The Pep Band to Seattle

The University of Idaho Pep Band will be represented at Seattle Saturday when the Huskies and the Vandals meet there in our football opener. Undoubtedly there is a question in the minds of some of the students as to whether it is the wise and profitable thing to give the band this trip.

The band is scheduling dances in Seattle for Friday night and possibly for Saturday night. True, the remuneration from these dances will in no way cover the expenses of the 20 men in the band. However, it will go a certain way in making the burden on the student body less. The receipts will probably cover the board and room for one day and one night—if they only play for one dance, and will cover both days expenses if they play for two dances.

The transportation coverage is then left to the associated students. The question to be weighed and decided by the students is whether or not the band with its exceptionally fine music and appearance will benefit the school, the team, and the gate receipts in a proportion equally relative to the student expenditure.

The Argonaut thinks they will and that the student body is making no mistake in sending this prominent organization with the team. The Pep Band works for Idaho. Ever since its organization on the campus back in the early '20's, it has been one of the greatest boosting factors for the school. The band works hard for the school and deserves rewards for its efforts. The band braves all kinds of weather during every athletic season to be present at all rallies and games. Sometimes it isn't a picnic for those boys to sit in the rain and play, trying to keep the spirit of the students up even though Idaho may be on the smaller side of the score.

All that is understood and appreciated by the students. In Seattle the band will broadcast, parade, and advertise. Idaho has a strong alumni association in Seattle which will appreciate hearing the band again. The gate receipts will undoubtedly be increased by the presence of the band.

This is Idaho's first game of the season. The team and the school deserve a good start in the year when football prospects look brighter than ever before. The band will lend morale to the team in this venture.

If other schools can send 50-piece bands with their teams we can send 20 pieces and be justified.

Able Speaker Brought to Students

Students of the University of Idaho were given the opportunity last week to hear one of the ablest speakers of today. Dr. C. S. Boucher, dean of the College of Arts, Literature, and Science at the University of Chicago, who delivered at the convocation address at the University of Idaho, is without doubt one of the most able lecturers and deepest thinkers of the day.

Dr. Boucher, who is also a fine historian, has devoted himself to the study of college teaching practices. For five years he has been on the committee which studies and follows the trends of teaching in outstanding universities of the United States.

Fortunate indeed were the students who, through the efforts of President M. G. Neale, were enabled to hear this man who is in constant demand throughout the United States. Dr. Boucher, who speaks the language of the common man is able, through a well told humorous story or incident, to reach the man on the street without talking down to him.

Pages could be written on this outstanding, prominent, and capable man. However, when in your next class your instructor refers to some passage in Dr. Boucher's address you may be assured that the one who makes such references is a person who really appreciates the efforts of a deep and intelligent speaker.

R. F. C. Aid for Students.

President Robert M. Hutchins, of the University of Chicago, is the latest to join that group of energetic advocates for loans from Reconstruction Finance Corporation to needy students. Daily the idea seems to be gaining friends among educators.

The proposal has its sound points. Students in its educational institutions are among a country's best investments. For more of the nation's energetic and ambitious young people to be fitted for specialized work would be national insurance against future difficulties such as the ones through which we are passing.

Student loans aren't a new thing. They have been very successful whenever tried. The recipients of these financial aids have added incentive to work hard for self betterment and few are the cases in which this has not been found. The students are considered good risks for they invariably look forward to the time when they can pay back their benefactors, and their training usually equips them so that this is relatively soon after their graduation.

The R. F. C. probably will want a demand on the part of the students themselves before installing such a program. It would be well for all college students to give some study to the plan as it is being developed in their interest. Indiana Daily Student.

HAWKEYE On Duty

TWO FLII PLEDGES buying fire-side tickets at the Delta Gamma house. . . . TWO TRI DELTS trying to hang the ribbon on a sister. . . . GALS elated over their promising. . . . THREE SIGMA NUS starting the season right in the Oriole Nest. . . . HAROLD GAIL going strong at the mixer. . . . "ELMER" ENSIGN playing football for the Delta Gammis (What a man). . . . TEKES rushing Lindley like it was their own home. . . . DELTA CHI menagerie being aired by "BASEBALL" BROWN. . . . CHI ALPHA PIS whistling at the gals as they paraded past their domain. . . . JAMES KEEL ducking from the Frosh. . . . KEITH McDANIEL busy at the Co-op house. . . . BOB GREENE smiling as the boys from New Jolsey handed over their dough. . . . MANY PEOPLE at the dance on Monday evening and all of the gals smiling at the prospective pledges (not a word was spoken). . . . TWO GIRLS on their way to see the president. . . . FROSH being locked out of Hays hall on their first date "at college". . . . CONTRACTORS getting the old Beta house torn down by September 10 and then there was the frosh who wondered what girl named BETA ZETA of ALPHA PHI sent her an invitation. . . . what a break for the boy who got instructions to keep a gal out late so the Kappas could initiate her. . . . KAPPA SIGS turning the hose on their pajama clad house manager on their front lawn Sunday morning. . . . STACY SMITH giving Pocatello a break this year. . . . SKINNY ST CLAIR in a new gray sweater. . . . the TRI DELTS inviting all the new pledges to a pink tea. . . .

Can This Be True?

Extra! Extra! With the aid of the National Guard, four sheriffs, eight state policemen, and a charge of TNT, Moscow's worst traffic jam was unraveled when the authorities had herded the Beta and D G pledges back to the campus.

GET VACCINATIONS NOW

Miss Edna Peterson, head nurse advises all students to take the vaccine for small pox, typhoid fever and colds. As there is only a small quantity left, students are asked to call as soon as possible.

IDAHO GRADUATE LEASES WEEKLY

Word has been received by the journalism department of the university that Paul E. Jones, of Sherwood, Oregon, and Joe Hutchins of Newburg, Oregon, have leased the Carlton Herald, a weekly paper at Carlton, Oregon. Jones was graduated from the University of Idaho in 1932. During 1931 and '32 he was editor of the Argonaut.

BULLETIN BOARD

ALL THOSE INTERESTED IN working on the 1934 Gem of the Mountains are asked by Clayne Robison, editor, to meet in Ad 201 Wednesday afternoon at 4 o'clock. Applications for positions on both editorial and business staffs may be made at this time.

THERE WILL BE NO A. W. S. council meeting Today.

INTERCOLLEGIATE KNIGHTS meet at the Delta Tau Delta house tonight at 7:30 p. m.

PRESS CLUB MEETING Wednesday, Sigma Chi house 7:30 p. m.

PEOPLE INTERESTED IN working on the business staff of the Argonaut should make application to John Powell, business manager, in the Argonaut office Wednesday afternoon at 4 o'clock.

ALL THOSE WISHING TO work on the Idaho Engineer, meet in the Idaho Engineer office in the Engineering building at 4 p. m. Wednesday.

MEETING OF ACTIVE SPURS at the Blue Bucket inn, 12:30, Wednesday noon.

HELL DIVERS MEET WEDNESDAY night at the pool, 7:30 p. m.

MALE CHORUS TRYOUTS IN the women's gymnasium Tuesday evening at 7:30 p. m. Old members at 7 o'clock.

DALETH TETH GIMEL Business meeting in the Women's gym Tuesday at 7:30 p. m. All members are urged to come.

Argo--Nuts

Now that the alums have gone home and the silverware has been returned, we can devote our time to a "Beer in the Nest" campaign.

The hurdle shed's gone, We miss it so much; 'Twas very convenient For hurdles and such.

How mortifying for the poor

Gamma Phis that they can't have more frosh at the Argonaut meetings than the Delta Gammis.

There was a sorority lived in a shoe. Had so many frosh they didn't know what to do. Gave them some water without any rice. And put them to sleep in Paradise.

And have you heard the girls singing, "After the bowl is over."

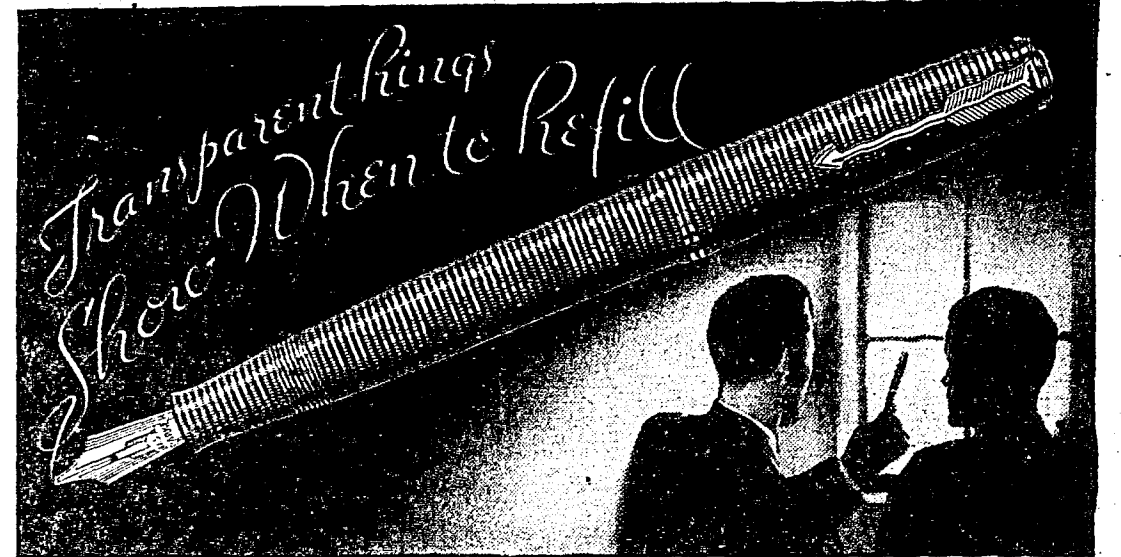

The Phi Delt's got some, The Betas got more, The Phi Delt's use beds, The Betas the floor.

A bird in the Nest is worth two in the Bucket. The frosts on the pumpkin, The grapes on the vine, I'll pay for your drink, If you'll pay for mine.

There was a Frosh named Hessi Tate. She narrowed it down to only eight.

NO MORE RUNNING OUT OF INK

—due to this Vacumatic Filler Pen Invention Holds 102% more Ink—Shows when to refill!

"Every other ring looks like solid jet till held to the light!" "Yes, I can see the ink in the pen. That's the best idea yet!"

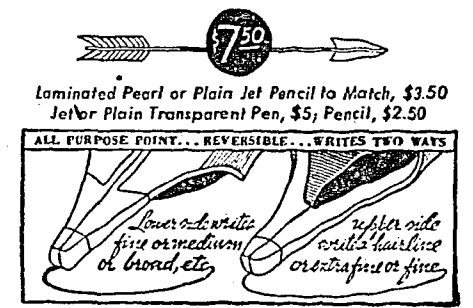

Parker's Revolutionary Pen—Laminated Pearl, ultra-smart and exclusive

PARKER now presents an utterly revolutionary pen— invented by a scientist at the University of Wisconsin. A pen that gets rid of the customary rubber ink sac, —but more, the first sacless pen to abolish piston pumps and valves. It contains no device that will render it useless later. It holds 102% more ink, with no increase in size!

And its ultra-smart and exclusive barrel—fully patented—is built up ring upon ring of laminated Pearl and Jet, as shimmering as velvet, or Pearl and transparent Amber that looks like jet till held to the light. Then you can see the quantity of ink within—see when to refill. This eliminates running out of ink at some critical moment during lectures or exams.

This "miracle pen" obsoletes all other types. It is guaranteed mechanically perfect. Go to any nearby counter. Try it today. The Parker Pen Co., Janesville, Wisconsin.

Parker VACUMATIC FILLER

Laminated Pearl or Plain Jet Pencil to Match, \$3.50 Jet or Plain Transparent Pen, \$5; Pentel, \$2.50

ALL PURPOSE POINT... REVERSIBLE... WRITES TWO WAYS

Lower cost, writes five or six times as long as ballpoint, etc. Higher cost, writes twice as long as fountain pen.

Turkish tobacco is packed thousands of tiny leaves to the bale. It averages 400 leaves a pound.

Why—

Tobaccos grown in this country are "seasoned" with tobaccos from Turkey and Greece

THE ANSWER IS VERY SIMPLE:

TOBACCOS to taste right in a cigarette need to be flavored or seasoned just the same as you might season a steak or a pudding.

No tobaccos have ever been found that equal the spicy aromatic tobaccos of Turkey and Greece for this purpose. That's why we send 4000 miles for aromatic tobaccos from Sam-soun and Smyrna, Xanthi and Cavalla.

When blended and cross-blended in just the right amounts with Chesterfield's mild ripe Domestic tobacco, the result is a rich flavor and a fine fragrance.

Chesterfields are seasoned right—they taste right. May we suggest you try them.

Chesterfield

Sororities Pledged 105 New Women Last Sunday Morning

After a week's entertainment consisting of breakfasts, lunches, suppers, and firesides given by the different sorority houses, 105 new women paraded from Hayes hall to their new homes in the eight women's group houses on the campus, Sunday morning.

The many new and attractive women on the campus were entertained at many events during the past week. Each house was allowed three parties. The dates and types of parties given by each house were determined last spring by the Pan-Hellenic council. The third party was a formal dinner Saturday evening given at each house at the same hour. An invitation from a house to its formal dinner was considered equal to a bid to membership to that house.

Pledges for the sororities are as follows:

Delta Delta Delta — Edwyna Broadbent, Salem, Ore.; Marian Swanson, Denver, Colo.; Clara-belle Turner, Nez Perce; Amber Wolf, Livingston, Mont.; Ruth Johnson, Moscow; Dorothy Brown, McCall; Roberta Matthews, Boise; Ruth Dunn, Fenn.; Lois O'Mara, Moscow.

Alpha Chi Omega — Barbara Mockler, Boise; Cecelia Moss, Payette; Barbara Lipps, Rupert; Alene Riley, Rupert; Cowena Amstutz, Glenns Ferry; Frances Herbert, Lewiston.

Delta Gamma — Vivian Reed, Boise; Jane Thomas, Boise; Joan Sanford, Nita Sherman, Blanche Johnson, Kellogg; Margaret Pence, Payette; Mary O'Neil, Coeur d'Alene; Helen Wilson, Twin Falls; Rosanna House, Moscow; Isabelle McDonald, Helen Wilson, Lewiston; Alice Porter, Mary Virginia Congdon, Marion Delano, Esther Flenner, Boise; Delia Crowley, Winona, Clossner, Idaho Falls; Genevieve Woods, Little Rock, Ark.; Gretchen Woodcock, Coeur d'Alene; Marie Schneider, Spokane; Ruth Haller, Twin Falls; Gertrude Schaeffer, Priest River; Shirley Mack, Boise; Katherine Kendall, Spokane; Evelyn Boyd, Alberta Morton, Gail Friend, Moscow.

Kappa Kappa Gamma — Miriam Virtanen, Mullan; Beatrice Fisher, Weiser; Marion La Rue, Jane Baker, Maria Carlson, Rupert; Donna Sheridan, Spokane; Harriet Hitchcock, Tootie Dollard, Julie Davis, Margaret Good, Boise; Marabel Edmonds, Coeur d'Alene; Anne O'Neil, Spokane; Gladys Colner, Twin Falls; Barbara Walker, Caldwell; Victoria Nelson, Moscow.

Kappa Alpha Theta — Charlotte Kennedy, Boise; Jannette Reese, Betty Winkler, Spokane; Rena and Ella Mae Walters, Weiser; Carol Jean and Kathleen Samm, Moscow; Anne Curtis, Sandpoint; Leona Myrick, Orofino; Erma Lewis, Burley; Anne Swecley, Twin Falls.

Pi Beta Phi — Lucille Bell, Blackfoot; Loraine McConnell, Boise; Fay Pettijohn, Castle Ford; Eleanor Stewart, Post Falls; Betty Dohl, Plummer; Rachel Nelson, Grangeville; Bernice Wilson, Kuna; Mary Ferguson, Salmon; Madge Miller, Emmett; Ida Tuppes, Caldwell; Bessie Shew, Kalispell, Mont.; Rachel Chenoweth, Moscow.

Alpha Phi — Charlotte Alquist, Julia Wade, Buhl; Edith Slatter, Hazelton; Gertrude Gehrke, Moscow; Margaret Anderson, Pocatello; Catherine Bjornsted, Pocatello; Margaret Illingsworth, Pocatello; Evelyn Wilson, Blackfoot; Florence Post, Rexburg; Mary Short, Eagle; Merna Creswell, Emmett.

Gamma Phi Beta — Eleanor Hoyt, Lewiston; Mary Thompson, Moscow; Jo Betty Wicks, Boise; Pamela Persons, Spokane; Margaret Murphy, Payette; Katherine Scheutenhelm, Kellogg; Vatura Van Engelen, Barbara Thompson, Twin Falls; Dorothy Good, Filer, Nancy Trever, Long Beach; Dorothy Kerr, Priest River, Katherine Kimball, Spokane.

Daleth Teth Gimmel entertained the Freshmen town girls and other new girls not living in group houses at an informal tea Sunday in the Women's Gym. The lights were covered to cast a yellow glow throughout the room. A bouquet of purple asters and petunias and yellow snapdragons with yellow tapers furnished the table decorations. Large baskets of flowers added to the color and cheer of the room. About forty guests were present.

Additional fraternity pledges are as follows:

Alpha Tau Omega — Jerry Crisman, Boise; Herold Klumb, California; Howard Hess, California; Beta Theta Pi — Wilton White, Medford, Ore. Delta Chi — Dan Rodgers, Challis; Don Journey, American Falls; John Smyth, Great Bend, Kan. Delta Tau Delta — Ronald Martin, St. Mary's; Paul Richelson, Montpelier. Kappa Sigma — Dean Green, Moscow.

Phi Delta Theta — Clarence Devlin, Mountain Home; Robert Williams, Twin Falls. Tau Kappa Epsilon — Cliff Combs, Wallace; Frank Randal, Lewiston; Ernest Overliag, Boise.

Sigma Alpha Epsilon — Ray Lincoln, Filer; Roscoe Smalinski, Lewiston; Stewart Brown, Twin Falls.

Sigma Chi — Walter Baumgartner, Rexburg; Gene Nickelson, Moscow. Lambda Chi Alpha — Joe Ayre, Wallace; Herold DeMars, Wallace; Al Barnes, Boise; Ed Wood, Jr., Wallace.

O'Donnell-Adams Nuptials Surprise Friends on Campus

Friends of J. Morris O'Donnell, ex-'34, and Virginia "Sammy" Adams, ex-'35, were surprised this week to learn that the couple have been married since April 22. The groom left school recently to accept a position with a produce company operated by the bride's father in Salt Lake City.

Mr. and Mrs. O'Donnell will be at home in Salt Lake City where the groom plans to attend the University of Utah in addition to his work.

Both Popular. Both young people were very popular while on the campus. Mrs. O'Donnell is a member of Delta Gamma social sorority. Mr. O'Donnell is a member of Phi Delta Theta social fraternity and Phi Alpha Delta, national law honorary. He was best known through his music, being a member of the Pep Band, the leader of a dance orchestra throughout his college life at Idaho, and the author of a number of popular Idaho songs. He was also a member of Blue Key and Silver Lance.

VANDALEERS TO FILL VACANCIES

Nine Members and Four Reserves to be Selected Thursday Night

Nine regular members and four reserves will be selected to fill vacancies in the Vandaleers at a try-out to be held in the auditorium Thursday night at 7:30 p. m. announced Paul Rust, president of the group.

"Although it is not a requirement we will be especially interested in those contestants who have talent along some other musical line other than voice," said Carleton Cummings, director of music, commenting on the tryout. Professor Cummings urged that every student who is interested in the Vandaleers report to the auditorium Thursday night with his own music. He may bring his own accompanist if he prefers. The contestants will be judged by the members of the organization and the winners will be announced Friday.

Two altos, three sopranos, two tenors and two basses will be chosen to immediately fill vacancies in the Vandaleers, while one reserve will be selected in each section, to become a regular member should one of the regulars drop out. The reserve members will attend all rehearsals and have all the music that the organization will work on this year.

Campus Clips

By BOYD

The students of San Mateo Junior college cleared out of the building which houses the school in exactly 2 1/2 minutes when a fire drill was held there recently. There are over 1500 students in the school.

Kappa Alpha Theta leads the women's sororities at Washington State in scholarship for the spring semester last year. Its average was 88.34. Delta Sigma Zeta, men's local, led the men's roster with an average of 86.85.

The Wairorf, Sherry's, and other famous eating places may soon be recruiting chefs from Ventura Junior college. The idea of cooking and foods classes for boys was initiated at that school this fall and the college boys seem to take to it with enthusiasm. Nine boys were enrolled and all of them happen to be from the junior college glee club. Crooners and cooks all rolled into one! What a combination, girls!

Zeta Phi Epsilon, a local fraternity on the Whitman college campus, was forced to close its doors this fall when too few men returned to make the maintenance of the house a success. Evidently things must be just a little tougher on other campi than at Idaho. Let's knock on wood and wish the Zeta Phi better luck next year when they hope to be able to reorganize.

In Japan undressing in public is quite permissible. Passengers on railway trains frequently step into the aisles and change all their clothing.

The officer on campus night duty for U. C. L. A. carries a flashlight, whistle, gun, handcuffs, and extra bullets. Should a burglar happen along he spies him with the aid of the flashlight, blows the whistle (just for fun), points the gun at him, and if the burglar turns out to be a biology professor who dropped in to see how the fish are getting along, lets him go.

START WOMEN'S FALL ACTIVITIES

W. A. A. Meeting Will Be Held Tuesday For All New Women Students

The Women's Athletic association is holding a general meeting at 7 o'clock Tuesday evening in the women's gymnasium. New women students are urged to come. The purposes of the association will be explained and the manner in which women may earn "T" sweaters and blankets.

Definite information will be given on the sports to be offered this year and the points for each major and minor sport.

Soccer will start Wednesday at 4 o'clock in the women's gymnasium; horseshoes, the minor sport, starts next week. A bulletin will be posted in the Ad. building and all women interested in the horseshoe tournament may sign there.

The fall tennis tournament begins October 2. All women interested may sign their names on the paper which has been placed on the W. A. A. bulletin board in the Ad. building for that purpose. W. A. A. offers ten points for entering the tournament.

NEW INSTRUCTOR TEACHES CLASSES

Women's beginning and intermediate swimming classes will be under the supervision of Mildred Richardson, a second semester sophomore. Miss Richardson is a senior life saver, belongs to Hell Diver's, and has taken an active part in women's athletics since entering college.

Mrs. Kate Boyer will continue to have charge of the advance swimming classes and also leisure time sports for women. She urges all women to enroll in the swimming classes who have not received previous instructions in Red Cross life saving.

CHAMBERLAINS LIVE AT LINDLEY HALL

Mr. and Mrs. Lawrence Chamberlain, who formerly were at Ridenbaugh, will live at Lindley hall during the ensuing school year.

Mrs. Chamberlain, former Moscow high school instructor, will act as hostess for all social events of the house. Mr. Chamberlain, instructor in political science, will assist Robert Greene in his various duties as proctor of men on the campus.

G. S. Tanner of the L. D. S. institute who is in charge of appointments to Ridenbaugh, has made tentative arrangements for filling the vacancy left by Mr. and Mrs. Chamberlain.

Mr. Greene wishes it to be made clear that September 28, will be the deadline for notices from students that they are leaving the hall for fraternities, "batching," etc. Unless this is taken care of promptly before that date it is very probable that refunds will not be made.

TO HOLD TRYOUTS FOR VOCAL CLUB

All women interested in trying out for the Women's Glee club for the coming year, report to the auditorium Wednesday afternoon at four p. m.

"With the many freshman girls interested in music," said Carleton Cummings, head of the music department, "there should be sufficient material to make the organization one of the best groups of its kind in the northwest."

The glee club is open to members of all classes.

PAJAMAS WORN IN CHURCH

Beach pajamas may be worn in church, according to Dr. Hewlett Johnson, dean of Canterbury Cathedral. "No objection is taken to any dress," he said, "so long as girls are decently and modestly clad, and do not wear dresses likely to attract undue attention. I do not think beach pajamas are indecent, although I do not consider they are very beautiful."

CAMPUS CORDS FOR SALE BY DAVIDS

SPORT SHOP
By BILL MCCREA

One bright spot and one dark cloud appeared on the Vandal football horizon this week as the team rounds into condition for the coming Husky game.

The first misfortune to strike Calland's squad is the news that Barbee, 196-pound center, will not be able to play in the Washington game. His right knee, which was injured in scrimmage last week is still bad, and Trainer Ralph Hutchinson reports that Barbee must not use the knee for the coming week if he is to get in shape for the rest of the season.

The bright spot appeared in the person of Bob McCue, 210-pound tackle, from southern California, who turned out yesterday. McCue is the third man this season to report from that district. The other two are Klumb and Hesse, both of whom, as well as McCue, have been steered in this direction by Bert Heiser, coach at Chaffey junior college and an old friend of Coach Calland's.

Idaho is not given much of a chance by any of the arm-chair quarterbacks on the coast this year, or in this section either but its own prediction, optimistic or not, that the Vandals are going to win at least five of their eight scheduled games.

There's our first prediction and we're stuck with it. We may take a beating on that; but we'd be breaking the rule for sport columnists if we did make a good prediction so we're not worrying.

Of course, meeting the Washington Huskies in our first game is a large order, but it was just one of these schedule difficulties which could not be otherwise arranged, Idaho, as a consequence, is to play a mixed up season. After Washington, there, on September 30, the Vandals have two games with easier teams, Whitman on October 7, and the College of Idaho on October 14. The Whitman game will be in Moscow and the other will be a night game at Caldwell. On October 21 Calland's men journey to Eugene to meet the University of Oregon Webfeet. Next come two home games in a row—the University of Montana on October 28, and the Homecoming game with Washington State college on November 11. The last conference game will be with the University of California at Berkeley. This game is also to be played under the arc lights. The final game of the season will be against Gonzaga university in Spokane and will be played on Thanksgiving day, November 30.

That the recent mysterious visitors to these Palouse hills who were in quest of football talent on the hoof overlooked the greenest pasture is the conviction of those who saw the 50 sizeable lads answering Coach Otto Anderson's first call for Vandal freshman football candidates here last week. The initial frosh practice brought out the best looking material for a first string that has cavorted in rookie suits on MacLean field in recent times.

At least one factor will be an advantage to the Vandals this year when they meet the Huskies. Idaho will be meeting the Huskies with her full strength for the first time in several years. The Vandals have journeyed to Seattle in mid-season as a rule before, with a makeshift lineup replacing the battered regulars. Early game injuries have wrecked several good Idaho teams before they got to Washington.

The 1933 schedule permits Idaho a full array of regulars against Washington at least, and two weeks for injuries received in this game to mend before the next conference fracas.

Pre-season injuries at Idaho have been considerably less than at most conference schools this year and credit for this must go largely to Coach Leo Calland. dO3FwillOkHO m z m mmmccc While other teams, even those getting an earlier start than Idaho, were opening up with scrimmage practice within a day or two of the turnout, Calland held no scrimmage till the boys had gone through over a full week of limbering up exercises. As a consequence, opening scrimmage found the team in shape and able to go through hard scrimmages without "charleyhorses" and other more serious injuries.

William Jobe, a sophomore guard from Yougstown, Ohio, is the heaviest man on the Kentucky football team. He weighs 245 pounds.

Scrimmage In Line Tonight As Team Points To Opener

Vandals Preparing for Hard Set To in Seattle Saturday

Breaking up Washington plays and piercing Washington's Rockne-style defense has been a major part of the tasks assigned this week to Coach Leo Calland's varsity football men. Scrimmage with a team of reserves coached by Rich Fox and versed in Washington's Rockne system, will be on the ticket for tonight's practice. Another stiff drill tomorrow and a light tapering off practice on Thursday will see the Vandals all set for the season's opener with the University of Washington Huskies.

With all sights set for the Husky game Coach Calland has spent the week in steadily moulding a stubborn defensive as well as a deceptive offensive attack, with which to meet the oncoming charge of "boiler-makers" Muszynsky, Sulkosky, Hornback, and Bufkin—all members of Jimmy Phelan's 1933 Husky backfield.

Weather Aids Practice

The snappy weather this week has put more pep into the boys and Coach Calland reports that the whole squad is filled with enthusiasm and confidence concerning the coming game. The 1933 Vandals are going into Seattle with the determination to come out on top and the confidence that they will.

Last Saturday Coach Rich Fox attended the Huskies opening game in which they trounced Gonzaga 13 to 0. Since that time he has been coaching a squad to play Jimmy Phelan style and this bunch has been working against Calland's leading two teams. Calland's starting lineup will not be available until just before the game but a tentative list will be run next Friday.

Coach Calland now has a regular squad of 49 men. Six new players have turned out since the first call. These are: Harold Klumb, 200 pounds, and Robert McCue, 210 pounds, both tackles and both from Chaffey junior college in California; Harold Hesse, 185, an end from Pomona junior college; and Chick Wilson, 189, a guard, and Jack Barbee, 196, a center, both of whom are from the Southern Branch.

FRESHMEN FACE HARD SCHEDULE

A dozen or more of Anderson's men, all former Idaho high school stars, are potentially sweet prospects for next year's varsity. Frosh reserves will not compare with the starters, although there will be plenty of them.

Yearlings looming up as likely regulars at this early stage include: linemen—Ralph Spaugy, Nampa; Roy Gray, Twin Falls; John Cooper, Gooding; Kenneth King, Wendell; Duffy Reed, Twin King, and Frank Gilliam, Weiser. Backs—Earl Ritzheimer, Coeur d'Alene; Ross Sundberg, Idaho Falls; and Clarence Devlin, Mountain Home.

SPORTS PUBLICITY DIRECTOR LEAVES

George McDonald, better known on the campus as "Sandy", left night before last for Seattle where he will work in conjunction with the University of Washington publicity department in advertising the game to be played between the Huskies and the Vandals next Saturday.

Sandy has been working for the University press department for the past two years. He is now director of sports publicity. Sandy graduated with a major in journalism in 1930. He is a member of Beta Theta Pi social fraternity.

State fair officials reported \$111,895 was bet at the California fair under the pari-mutuel system of betting on horse races.

On the other hand Idaho will just be getting started when they meet Washington while the Huskies will have had the advantage of one game behind them. While the Vandal material appears to be more plentiful than in former years, Idaho's manpower is considerably less than that of most of the other conference teams, and too many injuries in this opening round can wreck the whole season. As bruises and breaks are more prone to happen at the start of the year, Coach Calland is making no predictions until he can count up what casualties may come in the toughest first game Idaho has ever faced. However, if the Vandals come through their Husky encounter without too many starters on the shelf, a strong team can be whipped into shape for the rest of the conference season. Thus just how far the Idaho squad will go in the 1933 Pacific coast conference race will perhaps be settled in the very first round.

PUNTING ACE

Laverne Randall, COACH LEO CALLAND is counting on this tow-headed end to bear the brunt of the punting this season. A gas thief's bullet eliminated the other kicking prospect in the person of Ed Elliot, a member of last year's Frosh squad. Randall never punts better than when he is in a tough spot, where he can be counted on to boot them 50 or 60 yards. His job also includes taking care of anything that comes around his end. He'll be in the thick of it next Saturday at Seattle.

TYRRELL GIVEN JOB AS COACH

Physical Education Faculty Picks Idaho Grad to Assist Freshmen

Lee Tyrrell, Moscow, has been added to the physical education faculty as assistant freshman football coach. The position that Tyrrell will fill is that from which Arthur Spaugy resigned shortly before his death, in order to coach at the Lewiston normal school.

Tyrrell was a star on the freshman team of 1929. He completed three outstanding seasons as varsity fullback, and culminated his intercollegiate athletic career by being chosen by his teammates as honorary captain, the highest honor an Idaho football player can receive.

To Assist Anderson

He will assist Coach Otto Anderson in shaping up the yearling football squad, about which no definite information is available now. Both Anderson and Tyrrell were back so Calland will have to one or the other.

Tyrrell graduated from Moscow high school after winning four awards in football and two in basketball. In college, he landed a job at fullback which he handled for four years. He is reputed by the Vandal coaches as being one of the most talented blockers seen on an Idaho football team.

EIDEN TO COACH FROSH FOOTBALL

Max Eiden, guard on the 1932 Vandal football team, has returned to the university to assist Otto Anderson and Lee Tyrrell in coaching the freshman grid team. Eiden will also coach the varsity swimming team.

Eiden is not eligible to participate in conference football games this season, because he received an injury in the first few minutes of the first football game of the season at the University of Montana when he was a sophomore. The injury necessitated his leaving school for the year. The two minutes played in the Montana game made him ineligible for his third year of varsity playing.

MANY TURN OUT FOR FROSH SQUAD

Fifty-One Suits Issued to Frosh Football Aspirants

Fifty-one suits were issued to freshmen football aspirants who turned out Wednesday at the first call of Otto K. Anderson, freshman football coach. This is the largest freshman football squad in years.

Coach Anderson states that the men are unusually large and look to be a valuable group. He estimates that enough heavy men have turned out to enable the freshmen team to have two lines averaging 180 pounds each.

Tough Schedule Ahead

Anderson has arranged an unusually tough schedule and expects the frosh to have plenty of experience by the time they trade in their frosh uniforms as down payment on varsity sweaters next spring.

Unless recent conference rulings limiting freshman competition force cancellation of part of the Idaho freshman schedule, the Baby Vandals will tackle six tough Inland Empire teams this fall.

Three normal schools, Spokane university, and the two traditional freshman teams rivals are on the slate. Lee Tyrrell, three-year varsity fullback and honorary 1932 captain, will assist Anderson in handling the Vandal Babes.

The Freshman Schedule:

Oct. 7—Cheney Normal at Moscow.
Oct. 14—Lewiston Normal at Moscow.
Oct. 21—Ellensburg Normal at Ellensburg.
Oct. 28—Spokane University at Moscow.
Nov. 4—Gonzaga Frosh at Spokane.
Nov. 18—W. S. C. Frosh at Moscow.

EFFECT CHANGES ON U. PRESS BOX

"The new press box will be a great improvement over the old one," said George E. Horton, graduate manager, Monday afternoon. The old press box above the stands on MacLean field is being enlarged and will be entirely enclosed in glass.

"This new arrangement will greatly facilitate radio broadcasts from Moscow and will contribute a great deal to the comfort of the sports writers and telegraph men who have had in past years to battle the elements every time Idaho had a game on its home field," said Cap.

Two new restrooms are being erected also and are soon to be completed. One is being built at each end of the stadium.
