IDAHO TENNIS TEAM WINS SECOND MEET FROM W.S.C., 4 TO 3

Three Singles and One Doubles Matches Go To Vandals

The W. S. C. varsity tennis team suffered its second straight defeat when the Idaho netmen scored a 4-3 victory over them in the match played at Pullman last Saturday. The first match, which was played at Moscow resulted in a clean sweep for the Vandals.

The tourney consisted of five singles and two doubles matches. Idaho emerged victorious in three of the singles and one of the doubles. Carpenter, Sowder, and P. Rust won their singles while Sowder and Altnow won the only doubles match for Idaho.

In the first match, Carpenter of Idaho defeated Logan of W. S. C. 6-4, 6-0. This developed into quite an easy victory for Carpenter, who won every game after dropping behind 1-4 in the first set. Carpenter was scheduled to play Clary Mowis, the Cougar leading man, but was replaced against Logan instead. Carpenter defeated Morris in their match at 6-4, 6-0.

In one of the longest matches played, Sowder defeated Reaper, 6-4, 4-6, 7-5. The match was close and interesting throughout, and took three sets to decide the winner. Altnow lost a close to his Cougar opponent Bissell, 6-2, 1-6, 7-5. This was also a close contest. Altnow was leading throughout the last set until near the end when Bissell played consistent tennis to emerge victorious.

P. Rust of Idaho defeated Conrad in straight sets, 6-2, 6-3, a rather easy victory. In the only other singles match, Jandl of W. S. C. defeated Rust, 6-1, 2-6, 6-1. This was a close contest and required the third set to decide the winner.

In the doubles, Sowder and Altnow of Idaho, defeated Reaper and Logan, 8-6, 7-9, and 7-5. This was a quite long match and required the third set. This match proved the deciding factor in Idaho's 4-3 triumph over their opponents. By expert lobs and smashes the losers kept the winners in considerable difficulty.

The only other doubles resulted in Bissell and Jandl of Washington State scoring a victory over P. Rust and H. Rust of Idaho, 6-3, 6-1. This match was featured by accuracy and well placed drives on the part of the winners.

This is the second straight win for the Idaho tennis team over the Cougars. It is also the first time in six years that two straight matches have been scored over a Washington State tennis team.

Another match will be played with W. S. C. at Pullman, Saturday May 27.

The summary follows:
Singles:
Carpenter (I) defeated Logan, (W. S. C.) 6-4, 6-0.
Sowder, (I) defeated Reaper, (W) 6-4, 4-6, 7-5.
Jandl, (W) defeated H. Rust (I) 6-1, 2-6, 6-1.
Bissell (W) defeated Altnow, (I) 6-2, 1-6, 7-5.
P. Rust (I) defeated Conrad, (W) 6-2, 6-3.
Doubles:
Sowder-Altnow (I) defeated Reaper-Logan, 8-6, 7-9, 7-5.
Bissell-Jandl (W) defeated H. Rust-P. Rust (I) 6-3, 6-1.

Fresh Will Play

The Idaho Fresh tennis team will journey to Pullman next Saturday, when they will meet the Washington State yearlings. The Idaho freshman have been showing up well, and have some excellent material developed. Judging from the first match with the W. S. C. freshman, even here, the Vandal Fresh should experience little difficulty in winning their match.

The players that will represent Idaho are as yet unknown. They will be determined by a challenge ladder tourney to be held this week. The first five on the ladder will compete for the freshman team. The tourney is open to all freshmen, who are eligible to play. Those who have been showing up well thus far are: Franklin, Denton, Axtell, McCrea, and Tinsley.

FEATURE SENIOR SONG AT SHOW

Annual Assembly Will Consist of Unusual Entertainment

Using the senior song as the theme, the senior assembly will feature the best talent developed in the senior class this year, according to Ed Lacy, general chairman. No definite date has been set yet, but it will probably be given in the week preceding senior exams, which will begin May 29. The committee is trying to make arrangements to have the assembly given in the daytime, when all students will be admitted without charge. Morris O'Donnell will be master of ceremonies.

A committee consisting of Morris O'Donnell, Lloyd Whitlock, and Charles McConnell will compose the theme song of the assembly. Louise Morley is working in conjunction with this committee to arrange the musical part of the assembly.

The usual worn-out skits and pantomimes will be replaced by new, fresh features. Comic numbers and music of all kinds, from brass instruments to solos will furnish unusual entertainment," Lacy promises.

CHURCH GROUP HONORS ACTORS

Will Hold Wesley Foundation Senior Banquet Friday

Honoring Methodist high school and university seniors, the annual Wesley Foundation Senior banquet will be held Friday evening at 8:30 in Epworth hall in the church.

The theme of "Troupers" will be used in decorations and by class toasts, as an indirect honor to the Wesley players who made a tour of southern Idaho with "The Prodigal Son." Mildred Carson will give the freshman toast, The First Act, Margaret Jones, sophomore toast, Behind the Scenes; Worth Hodgson, junior toast, Cues; Fern Spencer, senior toast, The Last Act; Homer Bell, grad toast, The Curtain Call, R. S. "Bob" Synder, faculty toast, Old Timers.

Clever arrangements of tables and unique place cards and programs will be a feature of the evening, as well as unusual musical entertainment. Judith Crites is in charge. Tickets are 35 cents per plate, and reservations should be phoned to Maxine Hofman before Thursday noon.

"HAS BEENS" PLAY VARSITY GRIDDERS IN GRUDGE GAME

Old Timers Will Show Youngsters How to Play Football

Football fans will have an opportunity to witness the last spring game of the year Wednesday at 2:30 as the Idaho "Has Beens" meet Coach Leo Calland's coming players in a game that promises much rivalry.

The "Has Beens" under the guidance of Glenn Jacoby, assistant varsity coach, have been training for two weeks in preparation for the encounter with the varsity. Their lineup includes eight regulars of last year's Vandal club who graduate in June and sprinkling of former and future stars.

The "Has Beens" will use the Notre Dame system of play as the basis of their attack, with a little of everything thrown in by way of surprise. With two weeks of regular practice behind them, the oldtimers are set to show the cubs on the varsity how Idaho football should be played.

White Coach Calland will not announce his varsity lineup until tomorrow, he will have a variety of material to select his starters from sophomores and other new candidates who will receive their baptism against the Has Been. According to the coach, the varsity outfit seems a little too confident that they can be taught no new football tricks by the old men they are going to play.

The game is to be a special feature of the Campus Day program and will be preceded by a parade by the Pep Band which will also play at the game.

As usual the stores will be closed from two to five on Campus Day and this year special observance will be made of the football game. The Booster tickets which were sold to Moscow business men last winter will be honored at this game. There will be no classes Campus Day and all students will be admitted on ASUT tickets.

IDAHO GRADUATE AGAIN AT MILLS

Jean Tedford, an Idaho graduate who left the campus last June with a bachelor of science degree in chemistry, has been reappointed to a fellowship at Mills college, Oakland, Calif., reports Dr. C. L. von Ende, head of the chemistry department.

Miss Tedford has been at Mills since September as a member of the chemistry department staff. Due to financial conditions, fellowships granted by the institution were cut to the minimum for next year. Miss Tedford was one of those whose record merited reappointment.

The president of Mills college, Aurelia Henry Rinehart, was the Idaho faculty member who directed "The Rivals" first student dramatic production to appear off the campus, back in 1901. Dr. Rinehart was an assembly speaker here last year.

PARTICLES IN RAYS

The presence of electrified particles in cosmic rays, Dr. Arthur H. Compton, professor of physics at the University of Chicago, said recently has been indicated by recent research in widely scattered parts of the earth.

BETAS, PHI DELTS WIN IN HORSESHOES

Former Cops "A" League Title, Latter Upsets Lindley Hall.

Ringers and upsets have been flying fast in the intramural horseshoe tournament. The race for the university championship has narrowed to three groups: Beta Theta Pi, Phi Delta Theta, and Lindley Hall.

The Beta banyard golfers nosed out a close win over Tau Mem Aleph Saturday afternoon to win the A league title. Ensign, Beta, lost to Anderson T. M. A., 21-11, 7-21, 21-9. Eldridge, Beta, defeated Bevis, T. M. A., 21-11, 21-16. In the doubles play-off the Betas won two straight, 21-19, 21-12. It was the third meeting between the two groups, each having won once.

Surprise Lindley The Phi Delt surprised the previously undefeated Lindley Hall losers in two straight singles matches. In one of the best matches of the tournament, Nelson defeated Ladd, 14-6, 21-19. With his score tied at 19 in the final game, Nelson tossed two close ones, Ladd put one even better with his first shoe, but his second drew both away, leaving his opponent with the winning counters.

In the second game, Ladd scored all 21 points on ringers.

In the other singles match, Mann had little trouble defeating Hennings, 21-10, 21-8.

As the defeat was the first one for Lindley Hall, the two teams must meet again to decide the B league title. The match has been scheduled for this afternoon at 4 o'clock in Lewis Court. The winner will meet Beta Theta Pi tomorrow for the university championship.

COLLEGE YEARBOOK NEARS COMPLETION

The 1933 Gem of the Mountains, in the hands of Sym-York Printing company in Boise, is rapidly evolving out of material collected from the campus during the last year.

Clyde Robinson, associate editor, who returned to the campus yesterday from Boise, where he has been assisting Paul Miller in supervising the publication, says that all photographs to be printed have been received from the Garnier Engraving company of Los Angeles ready to be included in the Gem. Editor Paul Miller, returning to the campus the latter part of the week, will give a definite date when the Gem will be available to students.

"In attempting to place the book on the campus at as early a date as possible, the printers have provided extra shifts and extra men for the printing," said Robinson. "We had previously planned to have the Gem ready by May 20, but on account of uncontrollable factors, we will not be able to have it prepared for distribution until a few days later.

"With new art designs and many new ideas, this year's Gem is going to be even better than we had expected," Robinson concluded.

John Torrey of Garnier Engraving company is now assisting in the printing of the book at Boise. All engravings have been prepared by his company.

WATER CARNIVAL COMES NEXT WEEK

Plans are being completed for the Hell Divers' water carnival, the evenings of May 15 and 16. Bill O'Neill will open the carnival with a "Drunk Stunt" and will be featured in other events. Wheel-freight Schoonmaker, Paul Callahan, and Vernon Shook will be featured in diving. The fifteen events, announced by John Daly, will include tap-dancing, comic stunts, and a chariot race. Clayne Robinson will announce and explain the life-saving demonstrations, the really serious and instructive part of the program.

Egan Kroll says that all members of Hell Divers' are participating in the carnival in order to make it interesting and entertaining. The admission has been cut to 10 cents, and the club is arranging to take care of large crowds both Monday and Tuesday.

BLONDS GET RATES

It has been proven at the Massachusetts Institute of Technology that it is cheaper to be a blond rather than a brunette or a red-head. According to a price scale used at the university of Chicago, said recently has been indicated by recent research in widely scattered parts of the earth, 15 cents, and the red-heads 20 cents.

Hawkeye On Duty

Have been out of town doing a little practice teaching for the last two issues but got back in time to see Ray Sowder do a slide and fall on the ATO hill and corner.

Louie Ensign getting home early from a date..... Jim Kalbus running the socks off Paul Swift..... Margaret Moulton applying part of the dinner at the Kappa Sig house..... Paris Marlin on a motorcycle..... Harry Wilson conversing with Buck Talley at the baseball game..... Fritzie Smith trying to sell Harold Gail a ticket to the Terr-ricky Sophomore Frolic..... Doc Burton riding a few of the better known campus politicians..... Bert Wagon engaged in a vigorous conversation with Jim Farris on the street corner..... Flora E. Merliam waiting outside the classroom for Hort..... Argonaut staff trying to bear up under the fresh paint smell at the office..... Fern Paulsen flagging into the office two hours late..... a heated battle which ended fatally at the ATO house.

SOPHOMORES HIT SLUMBERING MAIDS WITH SERENADE

Tickets for "Terr-Ricky" Frolic Are About Sold Out

The sophomore class surprised the campus after 12 o'clock last night with a very talented serenade. Many of the women in the group houses were awakened by the strains of Reginald Lyonn's tenor voice piercing the crisp night air. A brass trio, composed of Elburn Pierce, Ted Voightlander, and Fred Sanger, furnished the instrumental numbers for the serenade. The university quartet which is made up of Reginald Lyonn, Wayne Hampton, Carl Fischer, and Paul Rust, all sophomores, sang several selections at each group house.

The purpose of the serenade was to bring to the minds of the students the Sophomore Frolic, which will be held at the Blue Bucket Inn beginning at 8:30. The Blue Bucket Band will furnish the music.

Ter-r-ricky Frolic The sophomores claim that this dance will be "Terr-ricky" even the decorations are claimed to be tricky by Earl Bopp, general chairman of the dance. "Everything is going along splendidly and I am sure that all those who attend the dance will have a terrific time," Bopp stated.

"The cooperation of everyone in the sophomore class," said Carl Morrill, class president or more strictly, "One page is devoted almost entirely to alumni news.

All of the interesting campus highlights of the year have been condensed into cut, newsy paragraphs, of interest to every class of readers. Ways in which students on the campus are beating the depression are among the most interesting to off-the-campus readers.

Many Sports The back page is devoted to sports under the banner headline, "Vandal Horizon Brighter." A statement of Idaho's football prospects for the coming season has a prominent place in a box layout with pictures of the varsity coaches and Willis Smith in action.

One story on the sports page, evidently written by a campus Westbrook Pegler, tells of Joe Ehler, displacing Leo Calland as the heaviest man on the Vandal football squad—237 pounds for Joe, to Leo's mere 224. "The round boy only tipped the beam at 227 last fall, the Moscow climate having its usual splendid effect on his appetite to say nothing of his figure. Ehler actually gained more pounds than the average co-ed does her first year."

ENTRIES DECREASED

This year's entry list for the United States open golf tournament will be much smaller than that of former years, it was indicated tonight when a total of entries showed only 550 names. The entries close soon. Last year more than 1000 entries were received.

A. T. O., and S. A. E., Win in "B" League; Betas Ahead in "A"

Alpha Tau Omega and Sigma Alpha Epsilon are out in front in the "B" league intramural tennis tourney as the result of their victories over the week end, while Beta Theta Pi has the jump on the groups in the "A" league. A. T. O. chalked up a victory over Ridenbaugh and is leading in a match with Chi Alpha Pi. S. A. E. won from Phi Delta Theta, and Betas defeated Tau Mem Aleph and Tau Kappa Epsilon.

In first round matches Delta Tau Delta won from Lambda Chi Alpha and Tau Kappa Epsilon won from Delta Chi.

The scores for the second round matches were as follows: Oscar Jarlett, A. T. O. defeated Don McLean, Ridenbaugh, 6-1, 6-2; Dwan Vincent, A. T. O., defeated Bert Skina, Ridenbaugh, 6-1, 6-3. Bob Denton, Beta, won from Norman Roberts, T. M. A., 6-1, 6-1; Dick Axtell, Beta, won from Vinnie Bevis, T. M. A., 6-0, 6-4.

SUMMER ARGONAUT COPIES MAILED TO 10,000 STUDENTS

Publicity Department Issues Advertising Paper for University

More than 10,000 copies of the university publication commonly called the "Summer Argonaut" are being mailed from Craig cottage this week to all high school seniors in the state, prospective summer school students and university alumni.

The publication, ordinarily issued early in August, is one of the University of Idaho Bulletin series, and is designated in the masthead as the New Student-Alumni-Summer School number. It is in the form of an attractive eight-page, five-column newspaper, printed on white stock paper, and generously illustrated with half-tone engravings. It was written and edited by the department of publications, under the direction of O. A. Fitzgerald, university editor.

Attractive Picture The first page features an attractive three-column picture of the Administration building tower, under the heading, "Ad Tower Personifies Idaho's Charm." University enrollment, summer school plans, and commencement are featured front page stories. Practically every department of the university is represented by one or more stories. One page is devoted almost entirely to alumni news.

Drop Clean-up From Campus Day Program; End Spring Football

Varied Entertainment Planned For Tomorrow; Intramural Track Meet Starts Day; Mortar Board, Silver Lance Pledge

Idaho's annual Campus day will include, this year, everything but the traditional campus clean-up, according to Robert Harris and Rollin Hunter, in charge of the day's program. Other schools, among them W. S. C., have eliminated campus work from Campus day celebrations, questioning its value.

R. O. T. C. Heads Make Important Announcements

Though military classes are generally conceded to be over after the inspection last week, the ROTC staff of instructors wish to emphasize these few announcements:

No more military for freshmen or sophomores.

Uniforms must be turned in to Sgt. Woods by Thursday night.

All makeup must be done by the 20th of the month.

Regular classes will be held for the junior officers Friday.

Seniors watch the bulletin board.

ENGINEERS BANQUET WITH W. S. C. GROUP

Idaho Chapter Will Be Hosts at Annual Affair

The Idaho branch of the American Institute of Electrical Engineers will hold its annual joint banquet with the W. S. C., and the Spokane branches at the Blue Bucket Inn next Friday evening.

This meeting of the practicing electrical engineers of the Spokane section and the budding young engineers of the two schools is held each year, alternately at W. S. C. and Idaho.

Three papers will be presented at the meeting—one from each of the organizations. A student from W. S. C. will speak on "Summertime Components in the Solution of Unbalanced Three Phase Circuits." Two of our students, Arlo Sullivan, and Harold McBirney, will give a talk and demonstration of a five meter radio set. The phenomenon of reflection of radio waves, and standing voltage waves on a miniature transmission line will be shown and explained.

W. S. C. Were Hosts Last year the members were guests of the W. S. C. branch. The three papers presented at that time were: "Control of the System Frequency of the Washington Water Power Co., for the Regulation of Electric Clocks," by the Spokane section; "Calibration of a Dynatron Oscillator" by a W. S. C. student; and "The Development of Talking Pictures" by Milburn Kenworthy of Moscow.

The Idaho branch of the American Institute of Electrical Engineers has been holding bi-weekly meetings throughout the year, during which time the students have been able to see electrical engineering practice as it is done outside the classroom. This has been accomplished through many motion pictures and various outside speakers.

The officers who have been in charge of the Idaho branch's activities for the past year are: Ferd Koch, president; William Clagett, vice president; and Fred Quist, secretary-treasurer.

CHEM STUDENTS GET POSITIONS

Two members of the June graduating class, J. Calvin Emerson and James O. Pence, will teach chemistry next year at the Boise Junior college, according to the faculty list published in the institution's current catalog.

Since last September, Emerson has been investigating the electrical conductivity of a diabasic acid in aqueous solution, a research problem which he has worked up as a thesis for the master's degree in chemistry which he will receive on commencement day. He received his bachelor's degree from the College of Idaho in 1930, but for three years previous to that time he was a student on this campus. His home is in Nampa.

READY FOR SEASON

The king's racing cutter Britannia has been launched and will soon be ready for another cup collecting season.

The yacht, which is said to have won 336 prizes in all, was towed away to Portsmouth to have her 176 foot mast inserted.

The program, as rearranged, includes an intramural track meet, the May Queen's coronation, with attendant ceremonies, Mortar Board and Silver Lance pledging, and the second football game of the spring practice squad. The complete program is:

9:30 a. m.—Intramural Track meet.
1:30 p. m.—Musical selections by Pep Band and Symphony orchestra.
Senior women Processional
Maypole dance by faculty children.
Crowning of May Queen
Pledging by Silver Lance
2:30 p. m.—Football game
Improve Campus

Years ago campus day originated as a day on which every student on the campus and every faculty member worked on some project to improve the campus. This tradition has been carried on every year until this year, when it was thought best to do away with the work. The Intercollegiate Knights offered their services again this year, but the academic council decided not to excise Knights from their classes on Tuesday to collect the necessary tools. It was planned to spend a part of Campus Day morning cleaning up the arboretum. The only work which will be done on the campus will be that which groups "do on their lawns and gardens."

The opening event of Campus Day festivities will be the Sophomore Frolic to be held at the Blue Bucket tonight. Novel spring decorations and good entertainment, will make the frolic an enjoyable affair. This dance is the only all college dance on the campus and all will fit well into the Campus Day program.

Wednesday's program will start with an athletic show for men's organizations, the annual intramural track meet, part of the regular intramural program. All groups have been training on the varsity track and a good contest is certain. Following are a list of the events and the time for each starting at 9:30 a. m.

Javelin 9:30
Discus 9:30
Pole vault 9:30
Shot put 9:30
Broad jump 9:30
50-yd. dash 9:30
80-yd. high hurdles 9:45-9:51
100-yd. dash 9:55-10:05
120-yd. low hurdles 10:10-10:20
Mile run 10:30
Finals of the above 10:40

Last year Phi Gamma Delta won the intramural track meet, and competition promises to be keen for honors this year also. As none of the contestants in this meet will be men with varsity experience.

Immediately after lunch, starting at 1:30 the Campus day pageant will begin. Temporary bleachers will be set up on the campus so that students and townspeople may witness the May Fete. The Fete will begin with selections by the Pep Band led by Bill Ames, and several numbers by the Symphony orchestra conducted by Professor Carl Claus. Senior women under the direction of Mortar Board, march in the senior processional. A Maypole dance and the winding of the May pole will follow. The dancers will be led by Miss Lillian Wirt, director of women's physical education classes. The children who will take part in this dance are children of the members of the university faculty.

Then comes the highlight of the fete, the crowning of the May Queen, attended by all of her attendants. The May Queen is elected by the students, and the honor of being May Queen is held high by university women. At the elections held last week Jessip McDonald was elected May Queen. She will be crowned tomorrow, and will be attended by Elaine Hersey, page, and Ivy McPherson, maid of honor, also chosen at the student body elections.

As the next feature of the afternoon, Mortar Board and Silver Lance will announce their new members by "tapping" them from the crowd and pledging them publicly in a colorful ceremony. Pledging by these societies is considered among the highest honors men and women at Idaho can receive, as the requirements and standards are high.

The crowd will then shift to MacLean field to watch a football game to be played between the Whites and the Blues, two teams chosen from the spring football squad.

W. S. C. NINE WINS TWO FROM IDAHO

Takes First 8 to 1, and the Second 9-5; Score Heavy In Fifth

Except for one inning, the fifth in the second game when the Vandals garnered two homers and two triples, Idaho batsmen were practically handcuffed last week-end by Irvine and Coleman, W. S. C. pitchers, who allowed a total of nine hits for the two games which the Cougars took, 8-1 and 9-5. The first game was played at Pullman Friday and the second was played here Saturday morning.

In the first game Idaho scored its lone run in the opening frame when Geraghty, first man up, hit a triple and scored on a putout play at first base. The Vandals held their one run margin until the fourth inning when the Cougars started a hit and run spree which netted six tallies. Three singles, three walks, and a triple by Arbelbide accounted for the scores. The bases were loaded when Arbelbide smashed out his three bagger, three base hit by Olmo, a single and an error allowed the Cougars to count two more runs in the seventh.

Irvine pitched the route for the winners and allowed the Foxmen only four safe hits, each of which were in different innings. He struck out nine men. Speirs started for Idaho and was removed in the eighth when Swanson took over the mound duties.

Scoring in each of the first four innings of the game here Saturday morning, the Cougars had seven runs before the Vandals started their big drive in the fifth in which they scored all of their runs. The winners counted twice in the opening frame, once in the second, three times in the third and one in the fourth. Their other two runs came in the seventh when Arbelbide landed a homer with one man on.

Idaho Runs Amuck
Kline started Idaho's five run merry-go-round in the fifth when he clouted a three base hit after two were down. Lacy followed with a homer and Geraghty duplicated the feat. Sather and Albee got free passes to first, and McNealy scored them with the second three base blow of the inning. Anderson was retired on strikes by Irvine who relieved Coleman on the mound.

Ed Lacy pitched the entire game for the Vandals. He was hit hard in the first four innings, but in the last five he kept the Cougar bats under control, allowing only four hits.

W. S. C. TRACK TEAM WINS IN DUAL MEET

Kalbus Noses Out Swift In Century for Only Idaho First

The Idaho track team met defeat at Pullman last Saturday afternoon when the Washington Staters rolled up a score of 114 points against 17 tallies for the Vandals, in the first conference meet of the season for both teams. Good weather prevailed, enabling good times in the dashes and distance runs.

WANT MORE EXAMS

Students at the University of Chicago are not taking advantage of the new system which allows them freedom from exams and classes. To see how they are getting along they are demanding short frequent examinations. Last semester they asked for 25 minute exams each quarter, but they are doubling the time this semester.

The CO-ED MANNEQUIN

For late spring and summer wear a navy blue and white costume is certain to be useful. With jacket, it makes a street ensemble and without, it is a lovely afternoon dress, that will look cool and smart far into the hotter season.

Colors have their ups and downs just as everything else. At present, they are on the top of the fashion world, for it is a la mode to be gay in hue above the waistline.

PLAY COLLEGE SONG ON RADIO

Official College Song Played by Paul Carsson

Hearing the majestic strains of "And Here We Have Idaho" over a National Broadcasting company western network program gave many an Idaho graduate and former student an unexpected and pleasant thrill Sunday evening.

Not a few students on the campus found themselves standing up when the official university song was played by Paul Carsson, N. B.

C. organist on his program, "The Bridge to Dreamland." The program is released each Sunday evening from the San Francisco studios of the National Broadcasting company from 10:15 to 11 o'clock. Many radio listeners consider this program one of the best on the air.

Investigation on the campus Monday disclosed the fact that the song had been requested by a group of students at one of the fraternity houses who have been in the habit of listening each Sunday to Paul Carsson's organ melodies.

Get going, Fella! HERE'S HOW

DRAG your feet to the nearest campus lunch bar. Say "Shredded Wheat and half-and-half. Make it a pair."

You'll be treating yourself well. For Shredded Wheat is one food that's VITALLY DIFFERENT.

It brings you all the proteins, carbohydrates, minerals, vitamins that Nature stores in her richest cereal, whole wheat. For it is whole wheat—nothing added, nothing taken away—whole wheat, crisp-baked for easy digestion.

All the bran is there, as Nature intended. Try it with milk or cream and the fresh or canned fruit

you like best. It's delicious; it's easy on your allowance. And it helps you keep in trim to lick the world.

TRACK MEET WON BY COEUR D'ALENE

New Records Set In Mile and Shot Put Events

Two North Idaho meet records were shattered last Saturday when Coeur d'Alene nosed out Wallace for team honors in the inter-district meet held at MacLean field. Stokes, Wallace miler, broke the tape inches in front of Walker of Grangeville and set up a new mark in the event. He bettered the former record of 4:40.4 set in 1929 by Carnahan of Coeur d'Alene by 3 seconds, running the distance in 4:47.4.

Johnson Stars
 Donald Johnson, who made all of Troy's 17 1/2 points, set a new mark for shotputters to aim at when he heaved the iron oval 45' 8". Johnson capped individual scoring honors by placing first in the discus, shotput and javelin and tying for second in the high-

jump. Garland Wilson, Coeur d'Alene, gathered 16 1/2 points, demonstrating perfect form in the high-jump, broadjump and low hurdles. Coeur d'Alene also won the pole vault and a tie for fourth in the pole-vault. A colorful crowd witnessed the meet but cold weather and a slow track kept the time down in all races except for the mile run. The 220 yard dash and 220 yard low hurdles were run at 205 yards due to the soggy of a portion of the track.

First and second place winners are eligible to enter the state meet at Boise next Saturday. Team scores are as follows: Coeur d'Alene 34 1/2; Wallace 31 1/2; Troy, 17 1/2; Lewiston 17; Nez Perce 12; Kellogg 11; Bovill 7; Orofino 6; Kingston 6; Potlatch 5 1/2; Grangeville 3; Peck 1.

Make these FOUR YEARS happy

HEALTH is the basis of a happy, successful life. You need plenty of energy to do your best in the classroom and on the campus.

An enemy of health is common constipation. It may steal vitality, and dull your days. Overcome it by eating a delicious cereal.

Two tablespoonfuls daily of Kellogg's ALL-BRAN will promote regular habits. ALL-BRAN furnishes "bulk," vitamin B and iron. Ask that it be served at your fraternity house or campus restaurant.

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating-clubs and fraternities are made by Kellogg in Battle Creek. They include Kellogg's Corn Flakes, PEP Bran Flakes, Rice Krispies, Wheat Krumbles, and Kellogg's WHOLE WHEAT Biscuit. Also Kaffee Hag Coffee—real coffee that lets you sleep.
