

JUNIOR PROM, CABARET PRICES HIT NEW LOW

\$1 Apiece for Big Event, Announces Fikkan, Chairman of Junior Week; Printing Only 100 Prom Tickets

"For the first time in the history of the campus, tickets for both the Junior Prom and the Junior Cabaret will be sold for only \$1.00 apiece," said Phillip Fikkan, general chairman of Junior Week, which starts April 17.

Because of the financial difficulties which most of the students are experiencing, the juniors have put the prices for the Prom and the Cabaret down to the lowest possible levels.

"The Prom is to be held at the Blue Bucket instead of at the Elks' temple as it has been in previous years," said Bert Wood, who is in charge. "We are doing this make it possible to charge only \$1 for the tickets and to enable some students to come who might not have been able to if the Prom had been held at the Elks' temple."

Juniors Get Preference
Only 100 tickets for the Junior Prom are going to be printed. This means that tickets will be available to only seven or eight men in each group, and juniors will be given the preference. The tickets have already been ordered, and will be on sale the first of next week.

Heretofore, various organizations have stated that only a limited amount of tickets will be available for their affairs, using the idea merely for ballyhoo and advertising. This time it happens to be an absolute fact; only 100 tickets will be available; juniors will have the preference; and some men have already made reservations for their tickets," stated Wood.

The Cabaret will be bigger and better than ever, and still cost less than ever before, according to Richard Stanton, general chairman of the Junior Cabaret. The tickets for this will probably also be on sale the first of next week, and students are urged to get them immediately and make their table reservations as early as possible to avoid the rush. Plans are already under way for entertainment of a kind that the campus has never seen before.

General committee chairmen have been meeting during the week and plans for the entire Junior Week have been definitely laid out. Sub-committees are already at work picking out decorations, entertainment, programs, and all that always goes with Junior week.

FROSH AND SOPHS ARRANGE TALENT FOR SONG CONTEST

Lutz and Robison Are Chairmen of the Underclassmen Revue

Members of the sophomore and freshman classes will stage an underclassmen's revue as a part of the assembly featuring the class song contest, which will be held the first night of May. Frank Lutz is in charge of arrangements for the program. This program and song fest will replace the class stunt and song fest which has been given in past years. Clayne Robison has been appointed general chairman of the affair.

Each year the juniors and seniors give an assembly as a part of festivities arranged by these classes. As the underclassmen have had no chance to put on a program, it was decided that the underclassmen's revue would give them a chance to display their talent and originality. Committees have been selected by the presidents of both classes which will work together toward putting on a first class entertainment. The sophomore committee is Frank Lutz, chairman; Nellie Erwin and Charles Warner. Members of the freshman committee are John Lukens, Betty Booth, and Dawn Vincent.

Write Idaho Songs.
Last year plans for a song contest failed to materialize, but the custom is being revived again this year. Musical ability has been uncovered by these song contests, and two of the most popular university songs, "Go, Vandals, Go," and "Vandal Sweetheart" were winning songs of class song fests.

DANIELS PLANS FORESTRY DANCE

Xi Sigma Pi, national forestry honor fraternity, will give its annual dance April 15. The semi-formal affair will be held at Sigma Alpha Epsilon chapter house. Bud Daniels, senior, is in charge of the dance committee.

The present plans provide for about 25 couples, including the several patrons and patronesses. There will be several tables of bridge for those desiring to play. Some special entertainment will be provided by the Alpha Phi trio, consisting of Catherine Brandt, Virginia Harris and Betty Lucas. Earl H. Talch, graduate student in the School of Forestry, will be initiated into Xi Sigma Pi Thursday evening in Morrill hall. This will bring the total active membership to 17 for the semester.

THETA AND L. D. S. HEAD SCHOLARSHIP OF GROUP HOUSES

Sororities are Slightly Above and Fraternities Below Hall Averages

Kappa Alpha Theta leads all groups on the campus with an average of 4.808, according to first semester grade averages for campus groups which have been released by the registrar's office. The L. D. S. Institute leads the men's groups with an average of 4.696 which is high for mens organization. It is interesting to note that the average grades of all sorority women ranges two hundredths of a point over that of the mens halls, while fraternity mens averages are slightly over two-tenths of a point under the mens hall average. The combined average of all Greek letter organizations is considerably under that of dormitory residents.

Nine other women's groups range closely under the Theta's high mark, the lowest an average of 4.593. The L. D. S. came eighth in ranks in the list of all university organizations. This year the lowest women's groups fell below the lowest women's mark and ranged from the L. D. S.'s average to 3.999 the lowest.

Following are the group averages as released by the registrar:
Women—Kappa Alpha Theta, 4.808; Kappa Kappa Gamma, 4.799; Pi Beta Phi, 4.793; Alpha Phi, 4.735; Gamma Phi Beta, 4.731; Hays Hall, 4.710; Delta Theta, 4.710; Alpha Chi Omega, 4.687; Delta Delta Delta, 4.678; Delta Gamma, 4.593.

Men—L. D. S., 4.696; Tau Men Aleph, 4.588; Tau Kappa Epsilon, 4.523; Ridenbaugh Hall, 4.408; Delta Chi, 4.365; Delta Tau Delta, 4.357; Sigma Chi, 4.341; Sigma Alpha Epsilon, 4.296; Beta Theta Pi, 4.256; Lindley Hall, 4.256; Phi Gamma Delta, 4.175; Sigma Nu, 4.148; Chi Alpha Pi, 4.109; Phi Delta Theta, 4.041; Lambda Chi Omega, 4.026; Kappa Sigma, 4.009; Alpha Tau Omega, 3.999.

HUNTER NAMES PROM HELPERS

Rollin Hunter, chairman of decorations for the Junior prom, which will be held April 21, has announced the entire committee to work with him on the affair. Hunter would give out no indications as to what the motif for the decorations would be. However, a general motif for the whole week has been selected and will not be divulged by the juniors until the week approaches. The general decorations committee is Rollin Hunter, chairman; Robert Austin, Mary Senger, Tom Barnard and Ruth Cook.

Those appointed by Hunter are: Clark Neely, Engine Perrine, Margaret Scott, Frances DuSault, Frank McAtee, Charles Schumacher and Lionel Sterner.

SIX MAJOR EVENTS WILL BE FEATURED FOR JUNIOR WEEK

Junior Rally Monday Night Will Open Celebrations; Stress Committees

At a meeting of the Junior Week event chairman the definite program of events for the week was outlined. All six major events will be held as usual as the basis for the regular program, there will be a junior rally on Monday night to get all the juniors into the spirit of the week, to announce the routine, and to distribute the caps.

Announces Program.
The program and date of each event as announced by Phillip Fikkan, general chairman, is as follows:
Rally, Monday night; serenade, Tuesday night; assembly, Wednesday morning; parade, Thursday evening; mixer, Thursday night; prom, Friday night, Blue Bucket; cabaret, Saturday night, Blue Bucket.

When the junior week committees were announced in the Argonaut last week a few names were omitted. They are printed again below to include omissions and to show again those persons who are to function on committees.

Louise Morley, petite and charming senior from Idaho Falls, was honored last week as "Queen of the Idaho campus" by members of the "I" club, varsity lettermen's organization. Miss Morley is president of the Associated Women and of her sorority, Alpha Phi. She is a senior in the school of education, majoring in music. Since the organization of the Vandaleers, Miss Morley has been a feature soloist. Among her honors is her membership in these four national honorary organizations: Mortar Board, Sigma Alpha Iota, Pi Lambda Theta, and Spurs.

SECRECY MAINTAINED IN PLANS FOR SUCCESSFUL JUNIOR WEEK

Shhhhh! Shhhhh!—Don't whisper a word about it to a soul—even if you have been in love with her all spring. Secrecy and more secrecy is the byword. What's that noise? Someone spying? Have no mercy no one must learn the secret. With solemn mein and bated breath, all Junior week committee chairmen gathered Wednesday night and a great idea was suddenly thrust upon the unsuspecting campus. Even the originators of the plan are overwhelmed by the magnanimity of the proposed program.

Something new and different on a wholesale basis is promised the campus during the coming week of festivities. Several times in the past efforts have been made to carry out one general idea through the entire Junior week, but each time something has prevented the completion of the plan. According to the junior leaders they have discovered a means whereby a single scheme will be predominant throughout the week. Novelty and originality will be the goal of the decorators for the prom and cabaret, with the "great idea" as an incentive. All of the entertainment will also be along the lines of the lines of the general plan.

HOLD ASSEMBLY AFTER VACATION

Johnny Thomas and Bert Wood will be the featured entertainers at the night assembly to be given by members of Blue Key, which will be held the week after spring vacation.

Louis August, Former Pacific Coast Champion, Will Fight "Dynamite" Sinclair Of Lewiston

George Theodoratus, 225-pound Greek dreadnought from W.S.C., and Clyde Luce, Moscow Athletic club heavyweight, will feature in the main event in the 30-round boxing and wrestling card which starts at 8 o'clock tonight in the Memorial gym. Other famous leather pushers such as Louis August, 1931 Pacific Coast champion in the 126 pound class, and Tony Felice, 115 pound flyweight from Gonzaga, as well as John Curry and Bud Pool, the best in their respective divisions from W.S.C., will also be featured.

ALL IN READINESS FOR SONG CONTEST AT 7:30 TONIGHT

Tau Kappa Epsilon, Sigma Chi, Alpha Tau Omega, Sigma Nu Withdraw

Final arrangements for the Sigma Alpha Iota group house song contest have been completed according to Maybelle Donaldson, who is in charge of the contest. The contest is expected to go smoothly and successfully. The starting time is 7:30 and Ad. 102 is the place.

Four group houses, Tau Kappa Epsilon, Sigma Chi, Alpha Tau Omega, and Sigma Nu, have withdrawn from competition. Sigma Nu was the winner of the contest last year but was unable to compete in this contest because of conflicting engagements of some of their leading musicians.

Announces Positions.
Miss Donaldson has announced the following positions for the contestants during the contest: The Betas and the Alpha Chis will be on stage first, with the Betas opening the program; the Phi Deltas will be in room 1 in the basement; the Kappas in room 2 in the basement; the Deltas in room 3; the Pi Phis in room 4; the S. A. E.s in row D straight across; the Gamma Phis in row E straight across; the Alpha Phis in rows F and G on the right; the Pijs in row G on the right and seats 1 to 4 in row H; the Delta Gammas rows F and G on the left; the Thetas in row H, seats 1-6 on the right and 5 to 12 in the center.

The Delta Chis in row J, seats 1 to 12; the Hays hall entrants in rows J and K on the left; and the Tri Deltas in row K in the center and on the right. Each group will go on stage at the completion of the songs of the contestant two places ahead of it on the program. Groups will go one the stage by the right entrance, as one faces the stage and leave by the left door. After singing the groups will either go to their previous seats or go to the back of the auditorium and find places.

List of Entrants.
The houses entering the song chairman in that house and the song which they will present are: 1. Beta Theta Pi, Clayton Spear, Beta Shrine, Beta Sweetheart, Loving Cup.
2. Alpha Chi Omega, Betty Jean Fisher, Hearth Song, Say Won't You Be a Friend to Alpha Chi, Alpha Chi Sweetheart Song.

Pants For Sale; 2123 Says Gentleman Jim

Cloudy greetings and salutations: It has just occurred to us that the *Style Show* forgot to present the latest thing in Men's Spring clothes—Women.

With the playing of the Lawyer-Ag game, football prospects for next fall went much higher.

The Depression has gotten to such a point that violins go in for "Thames on the 'C' String." At that, it eliminates the upkeep on the other three strings.

When it's Springtime in the Rockies, it will still be Winter in Moscow.

For Sale: Two pairs of mannish trousers. Call Lawrence or Peterson, 2123.

We are sure that those who will go home for spring vacation would not think of forgetting to find out their grades before leaving.

A "bird" from the Lawyers is worth two from the Ags.

Presenting: "A site for Sore Arms," the scene being laid (far, far away, probably) in the Infirmary where eager "Rooks" rush to be innoculated and vaccinated.

The grades of today are the tears of tomorrow.

A prof says, "Puns have value." So have our checks, if zero is value.

With the arrival of 9 p. m. Sunday dates, church attendance will drop materially!

Love may be a funny thing, but a lover is much funnier.

He was only a fuel of love, but he certainly was burned up when she broke the date.

GENTLEMAN JIM, JOHN T. FARQUHAR.

COUNCIL ISSUES RUSHING CARDS

New Scheme Will Prevent Previous Conflicts.

Infraternity council date cards, composed of three parts, are to be put into use for the first time this year. The new cards are made up with one division devoted to rushing rules and the other two parts, which are identical, to spaces for dates. One of these parts will be detached and kept by the rushes and the other part by the fraternity.

This new feature is expected to do away with the confusion caused by students losing cards and having new ones filled in without the knowledge of the fraternity first dated.

Ted Showalter, committee chairman, announces that the new cards will be out about the middle of April in time for spring rushing.

SILVER LANCE MEN MAKE RESOLUTIONS

Senior Honorary Discusses Spring Pledging

Silver Lance, senior men's honorary discussed pledging at a luncheon at the Blue Bucket inn last week. Pledging will take place on Campus Day. The group also made three resolutions which are as follows:

1. That the men should have a page in the Argonaut.
 2. That a Big Brother Movement be proposed.
 3. That women's clothes be criticized.
- "Outside the fact that women's clothes are too many and too intricate, we are not in favor of women wearing pants, that is, long pants." Bill Ennis made the remark. "Nothing is more repulsive to a man's delicate senses than a pair of tweed Dietrich trousers, especially on the Sabbath."
- Luncheons will be held every two weeks at the Blue Bucket it was decided.
- Organ recitals are played daily during examination week at the University of Missouri to afford student reaction from the mental strain.

U. S. C. DEBATERS WILL MEET IDAHO

Ames Crawford and Lawrence Pritchard Are Debaters to Appear Here

The University of Southern California debate team composed of Ames Crawford and Lawrence Pritchard will meet the Idaho debate team here Tuesday evening, April 4. The U. S. C. team will uphold the negative side of the war debts cancellation question.

Ames Crawford is captain of the Southern California debate team, is a senior and a member of Phi Beta Kappa and Phi Kappa Phi, national scholarship honoraries, and Kappa Sigma social fraternity. He has competed in 42 intercollegiate debates.

In Many Debates, Lawrence Pritchard is a junior, a member of Delta Sigma Rho, national debate honorary and Alpha Kappa Psi, national business fraternity. He is also prominent in campus politics and has competed in 21 debates.

Both men were winners of the Ames cup debate contest in their freshman years, and both won the Brown extemporaneous speaking cups later.

"This is one debate which every Idaho student should attend," said A. E. Whitehead, Idaho debate coach. "It will be a real treat."

BUSINESS HONORARY PLANS FOR BANQUET

Delegate to National Convention Will Be Chosen.

At an Alpha Kappa Psi meeting at the Beta Theta Pi house Wednesday evening, plans were made for a banquet to be given at the Blue Bucket, April 11, at 8 o'clock.

Nine prospective members are invited. A guest from Spokane will be chosen to attend the national convention which will be held in Chicago June 28, 29, 30. The delegate's expenses are to be paid by the national fraternity.

FORENSIC CONTEST GIVES EXPERIENCE TO IDAHO ENTRANTS

Return From Eugene Trip With Number of New Debate Ideas

"Although Karl Hobson and Claude Marcus, the two entrants in the Pacific Coast Forensic conference at Eugene who represented Idaho did not return with many wins, they gained a great deal of experience, and the conference brought out a number of new ideas in styles of debating which will be valuable to them," said A. E. Whitehead, Idaho debate coach.

"The speeches were very well given throughout the conference," Whitehead said, who accompanied the two speakers. "All the delegates expressed the opinion that the conference was very stimulating and educational."

Whitehead Speaks
The conference took place Thursday, Friday and Saturday, March 23, 24, and 25. Thursday morning all the contestants and instructors met in a round table discussion. Mr. Whitehead gave a speech on "Sources of Debate Budgets."

"I had statements from each graduate manager saying that they felt that debate was a very worthwhile activity and was worthy of all the money spent on it," said Mr. Whitehead. "They were wholly in support of debate even though in these times some curtailment is almost unavoidable."

Thursday night the finals in the oratorical contests were held. Harry Hargraves, Pomona, Calif., won first place speaking on "To a Depressed World." Claude Marcus of Idaho entered this event, speaking on "Legacies," but was eliminated in the semi-finals.

Round Table Discussion
"Friday morning we had a round table discussion on new styles of debating," said Mr. Whitehead. "A new style which has been tried by Oregon and Washington was talked about, and will undoubtedly be tried at Idaho next year."

"The new style is called symposium. The idea is for four men of one institution or two men from each of two schools to tour different sections of the state, debating subjects of interest to these particular sections of the country. The first speaker gives the introduction and the history of the question, the second gives the general case for the proposition. The third speaker argues against the case, and the fourth summarizes and attempts to answer the question of which side is the best. The plan is to let them be interrupted at any time by the audience for questioning."

"The advantages of this style of debating are that it destroys the old vey and no type of debate," said Mr. Whitehead. "It attempts to get closer to the truth without object placed on winning."

Karl Hobson entered the extemporaneous speaking contest Friday night, talking on "Bi-metalism." One judge gave Hobson fourth place, but the other three gave him fifth place. First place went to Wilson, Oregon State college, who spoke on "Fiat Money and Inflation." He was presented with \$25 and a loving cup.

Debates Saturday
The debates were held Saturday afternoon. Idaho debated first with Arizona and won this event. The second debate was lost to U. C. L. A., and the third was lost to Whitman, 2 to 1. Idaho tied with two other schools on a percentage basis for the right to enter the semi-finals, but had three per cent less than Whitman. U. C. L. A. won from Whitman in the finals Saturday night.

One of the most interesting features of the conference was the after dinner speaking. The University of Washington won this event with a talk on the subject, "In the Spring a Young Man's Fancy." Mr. Whitehead said that this event was very interesting and most entertaining.

Officers elected for the Pacific Coast Forensic conference Saturday afternoon were Roy McCall, Whitman, president; Chaffin, Stanford, vice-president; and Mr. Whitehead, secretary-treasurer.

PEP BAND PRACTICE SUNDAY at 10 a. m. in Auditorium.

INDIVIDUAL TALENT WILL BE FEATURED AT PEP BAND SHOW

Bill Ames States That New Schemes Are Progressing Rapidly for Event

The annual Pep Band show will be given April 27 in the university auditorium. According to Bill Ames, director of the band, the production is rapidly getting underway, and if all present plans materialize, it will be a bigger and better show than ever given before.

In an effort to make the show different from past Pep Band shows and more effective than usual, several new features and changes will be instituted. However, the show will still follow the same general outline as usual. That is, a formal classical concert by the band, a second section featuring a complete dance orchestra, entertainers, and special feature numbers, and a final part which will see the regular Pep band playing new specialty arrangements.

Spotlight Number.
One of the important new feature numbers on which the band is working is a spotlight number which will act as an introduction to the second act. Don Wolfe and Richard Stanton arranged the number especially for the 16-piece orchestra. It will open with the entire orchestra, then drift into numbers by individuals and sectional trios, and quartets. When each performs the stage will be a complete blackout with only a colored spot on those performing.

"This number," said Ames, "is to show the talent and versatility of every man and section in the band." "We look for it to be one of the big numbers in the show."

STRING QUARTETTE HIGHLY PRAISED BY VIOLIN PROFESSOR

Carl Claus Reviews Concert Of Portland Symphony Group

"The Portland symphony string quartette, Edward Hurlmann, first violin; Abe Borcovitz, second violin; Ted Bacon, viola; and Michael Avonstein, violoncello; appearing in the university auditorium last Tuesday evening in a recital, was enthusiastically received by a large and appreciative audience," commented Carl Claus of the music department.

The program opened with the second quartet by Borodin and a group of viola solos, "Larghetto" by Handel and "Cherry Ripe" by Cyril Scott. A short group for quartet "Romance in G Minor" by Greig and "Molly on the Shore" by Grainger, was followed by two cello solos, "Adagio" by Haydn and Yan Coen's "Scherzo." The quartet, Op. 18, No. 2" by Beethoven

closed the program. "From the opening number of a varied and interesting program, the members of the quartette displayed unusual artistry," said Prof. Claus. "The quartette, a well balanced group, played with a beauty of tone, a uniformity of phrasing, a freedom and spontaneity, while still retaining a fine sense of ensemble. The violin solos by Ted Bacon were played with a lovely broad tone. Michael Avonstein delighted the audience with his beautiful tone and brilliant playing in his group of solos."

Mr. Hurlmann, one of the members of the quartette made many friends here last summer when he appeared as a soloist and a guest teacher at the university summer session. "His playing of the Air on the G

string" by Bach was especially well done," said Prof. Claus. "The audience, made up largely of university students and members of the faculty were insistent in recalling the artists and demanded several encores."

SPURS FORM PLANS FOR NATIONAL MEET

Marjorie Wurster and Ethlyn O'Neal Are Delegates to Corvallis

Definite arrangements for participation in the national Spur convention at Corvallis next week-end were made by the local chapter at their weekly meeting Wednesday noon. The two delegates, Marjorie Wurster and Ethlyn O'Neal, will leave next Wednesday morning. That night they will meet the delegates in Portland and will go to Corvallis with them Thursday morning.

At the convention the delegates will suggest having the next national convention which will be in 1935, on the Idaho campus. "We feel that we have an ideal place for a national Spur convention. Our campus is beautiful in the spring and I think we have sufficient accommodations," said Marjorie Wurster, president of the organization.

OPEN HOME EC DAY WITH BUSY SESSION SATURDAY MORNING

North Idaho Educators Will Meet Here Over Weekend

Home Ec day will start Saturday with a meeting of the teachers at 10 a. m. Miss Sell will speak on the current trends of home economics in Idaho. Reports from the various home ec clubs of the northern district and a short business meeting will conclude the morning session. A luncheon at 12:30 at the Moscow hotel for the teachers will be sponsored by the Home Ec. association. The college women are in charge of the decorations. The Home Ec high school girls will be entertained at luncheon by the Home Ec club. Ivy McPherson is the hostess.

Dr. Esther Batchelder will explain "The Newer Phases of Nutrition at the afternoon meeting. Selection of meats for home use will be advised by Professor Hickman. A nursing play by the home nursing class under the supervision of Mrs. Jesse Buchanan and showing about the campus will comprise the entertainment. A tea given by the high school will take place at the high school later in the afternoon.

Formal Banquet

A formal banquet at the Moscow hotel will climax the day. A World's Fair idea will be carried out in the menu, program and place cards. The tickets are of cardboard with a home with flowers blocked in them. Ruth Johnson will sing "Heigh-ho, Come to the Fair." All girls in the Home Ec department, representatives of the high schools, teachers and faculty members including Miss Marion Hepworth, Dr. Ella Woods, Mrs. M. G. Neale and Mrs. J. A. Kostalek will attend. The toastmistress is Betty Trimble. Marjorie L'Herrion will give the freshman toast, Madeline Williamson the junior toast, Maude Galloy the senior toast, Miss Adah Lewis the faculty toast and Miss Martha Wedin the alumni toast. Miss Wedin is a teacher in the Grangeville high school.

The chairmen of all the committees is Fern Swener. Alma Ans is in charge of the luncheon table decorations, Marjorie Crane, the banquet decorations and placecards; Betty Trimble, the table decorations for the banquet; Ruth Parker, the entertainment at the banquet; Helen Wiswal, the tickets; and Marjorie Stone, the reception committee.

Two floats in the Rose Parade which were designed by women art students at Pasadena Junior college won places in the contest.

Students caught smoking at a certain Eastern women's college are confined to the campus for a period of six weeks.

According to an investigation in Iowa, only 1 per cent of 11 college engagements result in marriage.

The CO-ED MANNEQUIN

What's that rustling we hear—spring breeze in new leaves—oh no—in taffeta, which, combined with cotton, linen, wool and other fabrics gives that alluring rustle even to tailored suits. No longer may the vamp steal upon her man unawares.

For suits, there are blouses, linings, and scarfs; for afternoon wear, combinations of taffeta and other fabrics, or all taffeta—as the dress illustrated. For evening there are genuine petticoats or sweepers—hem ruffles. Pallid taffeta gloves have been introduced to complete these costumes.

Fabric gloves have already established themselves in the south—fussy organdie and simple plique are the most prevalent. Others are made of the same material and pattern of the gowns with which they are worn. To have your gloves and hat match classifies you as "One who knows."

Pants Aren't So Hot On the Opposite Sex Says Johnnie Thomas

"Trousers for women aren't so hot," says Johnny Thomas. "A woman's place is in the home. Trousers should be reserved for the male; in other words, the men should wear the pants if it is possible. Seriously, I don't like to see the girls wearing them; they're absurd. I know I'd hate to see myself running around in a well, what do girls wear, anyway, dresses? Yes, I'd certainly hate to be caught in a dress."

Elvon Hampton remarks that "the girls are taking up mannish attire just a little too soon. I don't like long trousers on girls—even if Marlene Dietrich does wear them."

Lloyd Riutzel announces without a moment's hesitation, "Offhand, I'll say that I don't like long trousers for the girls. The more they dress like men and imitate them, the more evident it is that they are just women—and the more womanly they look."

On the other hand, Bill Ames is ready to advocate long trousers for general wear for the girls, because "After all, there's nothing like a good pair of trousers, whether they're long, short, tight or baggy. But they must be properly creased at all times. I don't know whether women's trousers are silk-lined; if they aren't they should be. Comfort is one of the keynotes to success. I'm sorry there aren't more long trousers for women on the

TAPS AND TERPS DANCE APRIL 15

Jigsaw Puzzles, Ping Pong and Bridge Will Be Played

The Taps and Terps Tea dance, replacing the Taps and Terps dance of former years, will be held in the women's gymnasium Saturday afternoon April 15.

Entertainment will begin at 2 o'clock with a ping pong demonstration. Jigsaw puzzles and bridge will be offered as another phase of the program. At 3 o'clock musical dancing and club dancing will take place and the girls tumbling team will give further numbers. Miss Agnes Bohne will offer a prelude solo. The Easter tea will immediately follow the program. The floor will be cleared for social dancing at 4 o'clock. All those who wish to play bridge are requested to bring their own cards and card table covers.

Friday, Saturday
Claudette Colbert is cast as a girl who has fled the responsibilities of her position and fallen in love with Frederic March, a wealthy young Parisian in gay, charming fashion, they chase about the French capital, but their moments alone are moments of tender, if burning, passion. A strange trick of the fates almost upsets their lives, but a dramatic climax sets everything to rights. Miss Colbert, French-born, American-raised, went out to Hollywood a couple of years ago, after scoring a brilliant stage success.

PARACHUTE JUMPER

Sunday, Monday
Seven air pilots of national reputation take part in the daring and spectacular air stunts for the Warner Brothers picture starring Douglas Fairbanks. The air stunts of these fliers include machine gun battles in the clouds, airplane chases and parachute leaps from falling planes. The scenes were taken at the Metropolitan Airport at Van Nuys, near Los Angeles. Fairbanks will be seen as an air pilot, although the most hazardous flying stunts are performed by the professionals.

WHAT! NO BEER!

Friday, Saturday
Buster Keaton and Jimmy Durante run a brewery and Roscoe Ates is their chief brewmaster. Ates makes his beer so potent that police complications ensue and the whole pack of comedians is marched to jail. Beer running gangs headed by John Miljan and Edward Brophy and beer wars offer a nightly exciting counterplot to the comedy provided by Buster and Jimmy. And, as if those complications were not enough, the presence in the cast of Phyllis Barry entangles the situation still further. Buster falls in love with fair Phyllis, only to discover too late that she is the affinity of one of the hostile beer barons, John Miljan.

BETAS, PHI DELTS PLAY FOR TITLE

Emergence With League Titles; Game Slated for 4 o'Clock

The intramural volleyball title will be at stake this afternoon when Phi Delta Theta and Beta Theta Pi, champions of their respective leagues, line up opposite each other at 4 o'clock. The Betas eliminated Lambda Chi with impressive scores, 15-1, 15-4 scores Wednesday in the final game of the "A" league while last night the Phi Deltis defeated Sigma Nu, 15-6, 19-6, to take the "B" league championship.

This marks the first year since volleyball was introduced three years ago that Lambda Chi has not carried off the honors. Both defeats which chalked against them this year were at the hands of the Betas.

Christian Stars

Superior teamwork and outstanding "smashing" by Jay Christian accounted for the Phi Deltis decisive scores against Sigma Nu last night. In the semi-finals of the "B" league this week the Phi Deltis triumphed Sigma Chi, victor over L. D. S., 15-9, 15-17, 15-8.

In this afternoon's contest Vincent Marcus, Beta, and Christian, Phi Delt, will be the main cogs in the offense of the two teams. Both men have plenty height and have "kills" which usually stay "killed" once they take a swing on the ball, according to intramural followers. The Betas have been undefeated this season while the Phi Deltis lost one match to Sigma Nu.

TONIGHT'S CARD TO BE CHANGED

Lynn Moore Replaces Chuck Carlson in Featherweight Class.

Lynn Moore, freshman, has been called upon to fight Bud Pool, W. S. C. in place of Chuck Carlson on tonight's fight card. Carlson is ill with a cold and for some time it was undecided whether or not he would be able to box. Pool, who fights at 126 pounds, is to represent W. S. C. in his weight class at the Pacific Coast intercollegiate boxing meet, if he is successful in his fight with Moore.

RIFLE MEN WIN DINNER TREAT

Women Sharpshooters Lose Meet by 13 Points

Losing, being humiliating, is also expensive according to members of the Women's Rifle club, who will entertain the Men's Rifle club this week.

The match which occurred two weeks ago, the women lost by a score of 689 to 676 including the handicap. As a result of this loss they have promised to take the men to dinner.

Awards will be given out at the meeting to the five women making the highest scores during the season. The following are given in the order of their rank: Bernice Keating, Margaretta Rowe, Marv Schlenker, Margaret McComb, and Rose Meyer.

LETTERMEN FAVOR MILITARY COURSE

Athletes Choose Education School in Preference to Engineering

The "I" club's chief outside interest seems to be in the military line. Their president, Max Eiden, is a lieutenant-colonel. Harry Jacoby and Schutte are first lieutenants and Willis Smith, John Norby, La Verne Randall, Nels Fowles, Orville Schmitz Lee Tyrrell are others with interests in that line.

Paul Jones furnishes the entertainment by playing the piano and bridge. Dramatics is Johnny Thomas' weakness.

The School of Education has more "I" men than any other school.

About ten years ago, Cuban university students rose in revolt because professors were cutting classes habitually. Many faculty members held government positions, which they carried out more effectively than their classroom work. The students won.

LAWYERS OUTWIT THUNDERING HER

Annual Classic Between Students and Plough- masters up to Snuff

The basketball game between the ags and the lawyers resulted in a 21-15 victory for the lawyers, according to William Ennis, George Beardmore, and Harold Coffin, who gave the story to the Argonaut. Although advertised as a basketball game, everything from flying-tackles to head-scissors was used. The game started with a dash, and the ags lead 4-0 at the end of the first quarter. Both teams substituted freely and the half time score was 11-6, with the ags still leading. The game was fast and interesting throughout, and the large crowd was kept in continual laughter. A feature of the second half was the heavy-weight line-up taking the court for the ags.

The leading scorers for the ags were Shawver, with 9 and Seatz with 6 points. High scoring honors for the lawyers went to Paris Martin who scored 6 points.

Prissy Claims Males Don Spring Outfits Too Soon for Co-Eds

University of Idaho
March, 1933

Dear Aunt Dorothy:
I read your column of general good advice every day, and I'm so glad that you've found a way to make the world a little brighter. I wonder if you'd tell me what to do about the men's clothes here at the university. The fellows just insist on coming forth in light spring clothes, even when it's cloudy and rainy. I mean, the ones who have more than one suit. Then it rains and the wind blows some more, and they look so uncomfortable! Those white shoes will look dingy enough by the Fourth of July. What I mean is that we want the boys to look nice all summer. But they're just little boys, after all, and they will wear their good clothes to play in. None of the girls would object to strolling around the campus with a man in a good-looking spring suit; but, it's still so cold we have to wear our old fur coats, and that makes us feel a little out of place. So, dear Aunt Dorothy, won't you please send a letter to the university boys advising them to wait a little while before putting on the spring clothes? And we girls would appreciate it so much if you'd very tactfully suggest that they not wear black and white shoes with tan suits. And those yellow ties that will pop up in the most unexpected places! Well, if you could just tell them to be a little more conservative in choosing neckwear.

Devotedly,
Prissy.

SWIMMERS WILL TRY OUT TUESDAY

Hell Divers Will Take New Mem- bers Soon

Hell Diver tryouts will be held in the pool next Tuesday at 7:30. Anyone may try out who wishes, but no one is eligible to the club who does not have a Senior Life Saving emblem.

The tests will be very strict, and will include written life-saving questions as well as tests of life-saving in the water and swimming and diving ability. Those who wish to try out may sign on the papers posted in the A. building, Women's gymnasium, and the Memorial gymnasium; and women who have completed their work, but have not taken the tests are to see any member of the physical education department.

The men are to report to Clayne Robison or Junior Jones.

MEN'S RIFLE TEAM FINISHES WINNING SHOOTING SEASON

Vernon Nelson is High Point Man With Score of 375.87

"The Idaho Rifle team has just completed the most successful season ever experienced by an Idaho team, having won 34 matches and lost only one," asserts Capt. W. A. Hale coach of the team. In the past years the team has managed to win a few matches, but has lost the majority of them. The improvement this year has been phenomenal. As a comparison between last year's scores and this year's, last year's highest individual score which was 364.5, this year's lowest score for the whole season was 363, showing how individual marksmanship has improved," he concluded.

Nelson Draws Honors

High honors for the entire season go to Vernon Nelson, who has an average score of 375.87 points. Second high average for the entire season was fired by Donald Griffith with an average of 371.75. Donald Ridings was third high individual of the year with a score of 370.5.

A complete summary of the university rifle team's matches follows. The team lost one match to Davidson college, at Davidson, North Carolina, by a margin of only five points. Among the prominent teams which the Idaho team defeated are Lehigh university, Syracuse university, Michigan State, University of Pennsylvania, University of Kentucky, George Washington university at St. Louis, Stanford university, University of Vermont, Texas A. & M. Montana State, U. C. L. A., University of Indiana, University of Nebraska, University of Michigan, and the University of California.

Sweaters will be awarded to the 10 high men of the season, barring those who have won an award in past competition. The 114.57 men earning sweaters is not yet available.

The Human Fort STOPS CANNON BALL!

ILLUSION:

A "strong man" once gave public performances in which he stopped a 9 lb. cannon ball shot from a fully charged cannon. The audience gasped when the gun flashed and the human Gibraltar stepped forward out of the smoke uninjured, with the 9 lb. shot in his hands.

EXPLANATION:

The trick lay in the way an assistant prepared the cannon for the performance. He used the regulation amount of powder and wadding, but placed the greater part of the charge of powder ahead of the shot. The cannon ball was propelled only by the small charge behind it which was just sufficient to lob the 9 lb. ball over to the strong man.

It's fun to be fooled ...it's more fun to KNOW

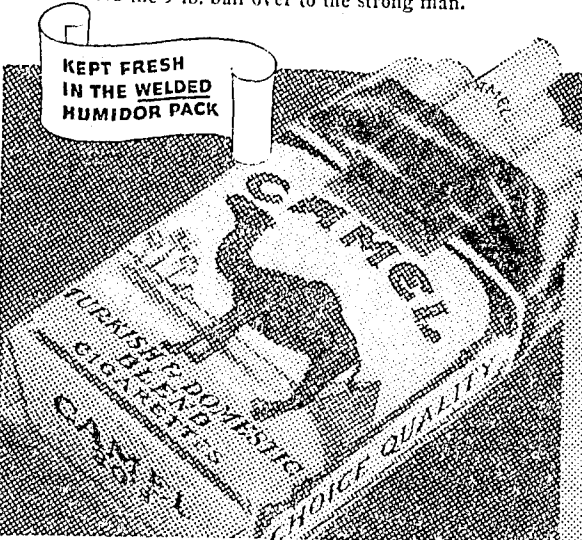

A performance sometimes staged in cigarette advertising is the illusion that cigarettes are made easy on the throat by some special process of manufacture.

EXPLANATION: All cigarettes are made in almost exactly the same way. Manufacturing methods are

standard and used by all. A cigarette is only as good as the tobacco it contains.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

In costly tobaccos you will find mildness, good taste, throat-ease. Smoke Camels critically, and give your taste a chance to appreciate the greater pleasure and satisfaction offered by the more expensive tobaccos. Other cigarettes, we believe, will taste flat and insipid to you forever after.
