the very finest tobaccos in all the world-but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"-so

these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

s toasted That package of mild Luckies

"If a man write a better book, preach a better sermon, or make a better mouse-trap than his neighbor, tho he ild his house in the woods, the world will make a beaten path to his door."—RALPH WALDO EMERSON. Does not this explain the world-wide acceptance and approval of Lucky Strike?
